Temple College
Faculty Senate Vision for 2025–2026:
Embracing Opportunities & Facing Challenges Together

Faculty Senate Report to the Temple College Board of Trustees
June 15, 2026

- **Dan Brown**, Associate Vice President—Taylor Campus (FA26-SP28)

B. The following elected faculty members will continue to serve on Faculty Senate for one more year:

- **Geoffrey Lewis,** Senator—Liberal Arts (FA25-SP27)
- **Philip Friedman**, Senator—Natural Sciences (FA25-SP27)
- **Elizabeth Barton**, Senator—Workforce Development (FA25-SP27)

C. TCCTA Salary Study Addendum:

- As faculty have pointed out to me, only 38 institutions have reported salaries to TCCTA this year, as opposed to 48 institutions who reported salaries last year. This means our average salary for 2024-2025 was ranked 22 out of **38 schools**, whereas our average salary for 2023-2024 was ranked 32 out of **48 schools**.

- I previously reported that we moved up 10 spots in rank (from 32 to 22) this year, but because the total number of schools reporting salaries decreased, a straightforward comparison is not possible.
    - There is a difference of approximately 8.8 percentage points between last year's rank and this year's rank.
    - Although we still moved up in rank, the move was not as drastic as I originally reported, and in both scenarios, there are still only 16 schools ranked below us.
- For additional information:
    - Out of 130 full-time faculty reported for 2023-2024, the lowest salary was $51,557.00 and the highest was $95,839.00.
    - Out of 134 full-time faculty reported for 2024-2025, the lowest salary was $49,450 and the highest was $97,756.

II. Committee Updates

A. <u>Barnhart Committee (Erica Perrine, Chair):</u>

- **Barnhart Award Graduation Speech, Chad Cryer, May 16, 2026**

  I learned long ago that students don't care what you know, until they know that you care; and I've based my entire teaching philosophy around it. That is something I learned from my biology professors when I was a student here at Temple College 26 years ago.

  It makes me extremely proud to be a part of the same institution and share this prestigious award with a man who helped inspire me to become a teacher myself. I'm speaking of Dr. Ed Morgan who won this award in 1996. I wish Ed could see me up here today, and maybe in some way he can.

  Back then this moment felt like a distant goal. Receiving the Barnhart Award today reminds me I'm still on the right track.

  But no one earns an award like this alone. I wouldn't be standing here without the support I get from my fellow Temple College employees.

  Over the years I've had the opportunity to work alongside and learn from many brilliant minds, spanning multiple departments from across the college. Much of what I do would not be possible without their contribution.

Together we make each other stronger as we share the same goal: to have a positive impact on students and our community. There is no greater population we'd rather serve.

In many ways, my receiving this award is just a ripple effect of those professional relationships.

But today, the focus rightfully belongs to our graduates.

It's important for you to take time and celebrate this milestone. I wish I could tell you things get easier from here, but that isn't the case. Deadlines never go away, challenges keep coming, and life will always surprise you.

I'd like to offer a couple pieces of advice to help you stay grounded, keep growing, and make a lasting impact in your community.

First: Believe in yourself, because if you don't believe in yourself, no one else will.

And even if no one believes in you, that won't matter as long as you do. "Your belief in yourself is one of the most important factors in your future success."

Growing up, I had plenty of people tell me that "I'd never make it through college, or if I did, that I'd never use my degree for anything meaningful"; and I think that is a good reminder of how others can't always see your potential.

As you go through life, surround yourself with people who support your goals and challenge you to grow. The people around you will shape the person you become. Choose them wisely.

Second: Don't be afraid to fail. Too many people avoid failure by only pursuing things they already know they can do.

But real grow requires stepping into uncertainty. It means taking risks, stretching beyond your comfort zone, and understanding that failure, when paired with reflection, becomes wisdom.

You're not alone on this journey. Just like me you have a network of support behind you, my network is now part of your network. Together we make each other stronger. And I can see you've brought in quite a lot of additional support to this arena.

So let's remember: today is not proof that you have everything figured out. It's proof that you kept going.

Keep going, and the rest of your story will take care of itself!

Congratulations, Class of 2026!

STUDENT SERVICES and ENROLLMENT MANAGEMENT

Division Update

Ms. Shannon Bralley, Associate Vice President of Student Services and Enrollment Management, reports that during May 2026, the division continued to support Temple College's mission through student engagement, enrollment growth, academic support, and student success initiatives across all campuses. A major highlight for the month was the successful completion of Temple College's 100th Anniversary Commencement Ceremony. Division staff worked collaboratively to ensure a positive experience for graduates and their families while supporting commencement logistics, graduate processing, and ceremony operations. The division continues to focus on summer and fall enrollment efforts, supporting students in setting up payment arrangements and exploring financial aid and scholarship opportunities, promoting student support services, and strategic initiatives designed to promote student persistence, completion, and success.

Accommodations, International Programs & Student Support

Ms. Misty Reid reports continued participation in Student Services and Enrollment Managers Leadership meetings and professional development activities. She participated in the regional Pregnancy and Parenting Liaison meeting, attended the TXAHEAD Mentor Committee meeting, and assisted with Temple College's 100th Anniversary Commencement Ceremony. Spring 2026 enrollment included 149 students received disability accommodations during the Spring semester. Summer accommodation applications continue to be accepted and processed.

Admissions & Records

The Admissions and Records Department processed 1,202 applications through Recruit integration. Staff processed 1,040 transcript requests and completed 3,395 course and testing equivalencies. Department leadership participated in demonstrations and planning meetings for Ad Astra scheduling software, Lightleap AI application fraud detection, and Degree Sight transfer evaluation software. The department continued implementation efforts for Parchment AI and completed required National Student Clearinghouse reporting and degree verification compliance processes.

Staff played a significant role in commencement planning and execution, including graduate communications, degree audits, honors verification, commencement logistics, and ceremony operations. Approximately 550 spring 2026 graduates have been processed, with additional certificate graduates and eligibility reviews still underway.

Enrollment Advising
Enrollment Advisors continued fall 2026 registration through appointments and triage advising. Advisors maintained regular intervention meetings with probation and suspension students to develop plans for academic success and persistence. The department continued weekly staff training and conducted proactive outreach efforts to support enrollment growth and retention objectives.

Financial Aid
Mary Daniel, Director of Financial Aid, reports for 2025-2026, 2481 learners at Temple College received Pell grants for a total disbursed amount of $ 10,053,073.10. 1953 learners received Direct Loans for a total disbursed amount of $7,517,996.00.
For the 25-26 school year 7835 learners have listed Temple College on their Free Application for Federal Student Aid (FASFA). For the 26-27 school year, 3593 learners have listed Temple College on their Free Application for Federal Student Aid (FASFA).
OB3 (One Big Beautiful Bill Act), effective with the 2026–2027 award year, makes significant changes to federal financial aid. The law simplifies student loan repayment into fewer options, reduces borrowing through new annual and lifetime limits, and eliminates certain loan programs (including Graduate PLUS). Pell Grant eligibility is expanded to include some short-term/workforce programs but is more targeted overall. The legislation also increases accountability by tying federal aid more closely to student outcomes such as completion and earnings, while adding new reporting and compliance requirements for institutions.

Student Success Center
The Student Success Center continued promoting tutoring and academic support services to students preparing for final examinations. Outreach efforts resulted in 19 new students utilizing tutoring services during the month. The Center partnered with Health Professions to provide HESI and TEAS preparation sessions on April 10, April 17, and May 8. A total of 47 students participated, including 35 students who attended one session, 8 students who attended two sessions, and 4 students who attended all three sessions. During May, tutoring services supported 220 duplicated students and provided 243 hours of tutoring. Utilization included 201 students at Main Campus, 6 students at the Taylor Center, 6 students at the Hutto Center, and 7 students receiving online tutoring services.

Testing Center
The Testing Center continued to experience strong demand for testing services while maintaining full operations for both in-person and remote testing. Facilities remained fully utilized for class exams, HESI, TEAS, and accommodated testing. The department

continued implementation and support of the Next Generation HESI platform, completed testing lab enhancements, and expanded testing services for Health Sciences and external partners. Staff supported Accuplacer, TSIA2, HESI, TEAS, CLEP, HVAC, CASA, TCOLE, Police Academy, and certification testing. The Testing Center also maintained partnerships with multiple colleges and universities, expanded remote testing services, and participated in professional development activities and collaborative initiatives with Nursing, Sonography, Workforce Education, and Information Technology Services.

(g) Registration and Payment of DTC Bonds. With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created ("DTC Participant") to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. No person other than a Registered Owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal and interest pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the Registered Owner at the close of business on the Record date, the words "Cede & Co." in this Order shall refer to such new nominee of DTC.

(h) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the Issuer determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the Issuer to DTC or that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Registered Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

(i) Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the Issuer to DTC.

(j) Cancellation of Initial Bonds. On the closing date, one initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the order of the initial purchaser of the Bonds or its designee, executed by manual or facsimile signature of the Chair and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to such purchaser or its designee. Upon payment for the initial Bond, the Paying Agent/Registrar shall cancel the initial Bond and deliver to The Depository Trust Company ("DTC") on behalf of such purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all of the Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC. To the extent that the Paying Agent/Registrar is eligible to participate in DTC's FAST System, pursuant to an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

(k) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Order have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the Issuer, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Issuer shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be performed, exist, and be done precedent to or in the authorization, issuance and delivery of this Bond have been performed, existed, and been done in accordance with law; that this Bond is a general obligation of the Issuer, issued on the full faith and credit thereof; and that ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due, and as such principal matures, have been levied and ordered to be levied against all taxable property in the Issuer, and have been pledged for such payment, within the limits prescribed by law.

THE ISSUER ALSO HAS RESERVED THE RIGHT to amend the Bond Order as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the registered owners of a majority in aggregate principal amount of the outstanding Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Order, agrees to be bound by such terms and provisions, acknowledges that the Bond Order is duly recorded and available for inspection in the official minutes and records of the governing body of the Issuer, and agrees that the terms and provisions of this Bond and the Bond Order constitute a contract between each registered owner hereof and the Issuer.

IN WITNESS WHEREOF, the Issuer has caused this Bond to be signed with the manual or facsimile signature of the Chair of the Board of Trustees of the Issuer and countersigned with the manual or facsimile signature of the Secretary of the Board of Trustees of the Issuer, and has caused the official seal of the Issuer to be duly impressed, or placed in facsimile, on this Bond.

(i) immediately under the name of the Bond, the headings "INTEREST RATE" and "MATURITY DATE" shall both be completed with the words "As shown below" and "CUSIP NO. _____" shall be deleted.

(ii) the first paragraph shall be deleted and the following will be inserted:

"**TEMPLE COLLEGE DISTRICT** (the "Issuer"), being a political subdivision located in Bell County, Texas, hereby promises to pay to the Registered Owner specified above, or registered assigns (hereinafter called the "Registered Owner"), on the dates, in the principal installments and bearing interest at the per annum rates set forth in the following schedule:

Maturity Dates	Principal Installments	Interest Rates

(Information for the Bonds from the Pricing Certificate to be inserted.)

The Issuer promises to pay interest on the unpaid principal amount hereof (calculated on the basis of a 360-day year of twelve 30-day months) from the _________ at the respective Interest Rate per annum specified above. Interest is payable on __________, and on each __________ and __________ thereafter to the date of payment of the principal installment specified above, or the date of redemption prior to maturity; except, that if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such principal amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full."

(iii) The initial Bond shall be numbered "T-1".

Section 6. TAX LEVY.

(a) Tax Levy. A special Interest and Sinking Fund (the "Interest and Sinking Fund") is hereby created solely for the benefit of the Bonds, and the Interest and Sinking Fund shall be established and maintained by the Issuer at an official depository bank of the Issuer. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the Issuer, and shall be used only for paying the interest on and principal of the Bonds. All ad valorem taxes levied and collected for and on account of the Bonds, plus accrued interest on the Bonds from the dated date thereof to the Issuance Date, shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Bonds or interest thereon are outstanding and unpaid, the governing body of the Issuer shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of its Bonds as such principal matures; and said tax shall be based on the latest approved tax rolls of the Issuer, with full allowance being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the Issuer for each year while any of the Bonds or interest thereon are outstanding and unpaid; and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Bonds as such interest comes due and such principal matures, provided that the aggregate annual bond taxes in the Issuer shall never exceed the rate of fifty cents on the one hundred dollar valuation of taxable property in the Issuer.

(b) Security Interest. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the Issuer under this Section, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the taxes granted by the Issuer under this Section is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, in order to preserve to the Registered Owners of the Bonds a security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code, and enable a filing of a security interest in said pledge to occur.

Section 7. DEFEASANCE OF BONDS.

(a) Defeasance. Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") within the meaning of this Order, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Order to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (a)(i) or (ii) of this Section shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the Registered Owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Investment and Disposition of Funds. Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer also be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) of this Section. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) Defeasance Securities. The term "Defeasance Securities" means (i) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America, (ii) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of the purchase thereof are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the Issuer adopts or approves the proceedings authorizing the financial arrangements, are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent and (iv) any other then authorized securities or obligations under applicable state law in existence at the time of such defeasance that may be used to defease obligations such as the Bonds.

(d) Paying Agent/Registrar Services. Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Order.

(e) Selection of Defeased Bonds. In the event that the Issuer elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 8. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.

(a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the Registered Owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the Registered Owner applying for a replacement bond shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the Registered Owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond. In every case of damage or mutilation of a Bond, the Registered Owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bond, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the Registered Owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) Authority for Issuing Replacement Bonds. In accordance with Subchapter B, Chapter 1206, Texas Government Code, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 4(b) of this Order for Bonds issued in conversion and exchange for other Bonds.

Section 9. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; ENGAGEMENT OF BOND COUNSEL; USE OF CUSIP NUMBERS; CONTINGENT INSURANCE PROVISION, IF OBTAINED.

(a) The Chair of the Board of Trustees of the Issuer is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Bonds said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers may, at the option of the Issuer, be printed on the Bonds issued and delivered under this Order, but neither shall have any legal effect, and shall be solely for the convenience and information of the Registered Owners of the Bonds.

(b) The obligation of the initial purchaser to accept delivery of the Bonds is subject to the initial purchaser being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the Issuer, which opinion shall be dated as of and delivered on the date of initial delivery of the Bonds to the initial purchaser. The engagement of such firm as bond counsel to the Issuer in connection with issuance, sale and delivery of the Bonds is hereby approved and confirmed. The execution and delivery of an engagement letter between the Issuer and such firm, with respect to such services as bond counsel, is hereby authorized in such form as may be approved by the Chair of the Board of Trustees and the Chair of the Board of Trustees is hereby authorized to execute such engagement letter.

Section 10. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS.

(a) Covenants. The Issuer covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any, are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any, then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of $5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section l.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(9) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the Issuer for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The Issuer understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any), proceeds of the refunded bonds expended prior to the date of issuance of the Bonds and any replacement funds administered by the Texas State Board of Education as part of the Permanent School Fund. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs the President or the Vice President, Administrative Services/Chief Financial Officer of Temple College of the Issuer to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Issuer, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Allocation of, and Limitation on, Expenditures for the Project. The Issuer covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 1 of this Order (the "Project") on its books and records in accordance with the requirements of the Internal Revenue Code. The Issuer recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the Issuer recognizes that in order for proceeds to be expended under the Internal Revenue Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The Issuer agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The Issuer covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Bonds. For purpose of the foregoing, the Issuer may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(f) Reimbursement. This Order is intended to satisfy the official intent requirements set forth in section 1.150-2 of the Treasury Regulations.

Section 11. SALE OF BONDS; OFFICIAL STATEMENT.

(a) To achieve advantageous borrowing costs for the Issuer, the Bonds shall be sold on a negotiated, placement or competitive basis as determined by the Pricing Officer in the Pricing Certificate. In determining whether to sell the Bonds by negotiated, placement or competitive sale, the Pricing Officer shall take into account any material disclosure issues which might exist at the time, the market conditions expected at the time of the sale and any other matters which, in the judgment of the Pricing Officer, might affect the net borrowing costs on the Bonds.

(i) If the Pricing Officer determines that a Series of the Bonds should be sold at a competitive sale, the Pricing Officer shall cause to be prepared a notice of sale and official statement in such manner as the Pricing Officer deems appropriate, to make the notice of sale and official statement available to those institutions and firms wishing to submit a bid for the Bonds, to receive such bids, and to award the sale of the Bonds to the bidder submitting the best bid in accordance with the provisions of the notice of sale.

(ii) If the Pricing Officer determines that the Bonds should be sold by a negotiated sale or placement, subject to the provisions of Sections 1 and 3 hereof, the Pricing Officer shall designate the purchaser or purchasers for the Bonds as the Pricing Officer deems appropriate to assure that the Bonds are sold on the most advantageous terms to the Issuer. The Pricing Officer, acting for and on behalf of the Issuer, is authorized to enter into, deliver and carry out a bond purchase contract, placement agreement or other agreement for the Bonds to be sold by negotiated sale or placement, with the purchaser or purchasers at such price, with and subject to such terms as determined by the Pricing Officer pursuant to Section 3(b) above. The Bonds shall initially be registered in the name of the purchaser thereof as set forth in the Pricing Certificate.

(b) The Issuer hereby approves the Preliminary Official Statement relating to the Bonds as presented to the Board of Trustees with such changes therein or additions thereto (and any addenda, supplement or amendment thereto) as the Pricing Officer may deem advisable. Such Pricing Officer is hereby authorized, in the name and on behalf of the Issuer, to approve, distribute, and deliver Such Preliminary Official Statement and a final Official Statement relating to the Bonds to be used by the Underwriters in the marketing of the Bonds.

Section 12. FURTHER PROCEDURES. The Chair, Vice Chair or Secretary of the Board of Trustees of the Issuer, the President or the Vice President, Administrative Services/Chief Financial Officer of Temple College of the Issuer, the Pricing Officer and all other officers, employees and agents of the Issuer, and each of them, shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the Issuer all other instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Order, the Letter of Representations, the Bonds, the sale of the Bonds and the Official Statement. Notwithstanding anything to the contrary contained herein, while the Bonds are subject to DTC's Book-Entry Only System and to the extent permitted by law, the Letter of Representations is hereby incorporated herein and its provisions shall prevail over any other provisions of this Order in the event of conflict. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

O. Incurrence of a Financial Obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect security holders, if material; and

P. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

For these purposes, (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Board in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Board, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers of the Board in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Board, and (b) the Board intends the words used in the immediately preceding paragraphs (O) and (P) and the definition of Financial Obligation in this Section to have the meanings ascribed to them in SEC Release No. 34-83885, dated August 20, 2018.

The Issuer shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide financial information or operating data in accordance with subsection (a) of this Section by the time required by such subsection.

(c) Limitations, Disclaimers, and Amendments. (i) The Issuer shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Issuer remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the Issuer in any event will give the notice required by subsection (b) hereof of any Bond calls and defeasance that cause the Issuer to no longer be such an "obligated person".

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the Issuer in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provision of this Order. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Issuer under federal and state securities laws.

(v) The provisions of this Section may be amended by the Issuer from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Issuer, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the Issuer (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Bonds. If the Issuer so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (a) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Issuer may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

Section 14. METHOD OF AMENDMENT. The Issuer hereby reserves the right to amend this Order subject to the following terms and conditions, to-wit:

(a) Amendment without Consent of Registered Owners. The Issuer may from time to time, without the consent of any Registered Owner, except as otherwise required by paragraph (b) below, amend or supplement this Order to (i) cure any ambiguity, defect or omission in this Order that does not materially adversely affect the interests of the Registered Owners, (ii) grant additional rights or security for the benefit of the Registered Owners, (iii) add events of default as shall not be inconsistent with the provisions of this Order and that shall not materially adversely affect the interests of the Registered Owners, (v) qualify this Order under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (iv) make such other provisions in regard to matters or questions arising under this Order as shall not be materially inconsistent with the provisions of this Order and that shall not, in the opinion of nationally-recognized bond counsel, materially adversely affect the interests of the Registered Owners.

(b) Amendment with Consent of Registered Owners. Except as provided in paragraph (a) above, the Registered Owners of a majority in aggregate principal amount of the Bonds then outstanding that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the Issuer; provided, however, that without the consent of 100% of the Registered Owners in aggregate principal amount of the then outstanding Bonds, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Order or in any of the Bonds so as to:

(1) Make any change in the maturity of any of the outstanding Bonds;

(2) Reduce the rate of interest borne by any of the outstanding Bonds;

(3) Reduce the amount of the principal of, or redemption premium, if any, payable on any outstanding Bonds;

(4) Modify the terms of payment of principal or of interest or redemption premium on outstanding Bonds or any of them or impose any condition with respect to such payment; or

(5) Change the minimum percentage of the principal amount of the Bonds necessary for consent to such amendment.

(c) Notice of Amendment. If at any time the Issuer shall desire to amend this Order under this Section, the Issuer shall send by U.S. mail to each Registered Owner of the affected Bonds a copy of the proposed amendment.

(d) Receipt of Consent to Amendment. Whenever at any time within one year from the date of mailing of such notice the Issuer shall receive an instrument or instruments executed by the Registered Owners of at least a majority in aggregate principal amount of all of the Bonds then outstanding that are required for the amendment (or 100% if such amendment is made in accordance with paragraph (b)), which instrument or instruments shall refer to the proposed amendment and which shall specifically consent to and approve such amendment, the Issuer may adopt the amendment in substantially the same form.

(e) Effect of Amendment. Upon the adoption of any amendatory Order pursuant to the provisions of this Section, this Order shall be deemed to be modified and amended in accordance with such amendatory Order, and the respective rights, duties, and obligations of the Issuer and all Registered Owners of such affected Bonds shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Duration of Revocation of Consent. Any consent given by the Registered Owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of such consent and shall be conclusive and binding upon all future Registered Owners of the same Bond during such period. Such consent may be revoked at any time after six months from the date of said consent by the Registered Owner who gave such consent, or by a successor in title, by filing notice with the Issuer, but such revocation shall not be effective if the Registered Owners the required amount of the affected Bonds then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

(g) Reliance on Registration Bonds. For the purposes of establishing ownership of the Bonds, the Issuer shall rely solely upon the registration of the ownership of such Bonds on the Registration Books kept by the Paying Agent/Registrar.

Section 15. INVESTMENTS; SECURITY FOR FUNDS. (a) Investment Earnings. Interest earnings derived from the investment of proceeds from the sale of the Bonds issued for the purposes described in subsection (a) of this Section shall be used for the purposes for which such Bonds are issued as set forth in Section 1 hereof; provided that after completion of such purposes, if any of such interest earnings remain on hand, such interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided, however, that any interest earnings on bond proceeds which are required to be rebated to the United States of America pursuant to Section 10 hereof in order to prevent the Bonds from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

(b) Authorized Investments. The Issuer may place proceeds of the Bonds issued for the purposes described in subsection (a) of this Section (including investment earnings thereon) and amounts deposited into the Interest and Sinking Fund in investments authorized by the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended; provided, however, that the Issuer hereby covenants that the proceeds of the sale of such Bonds will be used as soon as practicable for the purposes for which such Bonds are issued.

(c) Security for Funds. All deposits authorized or required by this Order shall be secured to the fullest extent required by law for the security of public funds.

Section 16. DEFAULT AND REMEDIES.

(a) Events of Default. Each of the following occurrences or events for the purpose of this Order is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the Issuer, the failure to perform which materially, adversely affects the rights of the Registered Owners of the Bonds, including, but not limited to, their prospect or ability to be repaid in accordance with this Order, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the Issuer.

(b) Remedies for Default.

(i) Upon the happening of any Event of Default, then and in every case, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the Issuer for the purpose of protecting and enforcing the rights of the Registered Owners under this Order, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Registered Owners hereunder or any combination of such remedies.

(ii) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Registered Owners of Bonds then outstanding.

(c) Remedies Not Exclusive.

(i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Order, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Order.

(ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(iii) By accepting the delivery of a Bond authorized under this Order, such Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Order do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or trustees of the Issuer or the Board of Trustees.

Section 17. APPROPRIATION. To pay the debt service coming due on the Bonds, if any, prior to receipt of the taxes levied to pay such debt service and not otherwise paid from the proceeds of the Bonds, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

Section 18. GOVERNING LAW. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 19. SEVERABILITY. If any provision of this Order or the application thereof to any circumstance shall be held to be invalid, the remainder of this Order and the application thereof to other circumstances shall nevertheless be valid, and this governing body hereby declares that this Order would have been enacted without such invalid provision.

Section 20. PAYMENT OF ATTORNEY GENERAL FEE. The Issuer hereby authorizes the disbursement of a fee equal to the lesser of (i) one-tenth of one percent of the principal amount of the Bonds or (ii) $9,500, provided that such fee shall not be less than $750, to the Attorney General of Texas Public Finance Division for payment of the examination fee charged by the State of Texas for the Attorney General's review and approval of public securities and credit agreements, as required by Section 1202.004 of the Texas Government Code. The appropriate member of the Issuer's staff is hereby instructed to take the necessary measures to make this payment. The Issuer is also authorized to reimburse the appropriate Issuer funds for such payment from proceeds of the Bonds.

Re: Consider purchasing a Water Reclamation and Treatment Training Station from Advanced Technologies Consultants through the TIPS Cooperative Contract #250802 for the Temple College Workforce and Visual Arts Building, funded by the Capital Campaign Naming and Equipment Budget.

Staff Recommendation: Approval

The Board is asked to consider the purchase of a Water Reclamation and Treatment Training Station from Advanced Technologies Consultants through the TIPS Cooperative Contract #250802 in the amount of $355,434.00 for the Temple College Workforce and Visual Arts Building. The purchase will be funded through the Capital Campaign Naming and Equipment Budget. The equipment will support workforce training and academic programs in water reclamation, wastewater treatment, environmental technologies, semiconductor manufacturing support systems, and industrial sustainability.

Purchase Approval

Description

Consider purchasing a Water Reclamation and Treatment Training Station from Advanced Technologies Consultants through the TIPS Cooperative Contract #250802 for the Temple College Workforce and Visual Arts Building, funded by the Capital Campaign Naming and Equipment Budget.

Recommendation

The Board is asked to approve the purchase of a Water Reclamation and Treatment Training Station from Advanced Technologies Consultants through the TIPS Cooperative Contract #250802 in the amount of $355,434.00 for the Temple College Workforce and Visual Arts Building, funded by the Capital Campaign Naming and Equipment Budget.

Background

Temple College has developed a new Water Reclamation Technician Level I Certificate designed to prepare technicians and operators for careers in industrial and municipal water reclamation systems. The program provides students with hands-on experience in water and wastewater treatment, environmental sampling, regulatory compliance, system calculations, and advanced water reuse technologies utilized in industrial settings. The certificate aligns with Texas Commission on Environmental Quality (TCEQ) licensing standards and prepares graduates to pursue employment in water reclamation and environmental technology occupations.

The need for water reclamation training continues to grow throughout Central Texas as population growth, drought conditions, industrial expansion, and increasing water demand place greater emphasis on water conservation, treatment, and reuse. Major industrial facilities, including semiconductor manufacturing operations and hyperscale data centers, require significant water treatment and reclamation capacity and depend upon a skilled workforce capable of operating and maintaining these systems.

The Water Reclamation Technician certificate complements Temple College's Automated Manufacturing and Semiconductor Engineering Technology pathway by preparing technicians to support critical utility, treatment, and water reuse systems required by modern semiconductor fabrication facilities. Industry partners provided input during program development and identified a growing need for trained water reclamation professionals.

The proposed Water Reclamation and Treatment Training Station will provide students with hands-on experience using industry-relevant equipment and processes that mirror modern industrial and municipal water treatment operations. The equipment will support both credit and accelerated non-credit workforce training programs and will serve as a cornerstone laboratory component of the Water Reclamation Technician certificate program.

Purpose

The Water Reclamation and Treatment Training Station will provide students with industry-aligned knowledge, skills, and abilities in the following areas:

- Water and wastewater treatment operations.
- Industrial water reclamation and reuse systems.
- Closed-loop and zero-liquid-discharge technologies.
- Environmental sampling and laboratory testing.
- Water quality monitoring and analysis.
- Regulatory compliance and reporting.
- Industrial process water treatment systems.
- Semiconductor manufacturing utility support systems.
- Sustainable water management practices.
- Preparation for TCEQ Class D and Class C Water Operator licensing pathways.

By providing students with hands-on experience in advanced water treatment technologies, Temple College will strengthen the regional workforce pipeline supporting municipalities, utilities, semiconductor manufacturers, data centers, and other water-intensive industries throughout Central Texas.

Fiscal Impact

The purchase will be made through Advanced Technologies Consultants, utilizing the TIPS Cooperative Contract #250802, ensuring a compliant and cost-effective procurement process. Funding will be drawn from the Capital Campaign Naming and Equipment Budget.

Purchases made from Advanced Technologies Consultants through the TIPS Cooperative satisfy the required bidding laws found within Texas Education Code 44.031.

The equipment package includes the addition of a Water Reclamation and Treatment Training Station for the Workforce and Visual Arts Building. The total purchase amount is **$355,434.00**, including shipping.
