Statement of Exemption

School Year: 2023-2024

LEA Name: Galveston ISD 084902

Every Student Succeeds Act (ESSA)

Title I, Part A Supplement, Not Supplant (SNS) Compliance Requirement

Under ESSA Title I, Part A, the LEA must either demonstrate a valid SNS Methodology that is used to allocate State and Local funds to campuses, or have a Statement of Exemption.

Title I Part Statute:

Section 1118(b)(1)

All LEA shall use Federal funds received under this part only to supplement the funds that would, in the absence of such Federal funds, be made available from State and local sources for the education of students participating in programs assisted under this part, and not to supplant such funds.

Guidance on Exemptions

Based on guidance from the US Department of Education, LEAs that meet one of the situations described in the Statement of Exemption section, below, will not be required to demonstrate a methodology for allocating its State and local funds to its campuses in order to comply with the SNS Methodology requirement for Title I, Part A. The situations described, below, result in Title I neutral situations with regard to campus allocations. Therefore, the SNS requirement at the campus level is met for Title I, Part A purposes, as long as the LEA provides enough State and local resources to its campus(es) to provide a free, public education in the absence of Title I, Part A funds. Title I, Part A funds that are reserved at the LEA level must be used only for Title I, Part A purposes, as indicated in the LEA's approved ESSA Consolidated Federal Grant Application.

Statement of Exemption

The LEA, named above, will not be required to demonstrate a methodology for allocating its State and local funds for the reason indicated, below:

- The LEA has only one campus.
- All campuses in the LEA are Title I campuses.
- The LEA has only one campus in each campus category [Elementary, Middle, High School]
- All campus categories are exempt, either because all campuses in the category are Title I campuses; all are non-Title I; or the category has only one campus.

Quality Control

All testing equipment in Alpha's laboratories is calibrated on an annual basis using traceable standards (NIST or NSTL). Calibrations are confirmed by CCRL and AASHTO on a bi-annual basis during third-party inspections. Along with calibration of equipment, Alpha also maintains an internal QA/QC program to assure consistent and reliable test results. This program pertains to methodologies for performing tests that have been developed and expanded through years of experience. Alpha's Houston office is A2LA accredited and a qualified to perform special inspections in the City of Houston.

PROJECT INFORMATION

It is our understanding that 2 new, steel framed buildings with an approximate gross footprint of 343,580 square feet is to be constructed at the proposed development in Galveston, Texas. Concrete paving is also planned for the proposed structure. We understand that waterlines, sanitary sewers, and storm drains will be installed at the proposed development. In this cost estimate, we are providing our estimate of the testing anticipated based on our understanding of the project information provided in the contract documents: civil plans dated: 8/30/2023; structural plans dated: 6/28/2023.

During the time of this cost estimate no construction schedule was available for estimating purposes. The construction schedule is a critical item in determining a precise cost estimate for construction materials testing. In lieu of a defined construction schedule Alpha Testing will estimate the project based comparable project production rates and typical industry standards. We will finalize our proposal once a construction schedule becomes available.

UTILITIES

Based on our understanding of the information provided, field density testing is required on the backfill material placed. We have estimated that approximately 6,485 linear feet of storm drains would be excavated and installed. In addition, about 3,000 linear feet of waterlines, and an estimated 1,065 linear feet of sanitary sewer lines would be placed. We have estimated that our engineering technician could be required on-site for approximately 240 hours to perform field density tests. In addition the technician could obtain approximately 3 soil samples for laboratory proctor analysis.

MECHANICAL LIME STABILIZATION

Based on the information provided, that approximately 145,825 square feet of sub-grade would be mechanically lime stabilized. We have estimated that our engineering technician could be required on-site for about 80 hours to perform density tests and field gradations. In addition, the technician could obtain approximately 2 soil sample for laboratory proctor analysis.

CONCRETE TESTING

Based on information provided, it is our understanding, approximately 12,730 cubic yards of concrete will be placed. It is estimated that an engineering technician could be required on-site for an estimated 240 hours to mold approximately 510 test cylinders.

STRUCTURAL STEEL

It has been estimated that an engineering technician could be required for approximately 240 hours to visually observe the structural steel placed.

SCOPE OF SERVICES

UTILITIES

1 FDT each 300 linear feet per 6 inch lift

Trench backfill: 1 density test for every 100 linear feet each 6 inch lift.

Trench backfill for utilities should be properly placed and compacted in accordance with requirements of local City standards

Note: This cost estimate excludes testing of individual service lines. Should these items require testing, this cost estimate could be revised upon request.

MECHANICAL LIME STABILIZATION

Lime Treated Subgrade: 1 density test for every 5,000 square feet.

Atterberg Limit Test: 1 sample to be obtained for each site visit

CONCRETE TESTING

Slab: 1 set of 4 test cylinders every 100 cubic yards.

Paving: 1 set of 4 test cylinders every 100 cubic yards.

Gradebeam: 1 set of 4 test cylinders every 50 cubic yards.

ESTIMATED TESTING SCHEDULE

The following is our estimate of the number, type and cost of anticipated construction materials testing for the project referenced previously. This estimate of the expected testing was developed based on project plans and information as provided by the client. It should be recognized that variations in construction schedules, weather, amount of re-testing, additional testing requested by our client, etc., could result in differences between the actual and estimated testing costs. Although efforts will be made to maintain the testing costs within the estimated amount, charges will be computed based on actual services rendered.

Testing services proposed herein do not include full-time personnel on-site nor any form of project supervision. It is our understanding that testing will be scheduled by the client or his designated representative, and ALPHA TESTING, LLC. does not assume the responsibility for assuring all required tests are performed. If desired, ALPHA could monitor testing frequencies and locations during the progress of the work to assure the required testing is performed, at an additional cost.

The Agreement between the parties, which shall describe and govern CLIENT’s engagement of ALPHA TESTING, LLC. (“ALPHA”) to provide only the services (“Services”) in connection with the project (“Project”) which are specifically identified and agreed to in the proposal (“Proposal”), consists of the Proposal, these General Terms and Conditions (“Terms”), ALPHA’s fee schedule, and any exhibits or attachments referenced in any of these documents. Together these elements constitute the entire agreement between the parties, superseding any and all prior negotiations, correspondence, or agreements, either written or oral, with respect to the subject matter of this engagement. This Agreement may only be modified by mutual signed, written agreement. Interpretations and recommendations by ALPHA will be based solely on information discovered by, or made available to, ALPHA during the course of the engagement. In connection with such information, CLIENT recognizes that subsurface conditions across the site may vary from those observed at test locations, including but not limited to locations where density tests and concrete tests, borings, surveys, or explorations are made, and that site conditions may change over time, and as such, CLIENT shall be solely responsible for determining the locations and scope of testing related to the subsurface exploratory program and assumes all risks related thereto. ALPHA shall not be responsible for the use or interpretation of such information by non-parties to this Agreement nor shall ALPHA be responsible for changed site conditions or for subsurface conditions at locations where testing, borings, surveys, or explorations are not made. If Client provides ALPHA’s report to any third Party, Client shall make such third party aware of this limitation of liability, and shall defend, indemnify, and hold ALPHA harmless from any action against ALPHA by such third party. Section 5: Project Change

In the event CLIENT, the Project owner, Architect, Structural/Civil Engineer or other party makes any changes in the initial information provided by the client, including, but not limited to the size and location of the planned improvements, or makes any changes or alterations to any plans and/or specifications provided to ALPHA, CLIENT agrees to defend and hold ALPHA harmless from any liability arising out of such changes, and CLIENT assumes full responsibility for any claims, damages or liabilities arising out of or related to such changes unless CLIENT has given ALPHA prior written notice of such changes and has received from ALPHA written consent for such changes.

Section 6: Confidentiality

All data, forms, software, or any other materials developed by ALPHA pursuant to the performance of Services under this Agreement, or supplied to or obtained by ALPHA from CLIENT, or generated by ALPHA or its subcontractors is confidential (the "Confidential Material") and will be afforded Confidential Treatment by ALPHA, its employees, agents, affiliates, and subcontractors. Proprietary concepts and systems of ALPHA, and ideas developed by ALPHA during the performance of the Services shall remain the sole property of ALPHA ("Alpha Intellectual Property"). Confidential Treatment includes the following: (i) The Confidential Material will be available only to employees of ALPHA; and (ii) Confidential Material will not be disclosed to any third party without the prior authorization of CLIENT. Upon completion of the Services or other termination of this Agreement, any Confidential Material retained by ALPHA not previously provided to third parties pursuant to Client authorization shall be retained by ALPHA for a period of at least 60 days, during which time period, such Confidential Material will be returned to CLIENT upon request by CLIENT. After this time period, ALPHA shall have the right, but not the obligation, to destroy such Confidential Material, thus terminating its confidentiality obligations. If Confidential Material is retained by ALPHA past such time period, the obligations stated in this Section 5 shall survive until the earliest of the following occur: (i) Confidential Material has become available to the general public through no fault of ALPHA; or (ii) Confidential Material is received by ALPHA from others who are in lawful possession of such and who by such disclosure are not breaching any obligation to CLIENT.

Section 7: Sample Disposal

Samples of soil, rock, water, waste or other materials contaminated by hazardous substances, including asbestos, obtained from the Project site are and remain the property of the CLIENT. ALPHA shall retain such samples for no longer than fourteen (14) calendar days after the issuance of any document that includes the data obtained from them, unless other arrangements are mutually agreed upon in writing. It is CLIENT's responsibility to select and arrange for lawful disposal procedures that encompass removing the contaminated samples from ALPHA's custody and transporting them to a suitable disposal site. Accordingly, unless CLIENT indicates otherwise, within the fourteen (14) day period referenced above, CLIENT hereby instructs ALPHA to make arrangements on behalf of CLIENT and at CLIENT's sole cost and expense, for proper transportation and disposal of contaminated samples with appropriate licensed parties. Due to the risks to which ALPHA may be exposed during transportation and disposal of contaminated samples, CLIENT waives any claim against ALPHA, and shall defend, indemnify, and hold ALPHA harmless from any claim or liability for injury or loss, including costs of defense and attorneys' fees, arising out of or related to from ALPHA's service in arranging for proper transportation and disposal of contaminated samples on behalf of CLIENT. In this case, the CLIENT shall pre-pay all transportation and disposal costs or ALPHA will return the samples to the project site for proper disposal by the Client.

Section 8: Construction Observations

ALPHA shall have no authority, duty or responsibility to reject or terminate the work of any agent or contractor of CLIENT. No action, statements, or communications of ALPHA, or ALPHA's site representative, may be construed as modifying any agreement between CLIENT and others. ALPHA's presence on the Project site in no way guarantees the completion or quality of the performance of the work of any party retained by CLIENT to provide construction related services. Neither the professional activities of ALPHA, nor the presence of ALPHA or its employees, representatives, or subcontractors on the Project Site, shall be construed to impose upon ALPHA any responsibility for methods or quality of work performance, sequencing of construction, or safety conditions at the Project site. In that regard, CLIENT acknowledges that ALPHA shall not be responsible for the means, methods, techniques or sequences of construction as these are the sole responsibility of the contractor. CLIENT further acknowledges that CLIENT or its general contractor is solely responsible for job site safety, and warrants and agrees that such responsibility shall be made evident in the Project owner's agreement with the general contractor. CLIENT shall make ALPHA an additional insured under any general contractor's general liability insurance policy.

Section 9: Ownership of Documents

All reports, boring logs, field data, field notes, laboratory test data, calculations, estimates and other documents prepared by ALPHA in connection with this engagement, shall remain the property of ALPHA. CLIENT agrees that all reports and other material(s) furnished by ALPHA to CLIENT, or to CLIENT's agents, for which CLIENT has not paid will be returned to ALPHA upon demand and will not be used by CLIENT or others for any purpose whatsoever. Unless otherwise required by law, ALPHA will retain all pertinent records relating to the Services performed for a period not exceeding five years following submission of any report, as referred to herein, during which period the records will be made available to CLIENT at a reasonable and mutually convenient time. After such five year period, ALPHA shall have the right, but not the obligation, to, in its sole discretion, destroy any or all of such documents.

Section 10: Termination

This Agreement may be terminated by ALPHA without cause upon ten (10) days' written notice by the terminating party. This Agreement may also be terminated for cause by the non-defaulting party if, after seven (7) days after written notice of a default in the performance of any material provision of this Agreement, the defaulting party fails to cure or correct such default. In the event of termination, ALPHA will be paid for services performed through the effective date of termination, plus reasonable termination expenses, including the cost of completing analysis, records, and reports necessary to document job status at the time of termination.

Section 11: RISK ALLOCATION AND LIMITATION OF LIABILITY

The parties acknowledge that a variety of risks potentially affect ALPHA by virtue of entering into an agreement to perform the Services. The parties further acknowledge and agree that there is no disparity in bargaining power between the parties. IN ORDER FOR CLIENT TO OBTAIN THE BENEFIT OF A LOWER FEE THAN WOULD OTHERWISE BE AVAILABLE, CLIENT AGREES TO LIMIT ALPHA'S LIABILITY TO CLIENT, AND TO ANY AND ALL OTHER THIRD PARTIES, FOR CLAIMS ARISING OUT OF OR IN ANY WAY RELATED TO THE SERVICES PERFORMED OR TO BE PERFORMED BY ALPHA. ACCORDINGLY, THE CLIENT AGREES THAT THE TOTAL AGGREGATE LIABILITY OF ALPHA SHALL NOT EXCEED THE TOTAL FEE FOR THE SERVICES RENDERED ON THE PROJECT, OR \$25,000, WHICHEVER IS LOWER, FOR ANY LIABILITIES, INCLUDING BUT NOT LIMITED TO NEGLIGENT PROFESSIONAL ACTS OR ERRORS OR OMISSIONS, AND CLIENT AGREES TO INDEMNIFY ALPHA FOR ALL LIABILITIES IN EXCESS OF THE MONETARY LIMITS ESTABLISHED. Client agrees that in no instance shall ALPHA be responsible, in total or in part, for the errors or omissions of any other professional, contractor, subcontractor or any other third party. Client also agrees that ALPHA shall not be responsible for the means, methods, procedures, performance, quality or safety of the construction contractors or subcontractors, or for their errors or omissions.

Section 12: Discovery of Unanticipated Hazardous Materials

CLIENT represents and warrants that it has made reasonable efforts to discover and has informed ALPHA of known or suspected hazardous materials on or near the Project site. The parties acknowledge that hazardous materials may exist at a site even if there is no reason to believe they are present. ALPHA and CLIENT agree that the discovery of such unanticipated hazardous materials constitutes a changed condition that shall require either a re-negotiation of the scope of ALPHA's Services or termination of this Agreement without cause. CLIENT recognizes that the discovery of hazardous materials may necessitate immediate protective measures to safeguard the public health and safety and shall compensate ALPHA for measures that, in ALPHA's sole professional discretion, are necessary and justified to preserve and protect the health and safety of site personnel and the public. CLIENT also shall compensate ALPHA for any equipment decontamination or other costs incident to the discovery of unanticipated hazardous materials. ALPHA shall notify CLIENT as soon as practicable should unexpected hazardous materials be encountered at the site that pose a threat to human health, safety and the environment. CLIENT agrees that, in the event of the discovery of hazardous materials at the site, it shall report such discovery to the proper authorities as required by Federal, State, and local regulations. CLIENT agrees to make the required report at the recommendation of ALPHA, or, if unable to do so, authorizes ALPHA to make such report. CLIENT shall also inform the Project site owner in the event that hazardous materials are encountered at the site.

Notwithstanding any other provision of this Agreement, CLIENT waives any claim against ALPHA, and to the maximum extent permitted by law, agrees to defend, indemnify, and hold ALPHA harmless from any claim, liability and/or defense costs for damage, injury or loss arising from or in any way related to the presence of hazardous materials on the project site, including any costs created by delay of the project and any costs associated with possible reduction of the property's value. CLIENT is responsible for ultimate disposal of any samples secured by ALPHA that are found to be contaminated, at CLIENT's sole cost and expense.

Section 13: Ground Water Contamination

CLIENT acknowledges that it is impossible for ALPHA to discover, ascertain or know the exact composition of a site's subsurface, even after conducting a comprehensive exploratory program. As a result, there is a risk that drilling and sampling may result in contamination of certain subsurface areas. Although ALPHA will take reasonable precautions to avoid such an occurrence, CLIENT waives any claim against ALPHA for, and shall defend, indemnify and hold ALPHA harmless from, any claim or liability for injury or loss which may arise as a result of subsurface contamination caused by drilling, sampling, testing or monitoring well installation. CLIENT shall also adequately compensate ALPHA for any time spent and expenses incurred in defense of any such claim.

Section 14: Insurance

No insurance carried by ALPHA shall be deemed to limit in any way the responsibility of any contractor or subcontractor for damages resulting from their services in connection with the Project. CLIENT shall include, or cause to be included, in the Project's construction contract such requirements for insurance coverage and performance bonds to be secured and maintained by the Project contractor as CLIENT deems adequate to insure and indemnify CLIENT and ALPHA against claims for damages, and to insure compliance of work performance and materials with Project requirements.

Section 15: Indemnity

ALPHA AND THE CLIENT SHALL EACH INDEMNIFY AND HOLD THE OTHER HARMLESS FROM AND AGAINST ANY CLAIMS FOR BODILY INJURY OR DAMAGE TO TANGIBLE PROPERTY RESULTING FROM: (A) NEGLIGENT ERROR, OMISSION OR ACT OF THE INDEMNITOR OR THE INDEMNITOR'S OFFICERS, SERVANTS, EMPLOYEES OR SUBCONSULTANTS IN THE PERFORMANCE OF THE WORK HEREUNDER; OR (B) NEGLIGENT FAILURE OF THE INDEMNITOR OR THE INDEMNITOR'S OFFICERS, SERVANTS, EMPLOYEES OR SUBCONSULTANTS TO COMPLY WITH LAWS OR REGULATIONS; OR (C) NEGLIGENT FAILURE OF THE INDEMNITOR TO PERFORM UNDER ANY CONTRACT WITH ANY OTHER PARTY, ITS, OFFICERS, SERVANTS, EMPLOYEES, SUBCONSULTANTS OR CLIENTS. THIS INDEMNITY OBLIGATION SHALL SURVIVE PERFORMANCE OF THE SERVICES HEREUNDER AND SHALL BE LIMITED BY THE TERMS AND CONDITIONS REFERENCED IN SECTION 11, ABOVE.

NOTWITHSTANDING ANYTHING TO THE CONTRARY HEREIN, ALPHA WILL NOT INDEMNIFY CLIENT FOR ITS OWN NEGLIGENCE.

Section 16: Invoices and Payment Terms

In consideration for the performance of the Services, ALPHA shall be paid an amount and according to terms set forth in the Proposal ("Project Cost"); however, if payment terms are not listed in the Proposal, payment for Services shall be payable within thirty (30) days of ALPHA's invoice date (the "Payment Due Date"). All payments must be paid by the Payment Due Date, and shall not be contingent upon CLIENT's receipt of separate payment, financing or closing on the project property, or other conditions whatsoever. If CLIENT objects to any portion of an invoice, it shall notify ALPHA in writing within ten (10) days from the date of actual receipt of the invoice of the amount and nature of the dispute, and shall timely pay undisputed portions of the invoice. Past due invoices and any sums improperly withheld by CLIENT shall accrue interest thereon at the rate of one percent (1%) per month, or the maximum rate allowed by law, whichever is lower. CLIENT agrees to pay all costs and expenses, including reasonable attorney's fees and costs, incurred by ALPHA should collection proceedings be necessary to collect on Client's overdue account. Unless the Proposal specifies the Project Cost as not-to-exceed or lump sum, CLIENT acknowledges that any cost estimates and schedules provided by ALPHA may be subject to change based upon the actual Site conditions encountered, weather delays and impact and any other requirements of the CLIENT and should be used by CLIENT for planning purposes only. ALPHA will endeavor to perform the Services within the estimates but will notify CLIENT if estimates are likely to be exceeded. In the event of changed site conditions or other conditions requiring additional time, CLIENT agrees to pay the reasonable and necessary increases resulting from such additional time.

Unless otherwise specified in the Proposal, CLIENT will be solely responsible for all applicable federal, state or local duty, import, sales, use, business, occupation, gross receipts or similar tax on the Services, and for any applicable duty, import sales, uses, business, occupation, gross receipts or tax and shipping charges relating to equipment and repair parts furnished in connection with the Services. In the event ALPHA is required to respond to any subpoena or provide testimony (as a fact or expert witness) related to the Services, CLIENT shall pay ALPHA for time and expenses in accordance with ALPHA's then current fee schedule.

Section 17: Non-Solicitation

During ALPHA's performance on the Project and for a period of one (1) year after the Project is completed or otherwise terminated for any reason, CLIENT shall not, directly or indirectly, individually or on behalf of any other person, firm, partnership, corporation, or business entity of any type: (i) solicit, assist or in any way encourage any current employee, contractor or consultant of ALPHA to terminate his or her employment relationship or consulting relationship with or for ALPHA, nor will CLIENT solicit the services of any former employee or consultant of ALPHA whose service has been terminated for less than six (6) months, or (ii) solicit to the detriment of ALPHA and/or for the benefit of any competitor of ALPHA, take away or attempt to take away, in whole or in part, any customer of ALPHA or otherwise interfere with the ALPHA's relationship with any of its customers. CLIENT understands and acknowledges that ALPHA's employees, contractors and consultants are a valuable resource to ALPHA, and often these persons hold confidential and or trade secret information of ALPHA's, including proprietary technology and valuable trade secrets of ALPHA, which are vital to the business of ALPHA and whose value depends upon them not being generally known. CLIENT expressly agrees that, if ALPHA's employees, contractors, and consultants are solicited in contravention of this Non-Solicitation provision, that ALPHA will be irreparably damaged. In such event, ALPHA shall be entitled, without bond, other security, or proof of damages, to appropriate equitable remedies with respect any breach(es) of this Agreement, including injunctive relief, in addition to any other remedies available at law or in equity.

Section 18: Resolution of Disputes

(a) Mediation. All claims, disputes, controversies or matters in question arising out of, or relating to, this Agreement or any breach thereof, including but not limited to disputes arising out of alleged design defects, breaches of contract, errors, omissions, or acts of professional negligence, (collectively "Disputes") shall be submitted to mediation before and as a condition precedent to pursuing any other remedy. Upon written request by either party to this Agreement for mediation of any dispute, CLIENT and ALPHA shall select a neutral mediator by mutual agreement. Such selection shall be made within ten (10) calendar days of the date of receipt by the other party of the written request for mediation. In the event of failure to reach such agreement or in any instance when the selected mediator is unable or unwilling to serve and a replacement mediator cannot be agreed upon by CLIENT and ALPHA within ten (10) calendar days, a mediator shall be chosen as specified in the Construction Industry Mediation Rules of the American Arbitration Association then in effect, or any other appropriate rules upon which the parties may agree.

(b) Arbitration. Any claim dispute or other matter in question arising out of or related to this Agreement subject to, but not resolved by, mediation shall be subject to arbitration, which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Arbitration Rules in effect of the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party of this Agreement, and filed with the person or entity administering the arbitration. A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event, shall it be made after the date when the institution of legal or equitable proceedings based on the claim, dispute or other matter in question would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the claim, dispute or other matter in question. The forgoing agreement to arbitrate, and other agreements to arbitrate with an additional person or entity duly consented to by parties to the Agreement, shall be specifically enforceable in accordance with applicable law in any court having jurisdiction thereof. The award rendered by the arbitrator(s) shall be final, and judgement may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

(c) Consolidation or Joinder. Either party, as its sole discretion, may consolidate an arbitration conducted under this Agreement with any other arbitration to which it is a party provided that (1) the arbitration agreement governing the other arbitration permits consolidation; (2) the arbitrations to be consolidated substantially involve common questions of law or fact; and (3) the arbitrations employ materially similar procedural rules and methods for selecting arbitrator(s). Either party, at its sole discretion, may include by joinder persons or entities substantially involved in a common question of law or fact whose presence is required if complete relief is to be accorded in arbitration, provided that the party sought to be joined consents in writing to such joinder. Consent to arbitration involving an additional person or entity shall not constitute consent to arbitration of any claim, dispute or other matter in question not described in the written consent. The CLIENT and ALPHA grant to any person or entity made a party to an arbitration conducted under this Section 8.3, whether by joinder or consolidation, the same rights of joinder and consolidation as the Owner and Architect under this Agreement.

The provisions of this Section 18 shall survive the termination of this Agreement.

Section 19: Governing Law and Survival

The validity of this Agreement, these terms, their interpretation and performance shall be governed by and construed and enforced in accordance with the laws of the State of Texas without regard to its conflict of laws rules or similar principles which would refer to and apply the substantive laws of another jurisdiction, and applicable international conventions and treaties. The parties hereto hereby consent and agree that venue of any arbitration action shall lie exclusively in Dallas County, Texas, and the parties hereby consent to the exclusive jurisdiction of the state courts located in Dallas County, Texas to hear and determine any claims, disputes, or award between the parties arising out of such arbitration, or for any matter found to not arise under the parties' arbitration agreement. The parties hereto expressly submit and consent in advance to such jurisdiction and hereby waive any objection to such jurisdiction. If any of the provisions contained in this agreement are held illegal, invalid, or unenforceable, the enforceability of the remaining provisions will not be impaired.

AGENDA ITEM:

Discuss and Consider Approval of Property Insurance Coverage Declaration for the Ball High School and Natatorium Projects

GISD currently has bound coverage for the builder's risk coverage for Ball High School phased construction of a new High School and Natatorium composed of two buildings, one on each side of Avenue O. The current builder's risk coverage is bound at a cost of \$1,226,478. The current excess catastrophic policy limit is set at \$20,000,000 each for flood and named-windstorm. After the GISD Construction Team and Zero Six assessment, the recommendation is for GISD to decline Excess CAT options and CAT deductible buydowns as presented by the Gilbane Building Company.

In February 2023, GISD chose to not buy additional catastrophic limit bands of coverage due to the current market availability and high pricing. The proposed recommendation is mirroring the Board direction in February 2023. See attached proposal (rates subject to change due to market conditions).

Declined coverage options include the following, costs of which would be in addition to the coverage already bound:

Excess CAT Options	Incl. 4.925% SL Tax/Fee
Option 1 - Excess Named Storm & Flood Limit - \$5M xs \$20M Eff. 8/31/23 - 5/25/27 Shared NWS & Flood Limit	\$1,768,400
Option 2 - Excess Named Storm & Flood Limit - \$10M xs \$20M Eff. 8/31/23 - 5/25/27 Shared NWS & Flood Limit	\$2,823,435
CAT Deductible Buydowns	
Layer 1 - Phase 1 & Press Box Only (to 6/24/25) Buy Down from 5% to \$100k flat Max Recoverable \$3M per occurrence	\$1,495,181
Layer 2 - Phase 1 & Press Box Only (to 6/24/25) - \$3.3M xs \$3.1M	\$430,193

RECOMMENDATION:

I move that the board decline the Excess CAT building insurance options and CAT deductible buydowns and grant GISD Administration the authority to amend the Gilbane Construction Company contract following the declined CAT insurance, as presented.
