***If, during the course of the meeting, discussion of any item on the agenda should be held in a closed meeting, the Board will convene in such closed meeting in accordance with the Open Meetings Act, Government Code, Chapter 551, Subchapters D and E. Before any closed meeting is convened, the presiding officer will publicly identify the section or sections of the Act authorizing the closed meeting. All final votes, actions or decisions will be taken in open meeting.***

Any person with a disability or special accommodation need should call 972-617-2941 no later than 10:00 a.m. on the scheduled meeting date.

This notice was posted in compliance with the Open Meetings Act on March 24, 2026, at 4:00 p.m.

---

Brenda Sanford, Superintendent  
(For the Board of Trustees)

## AUDIENCE PARTICIPATION SIGN-UP SHEET

Any person wishing to address the Board about a topic related to District business during the period reserved for public comment at a Board meeting must sign up to be heard, in accordance with District policy BED(LOCAL):

1. Each participant will be limited to two (2) minutes to make comments to the Board.
2. Under the Texas Open Meetings Act, the Board is not permitted to discuss or act upon any issues that are not posted on the agenda for tonight's meeting.
3. The Board has adopted complaint policies that are designed to secure, at the lowest possible administrative level, a prompt and equitable resolution of complaints and concerns. Each of these processes provides that, if a resolution cannot be achieved administratively, the person may appeal the administrative decision to the Board as a properly posted agenda item. For further information on those policies, please contact Kevin Freels, Assistant Superintendent of District Operations, for student issues, and Michelle Ailara, Assistant Superintendent of Human Resources, for employee issues at 972-617-2941. If the subject of your comment involves a pending grievance, please continue to seek resolution through the grievance process and address the Board only at the appropriate stage of that process.
4. Under the Texas Open Meetings Act, the Board may exercise its authority to discuss certain subject matters in closed session, including matters involving individual District staff members and individual students. If your comment concerns one of these subjects, please address your concern through the complaint policies described above.
5. Finally, please be aware that rules of decorum will be enforced during the public comment period. Personal attacks, name-calling, and rude or slanderous remarks will not be tolerated. Each participant is legally responsible for the content and consequences of his or her own statements.

Please fill in the information requested below if you wish to address the Board during the public comment period:

Name (please print) \_\_\_\_\_

Address \_\_\_\_\_

ROISD Campus Your Child(ren) attends \_\_\_\_\_

School District of Residence \_\_\_\_\_ Telephone \_\_\_\_\_

Topic/ Agenda Item \_\_\_\_\_

<b>Limit on Participation</b>	Audience participation at a Board meeting is limited to the portion of the meeting designated to receive public comment in accordance with this policy. At all other times during a Board meeting, the audience shall not enter into discussion or debate on matters being considered by the Board, unless requested by the presiding officer.
<b>Public Comment</b>	<b>At regular Board meetings, the Board shall permit public comment, regardless of whether the topic is an item on the agenda posted with notice of the meeting.</b>
<b>Regular Meetings</b>	
<b>Special Meetings</b>	At all other Board meetings, public comment shall be limited to items on the agenda posted with notice of the meeting.
<b>Procedures</b>	Individuals who wish to participate during the portion of the meeting designated for public comment shall sign up with the presiding officer or designee before the meeting begins as specified in the Board's procedures on public comment and shall indicate the agenda item or topic on which they wish to address the Board.  Public comment shall occur at the beginning of the meeting.  Except as permitted by this policy and the Board's procedures on public comment, an individual's comments to the Board shall not exceed two minutes per meeting.
<b>Meeting Management</b>	When necessary for effective meeting management or to accommodate large numbers of individuals wishing to address the Board, the presiding officer may make adjustments to public comment procedures, including adjusting when public comment will occur during the meeting, reordering agenda items, deferring public comment on nonagenda items, continuing agenda items to a later meeting, providing expanded opportunity for public comment, or establishing an overall time limit for public comment and adjusting the time allotted to each speaker. However, no individual shall be given less than one minute to make comments.
<b>Board's Response</b>	Specific factual information or recitation of existing policy may be furnished in response to inquiries, but the Board shall not deliberate or decide regarding any subject that is not included on the agenda posted with notice of the meeting.
<b>Complaints and Concerns</b>	The presiding officer or designee shall determine whether an individual addressing the Board has attempted to solve a matter administratively through resolution channels established by policy. If not, the individual shall be referred to the appropriate policy to seek resolution: <ul style="list-style-type: none"><li>• Employee complaints: DGBA</li><li>• Student or parent complaints: FNG</li><li>• Public complaints: GF</li></ul>
<b>Disruption</b>	The Board shall not tolerate disruption of the meeting by members of the audience. If, after at least one warning from the presiding officer, any individual continues to disrupt the meeting by his or her words or actions, the presiding officer may request assistance from law enforcement officials to have the individual removed from the meeting.

**MINUTES OF THE  
RED OAK INDEPENDENT SCHOOL DISTRICT  
BOARD OF TRUSTEES SPECIAL MEETING  
Thursday, February 19, 2026**

**MINUTES OF THE  
RED OAK INDEPENDENT SCHOOL DISTRICT  
BOARD OF TRUSTEES SPECIAL MEETING  
Tuesday, March 17, 2026**

A Special Meeting of the Board of Trustees of Red Oak ISD was held Tuesday, March 17, 2026, beginning at 5:30 PM at the Red Oak ISD Education Service Center, 109 West Red Oak Road, Red Oak, TX 75154.

1. CALL TO ORDER / ESTABLISH QUORUM

The Special Meeting of the School Board was called to order by Melanie Petersen, President of the School Board, at 5:30 p.m.

The Red Oak ISD School Board met at the Red Oak ISD Education Service Center and the presiding officer, Melanie Petersen, noted that a quorum of Board Members was present; that the meeting was duly called; and that notice of the meeting had been posted in accordance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.00.

The following Board members were present: Melanie Petersen, President; Johnny Knight, Vice President; John Anderson; Donna Knight; and Donny Lutrick.

The following Board members were absent: Sean Kelly and Brian Sebring.

2. INVOCATION

Mr. Knight led the invocation.

3. PLEDGES OF ALLEGIANCE

Mr. Lutrick led the Pledges of Allegiance to the American and Texas flags.

4. OPEN FORUM

**No one spoke in Open Forum.**

5. ACTION ITEMS

A. Consent Agenda

1. 2026-2027 School Year Calendar
2. Certification of Unopposed Candidate for the May 2, 2026 School Board Special Election for Place 6
3. Order of Cancellation of the May 2, 2026 School Board Special Election for Place 6

**Mr. Knight made a motion to approve the Consent Agenda as presented. Mr. Lutrick seconded the motion. The motion passed 5 – 0.**

<b>BOARD MEMBER</b>	<b>Yea</b>	<b>Nay</b>	<b>Abstain</b>	<b>Absent</b>

Michelle Owen, Chief Academic Officer

**Background Information:**

Districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the Commissioner that, for each subject in the required curriculum, students have access to the instructional materials that cover all of the Texas Essential Knowledge and Skills. Districts or open-enrollment charter schools will be unable to submit any requisitions or disbursements unless the certification is annually signed and submitted to the Texas Education Agency.

**Fiscal Implications:**

None

**Administrative Recommendation:**

The Administration recommends that the Board approve the 2026-2027 Certification of Provision of Instructional Materials Survey as recommended.

# Survey Prewrite Form

## 2026–27 Certification of Provision of Instructional Materials

In accordance with [Texas Education Code \(TEC\) §31.1011](#) local school systems are required to annually certify to the State Board of Education (SBOE) and TEA commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, school systems are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the (i) the Children's Internet Protection Act (Pub. L. No. 106-554); (ii) TEC, Section [28.0022](#); (iii) Section [43.22](#), Penal Code; and (iv) any other law or regulation that protects students from obscene or harmful content. The Certification 2026–27 Survey includes a section for school systems to certify they meet this requirement.

TEA utilizes the following tools for the Certification of Provision of Instructional Materials process:

- **Certification 2026–27 Prewrite Form:** The prewrite form is a fillable and printable PDF intended to mirror the online survey and provide guidance for successful survey completion. The prewrite form should be completed offline and presented to the board of trustees or governing body for ratification and signatures.
- **Certification 2026–27 Survey:** The survey is a web-based application where school systems will submit the responses collected on the Certification 2026–27 Prewrite Form and upload the signature page.
  - The Certification 2026–27 Survey will be open for submissions beginning **Tuesday, February 17, 2026.**

The 2026–27 Certification of Provision of Instructional Materials process requires:

- The completion of the Certification 2026–27 Prewrite Form,
- Ratification by the local school system's board of trustees or governing body in an open, public-noticed meeting, and
- Submission of the Certification 2026–27 Survey and upload the last page of the ratified Certification 2026–27 Prewrite Form.

TEA recommends that local school systems complete the prewrite form and survey by **May 1, 2026**. The prewrite form and survey can be found on the [Certification of Provision of Instructional Materials](#) web page.

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2026, and is scheduled to reopen on May 15, 2026. Completion of the Certification process **is required** to regain access to allotment funds when EMAT reopens.

Certification 2026–27 Survey submissions received after May 15, 2026, are typically processed within five business days of receipt, and access to allotment funds in EMAT will follow.

## Certification of Provision of Instructional Materials Process Steps

1. **Review the Certification 2026–27 Prewrite Form:** Print the fillable Certification 2026–27 Prewrite Form on the [Certification of Provision of Instructional Materials](#) web page.
2. **Gather information:** The form may require consultation with content area leaders or other local school system staff.
3. **Complete Certification 2026–27 Prewrite Form:** Complete the prework form by hand or digitally.
4. **Schedule and obtain needed signatures:** Coordinate placement of the Certification 2026–27 Prewrite Form on the agenda of an open, publicly noticed board meeting and secure formal ratification by the local school system’s board of trustees or governing body.
5. **Submit Certification 2026–27 Survey:** Complete the online Certification 2026–27 Survey by answering the questions. Inside the survey, upload the last page of the signed and ratified Certification 2026–27 Prewrite Form from step 4.

The survey will be open for submissions beginning Tuesday, February 17, 2026, and will be located on the [Certification of Provision of Instructional Materials](#) web page.

## Additional Supports

For the Certification of Provision of Instructional Materials process, local school systems are highly encouraged to:

- View detailed Instructional Materials Review and Approval (IMRA) reports for all instructional materials reviewed through the IMRA process at [im.tea.texas.gov](http://im.tea.texas.gov).
- Refer to the IMRA List of [SBOE-Approved Instructional Materials](#) and [SBOE-Rejected Instructional Materials](#).
- Attend the TEA webinar about the Certification of Provision of Instructional Materials process for 2026–27 on **Tuesday, February 17th, at 11:00 a.m. CST**. [Registration](#) is required.
- Attend TEA office hours to get help and support with the Certification of Provision of Instructional Materials process; registration is required.
  - Monday, March 2nd, at 11:00 a.m. CST | [Register on Zoom](#)
  - Thursday, March 5th, at 11:00 a.m. CST. | [Register on Zoom](#)
- View the [Certification of Provision of Instructional Materials Resource List | 2026–27](#)
- Request a copy of the previous year’s submission (if needed) by submitting a [Help Desk Ticket](#).

For questions about the Certification of Provision 2026–27 Pework Form, survey, or process, please submit a [Help Desk ticket](#).

## Terminology

- **Scope and Sequence:** A document that provides a brief outline of the standards and a recommended teaching order for a particular course/grade-level over the course of a school year.
- **Full-subject materials** (often referred to as Tier one or core materials): instructional material designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.
- **Supplemental materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.
- **SBOE-Approved Instructional Materials:** SBOE-approved instructional materials are any materials that go through the IMRA process and receive approval by the SBOE. In Texas, SBOE-approved instructional materials are considered HQIM and qualify for the SBOE-Approved Instructional Materials Entitlement as outlined in Section 48.307.
- **State-Adopted Instructional Materials:** state-adopted instructional materials were reviewed and adopted in the preceding Proclamation process. These materials have not been reviewed in the IMRA process, are not considered HQIM (per the Texas definition), and are not eligible for additional HB 1605 funding entitlements.

## Qualtrics Survey and Pework Form Guidance

Please note that the format of the Certification 2026–27 Pework Form **will not** match the appearance of the official Certification 2026–27 Qualtrics Survey. While the **questions are identical**, this form uses **open-ended text boxes** for responses. In the survey, the questions will be presented with **drop-down menus** containing predefined answer choices.

To help support completion of the Certification 2026–27 Pework Form accurately—and to ensure responses align with the options that will appear in the survey—an [additional resource](#) is provided. The Certification of Provision of Instructional Materials Resource List provides all the instructional materials that will appear in the survey's questions with drop-down menus.

Please ensure the naming convention for the products you list on this form mirrors the naming convention on the resource list (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align with the predefined answer choices provided on the survey drop-down menus.

If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, you will be asked to manually enter the publisher and product name(s).

It is highly recommended to refer to [this resource](#) while completing this prework form.

## **Instructional Materials Procurement Reminder**

Beginning in the 2026–27 school year, local school systems may not locally adopt, use, or spend any funds to procure materials placed on the list of SBOE-Rejected Instructional Materials (TEC, §§31.024 and 31.106).

# Certification 2026–27 Survey Questions

## Background Information

**QUESTION 1.0:**

Name of person completing this form:

Rachael Little

**QUESTION 1.1:**

Your email address:

rachael.little@redoakisd.org

**QUESTION 1.2:**

Select the role that best describes your position at your district or charter: [Single Select]

- Instructional Materials Coordinator
- Curriculum Director
- Principal
- Administrative Assistant
- Superintendent
- Other

## Local School System Information

Please note: The information provided will be publicly accessible. Only school-related details should be entered in the fields below (e.g., use work-related email addresses).

**QUESTION 2.0:**

Region #

10

**QUESTION 2.1:**

School system name and number

Red Oak ISD 070911

**QUESTION 2.2:**

Name of superintendent

Brenda Sanford

**QUESTION 2.3:**

Email address of the superintendent

brenda.sanford@redoakisd.org

**QUESTION 2.4:**

Name of the school board president or officer of the governing body

Melanie Petersen

**QUESTION 2.5:**

Email address of the school board president or officer of the governing body

melanie.petersen@redoakisd.org

**QUESTION 2.6:**

Date of the local board of trustees or governing body meeting at which the certification prework form was presented and approved?

March 30, 2026

# Reading Language Arts Certification

## Scope and Sequence: All Grade Levels RLA

### QUESTION 3.0:

Are instructional materials for English RLA and phonics managed at the local school system level and generally consistent across classrooms within the same grade level?

Yes

No

## English Reading Language Arts K–5 TEKS Coverage Certification

### QUESTION 4.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **English RLA TEKS grades K–5?** (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials.) [Single Select]

Yes

No

## English Reading Language Arts K–5 Instructional Materials

### QUESTION 5.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your district will use regularly (once a week or more, on average) for **English RLA and/or Phonics grades K–5** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**English RLA and/or Phonics grades K-5** full-subject and/or supplemental publisher(s)/ product(s) used:

Savvas Learning Company, LLC; Texas myView Literacy (Print and Digital), Kindergarten - Gr. 5  
Heinemann, a division of Greenwood Publishing Group LLC; Texas Saxon Reading Foundations, Grades K-2  
CLI Engage; Texas Kindergarten Entry Assessment (TX-KEA)  
Curriculum Associates LLC; i-Ready  
Curriculum Associates; i-Ready Ready Texas Reading  
Curriculum Associates; Think Up! RLA  
Lead4Ward; Lead4Ward ELAR Grades K-5  
Implementing TEKS Resource System (ITRS); ITRS ELAR Resources  
Stenhouse Publishers; Patterns of Power  
Stenhouse Publishers; Patterns of Revision

**QUESTION 5.1:**

(If above answer includes SBOE-Approved Bluebonnet Learning instructional materials):

What is the estimated unique count of students in your local school system that are using Bluebonnet Learning Reading Language Arts, Edition 1 (grades K-5) in their classroom on a regular basis?

None

**QUESTION 5.2:**

(If above answer includes SBOE-Approved Bluebonnet Learning instructional materials):

What is the estimated unique count of students in your local school system that are using Bluebonnet Learning Foundational Skills, Edition 1 (grades K-3) in their classroom on a regular basis?

None

## Spanish Reading Language Arts K–5 TEKS Coverage Certification

### QUESTION 6.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **Spanish RLA TEKS grades K–5**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials) [Single select]

Yes

No

## Spanish Reading Language Arts K–5 Instructional Materials

### QUESTION 7.0:

Share the **full subject and/or supplemental** publisher(s)/product(s) that teachers in your district will use regularly (once a week or more, on average) for **Spanish RLA and/or Phonics grades K–5** instruction to ensure coverage of 100% of the TEKS. [Single select for each grade band]

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**Spanish RLA and/or Phonics grades K–5** full-subject and/or supplemental publisher(s)/product(s) used:

Savvas Learning Company, LLC; Texas Mivision Lectura (Print and Digital), Kindergarten - Gr. 5  
Children's Learning institute (CLI); TX-KEA  
Curriculum Associates LLC; Ready Texas Reading  
Curriculum Associates LLC; Think Up! RLA  
Curriculum Associates LLC; i-Ready  
Lead4Ward; Lead4Ward ELAR Grades K-5  
Implementing TEKS Resource System (ITRS); ITRS ELAR Resources  
Stenhouse Publishers; Patterns of Power  
Stenhouse Publishers; Patterns of Revision

### QUESTION 7.1:

(If above answer includes Aprendizaje Bluebonnet instructional materials):

What is the estimated unique count of students in your local school system that are using Aprendizaje Bluebonnet Artes del lenguaje y lectura, (grados K-5) in their classroom on a regular basis?

None

**QUESTION 7.2:**

What is the estimated unique count of students in your local school system that are using Aprendizaje Bluebonnet Destrezas fundamentales, (grados K-3) in their classroom on a regular basis?

None

## English Reading Language Arts (RLA) 6–8 TEKS Coverage Certification

**QUESTION 8.0:**

For school year 2026–27, will your local school system provide materials to cover 100% of the **English RLA TEKS grades 6–8**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials) [Single select]

Yes

No

## English Reading Language Arts (RLA) 6–8 Instructional Materials

### QUESTION 9.0:

Share the **full subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system will use regularly (once a week or more, on average) for **English RLA grades 6–8** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**English RLA grades 6–8** full-subject and/or supplemental publisher(s)/ product(s) used:

Savvas Learning LLC. (formerly Pearson Education); myPerspectives Texas English Language Arts Grade 6-8  
Edgenuity; Imagine Learning  
Curriculum Associates LLC; Ready Texas Reading  
Curriculum Associates LLC; Think Up! RLA  
Curriculum Associates LLC; i-Ready  
Lowman Education LLC; Lowman Education ELAR Resources  
Lead4Ward; Lead4Ward ELAR Grades 6-8  
Sirius Education Solutions; Reading and/or Writing Resources  
Stenhouse Publishers; Patterns of Power  
Stenhouse Publishers; Patterns of Revision  
Implementing TEKS Resource System (ITRS); ITRS ELAR Resources  
Corwin Literacy; Grammar Keepers

## English Reading Language Arts (RLA) 9–12 TEKS Coverage Certification

### QUESTION 10.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **English RLA TEKS grades 9–12?** (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials.

Yes

No

## English Reading Language Arts (RLA) 9–12 Instructional Materials

### QUESTION 11.0:

Are the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system will use regularly (once a week or more, on average) for **English RLA grades 9–12** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**English RLA grades 9–12** full-subject and/or supplemental publisher(s)/product(s) used:

Houghton Mifflin Harcourt; HMH Into Literature Texas Grade 9 (English I) - Grade 12 (English IV)  
DBQ Project; DBQs and Mini-Qs  
Edgenuity Inc; Imagine Learning  
Institute of Museum and Library Services; TexQuest

# Mathematics Certification

## Scope and Sequence: All Grade Levels Mathematics

### QUESTION 12.0:

Are instructional materials for mathematics managed at the school system-level and generally consistent across classrooms within the same grade level?

Yes

No

## Mathematics K–5 TEKS Coverage Certification

### QUESTION 13.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **mathematics TEKS grades K–5**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials). [Single Select]

Yes

No

## Mathematics K–5 Instructional Materials

### QUESTION 14.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system will use regularly (once a week or more, on average) for **mathematics grades K–5** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**Mathematics grades K–5** full-subject and/or supplemental publisher(s)/product(s) used:

Accelerate Learning; STEMscopes Texas Math - Kindergarten (1 year online) - Grade 5  
Curriculum Associates, LLC ; Ready Texas Mathematics, Grade K - Grade 5  
ExploreLearning Gizmos; Reflex and/or Frax  
Lead4Ward; Lead4Ward Math  
Sirius Education Solutions; Sirius Math Resources  
Curriculum Associates, LLC; i-Ready Texas Classroom Mathematics, Kindergarten - Grade 5

**QUESTION 14.1:**

(If above answers include Bluebonnet Learning instructional materials):

What is the estimated unique count of students in your local school system that are using Bluebonnet Learning, Edition 1 (grades K–5) in their classroom on a regular basis?

None

## Mathematics 6–8 TEKS Coverage Certification

**QUESTION 15.0**

For school year 2026–27, will your local school system provide materials to cover 100% of the **mathematics TEKS grades 6–8**? (This includes teacher- or district-developed materials. You may select “yes” even if not all classrooms use the same materials). [Single Select]

Yes

No

## Mathematics 6–8 Instructional Materials

**QUESTION 16.0:**

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **mathematics grades 6–8** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**Mathematics grades 6–8** full-subject and/or supplemental publisher(s)/product(s) used:

Texas Education Agency; Bluebonnet Learning Secondary Mathematics Grade 6-8, Edition 1  
Curriculum Associates, LLC; Ready Texas Mathematics, Grade 6-8  
Lowman Education, LLC; 6th-8th Grade Math  
Carnegie Learning; MATHia  
Edgenuity Inc; Imagine Learning Math  
Lead4Ward; Lead4Ward Math  
Sirius Education Solutions; Sirius Math Resources  
Curriculum Associates, LLC; i-Ready Texas Classroom Mathematics

**QUESTION 16.0B:**

(If above answers include Bluebonnet Learning instructional materials instructional materials):

What is the estimated unique count of students in your local school system that are using Bluebonnet Learning Secondary Mathematics, Edition 1 (grades 6–8, Algebra I) in their classroom on a regular basis?

1,429

## Advanced Mathematics 6–8 Instructional Materials

**QUESTION 17.0:**

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **advanced mathematics grades 6–8** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**Advanced Mathematics grades 6–8** full-subject and/or supplemental publisher(s)/ product(s) used:

Texas Education Agency; Bluebonnet Learning Secondary Mathematics Algebra I, Edition 1  
Carnegie Learning; MATHia  
Edgenuity Inc; Imagine Learning Math  
Lead4Ward; Lead4Ward Math  
Sirius Education Solutions; Sirius Math Resources

## Mathematics 9–12 TEKS Coverage Certification

### QUESTION 18.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **mathematics TEKS grades 9–12**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials). [Single Select]

Yes

No

## Mathematics 9–12 Instructional Materials

### QUESTION 19.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **mathematics grades 9–12** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**Mathematics grades 9–12** full-subject and/or supplemental publisher(s)/product(s) used:

Texas Education Agency; Bluebonnet Learning Secondary Mathematics Algebra I

## Social Studies Certification

### Scope and Sequence: All Grade Levels Social Studies

#### QUESTION 20.0:

Are instructional materials for social studies managed at the school system level and generally consistent across classrooms within the same grade level?

Yes

No

### Social Studies K–5 TEKS Coverage Certification

#### QUESTION 21.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **social studies TEKS grades K–5**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials)

Yes

No

### Social Studies K–5 Instructional Materials

#### QUESTION 22.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **social studies grades K–5** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**Social Studies grades K-5** full-subject and/or supplemental publisher(s)/product(s) used:

Pearson Education Inc. publishing as Scott Foresman; Texas MyWorld Social Studies Gr. K-5  
Pearson Education Inc. publishing as Scott Foresman; Texas miMundo Social Studies Gr. K-5  
Lowman Education LLC; Lowman 4th-5th Grade Social Studies

## Social Studies 6-8 TEKS Coverage Certification

### QUESTION 23.0:

For school year 2026-27, will your local school system provide materials to cover 100% of the **social studies TEKS grades 6-8**? (This includes teacher- or district-developed materials. You may select "yes" even if not all classrooms use the same materials)

Yes

No

## Social Studies 6-8 Instructional Materials

### QUESTION 24.0:

Select **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **social studies grades 6-8** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided

on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**Social Studies grades 6–8** full-subject and/or supplemental publisher(s)/product(s) used:

Edgenuity; Imagine Learning  
Lead4Ward; Lead4Ward Social Studies Grades 6-8  
Lowman Education LLC; Lowman 6th-8th Grade Social Studies  
Sirius Education Solutions; Sirius STAAR Prep  
Social Studies Success LLC; Social Studies Success Teacher Resources  
Implementing TEKS Resource System (ITRS); ITRS Social Studies Resources

## Social Studies 9–12 TEKS Coverage Certification

### QUESTION 25.0:

For school year 2026–27, will your local school system provide materials to cover 100% of the **social studies TEKS grades 9–12**? (This includes teacher- or district-developed materials. You may select “yes” even if not all classrooms use the same materials)

- Yes  
 No

## Social Studies 9–12 Instructional Materials

### QUESTION 26.0:

Share the **full-subject and/or supplemental** publisher(s)/product(s) that teachers in your local school system or charter will regularly use (once a week or more, on average) for **social studies grades 9–12** instruction to ensure coverage of 100% of the TEKS.

**Full-subject instructional materials** (often referred to as Tier one or core materials): Instructional materials designed to, if implemented as designed, provide a student with mastery of the essential knowledge and skills for a certain subject and grade level without the need for supplementation.

**Supplemental Materials:** Instructional materials designed to supplement core products in instruction of one or more essential knowledge and skill.

**REMINDER:** Ensure the naming convention for the products you list on this form mirrors the naming convention on the [resource list](#) (e.g., no acronyms, no abbreviations, and the title is listed as written on the instructional material). This ensures the naming conventions refer to the accurate product and will align to the predefined answer choices provided on the Qualtrics survey drop-down menus. If your local school system uses a district-developed product, or if the product you use **does not appear** in the list, enter the full publisher and product names.

**Social Studies grades 9–12** full-subject and/or supplemental publisher(s)/product(s) used:

Houghton Mifflin Harcourt; Holt McDougal Economics: Concepts and Choices (Social Studies)  
Ramsey Education (The Lampo Group LLC./Dave Ramsey); Foundations in Personal Finance: High School Edition  
Foundations (Personal Financial Literacy)  
DBQ Project; DBQs and Mini-Qs  
Edgenuity; Imagine Learning

# The Children's Internet Protection Act

The Children's internet protection Act (CIPA) was enacted by Congress in 2000 to address concerns about children's access to obscene or harmful content over the Internet. (You may find more information on the FCC website.)

In accordance with Texas Administrative Code 19 TAC §66.105, school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C, Section [28.0022](#), [Section 43.22](#), Penal Code, and any other law or regulation that protects students from obscene or harmful content.

## **QUESTION 34.0:**

Does your district or charter school protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C), Section 28.0022, Penal Code, and any other law or regulation that protects students from obscene or harmful content?

Yes

No

## Additional Informational Questions (Optional)\*

### QUESTION 35.0:

Has your local school system used, or plan to use, [Instructional Materials Review and Approval \(IMRA\)](#) reports to inform local adoption decisions for ELAR, SLAR, phonics, and mathematics instructional materials?

Yes

No

### QUESTION 35.1:

**If "Yes" is selected:** In which subject area(s) have you used the IMRA reports to obtain information about the quality of products? \*

English reading language arts

Spanish reading language arts

English phonics

Spanish phonics

Full-subject, Tier one mathematics

Supplemental mathematics

**QUESTION 35.2:**

On a scale from 0 to 10, how likely are you to recommend the use of IMRA reports to support local adoption of HQIM? 0 (Not at all) to 10 (Extremely likely) \*

- 0.
- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.

**QUESTION 36.0:**

Assessment Platform: Select the assessment platform (if any) your local school system leverages for unit/module, diagnostic, or interim, and for which type of assessments.

Product	Interim	Diagnostic	Unit/Module Formatives
Eduphoria	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
DMAC	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Texas Formative Assessment Resource	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
STAAR Interim	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other:	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
<input type="text" value="iReady"/>			
Other:	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
<input type="text" value="TPRI"/>			
Other:	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
<input type="text" value="CLI"/>			

**QUESTION 37.0:**

What approach does your school system take to making full-subject instructional materials available to teachers and staff?

- Teachers access educational applications through a Single Sign On platform (e.g., Clever, ClassLink)
- Teachers access educational applications within a Learning Management System (e.g., Schoology, Google Classroom, Canvas, Moodle)
- Teachers log directly to publisher curriculum platforms (e.g., HMH Ed, Savvas Realize, Amplify, Great Minds)
- Teachers access copied files or links within a Learning Management System (e.g., Google Classroom, Canvas, Moodle)
- Teachers access copied files or links within a Student Information System (e.g., PowerSchool, Infinite Campus, Skyward)
- Teachers access copied files or links in a shared cloud drive (e.g., Google Drive, OneDrive, Dropbox)
- Teachers access copied files or links through a district resource portal (e.g., SharePoint, Google Site, intranet)
- Other (Please Explain):

## Other Certified Subject Areas

### QUESTION 38.0:

Please select each subject in the required curriculum below for which your district provides each student with instructional materials that cover all elements of the essential knowledge and skills, as referenced in [Texas Education Code 28.002](#): [multiple select]

- Languages other than English (LOTE)
- Health, with emphasis on the importance of proper nutrition and exercise
- Physical education
- Fine arts
- Career and Technical Education (CTE)
- Technology applications
- Religious Literature, including the Hebrew Scriptures (Old Testament) and New Testament, and its impact on history and literature.
- Personal financial literacy
- None

# Certification 2026–27 Survey Ratification

[Print, Sign, and Upload via Qualtrics]

In accordance with [Texas Education Code §31.1011](#), school districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS) for the coming school year. Additionally, in accordance with Texas Administrative Code [19 TAC §66.105](#), school districts or charter schools are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C).

These certifications must be ratified by local school boards of trustees or governing bodies in public, noticed meetings. Districts and open-enrollment charter schools will be unable to order instructional materials through EMAT until the certifications have been received by the Texas Education Agency (TEA)

**District County Number (6-digit ID):**

070911

**District Name:**

Red Oak ISD

**Date of Ratification by Local School Board of Trustees or Governing Body:**

3/30/2026

**Signature of the Board President and Secretary or Governing Board Officer**

\_\_\_\_\_  
Board President

\_\_\_\_\_  
Date

\_\_\_\_\_  
Board Secretary

**After ratification, please scan the last page of this form and submit it to TEA through the electronic Qualtrics Certification of Provision of Instructional Materials Survey.**

- The Certification 2026–27 Survey will be available on the Certification of Provision of Instructional Materials web page and open for submissions beginning **Tuesday, February 17, 2026.**

Extension of Mentors Care Contract for Mentoring Services for the School Year 2026-2027

**Presented for:**

Board Action   X   Report/Review Only \_\_\_\_\_

**Supporting documents:**

None \_\_\_\_\_ Attached   X   Provided Later \_\_\_\_\_

**Contact Person:**

Brenda Sanford, Superintendent

**Background Information:**

During the spring of 2018, the Red Oak High School Discipline Committee made a recommendation based on their review of discipline data that the school should implement a mentoring program. At-risk students were not being successful in school. These students were behind in credits, truant from school, and had multiple discipline issues. Upon further review, these at-risk students faced extreme challenges outside of the school day and their social-emotional needs were not being met.

ROISD staff attended the Mentors Care celebration in Midlothian and were impressed with the message that was conveyed, success stories that were shared, and positive feedback they received from both mentees and mentors from other districts. The Red Oak High School principal met with founder, Dena Petty, and received information about the program and cost.

The Red Oak High School principal was able to budget for the program and the partnership began during October 2018. ROHS would like to continue this partnership to meet the needs of the at-risk population at ROHS.

**Fiscal Implications:**

ROHS campus funds of \$50,000 annually will be used to pay for the program.

**Administrative Recommendation:**

Administration recommends that ROISD enter into a one-year extension of the contract with Mentors Care dated August 1, 2026, for them to provide the program. The program has been added to the ROHS Campus Improvement Plan and will be monitored throughout the year by the Campus Improvement Committee and ROHS Principal.

**Proposal for Provision of Mentoring Program Services  
to  
the Red Oak Independent School District  
(For the 2026-2027 Academic School Year)**

This Proposal is made to the RED OAK INDEPENDENT SCHOOL DISTRICT (the “*District*”), by MENTORS CARE, a tax-exempt 501(c)(3), Texas non-profit corporation (“*Mentors Care*”) for the purpose of specifying the terms and conditions under which Mentors Care has agreed to provide the mentoring services more particularly described herein (collectively, the “*Program Services*”) to the District for the benefit of participating students at Red Oak High School (the “*School*”) during the Term defined herein.

Background

Mentors Care operates and maintains a syndicated, thriving, proprietary mentoring program (the “*Program*”) which is designed to identify, benefit, influence and change the lives of high school students who are at-risk of dropping out of school and thereby failing to achieve their full potential due to difficult family, socio-economic or other circumstances, by connecting them with adult mentors who serve as advocates, life-counselors and role models. Mentors Care and the District each believe that the Program would be of benefit to participating students at the School. The District therefore desires to engage Mentors Care to implement, maintain and operate the Program at the above-named School, and Mentors Care desires to do so subject to the terms and conditions set forth below:

1. Subject to District’s Approval and Adoption of Enabling Budget. This Proposal is subject to the District’s acceptance of the terms and conditions set forth below and adoption of an annual budget for 2026-2027 academic school year which includes funding for the Program in an amount equal to the Program Service Fees specified in Section 4.e. below.

2. Term. The term of the relationship contemplated by this Proposal will coincide with the 2026-2027 academic school year for the School (the “*Term*”), excluding summer semesters, holidays and bad weather days recognized by the District, and other days during which the School may be closed or students are not present for any reason; provided, however, that the Term shall commence on the latter of August 1, 2026 or the first Monday in August, 2026, if August 1 falls on a weekend or District-recognized holiday, and will continue through the last day of the Spring Semester of such School Year; unless sooner terminated by either party with or without cause upon not less than thirty (30) days’ prior written notice to the other at any time.

In addition to any other termination or suspension rights which it may have hereunder, Mentors Care reserves the right to terminate or suspend the relationship contemplated by this Proposal at any time if and as it deems it necessary to do so due to a lack of support from prospective mentors and volunteers, qualified and acceptable personnel to staff the Program, and/or funding from grants and other charitable contributions from third parties in an amount sufficient to cover the differential between the Program Service Fees which Mentors Care receives from the Districts and schools which it serves, and the greater costs and expenses which

Mentors Care actually incurs in implementing, maintaining, and operating the Program for the Districts and schools which it serves. In such an event, Mentors Care shall refund a pro-rata portion of any prepaid Program Service Fees paid by the District under Section 4.e., as soon as reasonably practicable and no later than thirty (30) days after any such termination.

3. Mentors Care's Responsibilities. During the Term, Mentors Care will:

a. Use its copyrighted, proprietary Program materials and curriculum to implement, maintain, and operate the Program at the School, at no additional cost to the District or to the Program participants, save and except for the Program Service Fees referenced in Section 4.e. below.

b. Recruit and train volunteers to serve as mentors for the Program at the School, as follows:

i. Solicit and require detailed applications from each prospective mentor.

ii. Provide the District with the names and drivers licenses of Mentors Care's Program Coordinator and other Mentors Care employees who may be assigned to the School, and all Mentors Care volunteers who are assigned to serve as mentors for participating students at the School, so that the District may perform criminal history record information reviews (each, a "Criminal History Review") of such persons in accordance with Section 4.a. below.

iii. Require all volunteers who pass the Criminal History Review and are approved and assigned to serve as mentors for Program participants enrolled at the School to participate in (i) an in-person, group training session hosted by Mentors Care's Program Coordinator at the School if they are a first-time volunteer for Mentors Care, or (ii) an online, self-paced mentor training session if they have volunteered for Mentors Care and participated in an in-person, group training session hosted by Mentors Care during a previous School Year; and in either case, to do so sometime during the first month after the start of each new academic school year during the Term, and to further ensure that each mentor has completed such training prior to their first meeting with the participating student to whom they have been assigned.

c. Work with School administrators and staff to (i) identify students who are "at risk of dropping out of school" as such phrase is defined in Section 29.081(d) of the Texas Education Code, as such statute may be modified and amended from time to time (see <https://statutes.capitol.texas.gov/Docs/ED/htm/ED.29.htm#29.081>), and according to such additional criteria, factors and indicators, if any, as Mentors Care and the District may mutually agree ("*At-Risk Students*"), for referral to Mentors Care; (ii) establish and implement plans to achieve Program objectives for the School as a whole, and for individual Program participants, as well, and (iii) match Program participants with suitable mentors, and thereafter work with and monitor progress of mentors and Program participants on a regular basis throughout the Term.

d. Provide an Annual Report to the District's Board of Trustees or other governing body, showing reports & statistics for the then current academic school year, as soon as reasonably practicable following the conclusion of each academic school year during the Term, and no later than the beginning of the next academic school year, subject to the District's timely provision to Mentors Care of Student Data for participating students in accordance with the District's obligations under Section 4.f. below.

e. Not use any of the District's facilities, computers, telephones, internet, or network connections to access any obscene or illegal material, and to abide by, and cause its paid Program Coordinators (herein so called), employees, mentors, and volunteers to abide by the District's policies relating to technology resources.

4. The District's Responsibilities. During the Term, the District will, at its sole cost and expense:

a. Conduct criminal history record information reviews for (i) Mentors Care's Program Coordinator and any other employees of Mentors Care who are assigned to work at the School, each in accordance with Texas Education Code §22.0834 or its successor, and (ii) Mentors Care's volunteers who are assigned to serve as mentors for participating students at the School, each in accordance with Texas Education Code §22.0835 or its successor (each, a "Criminal History Review"). In furtherance of the foregoing, the District acknowledges and agrees that Section 22.0835 of the Texas Education Code requires each volunteer to provide the District with a copy of his or her driver's license or another form of identification containing the volunteer's photograph as issued by an entity of the United States Government, but does not require them to submit fingerprints or any other photographs aside from their driver's license or other form of identification specified above. The District further covenants and agrees that, unless and until Chapter 22 of the Texas Education Code is modified or amended to clearly and explicitly require the District do so, it will not require Mentors Care's volunteers to submit fingerprints or any other photographs aside from their driver's license or other form of identification specified above, and nor will it subject such volunteers to the type of national criminal history record information review which school districts, open-enrollment charter schools, and shared services arrangements are presently required to perform in regard to certified educators, certain open-enrollment charter school employees, certain contract employees, substitute teachers and certain private school employees, under various other provisions of Chapter 22 of the Texas Education Code.

b. Provide Mentors Care with suitable office accommodations at the School, together with a desk, a credenza and chairs, a desktop computer and telephone, internet connectivity, and access to the School's computer network, information systems, and Student Data (as defined below). Mentors Care acknowledges and agrees that the District is not leasing any facilities to Mentors Care under this Proposal, and shall retain priority of use of any and all school property and facilities, and that Mentors Care's right to access and use Student Data through the School's computer network and information systems will be subject to, and in accordance with, the terms, conditions and restrictions set forth below.

c. Encourage School administrators and staff to work with Mentors Care's Program Coordinator to identify At-Risk Students for referral to Mentors Care.

d. Provide a gathering area nearby and in close proximity to Mentors Care's assigned office accommodations at the School, where Mentors Care can meet with mentors and participating students, and where mentors and participating students can meet, as well, during regularly scheduled meetings.

e. Pay Mentors Care a service fee in the amount of Fifty Thousand and No/100 Dollars (\$50,000.00) for the academic school year occurring during the Term (the "**Program Service Fees**"). The Program Service Fees for each academic school year during the Term shall be due and payable in ten (10) equal monthly installments, each in the amount of \$5,000.00, the first of which shall be due and payable on September 1, 2026, and the remainder of which shall

be due and payable on the first day of each calendar month thereafter through June 1, 2027. Program Service Fees which are not paid within fifteen (15) days after the date upon which such fees become due are subject to an administrative late fee in the amount of \$50.00. Time is of the essence with regard to the District's payment obligations hereunder.

f. Provide Mentors Care with Student Data (as defined in Section 5.a. below) relative to the Term (*i.e.*, the 2026-2027 academic school year) for all participating students upon admission to the Program.

##### 5. Student Data; Privacy.

a. For purposes of this Agreement, "***Student Data***" means all personally identifiable information and other non-public information which pertains to participating students at the School, including, without limitation, information relating to such students' demographics, attendance, grades, transcripts, course completion, credits earned, and disciplinary records. Employees, volunteers, mentors, and others providing services on behalf of Mentors Care in accordance with this Agreement are considered "school officials" with a legitimate educational interest in receiving Student Data necessary to provide the services detailed in this Agreement, and shall be subject to the same requirements as District employees under the Family Educational Rights and Privacy Act (FERPA) and Board Policy FL (LOCAL).

b. Mentors Care acknowledges and agrees that:

i. The District will identify and inform Mentors Care of the names of those students whom the District believes might reasonably be expected to benefit from participating in the Program.

ii. Neither Mentors Care nor any of its Program Coordinators, employees, volunteers, or mentors will meet with or otherwise promote the benefits of participating in the Program to any particular students on a one-on-one basis, unless such students have been recommended by a counselor or teacher and their parent or legal guardian has approved of their participation in the Program. In no event, however, should the foregoing be construed as prohibiting Mentors Care from promoting the Program to students in general, so long as it does not selectively target specific students who have not otherwise previously been identified by the District as students who might benefit from participating in the Program.

iii. Except as to the names of those students whom it believes might reasonably benefit from participating in the Program, the District shall not provide Mentors Care with any Student Data relating to a particular student, unless and until such time as the student's parent or legal guardian has signed a written consent in such form as the District may reasonably approve or prescribe, approving of the student's involvement in the Program and of the District's provision or disclosure of such Student Data to Mentors Care.

iv. To the extent that the District elects to provide or disclose Student Data to Mentors Care or otherwise allow Mentors Care access to any such Student Data through the parent or legal guardian's written consent, such information shall be regarded as "Student Data".

v. Mentors Care covenants and agrees that:

1. It will not use any Student Data to advertise or market any third-party products or services to students or their parents, or for any purposes other than those expressly referenced in this Proposal.

2. It will not use any Student Data in any manner that is not otherwise intended to inure to the benefit of the particular student to whom such information relates.

3. It will keep and hold all Student Data in confidence and not disclose such information to any third party, aside from the mentors who are working with the particular student(s) to whom such Student Data pertains, and who are bound to maintain the confidentiality of such Student Data.

4. It will only collect and use Student Data as necessary in connection with its operation of the Program, and except as otherwise expressly provided herein, will not share any such Student Data with any third parties without prior written consent of the student and its parent or legal guardian, as required by law.

5. Any Student Data held by Mentors Care will be made available to the District upon request by the District; provided that any information which a participating student may have provided to Mentors Care directly in confidence shall be shared with that student's counselor within the District.

6. It will ensure that all Student Data in its possession or control are destroyed or transferred to the District under the direction of the District when the Student Data is no longer needed for the purposes permitted hereunder at the request of the District.

6. Miscellaneous.

a. Choice of Law & Venue. This Proposal shall be governed under the laws of the State of Texas, and venue for any dispute or litigation arising hereunder shall be in Ellis County, Texas. In any adjudication of a claim for breach of contract under this Proposal, reasonable and necessary attorneys' fees that are equitable and just may be awarded to the prevailing party. Otherwise, no provision of this Proposal is a waiver of any immunity or defense or consent to suit.

b. Immunity. By signing this Proposal, the District is not waiving any immunities provided to the school district by law.

c. Prohibition of Alcohol, Tobacco, Controlled Substances, and Firearms. The following are prohibited on District property: Mentors Care and Mentors Care's Program Coordinators, employees, volunteers, and mentors shall not bring or use alcohol, tobacco, controlled substances, and/or firearms on District property as provided by Texas law. Mentors Care's Program Coordinators, employees, volunteers, and mentors shall conduct themselves with proper decorum, including adequate dress consistent with the nature of the work being performed. Any sexual harassment by Mentors Care's Program Coordinators, employees, volunteers or mentors is prohibited.

d. Binding Agreement. The terms of this Proposal will not be binding upon either of the parties hereto unless and until it has been signed by a duly authorized representative of each of the parties below, and an original or copy thereof has been delivered to the other party hereto.

e. Authorized Signature. Each of the undersigned representatives of the parties hereby represents and warrants that he or she has been duly authorized to make and enter into the relationship and agreement contemplated by this Proposal, and to bind the party which they represent to the terms and conditions set forth herein.

In Witness Whereof, the undersigned representatives of each of the parties have executed this Proposal in evidence of their mutual agreement to be bound by and adhere to the terms and conditions set forth above.

hereinafter referred to as “Participating Political Subdivisions” and JANA ONYON, Elections Administrator of Ellis County, Texas, hereinafter referred to as "County Election Officer”, pursuant to the authority in Subchapter D, Section 31.092, of Chapter 31, of the Texas Election Code, agree to the following particulars in regard to coordination, supervision and running of the May 2, 2026 Joint General and Special Elections.

**THIS AGREEMENT** is entered into in consideration of the mutual covenants and promises hereinafter set out. **IT IS AGREED AS FOLLOWS:**

**I. DUTIES AND SERVICES OF COUNTY ELECTION OFFICER.** The County Election Officer shall be responsible for performing the following duties and shall furnish the following services and equipment:

A. The County Election Officer shall arrange for notification (including writ of election), training and compensation of all presiding judges, alternate judges, clerks for the polling site, central counting station and early voting ballot board personnel.

- a. The County Election Officer shall be responsible for notification of each Election Day and Early Voting presiding judge and alternate judge, clerks, central counting station and ballot board of his or her appointment. The presiding election judge of each polling place, will use his/her discretion to determine when additional manpower is needed during peak voting hours and notify the County Election Officer. The recommendations of the Participating Political Subdivisions will be the accepted guidelines for the number of clerks to work in each polling place. Election judges and early voting personnel shall be secured by the County Election Officer using the recommended names provided by the Participating Political Subdivisions by February 13, 2026. Any open positions will be filled using regular county election workers.

Central Counting Station Manager: Jana Onyon

Tabulation Supervisor: Adrian Rodriguez

Judge of Central Counting Station: Michael Mohon

Alt-Judge of Central Counting Station: Joanne Hunt

Ballot Board Judge: Dorinda Sims

Ballot Board Alt-Judge: Lindley Stoker

- b. Election judges, alternate judges, clerks and student clerks shall all attend the County Election Officer's school of instruction. (Date and location to be determined)
- c. Election judges shall be responsible for picking up from and returning election supplies to the County Election Officer. (Date to be determined). Compensation for this pickup and delivery of supplies will be \$25.00.
- d. The County Election Officer shall compensate each election judge and election worker. Compensation will be based on what the county pays and has been approved in Commissioner's Court unless arranged otherwise. Early voting presiding officer shall receive \$14.00 per hour and clerks shall receive \$12.00 per hour for services. Each election day judge shall receive \$14.00 per hour for services rendered; each alternate judge shall receive \$13.00 per hour for services; and clerk shall receive

\$12.00 per hour for services. Ballot Board, Central Counting Station Presiding judge and alternate shall receive the same as for Election Day judge and alternate for services. Each worker that attends a training class shall receive hours of pay. Overtime will be paid to each person working over 40 hours per week. All other required and additional expenses by law shall be paid. (ie: FICA, Medicaid, etc.) The rate of pay is subject to change based on current budget set forth by the Commissioners' court.

- B. The County Election Officer shall procure, prepare, and distribute voting machines, election kits and election supplies.
- a. Each Participating Political Subdivisions agrees that voting at the said Election will be by use of Election Systems and Software ExpressVote marking devices, DS200 Precinct Scanner/Tabulators, and the DS450 Absentee Scanner/Tabulator voting system approved by the Secretary of State in accordance with the Texas Election Code. Procedures will be in accordance with the Texas Election Code and decided by the County Election Officer.
  - b. The County Election Officer shall secure election kits which include the legal documentation required to hold an election.
  - c. The County Election Officer shall secure all tables and chairs required to hold an election.
  - d. The County Election Officer shall provide all lists of registered voters for use on Election Day and for the early voting period as mandated by law. Tenex ePollbooks will be used to qualify voters for the early voting period and on Election Day. Additional ePollbooks with the list of registered voters will be provided as back-up in each Early Voting and Election Day polling place.
  - e. The County Election Officer shall procure and arrange for the distribution of all election equipment and supplies required to hold an election.
    1. Equipment includes the DS200 voting machines (1 or more per site), ADA ExpressVote marking devices (4 or more per site), ballot box, voting signs, security cart, curbside carts, curbside alert system, ePollbooks, and tents for curbside as needed.

2. Supplies includes and not limited to the following: election forms, ballots, labels, extension cords, pens, tape, markers, ballot pens, required signage, totem display poles, name tags, and any other supplies needed.
- C. The County Election Officer, Jana Onyon, shall be appointed the Early Voting Clerk by the Participating Political Subdivisions.
- a. The County Election Officer shall supervise and conduct Early Voting by mail and in person.
  - b. Early Voting by personal appearance for the said Election shall be conducted during the time period and at the locations listed in Exhibit "A", attached and incorporated by reference into this contract. The election will have 2 days of 12 hour voting and those will be the last 2 days of early voting.
  - c. Any qualified voter for the Joint Election may vote early by personal appearance at any of the Early Voting Vote Center locations within Ellis County. **For this election, Ellis County Womans Building 407 W Jefferson St. (Davis Hall) Waxahachie, TX 75165 will serve as the Main Early Voting Polling Location.**
  - d. Some Participating Political Subdivisions have requested additional Early Voting sites pending their participation, therefore Exhibit "A" is subject to change if any of the Participating Political Subdivisions cancel their election.
  - e. If a Runoff Election is needed, the Participating Political Subdivisions will work together to choose the Early Voting Vote Center locations to best serve their voters in their territory according to the Election Code and/or this contract.
  - f. All applications for an Early Voting mail ballot shall be received and processed by the Ellis County Elections Administration Office.
    1. Application for mail ballots erroneously mailed to the Participating Political Subdivisions shall immediately be faxed to the County Election Officer for timely processing. The original application shall then be forwarded by mail to the County Election Officer for proper retention.
    2. Absentee Application (Regular or Federal Postcard) for ballot by mail shall be mailed to:  
**Early Voting Clerk, 204 E Jefferson Street, Waxahachie, Tx 75165  
or faxed to 972-923-5194**

**or email a scanned copy of signed application to  
elections@elliscountytexas.gov (\*note new email address)  
(If faxed or emailed, then must receive original application by mail within  
4 days)  
Application for ballot by mail must be received no later than close of  
business on Tuesday, April 20, 2026.**

3. All Federal Post Card Applicants (FPCA) and Annual Mail Ballot Applicants will be sent a mail ballot with required notices.
  - f. All Early Voting ballots (those cast by mail/absentee) shall be prepared for count by the Early Voting Ballot Board in accordance with Section 87.000 of the Texas Election Code. The presiding judge of this Board shall be appointed in the same manner as election workers according to this contract.
- D. The County Election Officer shall arrange for the use of all Election Day and Early Voting Vote Center locations.
- a. The Participating Political Subdivisions shall assume the responsibility of remitting the shared cost of all employee services required to provide access, provide security or provide custodial services for the polling locations.
  - b. The Early Voting Vote Center polling locations are listed in Exhibit "A", attached and incorporated by reference into this contract.
  - c. The Election Day Vote Center polling locations are listed in Exhibit "B", attached and incorporated by reference into this contract.
  - d. Some Participating Political Subdivisions have requested additional Vote Centers pending their participation, therefore Exhibit "A" and "B" is subject to change if any of the Participating Political Subdivisions cancel their election.
  - e. Any qualified voter for the said Election may vote during Early Voting or Election Day by personal appearance at any of the Vote Center locations within Ellis County.

- f. If a Runoff Election is needed, the Participating Political Subdivisions will work together to choose the Early Voting and Election Day Vote Center locations to best serve their voters in their territory according to the Election Code and/or this contract.
- E. The County Election Officer shall be responsible for establishing and overseeing the tabulation of the early voting and election day voted ballots by the Central Counting Station Personnel. Ballots shall be tabulated in accordance with Section 127.001 of the Texas Election Code and of this agreement.
- a. The County Election Officer shall prepare the precinct numbers by consolidating ballot styles that are alike to create unique election precinct numbers. This will maintain the security and integrity of the ballots and the public's right to review records, as well as the voter's constitutional right to a secret ballot.
- b. The County Election Officer shall prepare, test and run the county's tabulation system in accordance with statutory requirements and policies. The tabulation system will be used on Election Night at the Elections Office.
- c. The Public Logic and Accuracy Test (L&A) of the electronic voting system shall be Conducted on TBD, 2026 at 8am at the Ellis County Elections Office. County Election Officer will publish required notice for the L&A Test on the election's website 48hours prior to testing of time and place as required by the election code.
- c. Election night reports will be available to the Participating Political Subdivisions at 7pm on election night on the Ellis County website (**NEW website address, please update any links on subdivisions websites to: [www.elliscountytx.gov/elections](http://www.elliscountytx.gov/elections)**). Provisional ballots will be tabulated after election night in accordance with law.
- d. The County Election Officer shall prepare the unofficial canvass report after all precincts have been counted for election day, provisional ballots, cured absentee ballots, and any overseas ballots that will be tallied after the final deadline to count ballots. This report will be sent to the Participating Political Subdivisions for their canvass.
- e. The County Election Officer shall be appointed the custodian of the voted ballots and shall retain all election material for a period of 22 months.

1. Pending no litigation and as prescribed by law, the voted ballots shall be shredded 22 months after the election.
  2. The Participating Political Subdivisions can obtain the list of registered voters who voted from the Elections Administration Office. Pending no litigation and if the Participating Political Subdivisions does not request any further information, the County Election Officer shall destroy them.
- f. The County Election Officer shall conduct a manual partial count as prescribed by Section 127.201 of the Texas Election Code and submit a written report to the Participating Political Subdivisions in a timely manner. The Secretary of State may waive this requirement. If applicable, a written report shall be submitted to the Secretary of State as required by Section 127.201(E) of the aforementioned code.
- F. The County Election Officer shall post the publication of a "Joint Election Notice" by publishing the notice at least once between the 30<sup>th</sup> day and the 10<sup>th</sup> day before the election the proper methods with the proper media in accordance with the Texas Election Code (Sec. 4.003(a)(1)). Newspapers will be agreed upon by the Participating Political Subdivisions based on current publishing customs by each Participating Political Subdivisions. The Participating Political Subdivisions shall send publication of the "Election Notice" to the Contracting Office to place it on the Elections website in accordance to the Texas Election Code (Sec. 4.008)

**II. DUTIES AND SERVICES OF THE PARTICIPATING POLITICAL SUBDIVISIONS.** The Participating Political Subdivisions shall assume the following responsibilities:

- A. The Participating Political Subdivisions shall prepare the election orders resolutions, notices, justice department submissions (if required), official canvass and other pertinent documents for adoption by the appropriate office or body. The Participating Political Subdivisions shall handle the candidate filing process and packets that are required by law. The Participating Political Subdivisions assume the responsibility of posting required notices and likewise promoting the schedules for Early Voting and Election Day.
- B. If the Participating Political Subdivisions district boundary line has changed (annexation, de-annexation, ETJ change, etc.), they shall provide the County Election Officer (Voter Registrar) with ordinance of the change, updated, shapefiles, and street index of their

jurisdiction in an electronic and printed format as soon as possible but no later than Monday, February 2, 2026, if any changes have occurred since the last election the county has held for your entity. Texas Election code section 42.0615

- C. The Participating Political Subdivisions shall procure and provide the County Election Officer with the ballot layout and Spanish interpretation in an electronic format (word.doc preferred).
1. The Participating Political Subdivisions shall deliver to the County Election Officer as soon as possible after the election has been ordered any proposition wording in English and Spanish. Candidate names should be given after the drawing. Should receive all information no later than Monday, February 23, 2026.
  2. Exhibit "D" is provided with a listing of races and/or propositions on the ballot for each Participating Political Subdivisions pending any additions, cancellations, or withdrawals.
  3. The Participating Political Subdivisions shall approve the "blue line" ballot format prior to printing.
- D. The Participating Political Subdivisions shall post the publication of the "Election Order" and "Election Notice" by the proper methods with the proper media in accordance with the Texas Election Code. Additional publications would be handled by the Political Subdivisions to meet any special posting requirements during special elections. (See Section I part F of this contract)
- E. The Participating Political Subdivisions shall compensate the County Election Officer for any additional verified cost incurred in the process of running this election or for a manual recount this election may require, or for a required runoff election consistent with charges and hourly rates shown on Exhibit "C" for required services.
- F. The Participating Political Subdivisions shall submit this **signed contract by Thursday, April 2, 2026** and **pay the Treasurer's Office a deposit of 80% of the estimated cost to run the said election by Monday, April 6, 2026**. The County Election Officer shall place the funds in a "contract fund" as prescribed by Section 31.100 of the Texas Election Code.

The deposit should be delivered within the mandatory time frame to:

**Ellis County Treasurer  
Att. Cheryl Chambers  
109 S. Jackson Street  
Waxahachie, Texas 75165**

Made payable to: "Ellis County Treasurer" with the note "for election services" included with check documentation.

The signed contract should be delivered or mailed to:

**Ellis County Elections  
Attn: Jana Onyon  
204 E Jefferson Street  
Waxahachie, Texas 75165**

- G. The Participating Political Subdivisions shall pay any additional cost and/or remaining final cost of conducting said election or any required runoff elections pursuant to the Texas Election Code, Section 31.100, within 30 days from the date the final billing was received.

**III. COST OF SERVICES.** See Exhibit "C."

- A. All actual shared cost incurred in the conduct of the election will be divided by the Participating Political Subdivisions contracting with the County Election Officer to hold the said election. If one of the Participating Political Subdivisions cancels their election, the full cost of the election will be the responsibility of the remaining Participating Political Subdivisions.
- B. An addendum of Exhibit "C" to the contract shall be provided to the remaining participating Political Subdivisions no later than five (5) business days after receipt of any Political Subdivisions notification of intent to withdraw in writing by Ellis County.
- C. If a Runoff Election is required, all cost will be billed to the Participating Political Subdivisions. If required, a Runoff Election will be held on Saturday, June 13, 2026, in accordance with the Election Code. In the event of such runoff election, the terms of this Contract shall automatically extend unless the Participating Authority notifies the County Election Officer in writing within 3 business days of the original election.

#### IV. GENERAL PROVISIONS.

- A. Nothing contained in this contract shall authorize or permit a change in the officer with whom or the place at which any document or record relating to the said Election is to be filed or the place at which any function is to be carried out, or any nontransferable functions specified under Section 31.096 of the Texas Election Code.
- B. Upon request, the County Election Officer will provide copies of all invoices and other charges received in the process of running said election for the Participating Political Subdivisions.
- C. If a Participating Political Subdivision cancels an election pursuant to the Texas Election Code, they will not be liable for any further costs incurred by the County Election Officer in conducting the said Election. Notice of a cancelled election should be provided to the County Election Officer as soon as the Participating Political Subdivision has approved it in an official meeting of the governing body.
- D. If any provision of this joint election contract and election services agreement is construed to be illegal or invalid, this will not affect the legality or validity of any of the other provisions. The illegal or invalid provision will be deemed stricken and deleted, but all other provisions shall continue and be given effect as if the illegal or invalid provisions had never been incorporated.
- E. The Elections Administrator of Ellis County, Texas and all of the contracting authorities of all of the participating political subdivisions listed in this joint election contract and election services agreement represent that each has the full right, power and authority to enter and perform this Contract in accordance with all of the terms and conditions, and that the execution and delivery of this Contract has been made by authorized representatives of the parties to validly and legally bind the parties to all terms, performances and provisions set forth in this Contract.
- F. The County Election Officer shall file copies of this contract with the County Auditor and the County Treasurer of Ellis County, Texas (Sec. 31.099).
- G. Neither party shall be deemed to have breached any provision of this contract as a result of any delay, failure in performance, or interruption of service resulting directly or indirectly from acts of God, network failures, acts of civil or military authorities, civil disturbances,

wars, energy crises, fires, transportation contingencies, interruptions in third-party telecommunications or Internet equipment or service, other catastrophes, or any other occurrences which are reasonably beyond any party's control. The parties are required to use due caution and preventive measures to protect against the effects of a force majeure event, and the burden of proving that a force majeure event has occurred shall rest on the party seeking relief under this provision. The party seeking relief due to force majeure is required to promptly notify the other parties in writing, citing the details of the force majeure event and relief sought, and shall resume performance immediately after the obstacles to performance caused by a force majeure event have been removed, provided the Contract has not been terminated. Delay or failure of performance, by either party to this Contract, caused solely by a force majeure event, shall be excused for the period of delay caused solely by the force majeure event.

- H. Due to recent concerns, if it is determined by the Ellis County Elections Administrator and the Commissioners Court of Ellis County that the health and safety of the Ellis County employees, poll workers, volunteers, and other people involved in conducting an election would be placed in danger by conducting an election according to the terms of this agreement, then the Ellis County Elections Administrator and Commissioners Court of Ellis County, at their sole discretion, may elect not to conduct an election for the political subdivision. If Ellis County elects to not handle the election of a local subdivision due to health and safety concerns, then Ellis County will provide written notice to the political subdivision with sufficient time for the political subdivision to comply with the Election Code.
- I. All parties agree to comply with Section 2270.002 and Section 2252.152 of the Texas Government Code.

Recommendation: Interactive Flat Panels for Elementary Campuses, ROHS, Technology

**Presented for:**

Board Action  Report/Review Only

**Supporting documents:**

None  Attached  Provided Later

**Contact Person:**

Megan Corns, Chief Technology Officer

Joshua Crutchfield, Director of Information Technology

Julie Phillips, Director of Purchasing

**Background Information:**

This purchase is for 16 ClearTouch Interactive Flat Panels for all elementary campuses, Red Oak High School, and the Technology department. These panels will be used in the classrooms to replace projectors. The Technology department reviewed panels with a technical focus group and an instructional focus group. The technical focus group reviewed three brands of interactive flat panels. Two panels were recommended for instructional review. Teachers, Librarians and Curriculum Coordinators were a part of the instructional focus group. Interactive Flat Panels will take the place of classroom projectors. Panels have a longer life and require less maintenance than standard classroom projectors. Panels allow students to interact with as a class, share presentations from their device and collaborate on screen. Training will be provided for teachers on-going throughout the school year.

Proposals were received from:

Delcom

Bluum

Prime Systems

Pathway Systems

Prime Systems is an approved District vendor in good standing and is Administration's recommended vendor for this purchase.

**Fiscal Implications:**

The purchase will be funded from general and activity funds, as determined by each campus administrator.

**Administrative Recommendation:**

Administration recommends that the Board approve the purchase of interactive flat panels from Prime Systems for a total \$66,207.27, using Choice Partners contract HCDE 25/018MF-56.

Special Education Self-Contained Classrooms / District-wide - Interactive Flat Panels

**Presented for:**

Board Action     X     Report/Review Only                     

**Supporting documents:**

None                      Attached     X     Provided Later                     

**Contact Person:**

Shana Owen, Executive Director of Specialized Learning  
Megan Corns, Chief Technology Officer  
Joshua Crutchfield, Director of Information Technology  
Julie Phillips, Director of Purchasing

**Background Information:**

This purchase of 15 Cleartouch Interactive Flat Panels for use in self-contained special education classrooms throughout the district. The interactive flat panels will give consistent access to the online alternative curriculum for students in this special education setting. The online curriculum contains interactive activities for use with this type of technology. The Technology department reviewed panels with a technical focus group and an instructional focus group. The technical focus group reviewed three brands of interactive flat panels. Two panels were recommended for instructional review. Teachers, Librarians and Curriculum Coordinators were a part of the instructional focus group. Interactive Flat Panels will take the place of classroom projectors. Panels have a longer life and require less maintenance than standard classroom projectors. Panels allow students to interact with as a class, share presentations from their device and collaborate on screen. Training will be provided for teachers as part of back to school and on going throughout the school year.

Proposals were received from:

Delcom Prime Systems  
Bluum Pathway Communications

Prime Systems is an approved District vendor in good standing and is Administration’s recommended vendor for this purchase.

**Fiscal Implications:**

15 Interactive Flat Panels and carts, additional Cleartouch OPS Module, and all installation services will be paid for from IDEA B funds.

**Administrative Recommendation:**

Administration recommends that the Board approve the purchase of interactive flat panels from Prime Systems in the amount of \$84,801.12 using Choice Partners contract HCDE 21/031KN.

Special Education Contracted Services and Materials 2025-2026

**Presented for:**

Board Action     X                          Report/Review Only                     

**Supporting documents:**

None                                           Attached     X                          Provided Later                     

**Contact Person:**

Julie Phillips, Director of Purchasing  
Shana Owen, Director of Specialized Learning

**Background Information:**

Increased need for student testing and staff position vacancies have increased the need for contracted service providers in the area of Special Education/Specialized Learning. The increased need will likely exceed the spending threshold in various Special Ed categories including, but not limited to Diagnostician services, Speech Therapy, and contracted Teacher positions.

Texas Education Code 44.031(a) states that contracts valued at \$100,000 or more in the aggregate for each 12-month period are to be made by the method that provides the best value to the district.

A Request for Proposal (RFP 2026-01-01) for ROISD-Special Education Services & Materials was properly posted and released with an extended due date.

**Fiscal Implications:**

The following responses were received for the month of March 2026:

All responses have been evaluated by a committee of three Specialized Learning Department professionals. The Committee recommends that all responding vendors be awarded.

**Administrative Recommendation:**

Administration recommends the Board approve and award on Red Oak ISD RFP 26-01-01, all responding vendors as presented to provide services and materials related to Special Education/Specialized Learning.

Goodloe Stadium Improvements - Construction Guaranteed Maximum Price

**Presented for:**

Board Action     X                        Report/Review Only                     

**Supporting documents:**

None                                 Attached     X                Provided Later                     

**Contact Person:**

Dr. Bill Johnston, Chief Financial Officer  
Brent Stanford, Executive Director of Support Services  
Julie Phillips, Director of Purchasing

**Background Information:**

At the Regular Board Meeting on August 25, 2025, the Red Oak ISD School Board voted unanimously (7-0), to grant the Superintendent authority to negotiate the contract with duly selected Construction Manager at Risk (CMaR), Joeris General Contractors for the renovation of Goodloe Stadium.

Having completed the negotiations for the project, Administration is seeking approval to proceed with construction of the Goodloe Stadium Improvements. The Guaranteed Maximum Price proposal was presented by Joeris General Contractors and reviewed by Corgan and Red Oak ISD Administration at a meeting held on March 27, 2026.

**Fiscal Implications:**

The project will be funded from 2025 Bond funds.

**Administrative Recommendation:**

Administration recommends the School Board approve the Guaranteed Maximum Price as detailed in the attached Joeris General Contractors proposal for completion of the Goodloe Stadium project.

## ***SCOPE CLARIFICATIONS***

*These Clarifications are provided to supplement the information provided by the Owner and Design Team.*

### **DIVISION 00 – GENERAL CONDITIONS**

#### **INCLUDED:**

1. On-site job trailer. Location to be determined with owner.
2. Contractor's Contingency of 2% included.
3. Owner's Contingency of 2% included.
4. Precon fee of \$40,000 is included.

#### **DOES NOT INCLUDE:**

1. Sales Tax
2. Any City, County, or Municipal Utility District stand-by fees, tap fees, user fees, water or sewer impact fees.
3. Temporary utility cost for construction activities.
4. Construction and Material testing, third party testing, or Indoor Air Quality Testing.
5. Permit fee or certificate of occupancy fee.
6. Tree mitigation or impact fees.
7. Excessive cost or time impacts resulting from supply chain disruptions in the marketplace, price escalations in the marketplace or price increases due to labor or materials shortages.
8. LEED submittal for project material cost data, action plans, Coordination Conference, documentation, Commissioning, submittals, and an Indoor Air Quality Management Plan.

### **DIVISION 02 – DEMOLITION**

1. Building demolition includes tear down of existing pressbox, metal buildings underneath both bleachers, ticketbooth shed, restroom buildings.
2. Deep foundation removal of 4' BFF is included.
3. Site demolition includes home and visitor bleachers, light poles, athletic light poles, SE tennis courts and fences, fences at football field, and associated paving/flatwork.
4. Does not include removing/relocation/reinstallation of any fuel tanks. By owner.

### **DIVISION 03 – CONCRETE**

5. Paving will consist of 6" at drives, 5" at parking stalls, and 4" at sidewalk.
  - a. Colored, stamped, or specialty finished concrete is excluded.
  - b. Slip form paving is excluded.
6. Bus barn paving is included as 6" at drives and 5" at stalls.
7. Foundation consists of a 5" slab on grade with structural stoops, perimeter, and interior grade beams on void boxes on prepared subgrade.
8. Deep foundation consists of straight shaft drilled piers with 100% casing included.
9. CIP Concrete Columns included for main entrance canopy and perimeter columns at home grandstands.
10. CIP concrete retaining walls are excluded. None shown.
11. Does not include any thickened foundations for fuel tanks.
12. Excludes any work associated with the Ag Science Center.
13. Excludes any work associated with the adjacent middle school.

**DIVISION 04 – MASONRY**

1. Masonry at pressbox includes face brick with GFRC coping as noted.
2. Masonry at field house and visitors ticket booth is included as regular gray CMU exterior and interior walls with face brick exterior.
3. Excludes burnished, integral colored, or acoustical CMU.
4. Rigid insulation at all exterior masonry finishes is included.
5. Masonry surround at scoreboard is included.
6. Masonry columns at outside perimeter of the home side bleachers and main entrance canopy are included.
7. All cast stone look if GFRC. Cast stone is excluded.
8. Dumpster enclosure is included.

**DIVISION 05 – STEEL**

1. AISC –certified steel fabricator is included.
2. This project excludes the requirement for an AISC-certified steel erector.
3. Site railings are excluded.

**DIVISION 06 – WOOD**

1. Stainless steel countertops are included.
2. Stainless steel storage shelving is excluded. Owner-furnished, owner-installed.

**DIVISION 07 – THERMAL AND MOISTURE PROTECTION**

1. Roof at field house and ticket booth is a mod-bit roof. Roof at press box is a PVC roof. Roofs include associated roof and parapet blocking, prefinished metal coping cap, and roof hatch with ladder and cage where noted.
2. ACM panels at the fieldhouse, pressbox and home grandstands are included.
3. Spray insulation included as closed cell foam, standard spray textured finish.
4. Standard density fireproofing for a Type I-B construction at Press Box only.
5. Excludes intumescent fireproofing/coating.
6. Liquid applied waterproofing below film deck topping slab is included.
7. Pedestrian traffic coating at film deck is included.
8. Traffic coating or luminescent paint at stairwells is excluded.

**DIVISION 08 – DOORS, FRAMES, AND HARDWARE**

1. Overhead doors and coiling counter doors are included.
2. Excludes security glazing or film.
3. Excludes storm shelter opening requirements. N/A.

**DIVISION 09 – FINISHES**

1. Linear metal ceilings at press box included.
2. Block fill paint of CMU and dryfall paint of exposed structure is included.

**DIVISION 10 – SPECIALTIES**

1. Signage includes door signage, aluminum channel letters for exterior signage, and aluminum channel logo at fieldhouse.
2. Three flagpoles at the football field have been included.
3. Aluminum canopies at both buildings are included with wood look soffit panels.
4. Metal storage shelving is excluded.
5. Metal Lockers with integral base are included for both the double tier lockers and football lockers.
6. Excludes phenolic lockers. N/A

**DIVISION 11 – EQUIPMENT**

1. Football scoreboard included is (1 EA) LED Digital Display scoreboard and (1 EA) secondary non-digital scoreboard.
2. Appliances included are Ice Makers and Refrigerators. All other appliances are to be owner-furnished.
3. Commercial washer/dryer are to be owner-furnished.

**DIVISION 12 – FURNISHINGS**

1. Site furnishings are excluded.
2. Fixed audience seating at pressbox suites included.
3. Excludes window treatment. N/A

**DIVISION 13 – SPECIAL CONSTRUCTION**

1. Aluminum grandstands for home and visitors side are included as a closed deck.
2. Stadium seats at home side are included 1,485 each.

**DIVISION 21 – FIRE SUPPRESSION**

1. Wet pipe sprinkler system is included for both buildings.
2. Fire pump is included at pressbox.

**DIVISION 22 – PLUMBING**

1. Includes all fixtures and water/sewer connections.
2. Grease interceptor is excluded.
3. Does not include plumbing void system or mudskipper system

**DIVISION 23 – HVAC**

1. HVAC system includes an RTU and split systems with associated ductwork and fans as called out on plans.
2. Building controls are included.
3. Test and Balance is included

**DIVISION 26 – ELECTRICAL**

1. Athletic lighting for home and visitors side included.
2. Site lighting for new parking lots is included.
3. Lightning protection is included.
4. Conduit for low voltage is included as noted in drawings.

**DIVISION 27 – COMMUNICATIONS**

1. Low voltage cabling is excluded.
2. Audio/visual system includes video production system and stadium intercom sound system with associated cabling and equipment room fit outs.

**DIVISION 28 – SAFETY & SECURITY**

1. All security is excluded.
2. Fire alarm is included.

**DIVISION 31 – EARTHWORK**

1. Building Pad Prep: 10' Moisture Conditioning + 1' Select Fill.
2. Paving Prep: 6" Lime Stabilization at 6%.
3. Imported topsoil is excluded.
4. Excludes termite treatment.

**DIVISION 32 – EXTERIOR IMPROVEMENTS**

1. Irrigation system is design-build and is only included at new trees.
2. Sports field scope includes adding new lane at track, resurfacing all track lanes, and new associated field events.
  - a. Does not include replacement/new interior curb.
  - b. Does not include work at existing to remain synthetic turf.
  - c. Excludes new soccer goals or football goal posts. Existing to remain.
  - d. An allowance of \$10k is included to remove and reinstall existing turf to allow for new field power requirements. Does not include repairs/replacement to existing turf or track system including, but not limited to, gravel, geotextile fabric, drainage system, e-layer, synthetic turf.
3. Pavement markings include parking stalls, handicap stalls and signs, crosswalks, directional arrows, fire lane striping, on-site directional signage, and stop signs.
4. Excludes site perimeter fences and replacement of fence at adjacent service center.

**DIVISION 33 – UTILITIES**

1. Trench drain at south track curve and at field house are included.
2. Excludes work associated with the Ag Science Center.

**GENERAL NOTES****This GMP includes:**

1. General conditions based upon a 17-month construction schedule measure from the Date of Commencement with an additional 30 days for close-out.
2. Payment and Performance bond at a fixed rate of 0.7106% of the Contract Sum.
3. General liability insurance at a fixed rate of 0.75% of the Contract Sum.
4. Sub default insurance at a fixed rate of 1.5% of the cost of work.
5. Builder's risk insurance at a fixed rate of 0.20% of the Contract Sum. This is subject to review by the insurance carrier pending total contract sum.
6. There will be personnel working from the home office.
7. An assumption that savings achieved through the purchasing of the subcontracts will be for the use of the Construction Manager. All remaining savings after substantial completion will be returned in accordance with the contract terms.
8. The following schedule related clarifications and assumptions:
  - a. The date of commencement shall be established upon receipt of all necessary building permits by the Construction Manager and pending board approval by Red Oak ISD. Final Completion of the work shall be achieved within 17 months following the Date of Commencement set forth in A.2.1. The track and field will not be available for use until Final Completion and approval to occupy by responsible AHJ.
  - b. See Exhibit A for milestones
  - c. The schedule is based on an assumption that work will be performed during normal work hours Monday through Friday, 7:00 AM to 3:30 PM. However, Construction Manager has the ability to perform work 24 hours per day, seven days per week, to the extent allowed by the local jurisdiction, if Construction Manager, in its sole discretion, deems it necessary. No shift work or overtime is included unless specifically identified herein.
  - d. The project schedule assumes a loss of three (3) work days per calendar month due to the effects of inclement weather (e.g. rain, high winds, freezing temperatures, mud, etc.). Any weather impact in excess of this assumption will entitle Construction Manager to a day-for-day extension of the Contract Time. (Alt: The Project Schedule assumes there will be no weather impact to the critical path that cannot be made up within the same week. Any weather impact in excess of this assumption will be an extension of the Contract Time.)
  - e. The schedule is based upon all submittal reviews being processed within 10 business days.
  - f. The date of commencement shall be established upon receipt of all necessary building permits by the Construction Manager and pending board approval by Red Oak ISD. Final Completion of the Work shall be achieved within 17 months following the Date of Commencement set forth in A.2.1.

9. Any work to be self-performed by Joeris will be bid 24 hours prior to subcontractor bid due date. It will be awarded on a lump sum basis.
10. Costs for enterprise System software and hardware (Accounting and Project Management), network infrastructure support, and support services for purposes of processing owner billings, subcontract, vendor, and accounts payables, and project control reports at a fixed rate of 0.3% of the Contract Sum.

**This GMP excludes:**

1. A line-item guarantee. Line items are only shown for convenience of review.
2. Cost or time impacts resulting from supply chain disruptions in the marketplace, tariffs, price escalations in the marketplace or price increases due to labor or materials shortages.
3. Provisions for, or any impacts from, any errors or omissions in the contract documents prepared and/or issued by the Owner, Owner's vendors/separate contracts, Architect, Engineer, Consultant, or similar party.
4. Parking expenses for subcontractors during construction. It is assumed the Construction Manager will park on-site at no cost.
5. Construction and material testing. Testing assumed to be paid for by the Owner.
6. Excludes the potential impacts of any "Buy American" legislation, as the scope of such legislation and the potential cost impacts cannot be estimated at this time.
7. Building code changes, life safety code changes, or other regulatory changes that may occur beyond what is currently designed.
8. Providing CAD Files. This is supplied by the design team.
9. Excludes FM Global Requirements.
10. Excludes the design of building envelope weather-tight details not included in the project plans or specifications unless it has been specifically indicated to be Contractor's responsibility for "delegated design".
11. Document reproduction and/or shipping. Reproduction assumed to be paid for by the Owner. It is also assumed that electronic files be provided to the Construction Manager and/or its subcontractors by the design team at no cost.
12. LEED submittal for project material cost data, action plans, Coordination Conference, documentation, Commissioning, submittals, and an Indoor Air Quality Management Plan.
13. Cost Loading and Resource-Loading of the CPM Construction Schedule.
14. Providing Earnings Reports.
15. Requirements for the engagement of a scheduling consultant.
16. Earthquake bracing or seismic-force-resisting systems.
17. Wetlands mitigation and site changes required by flood control.
18. Third party environmental (i.e. asbestos, lead, mold, etc.) monitoring.
19. All municipal utility fees, water impact, or sewage fees.
20. Acquisition of air rights outside the project's property boundaries.
21. Full-Time dedicated Quality Control personnel.
22. Geo-Technical Report, Soils Testing, Energy Compliance Inspections, Texas Accessibility Standards (TAS), and all cost associated with any testing or inspection by a third party.
23. Provisions for unusual, undocumented, or unanticipated subsurface conditions. We will make reasonable efforts to locate and protect any existing underground utilities and facilities, but cannot accept responsibility for damage, or the impacts from damage, to unknown, unforeseen, non-located, or incorrectly located underground utilities or facilities.
24. Engaging a design professional to prepare repair and or replacement procedures for non-conforming work.
25. Dumpster for Owner-furnished debris.
26. Design responsibility inherent in performance specifications that involve assemblies or interfaces among design elements performed by different trades or are otherwise not customary proprietary specifications obtained from single manufacturers.
27. Specifications that state 1) "delegated design: design assembly or interface, including comprehensive engineering analysis by a qualified professional engineer, using performance requirements and design criteria indicated"; 2) requirements for code compliance and design features "whether or not indicated on the drawings," and 3) references to design "by others" on the drawings.
28. Provision of a dedicated desktop computer for use by the Architect and Owner to access Project electronic documents and maintain electronic communications.
29. Protection of existing facilities on adjacent properties.
30. Continuous monitoring and moisture testing of materials exposed to moisture during construction operations or after installation.
31. Construction Waste reduction progress reports, calculations, donation records, sales records, recycling records, disposal records, Statement of Refrigerant Recovery, and LEED Submittals.

32. Removal of surface dust from limited access spaces to include roofs, plenums, shafts, trenches, equipment vaults, manholes, attics, and similar spaces. Cleaning of HVAC System in compliance with NADCA Standard 1992-01.
33. Preparing and furnishing a full set of corrected digital data files of the Contract Drawings.
34. Developing and implementing an instruction program for training the Owner's personnel on the building's new equipment.
35. Recovery of any commodity items out of any construction items including, but not limited to spoils, trash, and unused materials.
36. Modification of any existing systems or conditions to bring them up to code compliance unless the scope of such modifications is clearly shown in these Clarification and Assumptions or Construction Documents.

New Elementary School (Harmony Way) - Bid Package 02: Structural Package

**Presented for:**

Board Action     X                        Report/Review Only                     

**Supporting documents:**

None                                 Attached     X                Provided Later                     

**Contact Person:**

Dr. Bill Johnston, Chief Financial Officer  
Brent Stanford, Executive Director of Support Services  
Julie Phillips, Director of Purchasing

**Background Information:**

On August 25, 2025, at the Regular Board Meeting, the Red Oak ISD School Board, with a vote of 7-0, Board Members present granted authority for the Superintendent to negotiate the contract with duly selected Construction Manager at Risk (CMaR), Joeris General Contractors for the new elementary school project on the Red Oak ISD site on Harmony Way in Red Oak, Texas.

The overall construction project for the new Elementary School will consist of several different stages and each stage will be bid to ensure that the best price is obtained. The first stage was for Early Civil Engineering. Having completed said negotiations, Administration is seeking approval to proceed with construction. The Guaranteed Maximum Price (GMP) proposal for Bid Package 02: Structural Package was presented by Joeris General Contractors and reviewed by Corgan and Red Oak ISD Administration at a meeting held on March 27, 2026.

**Fiscal Implications:**

Bid Package 02: Structural Package will be funded from 2025 Bond funds.

**Administrative Recommendation:**

Administration recommends the Board approve the New Elementary School Bid Package 02: Structural Package, as detailed in attached Joeris General Contractors proposal.

# RED OAK ISD

## NEW ELEMENTARY SCHOOL

HARMONY WAY, RED OAK, TX. 75154

**GMP – BP2: STRUCTURAL**

MARCH 27<sup>TH</sup>, 2026

**JOERIS**  
General Contractors

***COST SUMMARY***

<b>Red Oak ISD New Elementary School BP2: Structural Package</b>	<b>\$7,116,259</b>
--	--------------------

***MARKET CONDITIONS***

*It is impossible to determine the effect the current supply chain crisis will have on the performance of the construction contract. Joeris will endeavor to mitigate the impact of this event, however any impact on cost and schedule are unforeseeable and beyond our control. If Joeris is delayed at any time in the commencement or progress of the work or impacted by cost escalations due to labor shortages, unusual delay of deliveries, material shortages, unavoidable casualties, or other causes beyond our control, we reserve our right to an equitable adjustment of the contract time and cost.*

## **SCOPE CLARIFICATIONS**

*These Clarifications are provided to supplement the information provided by the Owner and Design Team. These Clarifications are based upon the Civil IFC drawings prepared by Corgan provided on 01/14/2026, Addendum 1 provided on 01/06/2026, Addendum 2 provided on 02/13/2026, Structural IFC set provided on 02/19/2026, and Addendum 03 provided on 03/04/2026*

### **DIVISION 00 – GENERAL CONDITIONS**

#### **INCLUDED:**

1. On-site job trailer. Location to be determined with owner
2. Temporary utility cost for construction activities
3. Contractor's Contingency of 2% included.
4. Owner's Contingency of 2% included.

#### **DOES NOT INCLUDE:**

1. Sales Tax
2. Any City, County, or Municipal Utility District stand-by fees, tap fees, user fees, water or sewer impact fees
3. Construction and Material testing, third party testing, or Indoor Air Quality Testing
4. Permit fee or certificate of occupancy fee.
5. Tree mitigation or impact fees.
6. Excessive cost or time impacts resulting from supply chain disruptions in the marketplace, price escalations in the marketplace or price increases due to labor or materials shortages.
7. LEED submittal for project material cost data, action plans, Coordination Conference, documentation, Commissioning, submittals, and an Indoor Air Quality Management Plan.

### **DIVISION 03 - CONCRETE**

- 1) Building foundation included as 5" Slab on Grade with uncased drilled straight shaft piers.
- 2) Storm shelter includes 6" Slab on Deck mechanical mezzanine and 6" Slab on Deck at roof structure.
- 3) Slab on geofoam is included at the stage
- 4) Freezer topping slab is included
- 5) Site concrete includes paving, regular sidewalks, dumpster pad foundations, mow curbs, flume, and canopy foundations.
  - a) Courtyard specialty sidewalks and seat walls are included per the 90% landscape drawings available at this time. Cost will be finalized in Bid Package 03, but the majority, if not all, the cost for those items are included in this GMP in order to obtain competitive bid pricing.
- 6) Cast-in-place concrete retaining wall plan east of the new school is included.
- 7) Does not include secondary precast cap on CIP concrete retaining walls
- 8) Vapor barrier included as Stego 15 mil.
- 9) Does not include any premolded vapor barrier.
- 10) All misc. concrete not shown on current drawing set is excluded (transformer pad, housekeeping pads, light pole bases, etc). Will be include in final GMP.
- 11) IFC and CMU is not included in this bid package. Will be included in the final GMP.

**DIVISION 05 - STEEL**

1. Structural steel package includes all sized beams, HSS, joists, and deck as noted, including related miscellaneous steel angles, braces, and reinforcement.
  - a. Additional support and reinforcing steel as needed for equipment or any architectural steel elements not noted on structural package is currently excluded and will be incorporated in a later package.
2. This package does not include any railings. Stage railings to be included in a later package.
3. This project excludes the requirement for an AISC-certified steel erector.

**Bid Package 01 Pricing Impacts**

1. No pricing impacts from trades earlier bid packages noted from this structural package or addendum 03.

**GENERAL NOTES****This GMP includes:**

1. General conditions included in this bid package are based on 3 months. Remaining GCs/GRs will be captured in later bid packages.
2. Payment and Performance bond at a fixed rate of 0.8680% of the Contract Sum.
3. General liability insurance at a fixed rate of 0.75% of the Contract Sum.
4. Sub default insurance at a fixed rate of 1.5% of the cost of work.
5. Builder's risk insurance at a fixed rate of 0.20% of the Contract Sum. This is subject to review by the insurance carrier pending total contract sum.
6. There will be personnel working from the home office.
7. An assumption that savings achieved through the purchasing of the subcontracts will be for the use of the Construction Manager. All remaining savings after substantial completion will be returned in accordance with the contract terms.
8. The following schedule related clarifications and assumptions:
  - a. The date of commencement shall be established upon receipt of all necessary building permits by the Construction Manager and pending board approval by Red Oak ISD. Final Completion of the work shall be achieved within 17 months following the Date of Commencement set forth in A.2.1.
  - b. The schedule is based on an assumption that work will be performed during normal work hours Monday through Friday, 7:00 AM to 3:30 PM. However, Construction Manager has the ability to perform work 24 hours per day, seven days per week, to the extent allowed by the local jurisdiction, if Construction Manager, in its sole discretion, deems it necessary. No shift work or overtime is included unless specifically identified herein.
  - c. The project schedule assumes a loss of three (3) work days per calendar month due to the effects of inclement weather (e.g. rain, high winds, freezing temperatures, mud, etc.). Any weather impact in excess of this assumption will entitle Construction Manager to a day-for-day extension of the Contract Time. (Alt: The Project Schedule assumes there will be no weather impact to the critical path that cannot be made up within the same week. Any weather impact in excess of this assumption will be an extension of the Contract Time.)
  - d. The schedule is based upon all submittal reviews being processed within 10 business days.
  - e. The date of commencement shall be established upon receipt of all necessary building permits by the Construction Manager and pending board approval by Red Oak ISD. Final Completion of the Work shall be achieved within 17 months following the Date of Commencement set forth in A.2.1.
9. Any work to be self-performed by Joeris will be bid 24 hours prior to subcontractor bid due date. It will be awarded on a lump sum basis.
10. Costs for enterprise System software and hardware (Accounting and Project Management), network infrastructure support, and support services for purposes of processing owner billings, subcontract, vendor, and accounts payables, and project control reports at a fixed rate of 3% of the Contract Sum.

**This GMP excludes:**

1. A line-item guarantee. Line items are only shown for convenience of review.
2. Cost or time impacts resulting from supply chain disruptions in the marketplace, price escalations in the marketplace or price increases due to labor or materials shortages.
3. Provisions for, or any impacts from, any errors or omissions in the contract documents prepared and/or issued by the Owner, Owner's vendors/separate contracts, Architect, Engineer, Consultant, or similar party.
4. Parking expenses for subcontractors during construction. It is assumed the Construction Manager will park on-site at no cost.
5. Construction and material testing. Testing assumed to be paid for by the Owner.
6. Excludes the potential impacts of any "Buy American" legislation, as the scope of such legislation and the potential cost impacts cannot be estimated at this time.
7. Building code changes, life safety code changes, or other regulatory changes that may occur beyond what is currently designed.
8. Providing CAD Files. This is supplied by the design team.
9. Excludes FM Global Requirements.
10. Excludes the design of building envelope weather-tight details not included in the project plans or specifications unless it has been specifically indicated to be Contractor's responsibility for "delegated design".
11. Document reproduction and/or shipping. Reproduction assumed to be paid for by the Owner. It is also assumed that electronic files be provided to the Construction Manager and/or its subcontractors by the design team at no cost.
12. LEED submittal for project material cost data, action plans, Coordination Conference, documentation, Commissioning, submittals, and an Indoor Air Quality Management Plan.
13. Cost Loading and Resource-Loading of the CPM Construction Schedule.
14. Providing Earnings Reports.
15. Requirements for the engagement of a scheduling consultant.
16. Earthquake bracing or seismic-force-resisting systems.
17. Wetlands mitigation and site changes required by flood control.
18. Third party environmental (i.e. asbestos, lead, mold, etc.) monitoring.
19. All municipal utility fees, water impact, or sewage fees.
20. Acquisition of air rights outside the project's property boundaries.
21. Full-Time dedicated Quality Control personnel.
22. Geo-Technical Report, Soils Testing, Energy Compliance Inspections, Texas Accessibility Standards (TAS), and all cost associated with any testing or inspection by a third party.
23. Provisions for unusual, undocumented, or unanticipated subsurface conditions. We will make reasonable efforts to locate and protect any existing underground utilities and facilities, but cannot accept responsibility for damage, or the impacts from damage, to unknown, unforeseen, non-located, or incorrectly located underground utilities or facilities.
24. Engaging a design professional to prepare repair and or replacement procedures for non-conforming work.
25. Dumpster for Owner-furnished debris.
26. Design responsibility inherent in performance specifications that involve assemblies or interfaces among design elements performed by different trades or are otherwise not customary proprietary specifications obtained from single manufacturers.
27. Specifications that state 1) "delegated design: design assembly or interface, including comprehensive engineering analysis by a qualified professional engineer, using performance requirements and design criteria indicated"; 2) requirements for code compliance and design features "whether or not indicated on the drawings," and 3) references to design "by others" on the drawings.
28. Provision of a dedicated desktop computer for use by the Architect and Owner to access Project electronic documents and maintain electronic communications.
29. Protection of existing facilities on adjacent properties.
30. Continuous monitoring and moisture testing of materials exposed to moisture during construction operations or after installation.

31. Construction Waste reduction progress reports, calculations, donation records, sales records, recycling records, disposal records, Statement of Refrigerant Recovery, and LEED Submittals.
32. Removal of surface dust from limited access spaces to include roofs, plenums, shafts, trenches, equipment vaults, manholes, attics, and similar spaces. Cleaning of HVAC System in compliance with NADCA Standard 1992-01.
33. Preparing and furnishing a full set of corrected digital data files of the Contract Drawings.
34. Developing and implementing an instruction program for training the Owner's personnel on the building's new equipment.
35. Recovery of any commodity items out of any construction items including, but not limited to spoils, trash, and unused materials.
36. Modification of any existing systems or conditions to bring them up to code compliance unless the scope of such modifications is clearly shown in these Clarification and Assumptions or Construction Documents.

# RED OAK HIGH SCHOOL

## GYM ADDITION

220 SOUTH SH 342, RED OAK, TX 75154

# GUARANTEED MAXIMUM PRICE PROPOSAL

MARCH 27<sup>TH</sup>, 2026

**BASE BID:**

<b>Base Bid: High School Gym Addition</b>	<b>\$10,129,580</b>
---	---------------------

**MARKET CONDITIONS**

*It is impossible to determine the effect the current supply chain crisis will have on the performance of the construction contract. Joeris will endeavor to mitigate the impact of this event, however any impact on cost and schedule are unforeseeable and beyond our control. If Joeris is delayed at any time in the commencement or progress of the work or impacted by cost escalations due to labor shortages, unusual delay of deliveries, material shortages, unavoidable casualties, or other causes beyond our control, we reserve our right to an equitable adjustment of the contract time and cost.*

**DETAILED STATEMENT OF COST**

#	ALLOWANCES & CONTINGENCIES	AMOUNT
No. 1	Owner Contingency	\$ 200,000
No. 2	Construction Manager Contingency	\$ 200,000
#	DESCRIPTION	AMOUNT
<b>000000</b>	GENERAL CONDITIONS	\$ 780,220

## SCOPE CLARIFICATIONS

*These Clarifications and Assumptions are provided to supplement the information provided by Corgan. These clarifications are based upon the preliminary documents, as listed below.*

1. Red Oak ISD Red Oak High School Gym Addition:
  - a. IFC Construction Documents Set of drawings dated 2/18/2026
  - b. IFC Project Manual dated 2/18/2026
  - c. Addendum 01 dated 3/9/2026
  - d. Addendum 02 dated 3/16/2026

## DIVISION 00 – GENERAL CONDITIONS

### INCLUDED:

1. On-site job trailer. Location to be determined with owner
2. Temporary utility cost for construction activities
3. Owner's Contingency of \$200,000 included.
4. Construction Manager's Contingency of \$200,000 included.

### DOES NOT INCLUDE:

1. Sales Tax
2. Any City, County, or Municipal Utility District stand-by fees, tap fees, user fees, water or sewer impact fees
3. Construction and Material testing, third party testing, or Indoor Air Quality Testing
4. Permit fee or certificate of occupancy fee.
5. Tree mitigation or impact fees.
6. Excessive cost or time impacts resulting from supply chain disruptions in the marketplace, price escalations in the marketplace or price increases due to labor or materials shortages.
7. LEED submittal for project material cost data, action plans, Coordination Conference, documentation, Commissioning, submittals, and an Indoor Air Quality Management Plan.

## DIVISION 02 – DEMOLITION

1. Building demolition includes removal of interior walls, exterior walls, acoustical ceiling, drywall ceiling, doors and door frames, to the extents shown.
2. Site demolition includes removal of sidewalks as shown.

## DIVISION 03 – CONCRETE

1. Foundation consists of a slab-on-grade with structural stoops, perimeter, and interior grade beams on void boxes on prepared subgrade.
2. Deep foundations consist of straight shaft drilled piers, as scheduled.
3. Mezzanine is included as a composite slab with concrete on metal deck as shown.
4. Storm shelter roof is included as a composite slab with concrete on metal deck, as shown.
5. Casing of piers is excluded.
6. Cast-in-place concrete retaining walls are excluded.
7. Pavement and sidewalk replacement is included for geothermal pipe routing work, limited to two 12' x 12' pavement panels at two crossings (total of 576 sf).

## DIVISION 04 – MASONRY

1. Perimeter walls of the storm shelter are included as 12" ICF walls as shown.
2. Interior side of ICF includes a 4" CMU veneer as shown.
3. Interior walls are 8" CMU partitions as shown.

4. Exterior veneer is a mix of modular brick and 4" ground face block veneer with 4" split face block accents.

**DIVISION 05 – STEEL**

1. Roof framing consists of composite joists with composite deck, with steel embeds at ICF.
2. Mezzanine framing consists of steel beams and composite deck, on top of CMU load-bearing walls.
3. Guardrail at mezzanine is included as carbon steel, with field-painted finish.
4. A roof-to-roof ladder and a mezzanine access ladder are included.
5. Site railings are excluded.
6. Stainless steel, powder-coated, or prefinished railings are excluded.
7. The requirement for an AISC-certified steel erector is excluded.

**DIVISION 07 – THERMAL AND MOISTURE PROTECTION**

1. Fluid applied air barrier is included at the exterior walls.
2. Air barrier behind plaster/stucco will be per the plaster manufacturer's specifications, to ensure compatibility with substrate and plaster system (not per section 07 27 26).
3. Sealants at building and site paving are included.
4. Roof is 60-mil PVC membrane roof that includes associated roof and parapet blocking, prefinished metal coping cap, gutters, downspouts, and walkway pads. R-value of R-25 is included.
5. Fully-tapered roof insulation is excluded. Slope is assumed to be by the structure. Preformed crickets are included for sloping to drains.
6. Spray Insulation, Acoustical Spray Insulation, or Fireproofing is excluded.
7. Roof hatches, hatch ladders, and hatch rails and posts are excluded.

**DIVISION 08 – OPENINGS**

1. Non-storm-rated frames are included as hollow metal, with hollow metal doors or wood as scheduled.
2. ICC-500 rated door assemblies are included at the perimeter of the storm shelter.
3. ICC-500 rated windows are included for windows located in the perimeter shelter walls.
4. ICC-500 rated louvers are included at the duct penetrations through the shelter roof for the RTU's and exhaust fans.

**DIVISION 09 – FINISHES**

1. Gypsum board ceilings and acoustical tile ceilings are included for the restrooms, and corridor spaces as shown.
2. 3-coat exterior plaster is included at the exterior wall as shown. Continuous insulation layer in the plaster system is not included, as the insulation layer is in the ICF. Integral color finish coat is included.
3. Grade 3 or better wood gym flooring system is included.
4. LVT is included at the corridor as shown.
5. Tile floors and walls are included at the restrooms per the finish plans.
6. Sealed concrete floors are included per the finish plans
7. Block fill paint of standard grey CMU and dryfall paint of exposed structure is included.
8. Painting of plaster is excluded.
9. Moisture vapor emission and alkalinity control costs are not included. Should testing of floor slab(s) return a failing result, additional cost will be incurred for a moisture vapor and alkalinity control barrier.

**DIVISION 10 – SPECIALTIES**

1. Prefabricated cantilevered canopies are included at the corridor entrances as shown.

2. Free-standing canopies are included at the corridor entrances as shown.
3. Metal storage shelving is excluded.
4. Lockers are excluded.

**DIVISION 11 – EQUIPMENT**

1. Athletic equipment includes motorized basketball backstops, volleyball sleeves, wall pads, and a gym divider curtain.
2. Two scoreboards are included.
3. Appliances, laundry equipment, and ice machines are excluded.

**DIVISION 21 – FIRE SUPPRESSION**

1. Wet pipe sprinkler system is included. Tie-in to existing fire sprinkler zone is assumed. No new sprinkler zone or mains are included.
2. New fire riser is excluded.
3. Fire pump is excluded.

**DIVISION 22 – PLUMBING**

1. Includes all fixtures and water/sewer connections.
2. Grease interceptor is excluded.
3. Does not include plumbing void system or mudskipper system

**DIVISION 23 – HVAC**

1. HVAC system includes geothermal heat pumps with electric auxiliary heat.
2. A 2-ton mini-split system is included to serve the new electrical storage room.
3. Relocation of geothermal wells is included.

**DIVISION 26 – ELECTRICAL**

1. Standard gymnasium high-bay lighting is included at the practice gym, as scheduled.
2. Specialty athletic or arena lighting (Musco or similar) is excluded.
3. Site lighting is excluded.
4. Conduit for low voltage systems that are shown is included.

**DIVISION 27 – COMMUNICATIONS**

1. Data cabling is excluded. This is assumed to be carried outside of the CMAR scope.
2. Audio-Visual systems are excluded. This is assumed to be carried outside of the CMAR scope.
3. Intercom system is excluded. This is assumed to be carried outside of the CMAR scope.

**DIVISION 28 – SAFETY & SECURITY**

1. All security is excluded. This is assumed to be carried outside of the CMAR scope.
2. A fire alarm system is included, as an extension of the existing fire alarm system at the main high school building. System is assumed to be Notifier.
3. Fire alarm main panel capacity is assumed to be sufficient to extend to gym addition. Replacement of existing fire alarm panel is not included.
4. Voice evacuation system is NOT INCLUDED.
5. Replacement or upgrade of existing high school fire alarm system is NOT INCLUDED.

**DIVISION 31 – EARTHWORK**

1. Building Pad Prep is included as import of common fill to bring up subgrade, and 1' of select fill directly beneath the slab area.
2. Moisture-conditioning of subgrade under select fill is excluded.
3. Imported topsoil is excluded.

**DIVISION 32 – EXTERIOR IMPROVEMENTS**

1. Landscape includes sod and temporary irrigation at disturbed areas.
2. Permanent fence is excluded.

**DIVISION 33 – UTILITIES**

1. Reroutes, connections, and taps to nearby sewer and storm drainage are included.
2. New water service is excluded. Water is assumed to be fed from the existing building.

**GENERAL NOTES****This GMP includes:**

1. General conditions based upon a 12-month construction schedule measure from the Date of Commencement with an additional 30 days for close-out.
2. Payment and Performance bond at a fixed rate of 0.8080% of the Contract Sum.
3. General liability & Umbrella insurance at a fixed rate of 0.75% of the Contract Sum.
4. Subcontractor default insurance at a fixed rate of 1.5% of the cost of work.
5. Builder's risk insurance at a fixed rate of 0.20% of the Contract Sum. This is subject to review by the insurance carrier pending total contract sum.
6. There will be personnel working from the home office.
7. An assumption that savings achieved through the purchasing of the subcontracts will be for the use of the Construction Manager. All remaining savings after substantial completion will be returned in accordance with the contract terms.
8. The following schedule related clarifications and assumptions:
  - a. The date of commencement shall be established upon receipt of all necessary building permits by the Construction Manager, board approval by Red Oak ISD, and receipt of a Notice to Proceed. Final Completion of the work shall be achieved within 12 months following the Date of Commencement set forth in A.2.1. The track and field will not be available for use until Final Completion and approval to occupy by responsible AHJ.
  - b. The schedule is based on an assumption that work will be performed during normal work hours Monday through Friday, 7:00 AM to 3:30 PM. However, Construction Manager has the ability to perform work 24 hours per day, seven days per week, to the extent allowed by the local jurisdiction, if Construction Manager, in its sole discretion, deems it necessary. No shift work or overtime is included unless specifically identified herein.
  - c. The project schedule assumes a loss of three (3) work days per calendar month due to the effects of inclement weather (e.g. rain, high winds, freezing temperatures, mud, etc.). Any weather impact in excess of this assumption will entitle Construction Manager to a day-for-day extension of the Contract Time. (Alt: The Project Schedule assumes there will be no weather impact to the critical path that cannot be made up within the same week. Any weather impact in excess of this assumption will be an extension of the Contract Time.)
  - d. The schedule is based upon all submittal reviews being processed within 10 business days.
9. Any work to be self-performed by Joeris will be bid 24 hours prior to subcontractor bid due date. It will be awarded on a lump sum basis.
10. Costs for enterprise System software and hardware (Accounting and Project Management), network infrastructure support, and support services for purposes of processing owner billings, subcontract, vendor, and accounts payables, and project control reports at a fixed rate of 3% of the Contract Sum.

**This GMP excludes:**

1. A line-item guarantee. Line items are only shown for convenience of review.
2. Cost or time impacts resulting from supply chain disruptions in the marketplace, tariffs, price escalations in the marketplace or price increases due to labor or materials shortages.
3. Provisions for, or any impacts from, any errors or omissions in the contract documents prepared and/or issued by the Owner, Owner's vendors/separate contracts, Architect, Engineer, Consultant, or similar party.
4. Parking expenses for subcontractors during construction. It is assumed the Construction Manager will park on-site at no cost.
5. Construction and material testing. Testing assumed to be paid for by the Owner.
6. Excludes the potential impacts of any "Buy American" legislation, as the scope of such legislation and the potential cost impacts cannot be estimated at this time.
7. Building code changes, life safety code changes, or other regulatory changes that may occur beyond what is currently designed.
8. Excludes FM Global Requirements.
9. Excludes the design of building envelope weather-tight details not included in the project plans or specifications unless it has been specifically indicated to be Contractor's responsibility for "delegated design".
10. Document reproduction and/or shipping. Reproduction assumed to be paid for by the Owner. It is also assumed that electronic files be provided to the Construction Manager and/or its subcontractors by the design team at no cost.
11. LEED submittal for project material cost data, action plans, Coordination Conference, documentation, Commissioning, submittals, and an Indoor Air Quality Management Plan.
12. Cost Loading and Resource-Loading of the CPM Construction Schedule.
13. Providing Earnings Reports.
14. Requirements for the engagement of a scheduling consultant.

15. Earthquake bracing or seismic-force-resisting systems.
16. Wetlands mitigation and site changes required by flood control.
17. Third party environmental (i.e. asbestos, lead, mold, etc.) monitoring.
18. All municipal utility fees, water impact, or sewage fees.
19. Acquisition of air rights outside the project's property boundaries.
20. Full-Time dedicated Quality Control personnel.
21. Geo-Technical Report, Soils Testing, Energy Compliance Inspections, Texas Accessibility Standards (TAS), and all cost associated with any testing or inspection by a third party.
22. Provisions for unusual, undocumented, or unanticipated subsurface conditions. We will make reasonable efforts to locate and protect any existing underground utilities and facilities, but cannot accept responsibility for damage, or the impacts from damage, to unknown, unforeseen, non-located, or incorrectly located underground utilities or facilities.
23. Engaging a design professional to prepare repair and or replacement procedures for non-conforming work.
24. Dumpster for Owner-furnished debris.
25. Design responsibility inherent in performance specifications that involve assemblies or interfaces among design elements performed by different trades or are otherwise not customary proprietary specifications obtained from single manufacturers.
26. Specifications that state 1) "delegated design: design assembly or interface, including comprehensive engineering analysis by a qualified professional engineer, using performance requirements and design criteria indicated"; 2) requirements for code compliance and design features "whether or not indicated on the drawings," and 3) references to design "by others" on the drawings.
27. Provision of a dedicated desktop computer for use by the Architect and Owner to access Project electronic documents and maintain electronic communications.
28. Protection of existing facilities on adjacent properties.
29. Continuous monitoring and moisture testing of materials exposed to moisture during construction operations or after installation.
30. Construction Waste reduction progress reports, calculations, donation records, sales records, recycling records, disposal records, Statement of Refrigerant Recovery, and LEED Submittals.
31. Removal of surface dust from limited access spaces to include roofs, plenums, shafts, trenches, equipment vaults, manholes, attics, and similar spaces. Cleaning of HVAC System in compliance with NADCA Standard 1992-01.
32. Preparing and furnishing a full set of corrected digital data files of the Contract Drawings.
33. Developing and implementing an instruction program for training the Owner's personnel on the building's new equipment.
34. Recovery of any commodity items out of any construction items including, but not limited to spoils, trash, and unused materials.
35. Modification of any existing systems or conditions to bring them up to code compliance unless the scope of such modifications is clearly shown in these Clarification and Assumptions or Construction Documents.
