## Policy Summary

February 10, 2026

### **Library Collection Development and Maintenance, Library Displays and Programs, and Library Material Review and Reconsideration (NEW) – repeal and replace policy 6144.2 Reevaluation of Challenged Instructional Materials and Library Media Center Resources**

Section 321 of Public Act 25-168 requires boards of education to adopt three policies related to school libraries: (1) a library collection development and maintenance policy; (2) a library display and program policy; and (3) a library material review and reconsideration policy governing school library materials, displays, and programming. These policies must be created in consultation with the superintendent of schools, the director of curriculum, and a school librarian and reviewed and updated, as necessary, every five years. The policies must include a number of provisions outlined in the statute and ensure, among other things, that all library materials are evaluated and made accessible in accordance with state non-discrimination laws. We have drafted one comprehensive model policy that encompasses the new statutory requirements in all three areas.

#### **5060.1.2 Nonresidents**

S&G recommend that Policy 5060.1.2 be repealed because it overlaps with Policy 3240 (Non-Resident Admission and Tuition Fees), which Madison adopted in 2019 after review and revision by S&G. The administration wanted to keep a residency policy and asked shipman to draft one to replace current policy 5060.1.2

#### **3240 Non-Resident Admission and Tuition Fees**

Revisions include minor technical changes and revision of conditions that would allow a nonresident student to attend school without tuition. S&G recommends moving to Series 5000 (Students), in conjunction with attendance and admission policies.

#### **5120.4.2.5 Procedures for reporting Child Sexual Abuse and Sexual Assault**

We have made technical edits to this policy to update the contact information for national and statewide community resources available to victims of child sexual abuse and sexual assault and their families. We also updated references to the “Safe School Climate Specialist” to reflect the revised statutory title, “School Climate Specialist.” We have not made any substantive changes to the policy.

7 The Madison Board of Education (the “Board”), having consulted with the Superintendent of Schools for

8 the Madison Public Schools (the “District”), the District’s director of curriculum or a person in an

9 equivalent position, and a librarian employed by the Board, adopts this Policy Regarding Library

10 Collection Development and Maintenance, Library Displays and Programs, and Library Material Review

11 and Reconsideration in accordance with Connecticut law.

12

13 It is the policy of the Board to ensure that all District library materials maintained by the District are

14 evaluated and made accessible in accordance with the protections against discrimination set forth in

15 Connecticut law, including, but not limited to, discrimination based on race, color, sex, gender identity,

16 religion, national origin, sexual orientation, or disability.

17

18 Any school library media specialist or school library staff member who, in good faith, implements this

19 policy shall be immune from any liability, civil or criminal, that might otherwise be incurred or imposed

20 and shall have the same immunity with respect to any judicial proceeding that results from such

21 implementation.

22

23 The Board shall review this policy, and update it as necessary, every five years.

24

  - 47

48 **II. Library Collection Development and Maintenance**

49  
50 The Board recognizes that library and other educational material should be provided for the interest,  
51 information, and enlightenment of all students and should represent a wide range of varied and diverging  
52 viewpoints in the collection as a whole.

53  
54 The Board requires that students have access to age-appropriate and grade-level-appropriate material and  
55 shall provide access to library and other educational material that is relevant to the research, independent  
56 reading interests, and educational needs of students based on a student’s age, development, or grade  
57 level. The Board also recognizes the importance of the school library media center as a place for  
58 voluntary inquiry, the dissemination of information and ideas, and the promotion of free expression and  
59 free access to ideas by students.

60  
61 The Board acknowledges that the District shall employ a school library media specialist who is  
62 professionally trained to curate and develop a collection that provides students with access to the widest  
63 array of age-appropriate and grade-level-appropriate library and other educational material.

64  
65 The Board directs the Superintendent to establish a procedure by which a certified school library  
66 specialist will continually review library and other educational material within a school library media  
67 center using professionally accepted standards, which shall include, but need not be limited to, the  
68 material’s relevance, the physical condition of the material, the availability of duplicates or copies of the  
69 material, the availability of more recent age-appropriate or grade-level-appropriate material, and  
70 continued demand for the material (the “Library Review Procedure”). The Library Review Procedure is  
71 outlined in the administrative regulations associated with this policy.

72  
73 **III. Library Displays and Programs**

74  
75 The Board recognizes that displays should be provided for the interest, information and enlightenment of  
76 all students; represent a wide range of varied and diverging viewpoints; require student access to age-  
77 appropriate and grade-level-appropriate content; and provide access to content that is relevant to the  
78 research, independent interests, and educational needs of students.

79  
80 The Board further recognizes the importance of library displays and student programs as resources for  
81 voluntary inquiry and the dissemination of information and ideas and to promote free expression and free  
82 access to ideas by students.

83  
84 The Board acknowledges that the District shall employ a school library media specialist who is  
85 professionally trained to curate and develop displays and programs that provide students with access to  
86 the widest array of age-appropriate and grade-level-appropriate library and other educational material.

87  
88 **IV. Library Material Review and Reconsideration**

89  
90 The purpose of this policy section regarding library material review and reconsideration is to establish a  
91 process for individuals with a vested interest to challenge any District library and other educational  
92 material, display, or student program, as well as a process for the District to respond to any such  
93 challenges and related parameters.

94  
95 ***A. Standards for Reviewing Challenges to Library and Other Educational Material, Display,***  
96 ***or Student Program***

- 98 1. All library materials shall be evaluated and made accessible in accordance with the protections  
99 against discrimination set forth in Connecticut law, including, but not limited to, discrimination  
100 based on race, color, sex, gender identity, religion, national origin, sexual orientation, or  
101 disability.  
102
- 103 2. Library and other educational material, displays, and student programs shall only be excluded for  
104 legitimate pedagogical purposes or for professionally accepted standards of collection  
105 maintenance practices, as adopted in this policy and/or any accompanying procedure for the  
106 continual review of library and educational material within a school library.  
107
- 108 3. No library and other educational material, display, or program shall be removed from library  
109 media centers, or programs be cancelled, because of the origin, background or viewpoints  
110 expressed in such material, display, or program, or because of the origin, background, or  
111 viewpoints of the creator of such material, display, or program.  
112
- 113 4. The removal, exclusion, or censoring of any book on the sole basis that a person with a vested  
114 interest finds such book offensive is prohibited.  
115
- 116 5. Any process for an individual with a vested interest to challenge any library and other  
117 educational material, display, or student program shall neither favor nor disfavor any group based  
118 on protected characteristics.  
119

120 ***B. Process for Challenging Library and Other Educational Material, Display,***  
121 ***or Student Program***  
122

123 The Board establishes the following process for individuals with a vested interest to challenge any library  
124 and other educational material, display, or student program, as well as a process for the District to  
125 respond to any such challenges:  
126

- 127 1. An individual with a vested interest may submit a Request for Reconsideration of Library  
128 Material Form (the "Request Form") to the principal of the school in which the library and other  
129 educational material, display, or student program is being challenged to initiate a review of such  
130 material. The Request Form is included in the administrative regulations associated with this  
131 policy.  
132

133 Using the Request Form, an individual shall specify which portion or portions of such material  
134 the individual objects to and provide an explanation of the reasons for such objection. The  
135 individual submitting the Request Form must include the individual's full legal name, address,  
136 and telephone number. If the individual who has submitted a Request Form is a parent or  
137 guardian, consideration of requests to reconsider and remove material, displays, or student  
138 programs shall be limited to the parents and guardians of students and eligible students currently  
139 enrolled in the school or District.  
140

- 141 2. Upon receipt, the principal or the principal's designee shall promptly forward the Request Form  
142 to the Superintendent or Superintendent's designee.  
143
- 144 3. The administration may consolidate any requests for review and reconsideration of the same  
145 challenged library and other educational material.  
146

- 147 4. For each challenged library and other educational material, the Superintendent, or the  
148 Superintendent's designee, shall appoint a Review Committee consisting of:  
149 a. the Superintendent, or the Superintendent's designee;  
150 b. the principal of the school in which the library and other educational material is being  
151 challenged, or the principal's designee;  
152 c. the director of curriculum, or a person in an equivalent position, employed by the Board;  
153 d. a representative from the Board;  
154 e. at least one grade-level-appropriate teacher familiar with the library material, provided  
155 the teacher selected is not the individual who submitted the Request Form;  
156 f. a parent or guardian of a student age thirteen years or younger enrolled in the District,  
157 provided the parent or guardian selected is not the individual who submitted the Request  
158 Form;  
159 g. a parent or guardian of a student age fourteen years or older enrolled in the District,  
160 provided the parent or guardian selected is not the individual who submitted the Request  
161 Form; and  
162 h. a certified school librarian employed by the Board or employed by another board of  
163 education in the state.

164  
165 In cases where the request is submitted by a student enrolled in grades nine through twelve, and  
166 when appropriate and at the discretion of the Superintendent, a student enrolled in grades nine  
167 through twelve may serve on the Review Committee, provided the student selected is not the  
168 individual who submitted the Request for Reconsideration and the Superintendent consults with  
169 the principal of the school involved in such reconsideration request prior to making the  
170 determination whether to include the student on the Review Committee.  
171

- 172 5. Any library and other educational material being challenged shall remain available in the school  
173 library media center according to such material's catalog record and be available for a student to  
174 reserve, check out, or access until a final decision is made by the Review Committee.  
175  
176 6. The Review Committee must evaluate the Request Form; read the challenged material in its  
177 entirety; evaluate the challenged material against this policy; and make a written decision on  
178 whether or not to remove the challenged material not later than sixty (60) school days from the  
179 date the Request Form was received by the principal or the principal's designee. The Review  
180 Committee shall provide a copy of the committee's decision and report to the individual with a  
181 vested interest who submitted the Request Form and to the principal of the school.  
182  
183 7. The individual with a vested interest who submitted the Request Form may appeal the Review  
184 Committee's decision to the Board. The Board shall determine whether the reconsideration  
185 process was followed and publish its decision on the Internet web site of the District.  
186  
187 8. Once a decision has been made by the Review Committee on any library and other educational  
188 material, such material cannot be subject to a new request for review and reconsideration for a  
189 period of three (3) years.

The Madison Board of Education (“Board”) shall furnish, by transportation or otherwise, school accommodations in accordance with federal and state law.

The Board shall provide school accommodations to any child (or eligible individual over the age of eighteen) who, in accordance with Connecticut law, resides in Madison, Connecticut, meets the state’s age requirements, and has not graduated from high school. The Board’s commitment to providing school accommodations to all children (and eligible adults) who reside in Madison includes those who are not citizens and/or whose parents are not citizens. In addition, the Board shall provide school accommodations to children who are homeless and unaccompanied youth in accordance with state and federal law and the Board’s policy regarding Homeless Students, and in any other circumstances required by law.

The procedures set forth in the policy, shall be used for all students enrolled in, or seeking to enroll in, the Madison Public Schools (the “District”), unless a student is entitled to attend District schools in accordance with the Board’s Non-Resident Admission and Tuition Fees policy. Notwithstanding the foregoing, if any procedure or form described herein conflicts with the procedures described in the Board’s Policy regarding Homeless Students, the provisions of that policy shall control.

In addition, prior to attending school, in accordance with state law and Board policy, the District will require proof of age and adequate proof of health assessments and immunizations.

**RESIDENCY**

For a student to be considered a resident of the Town of Madison, the student must live in Madison full time. Full time is defined as no less than five days a week.

**PROOF OF RESIDENCY**

Prior to Enrollment

In order for a student to enroll in the District, the student’s parent or legal guardian, or the student if the student is eighteen years or older or an emancipated minor (an “adult student”), must show proof of residency.

For children who live in Madison with their parents, or for adult students, the District shall require one of the following forms of documentation to establish residency:

- Driver's License issued with Madison address on the front of the license (not the sticker on the back).
- Copy of a Purchase and Sales Agreement showing purchaser’s names, address of property in Madison and closing date. Additional information may be required by the Superintendent.

- 46 • Monthly bills from three (3) different Utilities delivered to your address in Madison.  
47 Copy of signed rental lease agreement showing date rental begins and ends, name of parties renting  
48 property and name of owner.  
49

50 The District reserves the right to request additional documentation if deemed necessary to establish  
51 residency.

52  
53 For children or adult students whose parents do not reside in Madison, parents, guardians, and/or adult  
54 students must demonstrate that the student has established residency in Madison with “another person”  
55 under the following conditions:  
56

- 57 1. Residency with another person is intended to be permanent.
- 58 2. Residency is provided without pay from the student or the student’s family.
- 59 3. Residency is not for the sole purpose of obtaining school accommodations in Madison Public  
60 Schools.  
61

62 In such circumstances, the parent or adult student shall submit a notarized Residency  
63 Affidavit and Parent’s or Adult Student’s Statement, and the other person shall sign a  
64 notarized affidavit, the Host’s Statement, indicating that the student is residing with  
65 them.  
66

67 The District shall carefully review affidavits, documentation, and other available evidence and inform  
68 the parent, guardian, or adult student of the results of such review.  
69

70 A. When There Is Reason to Believe an Enrolled Student Is No Longer Entitled to School  
71 Accommodations in the District  
72

73 The District recognizes that there may be circumstances in which there is reason to believe that a student  
74 attending school in the District is not entitled to school accommodations based on residency. In such  
75 instances, the District shall seek additional information and documentation from the student’s parent or  
76 legal guardian, the individual with whom the student lives, and/or the adult student. Depending on the  
77 particular facts and circumstances, the District may direct the parent, guardian, other responsible adult  
78 and/or adult student to submit and/or complete relevant documentation, including but not limited to  
79 documents described in Section I.A of these regulations.  
80

81 The District shall carefully review affidavits, documentation, and other available evidence and inform  
82 the parent, guardian, or adult student of the results of such review.

83 **I. DENIAL OF SCHOOL ACCOMMODATIONS ON THE BASIS OF RESIDENCY**

84 If a student is denied school accommodations for residency reasons, the District shall inform the parent,  
85 guardian, or adult student of the right to request a hearing before the Board, in writing within ten (10)  
86 school days of receiving notice of denial of school accommodations. A copy of the Board’s Residency  
87 policy and these regulations shall also be provided.

88 The Board shall provide a hearing within ten (10) days after receipt of such request. The Board may (A)  
89 conduct the hearing, (B) designate a subcommittee of the board composed of three board members to  
90 conduct the hearing, or (C) establish a local impartial hearing board of one or more persons not members  
91 of the Board to conduct the hearing. After such hearing is held, the Board shall (1) make a stenographic  
92 record or tape recording of the hearing; (2) make a decision on student eligibility to attend District  
93 schools within ten (10) days after the hearing; and (3) notify the parent, guardian, or adult student of its  
94 findings. Hearings shall be conducted in accordance with the provisions of Section 10-186 of the  
95 Connecticut General Statutes.

96 Any parent, guardian, or adult student aggrieved by the Board’s finding shall, upon request, be provided  
97 with a transcript of the hearing within thirty (30) days of such request and may take an appeal from the  
98 finding to the State Board of Education (“State Board”). If an appeal is not taken to the State Board of  
99 Education within twenty (20) days of the mailing of the finding to the aggrieved party, the decision of  
100 the Board, subcommittee or local impartial hearing board shall be final.

101 If a State Board hearing is requested in writing, the student has the right to attend District schools

Those students requiring special education services may attend Madison schools (with special education cost reimbursements in accordance with statutes) unless the required special education services make attendance in Madison schools inappropriate.

**Nonresident Attendance Without Tuition**

Upon written parental request, nonresident students may be allowed by the Superintendent to attend district schools without tuition under one or more of the following conditions:

1. A family moves from the district on or prior to February 1st of the school year and the parents request that a student complete the marking period;

**5060.1.2 (Continued)**

**Removal of Nonresident Student From District Schools**

If after a careful review of affidavits and other available evidence, the Superintendent or his/her designee believes a student is not entitled to attend local schools, the parent or guardian, the student if an emancipated minor, or a student eighteen (18) years of age or older shall be informed in writing that, as of a particular date, the student may no longer attend local schools, and the Superintendent shall notify the Board (if known) where the student should attend school. If after review, district residency is established by the evidence, the parent or guardian, the student if an emancipated minor, or a student eighteen (18) years of age or older shall be so informed.

If a student is removed from a district school for residency reasons, the Superintendent or his/her designee shall: (1) inform the parent, guardian, emancipated minor, or student eighteen (18) years of age or older of hearing rights before the Board and that the students may continue in local schools pending a hearing before the Board if requested in writing by the parent, guardian, emancipated minor, or student eighteen (18) years of age or older (2) that upon request, a transcript of the hearing will be provided (3) that a local Board of education decision may be appealed to the State Board and that the student/s may continue in local schools pending a hearing before the State Board if requested in writing by the parent, guardian, emancipated minor, or student eighteen (18) years of age or older (4) that if the appeal to the State Board of Education is lost, a *per diem* tuition (equal to the district expenditure per student divided by 180) will be assessed for each day a student attended local schools when not eligible to attend.

**5060.1.2 (Continued)****Board of Education Hearing**

Sexual Abuse and Sexual Assault**

---

1  
2  
3  
4  
5 The Madison Board of Education (the “Board”) has adopted a uniform child sexual abuse and/or  
6 sexual assault response policy and reporting procedure in connection with the implementation of  
7 its sexual assault and abuse prevention and awareness program within the Madison Public  
8 Schools (the “District”).  
9

10 **I. Procedures for Reporting of Child Sexual Abuse and Sexual Assault**

11  
12 A. Students, or any individuals, may make written or verbal reports of suspected child sexual  
13 abuse and/or sexual assault to any school employee. For purposes of this policy, a “child”  
14 shall be considered any student enrolled in the District, except for those enrolled only in  
15 an adult education program who are over the age of eighteen (18). The School Climate  
16 Specialist or designee for the school in which the student is enrolled shall be notified of  
17 the report and shall cause such reports to be reviewed and actions taken consistent with  
18 this policy.  
19

20 B. School employees who receive a report of child sexual assault and/or abuse and have  
21 reasonable cause to suspect or believe that a child has been sexually abused and/or  
22 assaulted shall report such suspicion to the appropriate authority in accordance with  
23 Board Policy #4119 pertaining to Reports of Suspected Abuse or Neglect of Children or  
24 Reports of Sexual Assault of Students by School Employees.  
25

26 **II. Procedures for Review of Reports of Child Sexual Abuse and/or Assault**

27  
28 A. The School Climate Specialist or designee for the school in which the student is enrolled  
29 shall be responsible for reviewing any reports of suspected child sexual abuse and/or  
30 sexual assault. In the event that the suspected child sexual abuse and/or sexual assault  
31 has not yet been reported to the appropriate authority in accordance with Board Policy  
32 #4119 pertaining to Reports of  
33

**#5120.4.2.5(b)**

34  
35 Suspected Abuse or Neglect of Children or Reports of Sexual Assault of Students by  
36 School Employees, the School Climate Specialist or designee shall promptly cause such  
37 a report to be made.

38  
39 B. If/when such report alleges that a school employee, as defined by Conn. Gen. Stat § 53a-  
40 65, is the perpetrator of child sexual abuse and/or sexual assault, the School Climate  
41 Specialist or designee shall immediately notify the Superintendent of Schools or designee,  
42 who shall immediately notify the child's parent or guardian that a report has been made to  
43 the appropriate authorities in accordance with Board Policy #4119 pertaining to Reports  
44 of Suspected Abuse or Neglect of Children or Reports of Sexual Assault of Students by  
45 School Employees. The notification requirement shall not apply if a parent or guardian is  
46 the individual suspected of perpetrating the child sexual abuse and/or sexual assault. If  
47 either a Department of Children and Families (“DCF”) investigation or a police  
48 investigation is pending pertaining to the report of suspected child sexual abuse and/or  
49 sexual assault, the School Climate Specialist or designee shall obtain the permission of  
50 DCF and/or the police department conducting the investigation prior to informing the  
51 parents/guardians of the report.

52  
53 C. The School Climate Specialist or designee shall offer to meet with the student and the  
54 parents or guardians of the student about whom a report of suspected child sexual abuse  
55 and/or sexual assault has been made, in order to discuss the District’s support procedures,  
56 including but not limited to: 1) actions that child victims of sexual abuse and/or sexual  
57 assault and their families may take to obtain assistance, 2) intervention and counseling  
58 options for child victims of sexual abuse and/or assault, and 3) access to educational  
59 resources to enable child victims of sexual abuse and/or sexual assault to succeed in  
60 school.

61  
62 D. In the event that the report of suspected child sexual abuse and/or sexual assault alleges

64 sexual assault, the School Climate Specialist or designee shall also take appropriate

70 Employees, Board Policy #5131.911 pertaining to Bullying Prevention and Intervention,

73 report of suspected child sexual abuse and/or sexual assault, the Safe School Climate  
74 Specialist shall coordinate investigatory activities with DCF and/or the police in order to  
75 minimize the number of interviews of any child or student victim of sexual assault and  
76 share information with other persons authorized to conduct an investigation of child  
77 abuse or neglect, as appropriate and permitted by law.

- 78  
79 E. The School Climate Specialist or designee shall develop a student support plan for  
80 anyone who has been a victim of child sexual abuse and/or sexual assault. The report of  
81 suspected sexual abuse and/or assault need not be verified prior to the implementation of  
82 a support plan. The elements of the support plan shall be determined in the discretion of  
83 the Safe School Climate Specialist or designee, and shall be designed to support the  
84 student victim's ability to access the school environment.

85  
86 **III. Support Strategies**

- 87  
88 A. Child sexual abuse and/or sexual assault can take many forms and can vary dramatically  
89 in the nature of the offense and the impact the behavior may have on the victim and other  
90 students. Accordingly, there is no one prescribed response to child sexual abuse and/or  
91 sexual assault.
