PE

After beach volleyball Mrs. Blackwood will explore new team-building activities that help students develop communication, cooperation, trust, and problem-solving skills. She will use these activities to create an inclusive and positive environment where students learn the importance of working together and supporting one another.

5th Grade

In ELA, they will focus on personal narratives, theme, personification, and strong word choice, while math and science will include place value, estimation, metric conversions, multiplication and division, Earth's atmosphere, STARBASE, and energy. In Social Studies, students will begin learning about Native Americans.

6th Grade

Over the next month, sixth grade will explore integers and rational numbers in math, weather and air pressure in science, and basic concepts such as world religions, latitude and longitude, and geography in world regions in Social Studies. In ELA, we'll dive into Roald Dahl's autobiography while practicing how to bring a single moment to life through vivid, descriptive writing!

Building Attendance

Concordia Jr/Sr High School: 96% for Aug 12-Sept 4
Junior High: 96.4%
High School: 95.8%

Highlights from CJSHS

The members of the Class of 1964 have donated funds to create the **Concordia High School Endowment Fund** to be used to provide scholarships for classroom supplies for Concordia Junior Senior High School teachers. So far, three teachers have applied and were awarded funds for calculators, white boards and markers, and dictionaries and thesaurus sets.

The September **student of the month** is Burklee Jackson.

Eleven seniors took the **Dane Hansen** Test Wednesday, September 9 in Salina. Students invited to test had to score a 23 or higher on their ACT. These seniors are Lila Wallace, Isaias Irigoyen, Gabi Lange, Stella Trost, Charles Huang, Burklee Jackson, Parker Jackson, Skye Johnson, Samuel McDole, Peyton Pruser, Aliana Shore.

Juniors and seniors taking **concurrent classes** (on campus and online) with Cloud County Community College have totaled 162 enrollments totalling 521 hours. This is equivalent to $36,000 worth of credits.

The **WorkKeys** test for juniors is scheduled for October 21, and the **Pre-ACT** test for freshmen is scheduled for September 30. The free **ACT** for juniors is scheduled for March 4.

FFA starts competing in September. Wednesday, September 16 is the Greenhand and Fall Area meeting in Brookville, and September 23 is the date for Entomology, Land and Homesite in Abilene.

The **NCKL Honor Choir** is Wednesday, September 23 in Wamego.

Student Council and the Pantherettes are planning for **Homecoming Week**, September 21-25.

Board of Education Meeting

Open Forum Guidelines

Guidelines for the Open Forum

1. Any person wishing to address the Board in public forum must sign up on the sign-up sheet. The presiding officer of the public meeting will moderate the open forum anticipating the forum will be limited to thirty minutes.
2. As a courtesy and as a part of the public record, each speaker should identify themselves with name and address. Each speaker will be allowed three (3) minutes to address the Board. The Board may engage the speaker for clarification of the issue. The three minutes time limit may go longer based on Board questions.
3. The Board will not debate past decisions made by the current governing body or any past governing body.
4. The Board seeks only constructive criticisms and suggestions.
5. The Board will only allow one speaker at a time and a proper decorum will be enforced.
6. Speakers should keep their comments short and to the point.
7. Engaging in active debate with the Board or anyone in the audience will not be allowed.
8. All remarks and suggestions must be respectful and courteous, free of name-calling and/or personal attacks.
9. Persons making comments which violate the privacy rights of district employees or students will be asked to stop speaking or cease their remarks immediately. If a patron or parent has a concern with one or more employee(s), the Board will refer that person to the appropriate employee or the Superintendent.
10. No remarks will be allowed that contain vulgarities or inappropriate language.
11. No speakers may have the floor more than one time until all who wish to speak have been given the opportunity. The presiding officer will determine the order of speakers.
12. All comments must be directed to the Board as a whole, not to any specific member or to any person who is not a Board member.

Procedures to address the Board during Open Forum:

1. Print your name on the sign-up sheet and list the topic of your presentation.
2. The sign-up sheet will be given to the Board President at the beginning of the meeting.
3. The Board President will call each person on the sign-up sheet during the public forum agenda.
4. State your name, address, and summarize your concerns/suggestions. Limit your presentation to approximately three minutes. This may go longer based on Board questions.

BCBI **Public Participation at Board Meetings** (See BCAE and KN) **BCBI**

Open Forum

The president or presiding officer may ask patrons attending if they would like to speak during the open forum. Rules for the public forum will be available from the clerk prior to the board meeting and at the meeting itself. The board president may impose a limit on the time a visitor may address the board. The board president may ask groups with the same interest to appoint a spokesperson to deliver the group's message. Except to ask clarifying questions, board members shall not interact with speakers at the open forum.

Patron-Requested Agenda Items

Any patron may request addition of a specific agenda item and shall notify the superintendent {seven} days prior to the meeting and state the reason(s) for the request. The superintendent shall determine whether the request can be solved by staff without the patron's appearance before the board. If not, the superintendent shall consult with the board president, and the patron's request may be placed on the next regular board meeting agenda.

Handling Complaints

The superintendent may refer complaints to the board only if a satisfactory adjustment cannot be made by a principal, the superintendent, or other appropriate staff members.

Insurance
As of today, we are still waiting for numbers, but we are expecting to see an increase this year for health insurance.

New Programs
In the next two weeks, we will host New Teacher Academy and our PLC Leads. These are two of the new programs that we started this year.

Evaluation Tool
In the near future, we will form an investigative team to research possible new ways for evaluation. This will be ongoing work throughout the year. Our belief is that it is always better to house your own program instead of relying on a company and paying for one.

CHS - I wanted to give a thank you to Allan Jackson and his class. They were able to fix the food service van drive cable. The class ordered and installed a new cable and returned the van to service.

Transportation – We have had a few issues with the hot temperatures and keeping students and drivers cool. We have had a few unforeseen issues with our fleet, specifically the activity fleet. We have three activity buses with air conditioning, and one bus is out of rotation until the emergency glass can be replaced. Currently, we are waiting on the glass for that bus.

We thought the current air conditioning issue was a valve issue allowing hot water through, but that was not the case. The bus will cool while parked but not while in drive. The bus has been taken to the mechanic, and I hope to provide an update at the meeting regarding the overall issue.

District- We have received the facility audits back, with several firms excited to work with the district. We will get back to them to schedule a dedicated time for them to present their RFQs.

CES Recess Equipment Update – Bids have been received. I will present those items for action. As a reminder, the recess slides have been patched many times, and we are at the point of needing replacements. Replacement slides are no longer manufactured, so the manufacturer would need to set up production to manufacture replacement slides. The cost to do this is nearly the same as the cost to replace the equipment. This quote also addresses the PreK playground.

CES - We have received three bids for the CES condenser coil for the chillers. I will present the lowest bid for at the board meeting.

Curriculum Director Report for BOE

Curriculum:

The renewal of the Generation Genius Supplemental program for 6th grade Math, Science, and ELA was approved. They have mainly used it for lessons where gaps have been identified in the FOSS Science curriculum.

We were able to connect with USD 381 Spearville on the new Amplify CKLA Curriculum. They have graciously shared some of their resources and pacing as a starting point for our teachers. Rachelle Scott has been in contact with their Instructional coach, Carmon Younker.

Professional Development:

9 Professionals, a mix of teachers, coaches, and admin, are attending the Annual MTSS Conference in Wichita from Sep 15-17.

September 28th is the next PD day. Dr. Gillespie is working with PLC leads in the morning, as well as SAVVAS providing a virtual training for 3-6 Social Studies new adopted curriculum. PLC Leads will lead their group meetings in the afternoon focusing on developing working agreements, setting smart goals, and data analysis of KAP scores. Principals are supplementing the rest of the time with Building level needs.

Other:

I attended the state required training for District Test Coordinators in Salina on September 10th. The plan is to complete required training for all staff when we come back from Christmas break. I will also attend the KSDE Curriculum leaders meeting in Junction City on September 25th.

USD 333 Board Brief/LCNCK

September 2026

Current Openings

LCNCK continues to focus on recruitment and staffing to ensure student needs are met across the cooperative.

- **USD 109:** Paraeducator – Grades 1–3
- **USD 224:** Paraeducator – Grades 7–8
- **USD 426:** Paraeducator – Grades 7–12
- **USD 333:** Paraeducator – Grades 7–12
- **LCNCK:** Social Worker

Social Work Services

LCNCK is utilizing Pawnee Mental Health Services on a short-term basis to provide social work coverage for the next couple of months while the Social Worker position remains open. This provides continuity of support for students while LCNCK continues recruitment efforts.

Due to the significant cost associated with contracted services, this is not a financially sustainable long-term solution. LCNCK will continue to actively recruit for the Social Worker position while monitoring student needs and ensuring necessary services are available during the interim.

Recruitment efforts continue for these positions while LCNCK works with districts to maintain appropriate coverage and services for students.

Financial Planning and Oversight

The Director will begin providing monthly financial information to the Superintendents Board to give a clearer picture of LCNCK's overall financial position. Information will include trends in revenue and expenditures over the previous three to four years, along with projections for the next two to three years.

This ongoing review will allow the Superintendents Board to better understand financial trends, anticipate future needs, and make proactive decisions regarding assessments,

staffing, programming, and other cooperative expenditures. The goal is to ensure LCNCK remains financially prepared while continuing to provide the services students require.

Student Services and Program Oversight

LCNCK continues to closely review programs and services to ensure the needs of students receiving special education services are being met. This includes looking at staffing, service delivery, instructional supports, and individual student needs across cooperative districts.

As needs change throughout the year, LCNCK will continue working collaboratively with district and building administrators to identify concerns and determine appropriate supports for students and staff.

Teacher Development and Support

Supporting special education teachers remains a priority, including both fully certified teachers and teachers currently working toward special education certification.

LCNCK will continue to provide training, coaching, and direct support to help teachers address needs that arise in the classroom. Continued emphasis will also be placed on IEP writing, compliance, Specially Designed Instruction, data collection, behavior supports, and effective instructional practices.

The goal is to continue building the knowledge and confidence of our special education staff while developing a stronger, more qualified workforce across the cooperative.
