Item: Consider, Discuss, and Take Appropriate Action Regarding the School Library Advisory Council Recommendation for Library Materials Purchase

Contact Person: Julee Manley

Presented for: ☑ Action ☐ Report Only

Supporting Documents: ☐ None ☑ Attached ☐ Provided Later

District Goal or Objective Addressed:

Goal 1: Strengthen and support the engagement of all stakeholders in the pursuit of the BISD vision.

Goal 2: Ensure exceptional learning experiences for each and every student.

Background Information:

The Belton ISD School Library Advisory Council convened on February 18, 2026 and reviewed materials being considered for purchase in our libraries. Elementary and Secondary lead librarians presented a mid-year list of book titles for vetting prior to purchasing. The recommended book list was generated in alignment with collection standards and guidelines, as well as being posted online for 30 days. Based on the materials presented and considerations discussed, the SLAC unanimously recommended that the full list be brought forth to the Board for consideration.

Fiscal Implications:

The purchase will be funded by individual campus funds as budgeted.

Administrative Recommendation(s):

Approve the attached list of library books recommended by the School Library Advisory Council as presented.
