USD333 Board of Education Regular Meeting
Monday, March 14, 2022 6:00 PM Central

USD #333 Board of Education Administrative Offices
217 W. 7th St.
Concordia, KS 66901

A. OPENING ITEMS

A.1. Call To Order
6:00 pm by President Bryan Bombardier

A.2. Pledge of Allegiance

A.3. Members Present
President Bryan Bombardier, Vice President Tony Miller, Mark Nordell, Nancy Owen, John Culley, Brad Berk

Superintendent Quentin Breese, Operations Director Kelly Struebing, Board Clerk Tracey Holmes, Business Manager Ronda Gumm
CES Principal Derek Holmes, CES Assistant Principal Krystal Breese, CJSHS Principal Kale Katt, CJSHS Assistant Principal Chad Eshbaugh, CMS Principal Curtis Noon
Media: Toby Nosker, Jim Lowell

Guest: Beverly Chrisco

B. CONSENT ITEMS

B.1. Adopt Agenda for Meeting

B.2. Approval of Minutes

B.3. Accept Gifts and Donations

B.4. Approval of Encumbrances as listed in the Superintendent's Report

B.5. Approval of Financial/Treasurer's Report/CapitalOne

B.6. Administrator/Building Reports

B.7. Vote on Consent Items

Mark Nordell moved to accept and approve the consent items as listed. Second by Nancy Owen. Motion carried 6-0.

C. PUBLIC COMMENTS

Beverly Chrisco asked to speak. She said that she has students at CES and CMS. She is concerned that her daughter at CMS is getting bullied and sexually assaulted by another student. Board member Mark Nordell replied that he is sorry for her situation but that this is now in the hands of local police and county attorney.

D. STUDENT/PATRON PARTICIPATION/RECOGNITION

E. INFORMATION/UPDATE/COMMUNICATION

E.1. Middle School Update

Superintendent Breese gave an update on the improvements at CMS. As they continue to make improvements more opportunities arise. A few challenges have been the venting found throughout the ductwork and condensation.

E.2. Legislative Update

Superintendent Breese presented to the board updates re: Senate bill 341.

E.3. Teacher Retention Study

Superintendent Breese presented to the board updates re: a recent teacher retention study. (attachments)

F. EXECUTIVE SESSION

Bryan Bombardier moved that the board go into executive session in the East Board Office Conference Room at 7:30 pm for the purpose of #1. Partnerships; for the purpose of confidential data relating to financial affairs or trade secrets of corporations, partnerships, trusts, and individual proprietorships; to protect the privacy rights of a corporation, partnership, trust, etc., with regard to their financial affairs. Bid Bond

CONTRACTOR:

(Name, legal status and address)

Country Carpet Inc.
14969 Waterman Crossing Rd.
Maple Hill, KS 66507

SURETY:

(Name, legal status and principal place of business)

Old Republic Surety Company
P. O. Box 1635
Milwaukee, WI 53201-1635

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

Any singular reference to Contractor, Surety, Owner or other party shall be considered plural where applicable.

OWNER:

(Name, legal status and address)

Concordia Public Schools, USD 333
217 West 7th Street
Concordia, KS 66901

BOND AMOUNT: \$ 5%

Five Percent of Amount Bid

PROJECT:

(Name, location or address, and Project number, if any)

Concordia USD 333 – 5th & 6th Grade Building

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

(Title) Kevin D. Kalish Attorney-in-Fact

Surety Phone No. 724-834-5000

POWER OF ATTORNEY

KNOW ALL MEN BY THESE PRESENTS: That OLD REPUBLIC SURETY COMPANY, a Wisconsin stock insurance corporation, does make, constitute and appoint:

Kevin D. Kalish

its true and lawful Attorney(s)-in-Fact, with full power and authority for and on behalf of the company as surety, to execute and deliver and affix the seal of the company thereto (if a seal is required), bonds, undertakings, recognizances or other written obligations in the nature thereof, (other than bail bonds, bank depository bonds, mortgage deficiency bonds, mortgage guaranty bonds, guarantees of installment paper and note guaranty bonds, self-insurance workers compensation bonds guaranteeing payment of benefits, or black lung bonds), as follows:

Execution Date: March 14, 2022

ALL WRITTEN INSTRUMENTS

Principal: Country Carpet Inc.

Obligee: Concordia Public Schools, USD 333

and to bind OLD REPUBLIC SURETY COMPANY thereby, and all of the acts of said Attorneys-in-Fact, pursuant to these presents, are ratified and confirmed. This appointment is made under and by authority of the board of directors at a special meeting held on February 18, 1982.

This Power of Attorney is signed and sealed by facsimile under and by the authority of the following resolutions adopted by the board of directors of the OLD REPUBLIC SURETY COMPANY on February 18, 1982.

RESOLVED that, the president, any vice-president or assistant vice president, in conjunction with the secretary or any assistant secretary, may appoint attorneys-in-fact or agents with authority as defined or limited in the instrument evidencing the appointment in each case, for and on behalf of the company to execute and deliver and affix the seal of the company to bonds, undertakings, recognizances, and suretyship obligations of all kinds; and said officers may remove any such attorney-in-fact or agent and revoke any Power of Attorney previously granted to such person.

RESOLVED FURTHER, that any bond, undertaking, recognizance, or suretyship obligation shall be valid and binding upon the Company

- (i) when signed by the president, any vice president or assistant vice president, and attested and sealed (if a seal be required) by any secretary or assistant secretary; or
(ii) when signed by the president, any vice president or assistant vice president, secretary or assistant secretary, and countersigned and sealed (if a seal be required) by a duly authorized attorney-in-fact or agent; or
(iii) when duly executed and sealed (if a seal be required) by one or more attorneys-in-fact or agents pursuant to and within the limits of the authority evidenced by the Power of Attorney issued by the company to such person or persons.

RESOLVED FURTHER that the signature of any authorized officer and the seal of the company may be affixed by facsimile to any Power of Attorney or certification thereof authorizing the execution and delivery of any bond, undertaking, recognizance, or other suretyship obligations of the company; and such signature and seal when so used shall have the same force and effect as though manually affixed.

IN WITNESS WHEREOF, OLD REPUBLIC SURETY COMPANY has caused these presents to be signed by its proper officer, and its corporate seal to be affixed this 21st day of July, 2021.

Signature of Karen J. Haffner, Assistant Secretary

Signature of Alan Pavlic, President

STATE OF WISCONSIN, COUNTY OF WAUKESHA - SS

On this 21st day of July, 2021, personally came before me, Alan Pavlic, and Karen J Haffner, to me known to be the individuals and officers of the OLD REPUBLIC SURETY COMPANY who executed the above instrument, and they each acknowledged the execution of the same, and being by me duly sworn, did severally depose and say that they are the said officers of the corporation aforesaid, and that the seal affixed to the above instrument is the seal of the corporation, and that said corporate seal and their signatures as such officers were duly affixed and subscribed to the said instrument by the authority of the board of directors of said corporation.

Signature of Kathryn R. Pearson, Notary Public

My Commission Expires: September 28, 2022

(Expiration of notary's commission does not invalidate this instrument)

CERTIFICATE

I, the undersigned, assistant secretary of the OLD REPUBLIC SURETY COMPANY, a Wisconsin corporation, CERTIFY that the foregoing and attached Power of Attorney remains in full force and has not been revoked; and furthermore, that the Resolutions of the board of directors set forth in the Power of Attorney, are now in force.

Signed and sealed at the City of Brookfield, WI this 14th day of March, 2022

Signature of Karen J. Haffner, Assistant Secretary

 - j. AREA B—SECTION 3: 20 Double-Tier Units (40 openings)
 2. LOCKER BASES: Bases are not necessary. Lockers will be installed on existing concrete platforms.
 3. VERTICAL TRIM: Please include Vertical Recess Trim for gaps at the end of locker runs.
 4. LOCKER TOPS: All locker runs are to include Sloping Tops.
 5. LOCKS: Lockers shall include Built-in Combination Locks (total of 376) with a supply of (10) Standard Master Keys and (10) ADA Master Keyed Built-In Combination Locks. Mechanisms to consist of Automatic Vertical Deadbolt.

II. Detailed Locker Specifications:

- A. See attachment: List Industries Inc. / Superior Lockers—Section 10 51 13—Metal Student Lockers. Includes full product specifications, warranty information, and installation specifications.
- B. Any substitutions must consist of equal to or greater specifications as detailed in the attached locker specifications for the All-Welded Unibody Classmate Double-Tier Lockers manufactured by List Industries, Inc.
- C. See attachment: List “Classmate” Welded Double-Tier Locker Elevation

SECTION 10 51 13 - METAL STUDENT LOCKERS

PART 1 GENERAL

1.1 SECTION INCLUDES

- A. Furnish and install factory-assembled Heavy-Duty MIG-Welded Metal Lockers, complete, as shown and specified per contract documents.

1.2 RELATED WORK SPECIFIED ELSEWHERE:

- A. Concrete: Section 03 10 00
- B. Rough Carpentry: Section 06 10 00
- C. Finish Carpentry: Section 06 20 00

1.3 SUBMITTALS

- A. GENERAL: Refer to Section 01 30 00 ADMINISTRATIVE REQUIREMENTS - SUBMITTALS
- B. SHOP DRAWINGS: Submit drawings showing locker types, sizes, quantities, including all necessary details relating to anchoring, trim installation and relationship to adjacent surfaces.
- C. COLOR CHARTS: Provide color charts showing manufacturer's available colors (minimum 24). Provide metal samples if requested.
- D. NUMBERING: Locker numbering sequence will be provided by the approving authority and noted on approved shop drawings returned to the locker contractor.

1.4 QUALITY ASSURANCE

- A. MANUFACTURING STANDARD: Provide metal lockers that are standard products of a single manufacturer, with interchangeable like parts. Include necessary mounting accessories, fittings, and fastenings.
- B. FABRICATOR QUALIFICATIONS: Firm experience (minimum 5 years) in successfully producing the type of metal lockers indicated for this project, with sufficient production capacity to produce required units without causing delay in the work.
- C. INSTALLER QUALIFICATIONS: Engage an experienced (minimum 2 years) installer who has successfully completed installation of the type of metal lockers and extent to that indicated for this project.

1.5 PRODUCT HANDLING

- A. GENERAL: All work shall be fabricated in ample time so as to not delay construction process.
- B. DELIVERY: All materials shall be delivered to the site at such a time as required for proper coordination of the work. Materials are to be received in the manufacturer's original, unopened packages and shall bear the manufacturer's label.

- C. STORAGE: Store all materials in a dry and well ventilated place adequately protected from the elements.

1.6 WARRANTY

- A. All-Welded Lockers are covered against all defects in materials and workmanship excluding finish, damage resulting from deliberate destruction and vandalism under this section for the lifetime of the facility.

PART 2 PRODUCTS

2.1 MANUFACTURERS

- A. AVAILABLE MANUFACTURERS: Subject to compliance with the design, material, method of fabrication and installation as required in this specification section or modified as shown on drawings. Manufacturers offering products which may be incorporated in the work include the following: Superior Lockers by List Industries Inc. (Basis of Design)

2.2 LOCKER TYPES

- A. General: Lockers shall be "CLASSMATE CORRIDOR LOCKERS" as manufactured by List Industries Inc. or approved equal.

1. Type: (2) Two Tier
2. Size: 12 " wide x 12 " deep x 72 " high 36"h per opening

- B. CLASSMATE CORRIDOR LOCKERS:

1. Doors: 14 gauge louvered sheet steel with recessed handle, and multi-point gravity lift-type latching
2. Sides: 16 gauge solid sheet steel
3. Tops, Bottoms, Shelves: 16 gauge solid sheet steel
4. Backs: 18 gauge solid sheet steel

2.3 FABRICATION

- A. MATERIALS:

1. Steel Sheet: All sheet steel used in fabrication shall be prime grade free from scale and imperfections and capable of taking a heavy coat of high gloss baked enamel.
2. Fasteners: Cadmium, zinc or nickel plated steel; bolt heads, slotless type; self locking nuts or lock washers.
3. Hardware: Hooks and hang rods of cadmium plated or zinc plated steel or cast aluminum.
4. Handle: Seamless drawn stainless steel recessed handle.
5. Number Plates: To be aluminum with not less than 3/8" high etched numbers attached to door with two aluminum rivets.

- B. CONSTRUCTION: Lockers shall be "Superior CLASSMATE Corridor Lockers" as manufactured by List Industries Inc. or approved equal. All lockers shall be factory-assembled, of all MIG welded construction, in multiple column units to meet job conditions. Assembly of locker bodies by means of bolts, screws, or rivets will not be permitted. Welding of knockdown locker

construction is not acceptable. Grind exposed welds and metal edges flush and make safe to touch.

1. UNIBODY/VERTICAL SIDE PANELS: Shall be of integral frame and side wall construction manufactured from solid 16 gauge sheet steel. The one-piece side/frame shall be formed to provide a continuous door strike on the hinge side. An additional continuous vertical door strike shall be achieved at the latch side by MIG welding a 16 gauge full height channel frame member to the integral locker side producing a rigid torque-free welded locker body. The frame shall include a tab which engages a slot in the base locking the side panel and frame into position. Sides to be solid.
2. INTEGRAL FRAME LOCKER BASE: 16 gauge formed sheet steel with double return flanges at the front and rear. A full depth horizontal channel shall be MIG welded under the locker bottom front-to-back at the left and right side of each welded locker unit as well as beneath each vertical side panel for maximum rigidity.
3. FLAT TOPS: Shall be formed of one piece of 16 gauge cold rolled sheet steel and shall be an integral part MIG welded to each vertical side panel frame member and be continuous to cover the full width of a multiple locker unit.
4. HAT SHELVES, INTERMEDIATE SHELVES AND BASES: Shall be 16 gauge sheet steel, have double bends at front and shall be MIG welded to the sides.
5. BACKS: Shall be 18 gauge cold rolled sheet steel, be continuous to cover a multiple unibody unit and be welded to each vertical side panel.
6. WARDROBE DOORS: Doors 20" high and over and 15" wide and under shall be fabricated from single sheet prime 14 gauge with single bends at top and bottom and double bends at the sides. The channel formed by the double bend at the latch side is designed to fully conceal the lock bar. Doors to be louvered.
7. HANDLE: All locker doors shall have a seamless drawn 304 stainless steel recessed handle shaped to receive a padlock or built-in combination lock. The recess pan shall be deep enough to have the lock be completely flush with the outer door face. A finger lift/padlock hasp shall protrude through the top of the handle for easy opening of the locker door.
8. LATCHING: The latching mechanism shall be finger lift control type constructed of 14 gauge (minimum) steel with a nylon cover that has a generous finger pull. Spring activated nylon slide latches shall be completely enclosed in the lock channel allowing doors to close with the lock in the locked position. Locking device shall be designed for use with either built-in combination locks or padlocks. Latch hooks shall be 12 gauge (minimum) and shall be MIG welded to vertical frame member. Provide three latch hooks for doors 48" and over and two for doors under 48".
9. DOOR HINGES: Hinges for wardrobe doors shall not be less than 16 gauge continuous piano type, securely riveted to frame and welded to the door. All doors shall be right hand side hinged.

2.4 LOCKER ACCESSORIES:

A. LOCKS (If required):

1. Built-In Combination Locks: Built-in combination automatic dead bolt locks with 5 control keys. Locks must be capable of a minimum of five combination changes.
2. Combination Padlocks: Combination padlock, key controlled.

B. EQUIPMENT: Furnish each locker with the following items, unless otherwise shown.

1. Single tier lockers: Openings 60" and 72" shall include one hat shelf, one double prong ceiling hook and a minimum of two single prong wall hooks.

2. Double tier lockers: Openings 30" thru 36" high shall include one double prong ceiling hook and a minimum of two single prong wall hooks.
 3. Triple tier lockers: Openings 20" thru 24" high shall include one double prong ceiling hook.
 4. Finished End Panels (If required): Shall be "Boxed" type formed from 16 gauge cold rolled steel with 1" O.D. double bends on sides and a single bend at top and bottom with no exposed holes or bolts. If lockers have slope tops, end panels must be formed with slope at top to cover the ends of the slope tops. Finished to match lockers. Provide at all exposed ends.
 5. Continuous Slope Tops (If required): Not less than 18 gauge sheet steel approximately 18 degrees pitch, in lengths as long as practical but not less than four lockers. To be installed in addition to the locker flat top with end closures for support. Finished to match lockers.
 6. Fillers (if required): Provide where indicated, of not less than 16 gauge sheet steel, factory fabricated and finished to match lockers.
- C. FINISHING: All locker parts to be cleaned and coated after fabrication with a seven stage hot-spray washing process and coated with a zirconium-based nanotechnology providing a green alternative to traditional iron phosphate followed by a coat of high grade custom blend powder electrostatically sprayed and baked at 350 degrees Fahrenheit for a minimum of 20 minutes to provide a tough durable finish. Color to be selected from manufacturer's standard list of colors. Two-Tone Color Combination: Shall be at no additional cost with the locker body, frame and trim chosen from one color and the doors may be one of any other color chosen from manufacturers standard selection.
- D. Lockers shall be GREENGUARD GOLD Certified.

PART 3 EXECUTION

3.1 INSTALLATION

- A. GENERAL: Installation shall be in strict conformance with referenced standards, the manufacturer's written directions, as shown on the drawings and as herein specified.
- B. PLACEMENT: Lockers shall be set in place, plumb, level, rigid, flush and securely attached to the wall (or bolted together if back-to-back) and anchored to the floor or base according to manufacturer's specifications.
- C. ANCHORAGE: About 48" O.C., unless otherwise recommended by manufacturer, and apply where necessary to avoid metal distortion, using concealed fasteners. Friction cups are not acceptable.
- D. TRIM: Sloping tops, metal fillers and end panels shall be installed using concealed fasteners. Provide flush, hairline joints against adjacent surfaces.

3.2 ADJUSTMENT

- A. GENERAL: Upon completion of installation, inspect lockers and adjust as necessary for proper door operation. Touch-up scratches and abrasions to match original finish.

END OF SECTION

USD 333 Concordia Public Schools
5th/6th Grade Building
Hallway Locker Bid Sheet

Please provide your bid information for the Hallway Lockers at the 5th/6th Grade Building located at 7th Street & Doster Street, Concordia, KS 66901. Important dates are provided below as well.

BID DUE DATE: Monday, March 14, 2022 - 12:00 PM

BID OPENING DATE/TIME : Monday, March 14, 2022 - 2:00 PM

BID AWARD DATE: Tuesday, March 15, 2022

INSTALLATION DEADLINE: Friday, July 29, 2022

Bidders are to provide a total cost including product and installation of 188 Total Double-Tier Lockers (376 Openings) per the accompanying project specifications documents which include product and installation details.

PRODUCT MANUFACTURER: List Industries, Inc. / Superior Locker

PRODUCT SERIES: All-Welded Unibody Classmate Double-Tier Lockers

NOTE: *If bid consist of an alternate product rather than the All-Welded Unibody Classmate Double-Tier Lockers manufactured by List Industries, Inc. that is the basis of the product specifications, please provide full product specifications for this alternate product.*

TOTAL BID PRICE INCLUDING PRODUCT & INSTALLATION: \$ 74,997.95

Authorized Bidder Signature: By signing below, bidder is confirming that products being bid meet the minimum specifications and requirements presented including product, installation and agrees to fully complete the project installation by the Project Installation Deadline provided.

Hallway Locker Specifications

Specifications based on the All-Welded Unibody Classmate Double-Tier Lockers manufactured by List Industries, Inc. All specifications for the project are outlined in this document.

I. General Project Specifications

- A. Furnish & install factory-assembled All-Welded Unibody Classmate Double-Tier Lockers or approved alternative product, complete, as shown and specified.
- B. Removal & Disposal of existing lockers as well as area preparation including cleaning and painting shall be the responsibility of USD 333 and will be completed in advance of installation of the new locker product.
- C. Locker Quantities & General Specifications
 1. 188 Total Double-Tier Lockers (376 Openings) as follows:
 - a. NORTH CORRIDOR: 26 Double-Tier Units (52 openings)
 - b. SOUTH CORRIDOR—SECTION 1: 19 Double-Tier Units (38 openings)
 - c. SOUTH CORRIDOR—SECTION 2: 8 Double-Tier Units (16 openings)
 - d. AREA A—SECTION 1: 18 Double-Tier Units (36 openings)
 - e. AREA A—SECTION 2: 18 Double-Tier Units (36 openings)
 - f. AREA A—SECTION 3: 21 Double-Tier Units (42 openings)
 - g. AREA A—SECTION 4: 19 Double-Tier Units (38 openings)
 - h. AREA B—SECTION 1: 22 Double-Tier Units (44 openings)
 - i. AREA B—SECTION 2: 17 Double-Tier Units (34 openings)
 - j. AREA B—SECTION 3: 20 Double-Tier Units (40 openings)
 2. LOCKER BASES: Bases are not necessary. Lockers will be installed on existing concrete platforms.
 3. VERTICAL TRIM: Please include Vertical Recess Trim for gaps at the end of locker runs.
 4. LOCKER TOPS: All locker runs are to include Sloping Tops.
 5. LOCKS: Lockers shall include Built-in Combination Locks (total of 376) with a supply of (10) Standard Master Keys and (10) ADA Master Keyed Built-In Combination Locks. Mechanisms to consist of Automatic Vertical Deadbolt.

II. Detailed Locker Specifications:

- A. See attachment: List Industries Inc. / Superior Lockers—Section 10 51 13—Metal Student Lockers. Includes full product specifications, warranty information, and installation specifications.
- B. Any substitutions must consist of equal to or greater specifications as detailed in the attached locker specifications for the All-Welded Unibody Classmate Double-Tier Lockers manufactured by List Industries, Inc.
- C. See attachment: List “Classmate” Welded Double-Tier Locker Elevation

USD #333 Attn: Board of Education 217 W 7th Street Concordia, KS 66901		USD #333 1001 E 7th Concordia, KS 66901	
Description			Total
<p>Furnish and install a new 2lb gas system on the roof. Includes regulators, eight (8) drops, three (3) high penetrations, roof stands, start up and pressure setting. Does not include additional piping inside the building if needed. Piping diagram needs to be verified by the customer after approval.</p> <p>Note: A current project exemption must be issued by the State of Kansas prior to work commencing to be tax exempt. This includes State, Educational, Religious and other normally tax exempt entities. Taxes are not included, and may be added to invoices in the event there is not a tax exemption certificate provided. Contact us if you have any questions.</p> <p>Due to the continued stress in our supply chain caused from Covid, our prices are only valid at the time of issue. Material pricing and availability are changing too rapidly to issue any guarantees regarding price or availability.</p>			\$29,344.00
Subtotal: \$29,344.00		Sales Tax: \$0.00	Total: \$29,344.00

IMPORTANT TERMS AND CONDITIONS

All material is guaranteed to be as specified. All work to be completed in a professional manner to standard practices and building code in affect at the time of the work. Any alternative or deviation from the above specifications involving extra costs, will be executed only upon written orders, and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents, or delays are beyond our control. The Owner is to carry fire, tornado, and other necessary insurance. Our workers are fully covered by Worker's Compensation Insurance. We may withdraw this proposal if not accepted within 30 days. This proposal does not include any building permits or processing fees. Terms: 50% down - Balance upon completion.

Management Approval:

V.P. Operations

Date: 16 Feb 22

ACCEPTANCE OF PROPOSAL:

By signing this proposal the undersigned hereby accepts this proposal and the same is deemed a valid contract. The undersigned further agrees that the above prices, specifications, and conditions are satisfactory and are hereby accepted. The undersigned further authorizes to do work as specified above. Payment is to be made as outlined above. If payment is not made by the undersigned as stated above, then the undersigned will be in default. The undersigned further agrees that in the event that the undersigned is deemed in default and this matter is placed with an attorney or collection agency for collection, the undersigned agrees to pay all collection costs, including reasonable attorney and other agency fees. In addition, the undersigned agrees to pay a 1 1/2 % service charge per month (or the maximum allowed by law) on any unpaid balances to be in default and/or turned over for collection.

Project: Concordia Old Middle School
New FA System

email: kelly.struebing@usd333.com

Tech Electronics of Kansas, LLC (Tech) is pleased to offer for sale the described goods and/or merchandise and/or service upon the terms set out herein:

New FA System

210441

QuantityDescription

- 1 NFS-320 Intelligent Fire Alarm Panel, 120 VAC, Black
- 2 Battery, 12 Volt, 18 Amp
- 11 Addressable Pull Station
- 11 Surface Back-Box for all NBG-10 or NBG-12 Models (Except NBG-12LRA)
- 1 Stopper II with Conduit Spacer
- 72 Intelligent Addressable Photoelectric Detector, With Flashscan, White
- 11 Intelligent Addressable 135 Degree Thermal Detector w/ Flashscan, White
- 83 Intelligent Flanged Mounting Base, 6", White
- 8 Strobe Wire Guard, Flush Mount, Red
- 50 Surface Mount Box for 400 & 500 Series Detectors and Sounder Bases
- 37 Horn Strobe, 2W, Red, Wall Mount
- 25 Strobe, Red, Wall Mount
- 4 Strobe Wire Guard, Surface Mount, Red
- 62 Wall Surface Mount Back Box, Red

Scope of Work by Tech Electronics:

TOTAL purchase price includes equipment, consultation, one time checkout of Fire Alarm Control Panel and all field devices, one wiring layout drawing per Electrical Contractor's conduit or cable routing, and typical device connection drawings. Note that testing of field devices, including Fire Marshal test, will be in conjunction with the electrical contractor's personnel. All installation of conduit, wire and devices will be performed by Hood Heating, Air & Electrical and is included in this quote.

TOTAL PURCHASE PRICE \$71,903.00

Please see last page of this submission for customer acceptance.

0119619-01A

The Power of Connection and Protection®

Clarifications/Scope of Work by Others:

WARRANTY:

This Submission includes a one (1) year material warranty from the date of installation completion or first beneficial use by the End User Customer, whichever occurs first. Material warranty will be provided by Tech Electronics per our Submission's terms and conditions. Job-site labor warranty to be provided by the installing party/contractor. Tech's warranty covers only material listed on this Submission and furnished and/or installed by Tech Electronics.

All warranty work by Tech Electronics, Inc. to be performed on Monday through Friday between the hours of 8:00AM to 4:30PM. If work needs to be performed outside of these hours and/or during holidays for any reason, it will be performed by Tech Electronics on a time and material basis as an extra to this Submission at Tech Electronics' current rate differential between the normal and overtime labor rates plus the minimum overtime service call-out charges.

This warranty does not apply to any products which have been installed incorrectly by the installing party/contractor and/or subjected to mishandling, improper use, or abuse. Please refer to Submission for additional terms, conditions, clarifications, and limitations of warranty.

Please see last page of this submission for customer acceptance.

Attachment A
SUBMISSION TERMS AND CONDITIONS

These Terms and Conditions are provided in connection with a Submission from Tech Electronics of Kansas, LLC ("Tech") to Customer (as defined in the Submission).

1. The Submission is an offer by Tech to provide the systems and items specified therein (the "System") at the price(s) and within the installation date(s) stated therein, subject to these Terms and Conditions. No terms stated by Customer in its request for proposal, purchase order, specification, acknowledgment or other documents shall be binding upon Tech, except as expressly incorporated herein by Tech, and Customer is hereby notified of Tech's objection to, and rejection of, any such terms which are in addition to, differ from, conflict with or are not included in the terms and conditions set forth in this Submission. **TECH'S OFFER IS EXPRESSLY LIMITED TO ACCEPTANCE UPON THE TERMS AND CONDITIONS CONTAINED HEREIN.** Customer may accept this offer by signing the Submission or by written purchase order.
2. The System offered by Tech will comply with the requirements specified and described in the Submission. Tech makes no agreement or representation that it will install the System in compliance with specifications or criteria differing from those stated, or incorporated into, the Submission. If Customer believes the System as it is described and specified by Tech in the Submission differs from Customer's specifications or criteria, Customer must give Tech notice within ten (10) days of receiving this Submission. Upon such notice Tech shall have the right to withdraw or revise the Submission at Tech's discretion. Tech assumes no responsibility for Customer's acceptance of this Submission in violation of any specifications or criteria communicated to Customer by third parties, unless such specifications are specifically adopted or referenced in this Submission by Tech.
3. Tech has acquired from one or more third parties (each a "Third Party") the right to distribute and sublicense certain Third Party software (the "Software") for use in conjunction with the System. Tech hereby grants to Customer a non-exclusive, non-transferable sublicense to use the Software in the System. Customer acknowledges that Tech is only a licensed distributor, and not the creator, owner or manufacturer, of the Software. Tech shall assign to Customer all of its rights and interests in and to any warranty or indemnity offered in connection with the Third Party Software that are assignable by Tech. Customer shall comply with all Third Party terms and conditions applicable to the maintenance of the Software, including but not limited to any requirements to enter into a separate software support and/or maintenance agreement with the applicable Third Party manufacturer, creator or owner and paying all associated maintenance and/or service fees associated therewith. In the event Customer fails to comply with any provisions of the Third Party maintenance terms and conditions, then (i) Tech may terminate the Submission immediately and (ii) any additional services provided by Tech that are requested by Customer shall be on a time-and-materials basis at Tech's then-current service rates. Customer acknowledges that the provisions contained in this Section are intended to protect the Third Party manufacturers, creators and/or owners of the Software; accordingly, each Third Party shall be deemed a third party beneficiary with respect to this Section and shall have the right to enforce this Section as appropriate against Customer. Customer shall, at Customer's sole cost and expense, maintain the Software at the then-current version or release of the Software; otherwise (x) Customer may not be eligible to receive goods and services hereunder, (y) Tech may terminate the Submission immediately and (z) any additional services provided by Tech that are requested by Customer shall be on a time-and-materials basis at Tech's then-current service rates.
4. The purchase price and the payment terms for the goods and services to be provided by Tech are set forth in the Submission; provided, however, that any rental or lease amounts are subject to the customer's credit approval. Any excises, levies, or taxes which Tech may be required to pay or collect, under any existing or future law, upon or with respect to the sale, purchase, delivery, storage, or processing of the System or any related use, consumption or transportation of any of the material covered hereby, shall be paid by Customer in addition to the sales prices, unless stated otherwise in writing. All sums not paid when due shall bear interest at the rate of 1-1/2% per month or the maximum legal rate permitted by law, whichever is less. All costs of collection of amounts owed hereunder, including reasonable attorney's fees, shall be paid by Customer. Tech reserves the right to stop work upon nonpayment by Customer.
5. In the event Tech encounters on site material reasonably believed to be asbestos or any other substance reasonably believed to be harmful, Tech will immediately stop work in the area and report the condition to Customer. Customer shall remove or remediate the hazardous material at no cost to Tech. Tech's work in the affected area shall not be resumed until Customer declares the area safe and both Customer and Tech agree in writing to resume work. The time to complete the Project shall be extended appropriately and the contract price shall be increased by the cost of Tech's reasonable demobilization, delay and remobilization.
6. Customer shall provide conduit in all ceilings that are used as a return air plenum in compliance with local codes and ordinances and will provide all other required access, ventilation, and clearance in compliance with local codes and ordinances.
7. Lightning protection, if provided as part of the Submission's bill of material, is only provided under such terms and conditions as set out in the manufacturer's specifications and is limited to the voltage and surges provided for in the manufacturer's data. (Copies of the manufacturer's terms and conditions are available for inspection upon request.)
8. Cancellations, modifications of orders, hold-ups or deferred delivery of orders can only be made with the written consent of Tech, and only upon terms that will indemnify Tech against any and all losses or costs that may have been incurred up to the time of such cancellation or hold-up, and which may later accrue as a result of such cancellation or hold-up.
9. The scope and coverage of Tech's warranty is set forth in the Submission. If any failure to conform to such warranty be found during the term of the warranty, Tech will correct such nonconformity by replacement of defective material and parts or by making other suitable repairs. **ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXCLUDED AND DISCLAIMED BY TECH.** Tech does not represent or warrant that the System will not malfunction or be compromised or circumvented, that the System will prevent any loss by burglary, hold-up, fire or otherwise, or that the System will in all cases provide the protection for which it is installed or intended or protect Customer from all losses. Customer acknowledges that (i) Customer assumes all risks for loss or damage to Customer's premises and to its contents, (ii) Tech has made no representation or warranties nor has Customer relied on any representations or warranties, express or implied, except as set forth herein and (iii) Customer has read and understands the Submission and these Terms and Conditions, including the sections setting forth Tech's obligations and maximum liability in the event of any loss or damage to Customer. Customer acknowledges and agrees that Tech is not an insurer and that these Terms and Conditions are not intended to be an insurance policy or a substitute for an insurance policy. Insurance, if any, will be maintained by Customer. Tech's charges are based solely upon the value of the services provided and are unrelated to the value of Customer's property or the property of others located on Customer's premises.
10. If warranty service is requested because of causes other than breach of a warranty provided by Tech, the service will be provided at Tech's per call

rates and terms then in effect.

11. TECH MAKES, AND CUSTOMER RECEIVES, NO WARRANTY, EXPRESS OR IMPLIED, REGARDING ANY ASPECT OF THE SOFTWARE, AND ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT ARE EXPRESSLY EXCLUDED. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, TECH MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, REGARDING THE PERFORMANCE OF THE SOFTWARE OR THE RESULTS THAT MAY BE OBTAINED BY USING THE SOFTWARE. ACCORDINGLY, WITH THE EXCEPTION OF ANY WARRANTIES THAT TECH IS AUTHORIZED TO PASS THROUGH TO CUSTOMER DIRECTLY FROM THE APPLICABLE THIRD PARTY, THE SOFTWARE IS LICENSED "AS IS" WITHOUT ANY WARRANTIES OF ANY KIND. CUSTOMER ASSUMES THE ENTIRE RISK AS TO THE RESULTS AND PERFORMANCE OF THE SOFTWARE.

12. CUSTOMER AGREES TO INDEMNIFY, DEFEND AND HOLD TECH, ITS AGENTS AND EMPLOYEES HARMLESS FROM ANY AND ALL CLAIMS, DEMANDS AND LAWSUITS (REGARDLESS OF THE CAUSE OF ACTION OR LEGAL THEORY), INCLUDING THE PAYMENT OF ALL DAMAGES, EXPENSES, COSTS AND ATTORNEY FEES, WHETHER THESE CLAIMS AND LAWSUITS ARE BASED UPON ACTIVE OR PASSIVE NEGLIGENCE, GROSS NEGLIGENCE, WILLFUL OR WANTON CONDUCT, RECKLESS CONDUCT, INDEMNIFICATION, CONTRIBUTION OR STRICT OR PRODUCT LIABILITY, OR ANY OTHER TYPE OF CLAIM OR CONDUCT ON THE PART OF TECH, ITS AGENTS OR EMPLOYEES, EXCEPT TO THE EXTENT SUCH CLAIMS, DEMANDS OR LAWSUITS OCCUR WHILE AN EMPLOYEE OR AGENT OF TECH IS ON CUSTOMER'S PREMISES AND WHICH DAMAGES, EXPENSES AND OTHER LIABILITY ARE SOLELY AND DIRECTLY CAUSED BY THE ACTS OF SAID EMPLOYEE OR AGENT. THIS PROVISION (AND ALL OTHER PROVISIONS IN THIS AGREEMENT) SHALL BE ENFORCEABLE TO THE MAXIMUM EXTENT PROVIDED BY LAW. At Tech's option, Tech shall have full control over the conduct, defense and/or settlement of any claim for indemnification hereunder (including the selection of counsel related thereto). Customer shall advance and/or reimburse (at the sole discretion of Tech) all attorneys' fees and all costs, expenses, and obligations incurred by or to be incurred by Tech or any other of the indemnified persons in connection with investigating, defending, participating in (including on any appeal), settling, compromising, preparing to defend, or being a witness in any claim. If, at the time any of the indemnified persons notifies Customer of a claim and Customer has insurance coverage that may cover such claim, Customer promptly shall deliver written notice of such claim to any such insurers and provide Tech a copy of such notice.

13. THE TOTAL LIABILITY OF TECH HEREUNDER OR ARISING IN CONNECTION WITH THE PROVISION OF ANY SERVICES (REGARDLESS OF THE CAUSE OF ACTION OR LEGAL THEORY), WHETHER BASED UPON OR ARISING OUT OF NEGLIGENCE, GROSS NEGLIGENCE, WILLFUL OR WANTON CONDUCT, RECKLESS CONDUCT, STRICT LIABILITY, CONTRACT, TORT, WARRANTY, MISREPRESENTATION, PATENT INFRINGEMENT OR OTHERWISE, SHALL NOT EXCEED THE ACTUAL AMOUNT PAID BY CUSTOMER TO TECH FOR SUCH SERVICES, OR \$10,000, WHICHEVER IS GREATER. THE PROVISIONS OF THIS SECTION SHALL APPLY IN THE EVENT OF LOSS OR DAMAGE, IRRESPECTIVE OF THE ORIGIN, RESULTING DIRECTLY OR INDIRECTLY TO PERSONS OR PROPERTY FROM THE PERFORMANCE OR NON-PERFORMANCE OF THE OBLIGATIONS SET FORTH BY THE TERMS OF THESE TERMS AND CONDITIONS OR FROM THE ACTIVE OR PASSIVE NEGLIGENCE, GROSS NEGLIGENCE, WILLFUL OR WANTON CONDUCT, OR RECKLESS CONDUCT OF TECH'S AGENTS OR EMPLOYEES. IN NO EVENT SHALL TECH BE LIABLE TO CUSTOMER FOR CONSEQUENTIAL DAMAGES SUCH AS, BUT NOT LIMITED TO, LOSS OF OR DAMAGE TO OTHER EQUIPMENT OR ANY PLANT OR FACILITIES, LOSS OF PROFIT, OR LOSS OF PRODUCTION, REGARDLESS OF WHETHER THE CLAIM FOR SUCH CONSEQUENTIAL DAMAGES BE BASED ON WARRANTY (EXPRESS OR IMPLIED), CONTRACT, TORT, GROSS NEGLIGENCE, WILLFUL OR WANTON CONDUCT, RECKLESS CONDUCT OR OTHERWISE. TECH SHALL NOT BE LIABLE TO INDEMNIFY CUSTOMER AGAINST ANY CLAIMS MADE AGAINST CUSTOMER FOR SUCH CONSEQUENTIAL DAMAGES. CUSTOMER AGREES TO DEFEND, INDEMNIFY AND HOLD TECH HARMLESS FOR ALL CLAIMS (INCLUDING CLAIMS FOR INDEMNITY) FOR ANY SUCH CONSEQUENTIAL DAMAGES BROUGHT AGAINST TECH. THIS PROVISION (AND ALL OTHER PROVISIONS IN THIS AGREEMENT) SHALL BE ENFORCEABLE TO THE MAXIMUM EXTENT PROVIDED BY LAW.

14. CUSTOMER DOES HEREBY FOR ITSELF AND ANY PARTIES CLAIMING UNDER IT, RELEASE AND DISCHARGE TECH FROM AND AGAINST ALL HAZARDS COVERED BY CUSTOMER'S INSURANCE, AND ALL CLAIMS AGAINST TECH ARISING OUT OF SUCH HAZARDS, INCLUDING ANY RIGHT OF SUBROGATION BY CUSTOMER'S INSURANCE CARRIER, ARE HEREBY WAIVED BY CUSTOMER, AND CUSTOMER SHALL PROMPTLY SO NOTIFY ITS INSURANCE CARRIER. THIS WAIVER OF SUBROGATION EXTENDS TO ANY ALLEGED NEGLIGENCE, GROSS NEGLIGENCE, WILLFUL OR WANTON CONDUCT OR RECKLESS CONDUCT BY TECH. THIS PROVISION (AND ALL OTHER PROVISIONS IN THIS AGREEMENT) SHALL BE ENFORCEABLE TO THE MAXIMUM EXTENT PROVIDED BY LAW.

15. If it becomes necessary at any time, or from time to time, subsequent to the date of this Submission and prior to completion of performance hereunder to make any changes in the terms of this Submission, or to any of the schedules or addenda attached hereto, and made a part hereof, any such change shall be effective only upon acceptance in writing signed by an authorized representative of Customer and an authorized officer of Tech and in such event the price, work schedules and other terms and conditions as appropriate shall be as changed by the parties in written amendment hereto.

16. Tech shall not be liable for nonperformance or delay in performance due wholly or partially to any cause beyond its control, including action or failure of the government to act where action is required, strikes or other labor troubles, civil unrest, power failures, interruption or unavailability of telephone service, fire, flood, lightning, earthquakes, or other acts of God. Replacement of the System necessitated by any such event will be at Customer's expense. The Submission may be suspended or terminated, at the option of Tech or Customer, if Customer's premises or the System or any part thereof is destroyed by fire, lightning or other catastrophe or so substantially damaged that it is impractical to continue to provide goods and services. Upon such suspension or termination, an equitable refund of the service charges paid, but not yet earned, shall be made. Notice of termination shall be given upon written notice given within ten (10) days of such event.

17. The Submission, together with the documents attached hereto or incorporated herein by reference, shall constitute the entire agreement of the parties and may not be modified in any way unless specifically agreed to by Tech in writing.

18. Tech shall have the right to subcontract any of the services which it may be obligated to perform. The Submission and its benefits are not assignable by Customer except to the end-user. Customer acknowledges that the Submission, and particularly those Sections relating to Tech's maximum liability and third party indemnification, inure to the benefit of, and are applicable to any assignees or subcontractors of, Tech.

19. In the event any of the terms and conditions of the Submission are declared invalid or inoperative, all of the remaining terms and conditions shall remain in full force and effect.
