

Mineral Point Schools

Elementary School Planning Committee Meeting

Tuesday, January 9, 2018
6:30 PM
Dubuque Elementary Schools

AGENDA

- I. Call to Order
Time: 6:30 pm
- II. Table Mound Elementary School Tour
6:30 pm
100 Tower Drive, Dubuque, IA 52003
Table Mound school added a new, full size gymnasium and a classroom wing. The old gym was then primarily used for cafeteria and lower elementary activities. New geothermal HVAC systems were added. The new classrooms were designed to represent the one room school houses that were all combined that originally formed the school back in the 1950s. The students did the research on the old schools as a project and named each classroom after a school. The design reflects the old one room school ideas. The students worked with the new design team on the initial design concept ideas. A new separate bus lane was added to serve each classroom wing.
- III. Irving Elementary School Tour
7:15 pm
2520 Pennsylvania Ave., Dubuque, IA 52001
Irving School had two additions. Their gym was large already so a multipurpose room was added, along with a serving kitchen, media center, and other spaces. A small classroom addition was also done to provide a couple regular rooms and several special needs and itinerant spaces. They were two story additions. Parking was expanded and separate bus lanes have also been added for site safety.
- IV. Adjourn
