Transportation committee will meet at 6:45 to discuss our bus/van mileage. I also have a bid from Courtesy Ford of Norfolk on a new 2027 Ford Transit van and it will be an action item on for the whole boards consideration.

The complex is really changing rapidly. The admin team and custodians will be doing a clean out of the volunteer trees out of the tree line on the west side of the complex on Tuesday, June 9. The company that is doing all the dirt work (Koch) will haul it all away for us.

The office in the elementary addition is near completion. The freezer/cooler at the MS/HS has been mostly installed.

One of the action items is breakfast/lunch prices for 2026-27. I think \$.10 increase across the board would be appropriate this year. I will have a sheet to show at the board meeting.

I also have an action item to change out Jim and Travis on signing at the banks. This would be on the activity account and petty cash and the banks need record of a switch in the minutes.

I am sorry that the policies are so long. I put the original and the redline version, so they are very long. I also included the memo, which gives a pretty good idea of what is needing to be changed and weather or not they are required or just suggested.

Next month we will do some special hearings for the parent involvement, student fee, and bullying policies. We will still start at 7:00 and just push back the regular meeting a bit.

## MEMORANDUM

---

To: KSB Policy Service Subscribers  
FROM: KSB School Law  
DATE: May 26, 2026  
RE: Annual Policy Updates

---

It's time for the 2026 KSB School Law policy updates. Below, we discuss the policy changes, the changes to our standard forms, and some issues raised by certain laws that do not require a policy change but present new obligations or information to know. As usual, we have broken these down into 3 sections: "Policy Changes;" "Forms Changes;" and "Other Issues to Consider."

Please keep in mind that most approved bills go into effect 3 months after the legislature adjourns. This year the Unicameral adjourned sine die on April 17, so the effective date of most bills will be July 17, 2026. If a bill has a specific effective date or an emergency clause, we'll note that. There are also a few bills that passed in previous sessions but go into effect this summer or for the 2026-27 school year. We'll note those, too.

To assist subscribers in implementing these changes and the other considerations laid out in this Memo, **KSB will hold a webinar on Monday, June 2, 2026, at 9:00 a.m. Central Time.** The link to join us live is [here](#). In the webinar, we will give a brief overview of the changes and then answer questions from attendees regarding the policies, forms, and other items noted. We will also record the webinar and post it in the KSB School Law portal in the Policy Updates section. Please contact us if you have any additional questions about the policy updates or portal.

## Policy Changes

### **REVISION OF POLICY 2008: MEETINGS**

**LB 596** eliminates the requirement to publish notice of meetings in a newspaper. Instead, the board selects the method. We strongly encourage all schools to provide official notice on the school's website. You can provide information about meetings in other ways, such as on social media or in your local paper, but this should be voluntary. The law requires your selected method of notice to be published in your meeting minutes, so be sure your minutes include the meeting notice publication method (website) when you implement this change.

Instead of newspaper publication for all meeting notices, the law adds a "notice of notice" publication requirement. Four times per year, in a newspaper of general circulation in the district, you must publish (1) your regular meeting schedule, (2) the location of regular meetings, and (3) your method of publishing meeting notices (website). There is no requirement that this occurs quarterly, just 4 times per year. In theory, you could publish this "notice of notice" 4 straight weeks in a weekly paper and be done for the year. Something like this would be sufficient:

*[SCHOOL] generally schedules regular board meetings for the second Monday of each month. Regular meetings are typically held [LOCATION]. Official meeting notices for each regular and special meeting, including the date, time, and location, will be posted on the school district's website. Please check our website for all meeting notices as the date, time, or location may change.*

We recommend that you publish your first "notice of notice" in your preferred newspaper of general circulation starting in July 2026 so that all future meeting notices (regular and special) after July 17, 2026, can be published on your website.

**REVISION OF POLICY 3003: BIDDING FOR CONSTRUCTION,  
REMODELING, REPAIR, OR SITE IMPROVEMENT**

In general, when a school district "expends public funds for the construction, remodeling, or repair of any school-owned building or for site improvements," the school district is required to advertise for and solicit competitive bids. However, the law provides an exception to this competitive bidding requirement when the "contemplated expenditure for the complete project" will not exceed a specific dollar amount. This statutory dollar amount is subject to adjustment by the State Board of Education every fifth year. In August 2025, the State Board updated the dollar amount of this threshold to \$136,000. Our recommended changes to Policy 3003 reflect this higher dollar amount for the projects that are exempt from the competitive bidding requirements.

**This change is required.**

---

**REVISION OF POLICY 3003.1: BIDDING FOR CONSTRUCTION  
REMODELING REPAIR OR RELATED PROJECTS FINANCED WITH  
FEDERAL FUNDS**

Effective October 1, 2025, the federal government updated the dollar thresholds for micro-purchases (from \$10,000 to \$15,000) and for purchases made pursuant to the simplified acquisition procedures (from \$250,000 to \$350,000). This policy has been updated to reflect these new dollar thresholds. We also updated some regulatory citations.

**This change is required.**

---

**REVISION OF POLICY 3004.1: FISCAL MANAGEMENT FOR  
PURCHASING AND PROCUREMENT USING FEDERAL FUNDS**

The federal government changed the micro-purchase (from \$10,000 to \$15,000) and simplified acquisition (from \$10,000 to \$15,000 and from \$250,000 to \$350,000) dollar amounts. In addition, NDE conducted desk audits and concluded that travel costs must now be included in this policy. The policy has been updated to reflect these changes.

**This change is required.**

---

### **REVISION OF POLICY 3048: COMMUNICABLE DISEASE**

We revised this policy to align better with the admittedly confusing DHHS requirements in the DHHS regulations. The revisions give staff clearer steps to assess and respond to signs and symptoms of communicable disease. These revisions are timely given rising absenteeism rates, falling immunization rates, and more frequent reports of the potential transmission of communicable diseases (measles schmeasles, right?). You'll want to review this policy with your school nurse and other staff with health screening and reporting obligations.

**This change is required.**

---

### **REVISION OF POLICY 3057: TITLE IX (FULL VERSION)**

The federal regulations (upon which the full version of Policy 3057 is based) define "sexual assault" by reference to a federal statute, which itself references the FBI's "uniform crime reporting system." This reporting system was updated in 2025, and the updates modified how certain sex offenses are defined. The prior, separate subdefinitions for sodomy, sexual assault with an object, and fondling have been removed in favor of more broad definitions of "rape" and "criminal sexual contact." The policy updates reflect the updated definitions.

If you use the full version of the policy, make sure your Title IX team members review and understand these new definitions. They replace definitions we encountered frequently over the last several years.

**This change is required if you use the "full" version of this policy.**

---

### **NEW POLICY 3061: ACH ORIGINATOR POLICY**

If your school sends electronic payments through your bank, such as payroll direct deposits or vendor payments, your school is an ACH Originator under NACHA Operating Rules. The easiest way to confirm your status is to call your bank and ask whether you have an Originator Agreement on file. If the

answer is yes, you are an Originator. Simply receiving electronic payments does not make you an Originator.

Effective June 19, 2026, [NACHA](#) (the organization that governs the ACH network) requires all Originators to have a written fraud monitoring process in place for ACH transactions. This is a new requirement based on a rule change. We recommend you contact your bank(s) to determine if this policy is needed. Some or all of these measures may already be captured in your Originator Agreement with your bank. Your bank may also want to review the policy to determine if it aligns with their Originator Agreement.

We considered adding fraud monitoring and prevention measures to this policy. We know many banks include prevention procedures in their own systems. They vary, so we did not include a specific monitoring or verification system in the policy. We did not want to put something in writing that won't align with your practices. However, now is a good time to review and establish your own fraud protection and internal control measures. For example, your school may consider practices such as: 1) before sending any ACH payment, the District will receive a written, signed authorization and keep it on file; 2) the District will submit all ACH files through its bank's online portal using multi-factor authentication; 3) before acting on any new payment or any change to existing payment instructions over \$X, the District will confirm the information by a separate method, such as a phone call to a known number; 4) the District stores banking data securely and limits access to authorized staff only.

**This policy is required if your district is an ACH Originator.**

---

### **REVISION OF POLICY 4017: RELATIONS WITH EMPLOYEE COLLECTIVE BARGAINING ASSOCIATIONS**

**LB 429** basically requires schools to treat all "professional employee organizations" equally. They must have equal access to things like physical mailboxes, email, and bulletin boards. Schools cannot designate certain days or breaks by reference to a specific organization. For example, you can't designate a time during inservice days as "XYZ Education Association Presentation."

The existing policy accomplished some of these requirements already, but we made a few small tweaks to comply with some of the more vague concepts in LB 429. For example, a "professional employee organization" is one which offers "liability coverage" or "collective bargaining" assistance. In

theory, a local insurance agent (think Farm Bureau) could say they are a "professional employee organization" and thereby want access to your commons area during inservice days, email, mailboxes, etc. We'll explain some of the intended and unintended consequences of the bill when we cover it during the policy webinar.

**This change is required.**

---

### **REVISION OF POLICY 4019: WORKPLACE INJURY PREVENTION AND SAFETY COMMITTEE**

Every public employer subject to the Nebraska Workers' Compensation Act is required to establish a safety committee that must adopt and maintain an effective written injury prevention program. This requirement has not changed. Previously, schools were required to establish the safety committee through the collective bargaining process. **LB 397** changes this requirement and now allows, but does not require, that the safety committee be established through the collective bargaining process. Policy 4019 has been updated to reflect this change.

**This change is required.**

---

### **REVISION OF POLICY 4056: RESIGNATION OF CERTIFICATED STAFF**

This revision replaces an outdated reference to the Professional Practices Commission.

*KSB NOTE:* If you have not reviewed this policy recently, it's a great time to do so. We strongly encourage schools to adopt the first option in the policy which uses the legal defaults for renewals and resignations. Schools that use the second option and include a specific date, especially if it's after April 15, have been stung with late resignation requests even after staff have signed a renewal agreement for the next school year.

**This change is required.**

---

## **NEW POLICY 4065: STAFF USE OF AI TOOLS**

We have had a student AI policy for several years, but staff are using ChatGPT, Gemini, Claude, and AI tools built into other software every day, and the risks are different from student use. This new policy is designed to work in concert with Policy 4012 on staff computer and internet use.

This policy has an AI tool approval process so that staff must obtain the permission of an upline administrator before putting student information into an AI tool. The same requirements for using student data with other classroom and educational apps (under COPPA, FERPA, etc.) apply equally to AI tools, yet most staff members are not vetting them the same way.

This policy also prohibits staff from using AI to make decisions like student grading that should be based on professional judgment. Finally, this policy includes detailed prohibitions on misuse of AI tools and guidelines on when it is permissible to use an AI recording or transcription tool.

**This policy is not required, but you should strongly consider it in light of the existing legal requirements for vetting education software and apps.**

---

## **REVISION OF POLICY 5001: COMPULSORY ATTENDANCE AND EXCESSIVE ABSENTEEISM**

**LB 937** provides more concrete processes for the excusal of absences for physical or mental illness. We updated the policy to reflect the process, which calls for verification from a certified medical professional. Additionally, LB 937 requires educational stability for students whose parents, guardians, or educational decisionmakers are subject to an active child abuse or neglect investigation from the Department of Health and Human Services and/or law enforcement. It prohibits their disenrollment or transfer for fourteen days, or unless otherwise permitted by the Department.

**This change is required.**

---

---

## **REVISION OF POLICY 5003: ADMISSION OF PART-TIME STUDENTS**

**LB 937** revised the part-time enrollment statute, yet again. This law has been changed more than Karen's shoes. Thankfully, this year's changes are fairly straightforward. The law has always allowed part-time enrollment of resident students, including for activity participation. Last year, the law created new enrollment rights for students attending private and exempt schools in other districts. Those rules have not changed.

This year, the Unicameral divided sports and activities into 3 buckets, with each bucket having a different number of minimum credit hours required to participate as a part-time enrollee. These are:

- (1) Activities regulated by an athletic/activities association (like NSAA): 5 credit hours;
- (2) Activities regulated by some other governing body (like FFA): the number of credit hours the school offers based on what the governing body requires; and
- (3) Activities not regulated by any governing body or athletic/activities association (like prom and chess club): the board may require up to 5 credit hours but can require fewer, even 0.

**This change is required.**

---

## **REVISION OF POLICY 5004: OPTION ENROLLMENT**

**LB 653** revised the option enrollment laws. Starting July 17, 2026, the law now requires school districts to "automatically accept" option enrollment applications of "siblings of options students enrolled in the option school district without regard to capacity limitations." In other words, from a practical standpoint, the only point in time at which a school district can deny an option application for all children who are considered siblings of one another is at the time that the first sibling applies for option enrollment.

By doing so, the new laws now make it relevant to a school district evaluating an option application whether granting the application of the individual student applying—or admitting the siblings of any such student

now or in the future—will exceed the district’s capacity limitations. We heard from many of you with questions and concerns about what this means.

We have prepared optional policy revisions. These say that a school district evaluating the application of any individual student can also consider whether admitting the student’s siblings (even if not applying at the moment) will exceed any capacity limitations. We’ve also developed updated versions of our option resolution, denial letter, and a new supplemental “application” you would use for this purpose.

If you do not choose to go with this new approach, there’s no updating you have to do to policy 5004. The new sibling acceptance requirement does not need to be in policy.

**This change is optional. If you do not adopt this approach, there are no changes required to your option policy.**

---

### **REVISION OF POLICY 5035: STUDENT DISCIPLINE**

**LB 653** revised the Student Discipline Act yet again this year. On the positive side, lawmakers added an exception to the suspension prohibition for pre-K through second-grade students. Schools may now suspend students in this age range for violent behavior “capable” of causing physical harm.

On the challenging side, LB 653 also heightened notice standards for both short- and long-term discipline, requiring additional disclosures about how a school responds to behaviors.

For short-term suspensions specifically, the requirements are more difficult to comply with at a practical level. Schools must now provide oral and written notice to the student and their parent, guardian, or educational decisionmaker before the suspension begins (“*Goss v. Lopez*”) and give the student an opportunity to present evidence prior to the suspension. Prior to this change, a simple conversation with the student was sufficient. Now, in theory, the student will have to sit in your office or remain in the building so you can provide this new “oral and written” notice to the student and parent, before sending the student home and starting the suspension. Keep in mind this new pre-suspension notice does not replace the requirement to send a letter home after the decision is made.

The law already requires principals to schedule a meeting with the student and parent(s) prior to the student returning to school from a short-term suspension. Now, the law says if a principal has not arranged that meeting, the parent can request one.

If these changes feel overwhelming and like you'll have to tweak your discipline processes and forms, welcome to the club. KSB will host a student discipline workshop to unpack these changes on June 18, which will include updated discipline forms. It will also be recorded if you can't make it that day. Consider [registering now](#) if you have not done so.

**This change is required.**

**REVISION OF POLICY 5048: EMERGENCY RESPONSE TO LIFE  
THREATENING ASTHMA OR SYSTEMIC ALLERGIC REACTIONS  
(ANAPHYLAXIS)**

LB 457 (2025), now in statute section 79-227, requires schools to implement a policy to address general incidents of anaphylaxis involving students at school. The policy must be implemented as of July 1, 2026.

As discussed in the form change below, NDE and DHHS updated the standard anaphylaxis response protocol contained in NDE Rule 59. Policy 5048 already required the school district to comply with the protocol. LB 457 required slight tweaks to the policy, including (1) that a general response protocol does take the place of existing self-management plans, 504 plans, or IEPs already in place for specific students; and (2) that a copy of the policy and the protocols be included in every school handbook.

We also receive a lot of questions about who can sign the protocol form and who can train staff on any individual plans or the protocols. The protocol form requires the signature of a "Prescribing Health Care Practitioner," defined as "a certified registered nurse anesthetist, a certified nurse midwife, a dentist, an optometrist, a nurse practitioner, a pharmacist, a physician assistant, a physician, or a podiatrist credentialed under the Uniform Credentialing Act."

The training requirements are less strict. Someone like a school nurse, or other individual who can train staff on the medication of students, may provide the staff training. If you or your school nurse have any questions or concerns, reach out to one of us.

**This policy revision (and updated protocol form) is required.**

---

**REVISION OF POLICY 6009: GRADE PLACEMENT AND ACADEMIC CREDITS OF TRANSFER STUDENTS**

A few subscribers have flagged a recurring headache with students transferring back from exempt (home) schools or non-accredited schools: no verified curriculum, no transcript, and an increasingly familiar revolving-door pattern (family flips into exempt status after a truancy report or a teacher dispute, asks to re-enroll later, often timed around activity eligibility). We have revised 6009 for more clarity, including two new sections that apply only to non-accredited school students and returns from non-accredited schools.

The revision more explicitly decouples grade placement from credit. The principal can place a student at a high school grade for enrollment, activities eligibility, and age-cohort purposes—which addresses the NSAA constraint—while only awarding actual credit toward graduation on a course-by-course basis. This may be after the student demonstrates proficiency on a district-administered or district-approved assessment and/or based on a review of the curriculum, student work, and transcripts provided. That remains administrator discretion, just like it was in the previous version of this policy.

The revision also adds an assessment battery selected by the principal, written placement notice to parents, a provisional placement option so the student can start school while assessments are completed, a ten-day parent appeal to the superintendent, a default re-entry timing of "start of a semester" with superintendent discretion to allow exceptions, and a cross-reference to the applicable state activities association rules for extracurricular eligibility.

**This policy revision is optional.**

---

**REVISION OF POLICY 6038: STUDENT USE OF AI TOOLS**

AI has changed a lot since we first drafted 6038, and the policy needed to catch up. The revised version keeps the rule that has been working—students cannot use AI on an assignment unless the teacher has

specifically approved it. The major additions are an explicit list of prohibited uses (AI deepfakes and other AI-generated harassment, nonconsensual intimate images of real people, putting classmates' personal information into AI tools, and using AI to get around accommodations or content filters); a carve-out for AI approved as assistive technology through the IEP or Section 504 process; and authority to reach off-campus AI conduct that disrupts school.

**This policy, and the changes, are optional.**

---

### **NEW POLICY 6046: RIGHT TO ACCESS SCHOOL LIBRARY MATERIALS**

LB 390 (2025) requires each school board of a public school district to adopt a policy relating to access by a parent, guardian, or educational decisionmaker to certain school library information. The new policy provides parents, guardians, and educational decisionmakers the right to access a catalog of all books in the school district's library and the right to opt into certain notifications when their student checks out a library book.

The law does not specify a specific method by which school districts must distribute the request for notification form, or how parents can submit such requests. We recommend that you think about whether you want to require submission of a written form or will allow an alternative method of requesting notification. We have included a simple placeholder in the student handbook, as well, in the event you choose to handle the "opt in" process via handbooks.

The deadline for adopting this policy is "for implementation at the beginning of the 2026-27 school year."

**This policy is required.**

---

## **Form Changes**

### **Special Education Procedures**

Special education compliance is, unfortunately, an ever-moving target. We revised the procedures slightly, adding timelines for initial evaluations—districts must complete them within 45 school days or 60 calendar days, whichever comes first. This has always been the law, but it wasn't spelled out in the procedures (because it has always been the law). Please note: if the Department ordered your district to modify its procedures, this draft may not reflect what you currently have in place. We have maintained, and continue to maintain, that these procedures comply with the law and meet all required legal standards. **This procedure change is required.**

### **Policy 5004 - Related Option Enrollment Resources**

These optional policy updates include three update resources for your option enrollment program: (1) an update board resolution on option enrollment; (2) a supplemental application for parents applying for option enrollment to supplement the information on the NDE form; and (3) an updated supplemental denial letter that many schools use alongside NDE's form when an application is denied.

You should only use these updated documents if you implement the optional policy changes. *If you implement the optional policy changes, you must approve the updated option resolution prior to using those new sibling criteria.*

This supplemental application is designed to provide you with the relevant information that you will need in order to be in a position to accept or reject an application, in light of all of the siblings who may gain the right to automatic acceptance once the first sibling is accepted. **These form changes are required if you adopt the new sibling consideration provisions.**

### **Policy 5048 - Emergency Response to Life-Threatening Asthma or Systemic Allergic Reactions (Anaphylaxis)**

DHHS and NDE have updated this protocol form. You should replace your existing form with this updated version if you haven't already. The differences are subtle but important. For example, the student's weight

dictating when to use a junior epinephrine dose compared to an adult dose increased from 50 to 60 pounds. NDE Rule 59 is the binding regulation on schools, so that is the version of the form we have now included in the policy service. This protocol form is functionally your policy and what will be used to train staff. As noted above, the policy and form must also be in "all" school handbooks. **This form change is required.**

### **Policy 6046 - Right to Request Notification of Library Books**

These updates include an optional form for you to use for parents who decide to request notification that their student has checked out a library book, as addressed in new Policy 6046. **This form isn't required** if you choose to allow opt-ins another way.

---

## **Other Issues To Consider**

### **LB 258: Minimum Wage**

**LB 258** revises the way in which the state minimum wage is calculated. The current state minimum wage is \$15.00 per hour. The minimum wage must be increased each January 1st by one and three-quarters percent. Different, lower rates may be paid to student learners and "youth" (14- and 15-year-olds who are not emancipated minors). **Section 48-1202(2) specifically excludes Nebraska public school districts from the definition of "employer" to which the minimum wage applies.** Therefore, the federal minimum wage of \$7.25 per hour applies to Nebraska school districts. ***However***, there are retirement implications if the school does not pay at least the state minimum wage. Section 79-902 says that "[c]reditable service does not include . . . services rendered for which the retirement board determines that the member was paid less in compensation than the minimum wage as provided in the Wage and Hour Act." In other words, if your school pays classified staff a rate below NE minimum wage, there won't be creditable service given for those activities under the school plan. That may also mean modifying wages mid-school year, when the state minimum wage changes.

### **LB 383 (2025): Sexting Laws and Parent Consent for Social Media Accounts**

**LB 383**, enacted in 2025, created the Child Sexual Abuse Material Prevention Act. This is the law that now contains many of Nebraska's

"sexting" statutes, new and old. For example, it criminalizes the creation of AI or "computer-generated" content depicting minors. You often hear these referred to as "deep fakes." While the law raises some interesting constitutional issues in terms of criminal enforcement, it actually helps schools address "deep fakes" and similar generated content. The Student Discipline Act permits discipline for a violation of Nebraska law, including these laws. None of these changes made by LB 383 required policy updates last year, but they will continue to shape our digital citizenship presentations and your digital citizenship education efforts.

Here's what's new. LB 383 also created the Parental Rights in Social Media Act. It is set to take effect July 1, 2026. Essentially, any person creating a social media account must go through an age verification process. The law prohibits any "minor" from creating a social media account. "Minor" is defined as an individual "known or reasonably believed by a social media platform to be under eighteen years of age." The law only permits a minor to have an account if a parent consents, signs an oath, and completes an age verification process on behalf of the child. Even a 17-year-old senior in high school will need parent consent to hold an account if the law takes effect. Any social media company that violates the new consent requirements can be fined up to \$2,500 per violation.

Of course, social media companies including Meta (Facebook, Instagram) and TikTok filed a lawsuit in Nebraska seeking to stop the law from taking effect on July 1. They have stopped the enforcement of similar laws in other states. If they are *not* successful in Nebraska, this will be a significant change across the state. Under current law, most students aged 13 or older can establish their own accounts without parental consent or oversight. The only real safeguard is external parental controls (human and technological), which rely on the diligence of busy parents who are less technologically sophisticated than their kids. If the law goes into effect, we think it presents a good opportunity to educate parents on its requirements and also their role as digital parents.

### **LB 745: High School Equivalency Diploma**

**LB 745** removes the age restriction and waiting period previously required to obtain a high school equivalency diploma in Nebraska. Under the old law, applicants had to be at least 18 years old and wait until their former graduating class had been out of school for at least one year. The new law eliminates both of those requirements entirely. The bill retains the existing eligibility criteria: applicants must still establish 30-day Nebraska residency

(or have last earned credits at a Nebraska high school), and they must demonstrate educational achievement equivalent to a typical high school graduate through approved testing.

### **LB 803: Pink Postcards for Everyone!**

LB 803 made changes to school districts' budget adoption procedures. Among other details, this will require all school districts (including at least one member of the board) to participate in a joint public hearing that must occur between July 1 and July 14. Although different components of LB 803 have different effective dates, the provisions affecting school district budget procedures will be **effective January 1, 2027**. In other words, school districts need not make changes to their budget adoption procedures for adopting the 2026–27 budget (by the end of September 2026). But you will see this again next year as we update policies and send out information on its impact for 2027-28 budgeting processes.

### **LB 824: NPERS 120 Days**

LB 824 takes effect May 1, 2026 and changes the separation period for School Plan members from 180 days to 120 days. The new law also tightens the rules significantly. During the 120-day period, a member who terminates service and takes a distribution cannot perform any work for a School Plan employer, including substitute teaching, volunteering, independent contracting, or working through a third-party organization that serves School Plan employers. Schools need to pay close attention, because even informal arrangements like training a replacement, coaching, officiating/refing, or participating in programs like Teammates can be a violation. If NPERS finds that a true separation did not occur, the district must pay back contributions plus interest. Members who filed a valid distribution application before May 1, 2026 follow the old 180-day rules, which allow up to 8 days per calendar month of substitute or volunteer service. More information is available [here](#).

### **LB 935: Swatting**

LB 935 creates a new criminal offense of swatting. A person commits the offense of swatting if such person:

- Knowingly makes, causes to be made, or directs a false or misleading report of criminal activity or a need for emergency medical services or assistance from firefighters;

- Such report is made to a law enforcement agency, public safety answering point, or any other emergency response organization;
- The person knows or reasonably should know the report is false or misleading; and
- The report results in the dispatch of law enforcement, firefighters, or emergency response personnel.

A typical violation is a Class I misdemeanor. However, a violation of the new law will be a Class II felony if the violation proximately: (1) results in serious bodily injury to any person or (2) causes a law enforcement officer to deploy or threaten to deploy deadly force. A violation of the new law will be a Class IB felony if the violation proximately results in the death of any person.

### **LB 935: Attorney Fees**

**LB 935** allows a political subdivision to request an award of costs and attorney's fees if: (1) the political subdivision is a defendant against a claim that is frivolous or intended primarily to harass the political subdivision or its public officials; or (2) another party asserts a defense against a claim of the political subdivision and such defense is frivolous or intended primarily to harass the political subdivision or its public officials.

### **LB 940: Color Additives**

Beginning August 1, 2027, public schools may not offer or make available to any student any food served as part of a school meal that contains the following color additives: Blue No. 1; Blue No. 2; Green No. 3; Red No. 40; Yellow No. 5; or Yellow No. 6. A "school meal" means a meal served pursuant to the federal Richard B. Russell National School Lunch Act or the federal Child Nutrition Act of 1966, and does not include any other food offered or made available to students.

### **LB 1126: Public-Private Partnership Contracts**

Part of LB 1126 amended the *Political Subdivisions Construction Alternatives Act* to add a new project delivery system: public-private partnership contracts. The new law contemplates that school districts can enter into a public-private partnership contract as a method "for construction or financing of capital projects or procurement of services" in response to unsolicited proposals. If a school district is interested in using this project delivery system, the law requires that it adopt specific policies for entering into these contracts. We will have such optional policies available in the future for your use. If you have more questions about this alternative, please contact us.

## KSB Evaluation Platform Suite

We are also excited to announce that the KSB Board Self Evaluation Platform is now live and available for use. Board self evaluation is essential to overall school district success and we've worked closely with several prominent administrators across the state to make sure this tool is a valuable resource for you and your district. We have a short video about the board self evaluation [here](#).

This addition completes our suite of evaluation platforms aligned across all of your district leadership - superintendent, principal and building administrator, and board self evaluation. If you subscribed to the evaluation platform during the 2025-26 school year, your district has access to this module at no additional charge. If you have not yet subscribed to the evaluation portion of the platform, [please visit our website for more information](#) and don't hesitate to reach out.

The type of procedures required depends on the anticipated cost of the project.

Micro-purchase means an individual procurement transaction for supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed \$15,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

Deleted: 10,000

## **V. Other Contract Matters.**

### **A. Required Terms**

The non-Federal entity's contracts must contain the applicable provisions required by section 200.327 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. This includes a "Buy American" provision that provides that as appropriate and to the extent consistent with law, the District and contractor should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of the Buy American provision must be included in all subawards including all contracts and purchase orders for work or products under this award.

### **B. Contracting with Certain Vendors**

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms are used when possible and consistent with state law.

To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in the U.S. or processed in the U.S. substantially using agricultural commodities produced in the U.S.

### **C. Full and Open Competition**

The district's procurement transactions will be conducted in a manner providing full and open competition consistent with 2 C.F.R §200.319.

#### D. Debarment and Suspension

The District awards contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, public policy compliance, proper classification of employees (see the Fair Labor Standards Act, 29 U.S.C. 201, chapter 8), record of past performance, and financial and technical resources when conducting a procurement transaction.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over \$25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by reviewing the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

Deleted: revising

#### E. Settlements of Issues Arising Out of Contract

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

#### F. Record Keeping

##### 1. Record Retention

- a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and

§§ 75.730-.731. The District also maintains records of significant project experiences and results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c).   - 3. The board may determine at its discretion that a financial interest is not substantial enough to give rise to a conflict of interest.

### **C. Favors and Gifts**

An employee, officer, agent, and board member of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, with the limited exception of unsolicited items of nominal value.

#### C. Accounting Records

The District maintains records which adequately identify the source and application of funds provided for federally-assisted activities. These records must contain information pertaining to grant or subgrant awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

#### D. Internal Controls

The Superintendent or his/her designee must maintain effective control and accountability for all funds, real and personal property, and other assets through board review and approval of claims, an annual audit of the district's finances pursuant to the applicable Nebraska Department of Education and federal rules and regulations, and comparison of expenditures and outlays to budgeted amounts. The District adequately safeguards all such property and assures that it is used solely for authorized purposes.

#### E. Budget Control

#### **A. Methods of Bidding/Soliciting Quotations or Estimates**

The type of procedures required depends on the anticipated cost of the project.

##### **1. Construction with an Anticipated Cost of up to \$15,000 (Micro-Purchases)**

Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing.

b) Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of.

c) Any or all bids may be rejected if there is a sound documented reason.

5. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills,

business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

6. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

These records and accounts must be retained and made available for programmatic or financial audit.

b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding federal awards for a minimum of six (6) years. Consequently, the District shall retain records for a minimum of six (6) years from the date on which the final Financial Status Report is submitted, unless otherwise notified in writing to extend the retention period by the awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Procurement Records

a) The District must maintain records sufficient to detail the history of all procurements. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.

b) Retention of procurement records shall be in accordance with applicable law and Board policy.

D. Privacy

The District has protections in place to ensure that the personal information of both students and employees is protected. These include the use of passwords that are changed on a regular basis; staff training on the requirements of the Family Educational Rights and Privacy Act (FERPA) and State confidentiality requirements; and training on identifying whether an individual requesting access to records has the right to the documentation.

## 3057 Title IX Policy

As required by Title IX of the Education Amendments of 1972, it is the policy of the school district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the school district's programs or activities, or in regards to admission or employment. Any person may report sex discrimination, including sexual harassment. This report may be made by any means to the district's Title IX Coordinator, who can be contacted at [Office Address], [Email Address], [Telephone Number]. Any other inquiries regarding the application of this policy should be referred to the Title IX Coordinator.

**Definitions.** As used in this policy, the following terms are defined as follows:

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- **Formal complaint** means a document or electronic submission filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment and requesting that the district investigate the allegation of sexual harassment. At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity.
- **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.
- **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.
- **Sexual harassment** means conduct on the basis of sex where (1) An employee of the district conditions the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct; (2) An individual experiences unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies the person equal access to the district's education program or activity; (3) An individual experiences a sexual assault, dating violence, domestic violence, or

stalking as further defined below. Any report of conduct not meeting these definitions will not require the grievance procedure described in this policy.

- **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:
  - **Sex Offenses**—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.
    - **Rape**—(Except Statutory Rape) Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, or by a sex-related object. This definition includes instances in which the victim is incapable of giving consent because of temporary or permanent mental or physical incapacity (including due to the influence of drugs or alcohol) or because of age. Physical resistance is not required on the part of the victim to demonstrate lack of consent.
    - **Criminal Sexual Contact**—The intentional touching of the clothed or unclothed body parts without consent of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation. The forced touching by the victim of the actor's clothed or unclothed body parts, without consent of the victim for the purpose of sexual degradation, sexual gratification, or sexual humiliation. This offense includes instances where the victim is incapable of giving consent because of age or incapacity due to temporary or permanent mental or physical impairment or intoxication for the purpose of sexual degradation, sexual gratification, or sexual humiliation.
  - **Unlawful Sexual intercourse**
    - **Incest**—Nonforcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law
    - **Statutory Rape**—Nonforcible sexual intercourse with a person who is under the statutory age of consent

- **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—
  - who is or has been in a social relationship of a romantic or intimate nature with the victim; and
  - where the existence of such a relationship shall be determined based on a consideration of the following factors:
    - The length of the relationship.
    - The type of relationship.
    - The frequency of interaction between the persons involved in the relationship.
  
- **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
  
- **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—
  - fear for his or her safety or the safety of others; or
  - suffer substantial emotional distress.
  
- **Supportive measures** are non-disciplinary, non-punitive individualized services offered without fee that do not unreasonably burden the parties. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

**Reporting Sexual Harassment.** Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the district's Title IX Coordinator. district personnel will not retaliate against any individual based

on any report of suspected sexual harassment. Any district employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

## **Response to Sexual Harassment**

**General Obligations.** When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. For the purposes of this policy "education program or activity" includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district's ability to impose discipline for off-campus misconduct does not necessarily constitute "substantial control" over the respondent and the context. The district's response to an allegation of sex harassment will treat complainants and respondents equitably.

**Limitations on Discipline.** No respondent will have disciplinary sanctions imposed upon him/her until the conclusion of the formal grievance process described below.

**Emergency Removal.** Disciplinary sanctions do not include removal on an emergency basis where the respondent is an immediate threat to the health or safety of another as a result of allegations of sexual harassment. The district also may place any employee on administrative leave during the pendency of the grievance process below.

## **Grievance Process for Formal Complaints of Sexual Harassment**

**General Obligations.** All Title IX team members and individuals carrying out district obligations will comply with the regulatory requirements of objective evaluations, avoiding conflict of interest or bias, training, and protection of legally privileged information.

**Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

## **Grievance Procedure**

**Time Frames.** The district will resolve grievances in a time frame that is reasonably prompt. Good cause for delay may include considerations such as

the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

**Range of Possible Sanctions and Remedies.** At the conclusion of the grievance process, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion and/or immediate discharge from employment.

**Separation of Roles.** The decision-maker cannot be the same person as the Title IX Coordinator or the investigator(s).

**Notice of Allegations.** Upon receipt of a formal complaint, the district will provide notice of this policy and the allegations to all parties. The notice will include sufficient details known by the district at that time to provide sufficient time to prepare a response before any initial interview. Sufficient details, if known by the district, include the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident. The district will provide notice of additional allegations revealed during an investigation to the parties.

**Dismissal of Formal Complaint.** The district **must** dismiss a formal complaint if the conduct alleged in the formal complaint, would not constitute sexual harassment even if proven; did not occur in the district's education program or activity; or if the conduct alleged did not occur against a person in the United States.

The district **may** dismiss the formal complaint if, at any time during the investigation or hearing, the complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled in or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.

Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

**Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the district will designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint. The district may consolidate formal complaints where the allegations of sexual harassment arise out of the same facts or circumstances.

The district will bear the burden of gathering evidence sufficient to reach a determination regarding responsibility. All parties will have an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. The district may not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.

All parties will have the same opportunity to be accompanied by the advisor of their choice in any meeting or grievance proceeding. This policy does not relieve the advisor of choice of any other applicable legal obligations or limitations. The district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.

The district will provide written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate.

All parties will have an equal opportunity to inspect and review evidence obtained as part of the investigation if that evidence is directly related to the allegations raised in a formal complaint. The parties will have no less than 10 calendar days to review the evidence and submit a response. The investigative report will fairly summarize the relevant evidence and the investigator will send the finalized report to all parties and their advisors.

**Determination Regarding Responsibility.** Before the district reaches a determination regarding responsibility, each party may submit written, relevant questions of any party or witness. The decision-maker will provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition are never relevant. Questions about the complainant's prior sexual behavior are only relevant if those questions and evidence are offered (1) to prove that someone other than the respondent committed the conduct alleged by the complainant, or (2) are offered to prove consent and concern specific incidents of the complainant's prior sexual behavior with respect to the respondent. If the decision-maker decides to exclude a question because it is not relevant, he/she will explain the basis for that

decision.

The decision-maker will issue a written determination regarding responsibility no sooner than ten days after the parties receive the final investigative report. The decision-maker will apply the preponderance of the evidence standard. The written determination will include:

- Identification of the allegations potentially constituting sexual harassment;
- A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
- Findings of fact supporting the determination;
- Conclusions regarding the application of the district's code of conduct to the facts;
- A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
- The district's procedures and permissible bases for the complainant and respondent to appeal.

The district will provide the written determination to the parties simultaneously. If neither party timely appeals, the determination becomes final. If a party appeals, the determination will become final on the date that the district provides the parties with the written determination of the result of the appeal.

**Appeals.** The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

**Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools no later than 5:00 pm on the fifth calendar day after the written determination is issued. The Notice of Appeal must include (a) the name of the party or parties making

the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal.

**Grounds for Appeal.** Appeals are limited to the following grounds:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination or dismissal was made that could affect the outcome of the matter; and
- The Title IX Coordinator, investigator(s), or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The district will notify other parties in writing when an appeal is filed; implement appeal procedures equally for all parties; and ensure that the decision-maker for the appeal is not the same person as the decision-maker, the investigator(s), or the Title IX Coordinator.

The district will give both parties a reasonable, equal opportunity to submit a written statement that supports or challenges the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

**Informal Resolution.** The district may informally resolve allegations without completing the grievance procedure with the written consent of all parties. The process may not be used when allegations involve an employee harassing a student. As part of this process, the district will provide to the parties in writing a notice stating:

- the allegations;
- the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;
- that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and

- any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

**Recordkeeping.** The district will maintain the following records for a period of seven years:

- Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed, and any remedies provided;
- Any appeal and its result;
- Any informal resolution and its result; and
- All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The district will make these training materials publicly available on its website, or if the district does not maintain a website, then the district will make these materials available upon request for inspection by members of the public.

The district will also create records documenting any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken. The district will maintain these records for a period of seven years.

**Retaliation Prohibited.** Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any

complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided that a determination regarding responsibility alone is not sufficient to conclude that any party made a materially false statement in bad faith.

**Notification of Policy.** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

**Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

**Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

**Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in

compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

Any person may report sex discrimination, including sexual harassment. This report may be made by any means to the district's Title IX Coordinator, who can be contacted at [Office Address], [Email Address], [Telephone Number]. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.
- **Sexual harassment** means conduct on the basis of sex where (1) An employee of the district conditions the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct; (2) An individual experiences unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies the person equal access to the district's education program or activity; (3) An individual experiences a sexual assault, dating violence, domestic violence, or

  - who is or has been in a social relationship of a romantic or intimate nature with the victim; and
  - where the existence of such a relationship shall be determined based on a consideration of the following factors:
    - The length of the relationship.
    - The type of relationship.
    - The frequency of interaction between the persons involved in the relationship.
- **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

  - suffer substantial emotional distress.
- **Supportive measures** are non-disciplinary, non-punitive individualized services offered without fee that do not unreasonably burden the parties. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

**Reporting Sexual Harassment.** Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the district's Title IX Coordinator. district personnel will not retaliate against any individual based

on any report of suspected sexual harassment. Any district employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

### **Response to Sexual Harassment**

**General Obligations.** When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. For the purposes of this policy "education program or activity" includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district's ability to impose discipline for off-campus misconduct does not necessarily constitute "substantial control" over the respondent and the context. The district's response to an allegation of sex harassment will treat complainants and respondents equitably.

**Limitations on Discipline.** No respondent will have disciplinary sanctions imposed upon him/her until the conclusion of the formal grievance process described below.

**Emergency Removal.** Disciplinary sanctions do not include removal on an emergency basis where the respondent is an immediate threat to the health or safety of another as a result of allegations of sexual harassment. The district also may place any employee on administrative leave during the pendency of the grievance process below.

### **Grievance Process for Formal Complaints of Sexual Harassment**

**General Obligations.** All Title IX team members and individuals carrying out district obligations will comply with the regulatory requirements of objective evaluations, avoiding conflict of interest or bias, training, and protection of legally privileged information.

**Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

### **Grievance Procedure**

**Time Frames.** The district will resolve grievances in a time frame that is reasonably prompt. Good cause for delay may include considerations such as

the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

**Range of Possible Sanctions and Remedies.** At the conclusion of the grievance process, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion and/or immediate discharge from employment.

**Separation of Roles.** The decision-maker cannot be the same person as the Title IX Coordinator or the investigator(s).

**Notice of Allegations.** Upon receipt of a formal complaint, the district will provide notice of this policy and the allegations to all parties. The notice will include sufficient details known by the district at that time to provide sufficient time to prepare a response before any initial interview. Sufficient details, if known by the district, include the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident. The district will provide notice of additional allegations revealed during an investigation to the parties.

**Dismissal of Formal Complaint.** The district **must** dismiss a formal complaint if the conduct alleged in the formal complaint, would not constitute sexual harassment even if proven; did not occur in the district's education program or activity; or if the conduct alleged did not occur against a person in the United States.

The district **may** dismiss the formal complaint if, at any time during the investigation or hearing, the complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled in or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.

Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

**Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the district will designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint. The district may consolidate formal complaints where the allegations of sexual harassment arise out of the same facts or circumstances.

The district will bear the burden of gathering evidence sufficient to reach a determination regarding responsibility. All parties will have an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. The district may not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.

All parties will have the same opportunity to be accompanied by the advisor of their choice in any meeting or grievance proceeding. This policy does not relieve the advisor of choice of any other applicable legal obligations or limitations. The district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.

The district will provide written notice of the date, time, location, participants, and purpose of all investigative interviews or other meetings, with sufficient time for the party to prepare to participate.

All parties will have an equal opportunity to inspect and review evidence obtained as part of the investigation if that evidence is directly related to the allegations raised in a formal complaint. The parties will have no less than 10 calendar days to review the evidence and submit a response. The investigative report will fairly summarize the relevant evidence and the investigator will send the finalized report to all parties and their advisors.

**Determination Regarding Responsibility.** Before the district reaches a determination regarding responsibility, each party may submit written, relevant questions of any party or witness. The decision-maker will provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition are never relevant. Questions about the complainant's prior sexual behavior are only relevant if those questions and evidence are offered (1) to prove that someone other than the respondent committed the conduct alleged by the complainant, or (2) are offered to prove consent and concern specific incidents of the complainant's prior sexual behavior with respect to the respondent. If the decision-maker decides to exclude a question because it is not relevant, he/she will explain the basis for that

decision.

The decision-maker will issue a written determination regarding responsibility no sooner than ten days after the parties receive the final investigative report. The decision-maker will apply the preponderance of the evidence standard. The written determination will include:

- Identification of the allegations potentially constituting sexual harassment;
- A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
- Findings of fact supporting the determination;
- Conclusions regarding the application of the district's code of conduct to the facts;
- A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
- The district's procedures and permissible bases for the complainant and respondent to appeal.

The district will provide the written determination to the parties simultaneously. If neither party timely appeals, the determination becomes final. If a party appeals, the determination will become final on the date that the district provides the parties with the written determination of the result of the appeal.

**Appeals.** The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

**Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools no later than 5:00 pm on the fifth calendar day after the written determination is issued. The Notice of Appeal must include (a) the name of the party or parties making

the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal.

**Grounds for Appeal.** Appeals are limited to the following grounds:

- Procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the determination or dismissal was made that could affect the outcome of the matter; and
- The Title IX Coordinator, investigator(s), or decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The district will notify other parties in writing when an appeal is filed; implement appeal procedures equally for all parties; and ensure that the decision-maker for the appeal is not the same person as the decision-maker, the investigator(s), or the Title IX Coordinator.

The district will give both parties a reasonable, equal opportunity to submit a written statement that supports or challenges the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

**Informal Resolution.** The district may informally resolve allegations without completing the grievance procedure with the written consent of all parties. The process may not be used when allegations involve an employee harassing a student. As part of this process, the district will provide to the parties in writing a notice stating:

- the allegations;
- the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;
- that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and

- any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

**Recordkeeping.** The district will maintain the following records for a period of seven years:

- Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed, and any remedies provided;
- Any appeal and its result;
- Any informal resolution and its result; and
- All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The district will make these training materials publicly available on its website, or if the district does not maintain a website, then the district will make these materials available upon request for inspection by members of the public.

The district will also create records documenting any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken. The district will maintain these records for a period of seven years.

**Retaliation Prohibited.** Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any

complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided that a determination regarding responsibility alone is not sufficient to conclude that any party made a materially false statement in bad faith.

**Notification of Policy.** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

**Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

**Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

**Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in

compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

Because of these payments, the District is classified as an ACH Originator. As an ACH Originator, the District complies with the National Automated Clearing House Association (NACHA) Operating Rules which govern the ACH Network. The District's bank requires compliance with the Rules as a condition of the District's ability to send ACH Payments.

**Responsibilities.** The District follows all terms of its Originating Depository Financial Institution/Originator Agreement with its bank. The District obtains a written authorization before sending any ACH payment. The District meets all processing deadlines set by the bank and NACHA. The District gives authorization records to the bank upon request within NACHA's required timeframes. The District keeps all sensitive banking information secure. When the District receives a Notification of Change, it updates the payment record before the next ACH transaction. When the District receives a return due to an error or unauthorized activity, it stops all related subsequent payments until instructions are received from the Bank. The District keeps its computer systems and network secure in line with its bank agreement. The District uses procedures to spot unauthorized payments. All employees with ACH duties will complete training, if required by the Bank or NACHA, and respond to audit requests. The District will implement internal controls and procedures to mitigate errors and risk of unauthorized ACH entries.

**Fraud Monitoring.** The District reviews ACH transactions for unusual patterns or amounts before submitting each file. If the District suspects an error or unauthorized ACH transaction, the District will: determine whether the problem is fraud, a scam, or an internal error; notify the bank right away; contact law enforcement if needed; and stop all related future ACH transactions.

## **4065 Staff Use of AI Tools**

As used in this policy, artificial intelligence tools ("AI Tools") means machine-based resources that use computer science, algorithms, large language models, and/or machine learning to perform tasks, answer questions, collect information, and respond to human-directed tasks, queries, and objectives. AI Tools include, but are not necessarily limited to, commercially-available resources like ChatGPT, Gemini, Claude, and similar technologies. The board wants to encourage staff to use AI tools to support student learning in safe and lawful ways.

This policy works together with the district's policies on Student Use of AI Tools, Staff Internet and Computer Use, and Staff and District Social Media Use.

**Tool Approval.** Staff may not use an AI Tool with students or with student information unless a member of the district's administration has approved it. To use a new tool, staff must request approval from his/her supervising administrator first. Before approving a tool, the district will review the vendor's privacy and security practices, the kind of student information the tool would use, and whether a written data-sharing agreement with the vendor is required. The district will keep a list of approved AI Tools and the allowed uses for each.

### **I. Staff Expectations for Use of AI Tools in Education**

**A. Acceptable Use of AI Tools.** Staff members must use their own professional oversight for any task they use AI Tools to complete and must carefully review the outputs of all AI Tools. Staff may use approved AI Tools to help with things like:

1. Drafting lesson plans, learning goals, and activities;
2. Assisting in initial review and feedback of student work;
3. Making reading passages or practice problems at different levels;
4. Drafting general messages like newsletters or announcements;
5. Finding resources or summarizing public information;
6. Drafting routine communications.

**B. Protecting Student Information.** Staff may upload student information into an AI Tool only when (a) the tool is district-approved, and (b) the vendor is bound by a written data-sharing agreement with terms that meet FERPA, COPPA, PPRa, and applicable state student data privacy laws. For this purpose, student information includes student names, ID numbers, education records, IEPs, Section 504 plans, evaluations, health records, and discipline records. This rule applies whether the staff member uses a district account, a personal account, a free version, or a paid version.

**C. Recording and Transcription Tools.** Staff may use AI recording or transcription tools only if:

1. The transcription tool has been approved by an administrator for use in the school context; and
2. All participants to the meeting are informed that the staff member is recording or transcribing the meeting.

The resulting recording or transcript may be subject to the district's retention and confidentiality policies.

**D. Unacceptable Use of AI Tools in Education.** Staff may never use AI tools to:

1. Upload FERPA-protected information about students without the express, written authorization from administrators who have assured themselves that such disclosure is lawful;
2. Relying solely on an AI Tool to grade student work that counts toward a grade or transcript or otherwise evaluate student academic progress;
3. Make or share deepfakes or fake images, audio, or video of any real person.
4. Make or share sexual or intimate images of any real person—even if the image is AI-generated;
5. Use AI to harass, bully, threaten, or impersonate any student, staff member, parent, board member, or community member;
6. Use AI to watch, track, or scan faces of students or staff outside of systems the board has approved;
7. Upload materials to AI if the copyright or license does not allow it;

8. Share district AI accounts or passwords with students or others;
9. Use district AI accounts for personal or business reasons; or
10. Use AI to bypass district network security, content filters, or device controls.

If any staff member is uncertain about the application of this policy to any AI Tool use, the staff member will check with a supervising administrator before use.

**Compulsory Attendance and Excessive Absenteeism**

*"School success is 90 percent showing up; the other half is mental." Yogi Berra*

Research on policies and practices that effectively encourage regular student attendance share some key components:

1. Education of parents regarding school attendance requirements.
2. Effective policies and practices to monitor attendance.
3. Clear definition of excessive absenteeism and a two-stage response to excessive absences.

The board has considered this educational research and used it to create the following policy on Compulsory Attendance and Excessive Absenteeism.

**Required Attendance**

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

**Mandatory Attendance Age**

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

**Discontinuing Enrollment – 5 Year Old Students**

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request and to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to reenroll in this

school district until the beginning of the following school year unless otherwise required by law.

### **Discontinuing Enrollment – 16 and 17 Year Old Students**

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend an exempt school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending exempt schools. The superintendent may confirm the validity of the submission with the State Department of Education.

### **Prohibition on Discontinuing Enrollment – Abuse or Neglect Investigation**

Upon notice from the Department of Health and Human Services, the District shall not facilitate the transfer or disenrollment of a student whose parent, guardian, or educational decisionmaker is subject to an active investigation by the Department for fourteen days or until further notice from the Department, whichever occurs first.

### **Attendance Officer**

Each building principal is designated as an attendance officer for the district. Each building principal, at his or her discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

### **Excused Absences – Physical or Mental Illness**

Absences shall be excused by a parent, guardian, or educational decision maker, as defined in section 79-530, of the child for physical or mental illness and as documented by a credentialed health professional, provided the

documentation supports such absence. In the instance of chronic illness, documentation shall be reviewed each semester.

**Expectations for Regular Attendance:**

1. Students are expected to attend every class, every day.
2. The only "excused" absences shall be:
  - a.) absences when the Nebraska State Patrol confirms in writing that weather conditions have made the roads impassable so that the student's attendance impracticable or impossible;
  - b.) student attendance at a school-sponsored activity;
  - c.) student has been suspended or expelled from school by the school district; and
  - d.) absences required by law enforcement, child protective services or a court of competent jurisdiction, confirmed in writing to the school district.
3. All other absences, including absences for minor physical or mental illnesses, family events, routine medical appointments are simply "absences."
4. Upon return from every absence or partial-day absence, students must remain after school for 30 minutes to meet with teachers, work on missed assignments or simply to study. The location and supervision of the student will be determined by the building principal in consultation with the student's classroom teacher(s).
5. Students must not be absent from any course more than seven days in any given quarter in order to earn academic credit for that course for that quarter. Students who lose credit in any given course due to absences may appeal that loss of credit to his/her building principal.

**Deleted:** a.) absences when a licensed health care provider has confirmed in writing that, in his/her professional medical opinion and within his/her scope of practice, the student or a child whom the student is parenting is so physically or mentally ill that attendance of the student is impracticable or impossible; b

**Deleted:** c

**Deleted:** d

**Deleted:** e

**Attendance Incentives:**

Building principals will establish attendance incentives for their students. Those may include:

- Special Recognition of students who have 95% or greater attendance each quarter
- Excusal from certain classroom assignments (final exam, written report) for students with 95% or greater attendance each semester
- Special rewards (movie day, field day, extra recess) for students who have 95% or greater attendance

At the conclusion of each quarter building principals report to the board what incentives were implemented and the effectiveness of the incentive in improving student attendance and engagement.

**When students are absent from school, district staff will respond as follows:**

**First Stage Response to Absences**

1. A member of district staff will contact parent via telephone for every absence if the parent has not contacted the school in advance.
2. After a student's third absence in any given quarter, the school's attendance officer will schedule a meeting with the student's parents or guardians. That meeting will be documented on the attached form.
  - a. This meeting must be attended by attendance officer, parents, social worker or principal, and the student (if appropriate)
  - b. The meeting shall be documented
  - c. The meeting shall develop a collaborative plan to assist the student in improving his/her attendance
3. Building principals must meet with teachers who have 10% of their students miss seven or more days of class in any given quarter to review strategies to increase student engagement. A consistent pattern of student absences from a teacher's classes may result in a formal remediation plan.
4. The superintendent must meet with the building principal if more than 10% of students miss seven or more days of class in any quarter to review strategies to improve the school building's climate. A consistent pattern of building-wide absenteeism may result in a formal remediation plan.

**Second Stage Response to Absences**

Students who accrue more than 20 absences in a school year may be referred to the county attorney for action under NEB. REV. STAT. § 43-247(3)(a) and (b).

**Making Up Absences** (Optional – Remove or revise based on your District's practices.)

When a student receives [X] unexcused absences or the hourly equivalent in any semester, the student shall be required to make-up those absences through attendance in [insert program]. Absences shall be made up at a rate of [insert rate.]

1. is of appropriate age to attend school;
2. is a resident of this school district;
3. is a resident of another school district attending a private, denominational, parochial, or exempt school, but only if

**Admission of Part-Time Students**

A student may be permitted to enroll on a part-time basis pursuant to this policy and applicable curricular practices when enrollment is appropriate for reasons that include but are not limited to the following: the student attends another education institution on a primary basis; is enrolled for a limited number of credit hours needed to graduate; has a modified schedule because of a disability or as part of an individualized education plan; or is a student who attends a private, denominational, or parochial school or a school that elects not to meet accreditation or approval requirements (referred to herein as an exempt school student or an exempt school, respectively).

**Eligibility and Application for Enrollment.** A student may be eligible for part-time enrollment if the student:

1. is of appropriate age to attend school;
2. is a resident of this school district;
3. is a resident of another school district attending a private, denominational, parochial, or exempt school, but only if
  - a. this school district is the closest to the student's residence that offers the extracurricular sport or activity they desire to participate in, and their resident school district does not offer that sport or activity; or
  - b. the school building the student would attend if accepted for part-time enrollment is closer than the school building the student attends or would attend at the resident district;
4. has not graduated from high school; and
5. has not received a graduate equivalency diploma.

The parent or guardian must meet all of the district's admission requirements and file an application for enrollment on forms provided by the school district by [REDACTED] prior to the year of enrollment. For second semester high school courses, the application must be filed by [REDACTED]. For students who move into the district mid-semester, the application must be filed within 20 days of moving into the district. The administration shall review the application, determine whether to approve or deny it, notify the parent or guardian, and schedule enrollment at an educationally appropriate time in the building or attendance center of the administration's choice. Enrollment does not carry over from one school year to the next, and the parent or guardian must apply for enrollment each school year.

**Limitations Based on Resources.** The part-time enrollment of students is subject to limitations for grades, classes, courses, and programs based on the

limited resources available to the school district. Full-time students shall be given priority for enrollment in grades, classes, courses, and programs.

**Placement of Students.** Students accepted for part-time enrollment shall be placed in courses for which they have adequate preparation and which are determined to be educationally appropriate based on criteria that include, but are not limited to the student's age, achievement test scores, academic record, evaluation by school personnel and any other standards used by the district for the placement of students.

**Grades and Academic Honors.** Students accepted for part-time enrollment shall receive grades, report cards, and transcripts, but shall not be eligible to graduate, receive a diploma or qualify for class ranking unless they meet all district requirements including earning a sufficient number of credit hours and semesters of attendance.

**Applicability of School Rules.** Students accepted for part-time enrollment are subject to all rules and standards of the board of education and administration as set forth in policy, handbooks or other communications, as well as the rules and directives of the building administration and staff. They must remain on the school campus during scheduled classes but must leave the school campus when not engaged in a course, course-related activity, or an extracurricular activity or sport, unless the building principal approves their presence. Students who violate school policies, rules, or directives shall be subject to disciplinary procedures up to and including suspension and expulsion.

**Extracurricular Sports and Activities.** [OPTION 1: accredited private school students can't participate] Students who are enrolled in a private, denominational, or parochial school may not participate in extracurricular sports and activities sponsored by the school district.

[OPTION 2: accredited private school students can participate]. Students who are enrolled in a private, denominational, or parochial school may not participate in extracurricular sports and activities sponsored by the school district if they participate in extracurricular sports and activities at any other public, private, denominational, or parochial school. The process for long-term suspension is set forth below.

### **Expulsion**

1. **Meaning of Expulsion.** Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.
2. **Summer Review.** Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's Parent. This review shall be limited to newly discovered evidence or evidence of

changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.

3. **Suspension of Enforcement of an Expulsion:** Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.
4. **Alternative School or Pre-expulsion Procedures.** The school shall either provide an alternative school, class or educational program for expelled students, or shall follow the pre-expulsion procedures outlined in NEB. REV. STAT. 79-266.
5. **Conclusion of Expulsion.** At the conclusion of an expulsion, the school district will reinstate the student and accept nonduplicative, grade-appropriate credits earned by the student during the term of expulsion from any Nebraska accredited institution or institution accredited by one of the six regional accrediting bodies in the United States.

### **Grounds for Long-Term Suspension, Expulsion or Mandatory Reassignment:**

### **Due Process Afforded to Students Facing Long-term Suspension or Expulsion**

The following procedures shall be followed regarding any long-term suspension, expulsion, or mandatory reassignment:

1. The decision to recommend discipline shall be made within two school days after learning of the alleged student misconduct. On the date of the decision to discipline, the Principal shall file with the Superintendent a written charge and a summary of the evidence supporting such charge.
2. The Principal shall serve the student and the student's Parent with a written notice by registered or certified mail or personal service within two school days of the date of the decision to recommend long-term suspension or expulsion. The notice shall include the following:

- a. The rule or standard of conduct allegedly violated and the acts of the student alleged to constitute a cause for long-term suspension, expulsion, or mandatory reassignment, including a summary of the evidence to be presented against the student;
  - b. The penalty, if any, which the principal has recommended in the charge and any other penalty to which the student may be subject;
  - c. Resources the school is able to provide or recommend to assist the student;
  - d. How the school plans to handle such behavior in the future, including an actionable plan aimed at maximizing strategies to keep the student in school;
  - e. A statement that, before long-term suspension, expulsion, or mandatory reassignment can be invoked, the student has a right to a hearing, upon request, and that if the student is suspended pending the outcome of the hearing, the student may complete classwork and homework, including, but not limited to, examinations, missed during the period of suspension pursuant to district guidelines which shall not require the student to attend the school district's alternative programs for expelled students in order to complete classwork or;
  - f. A description of the hearing procedures provided by the act, along with procedures for appealing any decision rendered at the hearing;
  - g. A statement that the principal, legal counsel for the school, the student, the student's Parent, or the student's representative has the right (i) to examine the student's academic and disciplinary records and any affidavits to be used at the hearing concerning the alleged misconduct and (ii) to know the identity of the witnesses to appear at the hearing and the substance of their testimony; and
  - h. A form on which the student, the student's Parent may request a hearing, to be signed by such parties and delivered to the principal or superintendent in person or by registered or certified mail to the address provided on the form.
3. When a notice of intent to discipline a student by long-term suspension, expulsion, or mandatory reassignment is filed with the superintendent, the student may be suspended by the principal until the date the long-term suspension, expulsion, or mandatory reassignment takes effect, if the principal determines that the student must be suspended immediately to prevent or substantially reduce the risk of (a) interference with an educational function or school purpose or (b) a

- personal injury to the student himself or herself, other students, school employees, or school volunteers.
4. Nothing in this policy shall preclude the student, the student's Parent, or representative from discussing and settling the matter with appropriate school personnel prior to the time the long-term suspension, expulsion, or mandatory reassignment takes effect.
  5. If a hearing is requested within five days after receipt of the notice, the Superintendent shall recommend appointment of a hearing examiner within two school days after receipt of the hearing request. The student or the student's Parent may request designation of a hearing examiner other than the hearing examiner recommended by the superintendent if notice of the request is given to the superintendent within two school days after receipt of the superintendent's recommended appointment. Upon receiving such request, the superintendent must provide one alternative hearing examiner who is not an employee of the school district or otherwise currently under contract with the school district and whose impartiality may not otherwise be reasonably questioned. The student or the student's Parent must, within five school days, select a hearing examiner to conduct the hearing who was recommended or provided as an alternative hearing examiner, and shall notify the superintendent in writing of the selection. The superintendent must appoint the selected hearing examiner upon receipt of such notice.
  6. The hearing examiner must, within two school days after being appointed, give written notice to the principal, the student, and the student's Parent of the time and place for the hearing.
  7. The hearing shall be held within a period of five school days after appointment of the hearing examiner, but such time may be changed by the hearing examiner for good cause with consent of the parties. No hearing shall be held upon less than two school days' actual notice to the principal, the student, and the student's Parent, except with the consent of all the parties.
  8. The principal or legal counsel for the school, the student, the student's Parent, or representative have the right to receive a copy of all records and written statements referred to in the Student Discipline Act as well as the statement of any witness in the possession of the school board or board of education no later than forty-eight hours prior to the hearing.
  9. If a hearing is requested more than five school days following the receipt of the written notice, but not more than thirty calendar days after receipt, the Superintendent shall appoint a hearing examiner. The hearing will be held according to the requirements of section 79-269. The student shall be entitled to a hearing but the consequence imposed may continue in effect pending final determination.

10. If a request for hearing is not received within thirty calendar days following the mailing or delivery of the written notice, the student shall not be entitled to a hearing.

In the event a hearing is requested, the hearing, hearing procedures, the student's rights and any appeals or judicial review permitted by law shall be governed by the applicable provisions of the Nebraska Student Discipline Act (NEB. REV. STAT. § 79-254 to 79-294).

6. The report is required or requested by law enforcement or the county attorney.

### Grade Placement and Academic Credits of Transfer Students

The district will use the criteria outlined below to determine both the grade-level placement and the academic credit awarded to transfer students. The administration is the final decision-maker and decisions made pursuant to this policy may not be appealed to the board of education.

#### Transfer from an Accredited School District.

A student transferring from an accredited school generally will be placed at the grade level that is comparable to the placement in the school from which the student is transferring. Temporary placement may be made until a student's records are received to verify the placement.

The student's building principal may place a student into a grade level that is different from the accredited school from which the student is transferring after considering the following information:

- Student's chronological age
- Previous school experience
- Academic transcript received from the accredited school of origin
- Testing data from the accredited school of origin, including but not limited to, standardized achievement test data, criterion-referenced test data, classroom testing data, and diagnostic test data
- Testing data from any tests or assessments conducted by the school district

All credits awarded to a student by an accredited institution will be counted towards applicable graduation requirements for the transferring student.

#### Transfer From a Non-Accredited School.

A student or a parent/guardian of a student who is transferring into the district from a non-accredited school must provide the district with copies of all materials that have been used to provide instruction to the student that the family would like the district to consider in determining the appropriate grade level at which to place the student and credits to be awarded to the student.

The district will only award credit toward graduation from courses while the student was in a non-accredited school if the student can demonstrate mastery of the concepts required for completion of that course. Mastery will be assessed by standard and nonstandardized testing, at the discretion of the administration.

### **Multiple Enrollments and Re-enrollments In the Same Semester**

Students from non-accredited schools who disenroll and then re-enroll in the district multiple times during the same semester will be permitted to resume the grade placement that the student was in at the time of the prior enrollment. However, students who fail to attend the total number of days per semester required of enrolled students will not be eligible to receive credit for the partial semester of enrollment.

The district will not retroactively award credit for time spent in exempt or non-accredited status.

**Student Use of AI Tools**

As used in this policy, artificial intelligence tools ("AI Tools") mean machine-based resources that use computer science, algorithms, large language models, and/or machine learning to perform tasks, answer questions, collect information, and respond to human-directed tasks, queries, and objectives. AI Tools include, but are not necessarily limited to, commercially-available resources like ChatGPT, Gemini, Claude, and similar programs.

AI Tools may be useful to student learning. However, students and staff must ensure that student use of AI Tools should focus on using such tools as a resource and for background material, rather than using the AI Tools to complete the assignment. Therefore, AI Tools may only be used by students in accordance with the following requirements:

1. Students may not use AI tools on any assignment, test, or project unless the staff member has given express permission for the student to do so. Staff Member permission to use an AI tool on one assignment does not carry over to other assignments. Individual staff members will decide for each individual assignment the extent to which students may use AI Tools.
2. If a student uses any AI Tools in connection with a school assignment, the student must:
  - a. Give proper attribution to the specific AI Tool(s) used to the same extent that students are expected to give proper attribution to other sources of information such as books, texts, encyclopedias, secondary sources, and other traditional media. Such attribution may include, but is not necessarily limited to, accurate quotations, citations, footnotes, endnotes, and/or bibliography entries.
  - b. Never copy and paste the output from the AI Tool into the student's work as if the student wrote such section himself or herself.
3. Students may never use AI Tools to:
  - a. Cheat on any assignment, test, or quiz;
  - b. Help answer questions on a test or quiz without staff member permission;

AI Tools include, but are not necessarily limited to, commercially-available resources like ChatGPT, Gemini, Claude and similar programs.

AI Tools may be useful to student learning. However, students and staff must ensure that student use of AI Tools should focus on using such tools as a resource and for background material, rather than using the AI Tools to complete the assignment. Therefore, AI Tools may only be used by students in accordance with the following requirements:

1. Students may not use AI tools on any assignment, test, or project unless the staff member has given express permission for the student to do so. Staff Member permission to use an AI tool on one assignment does not carry over to other assignments. Individual staff members will decide for each individual assignment the extent to which students may use AI Tools.
2. If a student uses any AI Tools in connection with a school assignment, the student must:
  - a. Give proper attribution to the specific AI Tool(s) used to the same extent that students are expected to give proper attribution to other sources of information such as books, texts, encyclopedias, secondary sources, and other traditional media. Such attribution may include, but is not necessarily limited to, accurate quotations, citations, footnotes, endnotes, and/or bibliography entries.
  - b. Never copy and paste the output from the AI Tool into the student's work as if the student wrote such section himself or herself.
3. Students may never use AI Tools to:
  - a. Cheat on any assignment, test, or quiz;
  - b. Help answer questions on a test or quiz without staff member permission;
  - c. Make or share deepfakes or fake images, audio, or video of any real person;

- d. Make or share sexual, nude, or intimate images of any real person—even if the image is fake or AI-made;
  - e. Bully, harass, threaten, intimidate or impersonate any person;
  - f. Place another student or staff member name, photo, voice, or personal information into an AI Tool without staff member authorization;
  - g. Use AI Tools to bypass accommodations, content filters, or school security.
4. A student may use AI Tools as an accommodation if his/her IEP team or Section 504 committee has approved use of the tool. The student must disclose the use of AI Tools to the staff member grading the assignment.
  5. A student's failure to meet the requirements stated in this policy will constitute a violation of the district's prohibitions against cheating plagiarism and/or academic dishonesty, including but not necessarily limited to such prohibitions stated in the Student Handbook, which violation will subject the student to discipline up to and including expulsion.
  6. The student requirements stated above are the minimum requirements for any student assignment. An individual teacher may impose more stringent requirements for any specific academic assignment or coursework.
