How to Participate in Board of Education Meeting Public Comments

At this time, there are two options for participating in public comment during Board of Education meetings.:

1) In-Person Comment.

The Board sets aside thirty (30) minutes for public comments. Comments are limited to 3 minutes per speaker and a person may speak only once. Each speaker must start by stating their name and address. There will be a sign-up sheet in the back of the room. In-person meetings are held in the Town Hall Town Council Chambers, 2155 Main Street, Glastonbury, unless otherwise noted on the [Board of Education Meeting webpage](#) and the Board Meeting agenda.

2) Written Comment.

Use the form below to submit a written comment before 12 noon on the meeting day. Written comments are attached to the BOE Meeting Agenda.

5/19/2025 11:42:43	Elyssa Haber	37 Aspen Dr.	Can we look into providing middle school sports to our students such as soccer, basketball, baseball and softball? Will the 8th grade have a graduation ceremony? Surrounding towns provide these opportunities to middle school students.
5/19/2025 11:52:30	Pauline Parrish	262 Naubuc Ave	<p>Please allow for a zoom option with availability for public comment for these meetings. Town Council meetings take place in the same room and have access, can you address why Board of Ed meetings do not have access? There are many parents with children in the school system that would like to be apart of the meetings but cannot because of childcare restraints like myself tonight.</p> <p>I understand tonights meeting is to measure and evaluate the BOE's services throughout the year. Is there a way parents can get involved in this process? Please elaborate how.</p> <p>Lastly, I'd like to ask transparency with what you are feeding our children in school. There are no ingredient lists in the information provided. I have reached out to the director of food services for GPS and she has agreed there are none. You don't know what you are feeding our children. And neither do the parents or the children themselves. We should all have that right. I would also ask that plant based options be available for students starting next year. You only have vegetarian, no vegan. Plant based options provide health benefits, nutritional variety, rich in fiber, vitamins and minerals. They are proven to prevent chronic disease such as obesity, type 2 diabetes, heart disease etc...they can offer safe alternatives for students with dairy or egg allergies/intolerances. It is also more inclusive and shows cultural and ethical considerations. Offers economic fairness so students like mine, so don't have to bring their food from home every day. Plant based options have a HUGE environmental impact with a lower carbon footprint and resource efficiency. All this while promoting food literacy and education. Teaching healthy habits and encouraging curiosity. Many young students are asking about my kids diet and love trying plant based foods. Meeting these demands can improve student engagement/satisfaction, therefore reducing food waste. Eating WHOLE FOOD, plant based can help with concentration, emotional regulation, and support conditions like ADHD. With this I also ask you BAN ARTIFICIAL flavors, sweeteners and dyes. If you serve Doritos, you serve artificial flavors and dyes.</p> <p>Thank you.</p>
5/19/2025 11:59:35	Heather Simon	807 main st	<p>Hi good evening, I cannot be in person this evening and am curious about the board of education offering a Zoom option. So many of us would like to participate but have young children at home and cannot make it to a 7pm meeting. I believe TC has a zoom option. Is there a reason we do not offer this?</p> <p>Thank you!</p>

**GLASTONBURY BOARD OF EDUCATION
EXECUTIVE SUMMARY REPORT FORM**

Title of Report: Healthy Food Certification Standard (Section 10-215f of the Connecticut General Statutes)

Board Meeting Date: May 19, 2025

Action: X **Report:** **Information:** **Discussion:**

Overview: The Glastonbury Board of Education first accepted the Connecticut Nutrition Standards, Healthy Food Certification (HFC) in 2006. This is our eighteenth year participating in the program. Effective July 1, 2025, the Connecticut Nutrition Standards for school year 2025-26 require new limits for added sugars for breakfast cereals, yogurt, pudding, and smoothies made with low-fat yogurt and fruits, vegetables, or juice. In addition, the USDA final rule requires limits for added sugars in flavored milk. Many manufacturers are reformulating their products to comply with these guidelines.

HFC pertains to all foods sold to students separately from reimbursable school meals. The regulations overlap with the regular menu. For example, if a student chooses an entrée alone that is not offered as part of a reimbursable meal, this entrée would be subject to the HFC regulations.

HFC requirements apply to all food sales on school grounds, including cafeterias, school stores, and vending machines. Vending machines that are in staff work areas and not accessible to students are not covered under HFC.

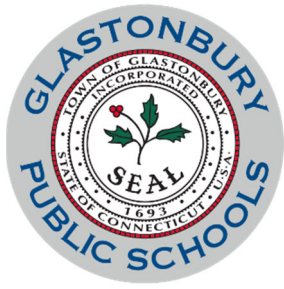

In addition, non-approved foods and beverages continue to be sold at events (e.g. sporting events, school plays, and community use events). Items sold at these events are not subject to meet the HFC requirements as long as they are sold 30 minutes after the end of the school day. Also, with your approval, community groups such as Friends of Music continue to sell candy as part of their fundraising activities.

We anticipate receiving approximately \$42,000 in funding this school year. Meal counts from the previous year are used to calculate funding. Meals returned to paid last year, resulting in decreased meal counts; therefore, we anticipate less funding for this program.

We recommend that we continue to participate in this program during the 2025-26 school year.

RE: Requests from Out-of-Town Employees to Permit their Children to Attend
Glastonbury Public Schools for the 2025-2026 Academic Year

We have received requests from eighteen (18) employees who are seeking approval for their twenty-three (23) children to attend school in Glastonbury in accordance with Board Policies #3240 and #5118.1.

Children of Out-of-Town Board of Education Employees

The Board of Education believes that permitting the children of its non-resident employees to attend its schools may be advantageous in its recruitment efforts. This may be especially beneficial as the district competes for certain highly competitive teaching, administrative and support positions. Accordingly, the children of Board of Education employees who live out-of-town may attend the Glastonbury Public Schools at a special tuition rate approved annually by the Board.

All requests to be included in this program must be endorsed by the superintendent and submitted to the Board for approval. Under normal conditions, students will be accepted only at the beginning of the school year. Notification of acceptance and tuition amount will be sent to out-of-town staff after Board approval. Attendance will be permitted only on a space available basis determined by the superintendent. The parent/guardian will be responsible for transportation to and from school.

The Board of Education instructs the superintendent/designee to set the tuition for this program annually at \$1,000 per child. In addition, any costs for additional services required under an IEP or 504 Plan will be paid by the employee.

Tuition Fees

Where tuition is charged for non-resident pupils who attend the Glastonbury Public Schools, it is established annually by the Board of Education.

In the case of students attending our vocational agricultural program, tuition is calculated using the formula mandated in section 10-65 of the Connecticut General Statutes.

Students enrolling in the district's schools whose parents/guardians intend to but have not yet become Glastonbury residents may be charged a tuition rate based upon the formula mandated for that purpose found in section 10-186 of the Connecticut General Statutes.

Children of non-resident Board of Education employees who attend Glastonbury Public Schools are charged a tuition explained in Policy 5118.1.
