Accident Medical Expense Benefit

If an Insured Person suffers an Injury that, within 90 days of the date of the Covered Accident that caused the Injury, requires him or her to be treated by a Physician, We will pay the Usual and Customary Charges incurred for Covered Medical Services that are Medically Necessary and received due to that Injury, up to the Maximum Amount per Insured Person for all Injuries caused by the same Covered Accident. Benefits are subject to the terms of the Scope of Coverage section. Benefits are then payable for charges incurred within the Maximum Benefit Period shown.

Excess Benefits with Integrated Deductible

This provision applies only after the Insured Person satisfies any Deductible and when an Insured Person has Usual and Customary Charges under this Rider and health care coverage under one or more other Benefit Plans. When there is a basis for a claim under this Rider and another Benefit Plan, this Rider is an excess plan which has its benefits determined in excess of the benefits of the other Benefit Plan as described below, unless both:

- 1) the other Benefit Plan has coordination or excess benefits rules that require its benefits to be determined in excess of the benefits of this Rider; and
- 2) this Rider has covered the Insured longer than the other Benefit Plan has.

When this Rider is an excess plan, the benefits of this Rider for Usual and Customary Charges will be reduced when the sum of:

- 1) the benefits that would be payable for Usual and Customary Charges under this Rider in the absence of this provision; and
- 2) the benefits that would be payable for those same expenses under the other Benefit Plans in the absence of provisions with a purpose like that of a coordination or excess benefits provision, whether or not claim is made;

exceeds the amount of Usual and Customary Charges. In that case, this Rider's benefits will be reduced so that they and the other Benefit Plans' benefits do not total more than the amount of Usual and Customary Charges.

Covered Medical Services:

- 1) **Hospital:** the following services provided when the Insured Person is Confined in a Hospital:
 - a) the daily room rate for a semi-private room when an Insured Person is Confined in a Hospital and general nursing care is provided and charged for by the Hospital. In computing the number of days payable under this benefit, the date of admission will be counted but not the date of discharge.

STUDENT ACCIDENT INSURANCE

Comprehensive Group Plan

Policy GA-2200Ed.11-16

This group plan provides insurance benefits for medical expense arising from a school related accidental bodily injury. This insurance plan is designed to protect school boards, administrators, faculty and staff from claims which may be made by parents should their child be injured while under school supervision.

Administrators look upon this insurance plan as a public relations tool. Parents may benefit when their other health insurance plan includes a deductible or copay, the out-of-pocket portion of the medical bill may be paid by this insurance plan. If there is no other health insurance at home, this insurance plan becomes primary. The Medical Benefits and Exclusions apply to the Coverage Options below.

COVERAGE OPTIONS

1. GROUP SCHOOL-TIME COVERAGE (ALL PUPIL) - Maximum Benefit \$25,000 per Injury

Protects the student while:

- a) Attending regular school sessions.
- b) Participating in or attending school-sponsored and supervised extra-curricular activities.
- c) Traveling directly to and from school for regular school sessions, and while traveling to and from school-sponsored and supervised extra-curricular activities in school-provided transportation.
- d) Coverage does not include participation in interscholastic high school sports - see Group Athletic Coverage below.

2. GROUP INTERSCHOLASTIC SPORTS COVERAGE (ATHLETIC) - Maximum Benefit \$25,000 per Injury

Protects the athlete while:

- a) Practicing for or competing in interscholastic sports, which are scheduled by the school, and while the student is under the direct supervision of a school employee.
- b) Traveling to and from such practices or competition in school-provided transportation.

DEDUCTIBLE AND NO DEDUCTIBLE PLANS ARE AVAILABLE

NO-DEDUCTIBLE PLAN

This insurance plan has no deductible for each injury, and will consider benefits for covered expenses not paid by any other valid coverage.

DEDUCTIBLE PLAN

This insurance plan has a deductible for each injury, and will consider benefits for covered expenses in excess of the deductible. In determining the deductible, benefits provided by any other valid coverage will be considered first.

OTHER PROVISIONS

1. Group coverage becomes effective the first day of authorized interscholastic sports practice (Athletic), or the first day of the regular school session (All Pupil), and expires 07-31-2023.
2. Group insurance rates specific to the School District are submitted as part of the cover letter.
3. This brochure is an illustration of coverage available.

The policy contains a provision limiting coverage to the usual and customary charges. This limitation may result in additional out-of-pocket expenses for the insured.

EXCLUSIONS

This policy is considered term accident insurance and is non-renewable. This product may not be available in all states and is subject to individual state regulations. Complete Control's performance of any contract is expressly conditioned on Buyer's agreement to these terms and conditions of sale, and in the absence of such agreement shall be for Buyer's convenience only, shall not create any contractual obligation, and shall not be construed as acceptance by Complete Control of any of Buyer's terms and conditions printed or stated in its orders. Buyer's signed acceptance of a proposal or submission of a signed purchase order for any products or services of Complete Control shall be deemed acceptance of these standard terms and conditions in their entirety and without alteration or supplementation. Engineering, drafting and other mobilization costs incurred prior to installation shall be included in Complete Control's initial invoice and be equal to twenty-five percent (25%) of the contract price. Invoices are due upon receipt by Buyer. If Buyer becomes overdue on any progress payment, Complete Control shall be entitled to suspend or work or terminate the agreement, and shall be entitled to interest at the annual rate of 18% or the maximum otherwise permitted by the State of Wisconsin, whichever is larger, in addition to any and all other remedies available under this agreement.

If requested, Buyer shall furnish Complete Control with all information, including financial statements, necessary to make a proper credit appraisal. Refusal to do so shall be grounds for termination of this agreement.

As required by the Wisconsin construction lien law, Complete Control also hereby notifies Buyer that persons or companies furnishing labor or materials for the construction on Buyer's land may have lien rights on Buyer's land and buildings if not paid. Those entitled to lien rights, in addition to Complete Control, are those who contract directly with the Buyer or those who give the Buyer notice within 60 days after they first furnish labor and materials for the construction. Accordingly, Buyer probably will receive notices from those who furnish labor and materials for the construction, and should give a copy of each notice received to the mortgage lender, if any. Complete Control agrees to cooperate with the Buyer and the Buyer's lender, if any, to see that all lien claimants are duly paid.

3. **Software License.** In the event software is included within the Products provided, Complete Control grants to Buyer a nonexclusive and nontransferable license to use the Software, but only to the extent allowed under and subject to the licensing terms of the original software manufacture.
4. **Warranty.** (a) **Product Warranty.** For a period of 12 months from the date of installation of the Products, Complete Control warrants that the Products will be free from defects in material and workmanship. Complete Control retains the right to seek reimbursement under any warranty issued of the original manufacturer of any Product subject to a warranty claim. In addition, alteration or removal of any serial number, identification mark or patent marking voids Complete Control's warranty.

COMPLETE CONTROL NEITHER ASSUMES (NOR HAS AUTHORIZED ANY PERSON TO ASSUME FOR IT) ANY OTHER WARRANTY IN CONNECTION WITH THE PRODUCTS. CUSTOMER'S SOLE REMEDIES FOR BREACH OF SUCH WARRANTIES ARE SET FORTH IN THIS WARRANTY, AND SUCH REMEDIES ARE SUBJECT TO THE TERMS AND LIMITATIONS OF SECTION 5, BELOW.

5. Damages and Liability.

COMPLETE CONTROL'S TOTAL LIABILITY IN DAMAGES OR OTHERWISE FOR ANY CLAIM ARISING FROM OR IN CONNECTION WITH THE PRODUCTS OR ANY SERVICES PROVIDED BY COMPLETE CONTROL IN CONNECTION THEREWITH SHALL NOT EXCEED THE PAYMENT, IF ANY, RECEIVED BY COMPLETE CONTROL FOR SUCH PRODUCTS OR SERVICES. IN NO EVENT SHALL COMPLETE CONTROL BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE, OR SPECIAL DAMAGES, INCLUDING BUT NOT LIMITED TO ANY LOSS OF USE, LOST REVENUES, LOST PROFITS, DAMAGE TO ASSOCIATED PRODUCTS OR FACILITIES, COSTS OF REPLACEMENT POWER, COSTS ASSOCIATED WITH DOWNTIME, AND ANY SIMILAR OR DISSIMILAR DAMAGES, EXPENSES, OR LOSSES, AND REGARDLESS OF HOWEVER CAUSED, WHETHER BASED ON CONTRACT, TORT, OR ANY OTHER LEGAL THEORY.

It is expressly recognized and agreed by the parties that the predominant purpose of this agreement is the provision of goods. Liability to third parties for bodily injury or death resulting from Complete Control's performance or Products shall not be affected by the limitations set forth above in this Section 5 and shall be determined in accordance with Section 6, below, in proportion to Complete Control's relative fault under applicable law.

6. **Indemnity.** With respect to bodily injury to or death of third parties, Buyer shall be responsible for all liability for damages arising from or in any way related to the use or operation of any Products by Buyer, its employees, agents, and other non-Complete Control personnel. Notwithstanding the foregoing and notwithstanding any fault or neglect attributable to Complete Control, Complete Control shall have no responsibility whatsoever for, and Buyer shall indemnify, defend, and hold Complete Control harmless from, any and all damages or injury that arises from or relates to any use, operation, or service of any Products contrary to written warning or instructions given by Complete Control with respect to such Products, including but not

limited to unauthorized use and/or modification of any Products or components thereof.

7. **Cancellation Before Full Performance.** If the Buyer cancels this contract before complete performance, the Buyer shall pay to Complete Control, as liquidated damages, in lieu of any and all other remedies, (a) 25% of the full contract price for engineering, drafting and mobilization costs, and if Complete Control has commenced post-mobilization work, that percentage of the full contract price as is equal to the percentage of such work then completed and in place at the time of cancellation, and (b) the costs which the Complete Control shall have incurred at the time of such cancellation by reason of its having ordered materials and supplies required to effect its performance under this agreement, provided that no payment for such costs shall be required until such time as such materials and supplies in question shall have been delivered to the jobsite or to such alternative site as the Buyer may reasonably direct.
8. **Changes.** Without nullifying this agreement, the Buyer may make reasonable changes adding to the scope of the work performed or Products provided under this agreement (an "extra"). Buyer's authorization for an extra may be oral or in writing. Absent a contemporaneous agreement on the price of such extra at the time of authorization, through such authorization, Buyer commits to compensate Complete Control for the reasonable cost of such extra, plus a reasonable markup for Complete Control's general conditions and overhead. Complete Control's proposals are based on straight-time labor, and any request by Buyer for overtime work shall also constitute an extra.
9. **Limitation of Claims.** No claims, regardless of form, arising out of or in connection with the Products or services provided by Complete Control may be brought against Complete Control more than one year after the earlier of the date on which the cause of action accrued or the date on which Complete Control's performance with respect to such Products or services was completed or terminated.
10. **Dispute Resolution and Fee Shifting.** Buyer agrees that in the event of a dispute between the Buyer and Complete Control in any way arising from this agreement or either parties' performance there under, that at Complete Control's option and request the parties shall submit said dispute to binding arbitration in Madison, Wisconsin. The arbitrator shall have at least 10 years of experience mediating and arbitrating construction disputes and shall be selected by mutual agreement of the Buyer and Complete Control. If the parties can not come to a mutual agreement on an arbitrator the arbitrator shall be appointed by application to a circuit court judge for Dane County. The binding arbitration shall be conducted in accordance with the Wisconsin Rules for Arbitration of Construction Disputes. In the event Complete Control prevails, in whole or in part, in the arbitration with the Buyer, the Buyer shall be required by the arbitration award to reimburse Complete Control for all of Complete Control's costs and expenses, including attorneys fees, incurred by Complete Control in connection with any and all disputes between Complete Control and Buyer in any way arising from this subcontract or the parties' performance there under.
11. **Governing Law, Compliance with Laws.** These terms and conditions shall be governed by and construed in accordance with the laws of the State of Wisconsin.
12. **Miscellaneous.** (a) **Performance.** Complete Control shall not be liable for any loss, damage, delay or other default in delivery or performance that is due to unforeseen circumstances, or to causes beyond its control, including without limitation, strike, lockout, riot, war, civil unrest, fire, flood, and other similar and dissimilar natural causes, act of God, acts of third parties, sabotage, vandalism, embargoes, labor disputes, unforeseen delays in obtaining any permits or licenses, or other delays caused by government action or inaction or contractors or subcontractors (other than those contractors or subcontractors under the control of Complete Control), acts of civil or military authorities, and any other cause or condition beyond Complete Control's reasonable control. Provided any such delay or default is neither material nor indefinite, the time for Complete Control's performance shall be extended for a commercially reasonable period of time and thereafter Buyer shall accept performance hereunder. In the event of delay occasioned in whole or in part by factors under the control of the Buyer, Complete Control shall be entitled both to an extension of time to perform as well as compensation as an extra.

(b) **Default.** Buyer's failure to either make any payment when due or comply with any other material term or condition of these terms and conditions shall constitute default. If Buyer has not cured the default within 30 days after Complete Control gives written notice of such default, Complete Control may, in addition to any other rights and remedies provided herein or under law, terminate the agreement between itself and Buyer and terminate its obligations to perform thereunder by giving Buyer written notice to take effect upon receipt. In such event, and in addition to any other damages provided herein or allowed under applicable law, Complete Control shall recover all costs, expenses, and attorney fees incurred in connection with such default and termination.

(c) **Changes.** Prior to delivery, Complete Control may change the construction, design or configuration of the Products without notice to Buyer as long as the general function of the Products is not thereby altered. If, prior to delivery, the general function of the Products will be altered by a change in construction, design, or configuration then Complete Control shall notify Buyer, and Buyer shall then have the option to terminate the agreement between itself and Complete Control for such Products and recover any and all monies paid to Complete Control thereunder.

(d) **Assignment.** Neither party may assign any of its rights or delegate any of its duties hereunder without the prior written consent of the other party, such consent not to be unreasonably withheld. Notwithstanding the foregoing, Complete Control may, without the prior approval of Buyer, assign its rights and obligations hereunder to a surviving corporation in the event of a merger or consolidation between Complete Control and the surviving corporation or to an entity that acquires substantially all the assets of Complete Control relating to the subject matter hereof; provided that the surviving corporation or an entity that acquires substantially all the assets of Complete Control shall assume all the duties, liabilities and obligations of Complete Control hereunder.

(e) **Waiver.** The failure of Buyer or Complete Control at any time to require the performance of any obligation will not affect the right to require such performance at any time thereafter. The waiver of any remedy with respect to any default will not be taken as a waiver of any remedy for any succeeding default. Unless otherwise provided herein, no limitation or restriction on the remedies available to either party is intended by these terms and conditions.

(f) **Invalidity and Interpretation.** The invalidity or unenforceability of any provision hereof, whether in whole or in part, for any reason, will not affect the remaining provisions, and all terms and conditions will be construed in all respects as if any such invalid or unenforceable provision(s) were omitted. Course of dealing, course of performance, course of conduct, prior dealings, usage of trade, community standards, industry standards, and customary practice or interpretation in matters involving the sale, delivery, installation, use, or service of the Products and services provided hereunder or similar or dissimilar Products, goods, or services shall not serve as references in interpreting the terms and conditions hereof.

(g) **Entire Agreement.** These terms and conditions together with the applicable proposal(s) for Products and any related documents expressly agreed to in writing by the parties contain the complete and exclusive statement of the terms of agreement of the parties with respect to the subject matter hereof and supersede all prior understandings, representations, and warranties, written or oral.

(h) **Survival.** The provisions of, and respective obligations of the parties under, Sections 2, and 5 through 12, inclusive, shall survive any termination this agreement with respect to the Products or services of Complete Control.

(i) **Conflicts.** In the event of any ambiguity or conflict between or among these terms and conditions, Complete Control's proposal(s) for the Product(s), and any other agreement or writing signed by Complete Control, the express terms of the proposal, and if there are no such terms with respect to the subject matter in question, these Standard Terms and Conditions shall govern and control. In no event, however, shall any additional, differing, conflicting, supplemental or other terms and conditions stated in any purchase order, acknowledgment, contract or other document issued by Buyer have any effect or bind Complete Control unless such terms are specifically accepted in writing by the President of Complete Control.

Provided any such delay or default is neither material nor indefinite, the time for Complete Control's performance shall be extended for a commercially reasonable period of time and thereafter Buyer shall accept performance hereunder. In the event of delay occasioned in whole or in part by factors under the control of the Buyer, Complete Control shall be entitled both to an extension of time to perform as well as compensation as an extra.

(b) Default. Buyer's failure to either make any payment when due or comply with any other material term or condition of these terms and conditions shall constitute default.
