An alternate member may vote only in the event a regular member is absent or otherwise unable to vote on a matter before the Planning Commission. Alternate members shall serve for a term of two (2) years. If there is more than one alternate member, then at meetings where only one alternate member's vote is needed, the alternate members shall rotate with one alternate member voting for all votes taken at a Planning Commission meeting and the other alternate member voting in all votes taken at the next meeting where a single alternate member vote is needed.

MEMORANDUM

DATE: September 1, 2026
TO: City of Ouray Planning Commission
FROM: Harper Powell, Karp Neu Hanlon, P.C.
RE: Planning Commission Alternate Member

This memorandum provides an overview of previous discussions by the Planning Commission (the “PC” or Commission) regarding potential code amendments to provide for an alternate member on the Commission.

A. Background

Late last fall, the Planning Commission directed staff to explore the potential of adding an alternate position on the Commission in the event a Commissioner is absent from a PC meeting. The Commission included this discussion on the agenda at its December 9, 2025 meeting. At the time, the Commission supported moving forward with a draft code amendment. Commissioners stated a preference of starting with the addition of one alternate member. We suggested drafting the code amendment to include the flexibility of appointing up to two alternate members in case the Commission ever wanted to have an additional alternate member.

B. Code Amendment

Attached is a draft code amendment that provides City Council the authority to appoint either one or two alternate members to the Planning Commission. This allows flexibility to appoint the number of alternate members necessary to fulfill the needs of the Commission at the time of appointment of such alternate member(s). Appointing two members is not required; however, providing for this flexibility in the code is recommended should the future desires of the Commission be to have two alternate members.

The proposed code amendment also revises eligibility for membership on the Commission to exclude the Mayor and City Council members. The purpose of this is to preserve the role of Planning Commission as separate from that of the City Council. The Planning Commission is an advisory body to the City Council, and issues coming before the PC will later appear before City Council. To avoid any potential issues due to the quasi-judicial nature of many items coming before PC, it is advisable that the makeup of the Commission not include members of the City Council.

C. Conclusion and Recommendations

Based on a review of the Commission's previous discussions regarding adding an alternate member position, staff recommends the PC determine whether it still wishes to proceed with a code amendment to allow for alternate members. If so, staff recommends including the flexibility for City Council to appoint up to two alternate members should the Commission wish to have an additional alternate member. It is also recommended to approve the code change providing that City Council members and the Mayor may not serve on the PC.

MEMORANDUM

DATE: August 21, 2025
TO: Minturn Town Council
FROM: Karp Neu Hanlon, P.C.
RE: Natural Medicine Businesses

In 2022, Colorado voters approved Proposition 122: “Access to Natural Psychedelic Substances” (the “Natural Medicine Health Act” or the “Act”), which legalizes the supervised use of psychedelic mushrooms at licensed facilities by individuals 21 years and older. The Act authorizes the State to promulgate rules and regulations for the operation of licensed natural medicine businesses. Local governments may not prohibit licensed natural medicine facilities but may regulate the time, place, and manner of operation of such facilities.

In 2023, the State published the Colorado Natural Medicine Code, establishing the regulatory structure for the operation of natural medicine businesses, including licensing and registration and requirements for the use, cultivation, manufacture, and testing of natural medicine substances.

The purpose of the Ordinance, attached as **Exhibit A**, is to regulate the time, place, and manner of operation of licenses issued pursuant to the Colorado Natural Medicine Code. Staff has determined that the most appropriate zoning districts for operation of natural medicine healing centers—where natural medicine services are provided under supervision—are in the Grouse Creek Character Area Commercial Zone, the 100-Block Commercial Zones, the Old Town Commercial Zone, the Old Town Mixed Use Zone, and the South Town Character Area Commercial Zone. Planning Commission recommended natural medicine healing centers be permitted on the second floor or above, not on the first floor, in the 100-Block Commercial Zones. Other natural medicine businesses, including cultivation facilities, products manufacturers, testing facilities, and other licensed natural medicine businesses would be permitted in the Grouse Creek Area Commercial Zone. The Ordinance also limits any natural medicine business to be at least 1,000 feet from any day care center, preschool, school, or family child care home. The hours of operation of natural medicine businesses are restricted from 7:00 a.m. to 9:00 p.m. All other operations of natural medicine businesses must conform to state regulations.

On August 13, 2025, Planning Commission recommended Town Council approve the Ordinance. Staff advises Town Council adopt the Ordinance.
