- With the degradation of the applied dust suppression, we have started watering and grading streets regularly. We will continue until snow starts making a presence.
- Snow removal signs for the downtown business district are being installed.
- Cleaning of Sky Rocket. Although never done we have removed enough material to create a good buffer in the event of more flooding.

Parks

- Sean our programs coordinator has run several programs this this last month in partnership with the school district. We facilitated a 7th grade learn to climb clinic on 10/21 and on popular request a 4th and 5th learn to fly fish class for Ouray outdoor education.
- We have started working through the overhaul of active net (our programs and POS software). Our goal is to be able to track program registration, swim lessons, athletics, online hot springs ticket sales, and membership applications via an online format. Once we get this built out it will allow us to track program performance and anticipate bather loads at the hot springs more efficiently via an online reservation system
- The dog park has been cleaned up and resurfaced. The operations crew repaired gates and graded the space to improve drainage. This improvement will make for a more sanitary ,”paw safe” and user friendly experience for our four legged friends
- The new UHV arrived on 10/30 this will enable much safer and more efficient maintenance of our trails while keeping compliance with OHV policy within the city limits.
- Our Parks staff has completed the preventative maintenance to Lee’s Ski tow and drastically improved the quality of materials in our Ski tow. This is an effort to ensure the historic ski tow is resilient and offers the best possible service for years to come. Staff has completed cutting back herbaceous growth in anticipation of another amazing Ouray style winter this season.
- New sections of liner have been purchased for the Rotary Park Ice Rink. We found a vendor that offered us great pricing and ultimately made it possible to use the existing budget for repair to replace much of the critically damaged liner. The Ice rink will see a face lift in the coming weeks in preparation for the winter months.

CPRA Conference

- The Parks and Recreation leadership team attended the annual Colorado Parks and Recreation Association conference in keystone from 10/29- 10/31/2024. This conference offers professional development opportunities for aquatics, maintained, construction, and design focused park professionals.
- During the CPRA conference Parks leadership established contact and indicated intent for grant funding to support Rotary park development. GOCO confirmed that our projects related to climbing and park improvements would be an excellent match and advised staff to peruse the 3rd round of impact grants (January application cycle)
- Notable networking included the introduction to landscape design firms, other parks agencies, fitness equipment providers, aquatic asset providers and design firms and marketing firms. Several follow up meetings are being scheduled over the coming weeks to introduce regional vendors to future projects and develop awareness and competitive bidding on future parks improvements.
- Ouray parks leadership met with representatives from Montrose parks and recreation district to begin the conversation around potential partnership opportunities. Montrose parks and recreation included Ouray as a regional stakeholder in a generation wild grant award. This grant is dedicated funding to support encouraging youth interaction with outdoor spaces and the development of coalitions to partner with selected organization that have similar missions. Ouray has been listed as a potential partner with Montrose parks and recreation. This creates an opportunity to use the \$105,000 awarded to Montrose to benefit citizens of Ouray with programing opportunities. Meetings around partnership details will begin in the coming months.

Ouray Hot springs and fitness center (OHS)

- The Parks team has been working weekly with ME&E engineering to work through the logistics of implementing a heat exchange unit to recover heat from OX2 without potentially impacting the flow or pressure of upstream users. Our goal is to test this heat exchange unit for 6 months to ensure that this system is practical and functional. Without the heat from OX2 the facility cannot operate during the winter months so diligence and testing are critical before a permanent instillation. The concept has developed considerably over the last month and made significant headway however it does pose significant complications for our

infrastructure and operations. There will need to be 4 – 4” pipes run across our deck and an ADA complaint ramp constructed to keep traffic flow safe and unobstructed. The unit will be station by the well for OX6 and utilize water from the shallow pool to capture heat from OX2. This will allow us to track the efficiency of the heat exchanger while monitoring the impact on our largest body of water. During this trial period we hope to learn how much heat can be captured, how much water is needed for heat transfer, and how natural environmental factors and varying flows of the geothermal source impact the heat exchange unit. This concept is requiring significant input from staff and our engineering team to implement, but we are close to having a price tag for this trial. We are still working through some of the material pricing and logistics, but we estimate this to cost roughly \$80,000.

- Collab architecture firm has been hired and consulted with staff to gain a scope of the new Hot springs bathhouse. The first public meeting will be scheduled for November 11th at 6:00pm until 8:00pm in the San Juan Room. This is a critical stage in the design to capture public feedback and understand the community’s priority for the multipurpose space in this building. This facility is more than a bathhouse it is intended to be a fitness center and community recreation space. Parks and Recreation would like to encourage all residents to join and give us your input for this critical hub for our community.
- The floating pumpkin patch on October 26th was a huge success. We distributed 6 pallets of pumpkins to patrons, offered concessions and had a great attendance. Staff believes this was the highest attendance we have seen to date. We are excited to continue offering this successful events to residents and visitor and look forward to another successful year next season.
- Staff has revamped and redesigned our merchandise for the facility. We will be offering bathrobes, shirts, hats, bathing suits, sweatshirts, flip flops and much more to help enhance the experience of our facility and increase revenue. The new display will be up starting on 11/5. We will be experimenting with different products over the next year to understand the needs of our patrons better. We are excited to offer 20% off all new products to residents of Ouray for a limited time.
- The Hot springs maintenance staff has integrated a new software into our control system. This software will build on our success earlier this year that enabled us to direct our hottest geothermal water to the pool of our choosing. The software allows staff to set target set point for temperature and remotely adjust the flow of hot water. This moved our already stellar improvement from manual to remote and will significantly help us manage temperatures at the hot springs facility.
- On November the 13th and 14th the OHS will be the hot pool due to a geothermal line jetting. Ryan Hein with Alpenglow properties will be cleaning the lines that provide us geothermal water form Box Cañon. Come enjoy the lap pool and the overlook at half price daily admissions.

Box Cañon

- Box Cañon closed on 10/31 to the public and opened for 11/1/2024 one day to accommodate school groups
- Box Cañon hit a new attendance and revenue record this season. In 2023 we saw 90,108 visitors generating \$616,107.01 in total revenue for 2023. In 2024 we admitted 100,902 visitors and generated a total revenue of \$682,272.51. This represents approximately 10% growth in total revenue for the season and a new record.

Stay Two Nights, Get Third Night Free:

This winter, why not experience a different kind of Colorado vacation? Ouray, often called the “Switzerland of America,” is offering a limited-time **Stay Two Nights, Get the Third Night Free** deal, making it easier to explore our town's unique winter attractions. It's the ideal opportunity for a longer, more affordable stay, while enjoying the adventure and tranquility that make Ouray a hidden winter gem. Participating properties at this time: The Western Hotel, Beaumont Hotel, Ouray Riverside Resort, Ouray Inn, Ouray Main Street Inn, The Clipper Inn, St. Elmo Hotel, Outlaw Inn, and Quality Inn.

Night Climbing in the Ouray Ice Park:

This is the first year EVER that the Ouray Ice Park will be allowing night climbing in the ice park for members! They will have a couple of days selected throughout the season that they will open it up for after dark usage. This is a new way they are trying to encourage people to be members (so we can keep the park a free use area). This will also give people an experience to practice if they plan to go into the backcountry or on expeditions. Not to mention the media moment of "You may have ice climbed before, but have you done it at night?!"

3 People from Ouray Made the Team USA Ice Climbing Team:

Tucked away in the rugged San Juan Mountains, Ouray, Colorado—population just shy of 1,000—has earned its stripes as a hub for adventure. Now, three locals have climbed their way onto the USA Ice Climbing Team, proving that even from the rough edges of a small mountain town, world-class talent can rise. This isn't just another sports story—it's about grit, pushing limits, and training in one of the most demanding landscapes in the country. The team members are Zoe Schiffer - Youth Ice Climbing (U18) and Women's Speed Climbing Team member at the age of 15, Matt Durham - Men's speed climbing member, and Mallorie Estenson - Women's Ice Climbing Team member.

All In Ice Fest:

In the heart of winter, Ouray, Colorado hosts the *All In Ice Fest*, a one-of-a-kind event that brings together climbers from all walks of life to tackle the frozen landscapes of the San Juan Mountains. This festival isn't just about conquering ice—it's about breaking barriers. With its *Elevate* initiative, the event shines a spotlight on marginalized communities, including Black, Indigenous, and people of color (BIPOC), LGBTQIA2S+ climbers, and adaptive athletes, creating an inclusive space for everyone to push their limits.

From pro-level competitions to hands-on clinics for all abilities, *All In Ice Fest* highlights the rugged beauty of Ouray while fostering a community that embraces diversity and celebrates adventure. For those looking to write a powerful story of resilience, inclusivity, and the thrill of

winter climbing, this festival captures it all—where nature’s toughest terrain meets the boldest and most diverse athletes.

Paradox Ice Fest:

At the *Paradox Ice Fest* in Ouray, Colorado, climbers with disabilities take center stage, proving that the sport of ice climbing has no limits. Set against the dramatic frozen cliffs of the San Juan Mountains, this festival is dedicated to adaptive climbers, empowering individuals to push past boundaries and redefine what’s possible on the ice. Hosted by Paradox Sports, this event brings together climbers of all abilities to train, share stories, and tackle the rugged terrain in a truly inclusive environment.

With a focus on community, innovation, and accessibility, the *Paradox Ice Fest* is a powerful reminder that adventure belongs to everyone. It’s more than just an event—it’s a movement that challenges perceptions of ability and creates space for climbers with disabilities to shine. This story is perfect for readers drawn to tales of courage, resilience, and the boundless spirit of adventure, set in the breathtaking winter wonderland of Ouray.

UIAA - Youth Championships in the USA for the FIRST TIME and they are in Ouray

In a historic first, the UIAA has selected Ouray, Colorado as one of only six locations worldwide to host the prestigious Youth Ice Climbing World Championships. This is the first time the event will take place in the United States, putting Ouray on the global stage for winter sports. Athletes from across the globe will converge on this small mountain town, drawn by its iconic ice walls and rugged terrain, to compete for the title of world champion.

Ouray’s selection is a testament to its reputation as a premier ice climbing destination, home to the famous Ouray Ice Park and a community deeply rooted in adventure. The event will bring together the next generation of elite climbers from all corners of the world, creating a rare opportunity for U.S. audiences to witness international talent up close.

How the Ouray Ice Park Keeps Sustainability at the Forefront with its Ice Farmers:

Nestled in the San Juan Mountains, the Ouray Ice Park is famous for its man-made ice walls that draw climbers from around the world. But behind the epic climbs and frozen terrain is a unique group of people known as the “ice farmers,” who are responsible for cultivating and maintaining these iconic formations. More than just a technical feat, these ice farmers are at the heart of the park’s commitment to sustainability.

Using innovative water management techniques, the ice farmers harness natural runoff and ensure minimal waste while creating hundreds of ice routes. Their approach not only preserves the park’s stunning landscape but also safeguards its future for generations of climbers to come. For readers interested in the intersection of outdoor adventure and environmental stewardship, this story shines a spotlight on how the Ouray Ice Park is leading the way in sustainable recreation—proving that world-class climbing can exist in harmony with nature.

Before You Head to the Mountains: Why Ouray's New Beacon Park is a Game-Changer for Winter Safety

As winter descends on the Rockies, outdoor enthusiasts flock to the mountains, drawn by the promise of adventure. However, the risks associated with winter recreation—particularly in avalanche-prone areas—cannot be overlooked. That's where Ouray's new Beacon Park comes in.

This innovative facility is designed not just for training but also to promote safety awareness among climbers, skiers, and snowshoers. Unlike many backcountry areas with hidden hazards, Beacon Park offers a controlled, accessible environment for learning vital avalanche safety skills. With hands-on experiences that include beacon practice, scenario-based training, and expert-led workshops, it equips adventurers with the knowledge they need to make informed decisions before heading into the backcountry.

The San Juan Mountains: The Premier Destination for Avalanche Study and Training:

The San Juan Mountains stand out as the number one spot for studying avalanches and training the next generation of winter safety experts. With their diverse terrain and typically more complicated snowpack than you would find anywhere else, these majestic peaks present unparalleled opportunities for research, education, and practical training in avalanche awareness, allowing adventurers to be prepared for both good and bad conditions.

Scaling New Heights: Why the San Juan Mountains Are the Ultimate Training Ground for World-Class Expeditions:

The San Juan Mountains of Colorado are a hidden gem for climbers preparing for some of the world's most challenging peaks. With moderate snow climbing, steep ice routes, and technical alpine rock terrain, this breathtaking range offers unparalleled access to the skills necessary for conquering iconic summits like Mount Everest, Denali, and the Seven Summits—the highest peaks on each continent. See how this local guiding company utilizes the Ouray Ice Park, Red Mountain Pass, and the surrounding San Juan's to prepare for these great expeditions.

Experience the Best of Ouray: Mountain Trips' Ultimate 4-Day Adventure Package:

For outdoor enthusiasts seeking the ultimate alpine experience, Mountain Trips is offering the *Best 4 Days of Ouray* package, designed to showcase the stunning beauty and adventure that this charming Colorado town has to offer. This all-inclusive, guided experience combines thrilling activities with the relaxation of Ouray's renowned hot springs, making it a must-try for adventurers of all levels.

This community-driven park has not only become a hub for adventure tourism but has also helped sustain Ouray's winter economy for three decades. Ouray Homes, LLC is pleased to submit a Final Plat Application to subdivide Phase 1 of Ouray Waterview Planned Unit Development, approved by the Ouray City Council in the summer of 2023. Phase 1 consists of 21 homes – two single-family, four duplexes, three triplexes, and two single-family with child care spaces. Home construction and infrastructure installation is nearing completion and substantially conforms with the approved preliminary plans. It is anticipated that all required improvements for Phase 1 will be installed by October 18, 2024, followed by Final Plat recording, certificate of occupancy issuance, and sale of the homes to the new, income-qualified residents.

CITY COUNCIL PRELIMINARY PLAT REQUIREMENTS

City Council applied nine conditions of approval to the preliminary plat application via the June 20, 2023, Staff Report and May 18, 2023, Staff Memo, which affect the Final Plat application. Six of the conditions

were met prior to construction commencement. The three outstanding conditions of approval are as follows, with a status update in *italics*:

6. Applicant must draft a Development Improvements Agreement for the associated infrastructure, standards, timelines, and improvements for this project.
 - a. Agreement must be approved by the City Attorney, City Administrator and associated bodies and executed accordingly.
 - b. Agreement must be mutually-executed prior to filing a Final Plat as part of the Building Permit process once proposed infrastructure is finalized.

All associated infrastructure and improvements for Phase 1, except for some landscaping in the public right of way, will be complete prior to the Final Plat recording. Therefore, a Development Improvements Agreement is not required.

8. Final Plat must reiterate the plat notes and easement descriptions included in the Waterview Lot 2 Lot Split Plat (Reception No. 211406) by reference.

The Final Plat, as submitted, reiterates the pertinent plat notes and easement descriptions included in the Waterview Lot Split Plat (RN 211406) by reference.

9. Once preliminary plat approval has been granted from the Ouray City Council, the Applicant must work with the City to coordinate a joint meeting with the City Council, City Attorney, City Administrator, and Planning Commission to discuss terms and responsibility [sic] of the deed restrictions associated with this project.

The resolution to approve the final Ouray Waterview Homes Deed Restriction Covenant and Guidelines were executed by the City of Ouray and Ouray Homes, LLC on February 9, 2024. These documents will be recorded and cross-referenced concurrently with the Final Plat.

DEVELOPMENT AGREEMENT REQUIREMENTS

The City of Ouray and Ouray Homes, LLC entered a Development Agreement on January 16, 2023, whereby specific Final Plat requirements were agreed upon and applicable to Phase 1. The specific Final Plat requirements have been met as follows:

A plat notice is included: **NOTICE: PHASE 1 IS OF THIS SUBDIVISION IS SUBJECT TO THE CITY OF OURAY AND OURAY HOMES, LLC DEVELOPMENT AGREEMENT EFFECTIVE JANUARY 16, 2024.**

The Final Plat depicts all utility easements around the perimeter of the property and across Lots 1 through 21, Tract D, as well as all ditch easements along with the addition of a pedestrian access easement to the river trail, all of which will be dedicated to the City via the Final Plat at Final Plat recording.

As required, a plat notice on the final plat states in bold: **“PERMANENT OR TEMPORARY STRUCTURES, INCLUDING FENCES AND SHEDS ARE PROHIBITED WITHIN ANY EASEMENT SHOW HEREON UNLESS APPROVED IN WRITING BY THE CITY OF OURAY BUILDING INSPECTOR AND PUBLIC WORKS DEPARTMENT PRIOR TO INSTALLATION.**

Updated title work is included with this application, representing no real property boundary and/or easement disputes concerning the property.

A revised landscape plan was submitted to the City on July 26, 2024, and is included with this application. City Staff has reviewed and commented on the landscape plan. Landscaping and fencing for the lots depicted in the plan will be installed starting in early October 2024. Some landscaping elements for the City-owned properties will be completed by June 2025 due to winter conditions.

Ouray Homes has met all design standards and improvements for roads, sidewalks, sidewalk curb-and-gutters, and stormwater, water, and wastewater systems.

The Final Plat contains dedication language to convey ownership of the open space to the City of Ouray for Tract A - Open Space, Tract B - Open Space, Tract D - Stormwater Detention Pond, and the north corridor river trail access.

Garages have been constructed as depicted on the preliminary plan.

The Final Plat contains a plat notice referencing that each unit owner is subject to a deed restriction and covenant agreement as depicted in Exhibit D of the Development Agreement (Deed Restrictions and Covenants) and recorded with each unit purchased and Affordable Housing Regulations and Guidelines as depicted in Exhibit E of the Development Agreement (Guidelines). Said deed restriction is a covenant that runs with the title to the land for 100 years and shall survive any foreclosure on the respective Lots unless the restrictions are otherwise released or modified as provided for in the recorded deed restriction and covenant for each Lot. A plat notice has been added to the Final Plat that states:

Each lot owner is subject to the DEED RESTRICTION AND COVENANT AGREEMENT FOR OURAY WATERVIEW HOMES PUD recorded at Reception Number _____, and the OURAY WATERVIEW HOMES AFFORDABLE HOUSING REGULATIONS AND GUIDELINES recorded at Reception Number _____, as may be amended.

OURAY LAND USE CODE FINAL PLAT REQUIREMENTS

The Final Plat, as submitted, meets the requirements of Ouray Land Use Code Section 7-7-D-3 passed April 3, 2023, as may differ based upon the approved PUD. The Final Plat substantially conforms with the preliminary plat.

BACKGROUND

The Applicant received Sketch Plan approval for the property at a Planning Commission meeting on March 21, 2023. The Applicant submitted a Preliminary Plat application for the Planned Unit Development (PUD) per Ouray Municipal Code process. This PUD is for residential development on two (2) vacant lots north of the Biota Building. The general intent of the PUD is to develop 65 affordable, owner-occupied residential units via single-family homes, duplexes, and triplexes with (3) in-unit home childcare opportunities in the Phase 1 (see Exhibits G, I & J). These units will be deed restricted in perpetuity. The Preliminary Plat application proposes a new internal road to access the northernmost proposed lots and landscaped connections to the existing River Trail (located in Phase 1 and Phase 2) as well as Open Space tracts dedicated to the City.

The goals, timeline, design and intent remains the same as the Waterview PUD Sketch Plan application as presented during the January 10, 2023 and March 21, 2023 Planning Commission hearings.

The Ouray City Council has supported the pursuit of grant funding through HB21-1271 (administered through the Colorado Department of Local Affairs) to fund public infrastructure and to keep this project as affordable as possible. The City was notified of a grant award of \$1,050,000 to help fund infrastructure for this project. This funding must be used by April of 2024.

Foundation to PUD Variations

The Planned Unit Development (“PUD”) regulations in the Ouray Municipal Code (“OMC”) §7-8 establish the following Statement of Objectives of Development (“PUD Objective”):

“The intent of this section is to promote the Planned Unit Development Act of 1972 and encourage innovative developments with unique and valued community attributes. PUDs allow for consideration of development proposals that differ from required development improvements identified in the OMC. PUDs offer different options to the applicant when planning and obtaining City approval for their development. PUDs allow flexibility with respect to dimensional requirements and increased densities under certain conditions or circumstances. PUDs encourage conservation of a site’s natural characteristics, innovative residential, commercial and industrial development plans which will result in a more efficient use of open space and provide affordable housing for year around residents.”

OMC §7-8-D establishes the following applicable dimensional requirements and densities:

The dimensional requirements for various PUD items may differ from what is required in the OMC if the City Council determines such deviations will promote the public health, safety and welfare.

The proposed variations to the code as a result of this PUD are summarized in Table 3 below:

Table 3. Requested PUD Variations

OMC Section	OMC Standard Requirement	Requested PUD Variation
7-5-E-4-d-iii-1	<i>Single Family Dwellings shall be not less than 24 feet in width and 32 feet in length.</i>	Some units proposed: Width: 16 feet per specifications of factory partner (compliant with building codes)
7-5-E-4-f-i	<i>Two off-street parking spaces per dwelling unit.</i>	Proposed: 2 parking spaces per single-family dwelling unit, duplex unit, and end-triplex unit; 3 parking spaces per in-unit childcare single-family dwelling unit; 1 parking space per middle-triplex unit; 24 additional off-street parking spaces in proposed internal road.
7-5-D	<i>Minimum Lot Area - (C-2) north of Skyrocket: 7,100 square feet</i>	(See Exhibit C for proposed lots and sizes) Average proposed lot size: 3,833 square feet
7-5-D	<i>Minimum Side Setback - (C-2) north of Skyrocket: 5 feet</i>	Duplex and Triplex dwelling units will have proper fire separation to meet state and local building codes; however, these shared party walls will result in 0-foot side setbacks in these lots.

Process to Create a PUD

The Planning Commission is a recommending body for the Preliminary Plat phase of PUD applications. The City Council must make final PUD decision(s) during the consideration of Preliminary and Final Plat phases.

OMC §7-8-E: Procedures, states “PUDs shall be reviewed in accordance with the same procedures for review of subdivisions as found in Subsection 7-7-C” and “preliminary and final PUD plan shall comply with all requirements for a preliminary and final subdivision plat, **to the extent applicable.**”

The procedures for reviewing a PUD include the following Subdivision steps:

1. **Sketch PUD** with Planning Commission review and determination pursuant to the Subdivision Sketch Plan in OMC §7-7-C-2.
2. **Preliminary PUD** with Planning Commission review and recommendation to the City Council for determination pursuant to the Subdivision Preliminary Plat in OMC §7-7-C-3.
3. **Final PUD** with Planning Commission review and recommendation to the City Council for determination pursuant to the Subdivision Final Plat in OMC §7-7-C-4.

CRITERIA FOR DECISION

1. OMC §7-8-B establishes the following primary PUD criteria for decision:
 - A. A PUD shall be in general conformity with the City Community Plan
 - B. A PUD shall be consistent with the PUD Objective
 - C. Compliance with the Colorado Planned Unit Development Act of 1972
 - D. A PUD shall have a minimum of 1 unit or lot
2. OMC §7-7-D-2 establishes the Requirements and Data on Preliminary Plats.
3. OMC §7-7-E establishes typical Subdivision Design Standards.

STAFF ANALYSIS: PUD CRITERIA FOR DECISION

1. A. General Conformity with the Ouray Community Plan

Staff finds this PUD proposal aligns with numerous goals and strategies of the Ouray Community Plan 2021. The proposed development aims to provide homes for affordable housing AMI levels appropriate to serve the greater Ouray community and to diversify the housing available in Ouray as well as provide attainable housing solutions for year-round local residents and employees. Some applicable goals and strategies from the Community Plan are outlined below.

- Housing Goal H-1-A: “assure attainable housing is permanently affordable utilizing deed restrictions or other available tools” (Ouray Community Plan, pg. 16).
- Housing Goal H-1-B: “consider amending the LUC and the city adopted building regulations to provide robust incentives for the development of attainable housing in the community” (pg. 16).
- Housing Goal H-1-B-vi: “allowing for homes with a high density on one or more lots, including reducing lot sizes, frontages and setbacks to facilitate small home development” (pg. 16).
- Housing Goal H-1-E: “support and encourage attainable rental and for-sale housing throughout the community in a variety of unit types and densities in all the city zoning districts, live-work units, small homes, multi-family developments, dormitory or ‘POD’ style units, and other unit types that provide for attainable housing” (pg. 17).
- Housing Goal H-1-G: “explore public/private partnerships to provide attainable housing” (pg. 17).
- Housing Goal H-1-I: “support, encourage and require new development to provide a variety of bedroom mixes, unit sizes, dwelling types, rental and ownership structures, and attainability limits that are based on an updated community housing needs assessment” (pg. 17).
- Housing Goal H-1-Q: “strive to provide attainable housing for 50% of the local workforce in the city” (pg. 18).
- Housing Goal H-1-R: “evaluate annexations and PUDs to provide attainable housing” (pg. 18).
- Housing Goal H-2: “cooperate and work with the Town of Ridgway, Ouray County, DOLA, the development community, and other entities to plan and develop attainable housing” (pg. 18).
- Housing Goal H-3-D: “promote energy efficient and ‘green building’ techniques to reduce household energy consumption, utility bills, and help maintain long-term affordability in new housing” (pg. 19).
- Housing Goal H-3-F: “strive to provide housing located in close proximity to existing or planned infrastructure, services, intermodal transit connections, sidewalks, trails and employment” (pg. 19).
- Life Long Learning Goal LL-3-A: “support incentives or programs to provide affordable daycare facilities throughout the city, such as land donations, fee and tap waivers, streamlined review processes, zoning allowances, or the formation or expansion of non-profits that provide childcare” (pg. 21).
- Community Health Goal CH-1-C: “promote, develop, improve and maintain city recreational assets for active living, such as hiking at Box Canyon Park, walking the Uncompahgre River Walk Trail, hiking on the Perimeter Trail or swimming, water aerobics and the gym at the Hot Springs Pool” (pg. 26).
- Land Use Goal LU-1-A-iv-b: “consider allowing for the reduced lot size only if a primary dwelling unit or an ADU is provided that is deed restricted to provide housing to employees working within the geographic boundary of Ouray County” (pg. 32).
- Land Use Goal LU-1-A-xv: “encourage attainable housing to be provided in existing RV parks, light industrial, commercial and other properties through LUC and other incentives” (pg. 34).
- Economic Development Goal ED-2-L: “encourage and incentivize the provision of attainable housing; childcare; desired community amenities; connectivity and a high quality of life to drive economic resiliency” (pg. 51).
- Energy Goal RE-6: “encourage and support other alternative energy uses in the city, including solar, wind,

ground source heat pumps and biomass energy production” (pg. 74).

- The Future Land Use Map illustrates this site as **Mixed Land Use** (pg. 40). Mixed Land Use is oriented for “multi-family dwellings with limited commercial uses, to be determined” (pg. 42). Description/Character include:
 - Provide incentives to maximize housing units, such as height increases via PUD, increases in density, scale and mass, and site coverage, and reduced parking.
 - Consider requiring a certain percentage of deed restricted housing units in exchange for incentives to ensure long-term affordability.
 - Allow limited and service commercial uses provided significant housing is provided.
 - Enhance and embrace River Park corridor and overall trail connectivity (pg. 42).

1. B. Consistency with the PUD Objective

Key elements of the PUD objective include:

- Encourage innovative developments with unique and valued community attributes.
- Allow for consideration of development proposals that differ from required development improvements identified in the OMC.
- Offer different options to the applicant when planning and obtaining City approval for their development.
- Allow flexibility with respect to dimensional requirements and increased densities under certain conditions or circumstances.

“PUDs encourage conservation of a site’s natural characteristics, innovative residential, commercial and industrial development plans which will result in a more efficient use of open space and provide affordable housing for year-round residents” (OMC §7-8-A). Staff finds the Applicant is seeking to create an innovative use of space as a PUD on the currently vacant lot. The PUD process provides an opportunity for the Applicant to seek flexibility with the dimensional standards in order to provide long-term attainable housing solutions and effective use of space, both of which are primary goals of the community under the adopted Plan.

1. C. Compliance with the Colorado PUD Act

The key requirements of the Colorado PUD Act have been incorporated into the PUD section of the OMC. A development improvements agreement will be drafted by the Applicant and executed by the City as part of the Building Permit process and prior to the Final Plat phase of the PUD to ensure infrastructure installation, maintenance, building standards, engineering standards, etc. are met and coordinated throughout the development process. This document will additionally ensure the infrastructure development remains compliant with the Colorado PUD Act.

1. D. Minimum Density

The minimum density of one unit or lot has been met.

STAFF ANALYSIS: REQUIRED DATA ON PRELIMINARY PLATS (OMC §7-7-D-2)

The data and information outlined in §7-7-D-2 for Preliminary Plats has been met for this application among the various items submitted (see Exhibits A, D, E, & F). The information contained in this section ranges from a scale, north arrow, location of lot lines, elevation contours, and utility plans.

The final site grading plan, proposed sewer and water lines connections, storm drainage systems, the location, pipe sizes, valves, discharge points, and access points will be coordinated with the City’s Public Works Department at a preconstruction meeting prior to the Final Plat application.

STAFF ANALYSIS: TYPICAL SUBDIVISION DESIGN STANDARDS (OMC §7-7-E)

General Design Standards:

As discussed above, this project is in general conformance with the goals and strategies identified in the 2021 Ouray Community Plan and the future land use map contained in the Community Plan. This project is designed as a phased approach in an effort to not over-burden the City’s infrastructure capacity. This project was designed with phased density to complement the surrounding subdivision/land uses and surrounding open spaces. This project maintains access, layout, and terms identified for the variety of berm/utility/ditch easements located on the site. This project gives consideration to the preservation and connection of open spaces and the Uncompahgre River and trail.

Streets and Circulation:

The prior-plotted Uncompahgre Street will serve as immediate access from Highway 550 to this site. The Applicant proposes improving a section of Uncompahgre Street to match the improvement of the proposed new internal street for the project and will work with the City on this improvement. The continuation of Uncompahgre Street west of what is proposed in this project will be a future discussion for the City Council.

The new, proposed internal street, “Waterview Street” features 2 driving lanes, a parallel parking area adjacent to Lots 3 through 21, curbs, and 5-foot sidewalks on both sides (see Exhibit D).

The proposed internal street meets City Infrastructure Standards and has been coordinated with the City Public Works, County EMS, Fire Department, and School District to ensure proper access and width.

There is an additional emergency access identified between Lots 43 and 44 (“Tract G”) which will be closed to public use, but available to the City Public Works Department, Fire Department, and County EMS for emergency access.

Staff note: “Waterview Street” may have to be renamed in future submittals and as a condition of this preliminary plat (see Exhibit B).

Lots:

The project proposes 65 lots for residential unit development and various tracts for dedication to the City and easement holders. The depth and width of the proposed lots range in size, and provide for off-street parking and multi-family dwelling unit access where applicable (see Exhibit A). All of the proposed lots are considered accessible and developable. Phase 2 lots feature northern lots larger in size, with greater rear setbacks to provide a landscape buffer between the Waterview PUD and the Chautauqua subdivision.

Water, Fire Protection and Sewer Systems:

Utility infrastructure is available and present. The project proposes connections to the existing water and sewer lines to meet code requirements and infrastructure standards. *Water and sewer connections will continue to be coordinated with the Public Works Department.* Unless otherwise agreed upon by the City Council, the applicant shall also be required to pay tap investment fees for all water and sewer tap connections as proposed in the preliminary plat.

The Preliminary Plat documents were distributed to the Ouray County EMS, Ouray Fire Department, Public Works Department, and Ouray School for review and consideration of proposed connections, easements, fire hydrants, and drainage. Comments received have been compiled in Exhibit K.

Drainage, Hazard Mitigation, and Snow Storage:

This site has minimal slope and existing hazards. This site is not directly located within an identified Flood Hazard Area. Although hazard mitigation drainage will be minimal for this project, the Applicant had a Geotechnical Engineering Study completed for the proposed development to help guide foundation setting, grading, retention areas, and drainage to best serve the future residents of this PUD (see Exhibit L).

Since this project does include additional paved roads and infrastructure, snow storage areas will be coordinated with the Public Works department to ensure the open space tracts and remainder of Uncompahgre Street area can host the snow accumulation for the PUD.

Plat Notes and Monuments:

Final Plat notes shall be reviewed and revised as necessary by City Council and the Planning Commission during the Final Plat phase. Monuments are present from the original Waterview Subdivision plat (Reception No. 211406, see Exhibit H). Additional monuments will be placed according to code as part of this project’s infrastructure.

The dedicated Tracts and areas as shown on the submitted Preliminary Plat documents will be considered by the City Council and applicable agencies to ensure proper mitigation and responsibilities are coordinated and agreed upon.

Parks, Trails, Open Space, Recreation Facilities, Common Areas:

This project proposes areas for public open space and connections to the Uncompahgre River Trail (see Exhibit E).

The common areas and open spaces included in this application are dedicated to the City of Ouray, which will have to be discussed further by the City Council.

The Applicant amended the original Sketch Plan application of this project to enhance the landscape corridor of the eastern side of the lot, near Highway 550, as recommended by the Planning Commission.

This project proposes 5-foot wide, ADA-compliant sidewalks within the PUD as part of the greater ROW design.

The park dedication requirement per subsection 14-g. is less than 2 acres, which does not meet the minimum area for a city park. Therefore, the code would require the applicant to pay a fee-in-lieu of \$1,203.00 per new lot (65 new lots proposed x \$1,203 = \$78,195) prior to the recording the Final Plat. *Staff recommends waiving the public park fee-in-lieu as permitted by section 14.i.ii. of the code due to the goals of this affordable housing project, the PUD meets the Open Space coverage requirements of the code, and because the project proposes installation of connections to recreational areas and public park areas. This fee may be reduced by City Council consideration and approval.*

PUBLIC NOTICE

Public noticing requirements per the OMC have been met for this Preliminary Plat application. Public notice was posted at City Hall on May 24, 2023, published in the Plaindealer on June 1, 2023, and posted on the property on June 2, 2023. No public comments were directed to the Planning Commission for their May 23, 2023 hearing; one (1) public comment has been received by staff for the Preliminary Plat application for City Council (see Exhibit M).

STAFF RECOMMENDATION

OMC §7-7-C-3 establishes the following Subdivision Process for Preliminary Plats:

“d. City staff will prepare a report detailing their review findings and include any reports from review professionals. The report shall provide development information and detail compliance with all applicable City requirements, regulations or standards.

g. The City Council shall consider the preliminary plat and supporting documentation, the City staff report and the Planning Commission recommendation within 30 days. The City Council shall approve, conditionally approve, or deny the preliminary plat within 30 days of considering the application.”

The Waterview PUD Preliminary Plat was reviewed with the City’s adopted municipal code, applicable community adopted plans and ordinances, the Ouray Community Plan, Public Works Department, Ouray County EMS, and Ouray Fire Department. As outlined in the above Staff Analyses, this application meets the standard design and plat requirements for the Preliminary Plat phase.

Staff recommends the City Council carefully consider the attached Exhibits, the project’s goals, and this staff report. After hearing the staff report and any testimony at the hearing, the Council should discuss the PUD and Preliminary Plat Criteria for Decision and general conformance with the Community Plan. Staff finds this project meets many goals and actions outlined in the Ouray Community Plan, meets the goals set forth in the OMC, and has met the standards set out by the OMC while requesting deviations from the C-2 dimensional standards, *as an anticipated part of the PUD process.*

The Planning Commission recommended approval of the Waterview PUD Preliminary Plat during their hearing on May 23, 2023 with the following conditions of approval:

- Approve the deviations to the OMC standards outlined in Table 3 of this report
- Satisfy the comments outlined in the Staff Comment Memo prior to filing a Final Plat (Exhibit B)

OURAY WATERVIEW HOMES
AFFORDABLE HOUSING REGULATIONS AND GUIDELINES

Approved by the Colorado Attorney General and DOLA
and Adopted by the City of Ouray on January 16, 2024, as Exhibit E to the CITY OF OURAY
DEVELOPMENT AGREEMENT, OURAY HOMES, LLC

WELCOME

Rural Homes, LLC, (“RH”) is a Colorado not for profit limited liability corporation whose mission is to empower rural communities by creating a replicable model and equitable process for the development, sale and occupancy of the highest quality homes which remain affordable for working low- to moderate- income local residents, thereby improving people’s health and well-being and the community’s economic resilience.

GENERAL POLICY GOALS: The general goal of the Ouray Waterview Homes PUD neighborhood is to provide high quality homes that will remain affordable for working residents and their families who make a living primarily from employment located within Ouray County whose income and assets are below certain targeted limits, and who choose to be part of the local community. This is accomplished by regulating and restricting occupancy and sale of the Housing Units covered by these Ouray Waterview Homes Affordable Housing Regulations and Guidelines (“Guidelines”) to “Qualified Households” as defined herein.

Qualified Households must meet specific economic means tests that may include both Household Income and Household Net Assets. Such tests of economic means are intended to promote diversity within the target community.

The Housing Units covered by these Guidelines are subject to price limitations for sale, resale and/or rental. These limitations are intended to insure affordability for the current Household and for the long-term affordability of the Housing Unit.

These Guidelines are intended to provide for clear, fair, and consistent administration of the Deed Restriction and Covenant Agreement (referred to as “Covenant” or “Deed Restriction”), recorded with each Housing Unit (also referred to as Unit) purchase or Transfer. It is recognized that there are individual Households and Housing Units that may not fit clearly within the specific provisions of the Guidelines but still meet these general policy goals. For these cases, Exception and Appeal processes have been established (Section 11).

The City of Ouray Housing Committee hereafter referred to as Committee, is authorized to adopt specific policy directives as necessary to clarify and aid in the application and enforcement of the Deed Restriction and amend these guidelines as necessary. Any policy directives shall be adopted by Committee at a properly noticed public meeting.

The existence of more than one Eligibility Tier does not guarantee that the Committee will construct or otherwise make available housing in that Tier.

3.2.2 Household Size. The total number of people in a Household shall not be less than the following Minimum Household Sizes or exceed the Maximum Household Sizes:

Unit Type:*	Minimum Household Size:	Maximum Household Size
Studio / 1 Bedroom	1 person	3 persons
2 Bedroom	1 person	4 persons
3 Bedroom	2 persons	6 persons
4 Bedroom	3 persons	8 persons

*this chart does not guarantee houses will be built or available in all listed types.

3.2.2.a If Declarant’s Household Size falls below the minimum size required, Declarant shall rent a room to a Qualified Tenant pursuant to the Covenant and Guidelines.

3.3 Qualified Entity Owners. Qualified Entity Owners shall be exempt from the Initial Qualification Standards and Eligibility Criteria. Tenants of all Qualified Entity Owner Housing Units shall meet the requirements above as required by Section 7.

4. INITIAL HOUSEHOLD APPLICATION PROCESS

4.1 Application Process. Applications for qualification shall be made to Committee. Committee may request any combination of documentation reasonably related to proof of income, assets, and employment. Household shall sign a release of information so that Committee may obtain such information. Committee will require a sworn statement of the facts contained in the application including at least the following certifications:

4.1.1 That the facts contained in the application are true and correct to the best of the Applicant’s knowledge; that the Applicant has been given the standard application information packet by Committee; and

4.1.2 That the Applicant, on the basis of the application presented, believes that the Household qualifies to occupy the Housing Unit in question according to the Deed Restriction, these Guidelines and all other applicable procedures, rules, and regulations.

4.1.3 Any material misstatement of fact or deliberate fraud by the Household in connection with any information supplied to Committee shall be cause for immediate expulsion from the application process and/or forced sale or vacation of the Housing Unit.

4.1.4 Qualified Entity Owners. Qualified Entity Owners shall have a streamlined application process which may vary among entity type.

4.2 Homeowners Associations. The Housing Unit is not currently subject to a homeowner’s association (“HOA”). However, HOAs and related dues are authorized in Colorado under Colorado Revised Statutes §38-33.3-101 et seq. If an HOA is formed and applicable, all Owners of Housing Units are required to timely remit payment of HOA dues. It is the Household’s responsibility to be aware of any HOA dues or interest charges.

5. CONTINUING HOUSEHOLD QUALIFICATION AND COMPLIANCE VERIFICATION

5.1 Maintaining Qualified Household Status. Committee requires Households, including all occupants of Housing Units, to maintain Qualified Household status on an on-going basis.

5.1.1 Changes to Households. Changes to Qualified Households impact ongoing qualifications and may jeopardize qualification, such as a pending separation or divorce, the death of a Household member, or departure of a Household member, and the addition of Immediate Family members. All changes to the Household shall be reported to Committee within thirty (30) days of said change. Committee will make every effort to maintain stable housing for Households in transition but shall require the Household to come into compliance within a reasonable period prior to issuing a Notice of Violation.

5.1.2 Compliance Checks. In order to verify compliance with Deed Restrictions and the Guidelines, Committee will conduct regular Compliance Checks and may initiate them to investigate complaints or reports of non-compliance. Any on-site Housing Unit inspection is subject to a twenty-four (24) hour notice requirement.

5.1.3 Verification of Qualification. Committee shall require Households to verify that they remain a Qualified Household within twenty-one (21) days of a written notice of Compliance Check or a penalty will be assessed (see Appendix E). A sworn statement of the facts required for maintaining Qualified Status shall be required as detailed in Section 4 for initial Compliance Check submissions.

5.2 Qualified Household Continuing Requirements. Verification of the following shall be required:

5.2.1 Continuing Minimum Work Standard.

5.2.1.1 At least one member of the Household must be a Qualified Employee who meets the Minimum Work Standards.

5.2.1.2 Qualified Elderly, Qualified Individual with a Disability and Immediate Family of Qualified Employees are exempt from the continuing Minimum Work Standard.

5.2.2 Continuing Earned Income Standard.

5.2.2.1 Household shall meet the Earned Income Standard, Section 3.1.2.1.

5.2.3 Continuing Net Income Standard.

5.2.3.1 Household Net Income shall not be considered for ongoing qualification for Owners.

5.2.3.2 Tenant Households shall continue to meet the Earned Income Eligibility Tier as designated by Appendix A.

5.2.4 Continuing Residency Standard. Qualified Households shall occupy the Housing Unit for at least eight (8) of every twelve (12) months on a rolling twelve (12) month basis.

5.2.4.1 Leave of Absence. In the event a Household wishes to not occupy the unit for more than four (4) months, the Household may apply to Committee for a Leave of Absence for a term not to exceed two (2) years. The Household must provide clear and convincing evidence showing both a bona fide reason for leaving and a commitment to re-occupy the Housing Unit. Committee shall condition the granting of the Leave of Absence on the Household offering the Housing Unit for rent to a Qualified Household, during the period of the requested leave. Committee may include conditions on the Leave of Absence, as it deems necessary. Applications for a Leave of Absence shall be made to Committee according to the Exceptions Procedure in Section 11.1. Short-term rental and rental terms of six months or less of Housing Units are otherwise prohibited.

5.2.5 Ownership of Improved Residential Property. Household is prohibited from ownership of other Improved Residential Property located within a one-hundred and fifty (150) mile radius from the Housing Unit unless the Committee approves an Exception, see Section 11.1.

5.2.6 Household Net Assets. Household Net Assets shall not exceed three (3) times the Maximum Sales Price of the Unit.

5.2.7 Household Size. Minimum and Maximum Household Size are on-going requirements. See Section 3.2.2.

5.3 Qualified Entity Owners. Qualified Entity Owners shall be subject to verification of Qualification of Entity Status. Tenants of all Qualified Entity Owner Housing Units shall meet all continuing requirements of the Covenant and Guidelines. Failure to do either or both is a material breach of the Covenant.

6. SALE AND RESALE OF HOUSING UNITS

The initial sale of all Housing Units shall be in accordance with applicable lottery, wait list or other selection procedures as determined by the Committee.

6.1 Notification Required.

6.1.1 Written notice to Committee shall be required for any pending change in financing or ownership of a Housing Unit. Failure to timely notify Committee is considered a serious breach of the Deed Restriction and violation of the Guidelines and shall be subject to a Notification Required Penalty (see Appendix E) for each day the failure to notify persists.

6.1.2 Notice of Intent to Sell a Housing Unit must be given at least sixty (60) days prior to the sale of the unit on notice forms available from Committee.

6.1.3 Notice of transfer of any interest in a Housing Unit must be given at least thirty (30) days prior to the transfer and will require the execution of a new Deed Restriction.

6.1.4 Notice of refinancing of a Housing Unit must be given at least thirty (30) days prior to closing of the loan.

6.2 Consult with Committee. Sellers are advised to consult with Committee prior to offering a Housing Unit for sale, in order to obtain the most current information about applicable Guidelines and processes, and to verify the Maximum Sale Price and other applicable provisions of the Deed Restriction concerning the Sale.

6.3 Independent Legal Counsel. All Sellers and Buyers of Housing Units are advised to consult independent legal counsel regarding the examination of title and all contracts, agreements, and title documents. The retention of such counsel, or related services, shall be at Buyer's and Seller's own expense.

6.4 Title Company. Committee advises Buyers to use a local title company and escrow agent with experience in closings of Housing Units to close the sale transaction. The title documents involved in the closing of Housing Units are unique and technical. Mistakes in the closing documents are easily made and difficult to correct. Seller shall authorize Committee to review the conveyance documents prior to closing.

6.5 Sales Fee. After the initial sale, at the closing of the sale, the Buyer, will pay to Committee a fee equal to 1% of the sales price. Committee may instruct the title company to pay such fees out of the funds held in escrow at closing. The sales fee is waived for the sale from the developer to the first purchaser. Committee may also waive the fee, or a portion thereof, in its sole discretion, to promote affordable housing. Fees due to Committee shall be paid regardless of any action or services that the Buyer or Seller may undertake or acquire.

6.6 Beneficiaries with the Right to Acquire Ownership. Upon Owner's Notice of Intent to Sell, or upon exercise of Notice of Election to Require Sale as defined in the Covenant, Section 10.3, or if an Owner receives any offer to purchase or tenders any offer of sale for the Housing Unit either of the Beneficiaries, or their successors, shall be notified within five (5) days of such event and have the Right of First Refusal (ROFR) to purchase the Housing Unit for the Maximum Sale Price or at the offered sales price outlined in the Covenant, Section 7.3.

6.6.1 Sale between Owner and an Immediate Family Member shall be excluded from the Beneficiaries' ROFR in 6.6, above.

6.7 Resale Options. Sellers of Housing Units have the following options for advertisement and marketing of their units:

6.7.1 Seller may advertise, market, and sell a Unit directly, or list the Unit with a real estate broker licensed to do business in the State of Colorado provided that:

6.7.1.1 The Buyer meets the Qualified Household requirements of Section 3;
and

6.7.1.2 In all events the Committee will assist the Seller as it is able.

6.8 Maximum Sales Price.

6.8.1 Maximum Sale Price as Only Exchange of Value. The Maximum Sale Price of the Housing Unit shall be calculated according to its Deed Restriction. In no case shall any Housing Unit be sold for more than the Maximum Sale Price. The contracted sale price shall be the only exchange of value between parties to any sale of the Housing Unit. Both Buyer and Seller must execute a sworn statement affirming that the contracted sale price is the only exchange of value in the sale. Any exchange of value outside the contract sale price shall invalidate the sale in addition to being a violation of applicable provisions of Colorado law that provide for additional civil and criminal remedies.

6.8.2 Minimum Standards for Maximum Sale Price. The Owner, Buyer, and Committee should work together in addressing repairs necessary to bring a Housing Unit to Minimum Standards for Maximum Sale Price. Owners and Buyers shall use the following checklist of Minimum Standards for a sale at Maximum Sale Price (Seller's Listing Checklist), including but not limited to:

- Clean, odor-free interior;
- Carpets steam-cleaned within seven (7) days of closing;
- Surface scratches, marks, holes in doors, floors, walls, woodwork, cabinets, counter tops, other than normal wear and tear, repaired;
- Walls in good repair and paint-ready;
- Windows and window locks in good repair;
- Broken windowpanes replaced;

- Window screens in place and in good repair;
- Doors and door locks in good repair; keys for all locks must be delivered at closing;
- Light fixtures, outlets, switches secure and in working order;
- Plumbing in good repair with no leaks;
- Tile grout in good repair and clean;
- Roof in good repair with no leaks (if home is a single-family) including an expected remaining life of ten years; and
- Safety hazards resolved.

6.9 Mitigation of Repairs.

6.9.1 Committee shall conduct a walk-through of the Housing Unit for purposes of verifying the Seller’s Listing Checklist and identifying necessary repairs pursuant to Section 6.8. The Seller shall make identified repairs to bring the unit to Minimum Standards for Maximum Sale Price prior to closing.

6.9.2 If a unit does not meet the Minimum Standards, Committee may, at its discretion, require:

- 6.9.2.1 That the cost of necessary repairs be deducted from the closing sale price; or
- 6.9.2.2 That a credit be required from the Seller to the Buyer; or
- 6.9.2.3 That the Seller places into escrow the funds necessary to ensure satisfactory repairs, the balance of which, after necessary repairs, shall be returned to the Seller.

6.9.3 Buyer is strongly encouraged to hire, at its own expense, a licensed inspector to conduct a thorough inspection of the Housing Unit.

6.10. Disclosure of Relevant Contracts and Information.

6.10.1 Both Buyer and Seller of any Housing Unit must sign a release of information allowing Committee to obtain copies of all documents relevant to the sale and must disclose all relevant information known to them. All financial information shall remain confidential except as noted in Section 12.1.

6.10.2 Relevant documents include but are not limited to:

- 6.10.2.1 The sales contract for the Housing Unit;
- 6.10.2.2 The Buyer’s application for financing and related documentation; and
- 6.10.2.3 Title and escrow documents related to the sale.

6.10.3 Sellers must inform Buyers of any proposed or pending increases in homeowner association dues, as well as any proposed or pending assessments, if any.

6.11 Permitted Capital Improvements. Permitted Capital Improvements, as defined in Section 1.9 provide a long-term upgrade or improvement to the Housing Unit. Permitted Capital Improvements shall NOT include luxury items, upgrades for esthetic or personal preference, landscaping, or cost associated with ordinary repair, replacement, and maintenance.

Ordinary Repair and Maintenance including roof repair and replacement, siding repair and replacement, driveway repair and replacement, and other similar maintenance cost are not considered Capital Improvements. Labor costs provided by the Owner may be authorized for up to 50% of the Permitted Capital Improvements upon approval by the Committee.

It is the Owner's responsibility to secure any approval necessary from the Housing Unit's homeowners association and Committee prior to undertaking any Capital Improvements.

6.11.1 ADUs and Capital Improvements. The new construction of an ADU, where permissible, will not be included in the Capital Improvement calculation for the Housing Unit. It will, however, impact the MSP based on criteria established by the Committee.

7. RENTAL PROCEDURES

There are two types of Rental Procedures. One for the rental of the entire Housing Unit and one for a partial rental.

7.1 Entire Housing Unit.

7.1.1 Owner Occupied Units: Owners of Housing Units may, in some instances, be permitted to rent their entire Housing Unit. Households interested in renting the entire Housing Unit shall apply to and be qualified by the Committee under the standards delineated in Section 3. HOUSEHOLD QUALIFICATION, ELIGIBILITY AND PRIORITY.

7.1.2 Qualified Entity Owner Units: Qualified Entity Owners are required to rent their Housing Units and all applicants interested in renting the Housing Unit shall apply to and be qualified by the Committee under the standards delineated in Section 3. HOUSEHOLD QUALIFICATION, ELIGIBILITY AND PRIORITY. Qualified Entity Owners must fulfill the Minimum Household Size and not exceed the Maximum Household Size (Section 3.2.2 Chart). Qualified Entity Owners may rent to unrelated/non-Household applicants and treat each as a separate Household for purposes of qualification as described in 7.2 Room Rental, below.

7.1.3 All other rules and regulations apply to Qualified Entity Owners Housing Units.

7.2 Room Rental. For purposes of qualification for room rental in an Owner-occupied Unit, each room rental shall be considered independently, and Tenant Household's income and assets shall not be included in the Owner's Household for income and asset qualification purposes. However, rental income shall be considered Unearned Income for the Owner/Landlord.

Tenant Household requirements for room rentals:

7.2.1 At least one member of the Tenant Household, who is not part of the Immediate Family of the Owner, must be a Qualified Employee; and

7.2.2 Tenant Households shall meet the Minimum Work, Earned Income, Residency, Property Ownership and Net Assets Standards; and

7.2.3 Tenant household Income Eligibility shall be determined by the Housing Unit's Income Eligibility Tier (see Appendix A) at time of initial tenancy.

7.3 **General Provisions for all Rentals.** In this section, Tenant refers to Households that rent an entire Unit and Tenant Households renting a room in a Unit.

7.3.1 Tenant shall meet the Income Eligibility Criteria designated by the Housing Unit's Income Eligibility Tier (see Appendix A).

7.3.2 Maximum Rental Rate per Housing Unit is set by the Committee and shall not exceed the rental rate for the same number of bedrooms designated by the Housing Unit's Income Eligibility Tier (see Appendix A).

7.3.3 Maximum Rental Rate per room is set by the Committee and shall not exceed studio/one-bedroom rental rate designated by the Housing Unit's Income Eligibility Tier (see Appendix A).

7.3.4 Tenant Qualification shall be certified by Committee prior to tenancy and/or the signing of a Lease.

7.3.5 Tenant Qualification shall be recertified by Committee yearly at Lease renewal and any time there is a change in Household/Tenant Household.

7.3.6 Landlords must obtain proof of qualification from Tenant prior to occupancy.

7.3.7 Rental of Housing Units must be memorialized by a written Lease.

7.3.8 Leases must be for a minimum of six (6) consecutive months and for a maximum of twelve (12) months. Rentals of less than six (6) months are prohibited.

7.3.9 Landlords shall provide a copy of the fully executed Lease with Tenant to Committee within seven (7) days of its execution.

7.3.10 Executed copies of Leases shall be on file with Committee at all times during the period in which rental of the Housing Unit is required or has been approved.

7.3.11 A sublease to a Qualified Employee is allowed upon approval of the Owner and of Committee.

8. DEED RESTRICTION COVENANT

8.1 Deed Restriction Applied with Each Transfer. A Deed Restriction shall be applied prior to or concurrent with each Sale or Transfer of a Housing Unit. Original executed and recorded documents will be maintained by Committee. Provisions herein further defining the Deed Restriction are a summary of significant policies and should not be considered the complete authority. Sellers and Buyers are advised to consult the Deed Restriction for the Housing Unit for complete specific language, which is the final authority for that Housing Unit.

8.2 Specifications of the Deed Restriction.

8.2.1 The Original Purchase Price (“OPP”). Each Housing Unit Sale generates a new OPP and necessitates execution of a new Deed Restriction.

8.2.1 The designated Income Eligibility Tier for the Housing Unit.

8.2.3 The method of calculation of the allowed Maximum Sale Price (“MSP”). MSP shall be the OPP specified in the Deed Restriction plus an increase in price of three percent (3%) per year from the date of purchase to the date of Owner’s Notice of Intent to Sell (compounded annually and prorated at the rate of .25 percent per each whole month of any part of a year);

PLUS, the costs of any public improvements for which assessments were imposed by a government entity since the recording date of the Deed Restriction; PLUS, the costs of Permitted Capital Improvements, not to exceed ten percent (10%) of the OPP, provided that:

8.2.3.1 Improvements are pre-approved by Committee prior to commencement of any work or installation to be considered in the calculation of the MSP.

8.2.3.2 Proof of homeowner’s association approval, if any, must be provided to Committee prior to commencement of work.

8.2.3.3 Improvements must be properly permitted and inspected by the City Building Official, if applicable.

8.2.3.4 LESS the Depreciation on Permitted Capital Improvements; PLUS, any other reasonable costs allowed by Committee pursuant to Guidelines in effect on the date of Owner’s Notice of Intent to Sell.

8.3 Home Occupations. The Housing Unit may be used in a Home Occupation if:

8.3.1 Home Occupation complies with applicable land use regulations;

8.3.2 HOA approval of the specific Home Occupation, if applicable;

8.3.3 The business holds a current business license, if applicable; and

8.3.4 The business holds current sales and excise tax licenses, if applicable.

8.4 **No Guarantee of MSP.** Neither Committee nor the Beneficiaries make any guarantees of the owner's ability to sell the housing unit for its MSP or rent the housing unit for its maximum rental rate.

8.5 **Violation of Deed Restriction.** Violation of any of the covenants, conditions and terms of the Deed Restriction shall also be a violation of these Guidelines whether or not a corollary provision exists.

8.6 **Deed Restriction Binding.** The Deed Restriction shall be binding on all Owners, successors and assigns including any holder of a deed in lieu of foreclosure.

8.7 **Recording of Deed Restriction.** The Deed Restriction and any amendments thereto must be recorded in the property records of the County. The original executed and recorded documents must be delivered to Committee.

8.8 **Deed Restrictions may not be transferred off the Housing Unit.**

8.9 **All Deed Restrictions must be prepared by** Committee. No modification or amendment to the Deed Restriction shall be effective unless agreed to in writing by Committee and other Parties.

9. LENDERS AND LOANS

9.1 **Purpose.** RH intends to meet the following goals in the facilitation of individual mortgage financing for Housing Units:

9.1.1 Protect the public investment and regulatory integrity of RH in the short and long term;

9.1.2 Minimize financial and other risks to Committee and RH by prohibiting excessive debt or other obligations from being secured by Housing Units;

9.1.3 Minimize the chance that Owners will create a financial risk for Committee through creation of debt or other secured obligations against their Housing Unit; and

9.1.4 Increase the potential financing opportunities for Applicants and Owners.

9.2 **Lenders and Mortgages.** Borrowers are restricted to either conventional or government guaranteed mortgages with a fixed rate from commercial banking and lending institutions authorized to engage in mortgage lending practices in the State of Colorado. All other mortgages will require an Exception from Committee prior to purchase of a Housing Unit.

9.3 Total Debt. Prior to and continuing after closing on a Housing Unit, Owners shall not incur debt, judgments, liens, or other obligations secured by the Housing Unit and in no event shall any obligation secured by the Housing Unit exceed the total Original Purchase Price of the unit. This limitation shall apply also to any refinance of existing debt secured by the Housing Unit. Owners must notify Committee prior to finalizing any refinancing of the Housing Unit. Failure to notify Committee shall be subject to a penalty (see Appendix E).

9.4 Co-Borrower or Co-Signor. Co-borrowers or Co-signors who are not part of the Qualified Household must apply and be approved through the Exception Procedure (Section 11). Approved Co-borrowers and Co-signors shall be required to sign a separate agreement to sell the Housing Unit in the event the Qualified Owner becomes an Unqualified Owner, is in default under its Deed Restriction or the Guidelines or is otherwise required to sell the Housing Unit. Such Co-signors and co-borrowers shall not occupy the Housing Unit unless qualified by Committee.

10. OWNERSHIP LOTTERIES

The purpose of these Lotteries is to create a fair and orderly process for offering Units for sale to qualifying Households and give purchase priority to those identified in the Lottery Point System Criteria, Appendix C.

10.1 Ownership Lottery Procedure.

10.1.1 Committee shall establish a procedure for ownership lotteries for initial sales of RH as subject to these Guidelines and may establish ownership lotteries for subsequent sales as necessary.

10.1.2 Committee shall open an ownership lottery as follows:

10.1.2.1 Notice of the date, time, and location at which applications will be taken shall be published as a Legal Notice in a newspaper of general circulation in the region. Such notice shall be published at least twenty-one (21) days prior to the close of the application period, which application period shall be a minimum of fourteen (14) days.

10.1.2.2 Application and information materials shall be available at the time of publication of the Legal Notice at locations and web sites announced in the Notice.

10.1.3 Lottery Application Process and Applicant Responsibilities.

10.1.3.1 Complete lottery application.

10.1.3.2 Households interested in purchasing a Housing Unit must submit an application to the Committee or its Designee. All members of a Household over

eighteen years of age must submit the required information necessary to determine qualification and eligibility.

10.1.3.3 A Household must submit a letter from a mortgage lender, stating the Household's ability to pre-qualify for a mortgage.

10.1.3.4 In order to participate in a lottery, Households must sign the sworn statement described in Section 4.

10.1.3.5 If a Household cannot sign the sworn statement, or if a Household does not provide Committee with information required to process the application, then it will not be eligible to be entered into the lottery.

10.1.3.6 Committee shall rely on the sworn statement of the Applicant as to the completeness and accuracy of the application for the purpose of determining eligibility to participate in a lottery.

10.2 Lottery Order.

10.2.1 Committee shall only accept lottery applications during the time period specified in the Legal Notice. Mailed applications shall be considered received in the proper time period if postmarked at least two (2) days prior to the last day of the application period and received within two (2) business days after the application period closes. Committee shall not be responsible for delays in the delivery of mail beyond two (2) business days after the application period closes. Incomplete applications shall not be processed for qualification.

10.2.2 The lottery shall be executed in two rounds; First Round for all Applicants who qualify without an Exception and Second Round for all Applicants who have requested and received an Exception(s).

10.2.3 All Applicants deemed Qualified Households shall automatically qualify for entry in the lottery and placed in First Round. Any household lacking one or more of the Qualification and Eligibility Criteria will be placed on a separate list for unqualified Applicants (as further explained in Section 10.3.3.6) and placed in Second Round.

10.2.2.1 Exception requests submitted pursuant to Section 9.2 (Lending) shall not preclude Applicant from classification as a Qualified Household for purposes of the Lottery.

10.2.4 Qualified Applicants shall qualify for additional entries in the lottery according to the criteria as outlined in Appendix C or according to criteria established by RH.

10.2.5 The Lottery Point System Criteria may be modified as necessary by Committee.

10.3 Lotteries are subject to the following guidelines:

10.3.1 A lottery must be conducted in a duly noticed public meeting of the Committee.

10.3.2 An independent County resident with no direct stake in the lottery outcome shall be invited to draw the Applicant names after every applicant's approved entry has been verified as included in the lottery drawing by the  Committee prior to drawing nay names.

10.3.3 Once an Applicant's name is drawn, any further instances of that Applicant's name drawn are recorded but ignored in establishing the order of Applicants.

10.3.4 The results of the lottery shall be posted and certified by the resident drawing the names as soon as practically possible after the drawing.

10.3.5 The order in which Applicant names are drawn in the lottery shall determine the order in which Applicants are contacted to purchase the Housing Units offered in the lottery and for which they qualify (except for handicapped-accessible units as noted in Section 10.3.3.7).

10.3.6 These procedures will also be followed to establish the order of the unqualified Applicants. Unqualified Applicants will not be offered a Unit until all Qualified Applicants have been offered a Unit to purchase based on their preference, AMI designation and availability of Units. In addition, prior to being offered a Unit, the unqualified Applicant must have been provided an Exception per Section 11.1. These Applicants shall be placed in an "unqualified pool" for the Second Round lottery and shall be selected following the Qualified Applicants according to Sections 10.3.1- 10.3.5, above.

10.3.7 First priority for ADA handicapped accessible units shall be given to Mobility Disabled Households that submit a lottery application based on the lottery order of all Mobility Disabled Households. If there are no Mobility Disabled Households that submit a lottery application for an available handicapped accessible Unit, the Unit will be available for purchase based on the lottery order by all lottery Applicants who are Qualified Households.

10.3.8 Any material misstatement of fact or deliberate fraud by the Household in connection with any information supplied by the Household to the Committee shall be cause for disqualification from lottery, fined pursuant to the Schedule of Violations and Fines and the Household will be prohibited from reapplying for any future ownership lottery for one year.

DEED OF TRUST

This Deed of Trust is made this 19 day of APRIL, 2022 by and between OURAY HOMES, LLC, a Colorado limited liability corporation (hereinafter called "Grantor"), whose address is P.O. Box 4222, Telluride, CO 81435, and the Public Trustee of the County of Ouray County, Colorado (hereinafter called "Trustee") for the benefit of the STATE OF COLORADO, by and through the Department of Local Affairs, for the benefit of the Division of Housing (hereinafter called "Beneficiary"), whose address is 1313 Sherman Street, Room 320, Denver, Colorado 80203.

The Grantor, in consideration of the debt hereinafter described, has granted, bargained, sold, transferred, assigned and conveyed, and by these presents does grant, bargain, sell, transfer, assign and convey to the Trustee in trust with power of sale all of that certain property located in Ouray County, Colorado, and described in Attachment A attached hereto (the "Property"), together with (i) all of the buildings, structures and other improvements now standing or at any time hereafter constructed or placed on the Property; (ii) all fixtures of any kind or nature owned by Grantor, including without limitation, electrical, plumbing, heating, ventilating, air conditioning and sprinkling equipment and systems, water and power systems, engines and machinery, boilers, furnaces, and communication systems (to the extent constituting fixtures) located on or in, or used or intended to be used in connection with the Property or any building, structure or improvement now or hereafter located thereon, (iii) all hereditaments, easements, appurtenances, any and all water or water rights, ditch and ditch rights, and reservoir or storage rights appertaining to the Property, whether now or hereafter adjudicated rents, issues, profits, condemnation awards, option payments and mineral rights now or hereafter owned by Grantor and belonging or in any way pertaining to the Property or any building, structure or improvement now or hereafter located thereon, and (iv) the proceeds of any of the above (all of the foregoing, together with any additional property from time to time added to the foregoing, are hereinafter referred to as the "Mortgaged Property").

This conveyance is made in trust, however, in consideration of and to secure (a) all sums advanced by Beneficiary to Grantor under that certain Promissory Note of even date herewith, as it may be amended, payable to the order of Beneficiary in the original principal amount of One Million, Nine Hundred Thousand and 00/100 Dollars (\$1,900,00.00 (the "Note"), and to secure Grantor's obligation to pay interest at the rate of interest set forth in the Note, all of which sums are payable as provided therein, with final payment or performance due on June 1, 2026, if not sooner (b) prompt and complete performance and compliance with all covenants and conditions to be performed by Grantor under Loan Agreement #H2HIF31743 and CMS # 174380 made by and between Grantor and Beneficiary (the "Loan Contract"); (c) the payment of all other sums with interest thereon as may be advanced or expended by the Beneficiary in accordance with this Deed of Trust or any other instrument or agreement now or hereafter securing the indebtedness evidenced by the Note, including attorney fees, costs and expenses incurred by Beneficiary as provided for herein (the indebtedness evidenced by the Note and all such other sums are hereinafter collectively

referred to as the “Indebtedness”); and (d) the performance of all the covenants and agreements of the Grantor contained herein.

This Deed of Trust is given upon the express condition that if all of the Indebtedness is paid to Beneficiary, then, this Deed of Trust and the estate hereby granted shall cease and become void and shall be released of record at the expense of the Grantor; otherwise this Deed of Trust shall be and remain in full force and effect.

The Grantor represents, warrants and covenants to and with the Beneficiary and the Trustee that it is the lawful owner of the Property in fee simple and has good right and full power and authority under all applicable provisions of law and under its articles of incorporation to execute this Deed of Trust and to convey the Mortgaged Property pursuant hereto; that the Mortgaged Property is free from all monetary liens and charges, except as listed in Attachment B attached hereto; and the Grantor will warrant and defend the lien and priority of this Deed of Trust against all claims and demands of all persons whomsoever, whether now existing or hereafter arising, not listed in Attachment B, and that no claims or liens are outstanding or threatened against the Mortgaged Property arising out of any oil or hazardous waste or materials legislation. The covenants and warranties of this paragraph shall survive foreclosure of the Deed of Trust and shall run with the land.

The Grantor further covenants and agrees with the Beneficiary and the Trustee as follows:

1. Note, Application of Payments. Grantor will duly and punctually pay any and all amounts due and payable under the Note in accordance with the terms of the Note and all other Indebtedness, when and as due and payable. The provisions of the Note are hereby incorporated by reference into this Deed of Trust as if fully set forth at length herein. All payments received by the Beneficiary from the Grantor under the Note or this Deed of Trust shall be applied by the Beneficiary in such order of application as the Beneficiary deems appropriate.

2. Payment of Taxes, Assessments and Other Charges. The Grantor shall pay before a penalty might attach for nonpayment thereof, all taxes and assessments and all other charges whatsoever levied upon or assessed or placed against the Mortgaged Property, except that assessments may be paid in installments so long as no fine or penalty is added to any installment for the nonpayment thereof. The Grantor shall likewise pay any and all governmental levies or assessments of any kind which create, may create or appear to create a lien upon the Mortgaged Property, or any part thereof. In the event of any legislative action or judicial decision after the date of this Deed of Trust, imposing upon the Beneficiary the obligation to pay any such taxes, assessments or other charges, or deducting the amount secured by this Deed of Trust from the value of the Mortgaged Property for the purpose of taxation, or changing in any way the laws now in force for the taxation of mortgages, deeds of trust or debts secured thereby, or the manner of the operation of any such taxes so as to affect the interests of the Beneficiary, then, and in such event, the Grantor shall bear and pay the full amount of such taxes, assessments or other charges

3. Liens. The Grantor shall not create, incur or suffer to exist any monetary lien, or charge on the Mortgaged Property or any part thereof, other than the lien of current real estate taxes

and installments of special assessments with respect to which no penalty is yet payable, and any permitted monetary lien listed in Attachment B hereto.

4. Mechanics' Liens. Grantor shall pay, when due, the claims of all persons supplying labor, materials or equipment to or in connection with the Mortgaged Property, and Grantor will keep the Mortgaged Property free and clear of all liens and claims of liens by contractors, subcontractors, mechanics, laborers, materialmen and other such persons arising out of the work, construction, development, operation or maintenance of the Mortgaged Property (collectively, "Mechanic's Lien(s)"). If any suit or proceeding shall be brought to foreclose or enforce any such Mechanic's Lien, Grantor shall, at its sole cost and expense, promptly pay, satisfy and discharge any final judgment entered therein, and if Grantor fails to do so, then Beneficiary, at its option, may do so.

5. Compliance with Laws. Grantor shall comply with all present and future statutes, laws, rules, orders, regulations and ordinances, and any easements, protective covenants or other private restrictions affecting the Mortgaged Property, any part thereof or the use thereof; including, without limitation, laws, ordinances, rules or regulations relating to hazardous wastes, hazardous materials, or oil.

6. Payment of Utility Charges. Grantor shall pay all charges (exclusive of charges which are the obligations of tenants to pay) made by utility companies, whether public or private, for electricity, gas, heat, water, or sewer, furnished or used in connection with the Mortgaged Property or any part thereof, and will, upon written request of Beneficiary, furnish proper receipts evidencing such payment.

7. Insurance.

(a) Risks to be Insured. The Grantor, at its sole cost and expense, will maintain insurance of the following character:

(i) Insurance on the buildings and other improvements now existing or hereafter erected on the Property and on the fixtures and personal property included in the Mortgaged Property against loss by fire, other hazards covered by the so-called "all-risk" form of policy and such other perils as Beneficiary shall from time to time require with respect to properties of the nature and in the geographical area of the Mortgaged Properties, and to be in an amount at least equal to the replacement cost value of the Mortgaged Property. Grantor will at its sole cost and expense, from time to time and at any time, at the request of Beneficiary provide Beneficiary with evidence satisfactory to Beneficiary of the replacement cost of the Mortgaged Property.

(ii) If the Property or any part thereof is at any time located in a designated official flood hazard area, flood insurance insuring the buildings and improvements now existing or hereafter erected on the Property and the personal property used in the operation thereof in an amount equal to the lesser of the amount required in paragraph (a)(i) or the maximum limit of coverage made available with respect to such buildings and improvements and personal property under applicable federal laws and the regulations issued thereunder.

(iii) Commercial general liability insurance protecting against claims arising from any accident or occurrence in or upon the Mortgaged Property, in such amounts as Beneficiary may from time to time require, but in no event less than the amounts set forth in the Loan Contract, with the State of Colorado named as an additional insured.

(b) Policy Provisions. All insurance policies and renewals thereof maintained by Grantor pursuant to subparagraphs (a)(i) and (ii) above shall be written by an insurance carrier satisfactory to Beneficiary, contain a standard mortgagee clause and other endorsements in favor of and in form and content acceptable to Beneficiary, contain an agreement that the policy will not be amended, modified or canceled by either party except after 30 days' prior written notice to Beneficiary, contain a waiver of subrogation endorsement when required by Beneficiary and be satisfactory to Beneficiary in all other respects.

(c) Assignment of Policy. If the Mortgaged Property is sold at a foreclosure sale or if the Beneficiary shall acquire title to the Mortgaged Property, the Beneficiary shall have all of the right, title and interest of the Grantor in and to all insurance policies required under subparagraphs (a)(i) and (a)(ii) hereof and the unearned premiums thereon and in and to the proceeds resulting from any damage to the Mortgaged Property prior to such sale or acquisition.

(d) Delivery of Policy. The Grantor will deliver to the Beneficiary an original certificate evidencing the insurance which is required under subparagraphs (a)(i), (a)(ii), and (a)(iii), and the Grantor shall promptly furnish to the Beneficiary copies of all renewal notices. Prior to the expiration date of a required policy, the Grantor shall deliver to the Beneficiary a copy of a renewal policy in form satisfactory to the Beneficiary.

(e) Application of Insurance Proceeds. Subject to the rights of any lender with a superior interest under a recorded Deed of Trust or similar document or instrument, if any, all sums paid under any insurance policy required in subsections (a)(i) and (ii) shall be paid to the Beneficiary after application of such proceeds to prior lienholders, if any, to the extent of the indebtedness secured by their liens, if any. Beneficiary shall apply such amounts (after first deducting therefrom its expenses incurred in collecting the same including but not limited to reasonable attorneys' fees) to the restoration of the Mortgaged Property pursuant to such conditions as the Beneficiary shall in its reasonable discretion require, unless the senior lien holder has applied such proceeds solely to the payment of its lien, in which case Beneficiary may do likewise. No application of insurance proceeds shall extend or postpone the due dates of the installments payable under the Note or change the amount of such installments.

8. Preservation and Maintenance of Mortgaged Property; Indemnity. The Grantor (i) shall keep the Mortgaged Property in safe and good repair and condition; (ii) shall, upon damage to or destruction of the Mortgaged Property or any part thereof by fire or other casualty, restore, repair, replace or rebuild the Mortgaged Property that is damaged or destroyed to the condition it was in immediately prior to such damage or destruction, whether or not any insurance proceeds are available or sufficient for such purpose; (iii) shall not commit waste of the Mortgaged Property, and (iv) shall not remove any of the fixtures included in the Mortgaged Property unless the same is promptly replaced with property of at least equal value and utility, and this Deed of Trust becomes a valid first lien on such property.

9. Inspection. The Grantor shall permit the Beneficiary or its agents to enter upon the Mortgaged Property at all reasonable times for the purposes of inspecting the Mortgaged Property or any part thereof, subject to the rights of any tenants under their leases. The Beneficiary shall, however, have no duty to make such inspection.

10. Protection of the Beneficiary's Security. Subject to the rights of any lender with a superior interest under any prior recorded Deed of Trust or similar document or instrument, if any, if the Grantor fails to perform or comply with any of the covenants and agreements contained in this Deed of Trust or if any action or proceeding is commenced which affects the Mortgaged Property or the interest of the Trustee or the Beneficiary therein, or the title thereto, then the Beneficiary, at the Beneficiary's option, may perform such covenants and agreements, defend against and/or investigate such action or proceeding, and/or take such other action as the Beneficiary deems necessary to protect its interests in the exercise of its judgment, including without limitation, advancing funds for the payment of taxes, levies or insurance costs with respect to the Mortgaged Property or to protect the Mortgaged Property from waste, damage or abuse. The Beneficiary shall be the sole judge as to the legality, validity and priority of any claim, lien, encumbrance, tax, assessment, charge and premium paid by it and shall be the sole judge of the amount necessary to be paid in satisfaction thereof. The Beneficiary is hereby given the irrevocable power of attorney (which power is coupled with an interest) to enter upon the Mortgaged Property as the Grantor's agent in the Grantor's name to perform any and all covenants and agreements to be performed by the Grantor as herein provided. Any amounts or expenses disbursed or incurred by the Beneficiary pursuant to this paragraph, or to otherwise enforce any provisions of this Deed of Trust, to preserve any of the rights, powers or privileges of the Beneficiary granted or created hereby, or otherwise in order to protect the Mortgaged Property from waste, damage, or abuse, including, without limitation, reasonable attorney's fees (including fees and costs incurred in any appeal), with interest thereon as hereinafter stated, shall become additional Indebtedness secured by this Deed of Trust with same effect and priority as if disbursed on or before the date this Deed of Trust is recorded. Unless Grantors and the Beneficiary agree in writing to other terms of repayment, such amounts shall be due and payable upon ten days' written notice from the Beneficiary, and shall bear interest from the date of disbursement at the default rate of interest payable on the Note, unless collection of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected under applicable law. The Beneficiary shall, at its option, be subrogated to the lien of any mortgage or other lien discharged in whole or in part by the Indebtedness or by the Beneficiary under the provisions hereof, and any such subrogation rights shall be additional and cumulative security for this Deed of Trust. Nothing contained in this paragraph shall require the Beneficiary to incur any expense or do any act hereunder, and the Beneficiary shall not be liable to the Grantor for any damages or claims arising out of action taken by the Beneficiary pursuant to this paragraph.

11. Condemnation. Subject to the rights of any lender with a superior interest under a recorded Deed of Trust or similar document or instrument, if any, and the obligations of Grantor thereunder, if any, the Grantor hereby irrevocably assigns to the Beneficiary any award or payment up to the amount of the Grantor's Indebtedness under the Note which becomes payable by reason of any taking of the Mortgaged Property, or any part thereof, whether directly or indirectly or temporarily or permanently, in or by condemnation or other eminent domain proceedings or the settlement thereof (hereinafter called "Taking"). All awards or payments

payable as a result of a Taking shall be paid to the Beneficiary (in order of the priority of liens encumbering the Mortgaged Property), which after first deducting the Beneficiary's expenses incurred in the collection thereof shall be applied to the repair or restoration of the Mortgaged Property, pursuant to such conditions as the Beneficiary in its reasonable discretion may require unless the senior lien holder has applied same solely to payment of its lien, in which case Beneficiary may do likewise. No application of any Taking award or payment to repayment of Indebtedness shall postpone the due dates of the payments due under the Note or change the amount of such payments.

12. No Secondary Financing. The Grantor shall not create or permit to be created any subordinate lien on the Mortgaged Property or any part thereof for borrowed money without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld.

13. Transfers. Grantor will not, without the prior written consent of Beneficiary having been first obtained, and which such consent shall not be unreasonably withheld, sell, assign, transfer, convey, or otherwise dispose of or alienate all or part of the Mortgaged Property, or any interest of Grantor therein, other than the sale of obsolete or worn-out furnishings or equipment (collectively a "Transfer"). For purposes of this Deed of Trust, Transfer includes the dissolution of Grantor or the sale, transfer, conveyance, mortgage or other disposition of all or any portion of a controlling or beneficial interest in the Grantor.

14. Security Interest. This Deed of Trust shall constitute a security agreement with respect to (and the Grantor hereby grants the Trustee and the Beneficiary a security interest in) all fixtures and personal property of the Grantor included in the Mortgaged Property as more specifically described in the granting clause above. The Grantor will from time to time, at the request of the Beneficiary, execute any and all financing statements or other documents covering such fixtures or personal property (in a form satisfactory to the Beneficiary) which the Beneficiary may consider necessary or appropriate to confirm, evidence or perfect the Trustee's and/or the Beneficiary's security interest.

15. Events of Default. Each of the following occurrences shall constitute an event of default hereunder (herein called an "Event of Default"):

(a) The Grantor shall fail to pay any portion of the Indebtedness when due or payable.

(b) The Grantor shall fail duly to perform or observe any of the covenants or agreements contained in the Loan Contract or in this Deed of Trust.

(c) A Transfer shall occur without the written consent of Beneficiary having been first obtained as provided in paragraph 13.

(d) A judgment, writ or warrant of attachment or execution, or similar process shall be entered and become a lien on, issued or levied against, the Mortgaged Property or any part thereof and shall not be released, vacated, or fully bonded within thirty (30) days after its entry, issue, or levy and Beneficiary's written notice and demand therefor.

(e) The Grantor shall sell or convey the Mortgaged Property or any interest therein.

(f) The Grantor shall be generally unable to pay its debts as they become due, or shall make an assignment for the benefit of creditors; or the Grantor shall apply for or consent to the appointment of any receiver, trustee or similar officer for it or for all or any substantial part of its property; or such a receiver, trustee or similar officer shall be appointed without the application or consent of the Grantor, and such appointment shall continue undischarged for a period of ninety (90) days; or the Grantor shall institute (by petition, application, answer or otherwise) any bankruptcy, insolvency, reorganization, readjustment of debt, dissolution, liquidation or similar proceedings under the laws of any jurisdiction; or any such proceeding shall be instituted against the Grantor; or the Grantor shall terminate or dissolve.

(g) Any representation of the Grantor made herein or made by the Grantor or any employee of the Grantor in any submission or document delivered by or on behalf of the Grantor in connection with the Indebtedness shall prove to be materially untrue, or (ii) a default or an "Event of Default," however defined, shall occur under any other document or instrument now or hereafter securing repayment of the Note or issued in connection therewith, or evidencing or securing a loan made by any other lender with regard to the Mortgaged Property.

16. Power of Sale, Remedies. If an Event of Default shall occur hereunder, the Grantor hereby authorizes and empowers the Trustee and/or the Beneficiary as follows:

(a) The Beneficiary may by written notice to Grantor declare all Indebtedness to be immediately due and payable and the same shall be immediately due and payable without further notice or demand of any kind.

(b) The Beneficiary is authorized and empowered, without further notice, to file a written Notice of Election and Demand for Sale with Trustee, as provided by law, who shall upon receipt of such notice cause a copy of the same to be recorded in the Office of the Clerk and Recorder of the County of Ouray, it being then lawful for said Trustee to foreclose, and the Trustee shall foreclose this Deed of Trust. The Trustee shall apply the proceeds of the sale in the following order: (i) to all reasonable costs and expenses of the sale, including, without limitation, reasonable Trustee's and attorney's fees and costs of evidence of title, (ii) to the Indebtedness, and (iii) the excess, if any, to the person or persons legally entitled thereto.

(c) If any of the Indebtedness hereby secured shall become due and payable, the Trustee or the Beneficiary shall have the right and power to proceed by a suit or suits in equity or at law, whether for the specific performance of any covenant or agreement herein contained or in aid of the execution of any power herein granted, or for any foreclosure hereunder or for the sale of the Mortgaged Property under the judgment or decree of any court or courts of competent jurisdiction, or for the appointment of a receiver pending any foreclosure hereunder or the sale of the Mortgaged Property under the order of a court or courts of competent jurisdiction or under executory or other legal process, or for the enforcement of any other appropriate legal or equitable remedy. The Grantor agrees, to the full extent that it lawfully may, that in case one or more of the defaults hereunder shall have occurred and shall not have been remedied, then, and in every such case, the

Beneficiary shall have the right and power to enter into and upon and take possession of all or any part of the Mortgaged Property in the possession of the Grantor, its successors or assigns, or its or their agents or servants, and may exclude the Grantor, its successors or assigns, and all persons claiming under the Grantor (other than tenants under leases approved by Beneficiary), and its or their agents or servants, wholly or partly therefrom; and, holding the same, the Beneficiary may use, administer, manage, operate and control the Mortgaged Property and conduct the business thereof to the same extent as the Grantor, its successors or assigns, might at the time do and may exercise all rights and powers of the Grantor, in the name, place and stead of the Grantor, or otherwise as the Beneficiary shall deem best; and in the exercise of any of the foregoing rights and powers the Beneficiary shall not be liable to the Grantor for any loss or damage thereby sustained unless due solely to the willful misconduct or gross negligence of the Beneficiary.

(d) The Beneficiary shall have and may exercise with respect to all fixtures and personal property which are part of the Mortgaged Property, all the rights and remedies accorded upon default to a secured party under the Uniform Commercial Code, as in effect in the State of Colorado. If notice to the Grantor of intended disposition of such property is required by law in a particular instance, such notice shall be deemed commercially reasonable if given to the Grantor (in the manner specified in paragraph 19) at least 10 calendar days prior to the date of intended disposition.

(e) To the fullest extent permitted by law, the Beneficiary may request, and the Grantor agrees that the Beneficiary shall as a matter of right be entitled to, the appointment of a receiver or receivers for all or any part of the Mortgaged Property, whether such receivership be incident to a proposed sale of the Mortgaged Property or otherwise, and the Grantor does hereby consent to the appointment of such receiver or receivers without notice to the Grantor and Grantor further agrees not to oppose any application therefor by the Beneficiary.

(f) The Grantor shall pay on demand all costs and expenses incurred by the Beneficiary in exercising such rights and remedies, and in the collection of the Indebtedness or foreclosure of this Deed of Trust, including without limitation, reasonable attorneys' fees, costs and legal expenses. All such costs expenses, with interest thereon as hereinafter stated, shall become additional Indebtedness of the Grantor secured by this Deed of Trust with same effect and priority as if disbursed on or before the date this Deed of Trust is recorded. Unless the Grantor and the Beneficiary agree in writing to other terms of repayment, such amounts shall bear interest from the date of disbursement at the default rate of interest payable on the Note, unless collection from the Grantor of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from the Grantor under applicable law.

17. Forbearance Not a Waiver; Rights and Remedies Cumulative. No delay by the Trustee or the Beneficiary in exercising any right or remedy provided herein or otherwise afforded by law or equity shall be deemed a waiver of or preclude the exercise of such right or remedy, and no waiver by the Trustee or the Beneficiary of any particular provision of this Deed of Trust shall be deemed effective unless in writing signed by the party making such waiver. All such rights and remedies provided for herein or which the Trustee or the Beneficiary, or the holder of the Note may have otherwise, at law or in equity, shall be distinct, separate and cumulative and may be exercised

concurrently, independently or successively in any order whatsoever, and as often as the occasion therefor arises.

18. Successors and Assigns Bound; Number; Gender; Agents; Captions. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to the benefit of, the respective successors and assigns of the Beneficiary and the Grantor; provided, however, that this paragraph shall not limit the effect of paragraph 15(f). References herein to the Grantor or the Beneficiary are deemed to include such successors and assigns. Wherever used, the singular number shall include the plural, and the plural the singular, and the use of any gender shall apply to all genders. The captions and headings of the paragraphs of this Deed of Trust are for convenience only and are not to be used to interpret or define the provisions hereof.

19. Notice. Any notice from the Beneficiary or the Trustee to the Grantor, or from the Grantor to the Beneficiary, under this Deed of Trust shall be deemed to have been given by the party giving the notice and received by the Grantor or the Beneficiary, as the case may be, when mailed by certified mail, return receipt requested, or by overnight express mail or courier service, to the addresses of the Grantor or the Beneficiary, as the case may be, set out in the first paragraph of this Deed of Trust.

20. Governing Law; Severability. This Deed of Trust shall be governed by the substantive laws of the State of Colorado. In the event that any provision or clause of this Deed of Trust conflicts with applicable law or the application thereof under any particular circumstance to any particular person or entity conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust which can be given effect without the conflicting provisions or the applicability of such provisions to other persons or entities or to such persons or entities under other circumstances and to this end the provisions of the Deed of Trust are declared to be severable.

21. Waiver of Marshalling. The Grantor, any party who consents to this Deed of Trust and any party who now or hereafter acquires a lien on the Mortgaged Property and who has actual or constructive notice of this Deed of Trust, hereby waives any and all right to require the marshalling of assets in connection with the exercise of any of the remedies permitted by applicable law or provided herein.

22. Environmental Matters. Grantor covenants and represents that, to the best of its knowledge, there are no Hazardous Materials (as hereinafter defined) generated, released, incorporated, stored, buried or deposited over, beneath, in or upon the Property, nor will there be, for so long as any of the Indebtedness secured hereby remains outstanding. For purposes of this Deed of Trust, "Hazardous Materials" shall mean and include any flammable explosives, petroleum (including crude oil) or any fraction thereof, radioactive materials, hazardous wastes, toxic substances or related materials, including, without limitation, any substances defined as or included in the definition of toxic or hazardous substances, wastes, or materials under any federal or applicable state or local laws, ordinances or regulations dealing with or otherwise pertaining to toxic or hazardous substances, wastes or materials. Such laws, ordinances and regulations are hereinafter collectively referred to as the "Hazardous Materials Laws."

Grantor shall be solely responsible for, and shall indemnify and hold harmless Beneficiary, its directors, officers, employees, agents, successors and assigns from and against, any loss, damage, cost, expense or liability directly or indirectly arising out of or attributable to the use, generation, storage, release, threatened release, discharge, disposal or presence (whether prior to or during the term of the loan or otherwise and regardless of by whom caused, whether by Grantor or any predecessor in title or any owner of land adjacent to the Mortgaged Property or any other third party, or any employee, agent, contractor or subcontractor of Grantor or any predecessor in title or any such adjacent land owner or any third person) of Hazardous Materials in, on, under or about the Mortgaged Property.

23. Further Assurances. At any time and from time to time until payment in full of the Indebtedness, Grantor will, at the request of the Beneficiary, promptly execute and deliver to the Beneficiary such additional instruments as may be reasonably required further to evidence the lien of this Deed of Trust and further to protect the security interest of the Beneficiary with respect to the Mortgaged Property.

Indemnification Agreement

Effective November 4, 2024, Ouray Homes, LLC, a Colorado limited liability company (“Ouray Homes”) and the City of Ouray, a Colorado home rule municipality (the “City”), agree (“Agreement”) as follows.

1. **Background.** Ouray Homes owns real property known as the Ouray Waterview Subdivision Lot 2 Lot Split (the “Property”). Two ditches traverse the Property- the Heath Ditch and an unnamed ditch referred to as the “Return Ditch.” Ouray Homes is building an affordable housing development on the Property referred to as the “Waterview Homes Development.” The City has granted final plat approval for Phase 1 of the Waterview Homes Development.

Ouray Homes and the City are plaintiffs in Case No. 24CV30020 filed in the Ouray County District Court on October 22, 2024. The case involves a dispute with Little Switzerland, LLC (“Little Switzerland”) who is a property owner to the south of the Waterview Homes Development. Ouray Homes and the City are seeking a declaratory judgment approving the proposed modifications to the Return Ditch and determining the future use and related obligations of the Heath Ditch and the Return Ditch. The dispute relates to the scope of Little Switzerland’s easement for the Return Ditch, future maintenance obligations for the Return Ditch, and ongoing financial and insurance liability obligations for the Heath Ditch and the Return Ditch.

The purpose of this Agreement is to recognize that Ouray Homes is responsible for litigating and defending any claims that may arise in Case No. 24CV30020 against individual homeowners in the Waterview Homes Development and assure the City that Ouray Homes will defend, indemnify, and hold harmless those homeowners if there is an attempt to name them as parties and/or if they are named as parties in Case No. 24CV30020.

2. **Indemnity.** Ouray Homes shall fully indemnify, hold harmless, and defend the individual homeowners in the Waterview Homes Development permitted by Colorado law, from all Claims (as defined in section 2.a) involving the Heath Ditch and the Return Ditch that arise as part of Case No. 24CV30020.

a. **Definition of a Claim.** “Claim” means any obligation to pay money or perform or not perform actions that relate to pending Case No. 24CV30020.

b. **Third-Party Beneficiaries.** Ouray Homes and the City hereby acknowledge and agree that the individual homeowners in the Waterview Homes Development are expressly intended third-party beneficiaries to this Agreement.

3. **Limitations and Exclusions to Indemnity.** Ouray Homes shall not indemnify the City or any homeowner(s) for any actions and/or obligations involving the Heath Ditch or the Return Ditch that do not relate to the Claims or arise from pending Case No. 24CV30020.

4. Notification, Defense, and Settlement of Claims.

- a. **Notice.** The City agrees to promptly notify Ouray Homes in writing of any Claims against individual homeowners asserted or threatened to be asserted as part of Case No. 24CV30020.
- b. **Defense.** After Ouray Homes is notified of a Claim against any individual homeowner(s), Ouray Homes shall assume defense of the Claim at its expense. Ouray Homes shall notify the City and the homeowner(s) of this assumption in writing. Ouray Homes shall pay the expenses of the defense and not assume the defense if there is a conflict of interest between Ouray Homes and the homeowner(s).
- c. **Settlement.** Neither Ouray Homes nor the City shall settle a Claim without the written consent of the other party. Neither Ouray Homes nor the City shall unreasonably withhold this consent.

5. General Provisions.

- a. **Termination.** This Agreement shall automatically terminate upon the final resolution of all Claims in Case No. 24CV30020 by judgment, order, and/or settlement.
- b. **Binding Effect.** Ouray Homes shall cause any successor to Ouray Homes to assume this Agreement in a manner that binds the successor to perform in the same manner and to the same extent Ouray Homes would be required to perform.
- c. **Notice.** All notices and other communications related to this Agreement must be in writing and may be delivered either by email, by the United States Postal Service, or by a nationally recognized delivery service with the date of the Notice being the date of delivery to the following addresses:

The courts in Ouray County, Colorado have exclusive jurisdiction over any dispute relating to this Agreement, and the prevailing party or parties will be entitled to recover attorney's fees in addition to any other relief. This Agreement is the fully integrated agreement of Ouray Homes and the City concerning the subject matter and supersedes and merges all previous negotiations, commitments, understandings, and

If a Party needs or desires to repair, rebuild, or maintain the whole or any other part of a Party Wall, the repairing, rebuilding, or maintenance expense shall be borne equally by both Parties. Any repairing or rebuilding shall be on the same location, and of the same size, as the original Party

Wall or portion thereof, and of the same or similar material as that used in the original Party Wall or portion thereof.

5. Insurance. Each party shall maintain at all times insurance coverage insuring against:

a. Loss or damage by fire and extended coverage perils in an amount not less than the full replacement value of the townhome.

b. Liability for bodily injury and property damage in the aggregate limit of not less than \$500,000.00 per occurrence arising from the use and ownership of the townhome.

To the extent that damage to a Party Wall is covered by insurance, the full insurance proceeds shall be used and applied to the extent necessary to repair, restore, or replace the Party Wall. 7. Access to interior of Party Wall. After reasonable written notice to the other Party, each Party shall have the right to break through the Party Wall for the purpose of repairing or restoring sewer, water, or other utilities located within the Party Wall, subject, however, to the obligation to restore the Party Wall to its previous cosmetic and structural condition.

8. Negligent or Intentional Damage to Party Wall. In the event that the Party Wall or any portion thereof is destroyed or damaged due to the negligence or intentional act or omission of a Party, for which the Party is legally liable under applicable rules of law regarding liability for property damage due to negligence or intentional acts or omissions, that Party shall be solely responsible for the cost of repairing the Party Wall.

9. Failure to Pay for Damages or Repair. If a Party fails or refuses to pay its share of any cost of the repair, rebuilding, or maintenance of the Party Wall, within thirty (30) days after written demand by the Party, the other Party may cause the Party Wall to be repaired, rebuilt, or maintained. The other Party shall be entitled to assess and collect one-half of the costs against and from the non-paying party. One-half of the costs shall become and remain a lien against the non-paying Party's Property, upon which interest shall accrue at the rate of eighteen percent (18%) per annum, until fully paid. The paying Party may file a statement of lien against the non-paying Party's property, provided that a copy of the lien statement must be served upon the non-paying Party by certified or registered mail at the address of the non-paying Party's property 20 days before recording of the lien statement. Foreclosure of the lien granted herein shall be in the same manner as foreclosure of a mortgage under Colorado law. The Parties waive all claims to

a homestead exemption in an such foreclosure action.

10. Term of this Agreement. This Agreement shall continue in perpetuity and shall constitute an easement and covenant running with and appurtenant to each Property, provided, however, that nothing herein shall be construed as a conveyance by a Party of such Party's rights in the fee ownership of that Party's Property. This Agreement shall bind, and inure to the benefit of, each Party hereto, and that Party's respective heirs, personal representatives, successors and assigns.

11. Governing Law and Venue. The laws of the State of Colorado shall control the interpretation of this Agreement. Any litigation brought to enforce the provisions of this Agreement or to foreclose the lien herein granted shall be brought in a court of competent jurisdiction in the County in which the Properties are located, and the prevailing Party in such litigation shall recover from the other Party the reasonable attorney fees and costs incurred by the prevailing Party in such action.

This Agreement is entered into and effective as of the date first written above.

PROJECT DESCRIPTION AND STATUS UPDATE – OURAY WATERVIEW HOMES PHASE 1

Ouray Homes, LLC (“Applicant”) submitted a Final Plat Application for Phase 1 of the Ouray Waterview Homes Planned Unit Development on October 3, 2024. The Applicant submitted a revised Final Plat Application on October 17, 2024 (see Exhibits B-I). The Applicant submitted a further revised Final Plat on October 28, 2024 (see Exhibit A).

Ouray Waterview Homes – Phase 1 consists of 21 homes: two single-family units, four duplexes, three triplexes, and two single-family units with child care spaces (“Project”). The 21 units will be deed-restricted per the “Deed Restriction and Covenant Agreement for Ouray Waterview Homes” attached as Exhibit E.

Home construction and infrastructure installation for the Project is nearing completion. The former City Administrator, Interim City Administrator, City Attorney, Community Development Director, Public Works Director, and Interim Building Inspector have worked closely with the Applicant’s team during all stages of the development process to ensure that the Project is executed per the Preliminary Plat, Development Agreement, and Approved Plans.

Recommendation for approval of the Final Plat by the Planning Commission and subsequent approval of the Final Plat by City Council will allow the City’s Community Development Department to issue Certificates of Occupancy for the homes, as home construction is finished and once State oversight inspections, State final electrical inspections, and City final inspections by the Interim Building Inspector are completed. This will allow the sale of the new homes to area residents earning at or below 120% area median income (AMI) to proceed beginning in November 2024.

PROCESS FOR PLANNED UNIT DEVELOPMENT FINAL PLAT REVIEW AND APPROVAL

The Applicant has submitted this Final Plat Application pursuant to Ouray Municipal Code §7-7-C-4: Subdivision Development Regulations–Final Plat and §7-8: Planned Unit Developments. This Project is governed by the Ouray Municipal Code (“OMC”) adopted prior to November 16, 2023.

OMC §7-8-E: Procedures states “PUDs shall be reviewed in accordance with the same procedures for review of subdivisions as found in Subsection 7-7-C” and the “preliminary and final PUD plan shall comply with all requirements for a preliminary and final subdivision plat, to the extent applicable.”

The Planning Commission is a recommending body for the Final Plat phase of PUD applications. The City Council must make final decision(s) during the consideration of the Final Plat and must approve the Final Plat.

The procedures for reviewing of a Planned Unit Development include the following steps:

1. SKETCH PUD with Planning Commission review and determination pursuant to the Subdivision Sketch Plan in OMC §7-7-C-2.

The Applicant received Sketch Plan approval at a Planning Commission meeting on March 21, 2023.

2. PRELIMINARY PUD with Planning Commission review and recommendation to the City Council for determination pursuant to the Subdivision Preliminary Plat in OMC §7-7-C-3.

The Applicant submitted a Preliminary Plat application for the Project per the OMC process. The Preliminary PUD was for residential development on two (2) vacant lots north of the Biota Building. The general intent of the Ouray Waterview Homes PUD overall was to develop 65 affordable, owner-occupied residential units, including multiple in-home childcare units. The Preliminary Plat application proposed a new internal road to access the northernmost proposed lots, landscaped connections to the existing River Trail, and open space tracts dedicated to the City. The Ouray Waterview Homes PUD was proposed in two (2) phases of development to align with the City's Waste Water Treatment Facility upgrade.

The Preliminary Plat review and approval process for the Ouray Waterview Homes PUD involved a thorough review of the Project for conformity with OMC Chapter 7 (Land Use Code), including the PUD regulations in OMC §7-8 which establish the following Statement of Objectives of Development ("PUD Objective"):

"The intent of this Section is to promote the Planned Unit Development Act of 1972 and encourage innovative developments with unique and valued community attributes. PUDs allow for consideration of development proposals that differ from required development improvements identified in the OMC. PUDs offer different options to the applicant when planning and obtaining City approval for their development. PUDs allow flexibility with respect to dimensional requirements and increased densities under certain conditions or circumstances. PUDs encourage conservation of a site's natural characteristics, innovative residential, commercial and industrial development plans which will result in a more efficient use of open space, and provide affordable housing for year round residents."

The Planning Commission recommended approval of the Ouray Waterview Homes PUD Preliminary Plat on May 23, 2023 with the following conditions of approval:

- Approve the deviations to the OMC standards outlined in Table 3 of the 5/25/23 Staff Report.
- Satisfy the comments outlined in the 5/18/23 Staff Memo prior to filing a Final Plat.

The Preliminary PUD was approved by City Council on June 20, 2024. City Council applied nine conditions of approval to the Preliminary Plat Application which affect the Final Plat Application, via the 6/20/23 Staff Report and 5/18/23 Staff Memo, included as Exhibits C and D for reference. It was noted in the 5/18/23 Staff Memo that it did not represent exhaustive City comments or conditions to this application. Further requirements and conditions were put in place subsequently as part of the Development Agreement; see below for details.

3. FINAL PUD with Planning Commission review and recommendation to the City Council for determination pursuant to the Subdivision Final Plat in OMC §7-7-C-4.

As noted above, the Applicant submitted: a Final Plat Application on 10/3/24; a revised Final Plat Application on 10/17/24 (see Exhibits B-I); and a further revised Final Plat on 10/28/24 (see Exhibit A).

The Planning Commission will review and make a recommendation to the City Council at a special meeting/public hearing scheduled for October 29, 2024. Public noticing requirements for the Planning Commission public hearing on the Final Plat have been met per the OMC. City Council will then review and make a determination at the November 4, 2024 City Council Regular Meeting.

OMC §7-7-B-1-b of the Subdivision Regulations states: "All final plats required by this Section shall be filed and recorded following approval by City Council and after any conditions have been met."

CRITERIA FOR DECISION – FINAL PLAT FOR OURAY WATERVIEW HOMES PUD

1. **OMC §7-8-B establishes the following primary PUD criteria for decision:**
 - A. A PUD shall be in general conformity with the City Community Plan
 - B. A PUD shall be consistent with the PUD Objective
 - C. Compliance with the Colorado Planned Unit Development Act of 1972
 - D. A PUD shall have a minimum of 1 unit or lot
2. **OMC §7-7-D-3 establishes the Requirements and Data on Final Plats.**
3. **OMC §7-7-E establishes typical Subdivision Design Standards.**

During the Preliminary Plat review process, the Project was found to be in conformance with the criteria for decision-making per OMC §7-7 and OMC §7-8. In brief, this Project: is in general conformance with the goals and strategies identified in the 2021 Ouray Community Plan and the future land use map contained in the Community Plan; is designed as a phased approach in an effort to not over-burden the City’s infrastructure capacity; gives consideration to the preservation and connection of open spaces and the Uncompahgre River and trail; is designed with phased density to complement the surrounding land uses and open spaces; maintains access, layout, and terms identified for the variety of berm/utility/ditch easements located on the site; and aims to provide homes for affordable housing AMI levels appropriate to serve the greater Ouray community and to diversify the housing available in Ouray as well as provide attainable housing solutions for year-round local residents and employees.

“PUDs encourage conservation of a site’s natural characteristics, innovative residential, commercial and industrial development plans which will result in a more efficient use of open space and provide affordable housing for year-round residents” (OMC §7-8-A). During the Preliminary Plat process, the Project was found to be consistent with key elements of the PUD objective, including by encouraging innovative developments with unique and valued community attributes; allowing for consideration of development proposals that differ from required development improvements identified in the OMC; offering different options to the applicant when planning and obtaining City approval for their development; and allowing flexibility with respect to dimensional requirements and increased densities under certain conditions or circumstances.

This staff report incorporates the findings and conditions outlined in the previous Staff Reports and Memoranda for the Preliminary Plat review and approval process by reference; see Exhibits C and D. Below is a staff analysis of conformity with OMC §7-7-D-3, followed by a summary and staff analysis of the status of the relevant conditions/requirements affecting the Final Plat Application for this Project, as guidance for Planning Commission review.

STAFF REVIEW AND ANALYSIS – REQUIREMENTS FOR FINAL PLATS (OMC §7-7-D-3)

The Final Plat submitted is for Phase 1 of Ouray Waterview Homes. OMC §7-7-D-3 states: “The final plat may constitute the entire approved preliminary plat or any logical portion of the approved preliminary plat proposed for final plat review and subject to development and recording. The final plat shall conform with the approved preliminary plat and shall include all changes and additions as required by the City Council.”

The data and information requirements outlined in OMC §7-7-D-3 for Final Plats, as may differ based upon the approved PUD, have been met for this application among the various items submitted (see Exhibits A through I).

Staff confirms that the Final Plat substantially conforms with the Preliminary Plat. Staff further reviewed the “plat notes and restrictions as appropriate to implement compliance with this Section and all conditions of approval” per OMC §7-7-D-3-n and has included further findings and conditions of Final Plat approval in the staff analyses below.

STAFF REVIEW AND ANALYSIS – CITY COUNCIL FINAL PLAT REQUIREMENTS

ADDITIONAL ITEMS FOR REVIEW

- The Preliminary Plat called for three units to contain in-home childcare. Ouray Homes, LLC decided to make sure that two in-home childcare operations were successful and evaluate the market for additional childcare needs prior to adding an additional in-home childcare unit. A third in-home childcare unit could potentially be included in Phase 2 of Ouray Waterview Homes, pending further consideration.
- Given that there will not be a Homeowners Association (HOA) associated with this Project, a Party Wall Agreement will be executed by each Unit Owner at the time they purchase a unit. The proposed Party Wall Agreement is attached as Exhibit K. It is pending City Council approval.

STAFF RECOMMENDATION

OMC §7-7-C-4 states: “City staff will prepare a report detailing their review findings and include any reports from review professionals. The report shall provide development information and detail compliance with all applicable City requirements, regulations or standards.”

Staff has confirmed that the completed work substantially conforms with the Preliminary Plat, Development Agreement, and Approved Plans for Phase 1 of Ouray Waterview Homes. The required submittals and proposed improvements comply with City requirements, regulations, and/or the City Standard Specifications for Infrastructure Construction as required by OMC Chapter 7.

Based on the review of the Final Plat application submittal (see attached Exhibits) and the findings contained in this Staff Report, Staff recommends that the Planning Commission recommend approval of the Final Plat to City Council, with Conditions as outlined below.

OMC §7-7-C-4-h states: “If conditions are placed on the approval of the Final Plat, the final plat should not be signed by City Staff or recorded until all Conditions are satisfied, except if the conditions are part of a Subdivision Improvements Agreement.” In this case, all Conditions will be included in the Development Improvements Agreement associated with this Project, thereby allowing the Final Plat to be recorded once approved by City Council. Once the Final Plat is recorded, Certificates of Occupancy can be issued for the homes in Phase 1.

This recommendation for approval is conditioned on:

- The Applicant drafting a Development Improvements Agreement for the outstanding infrastructure, landscaping, standards, timelines, and improvements associated with this Project. The Development Improvement Agreement must be approved by the City Attorney, City Administrator, and City Council and executed accordingly. The Development Improvement Agreement must be mutually-executed prior to issuing any Certificates of Occupancy for the 21 homeownership units. The Development Improvement Agreement shall include, but not be limited to, the completion of landscaping, rear granite patios, snow storage areas, and fencing elements for the homebuyer properties, home-based childcare homes, and properties to be dedicated to the City by June 30, 2025. City Council will make a determination on the bond requirement in accordance with OMC §13-3-F-6.

- City Council approval of the new street name during review of the Final Plat Application and subsequent updating of the street name on all construction documents, plats, and related materials to reflect the updated street name.
- City Council approval of the Landscape Plan attached as Exhibit H.
- City Council acceptance of the dedication of Tract A and Tract C as shown on the Final Plat attached as Exhibit A.
- City Council approval of the Indemnification Agreement attached as Exhibit J.
- City Council approval of the Party Wall Agreement attached as Exhibit K.

PLANNING COMMISSION ACTION

The Planning Commission shall recommend approval, conditional approval, or denial of the final plat.

COMMON INTEREST AGREEMENT

This Common Interest Agreement (the “Agreement”) is entered into by and between Ouray Homes, LLC, a Colorado limited liability company (“Ouray Homes”) and the City of Ouray, a Colorado home rule municipality (the “City”), collectively the “Parties.” Ouray Homes and the City are plaintiffs in Case No. 24CV30020, District Court, Ouray County, Colorado, which concerns certain easements crossing the Waterview Homes Development in Ouray County, Colorado for two ditches – the Heath Ditch and the Return Ditch. Ouray Homes and the City share a common interest in Waterview Homes Development and supporting the claims asserted in Case No. 24CV30020. The Parties are seeking a declaratory judgment from the Court approving proposed modifications to the Return Ditch, the scope of the easements, future maintenance, and ongoing financial obligations for the Heath Ditch and the Return Ditch. The undersigned wish to continue to pursue their separate but common interests and to avoid any suggestion of waiver of the confidentiality of privileged communications or documents, they hereby agree as follows:

1. **Definition of Counsel.** For purposes of this Agreement, the term “Counsel” means and includes both counsel of record in Case No. 24CV30020 (the “Civil Action”). Execution of this Agreement binds each Party and all Counsel retained to provide legal services to the Parties in connection with the Civil Action.
2. **Litigation Materials.** The Parties have concluded that it is in each of their individual and mutual best interests in the prosecution of the Civil Action to share certain information related to that litigation with some or all of Counsel and/or the Parties in writing and/or orally. The shared information may include, but is not limited to, written communications, the disclosure of documents, factual and legal analyses, summaries, and memoranda, opinions, legal strategies, interview reports and reports of experts, consultants or investigators, joint meetings between Counsel, the Parties, their representatives and employees, and any meetings with prospective witnesses or consulting experts or litigation support service providers in connection with the litigation in person, by telephone or in any other form, and records or reports of such communications, all of which are included within the term "Litigation Materials" used herein. However, nothing in this Agreement is to be constructed to affect the separate and independent representation of each Participant by its respective Counsel.
3. **Common Interest.** The Parties and their Counsel agree that all sharing and pooling of Litigation Materials will be done within the context of and in furtherance of the Parties’ common goals and efforts. The Parties would not disclose such Litigation Materials to each other but for their mutual and common interests and the undertakings in the Agreement. This Agreement is intended to permit such sharing and pooling of Litigation Materials under the Common Interest Privilege. *See e.g. Black v. Sw. Water Con. Dist.*, 74 P.3d 462 (Colo. App. 2003); *Metro Wastewater Reclamation Dist. v. Cont’ Cas. Co.*, 142 F.R.D. 471 (D. Colo. 1992); *Matter of Grand Jury Subpoena Duces Tecum Dated November 16, 1974*, 406 F. Supp. 381 (S.D.N.Y. 1975).
4. **Privileged Communications.** Some or all of the Litigation Materials may be protected from disclosure to adverse or other persons or entities as a result of the attorney- client privilege, the work product doctrine, or other applicable privileges, protections or immunities. It is the desire, intention, and mutual understanding of the Parties hereto (a) that the sharing of Litigation Materials

among one another is not intended to, and does not, waive or diminish in any way the confidentiality of such materials or their continued protection under the attorney-client privilege, the work product doctrine or other applicable privileges, protections or immunities; and (b) that all Litigation Materials that are entitled to protection under the attorney-client privilege, the work product doctrine or other applicable privileges, protections or immunities, will remain entitled to such protection under the common interest doctrine, and may not be disclosed to persons other than those described in Paragraph 5 without the prior written consent of all Parties. The Parties also intend and understand that any disclosure of Litigation Materials pursuant to this Agreement will not constitute a waiver of any available privilege, protection or immunity.

5. **Disclosure of Defense Materials.** Each Party and undersigned Counsel has further agreed that he or she will not disclose any Litigation Materials received by him or her from another Participant to this Agreement or Counsel for another Party to this Agreement to anyone except (a) employees or officers of each Participant who are responsible for the prosecution of the Civil Action on behalf of their employer; (b) outside Counsel of record for any Party to this Agreement; (c) paralegals, support staff, consultants, including accountants, or experts who are directly employed by or retained by and assisting a Party or Counsel in the Civil Action. All persons permitted access to Litigation Materials must be specifically advised that the Litigation Materials as provided in this paragraph are privileged and subject to the terms of this Agreement.

6. **Limited Use of Litigation Materials.** Any Litigation Materials, and the information contained therein, are to be used by each person or Party receiving them solely in connection with the Civil Action. Neither the Litigation Materials nor the confidential information contained therein may be used by any person or Party receiving them for any other purpose whatsoever. This Agreement does not prevent a Party from using in the Civil Case or in any other proceeding non-privileged or non-protected facts, documents, and theories which are learned or derived from Litigation Materials.

7. **Previously Exchanged Litigation Materials.** All Litigation Materials exchanged between and among any of the undersigned Parties or Counsel pursuant to prior oral agreements or any previous joint defense agreement are now subject to this Agreement. This Agreement specifically preserves the protections afforded to those materials shared between the Parties from the time that the commonality of interest came into being, which was May 8, 2023, until execution of this Agreement under the same terms as contained in this Agreement.

8. **Privilege Not Waived.** The privileges and protections for the Litigation Materials may not be waived by any Party to this Agreement without the prior written consent of all Parties. Any inadvertent or purposeful disclosure of Litigation Materials that is made by a Party contrary to the terms of this Agreement will not constitute a waiver of any privilege or protection. If any Party is required by court order, statute, or rule of law, to produce or reveal any Litigation Materials, prompt and reasonable notice must be given to each Party who has executed this Agreement before responding to, or complying with, such requests so that any Party may, at its own cost, have the opportunity to resist the production of such information by timely and appropriate process. In the event the Party from whom disclosure is sought has no objection to the disclosure, such Party must

nevertheless invoke this Agreement during the pendency of any action taken by the objecting Party and must otherwise make reasonable efforts to prevent disclosure until the final resolution of the objection of the objecting Party.

9. **Withdrawal.** In the event that a Party determines that it no longer has a commonality of interest in the Civil Action, such Party must withdraw from this Agreement. Each undersigned Party has a duty to withdraw from the Agreement when, in good faith, he or she reasonably believes that a commonality of interest no longer exists and to give prompt written notice of such withdrawal to each of the undersigned. Notwithstanding a Party's withdrawal, this Agreement remains operative as to all previously furnished Litigation Materials. Any Party may withdraw from this Agreement on written notice to all of the undersigned Parties. Any such withdrawal will be solely on a prospective basis and any Litigation Materials provided pursuant to this Agreement prior to such withdrawal continues to be governed by the terms of this Agreement. Nothing in this Agreement is a waiver of a Party's right, pursuant to C.R.C.P. 26(b)(5) or other lawful means, to protect privileged information that has been subsequently disclosed to a former Party.

10. **Settlement or Dismissal.** A Party who is dismissed or settles all pending claims in the Civil Action will be deemed to have withdrawn from the Agreement in accordance with terms of this agreement as of the date of the dismissal or settlement unless the Participant indicates in writing that it intends to be bound by the Agreement. In the event that a Party withdraws from this Agreement by settlement or withdraws from this Agreement pursuant to the terms of this Agreement, the remaining Party may employ or continue to employ such a Party's engineering experts and utilize any analyses and reports of those experts that were developed in conjunction with the Civil Action and exchanged pursuant to this Agreement. Any settlement agreement must expressly acknowledge the same.

11. **Additional Parties.** The Parties recognize that other Parties may be permitted to join this Agreement at a future time by signing a copy of this Agreement. Any such additions can be made only with the permission of all Parties to this Agreement.

12. **No Endorsement or Authorization.** Participation in this Agreement represents neither an endorsement of, nor an authorization to control, the defense strategy or decisions of other participating Parties.

13. **Protective Order Obligations.** Nothing in this Agreement relieves the Parties or their Counsel from any obligation or obligations pursuant to the terms of any protective order or similar order entered by any court regarding the disclosure or dissemination of information pertaining to the Civil Action.

14. **Independent Work Product.** Notwithstanding the Parties' rights and obligations with respect to confidentiality and non-disclosure of Litigation Materials, nothing in this Agreement limits the right of any Party to use or disclose any documents or information or work product that have been independently obtained or generated by such Party (*i.e.* they were not obtained or generated solely as the result of the common defense efforts made pursuant to this Agreement),

whether or not such documents, information or work product have been provided to any other Party pursuant to this Agreement. Nothing in this Agreement obligates any Party to use or disclose to the other Parties any documents or information or work product that have been independently obtained or generated by such Party.

15. **Effect on Other Agreements.** Notwithstanding anything herein to the contrary, nothing in this Agreement prevents the Parties from entering into common interest agreements with other Parties or among themselves, and this Agreement does not supersede or nullify, in whole or in part, any common interest agreement any Party has entered into prior to the date of its execution of this Agreement.

16. **Scope of Protection.** This Agreement must be interpreted so as to afford the broadest and greatest protection possible of Litigation Materials from disclosure to persons not Parties to this Agreement.

17. **Return or Destruction of Litigation Materials.** At the conclusion of the Civil Action, within a reasonable time thereafter, a Party who has shared its independently prepared Litigation Materials may request the return or destruction of those Litigation Materials. Upon receipt of such a request, the notified Parties will timely return or destroy those Litigation Materials.

18. **No Attorney-Client Relationship.** Nothing in this Agreement is intended to create any attorney-client relationship for the purposes of conflicts or otherwise. Each undersigned Counsel understands that it is his or her sole responsibility to represent his or her or their respective client and that none of the other signatories to this Agreement have in any way assumed any such responsibility. Each Party to this Agreement agrees that action taken by their Counsel under this Agreement is intended solely to benefit the Counsel's client(s) and not the other Parties. Moreover, the participation in, execution or receipt of any information pursuant to this Agreement does not disqualify any representative of a signatory (including a law firm) from accepting any other future engagement. Each Party waives any conflict-of-interest claim or right to disqualify from representation for a Party that receives Litigation Materials under this Agreement.

19. **No Admission of Liability.** Nothing in this Agreement is intended as, nor may be construed or deemed to be, an admission of liability by any Party, or of the existence of facts upon which liability could be based.

20. **Continuing Obligation.** This Agreement will continue in full force and effect notwithstanding any conclusions or resolution as to any Party to the Civil Action.

21. **Confidentiality of Terms.** Absent compulsory process of law, the existence and contents of this Agreement are confidential and must not be released to any person or entity not a Party to this Agreement except as necessary to enforce the terms of this Agreement.

22. **Controlling Law.** Colorado law controls the interpretation and enforcement of this Agreement. This Agreement may be enforced in the District Court for Ouray County, Colorado by

23. **Binding Effect.** This Agreement is binding upon the successors and assigns of the Parties and their respective Counsel and shall inure to the benefit of the successors or assigns of the Parties. The Parties agree that a breach of the provisions of this Agreement by a Parties will cause irreparable harm to the other Parties, and therefore agree that injunctive relief is an appropriate means to enforce this Agreement. The Parties further agree, however, that this paragraph is not intended to limit the rights or remedies of the Parties to enforce this Agreement.
