Harrison County School District Policy Review

Attached please find for your review Section C revised policies as recommended by MSBA after the 2021 legislative sessions. The Harrison County School District subscribes to the Mississippi School Board Association Policy Service and as such the policies are reviewed by that Board, Mississippi Department of Education, and their legal counsel. Then it is up to each school district that subscribes to this service to review how the policy recommendations coincide with their practice and revise accordingly with final approval by our School Board and legal counsel.

We have separated the attachment by sections for your convenience.
