Lice Procedure Review

Process: SHAC members and Nurse Coordinator (advisor) review WISD Policy, Procedure, and Lice education materials alongside regulations and Health Department guidance together.

SHAC Recommendation: WISD Nurse Coordinator and team review WISD Lice procedure with team and SHAC suggestions for the 26-27 school year.

Key goals: clarify the procedure for staff and families; connect to resources for families struggling to obtain treatment.

Going forward

- Will continue to build on existing health curriculum
- Will continue partnership with the Tx State FESTA program for Fentanyl and Overdose Awareness lessons related to Tucker's Law
- Hope to expand health curriculum coordination among campuses
- SHAC subcommittees will continue their work
- Will continue to explore opportunities for funding for SHAC activities and support for teacher/staff wellness programs

THANK YOU!

SHAC is thankful for the WISD School Board for its continued support and valuing the health and wellness of our WISD students!

Package 2 and 3, GMP #2

The CMAR (Construction Manager At Risk) Process……

#1: CMAR is selected based on Qualifications, Interview and Cost Methodology
- CMAR is selected before or while project is in design, to provide max value.

#2: CMAR assists Owner/Design Team with Estimates, and Constructability during Design.
- This is a constant process through design.

#3: Design Develops based on CMAR estimates and feedback.

#4: Project is “bid out” to the open market/subcontractors by the CMAR.
- Process provides maximum transparency.

#5: CMAR develops a “Guaranteed Maximum Price” (or GMP) based on Sub bids.

#6: Subcontracts are “bought out” based on best value Sub bids.

#7: Project is constructed, with any savings being returned to the Owner.

WIMBERLEY INDEPENDENT SCHOOL DISTRICT
BOARD OF EDUCATION
WIMBERLEY, TEXAS

Subject: Consider and possible action regarding Guaranteed Maximum Price #2 with Bartlett Cocke for the Wimberley High School Additions/Renovations, Danforth JHS Additions/Renovations, Texan Stadium Additions/Renovations and the Shaded Multipurpose Activity Center Project, including possible delegation of authority to the Superintendent or designee to finalize negotiations and execute same.

Date: April 20, 2026

Presented by: Mike Doyle

Action

BACKGROUND INFORMATION

Wimberley ISD is proceeding with the Wimberley High School Additions/Renovations, Danforth JHS Additions/Renovations, Texan Stadium Additions/Renovations and the Shaded Multipurpose Activity Center Project, which was approved by voters as part of the district's 2025 bond program.

Bartlett Cocke serves as the Construction Manager-at-Risk (CMAR) for this project and has worked collaboratively with district staff, architects, and consultants to develop Guaranteed Maximum Price (GMP) #2. This GMP represents the entire phase of construction.

The proposed GMP #2 includes all associated construction costs for scope related to bid package two and three, including labor, materials, subcontractor costs, general conditions, insurance, and contingencies, as defined in the GMP documentation. Establishing this GMP provides cost certainty for this portion of the project and enables the district to maintain its construction schedule while managing overall bond expenditures responsibly.

Approval of this item will authorize the district to proceed with the construction phase and, if approved, delegate authority to the Superintendent or designee to finalize negotiations and execute GMP Amendment #2 in coordination with legal counsel.

ADMINISTRATIVE RECOMMENDATION

It is Administrations recommendation to move forward on this action item and approve the Guaranteed Maximum Price #2 with Bartlett Cocke as presented.

BOARD ACTION REQUIRED

"I move that the Board approve the Guaranteed Maximum Price #2 with Bartlett Cocke for the Wimberley High School Additions/Renovations, Danforth JHS Additions/Renovations, Texan Stadium Additions/Renovations and the Shaded Multipurpose Activity Center Project as presented by Administration, and further delegate authority to the Superintendent to finalize

any negotiations related to the Guaranteed Maximum Price (GMP) Amendment #2 and execute the GMP Amendment in a form approved by legal counsel."

WIMBERLEY, TEXAS

Subject: Consideration and possible action regarding approval of a contract with Formetco for the repairs related to the scoreboard screen at Texan Stadium.

Date: April 20, 2026

Presented by: Mike Doyle

Action

BACKGROUND INFORMATION

Wimberley ISD experienced damage to the scoreboard screen at Texan Stadium, specifically involving multiple tiles requiring repair and replacement. After evaluating options, the District has identified Formetco, the original equipment provider, as the most qualified vendor to complete the necessary repairs to ensure compatibility, functionality, and restoration of the system.

Formetco will repair and/or replace the damaged tiles to restore the scoreboard to full operational capacity. Utilizing the original manufacturer ensures that repairs meet system specifications and maintain warranty and performance standards.

Importantly, the cost associated with these repairs will be fully covered by the District's insurance provider. As a result, this project is cost neutral to Wimberley ISD and will not impact the District's budget.

ADMINISTRATIVE RECOMMENDATION

Administration recommends that the Board approve the contract with Formetco for the repair and replacement of damaged scoreboard tiles at Texan Stadium.

BOARD ACTION REQUIRED

"I move that the Board approve the contract with Formetco for the repair and replacement of damaged tiles on the Texan Stadium scoreboard screen."

BOARD OF EDUCATION
WIMBERLEY, TEXAS

Subject: Consideration and possible action regarding approval of a contract for the replacement of Rooftop Unit (RTU-6) at Bridges Gym.

Date: April 20, 2026

Presented by: Mike Doyle

Action

BACKGROUND INFORMATION

As part of the District's 2025 Bond Program, the replacement of the Bridges Gym Rooftop Unit (RTU-6) was previously identified and scheduled within a broader package of HVAC improvements at the high school. However, the unit has since failed and requires immediate replacement in order to maintain proper facility operations and ensure a safe and functional environment for students and staff.

Due to the urgency of the situation, the RTU-6 replacement was removed from the original contractor's scope of work associated with the Bond project. This adjustment allows Wimberley ISD to expedite the replacement process and avoid delays tied to the larger construction schedule.

The proposed project includes the purchase and turnkey installation of a new 27.5-ton rooftop HVAC unit, along with associated mechanical, electrical, and controls work. The system includes modern, energy-efficient features and updated components designed to improve performance and reliability.

The total project cost for the RTU-6 replacement is $131,399, with an optional performance bond cost of $2,628, procured through the BuyBoard Purchasing Cooperative (Contract #720-23). Utilizing BuyBoard ensures compliance with state procurement requirements and District purchasing policies.

Texas AirSystems has been identified as the vendor for this project based on cooperative purchasing pricing and their experience providing turnkey HVAC solutions for K-12 facilities across Texas.

ADMINISTRATIVE RECOMMENDATION

Administration recommends that the Board approve the contract with Texas AirSystems for the replacement of Rooftop Unit (RTU-6) at Bridges Gym.

BOARD ACTION REQUIRED

"I move that the Board approve the contract with Texas AirSystems for the replacement of Rooftop Unit (RTU-6) at Bridges Gym in the amount of $131,399 (plus optional performance bond)"

Subject: Discuss and Consider the April 2026 Wimberley ISD Library Book Order

Date: 04/20/2026 **Presenter: Jason Valentine**

Consent

BACKGROUND INFORMATION

In accordance with SB 13 and EFB(LOCAL), the April 2026 Library Book Order is provided below for review. The list includes titles recommended by campus librarians using sources such as Follett Titlewave, Kirkus Reviews, and student requests (when professional reviews are available). Nonfiction titles are updated and reviewed more frequently due to the need for current and accurate information.

The book list has been publicly posted for the required 30-day review period prior to Board approval at the regular meeting on April 20, 2026. It is accessible on each campus library webpage, as well as on the District website, including a featured link on the homepage. The same comprehensive list is posted across all campus library sites for consistency.

This will be the final library book purchase for the school year.

ADMINISTRATIVE RECOMMENDATION

Approve as presented

BOARD ACTION REQUIRED

"*I move that we approve the April 2026 WISD Library Book Order as presented*"

April 2026 Library Book Order Proposal Notice

In accordance with SB 13 and EFB(LOCAL), please find the linked April 2026 Library Book Order below. The list is composed of titles that have been recommended by the campus librarians through Follett Titlewave, Kirkus Review and Student Requests (if they have available reviews). The nonfiction titles are updated and reviewed more frequently considering the rate of necessary updates. This list is available to the public for 30 days prior to the vote of the WISD Board of Trustees in the regular meeting on April 20, 2026. This will be the last library book purchase of the year.

April 2026 Library Book Order Proposal (To be considered in April 20, 2026, Board Meeting)

The April 2026 WISD Library Book Order is linked through the website of each campus library for public review. The list is universal for the district with the same list posted on each library website. There will also be a link on the District Website as a news story of the recommended library book purchase list for April 2026.
