\$15,000 Donation to J. Milton Jeffrey Elementary School from the J. Milton Jeffrey Elementary School PTO

The PTO has generously donated \$15,000 for the purchase of student resources to extend learning. Specifically, the plan is to install document cameras and ceiling mounted projectors for teachers in order to support their work in the classroom. This will allow teachers the flexibility to share a piece of writing, reading response, or math explanation immediately in the classroom. Student work will be used in a collaborative way to extend the learning of all students. This purchase supports the district technology plan. Arthur Sickle, Director of Administrative Services, will coordinate the purchase with Kathryn Hart, J. Milton Jeffrey School Principal.

Cindy Wood

Atty. Klaskin noted that there will be a motion on the agenda to approve the 2014/2015 school year calendar.

5.4. Finance Committee

Members: Bill Clorite, Chair
Jean Fitzgerald
Cindy Wood

Mr. Clorite stated what a great job the entire administration did in overseeing the 2012/2013 budget considering there were 127 more students than forecasted. Both the Special Education and Regular Education budgets will end up in the black. We will be turning money back to the town again this year, although not as much as we did last year (\$340k). One of the reasons the Special Education budget was in the black is the State Excess Cost reimbursement rate was not as bad as we had budgeted for. The reimbursement amount was "only" reduced by 26%, while we budgeted a 30% decrease. The bad news is next year's numbers already appear to be in the red.

Final numbers will be determined at the Finance committee's meeting June 27, 2013.
