Athletic Department Updates - April 2026

- **Collaboration & Support:**
 - WCSD social workers and counselors continue to find ways for all students to have access to participate in athletics.
 - Maintenance workers for helping to set up the spring floor multiple times this season.
- **Upcoming Projects:**
 - *Bound* rollout. Bound will be used for athletic registration, scheduling, contracting, and fundraiser during the 2026-27 school year. This change was necessitated with rSchool being bought out earlier this year. The athletic department will continue training on the program and rollover of everything for the department to this system.
 - Digital ticketing will also transition to Bound next school year and replace GoFan. In the long run, this will save both families and the district money with a reduction in ticket service fees.
 - Facility reservations will slowly transition to Bound as well, but not in time to start the school year.
- **Announcements:**
 - The WCHS Student Athletic Leadership Team (SALT) met again in February. Discussion topics included athletic program funding, branding uniformity, and Title IX. Topics were submitted by SALT members.
 - We will be seeking a head coach for both girls and boys swim programs for the upcoming school year. Special appreciation for Mason Kent and Rich Lampe, respectively, for having led those programs.

Agenda Item: 2026-27 WCHS Co-Curricular Handbook

Background Information: Changes are brought to the Board annually for approval. This year, we are bringing this handbook to you in April to be integrated into athletic registration, which is set to begin in May this year. This is two months earlier than normal with the switch from Infinite Campus to Bound for registration.

The updates to this year's handbook have to do with:

- Minor formatting updates
- Code violation appeals process
- Added a self-reporting and honestly clause in the cases of code violations

All updates are shown in green font.

Administrative Recommendation: To approve the 2026-27 WCHS Co-Curricular Handbook as presented.

Board Action Requested: The following motion would be in order: "Move to approve the 2026-27 WCHS Co-Curricular Handbook."

Fiscal Note: None.

STATEMENT OF PHILOSOPHY

Co-curricular activities are an integral and valuable part of a student's high school experience, and Waunakee Community High School (WCHS) is committed to sponsoring a wide variety of such activities. Waunakee Community High School recognizes that participation in a co-curricular activity is a privilege offered to its students. While difficult to measure, the educational value of co-curricular participation is extensive. Students not only develop physical, mental, and social skills, but also positive values and attitudes that they will take with them into their adult life.

All organized activities in life – be they work, play, or school-related – place expectations upon participants. This handbook details these expectations as they pertain to all co-curricular participation at Waunakee Community High School. Participation in activities is a privilege earned, in part, by accepting and following the regulations contained in this co-curricular handbook.

The primary enforcement and responsibility of this code rests not only with the students, as they should be self-disciplined, but also with their parents/guardians. **This policy will be enforced all twelve months of the year.**

HANDBOOK PURPOSE

The purpose of this handbook is to acquaint students and parents of students in co-curricular programs at Waunakee Community High School with the regulations and procedures of the WIAA, Badger Conference, and the Waunakee Community School District. It is very important that both the student and parent/guardian read and understand this handbook before signing the student pledge and parent/guardian permission section of the handbook. **The signing of this handbook will take place on the online platform during athletic and activity registration.**

TITLE IX NOTICE

The Board of the Waunakee Community School District does not discriminate on the basis of sex in its education program or activity and is required by Title IX and its implementing regulations not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The District's Title IX Coordinator(s) is/are:

Director of Human Resources, Waunakee Community School District. 905 Bethel Circle, Waunakee, WI 53597

Brian Grabarski, 608.849.2000, ext. 8167 briangrabarski@waunakee.k12.wi.us

Director of Special Education, Waunakee Community School District. 905 Bethel Circle, Waunakee, WI 53597

Tiffany Loken, 608.849.2000, ext. 8268 tiffanyloken@waunakee.k12.wi.us

Any inquiries about the application of Title IX and its implementing regulations to the District may be referred to the Title IX Coordinator(s), the Assistant Secretary for the U.S. Department of Education's Office for Civil Rights, or both.

The Board has adopted a grievance process and procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. The grievance process and procedures are included in Policy 413/513 Nondiscrimination on the Basis of Sex in Education Programs or Activities, which is available at: <https://www.waunakee.k12.wi.us/board/policies>

The grievance process and procedures specifically address how to report or file a complaint of sex discrimination, how to report or file a formal complaint of Sexual Harassment, and how the District will respond.

DEFINITION - CO-CURRICULAR ACTIVITIES

Co-curricular activities at Waunakee Community High School are defined as those activities in which students serve, perform, or compete as representatives of Waunakee High School. All students who participate in the various categories of activities or any additions are required to abide by this co-curricular handbook.

GOALS OF PROGRAM

Mere participation in co-curricular programs does not guarantee the following goals will be achieved. Students must participate in a manner so as to make the activity a beneficial influence in their lives. What the participant realizes from the activity depends on the positive effort s/he puts into it.

- To teach attitudes of responsibility and cooperation and to help students realize that participation in co-curricular activities is a privilege with accompanying responsibilities.
- To provide activities for learning self-discipline, loyalty, team play, personal pride, pride in the organization, respect for the rights of others, and the will to be successful.
- To provide the opportunity and to encourage all students to participate in order to meet the healthy need for competition, which is a basic American tradition.
- To encourage all students who participate in co-curricular activities to reach new potential(s).
- To provide a “whole school” interest and activities for which all students may rally around to develop school spirit and commitment.
- To place the unit, team, class, squad, and school above personal desires.

PARTICIPANT RESPONSIBILITIES

Participation in co-curricular activities is a privilege. The opportunity to present oneself to the public, and represent one's family and school should not be taken lightly. This privilege is extended to all students who meet school requirements and are willing to assume the following responsibilities:

- Be a credit to yourself, your parents/guardians, your school, and community.
- Demonstrate high standards of social behavior.
- Demonstrate respect for, and acceptance of the rules of competition.
- Demonstrate respect for those in authority, including advisors, coaches, teachers, and officials.
- Display a strong spirit of cooperation.
- Use language that is socially acceptable and not offensive to others.
- Be considerate of all others you interact with.
- All members of co-curricular activities will be neatly dressed and well-groomed while representing Waunakee Community Middle School.
- Student-athletes have a responsibility to be role models to other students and younger Children.
- All members of co-curricular groups are expected to display high standards of social behavior, (IE: Lawful Behavior), outstanding sportsmanship and proper respect for those in authority in school and within the community as a participant or spectator.

DISCRIMINATION

No person (meaning K-12 student) may be denied the benefits of or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program or activity because of the person's sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability. Please see contact information above located under ADA Accommodations.

STATEMENT OF NON-DISCRIMINATION

The Waunakee Community School District is committed to a policy of non-discrimination on the basis of age, race, creed, color, handicap, marital status, sex, national origin, ancestry, arrest record, conviction record, membership in the national guard, state defense force or any reserve component of the military forces of the United States or this state or nonuse of lawful products off the employer's premises during non-working hours or any other factor provided for by state and federal laws and regulations. This policy will prevail in all matters concerning staff, students, the public, educational programs and services and individuals with whom the Board does business. In keeping with state and federal law, the Waunakee Community School District shall strive to remove any vestige of discrimination in employment, assignment and promotion of personnel; in educational opportunities and services offered students, in their assignment to schools and classes and in their discipline; in the location and use of facilities; and, in educational offerings and materials. WCSD has designated Lisa Jondle, Director of Student Services and Brian Grabarski, Director of Human Resources as Title IX Coordinators for the District. Staff related concerns should be directed to Brian Grabarski, Director of Human Resources. Student related concerns should be directed to Lisa Jondle, Director of Student Services. Please see contact information above located under ADA Accommodations.

GENERAL PROGRAM INFORMATION

~~Co-Curricular Consent Form and Consent for Emergency Medical Treatment Form~~

Students and parents are required to read, sign, and submit the Co-Curricular Consent Form and the Consent for Emergency Medical Treatment Form prior to participating in co-curricular events. Prior to each season, both athletes and parents must be provided with the Wisconsin Fact Sheet on Concussions and sign the agreement form. These forms will be kept within the ~~Bound Infinite Campus~~ Athletic Registration servers. Athletic registration will be completed each season (fall, winter, spring) in order to have the most up-to-date concussion and health information for students.

JOINING OR RE-JOINING A TEAM

After tryouts and team rosters are submitted to the Athletic Office, students will not be allowed to join a team. Generally speaking, this is the first Friday of the sports season. Accommodations may be made for students who are new to the district or have moved to the district after sport season has started. Also, a student-athlete that does NOT finish a sports season “in good standing with the team” (see definition on page 24) must meet with the head coach prior to the start of the next season to receive permission to rejoin the team in the following season.

WIAA IN-SEASON NON-COMPETITION RULES

During their particular high school season Waunakee Student-Athletes are not allowed to compete in non-school sponsored competitions in that same sport (i.e.: Wrestler competing in a tournament that is not part of the high school’s schedule). ~~The athletic department and that sport’s head coach~~ ~~Waunakee Activities Department~~ will consider exemptions on a case-by-case basis for exceptional athletes. ~~WIAA exemptions allow for up to two (2) non-school competitions during that same sport season, but these competitions may not occur during the WIAA Tournament Series.~~

The ~~Athletic Activities~~ Department reserves the right to deny a request if nature or timing of the event would cause an undue burden on the high school team, such as but not limited to conflicting with conference events, playoffs, and/or granting the exemption would violate WIAA Bylaws regulating participation and competition.

EXPECTATIONS

Section 1 – School Behavior

Applies to ALL Categories (A, B, & C)

Student participants are expected to meet the expectation for school behavior described in the Waunakee Community High School Student Handbook and Board of Education Policies.

All students suspended out of school during a season of activity will be ineligible to participate in practices, performances, competitions, or activities during the period of suspension. In addition, if the student does not miss a game, performance, event or activity during the suspension the student will miss the next scheduled competition, performance, event or activity.

Out of school suspensions that end on Friday, the student will be eligible to play on Saturday. If the out of school suspension is carried over until Monday, the student will be ineligible to participate on Saturday.

Participants are urged to do their best in the classroom. Strive to get the highest grades possible and display a common service attitude in their conduct throughout the school and community.

Section 2 – Attendance (School, Practices, and Events)

Applies to ALL Categories (A, B, C)

When Waunakee Schools are closed due to inclement weather or other emergency, all co-curricular practices and contests are also canceled or postponed to a later date. Saturday events will be determined by the Principal, Athletic Activities Director and the Transportation Supervisor with input from the other school(s) involved.

All practice sessions will be made on time unless there is some valid reasonable excuse for missing. For unexcused absences disciplinary action will be administered by the coach/director. Students who need academic help after school WILL NOT be penalized if they contact the coach beforehand or present a pass from the instructor when arriving late to practice.

In order to practice or participate, a participant must be in attendance at school by 11:55 am and maintain attendance in all of their scheduled classes through the remainder of the school day at the high school. If a participant cannot be in school for reasons other than illness, the absence must be pre-planned and approved by the principal, athletic director, or assistant principal at least one day prior for the participant to practice or participate that day. We ask the cooperation of parents to see that students miss as little as possible.

Seniors with 18 year old sign-out privileges must be in attendance at school by 11:55 am to practice or participate in a game, match or meet.

There will be no practices held at the high school on Wednesdays after 6:30pm. Special practice needs shall be given consideration by the ~~Athletic Activities~~ Director and/or Superintendent.

No practice will be started or held without a qualified coach/director being present. No school facilities and/or equipment will be used by group members without a coach/director being present.

SKIPPING A CLASS, STUDY HALL OR SCHOOL DURING A SEASON OF ACTIVITY WILL CAUSE THE STUDENT/ATHLETE TO MISS THE NEXT SCHEDULED CO-CURRICULAR EVENT (ONE CONTEST) THAT HE/SHE WOULD PARTICIPATE IN.

Transportation

Each student must ride and return from practices, contests, performances, events with their team/group unless proper arrangements are made before leaving on the trip.

Such excuses can only be obtained by providing the following:

1. Completion of the WCSD Student Transportation Agreement must be completed during the registration process ~~on Infinite Campus~~. This allows a student to transport themselves to a **practice/contest**.
2. An online submission request to the coach/advisor using the Alternate Transportation Google Form should be submitted if the student is not traveling to/from a **contest** with the team. Preferable, at least one day in advance.
3. The parents must pick up the student in the presence of the coach/advisor.

Section 3 – Academic Eligibility Applies to Categories A & B

By WIAA Rule, a student-athlete must meet school and DPI requirements defining a full-time student and have received no more than one failing grade (including incompletes) in the most recent school issued grade reporting period.

Note: Some member schools adopt code and academic policies and other participation requirements which are more stringent than WIAA minimum requirements. In those instances the school requirements prevail and must be applied as written.

A student who is carrying six academic subjects may receive an “F” grade and will still be eligible if he/she has a “C” grade to compensate for the failure. However, if a student with six academic subjects receives two or more failures, he/she will be ruled ineligible for competition for the next nine-week grade reporting period.

- A student who is declared scholastically ineligible for co- curricular participation may regain probationary eligibility after a period of 15 school days and is doing passing work in all classes. Passing academic achievement will be determined by individual classroom teachers through reports filed with the high school athletic director the week prior to the student becoming eligible. A week of eligibility will be lost by the student/athlete if any of his/her teachers report failing grades. The student must have each of his/her teachers check and sign the form and the student must return the form to the athletic director’s office. The student may practice during the ineligibility period with the approval of his/her parents and coach/director.
- The student must have each of his/her teachers check and sign the form and the student must return the form to the activities director’s office.
- The student may practice during the ineligibility period. Eligibility will be determined by the FIRST and THIRD quarter 9 week progress reports. Semester grades will be used during the SECOND and FOURTH grading periods to determine eligibility.
- Summer school can be used to make-up eligibility.
- An Incomplete “I” is considered a failing mark until all work is completed and a grade is issued to replace the “I”.

Note: Incoming Freshman who received a failing grade during the fourth quarter are ineligible for the first three weeks of any fall co- curricular activity in 9th grade.

Section 4 – Conduct Code Applies to Category A

Physical Exam Requirement

A student may not participate in interscholastic athletics (practice or competition) until the school has a W.I.A.A. ~~Physical Form Examination or Alternate Year Permit Card~~ that attests to the student's physical fitness (as determined by a licensed physician). Forensics, One-Act, Musical, and the School Play participants are exempt from the physical requirement.

A physical examination taken April 1 and thereafter is valid for the following two school years; a physical examination taken before April 1 is only valid for the remainder of that school year and the following school year.

The student may get a W.I.A.A. Physical ~~Form Examination Permit card~~ from ~~a coach or the athletic activity~~ director's office.

Complete the physical exam and return the ~~form card~~ to the athletic office with all of the information properly filled in and signed by your parent or guardian.

ATHLETIC CODE REQUIREMENTS

A student may not participate (Practice or competition) until a signed co-curricular code is on file in the office every school year. ***NOTE: Once a code has been signed it is enforceable and valid until the student graduates.**

CONCUSSION AGREEMENT

Students & parents must, on an annual basis, receive the Wisconsin Fact Sheet on Concussions and sign the Parent & Athlete Agreement form.

AGE

A student shall be ineligible for interscholastic competition if he/she reaches his/her 19th birthday before August 1 of any given school year.

EARLY GRADUATION

Any student that graduates early is NOT eligible to participate in Category A activities that begin after the student has graduated. Students who graduate at the end of the 1st semester of a school year will be permitted to complete their season with the team, except when the rules of the governing body prohibit such participation. For example: Per WIAA regulations a student that graduates at the end of 1st semester is ineligible to participate in WIAA sponsored sports after the last bell of the last day of the 1st semester. (WIAA Rules of Eligibility Art V, Section 1, A8, A9)

WAUNAKEE COMMUNITY HIGH SCHOOL CODE OF CONDUCT

Top performances come from those individuals who prepare themselves mentally and physically to the best of their ability. It is reasonable to assume that each student should take care of his/her body in such a manner that would enhance peak performance at all times. It has been substantially documented medically that certain substances (i.e. Alcohol, tobacco, controlled substances, street drugs, and performance enhancing substances) can be detrimental to your health and performance. Abstinence from these substances along with proper rest, diet and the observance of good health practices can enhance the mental and physical performance of all individuals.

Adherence to this code of conduct is a matter of self-discipline and is the responsibility of the students and their parent(s)/guardian(s) on a **year-round (12 month) basis**. Students are required to follow this code while enrolled at Waunakee Community High School whether in-season or out-of-season. It is the responsibility of all adults to report violations of the code of behavior. Since consequences are most effective when closely tied to actions, violations of the code of behavior are to be reported as soon as reasonably possible.

Self-Reporting Clause

Students are encouraged to self-report in all situations. The intent of this is to encourage and reward student responsibility. Therefore, a student should self-report within 24 hours of a code violation to the Athletic Director, Associate Principal, or Student Services personnel. If a student or parent self-reports for a code violation the student will have their penalty reduced by 50%. The reduction in a student's suspension is only allowed once in a student's high school career. Once the school administration becomes aware of a violation through another source, there is no longer an option to self-report.

Honesty Clause

A student who is completely honest, forthcoming, and cooperative upon being questioned by an administrator or athletic director may reduce his or her suspension by one contest. According to WIAA policy a suspension must be a minimum of 1 contest. Honesty and integrity is expected on the part of extra-curricular participants at all times. It is expected that the participant will be truthful, forthcoming with information, not be deceitful, and be cooperative. If at any time while under investigation, it is found that a student lied, was deceitful, untruthful, or withheld information, a greater level of consequence may be assigned.

The Athletic Director will determine all alleged conduct code violations. A penalty is not considered served if a student does not complete the season in good standing. A student may serve their penalty while injured as long as they finish the season in good standing. Removal from or quitting the team is not considered in good standing. The Athletic Director will use all available sources for evidence including social networks (i.e., internet) to determine a code violation. Anonymous letters will not be a source of evidence when considering a code of conduct violation. **If a code violation occurs during a WIAA tournament, the athlete will be disqualified from participation for the remainder of the total tournament series in that sport, per WIAA rules.**

During the period of the suspension for a first or second violation, the student is allowed to practice with the team or group, but they may not participate in a game, contest, or performance. However, the student must be with the team or group during the event and travel to the event. They may not participate or be in uniform.

Examples of code violations include but are not limited to:

- Substance Abuse
- Expulsions
- Suspensions
- Incarceration & Legal Sanction
- Conduct - Public & Online Representation

Student Code Violations include all of the following, but are not limited to:

- Any student using or possessing alcohol or tobacco or using, possessing, buying or selling illegal controlled substances (street drugs, and performance enhancing substances).
- Any student who provides, buys or sells either alcohol, non-alcohol “look alike” or malt beverages, and/or a controlled substance including “look alike” drugs, tobacco products. This will include any chemicals ingested to produce an altered state of mind (including but not limited to: Delta 8). This shall include e- cigarettes, vaporizers, juuls, or any other products containing or products used to deliver nicotine, tobacco, or other chemicals.
- Participating in hazing activities.
- Conduct themselves in a manner in and/or out of school, which brings discredit to themselves, the parents, and the school or to the team or athletic/activity group.
 - Examples of this may include, but are not limited to: Shoplifting, inappropriate use of social media, theft, lewd and/or explicit photographs or images, harassment, etc.

Substance Abuse

Any student using or possessing alcohol or tobacco or using, possessing, buying or selling illegal controlled substances (street drugs, and performance enhancing substances) shall be suspended from participation in co-curricular activities. Any student, unsupervised by their parent or legal guardian, present where alcohol and/or drugs are being served/consumed to underage individuals, that does not leave in a reasonable amount of time (10-15 minutes), will be subject to the penalties stated under Co-curricular Code violations.

*This rule is to be in effect and enforced for twelve months of the year.

First Violation

Restriction from co-curricular participation (competition) for a period of 33.3% of the participating student's co-curricular contests which the violating student would choose to participate in for one season (fall, winter or spring). If the student is not involved in any co-curricular activities at the time of the violation the penalty will apply to the next season of participation.

Note: WIAA regulations require a minimum penalty in the next WIAA sport if a student is not involved in a WIAA sport at the time of the violation. A student could not serve the entire penalty in a non-athletic activity or a non-WIAA sport/activity during one season and participate in a WIAA sport another season without a one game/event penalty being imposed in the next WIAA sport season.

If a student is found to be in violation of the co-curricular code and agrees to complete an AODA/Tobacco assessment and to follow the assessment recommendations, there shall be a 20% suspension for each co-curricular activity, the next season of participation. If a student fails to complete the assessment or follow the recommendations of the assessment then he/she shall serve the 33.3% suspension as outlined above.

Second Violation

Suspension from co-curricular participation (practice and competition) for one full calendar year from the date on which the penalty for the co-curricular code violation was implemented by administrative action.

If a student is found to have violated the co-curricular code a second time and agrees to complete an AODA/Tobacco assessment, and to follow through with the assessment recommendations, his/her period of suspension will be reduced to 33.3% of each co-curricular activity the student participates in for one calendar year from the date on which the penalty for the co-curricular code violation was implemented by administrative action. If a student fails to

complete the AODA/Tobacco assessment or fails to follow the recommendations of the assessment he/she will be suspended from co-curricular participation for one full calendar year from the date the penalty for violation of the co-curricular code is implemented by administrative action.

Third Violation

If a student is found to have violated the co-curricular code for a third time, the student will be indefinitely suspended from participation (practice and competition) in co-curricular activities for the duration of their high school career. However, after one full calendar year from the date the penalty for the co-curricular code violation was implemented by administrative action the student may appeal to the high school principal for reinstatement of their co-curricular eligibility. The request for reinstatement will be considered if the student can provide evidence that he/she followed the co-curricular code guidelines during the year they were suspended from co-curricular participation. The Principal will make the determination of reinstatement after a third violation.

A violation of the co-curricular code after reinstatement will result in permanent suspension of participation in co-curricular activities.

**Effective March 25th, 2016, the Wisconsin Sexual Assault Victim Amnesty Law is applied to Waunakee Co-curricular Code*

(NOTE: Nothing in this policy shall prohibit or limit the application of the District's or the WIAA regular student disciplinary rules and regulations to the student participants. The provisions of this policy are considered an addition to all other rules and regulations governing student conduct and discipline.)

LOOK-ALIKE SUBSTANCES, PRODUCTS & OTHER ITEMS

Any student who provides, buys or sells either alcohol, non-alcohol "look alike" or malt beverages, and/or a controlled substance including "look alike" drugs, tobacco products, will be subject to the sanctions stipulated in the violation sections of the co-curricular code. This will include any chemicals ingested to produce an altered state of mind (including but not limited to: Delta 8). This shall include e- cigarettes, vaporizers, juuls, or any other products containing or products used to deliver nicotine, tobacco, or other chemicals.

EXPULSIONS

Any student expelled by the school is ineligible to practice or compete in co-curricular activities during the period of expulsion.

SUSPENSION

Any student suspended in or out of school is ineligible to participate during the suspended time. All students suspended out of school during a season of activity will be ineligible to participate in practices, performances, competitions, or activities during the period of suspension. In addition, if the student does not miss a game, performance, event or activity during the suspension the student will miss the next scheduled competition, performance, event or activity.

INCARCERATION & LEGAL SANCTION

A student who is charged/cited for serious unlawful activities (felonies) will be suspended indefinitely until such time that the outcome of the case is decided. For the purposes of the Co-curricular handbook a student will be considered 'charged' when law enforcement has made their recommendation to the district/county attorney.

A student who is released from incarceration (under the Huber Law or through an electronic monitoring program or any other legally related program that releases a student from incarceration to attend school) may not participate in co-curricular activities.

When a student is released from his/her incarceration, he/she will not be eligible to participate in co-curricular activity for a full calendar year from the date of their conviction.

A student who is charged/sited for unlawful activities of a less serious nature (misdemeanors) will be, in each individual case, subject to the sanctions stipulated in the 1st violations section of the co-curricular code. (This excludes traffic violations). If a student participates in an educational program with a police liaison officer, the penalty will be reduced according to the 1st violation section of the co-curricular code.

Waunakee Community School District reserves the right to random drug test.

CONDUCT - PUBLIC AND ONLINE REPRESENTATION

The District reminds students that participation in sports/activities covered by this Code is a privilege, not a right. Consequently, the District reserves the right to require compliance with this Code and to expect appropriate behavior on the part of its student-athletes at all times. However, the District recognizes that student-athletes retain certain rights to speech and expression and, accordingly, will interpret and apply this rule so as not to interfere with conduct that is protected by law.

The same rules of appropriate, respectful behavior which apply to Waunakee High School Student-athletes, also applies to online environments such as Twitter, Facebook, YouTube, Instagram, message boards, and any other social media sites. WHS student-athletes are to conduct themselves in a manner that is representative of their pride and respect for themselves, their families, their school, and their community at all times, whether in person or online.

Unacceptable behavior includes, but is not limited to: indecent language, racism, sexism, homophobia, indecent pictures or videos, bullying, trash talking, and criticism of opponents, coaches, teammates, or game officials. Student-athletes who re-post inappropriate material originally written by others are subject to the same consequences as if they had posted it themselves. Student-athletes who fail to meet this expectation and who violate the code of conduct online are subject to the same consequences as if they did them in person.

DRUG TESTS

The Waunakee Community School District has a strong and long-standing commitment to discouraging and preventing the use of illegal drugs and alcohol among its student population. The School District recognizes that the problem of illegal drug and alcohol abuse presents a continuing challenge in its schools and a clear danger to the student population. Students, by virtue of their voluntary decision to pursue co/extracurricular opportunities, and because of their position as leaders and role models in the school community, have a heightened responsibility to be drug and alcohol free. Consistent with these principles and in accordance with the guidance of the United States Supreme Court, it is the policy of the Waunakee Board of Education to help “prevent students involved in co- curricular activities from using drugs, to protect their health and safety, and to provide drug users with assistance programs.” See *Verona School Dist.47 Jv Acton*, 115 S.Ct.2386 (1995). Accordingly, the board directs the District Administrator to implement and conduct a program of random drug testing of student “participants” meaning those involved in co/extracurricular activities.

Guidelines for random drug testing of student “participants” are set forth in administrative rule. More specific procedures, necessary to implement these Guidelines, may be developed by the District Administrator or designee. This Policy and Procedures shall be overseen and implemented by the District Administrator or designee.

Adopted: June 2000 Waunakee Community School District

Random Drug Test Definitions

Student Participant: Any student who is trying out for or participating in any school-sponsored co or extracurricular activity, as outlined in the student handbook.

Alcohol: Any liquor, wine, beer, or other drink containing alcohol.

Drugs: Phencyclidine (PCP), marijuana (THC), cocaine, methamphetamine, morphine, alcohol, nicotine, and anabolic steroids, except when taken pursuant to a legal prescription issued and any other substance determined by the United States Department of Transportation to be a controlled substance.

Positive Results: A test result which indicates the presence of illegal drugs or alcohol.

Administrative Failure: Is a failure to follow the drug testing procedures in an effort to deceive or pass the random drug test. This would include all/any attempts to provide a false sample, assist in providing a false sample, or in any other manner refuse to or not comply with the testing

procedures. An administrative failure will be treated the same as a failed drug test and the appropriate co-curricular penalties will be applied.

ADMINISTRATIVE FAILURE EXAMPLES

- A student who is present at school and has been selected for the random drug test but refuses to provide a sample.
- A student provides a false and/or diluted sample.
- A student requests/attempts to pass off someone else's urine as his/her own.
- A student attempts or provides a clean sample to a student that has not been selected for the random drug test.
-

*This list should not be construed to be a complete list and if events or circumstances indicate that a test has been falsified or that an attempt to falsify a test has occurred. School administration will apply co-curricular penalties in the same manner as a failed test.

CONSENT FORM

Students signing up for co/extracurricular activities shall be given a consent form, the execution of which by the student and, if the student is a minor, his/her parents/guardians, constitutes express permission and agreement that the student will submit to periodic random drug testing. Signing the consent form, and adherence to its conditions thereafter, shall be a condition of participation in the co/extracurricular activity.

RANDOM SELECTION OF STUDENTS FOR DRUG TESTING

Each student participant shall be assigned a number by the District Administrator or his or her designee.

Random draws will be done by the drug screen technician. Random selection of numbers will not occur on the same day each week. A designated number of participants will be determined at the beginning of each quarter.

NOTIFICATIONS OF STUDENTS COLLECTED

Students selected to be tested will be called to the office. If a student participant has not been tested by the end of the test day, the District Administrator or designee will determine if the participant is absent from school. If the absence is due to truancy, the student participant will be ineligible for participation, practice, or competition/performance until the next testing date and then will automatically be tested on that date. If the absence is excused, the student participant will remain eligible for participation, practice, and competition/performance but will automatically

be tested the next date. If a student participant has a second excused absence, he or she will then be declared ineligible until the next test date at which time the student participant will be tested. Ineligibility may be waived upon review by the building and/or district administrator.

TESTING PROCEDURES

A licensed medical facility selected by the District Administrator shall take every reasonable precaution to collect an unadulterated specimen during the collection process and will provide an accurate chain of custody for each and every specimen. Student participants submitting an adulterated specimen will be re-tested, at the expense of the student or his/her parents or legal guardians, in an observed setting.

TESTING NEGATIVE

The medical review officer will contact the District Administrator or designee within two (2) days of the testing date if results are negative. The parents or legal guardians of a student participant who tests negative will be notified by mail within three (3) days of the district's receipt of the information.

TESTING POSITIVE

The medical review officer will contact the District Administrator or designee within four (4) days of the testing date if the results are positive. The parents or legal guardians of a student participant who tests positive will be notified within twenty-four (24) hours of the district's receipt of the information. The student/athlete immediately becomes ineligible for participation in the student activity.

RE-TESTING

The student participant will have an opportunity within twenty-four (24) hours of the notification of the first positive test results to have the specimen re-tested in the certified facility of the family's choice and at its expense. The District Administrator or his or her designee may consult with medical professionals to evaluate the results of the re-test, taking into consideration any evidence offered by the student. Should the re-test confirm a positive result, and there is not a satisfactory explanation for the positive results, all conditions set forth in Section VIII and XI will apply.

CONSEQUENCES

In the event of a positive test...

First Violation

Restriction from co-curricular participation (competition/performance) for a period of 33.3% of the participating student's co-curricular competitions/performances which the violating student would choose to participate in for one season (fall, winter or spring). If the student is not involved in any co-curricular activities at the time of the violation the penalty will apply to the next season of participation. Note: WIAA regulations require a minimum penalty in the next sport if a student is not involved in a sport at the time of the violation. A student could not serve a penalty in a non-athletic event in the fall and participate in a winter athletic activity without the penalty being imposed in that winter sport.

If a student is found to be in violation of the co-curricular code and agrees to complete an AODA/Tobacco assessment and to follow the assessment recommendations, there shall be a 20% suspension for each co-curricular activity, the next season of participation. If a student fails to complete the assessment or follow the recommendations of the assessment then he/she shall serve the 33.3% suspension as outlined above.

A second confirmed positive test will result in...

Second Violation

Suspension from co-curricular participation (practice and competition) for one full calendar year from the date on which the penalty for the co-curricular code violation was implemented by administrative action.

If a student is found to have violated the co-curricular code a second time and agrees to complete an AODA/Tobacco assessment and to follow through with the assessment recommendations his/her period of suspension will be reduced to 33.3% of each co-curricular activity the student participates in for one calendar year from the date on which the penalty for the co-curricular code violation was implemented by administrative action. If a student fails to complete the AODA/Tobacco assessment or fails to follow the recommendations of the assessment he/she will be suspended from co-curricular participation for one full calendar year from the date the penalty for violation of the co-curricular code is implemented by administrative action.

A third confirmed positive test will result in...

Third Violation

If a student is found to have violated the co-curricular code for a third time, the student will be indefinitely suspended from participation (practice and competition) in co-curricular activities for the duration of their high school career.

(NOTE: Nothing in this policy shall prohibit or limit the application of the District's or the WIAA regular student disciplinary rules and regulations to the student participants. The provisions of this policy are considered an addition to all other rules and regulations governing student conduct and discipline.)

REGAINING ELIGIBILITY

After the conclusion of the period of exclusion from participation in the co/extracurricular activity the student participant will again be eligible to participate. The results of any test administered under the terms of this policy shall be kept confidential and disclosed only to the student, his or her parents or legal guardians, and school officials designated by the District Administrator. The results of the testing shall not be used as a basis for any disciplinary action other than disqualification as provided for in this policy, the District's or the WIAA rules and regulations. The test results will not be part of the student's permanent record but will be kept in a secure file in the Activities Director's Office.

APPEAL PROCEDURE FOR CODE VIOLATIONS

If a student and/or parent(s) or guardian(s) wishes to appeal a decision regarding a Co-Curricular code violation sanction, the following appeal procedure must be followed. Appeals must be based upon two criteria:

1. The alleged code violation should not have been considered a code violation, and/or the athletic director was incorrect in finding that the student violated the code.
2. After a ruling resulting in a suspension from co-curricular eligibility, the student and/or his/her parent(s) or guardian(s) may formally appeal the decision by submitting an [appeal request form](#) for a hearing with the principal and stating the reasons why they believe a hearing is warranted. This request must be received by the Athletic Director/Administrator within seven school days of the date on the suspension letter.
3. If the student/guardian are dissatisfied with the findings of the hearing, a review by the Superintendent may be requested. The Principal or the Athletic Director must receive such a request within seven days after receipt of the written reply informing the student and guardians of the results of the hearing.

~~3. After the appeal has been received, a hearing date will be set by the Athletic Director/Administrator within seven calendar days of receipt of the appeal letter. First violations may be appealed to the principal with their decision final.~~

¶

~~4. Appeals of second and third violations will be heard by the Principal's Council. Present at the hearing with the council will be the student and his/her parent(s) or guardian(s).~~

¶

~~● The student will be provided with an opportunity to testify and present other evidence on his/her behalf.~~

¶

~~● The Principal's Council members will have an opportunity to question the student before the student and parents/guardians leave the meeting. The council will penalties may not be modified or reduced upon appeal.~~

¶

¶

- ~~Chairperson: Principal or designee (votes only to break a tie)~~
- ~~Athletic Director (non-voting)~~
- ~~One Guidance Counselor or faculty member~~

- ~~One Student Council member (The President or a designee must be a junior or senior)~~
- ~~Two student representatives involved in co-curricular activities.~~
- ~~One parent representative.~~
- ~~Three parents will be appointed to serve in this capacity at the beginning of the school year. One parent will be chosen to serve on the Principal's Council when an appeal is heard.~~

~~The purpose of the Principal's Council is to hear and consider all appeals by a suspended participant. Members of the council shall be appointed by the Principal or designee at the beginning of the school year and will serve on the council for one school year. The Principal or designee will appoint alternates for members unable to attend or serve. The council can act when a majority of its members are present.~~

~~If the student and his/her parent(s) or guardian(s) are not satisfied with the council's decision, a second hearing may be requested before the district Superintendent. This appeal procedure shall be the sole and exclusive means for appealing co-curricular eligibility decisions. (Within the School District). For any appeal, the power of the appeal is to uphold or reverse the decision regarding if a code violation occurred. Penalties for code violations as outlined in the code of conduct cannot be modified or reduced as a result of an appeal.

REQUIREMENTS FOR A VARSITY LETTER

The head coach of each sport determines the requirements for an athletic letter. Requirements are based on a student athlete's value to the team, honors won, time played, and performance, loyalty to the team, dedication and commitment to the goals of the co-curricular program. The student must be in good standing at the end of the season.

Criteria for lettering for music and forensics will be established by the advisors and reviewed with the participants at the start of their activities.

“IN GOOD STANDING AT THE END OF THE SEASON”:

For purposes of the co-curricular code, awarding letters, etc...: The athlete is eligible to participate in the final regular season contest (team or individual) and retains his/her eligibility throughout the state tournament series as long as the team or any team member continues in the series.

LETTER OF INTENT AND SIGNING DAY

The Athletic Department will sponsor signing days for Category A student-athletes that are committing to participate in college athletics. Waunakee's signing ceremonies will be held on the dates that previously were identified by the National Letter of Intent Program and will occur three times per school year. ~~Waunakee's~~ Student-athletes that do not participate on ~~the~~ WCHS sponsored Category A team their senior year ~~that they are signing for~~ will NOT be allowed to participate in the Athletic Department signing ceremony or use school facilities for their signing ceremony.

SPORTSMANSHIP

The Waunakee Community School District believes emphasizing good sportsmanship is one of the most important missions of education for both students and adults. The school district realizes that many people have not had good sportsmanship explained to them. Hopefully the following guidelines will help everyone better understand their responsibilities at any school contest.

The necessity to be well informed is essential. Know the rules and stay apprised of rule changes. If you are uninformed, refrain from expressing your opinions to or about coaches and officials.

Recognize and appreciate skilled performances regardless of officiating. This not only represents good sportsmanship, but reflects a true awareness of the game by recognizing and acknowledging quality.

Opponents are guests and should be treated cordially, provided with the best accommodations possible and with accorded tolerance at all times. Be a positive representative for your community, school, team and family. This fundamental is the Golden Rule in action.

The officials of any contest are impartial arbitrators who are trained and perform to the best of their abilities. They should be shown respect at all times. Mistakes by all those involved in the contest are a part of that contest. We should not rationalize our own poor or unsuccessful performance or behavior by placing responsibility on an official. The rule of Good Sportsmanship is to accept and abide by the decision made. This value is critical for students to learn for later application in life.

The prerequisite to Good Sportsmanship requires one to understand his/her own prejudices that may become a factor in his/her behavior. The true value of interscholastic competition relies upon everyone exhibiting behavior, which is representative of a sound value base. A proper perspective must be maintained if the educational values are to be realized. Your behavior influences others whether you are aware of it or not.

Never allow your ego to interfere with good judgment and your responsibility as an adult or a school representative. Regardless of whether you are an adult, student, player, coach, or official, this value is paramount since it suggests that you care about yourself and how others perceive.

COACH/PARENT COMMUNICATION

COACH TO PARENT

Waunakee coaches should maintain an open line of communication with all parents. Parents should expect coaches to articulate expectations the coach shall have for their child. Times and locations of practices should be given. Requirements for special equipment, shoes, etc. should be explained. Coaches should spell out any policies and procedures athletes are expected to follow during the season beyond those held by the athletic department or school. This especially should include their policy for dealing with missed practices or contests (excused or unexcused), tardiness to practices, and tolerated family obligations.

Coaches should make parents aware of off-season expectations and opportunities.

COACH TO ATHLETE

Athletes should be able to talk with or discuss team issues or personal issues with their coach. Coaches should be open to communicate with athletes about playing time, role on team, or conduct of the team. Coaches should be sure athletes understand team rules and policies and consequences for not following the rules or policies.

Athletes should expect their coaches to be a role model for good sportsmanship, personal conduct, and use of language. Coaches should conduct organized and safe practices.

PARENT TO COACH

Parents should keep coaches abreast of conflicts that may arise during the season concerning missed practices due to illness, injury, family obligations, or any other reason an athlete might not be at a practice or competition. This should be done before practice. Parents should encourage their son/daughter to communicate these things with their coach and continue communications with coaches throughout the school year, not just during the season.

Acceptable parent to coach communication:

- Concerns about athlete's general welfare.
- Concerns about treatment of athlete.
- Request for ideas on how to help the athlete improve skills or performance.
- Concerns about athlete's behavior.

Unacceptable parent to coach communications:

- Discussions with a coach immediately after a contest or practice. Parents should wait 24 hours before contacting the coach.
- Athlete's playing time.

- Team strategy.
- Play calling.
- Other athletes on the team.
- Player/roster spots or positions.

Any unacceptable communication made the same night after a game will not be responded to by the coach or athletic director.

ADDRESSING CONCERNS

If you have a concern with a coach, the following procedure should be followed to address the concern:

1. Have your child schedule a time to sit down and talk to the coach face to face.
2. Schedule a face to face meeting with your child and the coach. If a coach is not available or does not return calls or emails, contact the Athletic Director.
3. Schedule a meeting with the Athletic Director, coach, child and parent. This meeting shall be facilitated by the Athletic Director where both sides shall be allowed to present their side.
4. Schedule meeting with the building principal, Athletic Director, coach, child and parent. The decision of the building principal as a result of this meeting is final.

DEFINITION - CO-CURRICULAR ACTIVITIES

All students who participate in the various categories of activities or any additions are required to abide by this co-curricular handbook.

GOALS OF PROGRAM

Mere participation in co-curricular programs does not guarantee the following goals will be achieved. Students must participate in a manner so as to make the activity a beneficial influence in their lives. What the participant realizes from the activity depends on the positive effort s/he puts into it.

- To teach attitudes of responsibility and cooperation and to help students realize that participation in co-curricular activities is a privilege with accompanying responsibilities.
- To provide activities for learning self-discipline, loyalty, team play, personal pride, pride in the organization, respect for the rights of others, and the will to be successful.
- To provide the opportunity and to encourage all students to participate in order to meet the healthy need for competition, which is a basic American tradition.
- To encourage all students who participate in co-curricular activities to reach new potential(s).
- To provide a “whole school” interest and activities for which all students may rally around to develop school spirit and commitment.
- To place the unit, team, class, squad, and school above personal desires.

PARTICIPANT RESPONSIBILITIES

Participation in co-curricular activities is a privilege. The opportunity to present oneself to the public, and represent one's family and school should not be taken lightly. This privilege is extended to all students who meet school requirements and are willing to assume the following responsibilities:

- Be a credit to yourself, your parents/guardians, your school, and community.
- Demonstrate high standards of social behavior.
- Demonstrate respect for, and acceptance of the rules of competition.
- Demonstrate respect for those in authority, including advisors, coaches, teachers, and officials.
- Display a strong spirit of cooperation.
- Use language that is socially acceptable and not offensive to others.
- Be considerate of all others you interact with.
- All members of co-curricular activities will be neatly dressed and well-groomed while representing Waunakee Community Middle School.
- Student-athletes have a responsibility to be role models to other students and younger children.

HANDBOOK PURPOSE

The purpose of this handbook is to acquaint students and parents/guardians of students in co-curricular programs at Waunakee Community Middle School with the expectations, regulations, and procedures of the school district and, when applicable, the Wisconsin Association of Interscholastic Athletics (WIAA). It is very important that both the students and parents/guardians read and understand this handbook before signing the student pledge and parent/guardian permission section of the handbook.

DISCRIMINATION

No person (meaning K-12 student) may be denied the benefits of or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program or activity because of the person's sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability. Please see contact information above located under ADA Accommodations.

STATEMENT OF NON-DISCRIMINATION

The Waunakee Community School District is committed to a policy of non-discrimination on the basis of age, race, creed, color, handicap, marital status, sex, national origin, ancestry, arrest record, conviction record, membership in the national guard, state defense force or any reserve component of the military forces of the United States or this state or nonuse of lawful products off the employer's premises during non-working hours or any other factor provided for by state and federal laws and regulations. This policy will prevail in all matters concerning staff, students, the public, educational programs and services and individuals with whom the Board does business. In keeping with state and federal law, the Waunakee Community School District shall strive to remove any vestige of discrimination in employment, assignment and promotion of personnel; in educational opportunities and services offered students, in their assignment to schools and classes and in their discipline; in the location and use of facilities; and, in educational offerings and materials. EXPECTATIONS

Section 1 – School Behavior

Applies to ALL Categories (A, B, & C)

Student participants are expected to meet the expectations for school behavior described in the student handbook and Board of Education Policies.

- Students suspended out of school during a season or activity will be ineligible to participate in practices, performances, competitions, or activities during the period of Suspension.
- Participants are encouraged to do their best in the classroom, strive to get the highest grades possible, and display a service attitude in their conduct throughout the school and community.
- If a student misbehaves in a class or general school area, the student will make up time at the teachers or principal's convenience (this may be before the school day, during noon, or after school) before they may participate in co-curricular activities. Students failing to make this time up for a staff person will be considered for suspension from co-curricular activities.
- Students removed from a class or general school area for inappropriate behavior the day of an after school event may not be allowed to attend the event depending on the severity of the situation. A student may be denied involvement for serious inappropriate behavior at any time prior to an activity.
- Any student dropped from a co-curricular activity for disciplinary reasons, is ineligible for any sport/activity during the current season, or may be ineligible for the entire school year.
- Any student, who wishes to quit a school activity before the end of the activity season, should, out of courtesy, notify the advisor/coach.

BEHAVIOR AT SCHOOL EVENTS

Attending co-curricular events at the middle or high school is a privilege. Community members, parents/guardians, and students attend co-curricular events for fun and entertainment. Audience members need to be respectful of each other and of the event participants. Abiding by the following rules will help to ensure everyone has a safe, enjoyable time at the event. Appropriate behavior is expected for students and parents in the Waunakee Community Middle School and

High School, and at all locations, our students travel to visit. We expect our middle-level students to set the standard for other grade levels and for visitors by following these guidelines:

- Follow student rules for appropriate behavior.
- Follow all instructions for behavior that are posted or given.
- Be courteous and kind.
- Respect performers and other audience members.
- Respect the property where the event is held.
- Have your picture identification card with you and present it when asked.
- Arrive at the event on time (if you arrive late, do not disrupt when entering).
- If doors are closed to the event, wait until they are opened to enter, or wait until a break in the activities (Intermission, between musical performances).
- Go to your seat when you enter and remain in that seat until intermission.
- Sit only in the area designated for you (e.g., in MS area at HS football games).
- If you are a participant, you will be seated with your group/team prior to your activity. If you remain after your performance has concluded, you will be seated with your group/team.
- Do not leave the activity or event during the action (restroom breaks should be taken before entering or during intermission).
- Never go onto the performing area if you are an audience member (basketball court, stage, orchestra pit, etc.).
- When you leave, do not go into any other areas of the building. Exit directly after the activity/event ends.
- Do not bring food or drinks into the event (unless food is being served as part of the performance).
- Food or drinks should be consumed in the designated areas. If you are a participant in the event, your advisor/coach should accompany you to the designated area. Dispose of all trash in the appropriate places.
- Support the performers in an appropriate way (clapping at concerts at appropriate times, cheering for good athletic performances).
- Do NOT make inappropriate comments or gestures to/about participants or spectators.
- Leave immediately if you are told to do so.
- Respect the supervisors and follow their directions.
- Do not be under the influence, consume or possess tobacco products, alcohol, controlled substances, or substances used to alter an individual's state of mind at school or school events.

GENERAL PUBLIC CONDUCT, SOCIAL MEDIA AND ONLINE REPRESENTATION

The District reminds students that participation in sports/activities covered by this Code is a privilege, not a right. Consequently, the district reserves the right to require compliance with this Code and to expect appropriate behavior on the part of its student-athletes at all times. However, the district recognizes that student-athletes retain certain rights to speech and

expression and, accordingly, will interpret and apply this rule so as not to interfere with conduct that is protected by law.

The same rules of appropriate, respectful behavior which apply to Waunakee Middle School Student-athletes, also apply in online environments such as Twitter, Facebook, YouTube, Instagram, message boards, and any other social media sites. WMS student-athletes are to conduct themselves in a manner that is representative of their pride and respect for themselves, their families, their school, and their community at all times, whether in person or online. Unacceptable behavior includes, but is not limited to: indecent language, racism, sexism, homophobia, indecent pictures or videos, bullying, trash talking, and criticism of opponents, coaches, teammates, or game officials. Student-athletes who re-post inappropriate material originally written by others are subject to the same consequences as if they had posted it themselves. Student-athletes who fail to meet this expectation and who violate the code of conduct in-person or online are subject to the same consequences within the co-curricular handbook and/or the student handbook.

CONSEQUENCES FOR GENERAL PUBLIC CONDUCT AT SCHOOL EVENTS

First Violation:

The student will meet with the appropriate MS/IS Staff: Administration, Counselor, SRO, or another staff member. At that meeting the MS/IS Staff member will inform the student of the consequences for the violation. The range of consequences may include but are not limited to: writing a report, service hours, required meeting with ATODA Prevention Coordinator, and/or suspension from the activity. Before returning to the activity the student, parent or guardian, coach/advisor, & administrator will meet to discuss expectations for the student.

Second Violation:

A student in a Category B or C Activity that receives a 2nd violation will be suspended from that B or C activities until the following school year. Students in a Category A activity will be suspended for a minimum of 1 event. *Students participating in Category A activities found in possession or under the influence of tobacco, alcohol, controlled substances, or substances that cause an altered state will be subject to Section 4 of the Co-curricular Handbook.

EQUIPMENT

Each student is responsible for the proper care of all issued equipment, and for the school and community facilities where they practice/perform. The students and their parents/guardians will be held financially responsible for any lost, misplaced, or damaged items and for supplies or property that has been maliciously damaged.

LOSS OR DAMAGE TO PROPERTY

The District assumes no responsibility for such loss or damage, but will assist students and parents/guardians in recovering lost or damaged property, or the cost of replacement.

Section 2 – Attendance (School, Practices, and Events) Applies to All Categories of Participation

Students who have been absent (and excused) in the morning of an activity, but return prior to 11:30 a.m., may participate in the activity.
- Students that are absent after 11:30 a.m. with a pre-approved, pre-arranged absence (for example: orthodontist appointment) may still participate in the activity with the permission of Middle School Administration (Principal, Associate Principal, or Activities Director)
- Any student, who is unexcused (truant) and misses part or all of a class period or the full school day during the season, will not participate in the next scheduled event/competition. Arrangements to make up missed time due to truancy will be made

With the increased demands of co-curricular activities comes an increased risk of injury. Parents are advised of the possibility that a child may suffer severe injury, including permanent paralysis or even death, as a result of participating in co-curricular activities.

INJURIES

1. All injuries must be reported to the advisor/coach/supervisor immediately.
2. Should an injury be discovered after the student has returned home, the advisor/coach/supervisor should be contacted as soon as possible.
3. Parents/guardians are encouraged to report any special medical problems or medical history to the school office and on the CONSENT TO TREATMENT form.

Middle school athletes have limited access to the athletic trainer stationed at the high school.

PARENTS/GUARDIANS - CODE OF ETHICS

I hereby pledge to provide positive support, care, and encouragement for my child participating in co-curricular activities by following this Parents' Code of Ethics:

- I will encourage good sportsmanship by demonstrating positive support for all participants, advisors, directors, coaches and officials at every event.
- I will place the emotional and physical well-being of my child ahead of my personal desire to win.
- I will insist that my child participate in a safe and healthy environment.
- I will require that my child's advisor, director, or coach be trained in the responsibilities of directing a middle level co-curricular activity.
- I will support advisors, directors, coaches, and officials working with my child, in order to encourage a positive and enjoyable experience for all.
- I will demand an environment for my child that is free from drugs, tobacco, and alcohol and will refrain from their use at all co-curricular activities.
- I will remember that the activity is for youth—not adults.
- I will do my very best to make co-curricular activities fun for my child.
- I will ask my child to treat other participants, advisors, directors, coaches, audience members, and officials with respect regardless of race, sex, creed or ability.
- I will help my child enjoy the middle level co-curricular experience by doing whatever I can, such as being a respectful supporter.

PARENTS/GUARDIANS - SUPPORT

TIPS FOR PARENTS, GUARDIANS AND SUPPORTERS OF STUDENT EVENTS

(From the National Alliance for Youth Sports)

- Remember that the performing arena (field, court, and stage) where practices and performances take place like your child's classroom – RESPECT the classroom.
- Make only positive, encouraging comments to the participants and advisors, coaches, Directors.
- Support participants from all schools.
- Remember that making mistakes is part of the learning process – don't criticize mistakes.
- Discuss concerns with the adult in charge, at quiet time, in a quiet place away from the participants, and in particular, away from your child.
- RESPECT the adults in charge (advisors, directors, coaches, officials, judges, referees, etc.).
- Demonstrate interest in your child's chosen activity.
- Learn the expectations and rules related to the activity.
- Focus on FUN and PARTICIPATION, rather than on winning and losing.
- Always ask your child if s/he had FUN! Ask specifically what was fun and what wasn't.
- Always ask your child what s/he learned – about her/his own performance – during the activity.
- CONTROL your emotions. Set a GREAT EXAMPLE for others, particularly your child.
- BE PROUD OF YOUR CHILD AND ALL OF THE STUDENTS INVOLVED!

SPORTSMANSHIP

The Waunakee Community School District believes emphasizing good sportsmanship is one of the most important missions of education for both students and adults. The school district realizes that many people have not had good sportsmanship explained to them. Hopefully the following guidelines will help everyone better understand their responsibilities at any school contest.

The necessity to be well informed is essential. Know the rules and stay apprised of rule changes. If you are uninformed, refrain from expressing your opinions to or about coaches and officials.

Recognize and appreciate skilled performances regardless of officiating. This not only represents good sportsmanship, but reflects a true awareness of the game by recognizing and acknowledging quality.

Opponents are guests and should be treated cordially, provided with the best accommodations possible and with accorded tolerance at all times. Be a positive representative for your community, school, team and family. This fundamental is the Golden Rule in action.

The officials of any contest are impartial arbitrators who are trained and perform to the best of their abilities. They should be shown respect at all times. Mistakes by all those involved in the contest are a part of that contest. We should not rationalize our own poor or unsuccessful performance or behavior by placing responsibility on an official. The rule of Good Sportsmanship is to accept and abide by the decision made. This value is critical for students to learn for later application in life.

The prerequisite to Good Sportsmanship requires one to understand his/her own prejudices that may become a factor in his/her behavior. The true value of interscholastic competition relies upon everyone exhibiting behavior, which is representative of a sound value base. A proper perspective must be maintained if the educational values are to be realized. Your behavior influences others whether you are aware of it or not.

Never allow your ego to interfere with good judgment and your responsibility as an adult or a school representative. Regardless of whether you are an adult, student, player, coach, or official, this value is paramount since it suggests that you care about yourself and how others perceive.

COACH STATEMENTS

WAUNAKEE COACHES' STATEMENT ON OUT OF SEASON CLINICS & COMPETITIONS

A student/athlete's academic performance is our primary concern. We encourage our student/athletes to perform at their highest academic level possible and to be excellent citizens. We encourage our student/athletes to be involved in more than one school sponsored co-curricular program.

We highly discourage a student/athlete's involvement in out of school athletic clubs or organizations while involved in school sports programs. The WIAA has rules limiting the participation of athletes on two teams during the same sport during the school season. A student/athlete is exposed to enough competition and stress in school programs without adding out of school practices and/or competitions which would take away study time and normal eating and sleeping times which are a necessity for competing at the interscholastic level.

Coaches are in agreement that a strength development, flexibility, endurance and agility program is essential for all of our student/athletes and should be available as a year-round program. All students/athletes can benefit from this program and need to feel comfortable and welcome regardless of gender, skill, and ability. WIAA rules allow contact with players during the summer period, provided the program is not limited to students on the basis of a school affiliation, athletic experience, team status, is not required, and is concluded by July 31st. No contact is permitted from July 1 through July 6, per WIAA rules.

We need to consistently support all programs, as we are all Waunakee.

ELIGIBILITY

Academic Eligibility for all Co-Curricular Participants

Incoming freshmen who received a failing grade during the fourth quarter of 8th grade are ineligible for the first three weeks of any fall co-curricular activity.

A student who is carrying six academic subjects may receive an “F” grade and will still be eligible if he/she has a “C” grade to compensate for the failure. However, if a student with six academic subjects receive two or more failures, he/she will be ruled ineligible for competition for the next nine-week grade reporting period.

A student who is declared scholastically ineligible for co-curricular participation may regain probationary eligibility after a period of 15 school days and is doing passing work in all classes. Passing academic achievement will be determined by individual classroom teachers through reports filed with the high school athletic director. The student must have each of his/ her teachers check and sign the form and the student must return the form to the athletic director’s office.

The student may practice during the ineligibility period. Eligibility will be determined by the FIRST and THIRD quarter 9 week progress reports. Semester grades will be used during the SECOND and FOURTH grading periods to determine eligibility. Summer school can be used to make-up eligibility. An Incomplete “I” is considered a failing mark until all work is completed and a grade is issued to replace the “I”.

ATHLETIC BOOSTER CLUB ORGANIZATIONS

Parent and community support of the Waunakee School District's athletic programs are essential to the success of those programs for the benefit of our student athletes. This support is often provided through the organization of athletic booster clubs. While these organizations can provide much needed support, such support must not compromise the integrity of the School District and its athletic programs. Therefore, coaches must be aware of, and strictly adhere to, the various state laws, WIAA regulations, and District policies governing the relationship between booster clubs and school districts. This section is intended to provide coaches with an overview of their responsibilities in this regard. However, should coaches have questions regarding issues not addressed in this section, those questions should be raised with the District's Athletic Director or other appropriate member of the District's administration.

Coaches shall determine how booster clubs shall best support their athletic program and booster clubs shall not provide support in any form without first consulting with the coach. If a coach becomes aware of an unauthorized activity, form of support, or violation of these rules by any booster club or individual, the coach shall immediately report such to the District's Athletic Director, or other appropriate District Administrator.

Please review the booster club handbook on the district website for complete guidelines related to booster clubs and WCSD.

LIGHTNING SAFETY GUIDELINES

The safety of student-athletes, staff, and spectators is our top priority. These guidelines align with NFHS, NCAA, and WIAA Lightning Safety Guidelines to ensure a proactive approach to severe weather risks.

WEATHER MONITORING

- Assign staff to continuously monitor local weather conditions using weather apps, NOAA alerts, and local weather stations before and during practices and contests.
- For home events, coaches and staff are encouraged to sign up for Dane County Emergency Management's emergency alert system. This service provides real-time notifications via text and email about severe weather watches and warnings issued by the National Weather Service, as well as other public safety emergencies. Register at: <https://em.countyofdane.com/emergency-alerts>.

EVACUATION PLAN

- Identify designated safe areas such as schools, gymnasiums, and libraries—substantial buildings with plumbing and wiring.
- Alternate safe locations include fully enclosed metal vehicles or school buses (convertibles or soft-top vehicles are not acceptable).
- Determine the time required to evacuate everyone safely.

CRITERIA FOR SUSPENSION AND RESUMPTION OF PLAY

- Suspend play immediately when thunder is heard or lightning is seen. Seek shelter in a designated safe area.
- **Use the 30-Minute Rule:** Wait at least 30 minutes after the last thunder is heard or lightning is seen before resuming play.
- Each subsequent thunder or lightning occurrence resets the 30-minute clock.
- When available, use lightning detection devices or mobile apps to assist in decision-making. Suspend play if lightning is detected within 10 miles.
- However, hearing thunder or seeing lightning takes precedence over detection tools.

- NCAA Clarification: At night or under certain atmospheric conditions, distant lightning may be visible without thunder. If no thunder is heard and flashes are low on the horizon, it may not pose a threat. Independent verification from detection devices can help confirm safety.

ANNUAL POLICY REVIEW AND TRAINING

- All administrators, coaches, and game personnel must review this procedure annually.
- Train all staff on evacuation procedures and proper response protocols.

INFORMING STUDENT-ATHLETES AND PARENTS

- Inform all student-athletes and parents of the lightning policy at the beginning of each season.
