Facility to be named: *

Baseball/Softball Batting Cages at Lake Belton High

Name for consideration: *

Jace Jefferson Batting Cages

All submissions will be presented in writing on this form with supplemental material and should contain 1. Biographical or Historical Data; *

Jace Jefferson was born July 22, 2004 and passed away Nov 11, 2016. He was a student in BISD having attended High Point and NBMS.

2. Description of the significant contribution(s) or historical significance; *

Jace was born July 22, 2004 and passed away after winning his battle against cancer on Nov 11, 2016. Jace played baseball in the local league and also in select baseball. He was also a friend to so many students who will be the first graduating class for LBHS. His athletic abilities were nothing compared to his caring and compassionate nature towards everyone around him. To hear him laugh once would improve you. His death from cancer is still on the hearts and minds of these students and the community as a whole. There's no doubt he would have spent many hours in those cages with his teammates becoming a better player but also helping his teammates become better players as well. Jace also attended BISD schools having attended High Point (where his mother Melony teaches), and would have attended LBHS.

3. An impact statement explaining why a facility, or school should be named after this person, area or subdivision. * *

Jace made our community better. Even when he was sick he was happy and uplifting to everyone he knew. Our community deserves to have a constant reminder of him so we never forget that even in the face of something as awful as cancer, you can still smile and still love the person next to you.

Other supplemental materials, including but not limited to: in-depth biographical or historical information, news clippings, photos, letters of recommendation and/or other printed resources that would assist the Board in making a decision should accompany the nomination form.
