I. DESCRIPTION OF ITEM FOR DISCUSSION AND/OR APPROVAL

The Board will help recognize students in Grade 5-9 who made exceptional growth from 2025 to the 2026 school year, improving from a Failing (Did Not Meet) score in 2025 to earning either Meets or Masters in 2026.

Behind every successful student is a strong support system. We want to recognize the dedication of our teachers, administrators, and families for fostering a love of learning and providing students with the tools to succeed. The students we are recognizing are helping move the district towards our academic goals and have made significant gains which reflect extraordinary efforts.

In addition, we would like to take a moment to recognize both Pershing ES and Highland Hills ES for exemplary improvements in 2026.

Lastly, we would like to recognize Brackenridge HS which is the first traditional high school in SAISD to earn an A rating under the A-F system.

SAISD BOARD AGENDA SUMMARY FORM

AGENDA TITLE: Approval of the revised 2026-2027 Teacher Salary Schedule

PURPOSE: ☐ PRESENTATION/DISCUSSION
 ☒ DISCUSSION/ACTION

REQUESTED BY: Dr. Julio Garcia, Interim Chief of Human Resources

PRESENTER: Dr. Tori Austin, Interim Assistant Superintendent, Human Resources

MEETING DATE: September 14, 2026

I. DESCRIPTION OF ITEM FOR DISCUSSION AND/OR APPROVAL

The Board is requested to approve revisions to the 2026-2027 Teacher Salary Schedule to align to House Bill 2 and Texas Education Code Chapter 21. TEC 21.402 *Minimum Salary Schedule for Certain Professional Staff* includes a requirement that school district must pay a classroom teacher with zero years of experience who holds a certificated under Section 21.0412 a minimum salary that is greater than the minimum salary paid to a classroom teacher with zero years of experience who does not hold a certificate under Section 21.0412. SAISD does not have a differentiated pay scale as required. Currently all zero-year teachers, regardless of certification status, start at the same base salary. To bring the district into alignment with Section 21.402 the following recommendation is being put forward: Revise the Teacher Salary Schedule that differentiates the pay for teachers at zero-year experience to \$60,000 for teachers who hold a certification under Section 21.402 and \$59,900 for teachers who do not hold a certification. The Teacher Pay Schedule is included in the agenda packet.

II. RECOMMENDATION AND/OR ALTERNATIVES CONSIDERED

(e) Repealed by Acts 2011, 82nd Leg., 1st C.S., Ch. 4, Sec. 57.31(1), eff. September 28, 2011.

(e-1) If the minimum monthly salary determined under Subsection (a) for a particular level of experience is less than the minimum monthly salary for that level of experience in the preceding year, the minimum monthly salary is the minimum monthly salary for the preceding year.

(f) Notwithstanding Subsection (a), a teacher or librarian who received a career ladder supplement on August 31, 1993, is entitled to at least the same gross monthly salary the teacher or librarian received for the 1994-1995 school year as long as the teacher or librarian is employed by the same district.

(f-1) A school district must pay to a classroom teacher with zero years of experience who holds a certificate under Section 21.0412(a)(1), (2), or (3) a minimum salary that is greater than the minimum salary paid to a classroom teacher with zero years of experience who does not hold a certificate under Section 21.0412(a)(1), (2), or (3).

(f-2) The board of trustees of a school district may adopt minimum salaries to satisfy the requirements of Subsection (f-1) as follows:

(1) for a classroom teacher who holds a standard certificate or intern with preservice experience certificate under Section 21.0412(a)(1) or (3), \$3,000; and

(2) for a classroom teacher who holds an enhanced

standard certificate under Section 21.0412(a)(2), \$6,000.

(f-3) Subsection (f-1) does not apply to a stipend or other form of compensation not included in a classroom teacher's minimum salary under this section.

(f-4) A school district may not adopt a salary schedule that differentiates classroom teacher salaries based solely on a teacher's certification pathway for teachers who have five or more years of teaching experience.

(g) The commissioner may adopt rules to govern the application of this section, including rules that:

(1) require the payment of a minimum salary under this section to a person employed in more than one capacity for which a minimum salary is provided and whose combined employment in those capacities constitutes full-time employment; and

(2) specify the credentials a person must hold to be considered a speech pathologist or school nurse under this section.

(h) In this section, "gross monthly salary" must include the amount a teacher or librarian received that represented a career ladder salary supplement under Section 16.057, as that section existed January 1, 1993.

PROPOSED REVISIONS

Note: This local policy has been revised in accordance with the District's innovation plan. [See AF(LOCAL)]

Purpose

The purpose of this policy is to provide employees an orderly process for the prompt and equitable resolution of complaints. The Board intends that, whenever feasible, complaints be resolved at the lowest possible administrative level.

**Direct
Communication with
Board Members**

Employees shall not be prohibited from communicating with Board members regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

Notice to Employees

The principal of each campus and other supervisory personnel shall ensure that all employees under their supervision are informed of this policy. Employees shall be provided a copy of the policy at the time of employment and whenever it is revised.

Definition

Complaints under this policy shall be limited to allegations of violations of specific written Board policy, specific allegations of unlawful discrimination in employment on the basis of sex (including allegations of sexual harassment), race, religion, national origin, age, or disability, or on the basis of the employee's exercise of constitutional rights. [See the DIA series] A complaint must specify the individual harm alleged.

Complaints not alleging a violation of written Board policy, unlawful employment discrimination, or deprivation of a constitutional right shall be resolved in accordance with administrative procedures at the administrative level closest to the complainant, and shall not be covered by the following provisions. If not resolved by administrators to the satisfaction of the employee bringing the complaint, the employee may present the complaint to the Board during the open forum portion of a subsequent Board meeting. [See BED(LOCAL)]

Complaints shall be specific and may not be required to proceed on the basis of allegations that are merely conclusionary in nature. Complaints brought under this policy shall be in writing and shall identify the Board policy and each specific act and/or omission complained of that is alleged to be a violation of Board policy. Complaints shall specify each specific act and/or omission complained of that is alleged to be employment discrimination or a deprivation of a constitutional right.

**Whistleblower
Complaints**

Employees who allege unlawful discrimination in retaliation for reporting a violation of law to an appropriate authority [see DG] shall invoke this policy within the time specified by law.

The complaint shall begin at Level Two. If the complaint is not resolved at that level, the Superintendent shall ensure that the matter reaches the Board expeditiously. Timelines for the employee and the District set out in this policy may be shortened to ensure that the Board's final decision is made before the 61st day following the initiation of the grievance procedure.

General Provisions

Neither the Board nor the administration shall unlawfully retaliate against any employee for bringing a complaint under this policy.

Timelines

In presenting and resolving complaints, time is of the essence. Unless otherwise set out herein or in related policy [see the DIA series], all time limits shall be strictly complied with, unless extended by mutual consent. All references ~~are to official District workdays~~ "days" of the person required to act under in this policy are to official District business days, whether worked or not by that person unless specifically stated otherwise.

The administrator at each level shall respond in writing to the employee within ~~ten~~ 10 days from the completion of a grievance hearing. The employee has ~~ten~~ 10 days after receiving a response to appeal to the next level. The complaint shall be considered concluded if the employee does not appeal within that time limit.

*Statement of
Particulars*

If a complaint is found to be too vague, general, or indefinite at any level of this policy, the timelines at the complaint level shall be held in abeyance, during which time the complainant shall be required to prepare a written statement of particulars, setting out with specificity the act(s) or omission(s) complained of in order to afford the respondent with fair notice and an opportunity to adequately respond in writing to each charge or offer a remedy.

The person at whose level the complaint is pending or the Board or its designee may conduct a pre-hearing conference or make such other orders as may be deemed necessary or appropriate to clarify issues, afford the respondent with fair notice and an opportunity to respond, and assist in the resolution process.

Audio Recording

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place. The employee's recording is a separate recording and shall have no bearing on the administration's recording of the conference, which shall be kept as part of the official record.

If the appeal to the Board is not an item on the posted agenda, the Board shall not deliberate, discuss, or decide with respect to the matter other than to propose to place the matter on the agenda for a subsequent meeting.
Closed Meeting	If the complaint involves the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of the employee bringing the complaint, it shall be heard by the Board in closed meeting unless the employee bringing the complaint requests it to be heard in public. However, if the complaint constitutes a complaint or charge against another District employee, it shall be heard in closed meeting unless an open hearing is requested in writing by the employee against whom the complaint or charge is brought.

**Other Review
Processes**

Some complaint topics are governed by other review processes and are not subject to this policy. Employee termination procedures are found in policy series DF and at DCD(LOCAL). An employee's dismissal or nonrenewal may be the subject of a complaint under this policy only if the District does not otherwise provide for a hearing on the matter. For third party complaints against peace officers, see the CKE series.

Sexual Harassment

No procedures or steps in this policy shall have the effect of requiring the employee alleging sexual harassment, including harassment by a supervisor, to present the matter to a person who is the subject of the complaint. The employee may proceed to the next higher level. [See also the DIA series]

At any time during the grievance process, the employee or the person who hears the complaint may turn a complaint of sexual harassment over to a Title IX coordinator, who shall be responsible for conducting an investigation of the facts, facilitate mediation between the complainant and the person against whom the complaint has been directed, and/or make recommendations to the Superintendent. [See the DIA series]

The Title IX coordinator shall have the power to require employees to fully cooperate in the investigation of any such complaint.

Upon referral to a Title IX coordinator, the complaint process initiated under this policy shall be abated until the completion of the Title IX coordinator's investigation and/or mediation services, and until appropriate recommendations have been made to the Superintendent. The Superintendent shall be apprised of all proposed settlement agreements between the parties and consider recommendations by the Title IX coordinator.

The Superintendent may adopt the recommendations of the Title IX coordinator as the Superintendent's own findings and disposition, or may conduct, individually or through a designee, a review of the complaint at the Superintendent's level for complaint appeals under this policy, at which level the matter shall either be settled or the complainant may proceed to Level Three for complaint appeals under this policy.

Reconsideration Challenge of Library Material

Guiding Principles

A District employee ~~or~~, a parent or guardian of a District student, or District resident may ~~request the reconsideration of a~~ challenge library material maintained in the District's library program.

The following principles shall guide the review of a ~~request to reconsider a~~ challenge of library material:•

1. An individual may ~~raise an objection to a~~ challenge library material used in the District's library program, despite the fact that the professional staff ~~selecting and the materials were qualified to make the selection,~~ Board followed the proper procedure, and adhered to the objectives and criteria for recommending and procuring library materials set out in this policy.
- ~~2. A parent's or guardian's ability to exercise control over instruction and instructional resources, including library materials, extends only to his or her own child as set forth in Education Code Chapter 26.~~
- ~~3-2.~~ Access to ~~a~~ challenged material shall ~~not~~ be restricted during the reconsideration challenge process, ~~except the District may deny access to a student if requested by the student's parent or guardian.~~

In addition to compliance with state law and this policy, a criterion for the final decision on challenged library materials is the appropriateness of the material for its intended use. No challenged library material shall be removed solely because of the ideas expressed in the library material or the personal background of the library material's author or the personal background of the characters in the material.

Informal
Reconsideration Challenge

When the District or a campus receives an objection to the appropriateness of a library material, the appropriate librarian or administrator shall try to resolve the matter informally. The librarian or administrator shall explain the selection process and discuss the intended purpose for the library material.

The librarian or administrator shall offer a concerned parent or guardian an alternative library material to be used by the child in place of the material and, if requested, shall restrict the child's access to the material objected to by the parent or guardian.

If the individual wishes to make a formal challenge, the administrator shall make available to the individual a copy of this policy and a the form to request a formal ~~reconsideration~~ challenge of the library material.

Notice to Students and Parents

The District shall inform students and parents of this policy through appropriate District publications.

Guiding Principles
Informal Process

The Board encourages students and parents to discuss their concerns with the appropriate teacher, principal, or other campus administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

If the complaint involves a problem with a teacher, the student or parent shall in most circumstances be expected to discuss the matter with the teacher before requesting a conference with the principal.

STUDENT RIGHTS AND RESPONSIBILITIES
STUDENT AND PARENT COMPLAINTS/GRIEVANCES

FNG

If the complaint is of a more general nature, it should be presented informally to the principal. This may be done directly or by contacting the Office of Constituent Services.

Should a student or parent initiate an informal process with the principal or Constituent Services, and the process does not result in a resolution of the concerns raised, the student or parent may initiate the formal grievance process within 10 District business days of the date the informal process is concluded. For purposes of this policy, the informal process is concluded when the principal or appropriate administrator communicates their response to the concerns to the student or parent.

Formal Process

A student or parent who has a complaint that is not resolved at the informal level may initiate the formal process described below by timely filing a written complaint form provided by the District.

Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

The District shall ensure that responses at all levels of this process are addressed and resolved in a reasonable, timely manner for all parties involved. In the event that the remedy or remedies sought by a student or parent in the grievance are granted at one level, the student or parent shall not be permitted to appeal that issue further because the requested relief shall have been given to the student or parent. Any attempt to appeal a remedy granted in full to a student or parent shall be immediately dismissed.

If the hearing officer can grant some of the relief sought, they shall handle the grievance in accordance with this policy and identify the remedy or remedies they do not have the authority to grant and who does have the authority in their written response.

Should the District choose to escalate a formal complaint to a higher level, the student or parent shall be provided a written explanation of the rationale.

**Freedom from

Alternatively, if the student or parent fails or refuses to attend a properly scheduled conference, the student or parent's complaint may be dismissed based on the student or parent's failure to pursue the grievance.

Response

At Levels One, Two, and Three "response" shall mean a written communication to the student or parent from the appropriate administrators. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

PROPOSED REVISIONS

Note: This local policy has been revised in accordance with the District's innovation plan. [See AF(LOCAL)]

Complaints

In this policy, the terms "complaint" and "grievance" shall have the same meaning.

Other Complaint Processes

Complaints by members of the public, including complaints by a bidder/provider who is aggrieved in connection with a procurement, shall be filed in accordance with this policy, except as noted below. Some of the policies listed require appeals to be submitted in accordance with GF after the relevant complaint process:0)

1. Complaints concerning instructional resources shall be filed in accordance with the EF series.
2. Complaints concerning a commissioned peace officer who is an employee of the District shall be filed in accordance with the CKE series.
3. Complaints where the relief sought by the individual has already been granted at a prior administrative level or through informal conference or other similar means.
4. Complaints where the individual fails to state specific relief sought that applies to the individual directly, or that cannot be granted by the presiding officer or the Board.

Complaints regarding refusal of entry to or ejection from District property based on Education Code 37.105 shall be filed in accordance with this policy. However, the timelines shall be adjusted as necessary to permit the individual to address the Board in person within 90 calendar days of filing the initial complaint, unless the complaint is resolved before the Board considers it. [See GKA(LEGAL)]

Guiding Principles

Informal Process

The Board encourages the public to discuss concerns with an appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Engagement in the informal process, while encouraged, is not required prior to filing a complaint under this policy and shall not stop, pause, or toll the timelines for filing a complaint under this policy.

Formal Process

An individual may initiate the formal process described below by timely filing a written complaint form.

PUBLIC COMPLAINTS

GF
(LOCAL)

Even after initiating the formal complaint process, individuals are encouraged to seek informal resolution of their concerns. An individual whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

The District shall ensure that responses at all levels of this process are addressed and resolved in a reasonable, timely manner for all parties involved.

Should the District choose to escalate a formal complaint to a higher level, the individual shall be provided a written explanation of the rationale.

**Freedom from
Retaliation**

Neither the Board nor any District employee shall unlawfully retaliate against any individual for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, U.S. Mail, or by electronic communication, including fax and email (grievances@saisd.net). Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline day. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline day, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are postmarked by U.S. Mail on or before the deadline day and received by the appropriate administrator or designated representative no more than three District business days after the deadline day.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If the individual fails or refuses to attend a properly scheduled grievance conference, the individual's grievance may be dismissed based on the individual's failure to pursue the grievance.

Response

At Levels One, Two, and Three "response" shall mean a written communication to the individual from the appropriate administrator(s). Responses may be hand-delivered, sent by electronic communication to the individual's email address of record, or sent by U.S. Mail to the individual's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

The individual may designate a representative through written notice to the District at any level of this process. The District may be represented by counsel at any level of the process.

Untimely Filings	All time limits shall be strictly followed unless modified by mutual written consent. If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, on written notice to the individual, at any point during the complaint process. The individual may appeal the dismissal by seeking review in writing within 10 District business days from the date of the written dismissal notice, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness.

SAISD BOARD AGENDA SUMMARY FORM

AGENDA TITLE: Consideration and Approval of a Resolution Declaring Intention to Reimburse Certain Expenditures with Borrowing Proceeds.

PURPOSE: ☐ PRESENTATION/DISCUSSION
 ☒ DISCUSSION/ACTION

REQUESTED BY: Dorothy Carreon, Chief Financial Officer

PRESENTER: Dorothy Carreon, Chief Financial Officer

MEETING DATE: September 14, 2026

I. DESCRIPTION OF ITEM FOR DISCUSSION AND/OR APPROVAL

The Board is requested to approve the reimbursement resolution authorizing the District to reimburse itself for capital expenditures incurred prior to the actual sale of the related tax-exempt debt obligation. School districts, counties, cities and other governmental units will often pay capital costs out of available cash in anticipation of future long-term financing with tax-exempt bonds. A governmental unit should adopt a reimbursement resolution whenever capital costs are being paid out of a general fund or other legally available funds with the expectation for reimbursement with the proceeds from a tax-exempt debt issue.

The U.S. Department of Treasury (IRS) establishes the reimbursement regulations. A reimbursement resolution must generally contain the following three items for it to meet the requirements of the IRS regulations: Statement of Reasonable Expectation to Reimburse; Description of Project, and Maximum Principal Amount.

Generally, the reimbursement from tax-exempt obligation proceeds must occur not later than 18 months after the later of (1) the date on which the expenditure is made or (2) the date the project is placed in service or abandoned. However, the reimbursement cannot occur more than 3 years after the expenditure is paid (unless the project is a construction project for which the government unit and a licensed architect or engineer have certified that at least five years are necessary to complete the project in which event the reimbursement cannot occur more than 5 years after the expenditure is paid). *The resolution will be forthcoming.*

II. RECOMMENDATION AND/OR ALTERNATIVES CONSIDERED

Consideration and approval of a Resolution relating to establishing the San Antonio Independent School District's intention to reimburse itself for the prior lawful expenditure of funds relating to construction, renovation and equipping of school buildings from the proceeds of one or more series of tax-exempt obligations to be issued by the district for authorized purposes; authorizing other matters incident and related thereto; and providing an effective date.

SAISD BOARD AGENDA SUMMARY FORM

AGENDA TITLE: Approval of Qualified Investment Brokers/Dealers

PURPOSE: ☐ PRESENTATION/DISCUSSION
 ☒ DISCUSSION/ACTION

REQUESTED BY: Dorothy Carreon, Chief Financial Officer

PRESENTER: Dorothy Carreon, Chief Financial Officer

MEETING DATE: September 14, 2026

I. DESCRIPTION OF ITEM FOR DISCUSSION AND/OR APPROVAL

Broker/Dealers inform the District of current investment opportunities available for purchase (for Operating funds, Debt Service funds, and Bond Proceeds) and “have no role in the bond issuance process”. When not investing in local government pools or money market mutual funds, staff will obtain quotes from at least three approved broker/dealers to obtain the most competitive interest rate on District funds. Broker/dealers do not charge a fee to the District for their services; it is built into the interest rate that is quoted to the District. To ensure the safety of District funds, investments are made on a delivery versus payment basis, meaning District funds are not released to the broker/dealers until verification of receipt of the security being purchased.

The Public Funds Investment Act (PFIA) requires that “at least annually, the Board shall review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the District (Govt. Code 2256.025).” To meet the annual requirements of the PFIA, the District distributes a broker/dealer questionnaire to the current approved broker/dealers along with firms that have expressed an interest in being approved as broker/dealers for the District. The District has compiled a list of requirements that the broker/dealers must meet before being recommended to the Board of Trustees for approval. This list may be updated earlier than annually if a need arises for subsequent updates.

Attached is the list of proposed broker/dealers who will assist the District with investments in compliance with the State of Texas Public Funds Investment Act. This item is submitted to meet the requirements of the PFIA.

II. RECOMMENDATION AND/OR ALTERNATIVES CONSIDERED

Be it resolved that the Board approve the attached list of brokers/dealers who will assist the District with the investment of District funds in compliance with the Texas Govt. Code, Chapter 2256, Public Funds Investment Act.

- U.S. economic growth looks strong for the second quarter of 2026
- Shorter-term interest rates increased in June with a Fed hike projected later this year

- At the end of February (prior to the Iran conflict), the futures market was pricing in approximately 2.5 quarter point cuts by December 2026.
- At the end of June, futures market data were projecting the Fed to hike later this year.

- Q1 2026's GDP was recently revised up from 1.6% to 2.1%.
- This growth surge was primarily driven by lower imports and stronger business investment, even though underlying consumer spending was weak.
- Q2 2026 GDP is projected by Bloomberg surveyed economists to be 2.5%.

Real GDP QoQ

U.S. Consumer Price Index

- U.S. inflation data released in May, accelerated to the fastest pace since 2023.
- A surge in energy prices accounted for most of the recent advance.
- However, the recent decline in oil prices should push inflation's rate of change lower for June.

Re: RFP 25-10 PROPANE SERVICES

Dear Ms. Slattery,

Congratulations! In response to RFP 25-10 Propane Services, we are pleased to inform you that, after thorough evaluation, Ferrellgas LP has been selected for the contract award based on the Best Value for the District as outlined in the RFP package and your submission.

The agreed-upon pricing is included below. Comal ISD has chosen **Option 2**, which provides separate pricing for the CISD-owned tank and the new 18,000-gallon leased tank.

The term of the contract will begin on February 1, 2025, for a one-year term, with the option to unilaterally renew for up to four additional one-year terms, not to exceed five years in total, including renewals. The contract will end on January 31, 2030, if all optional renewals are executed.

Your primary contact for this agreement is Comal ISD's Director of Facilities Maintenance, Trent DeWaters. Trent can be reached at Trent.DeWaters@comalisd.org. He will be reaching out to you soon to discuss the next steps in the award process.

Thank you for your participation in RFP 25-10 Propane Services. We look forward to working with you and your team.

Sincerely,
Rebecca Alonso
