I. DESCRIPTION OF ITEM FOR DISCUSSION AND/OR APPROVAL

The Board will receive a public presentation on SAISD's 2019-2020 Annual Performance Review. This presentation will fulfill the following three State requirements:

1. Texas Education Code (TEC), Chapter 39 requires each district's board of trustees to publish the Texas Academic Performance Report (TAPR) report, hold a hearing for public discussion of the report, and widely disseminate the report within the district.
2. Under the provisions of TEC, Chapter 39, all comprehensive campuses and campuses who received either a rating of Overall F, Overall D, or D or F in One Domain, are required to create a Targeted Improvement Plan (TIP). The plan is submitted to the district's school board for approval.
3. Under House Bill 3 (HB 3), school boards are required to adopt plans in early childhood literacy and math, as well as College, Career, and Military Readiness (CCMR). All plans are required to include:
 - a. at least one assigned district-level administrator or employee of the regional education service center for the district's region to coordinate implementation and submit an annual report to the board on the district's progress;
 - b. an annual review by the board at a public meeting;
 - c. an annual report posted on the district and campus websites; and
 - d. specific, quantifiable, annual goals for five years at each campus.

This presentation will highlight performance data found in the District's TAPR report, outline key focus areas for campuses in need of targeted improvement, and discuss how HB3 plans for early childhood and CCMR will all help the District achieve 5-Year Goals.

The District TAPR, Targeted Improvement Plans, and HB3 plans will be available on the SAISD's web page. In addition, a copy of the TAPR will be made available at every campus.
