B. Well Water Usage

Mr. Tharman shared information on a fine that was placed on the school district for going above the allowed well water usage last year. The amount of the overage was over 180,000 gallons. The KSDA equated that to four days at \$1,000/ day equaling a total of a \$4,000 fine.

Mr. Tharman contacted the state and region representatives and after discussing it, found out the amount of the fine was reduced to \$1,000 due to no prior infractions. Mr. Tharman also pursued the question of how to keep this from happening in the future. An application was then filed to extend the coverage area to include what we actually are watering, not what they had on their maps. This requires a \$200 application fee and will take approximately 2 - 3 months. In the meantime, maintenance personnel will keep track of the water use over the next several months to ensure we do not go over again.

C. Mapes & Miller FY22 Audit

F. Long Island Lawn Care

Mr. Tharman shared information on lawn care in Almena and Long Island for the past seven years. It was determined to advertise for someone to do complete lawn care (spraying, mowing, weed eating, etc) for the Long Island school.

G. KASB June Policy Updates

Mr. Tharman shared the information on the proposed KASB policy updates. All of the proposed changes are to bring the district into compliance with state regulations except JGFGA. This regulation provides guidance to districts regarding the administration of emergency opioid antagonists, such as Naloxone or Narcan. Secondly, JBCC will be discussed at a later date when a separate hearing is scheduled. This policy was created to outline the requirements for the enrollment of nonresident students, including required actions such as determining capacity, accepting applications, and admitting nonresident students. I recommend the board approve all of the June KASB policy updates, with the exception of JBCC, at this time. This motion, made by Rich Wenzl and seconded by Laquita Smith, Carried.

Amber shared information on the new time card system from AptaFund. This will ease the office work load immensely and allow classified personnel to clock in and clock out from an app on their phone. Teachers include the school's officer in their curricula; the officer is a guest at school functions and is often called upon to help a student in trouble or manage problems caused by outsiders. School and police officials believe the effects have been positive, as children begin to see that officers are human and can be their friends.”

- Hays Police Department: 2017-2021 (Master Patrol Officer)
- Norton County Sheriff's Office: 2021-Present (Handler since August 2022)

Education Background

- Kansas Law Enforcement Training Center: Class 247, November 2017.
- Numerous certifications in narcotic type investigations.
- Associates of Arts in General Studies from Colby Community College.
- 7 Courses from completing Bachelor of Science in Criminal Justice Administration from University of Phoenix.
- Plan to pursue Master of Science in Administration of Justice and Security from University of Phoenix.

Introduction: K-9 Jaida

- Born in November of 2022.
- Purchased from Code 2 K-9 Services, Omaha, NE.
- Certified in detection and tracking.
- Trained to Detect:
 - Methamphetamine
 - Cocaine
 - Heroin

K-9 Case Law

- United States v. Race (1976)- K-9 indication of drugs sufficient to establish probable cause. (Ability to Search on Indication)
- United States v. Ludwig (2011)- Certification of a police canine is sufficient to establish reliability for a canine to sniff for drugs.

Plan of Action-NVHS

- Monthly randomized narcotic detection deployments.
 - Day and time will be established between Deputy and Superintendent.
 - Area of deployments will be random. (Lockers, parking lot, etc.)
- Quarterly full school grounds deployment.
 - Deployment area will be the entire school property.
 - Multiple K-9 Handlers on scene.

Plan of Action-NVHS

- If dog indicates, administrator and law enforcement will search the area of indication.
- If indication is made and no narcotics or paraphernalia are located, student will be searched by administration.
- If indication is made on locker and no items are recovered, vehicle will also be deployed on and subsequently searched if indication is made.
- If indication is made and no items are recovered, name will be collected for potential subsequent follow-on investigations.

Plan of Action-NVHS

- If items are seized, a secondary law enforcement officer (not handler) will take custody of the items.
- Course of action are at the discretion of the school administrators and the Norton County Attorney's Office.
- Recommendations:
 - Send parents a notice after K-9 Deployment.
 - Allow parents opportunity to be present if an indication is made on their child's vehicle or locker.

K-9 Deployment Notes

- A detection K-9 is not 100%.
- Dogs can indicate and potentially have a false indication.
- The goal is to completely deter narcotics possession, use, and sales on school property.

Closing

- “Schools primarily would employ canines for preventive and deterrent purposes. Detection of weapons, drugs, and other contraband would assist a school with ensuring a safe environment and preventing delinquency on school grounds. Frequent drug detection exercises with a canine could help minimize sales and use on school property. If these dogs regularly search for drugs, student apprehension for possession likely would increase. These recurrent searches by canines would serve as deterrents.”

WELCOME TO NORTHERN VALLEY

Dear Students:

Welcome back for a new school year. The Northern Valley staff, administration, and board of education are committed to providing a positive and safe learning environment for all students. Our goal is for students to be successful in school and life after school. You and your parents are an important part of this educational team. In order for you to be successful you need to come to school ready to learn, go to class on time, work hard to get good grades, and follow the guidelines in this handbook.

The contents of this Student Handbook include important guidelines that help us operate effectively. For K-12th grade students, please take the time to review the handbook section of your planner so that all of us have a common understanding of what is expected and operate within those guidelines. This planner also serves as an organizational tool and you are encouraged to use the calendar pages to note assignments, projects and tests you should be prepared for. Because it also serves as a hall pass, it would be beneficial that you carry it with you throughout the day.

Northern Valley Schools will provide you with many opportunities to learn and enjoy your educational experience and we encourage you to get involved academically and socially. Your involvement in various groups or teams will help you to understand how to work with others and will enable you to build positive relationships. Research shows that involvement with activities outside of the classroom helps students with their interest in school and eventual graduation.

We expect students to strive for excellence in their studies and to make positive contributions to our school and our community. Don't take classes just because they are easy, take them because they could be beneficial to your future. As an educational team, we are here to provide the best education possible. You need to remember that you are an equally important part of this team and it is important that you take the responsibility to ask questions and seek extra help when you don't understand.

The cornerstone of any successful school community is the concept of mutual respect for others in the community. We have over 100 teachers, staff, and students sharing an environment at the same time. Therefore, your actions must be consistent with the rules and must not infringe on the rights, safety, and respect for others.

Our hope is that you will always strive to be the best student and person you can be. The Northern Valley Educational Team is looking forward to many successes this coming year. If there is anything that we can help you with as you pursue your educational goals, please let us know. We wish you the best this year and let's show that HUSKY PRIDE!

GO HUSKIES!

PHILOSOPHY OF EDUCATION

The Board of Education of Northern Valley Schools, U.S.D. #212, believes that each individual child should be provided with an educational program that is best suited to meet the needs and interests of that individual, and provide opportunity for learning experiences designed to promote behavioral change and maturation that will effect continuing satisfactory adjustment to life.

In practical application of this philosophy, opportunities shall be provided each student to develop individually and to mature to his/her natural limits in terms of his/her own abilities and interest; to develop his or her ability to vote intelligently, hold office, contribute to his economic well-being, keep informed of the changing world and environment around him/her, use his/her leisure time wisely and constructively, and understanding for the necessity of due process.

HANDBOOK PURPOSE

A handbook exists for those who need to have guidelines and rules written down and for those times when we all need to have a reference to look up information about the school.

The content of the handbook has been determined by what students and faculty need. This handbook has been approved by the USD 212 Board of Education and is an extension of district policy.

PLANNER USE

9th-12th planners will be used when students are missing part of or all of two or more class periods a day for school activities. When a student is going to be gone to a school event or activity and will miss part of or all of two or more class periods, the student is required to get the planner signed by the teacher from each class they will be missing. Students will then present their planner to the sponsor or coach prior to leaving (procedure for checking planners will be determined by the coach or sponsor). This is to insure students are not missing assignments as a result of school related activities. Failure to do any of these steps will result in the student being unable to attend the event or activity. Teachers should only sign planners when students have completed the work they will be missing or have made arrangements with the student to make up missed work.

PASSES OR PERMITS

6th-12th Students must have a signed pass when they are in the halls during class time. It is preferred that students use the hall passes in their planners. Permits and special passes for yearbook and teacher assistants may be made by the teachers or sponsors. **A student leaving the building or school grounds must have permission from the office.**

INCLUSION STATEMENT

Areas of concern not specifically addressed in this book are not to be assumed as permitted. In other words, it may not be written down here, but that doesn't imply it is allowed.

FRIABLE ASBESTOS CONTAINING MATERIAL

All Friable Asbestos-containing materials have been removed from Northern Valley Schools. Any remaining Asbestos is in a non-friable state.

In accordance with EPA Rules and Regulations, all non-friable material will be repaired as it deteriorates or it is physically damaged. If anyone would like more information regarding the specific location of this material, or a copy of the EPA regulations relevant to this matter, you may contact the office of the Superintendent of Schools at 512 W. Bryant, Alma, Kansas.

STUDENT GRIEVANCE PROCEDURES

The Board of Education has adopted the following resolution relating to Grievance Procedures, which includes the American with Disabilities Act:

- A. The Local Education Agency recognizes the right of students to express their grievances, and to seek a solution concerning disagreements arising from differences of interpretation of policy, which might arise between the LEA and its students.

USD 212: SEXUAL HARASSMENT POLICY

GENERAL POLICY: USD #212 is committed to providing a positive learning and working environment for its students and employees and will not tolerate sexual harassment or sexual violence. Sexual harassment is illegal and will not be tolerated in the school district. It is a violation of Title VII of the Civil Rights Act of 1964, and Title IX of the Education Amendments of 1972, and may constitute sexual abuse under Kansas's statutes. This policy applies to males and females, and includes same sex harassment. This policy is applicable to students while on school premises and while participating in off-campus school sponsored activities. Sexual harassment of employees or students of the district by board members, administrators, certified and support personnel, students, vendors, and any others having business or other contact with the school district is strictly prohibited. It shall be a violation of this policy for an employee to sexually harass a student, for a student to sexually harass another student, or for an employee to discourage a student from filing a complaint or to fail to investigate or refer for investigation, any complaint lodged under the provisions of this policy.

DEFINITION: Sexual harassment is unwelcome sexual advances, requests for sexual favors, or other inappropriate oral, written, or physical conduct of a sexual nature when: (1) submission to such conduct is made, explicitly or implicitly, a term or condition of an individual's education; (2) submission to or rejection of such conduct by an individual is used as a basis for academic decisions affecting that individual; or (3) such conduct has the purpose or effect of interfering with an individual's academic or professional performance or creating an intimidating, hostile or offensive academic environment.

Sexual harassment is demeaning and degrading. It affects an individual's self-esteem, and can have a negative impact on performance at work or in class. It can make an individual feel angry, powerless, and fearful. Sexual harassment may include, but is not limited to: verbal or written harassment or abuse, including teasing, jokes, posters, pictures or cartoons; pressure for sexual activity; repeated brushing against another's body; suggesting or demanding sexual involvement accompanied by implied activities, sexual assault or battery as defined by current law. The fact that someone did not intend to sexually harass an individual is generally not considered a defense to a complaint of sexual harassment. In most cases, it is the effect and characteristics of the behavior that determine if the behavior constitutes sexual harassment. When acts of sexual harassment or other violations of this policy are substantiated, appropriate action will be taken against the individual. Disciplinary actions, which could be taken, include, but are not limited to: reprimand, probation, suspension, loss of eligibility to participate in extra-curricular activities, or other sanctions as determined appropriate. Individuals who harass may be held personally liable under civil suits.

REPORTING INCIDENTS: Anyone may seek advice, information, or counseling on matters related to sexual harassment without having to lodge a formal complaint. Most complaints can be resolved through informal procedures. Informal procedures are aimed at stopping the behavior rather than determining guilt. Informal complaints do not have to be in writing and are generally not investigated in depth. The intent of the informal reporting procedure is to provide a simple procedure for a person to lodge a complaint and have it quickly looked into and has the offending behavior stopped. Informal resolution of sexual harassment is strictly voluntary on the part of the complainant.

Any student may elect to file a formal complaint under the district's discrimination complaint procedure. Official disciplinary action cannot be taken without a formal hearing. Formal complaints must be put in writing and normally addressed to the building principal or compliance coordinator. Every individual has the right to bypass the normal reporting chain to report sexual harassment directly to the District School Board Office or the Office of Civil Rights.

The confidentiality of the reporting party will be observed to the utmost provided it does not interfere with the ability to investigate the alleged harassment or to take corrective action.

Retaliation against anyone reporting or thought to have reported sexual harassment behavior is prohibited. The filing of a complaint or otherwise reporting sexual harassment will not reflect upon the individual's status nor will it affect grades, future employment or assignments. Such retaliation shall be considered a serious violation of the policy and shall be independent of whether a charge or informal complaint of sexual harassment is substantiated.

Encouraging others to retaliate also violates this policy. Examples of retaliation are: ridicule, threats, name-calling, withholding of normal disseminated information, an adverse effect on eligibility status, grades, or further harassment.

All complaints of sexual harassment are taken seriously. The bringing of false charges will be treated as a serious offense. The following steps should be followed when lodging an informal complaint:

1. Any student who believes he or she has been subjected to sexual harassment should report the problem to the principal, guidance counselor, or another certified staff member. Any student may report the harassment directly to the superintendent or a school board member.

2. The person seeking information will be counseled as to the options for action available under this policy and will be provided a copy of this policy. They will be informed about resources available, such as videos or books, which provide information regarding sexual harassment. They will be informed that they will have the opportunity to participate in decisions regarding the method of resolving the matter.
3. Informal resolution will be attempted. Resolution may be as simple as conducting refresher training, having a discussion with the alleged offender, or sending a memo to all students indicating concern about sexual harassment in the district. The alleged offender will not be contacted without permission of the complainant.
4. If the problem is resolved informally, a written summary will be made and kept in a confidential file. The compliance coordinator will follow up within one month to determine whether the victim has been subjected to any further sexual harassment or retaliation.
5. If the problem cannot be resolved informally, or is not resolved within five workdays, the complainant will be advised of formal complaint procedures. The filing of a written complaint is required for a matter to be formally investigated. Formal sexual harassment complaints will be in accordance with the district's discrimination complaint procedure.

Any questions regarding the USD #212 Sexual Harassment Policies should be addressed to the Superintendent, 512 W. Bryant, Alma, KS 67622 (phone 785-669-2445).

ATTENDANCE

Regular attendance is a responsibility that is shared by parents, students, and school. It is the student’s workplace, and preparation for entry into the world of work begins with the habits and skills developed within the home, school, and community. Attendance is a very important part of developing an individual’s work ethic and determining success in life.

When a student is absent from class it is impossible to recreate the situation that existed during his or her absence. Make-up work cannot take the place of having been in the classroom when the discussion was being held. Therefore, it is essential that each student

be in the classroom every day possible. The maximum number of days a student can miss per semester without obtaining a doctor's excuse is ten (10). Absences beyond ten (10) days (and / or one class ten times at high school) without a doctor's excuse will be counted as unexcused for the day or missed classes (see policy on unexcused absences).

Occasionally a student's absences become excessive to the detriment of the student's success and the proper operation of the classroom. At these times a conference will be set up with the building principal, student and parent/guardian. Students who have excessive absences (over ten, per semester, not including school activities) in any class may face additional consequences by the classroom teacher and administration.

Regular attendance is expected of all students. K.S.A. 72-3120 clearly states that parents and guardians have a legal duty to keep their child in regular attendance.

PHILOSOPHY:

Pupil absence from the regular classroom learning experience disrupts the continuity of the student's instructional progress. The benefits of regular classroom instruction include class discussion, teacher presentations, and student participation. The intent of the following policy is not to punish any student, but to hold the student accountable for his/her own absences while maintaining a standard of education and providing a means whereby the conscientious student can regain some of the classroom experience missed. (Attendance Cont.)

POLICY:

Northern Valley Schools has established the following policies to promote the concept of regular attendance.

Regular attendance is expected of all students. Parents/guardians are responsible for excusing the absence on the day of the absence or the day the student returns. A telephone call before 9:00 AM of the day the student returns is preferred but a note when the student returns will be accepted. If parents/guardians have not contacted the school by 9:00 AM on the day the student returns, the absence will be "UNEXCUSED" and the student may receive disciplinary action.

Excused and Unexcused Absences

1. "Excused Absence" means an absence which is excused by the student's parents (or legal guardian) and by the principal. Thus, "excused" means "absent with parental permission" or "absent with a doctor's excuse beyond ten (10) days in one semester" and with principal's approval. Students have the right to make-up work.
2. The following types of absences will be considered excused:
 - a. *Illness-Frequent absences due to illness may require statement from a doctor verifying the illness.*
 - b. *Doctor or dental appointments-The school office shall be notified prior to the time of the appointment.*
 - c. *Family funerals*
 - d. *School sponsored activities*
 - e. *All other reasons are unexcused.*
3. "Unexcused Absence" means an absence which occurred without the permission and knowledge of the parents (or legal guardian) or missing more than ten (10) days in a semester without a doctor's excuse or without the permission of the principal. Unexcused absences are subject to disciplinary penalties. The principal reserves the right with good cause to declare any absence unexcused.
4. If a student becomes ill or needs to leave school grounds for personal or other reasons, a phone call must be made in the office to a parent or guardian and permission given to a school official BEFORE the student leaves. If a student leaves the building without first obtaining parent/guardian permission, and permission from a school official, the absence will be unexcused.
5. If a student needs to be dismissed from school early for an appointment, etc., the parent/guardian MUST call or send a note to the school prior to the student leaving.
6. At NO time does a student leave the building without permission from the office personnel and signing out in the office. If a student leaves the building without obtaining permission and signing out in the office, the absence will be considered unexcused.
7. If a student is tardy, he/she must obtain an admit slip from the office before being permitted to enter class.
8. When a student is absent for more than 4 hours it is considered a full day. When a student is absent for less than 4 hours, but more than an hour it will be considered a ½ day absent. Absences less than an hour will be considered Leave Early
 - a. No More than one leave early per nine weeks, when calculating Perfect Attendance

MAKING UP MISSED WORK:

The student is responsible for getting all missed assignments from their teachers. If a student has an excused absence on the due date of an assignment, the student must turn in the assignment on the day she/he returns to class, provided that the assignment was made prior to the absence. A student who misses class because of a school sponsored activity may be required by the instructor to complete

assignments in advance of the activity. Students should understand that it may be impossible to earn a daily participation grade if not present in a class.

Two class periods are given to complete daily work missed due to each day of excused absence. For example, you are absent on Monday, you meet in class on Tuesday; the missed assignment is due on Thursday. If you are absent on Tuesday, you meet in class on Wednesday; the missed assignment is due on Friday. For extended illness, the student will be limited to five (5) school days following their return to make-up work missed. Exceptions to this rule can be made through special arrangements with the teacher or administration. No make-up credit will be allowed for un-excused absences.

Students in in-school suspension will be given one day to turn-in missed assignments for credit. Out-of-School suspensions students ARE required to make-up work but can only receive a maximum of 50% credit for this work and it must be returned the day after they return.

TRUANCY:

The Board of Education does not condone truancy for any reason and encourages all students to attend school on a regular and systematic basis. All children between the ages of 7 and 18 years of age are required by law to attend school "continuously" as provided by KSA 72-3120, the principal is required to report truancies to the Department of Children and Families, and to the County District Attorney within one day of being truant.

HB2109 permits law enforcement officers to temporarily detain and take into custody any child not attending school without a valid excuse during hours when school is in session. The child must be delivered to school where the child is enrolled, to any location designated by the school to address truancy issues, or to the parent or other custodian. A designated school employee must notify the child's parent of the occurrence, either orally or in writing. A child is considered truant if he or she is required by law to attend school and such child is inexcusably absent either three consecutive days, five or more days in any semester, or seven or more days in any school year.

TARDIES:

Students arriving late to school must immediately report to the office, sign in, and receive an admit slip to class. If a student is detained in class, the holding teacher is obligated to give each student held a written pass for tardiness to the next class.

DEFINITION OF A TARDY:

1. Tardy-Students arriving to class within five (5) minutes after the bell. Students who arrive later than five (5) minutes into the class period and without a pass, or admit slip will be considered absent from class and may receive disciplinary action. Students who are dismissed during class and miss more than half of the class period will be considered absent.
2. Each teacher will develop his/her own class policy to deal with a student's first two tardies for the semester. Any student receiving his/her third tardy within a class during the semester shall be referred to the office for administrative disciplinary action. Tardies are not accumulative from one semester to the next semester.
3. Three (3) unexcused tardies equals one absence.

STUDENT PARTICIPATION AND ATTENDANCE AT SCHOOL ACTIVITIES

When a student is absent from school, the student shall not participate or attend a school activity that day except in emergency situations. If a co-curricular activity falls under the jurisdiction of KSHSAA the student must be in attendance ~~for at least the last three hours of the school day to be by 9:00 am to be~~ eligible to participate in the activity that day or evening, unless other arrangements have been made by parents with the coach or sponsor involved.

Participants who are absent the day before a game scheduled for a non-school day shall not be eligible to participate in that activity unless the absence was due to illness or other extenuating circumstances. In such cases, approval to play must come from the Athletic Director or Superintendent. It is the responsibility of the student sponsor, or coach to secure the approval (a note or a call from the parent(s) / guardian(s)).

Attendance at Games

A parent should accompany all children under the age of 12 to all athletic contests. Any student seen in an unauthorized area or running around the building unattended will be required to sit with their parents throughout the remainder of the contest. **If a parent is not present, the child will be sent home.**

COMPUTER USE

Students shall have no expectation of privacy when using district e-mail or computer systems. E-mail messages shall be used only for approved educational purposes. Students must use appropriate language in all messages. Students are expected to use the system following guidelines approved by teacher or the administration. Any e-mail or computer application or information in district computers or computer systems is subject to monitoring by the staff and/or administration. The school retains the right to duplicate

any information created by students in a computer system or on any individual computer. Students who violate these rules or any other classroom rules relating to computer use are subject to disciplinary action up to and including suspension from school.

GRADES

One of the most important records you will have during your school years and later life will be your cumulative folders. It is permanent and will be the basis for college or for business positions. Make your record the best that you can. Ask your teacher for help. Your record starts the first time you enter the doors of Northern Valley Schools.

Report cards will be issued / mailed to parents every nine weeks following the close of the nine weeks period. Progress Reports will be sent home when students are performing below ability or failing work.

The Grading System used by Northern Valley School is based on the following percentile bands for Grades 1st-12th:

100-90% = A	69-60% = D
89-80% = B	59% and below = F
79-70% = C	

Northern Valley Junior and Senior High School will utilize a 4-point grade system. A = 4 points, B = 3 points, C = 2 points, D = 1 point and F or I = 0 points, for Failing or Incomplete.

Grades for each class will be recorded each nine weeks. A semester grade for each class will also be recorded at the end of each semester. Letter grades will be recorded on the official transcript. Letter grades and percentages will be duly recorded on all grade reports distributed to students, parents and/or guardians. All assignments are to be turned in the day they are due, grading of late assignments will be determined by individual classroom teachers.

Seniors that have met the graduation requirements set forth by the State Board of Education and the USD 212 Board of Education And have a cumulative GPA of 3.75 or higher, will be allowed the honor of wearing a gold cord at graduation.

HONOR ROLL

Honor roll will be announced every nine weeks following the distribution of report cards. For 6th-8th student's, grades are averaged for Math, Language Arts, Computers, Science and Social Studies. For 9th-12th student's, grades are averaged on all classes except band, vocal, Drivers Ed., and Physical Education, except for freshman physical education and health, which are required. The honor roll grade point average is for the nine weeks, and is not the cumulative average.

Honor Rolls	
Highest	4.00
Honors I	3.50 – 3.99
Honors II	3.00 – 3.49

SELECTION OF VALEDICTORIAN AND SALUTATORIAN

A Valedictorian and Salutatorian will be selected from the Senior Class each year. A grade scale of A=4 points, B= 3 points, C=2 points, D=1 point, and F= 0 points will be used for these averages. Grades for Chorus, Band, and Physical Education will not be used for these averages, except for Freshmen Physical Education and Wellness, which is required. All other grades for the four years of high school will be averaged. The student with the highest cumulative grade point average will be declared the Valedictorian. If the averages of any two students being considered for Valedictorian or Salutatorian should result in a difference of less than .01 of a point, then co-awards shall be made for Valedictorian or Salutatorian.

CREDIT OF GRADE PLACEMENT FROM NON-ACCREDITED SCHOOLS

Students entering the Northern Valley Schools system from non-accredited schools will be required to establish, through objective means, their grade placement in the elementary levels (K-8). Students in the elementary level will be placed in accordance with skill, competence, physical size, age, and social maturity. Competence shall be determined in conformity with established objectives as set forth in the Unified School District #212 curriculum guides for the various grade levels. Students shall be placed at a level consistent with mastery of established objectives.

High school credit will be granted only on the basis of objective testing for each unit or per-unit course. Objective testing may consist of standardized test(s) and/or teacher-made test(s), which will be administered by USD #212. Such objective testing will be consistent with established objectives as set forth in Unified School District #212 curriculum guides. No credit will be given for any course, which is normally a laboratory course involving practical application of the skills or data learned in the course unless there is clear documentation that the student having satisfactorily participated in such laboratory experiences consistent with and equivalent to the Unified School District #212 course requirements. The teacher (s), in consultation with the school administration, will evaluate the student's performance on any objective testing, which is administered, and determine if the level of achievement is consistent with

expected achievement level of students having taken such courses. Placement may also take into consideration age, physical size, and social maturity of the student.

As a practical application, the student must attain a passing grade, determined by the subject area teacher(s), before credit will be considered. The level of expectations shall be made known to the student prior to the test. The teacher (s) and administrator may determine that there are extenuating circumstances which justify an alternative achievement level, such as demonstrated accomplishments related to course objectives which justify an alternative achievement level, such as demonstrated accomplishments related to course objectives which might be allocated a differential weight for determining competence.

For the purpose of this policy, laboratory courses shall include, but not be limited to, the following:

- | | |
|--|--------------------------|
| 1. Vocational Agriculture | 8. Journalism & Yearbook |
| 2. Family & Consumer Science | 9. Computer Sciences |
| 3. General Shop (All Levels) | 10. Physical Education |

| 5. Lab Science (Biology, Physics, Chemistry, etc.) | 12. Driver Education |
| 6. Band | |
| 7. Business Education (Keyboarding, Office Practice, Accounting, etc.) | |

In order to be eligible for consideration of any waiver of graduation requirement, a student must:

1. Have received their most recent ten (10) credits from an accredited high school
2. Have attended Northern Valley High School for two years prior to the date of graduation.

Initial grade placement or credit may be on a probationary basis subject to final evaluation for determination of final grade placement or credit. Such probation shall not exceed nine (9) weeks.

Nothing in this policy is intended to pre-judge the education of the student as acquired in any non-accredited school, but only to assure adherence to standards of Unified School District #212.

CHANGE IN ENROLLMENT

Commented [KT1]: These will be reviewed at the July board meeting So if a change is needed, please let me know. Becky and I will figure the minimum cost for breakfast, lunch, and milk.

Parents are to pay in advance for lunches and/or breakfast. A monthly bill will be sent home indicating the responsibility of the payment due. If payment is not made for two consecutive months, a letter will be sent to the parent / guardian reminding them of their obligation and the possible consequences of being turned over to a collection agency. If payment of the negative balance is not received within 15 days of the third written notice, it shall be considered bad debt for the purposes of federal law concerning unpaid meal charges. The debt will be turned over to the superintendent or superintendent's designee for collection in accordance with board policy DP.

Payments for school meals may be made at the school or district office. Students, parents, and guardians of students are encouraged to prepay meal costs. Extra milk must also be purchased for 20-day periods.

The district will provide a copy of this unpaid meal charges policy to all households at or before the start of school year and to families and students that transfer into the district at the time of transfer. The terms of this policy will also be communicated to all district staff responsible for enforcing any aspect of the policy.

School lunch tickets will not be used. No cash will be accepted in the lunchroom. One carton of milk is paid for in the cost of the lunch. If extra milk is purchased for mealtime, the cost is \$0.32 per carton and does not qualify for the free / reduced program. K-4th grade may purchase extra milk if they wish in the afternoon.

Free and reduced lunch applications are available in the principal's office. **Applications should be completed and returned to the principal's office or the district office upon enrollment.**

~~K-4th grade may purchase extra milk if they wish in the afternoon. Extra milk is \$0.32 per carton, but does not qualify for the free reduced program.~~

OFFER VERSUS SERVE PROGRAM

U.S.D. #212 participates in the offer versus serve program. Offer versus serve is a federal regulation designed to reduce food waste in the lunch program by allowing students to choose only those foods that they intend to eat. This program is mandatory at the senior high level and is optional, by district choice, at all other levels.

In order to meet federal requirements, students must take full portions of three of the five menu components. The menu components are (1) meat or meat alternate, (2) vegetable, (3) fruit, (4) bread or bread alternate, and (5) milk.

We encourage students to take all the meal components. However, since food can only be nutritious if it is eaten, your child needs to know that components may be refused if they are not going to be eaten. Remember that all students must take at least three different meal components.

Lunches must be priced as a unit. This means paying students will pay the full lunch price and students eligible for reduced price will pay the current reduced price charge whether they take the minimum number of food items or all five food items offered.

If a child has an allergy to certain foods, a doctor's order must be submitted at the beginning of each school year.

~~School lunch tickets will not be used. No cash will be accepted in the lunchroom. One carton of milk is paid for in the cost of the lunch. If extra milk is purchased for mealtime the cost is \$.32 per carton. Extra milk must also be purchased for 20-day periods.~~

~~Free and reduced lunch applications are available in the principal's office. Applications should be completed and returned to the principal's office or the district office upon enrollment.~~

Commented [KT2]: These two paragraphs are repeats from top of page.

CLOSED NOON HOUR

Northern Valley USD 212 school lunch policy is a closed noon hour, which means no one may leave school to eat lunch. Everyone eating a lunch, either school lunch or sack lunch is required to eat in the lunchroom.

If the office is notified by parent/guardian by 9:00AM (for lunch count purposes), an eligible senior (not on the ineligibility list) may leave the school campus by signing out in the office. Food or drinks obtained during lunch must stay outside the school building and are to be disposed of properly prior to entering the building. Students are required to be present at their next regularly schedule class period. Tardy/Absent policies will apply for any violations. Abuse of this privilege may result in revocation of said privilege.

LOST AND DAMAGED BOOKS

Students will be expected to return books checked out in their care at the end of the school term. Abusive care given to school owned books would result in students being assessed repair or replacement costs for the book. Normal wear and tear is not considered abusive care. Assessment for lost or damage books is the responsibility of the building principal.

CERTIFICATE OF IMMUNIZATION

Any pupil entering school for the first time in the state, prior to admission, shall be required to present to the appropriate school authorities certification from a licensed physician that such pupil has received or is in the process of receiving immunization against poliomyelitis, diphtheria, measles, rubella, mumps, pertussis, and tetanus, by such means of immunizations are approved by the Secretary of Health and Environment, or in the way of an alternative to such requirements shall present:

- A. Certification from a licensed physician stating the physical condition of the child to be such that the test and immunization would seriously endanger the life or health of such child, or
- B. A written statement signed by one parent or guardian that the child is an adherent of a religious denomination whose religious teachings are opposed to such test and immunization, or
- C. A written statement signed by one parent or guardian requesting that the local health department give the test and immunization because the parents or guardians lack the means to pay for such test and immunization.
- D. In accordance with the statute, the Secretary of Health and Environment has designated the following diseases for which immunizations are required of all new school enterer's: measles, mumps, rubella, polio, diphtheria, pertussis, and tetanus. Tuberculin skin testing is no longer required for school entry.
- E. The revised state requirement requires that parents of children who are not completely immunized upon school entrance shall sign a statement that the entire series of immunizations shall be completed within ninety (90) days of school entrance. Should you have any questions in this regard, please contact the building principal.

VISUAL COMPETENCY

Each year students will be tested at school to determine visual competency. This test is an indicator and may tell whether the child needs glasses. A report is sent home to the parents. The report may recommend that the child have a complete eye examination if the test given at school indicates a deficiency.

ACCIDENTS AND SICKNESS

Parents will be contacted, or in case of emergency, the child will be taken to the clinic or doctor designated by the parent, in case of accidents or sickness.

COMMUNICABLE DISEASES – STUDENTS

Any student noted by a physician or the school nurse as having a communicable disease may be required to give maximum health protection to other students. The student will be readmitted to regular classes upon termination of the illness, as authorized by the student's physician or as authorized by a health assessment team.

The board reserves the right to require a written statement from the student's physician indicating that the student is free from all symptoms of the disease.

In the event that a student is absent from regular classes for more than three consecutive days or the principal has been notified that a student has a communicable disease, the principal shall determine whether a release shall be obtained from the student's physician before the student reenters school.

Decisions regarding the type of education and the setting for provision of educational services for a student with a severe communicable disease of long duration shall be based on the behavior, neurological development, and physical condition of the student and the expected type of interaction with others in that setting. These decisions are best made using the team approach including the student's physician, public health personnel, the student's parent or guardian, legal counsel, and personnel associated with the proposed care of educational setting.

In each case involving a student with a severe communicable disease, the board shall reserve the right to make a final decision regarding the placement of the student after taking into account the recommendation of the health assessment team, the risks and benefits to both the infected student and to the others in the proposed educational setting.

District personnel, without the student's parent' or guardian' permission or in order to comply with state or federal statutes, shall release no information regarding students with communicable diseases.

Communicable disease as defined in this policy shall refer to any infectious or contagious disease as determined by the State Department of Health and Environment or the United States Center for Disease Control.

SUPERVISION OF MEDICATIONS

The supervision of medications shall be in strict compliance with the rules and regulations of the board as carried out by district personnel. Diagnosis and treatment of illness and the prescribing of drug and medicines are not the responsibility of the public schools and are not to be practiced by any school personnel, including school nurses, unless authorized.

In certain circumstances, when medication is necessary in order that the student remain in school, the school may cooperate with the parents in the supervision of medication that the student will use. However, the medical person authorized to prescribe medication, or the parent if it is a non-prescription medication, must send a written order to the building administrator who may supervise the administration of the medication or treatment. The parent(s) must submit a written request to the building administrator requesting the school's cooperation in such supervision and releasing the school district and personnel from liability.

School personnel shall not be required to be custodians of any medication except as required by a written order of a licensed medical person or in the case of nonprescription medication when requested in writing by the parent(s).

The medication shall be examined by the school employee administering the medication to determine that it appears to be in the original container, properly handled, and to be properly authorized by the written order of a licensed medical person. Two containers, one for home and one for the school should be requested from the pharmacist. Only oral medications should be administered, except in emergency situations.

Any changes in types of drugs or dosage and/or time of administration should be accompanied by new physician and parent permission signatures with a newly labeled pharmacy container.

All medication maintained in the school setting should be kept in a locked container. This includes medications requiring refrigeration.

Medications should be inventoried every semester. Out of date stock should be returned to parent or destroyed.

Medication such as cough drops, liquid tears, antibiotic cream, or anti-itch cream may be administered as needed by the school nurse or delegated personnel. Acetaminophen and ibuprofen will be kept in the office locked medication cabinet and will only be administered when written or phone permission is obtained from a parent or guardian. Documentation of time, date and amount will be done on the treatment log.

The building administrator may choose to discontinue the administration of medication provided that the parent(s) or medical person are notified in advance of the date of the reasons for discontinuance.

After medication is administered, students should be observed for possible reactions to the medication. This observation may occur at the site of administration or in the classroom as a part of the normal routine.

This policy shall be shared with all local physicians and dentists where practicable. Forms should also be made available to the health care providers in the community.

An individual record should be kept of each medication administered. The record should include student identification, date prescribed, name of medication, time and date(s) administered, signature of person administering, and section for comments.

In the administration of medication, the school employee shall not be deemed to have assumed any legal responsibility other than acting as a duly authorized employee of the school district.

Student Self-Administration of Medications

Waiver of Liability

The student's parent or guardian shall sign a statement acknowledging that the school district and its officers, employees and agents incur no liability for damage, injury or death resulting directly or indirectly from the self-administration of medication and agreeing to release, indemnify and hold the schools and its officers, employees, and agents harmless from and against any claims relating to the self-administration of medication allowed by this policy.

ANIMALS AND PLANTS IN THE SCHOOL

Any person bringing animals and toxic plants into the school must receive prior permission from the supervising teacher and the building principal. All animals must have an up-to-date (less than 1 year old) health certificate before any animal is permitted on school grounds.

WEAPONS

Possession, use, or transfer of any illegal weapon by students inside the school building, on school property, or at school sponsored activities, inside the district or out of town, is expressly prohibited. This policy shall include any weapon, any item used as a weapon or destructive device, or any facsimile of a weapon. This policy is in effect before school, during the regular school day, after school or at any school sponsored activity.

Illegal weapons would include firearms, replica firearms, starter guns, air propulsion rifles or pistols, BB guns or any other type of destructive device or apparatus that could be used to propel projectiles that could cause injury to others. This policy would also include switchblade knives, gravity operated knives, knives with blades in excess of 1.5 inches, knives containing pocket or belt clips, martial arts weapons including "butterfly knives", clubs or other bludgeoning instruments, metal or brass knuckles, stun guns, bombs, explosives, grenades, rockets, missiles, or other destructive devices including incendiary devices or poisonous gases. Violation of this policy will result in immediate and appropriate disciplinary action and referral to the appropriate legal authorities.

Possession of a firearm or other illegal weapon shall result in expulsion from school for a period of one year except that the superintendent may recommend that this expulsion requirement be modified on a case-by-case basis (Probation). Students violating this policy shall be suspended and/or expelled and referred to the appropriate law enforcement agency (agencies).

As used in this policy, the term "firearm" means any weapon (including a starter gun) which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or silencer, or any destructive device.

Any student who brings a weapon to school will be referred to the criminal justice or juvenile delinquency system.

BULLETINS FROM SCHOOL

From time to time during the year, it becomes necessary for the teacher or administrator to send bulletins to the parents explaining some phase of the school program. These bulletins are important and an effort will be made to keep them at a minimum. Parents are urged to read all notes sent home so misunderstandings of the school program may be kept to a minimum. It is hoped that this handbook will suffice for many announcements that might otherwise have required a special bulletin.

FIRE DRILLS

When the fire alarm sounds, the building should be evacuated immediately. Do not take books or any other supplies with you on a fire drill. Each class should form one single line. NO running, talking, or crowding in line. Students should quietly return to class upon signal.

TORNADO DRILLS

The intermittent ringing of the classroom bells will signal tornado drills. You are to form a single line and proceed quickly and quietly to the basement hallway. It is important that you be quiet, so that you may hear any instructions that may be given.

You may return quietly to the classroom only when the Superintendent, the Principal has released the entire student body, or in their absence, a designated teacher.

FIRE AND TORNADO EVACUATION FOR HANDICAPPED STUDENTS

The primary person responsible for helping handicapped students evacuate the building is the teacher that has the student in class. The secondary person responsible to help the student is the janitor of the building involved.

PARTIES

It shall be the policy of the school that parties, dances and other social events shall be held on school premises and using school facilities. All school parties are for students of the school only. Board Policy states that there is no more than one dance per month during the school year.

The school will allow party invitations to be handed out at school only if the following conditions are met. If the party is for either a boy or a girl, then all girls or all boys of the class shall be invited. If both boys and girls are being invited, then all members of the class shall be invited. Student birthday parties will be allowed with the classroom teacher approval. K-4th grade students will not be allowed to exchange gifts at school.

High School students in our school may bring outside dates to some school dances if their sponsor obtains permission from the Board of Education. High School students will need to sign up their intended date and get approval from the office. The office will notify you of the dances at which outside dates may be brought.

HAZING/BULLYING

The board is committed to providing a positive and productive learning and working environment. Hazing, harassment, intimidation, menacing or bullying by students, staff, or third parties is strictly prohibited and shall not be tolerated in the district. Students whose behavior is found to be in violation of this policy will be subject to discipline, up to and including expulsion. Staff whose behavior is found to be in violation of this policy will be subject to discipline, up to and including dismissal. Third parties whose behavior is found to be in violation of this policy shall be subject to appropriate sanctions as determined and imposed by the superintendent or board. Individual may also be referred to law enforcement officials.

Bullying is defined as any non-instigated, unprovoked, and intentional gesture; written, verbal, or electronic communication; physical act; or threat that a reasonable person would find severe or pervasive that it creates an intimidating, threatening, or abusive educational environment for a student or staff member.

ELIGIBILITY**

The board encourages the development of co-curricular activities compatible with these policies.

Any student who does not wish to participate in any required, school-sponsored activity must file a written statement with the superintendent requesting that the student not be required to participate in the activity. The written statement must be signed by one of the student's parents and explain the reason(s) why the student should be exempt from participating in the activity.

6-12 students who wish to participate in any school sponsored activity (on or off campus) other than attending regularly scheduled classes during the normal school day and participating in practices, must have passed at least five units of credit the preceding semester. Students failing two (2) or more subjects in one week or failing one (1) class two or more weeks in a row will be considered ineligible. Eligibility is determined utilizing the student's eligibility for the first week in the second semester. Thereafter, the cumulative class grades earned each week in the second semester will apply. Each instructor will list by name and subject any student who is receiving a failing grade and have his/her list to the building administrator and building secretary by Monday morning. The "Failing List" will be compiled and emailed to all staff members.

The Kansas State High School Activities Association and the local school determine athletic eligibility. All students interested in the interscholastic athletic program should acquaint themselves with the many regulations and determine eligibility. The athletic coaches can answer your questions and there is a copy of the K.S.H.S.A.A. rules containing all the printed regulations in the office.

A student, as an individual involved in an activity offered at our school, is recognized as an OFFICIAL REPRESENTATIVE of the school and its community. Your conduct and sportsmanship on and off the school premises should display the highest possible standards. BE PROUD TO BE A HUSKY AND MAKE OTHERS PROUD!

LEAGUE

Northern Valley High School and Junior High is a member of the Western Kansas Liberty League. League championships are awarded in football, basketball, volleyball, and track. The league sponsors speech contests, vocal and instrumental festivals and concerts, and academic competitions.

ACADEMIC LETTERS

9th-12th Students may letter academically by making a 3.3 GPA or above for the last semester of previous year and the first semester periods of each school year and having no grade below a B (no C, D, or F grades). Classes which will not be included in the GPA for Academic lettering are; Band, Vocal, PE (Except for Freshmen PE/Wellness), and Teacher Aide. Freshmen letters will be used on the first semester of the school year.

PHYSICAL FORMS

Before a student athlete is permitted to report for practice in a sport, he/she must have a physical examination or health review documented by a completed form furnished by the school. Either form requires the student to gain the permission of his or her parents or guardian. THE FORM REQUIRES THE SIGNATURES OF BOTH THE PARENT AND THE ATHLETE.

TRAVELING TO AND FROM ACTIVITIES

In order to promote team building and camaraderie the squad and/or team members are expected to ride to and from games in the bus, or whatever means of transportation is provided by the district. However, a squad member must secure the approval of the administrator by filling out a transportation waiver before any contest to ride home with an adult other than the student's parent/guardian. PARENT /GUARDIAN PHONE CALL AUTHORIZATIONS WILL NOT BE ACCEPTED. Transportation waiver must be signed by the parent/guardian and contact information must be provided to verify signatures.

AGE RULE

Any student, who reaches the age of nineteen (19) on or before September 1, shall be ineligible for participation in any interscholastic activity. Any student, who reaches the age of nineteen (19) after September 1, shall be eligible for the balance of the school year.

ALCOHOL TESTING AT SCHOOL ACTIVITIES

Students or student guests attending a school sponsored activity that are deemed (by reasonable suspicion) to be under the influence of alcohol are subject to alcohol testing. Anyone refusing to be tested or testing positive will have their parents and the authorities notified. Students will be transported by parents or authorities from school premises. Student guest who test positive or refuse to be tested will be permanently banned from future school activities. Students who test positive or refuse to be tested will be subject to the school discipline and athletic policies.

INSURANCE

The school does have accident insurance; however, all expenses incurred must first be submitted to the parent/guardian's insurance company for payment. Expenses not covered by the parent/guardian's insurance can then be referred to the insurance carrier of the school district (Student Assurance Services, Inc.). Expenses not covered by either will become the final responsibility of the parent/guardian. Accidents or injury must be reported in a timely manner. The school insurance will not cover expenses for injuries, which occur as a result of horseplay or fighting.

INDIVIDUAL ENTRY FEES

Any activity that requires an INDIVIDUAL entry fee must be attended by the student who committed to attend the event. Students failing to attend once the entry fee has been paid will be required to reimburse the school for the loss of the entry fee and may be prevented from competing in additional competitions until this is paid. Exceptions to this rule may be made on an individual basis for limited reasons.

ACTIVITY FUND

The activity fund is the financial headquarters for all the extracurricular funds. All high school organizations that have funds in their treasuries are required to deposit their money in this fund. The school secretary is the bonded treasurer and the custodian of these accounts that are subject to audit annually. **Purchases are to be made only with a purchase order issued by the office.** The purchase order is presented to the supplier and is thus authorized to charge the items listed to the organization. Bills are then brought into the office, but should be recorded as expenditures by the treasurer of the class or organization. Class treasurers should check their books with the office secretary each month.

REMOVED SPECTATOR POLICY

Sportsmanship, while important for the participants of a sporting activity, is also of the highest importance for the spectator as well. Accordingly, there should be no room for a spectator to repeatedly get removed from athletic contests by the officials or administration. The center of attention during an athletic event should be on the game and its participants, not a spectator that insists on making a scene because they disagree with an official's call or a coach's decision.

Accordingly, effective starting the 2019 – 20 school year, the following consequences will be issued for spectators (adult or student; including employees of Northern Valley USD 212) that are removed from athletic contests:

First Offense- The removed spectator will be banned from attending ANY athletic contests in which Northern Valley HS or JH is a participant, for a period of **14** days (beginning with the date of removal). Should the season end before the 14 day period ends, the consequence will be carried over into the next sports season (i.e. Fall to Winter), *with the count resuming on the day of the first scheduled athletic contest of that season.*

Second Offense- The removed spectator will be banned from attending ANY athletic contests in which Northern Valley HS or JH is a participant, for a period of **45** days (beginning with the date of removal). Should the season end before the 45 day period ends, the consequence will be carried over into the next sports season (i.e. Fall to Winter), *with the count resuming on the day of the first scheduled athletic contest of that season.*

Third and Subsequent Offenses- The removed spectator will be banned from attending ANY athletic contest in which Northern Valley HS or JH is a participant for a period of **one calendar year** (beginning with the date of removal).

Exceptions will **not** be made for special events (i.e. Senior Night).

Attempts to enter a contest from which the spectator is banned will be viewed as trespassing, and law enforcement will be called should the banned spectator refuse to leave the premises. The banned spectator will also be immediately subjected to the next punishment in the sequence (i.e. should a spectator that is banned for 14 days attempt to enter an athletic contest during that 14-day period, that spectator will now be banned for 45 days, starting from the date of the second infraction).

Lines of Effective Communication

I am proposing mowing the yard at the Long Island Middle School for \$12.00 an hour for a one-time charge. Jay Lentz has agreed to do the trimming and edging for \$10.00 an hour. After the job is completed, we would discuss contracting with the Northern Valley school board for continuing the lawn care using the time involved for a guideline. The work would include using the school's mower and gas, etc provided by the school.

If there is an offer for complete grounds care from someone that would include other services such as but not limited to spraying, watering and snow removal the contract can be voided.

SUBSTITUTE PAY AT NORTHERN VALLEY

Northern Valley Board of Education:

For some time now, I have felt the substitution pay at Northern Valley was very low compared to other schools around. I contacted various schools, where I also substitute, to get their latest information. This is what I found:

- **Northern Valley**

- Length of Day...8 to 8 1/2 hours (Elementary subs need to be here by 7:30)
- Daily Rate of \$90
- After 5 days it increases to \$100
- Increments of
 - 1/2 (2 - 4 hours)
 - 3/4 (4 to 6 hours)
 - All day (6+ hours)
- No difference in pay for licensed or emergency substitute

1/2 hr.
Leave due to
leave increments

- **Logan**

- Length of Day...7 hours and 45 minutes
- Daily Rate of \$110
- After 5 days it increases to \$125
- Increments of
 - 1/2 day (0 - 4 hours)
 - Whole day (4+ hours)
- No difference in pay for licensed or emergency substitute

\$110 - 120

- **Norton**

- Length of Day...7 1/2 hours
- Licensed Substitute
 - Daily Rate of \$115
 - Half Day Rate of \$62
- Emergency Substitute
 - Daily Rate of \$110
 - Half Day Rate of \$57
- Long Term
 - After 4 weeks, (20 days), the Daily Rate goes to approximately \$140.
- Increments of
 - 1/2 day (0 - 4 hours)
 - All day (4+ hours)

No difference
in qualifications?
Leave - 1/2 day increments

- Phillipsburg

- Length of Day...7 hours 20 minutes
- Licensed Substitute
 - Daily Rate of \$120
 - Half Day of \$60
- Emergency Substitute
 - Daily Rate of \$110
 - Half Day Rate of \$55
- Long Term
 - Every 5 days the rate increases \$10
 - Max of increase is \$30 a day
- Increments of
 - ½ day (0 - 4 hours)
 - All day (4+ hours)

*Lower in
1/4, 1/2, 3/4, 1
encourage 1/2 or full*

I hope by seeing this data, the BOE will see the need to adjust Northern Valley's Substitute Pay. I would also like to see the ¾ day gone from our schedule and have any amount of time under 4 hours count as a half day. Please note that all the schools I called, said the substitute amount was usually adjusted every year, so these amounts will probably go up next year.

Thank You!!!

Sincerely,

Verlaine Schooler
