3. Incorporates the use of sanitation, structural remediation or habitat manipulation or of mechanical, biological and chemical pest control measures that present a reduced risk or have a low-impact and, for the purpose of mitigating a declared pest emergency, the application of pesticides that are not low-impact pesticides;
4. Includes regular monitoring and inspections to detect pests, pest damage and unsanctioned pesticide usage;

 - f. The location and description of the area where the pesticide was applied;
 - g. The type of application and whether the application was effective;
 - h. The name(s) of the person(s) applying the pesticide;

- i. The pesticide applicator's license numbers and pesticide trainee or certificate numbers of the person applying the pesticide;
 - j. The dates and times for the placement and removal of warning signs; and

Sexual Harassment

The district is committed to eliminating sexual harassment. Sexual harassment will not be tolerated in the district. All students, staff members and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students and third parties are subject to this policy. Any person may report sexual harassment.

The district processes complaints or reports of sexual harassment under Oregon Revised Statute (ORS) 342.700 et. al. and federal Title IX laws found in Title 34 C.F.R. Part 106. Individual complaints may require both of these procedures, and may involve additional complaint procedures.

General Procedures

When information, a report or complaint regarding sexual harassment is received by the district, the district will review such information, report or complaint to determine which law applies and will follow the appropriate procedures. When the alleged conduct could meet both of the definitions in ORS Chapter 342 and Title IX, both complaint procedures should be processed simultaneously (*see* GBN/JBA-AR(1) - Sexual Harassment Complaint Procedure and GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure). FEDERAL DEFINITION AND PROCEDURES

Federal Definition

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity¹²;
3. "Sexual assault": an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
4. "Dating violence": violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. "Domestic violence": felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction; or
6. "Stalking": engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person's own safety or the safety of others, or suffer substantial emotional distress.

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. *See* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX coordinator receiving the person's verbal or written report. The report can be made at any time.

Superintendent is designated as the Title IX coordinator and can be contacted at 541-925-3262. The Title IX coordinator will coordinate the district's efforts to comply with its responsibilities related to this

¹² "Education program or activity" includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs." (Title 34 C.F.R. § 106.44(a))

AR. The district prominently will display the contact information for the Title IX coordinator on the district website and in each handbook.

Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.¹⁴ The district shall treat complainants and respondents equitably by providing supportive measures¹⁵ to the complainant and by following a grievance procedure¹⁶ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.¹⁷

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁸ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX coordinator(s);
2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and

¹⁴ (Title 34 C.F.R. § 106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

¹⁵ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment.¹⁵ The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

¹⁶ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, *see* GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

¹⁷ The Title IX coordinator may also discuss that the Title IX coordinator has the ability to file a formal complaint.

¹⁸ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

Inquiries about the application to Title IX and its requirements may be referred to the Title IX coordinator.

No Retaliation

Neither the district or any person may retaliate²⁰ against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Publication

This policy shall be made available to students, parents of students and staff members. This policy and contact information for the Title IX coordinator shall be prominently published in the school student handbook and on the district website. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grade 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any person upon request.

FEDERAL DEFINITION AND PROCEDURES

Federal Definition

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district’s education program or activity⁵;
3. “Sexual assault”: an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
4. “Dating violence”: violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. “Domestic violence”: felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction; or
6. “Stalking”: engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person’s own safety or the safety of others, or suffer substantial emotional distress.

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district’s treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy. *See JBA/GBN-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure.*

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by any other means that results in the Title IX coordinator receiving the person’s verbal or written report. The report can be made at any time.

Superintendent is designated as the Title IX coordinator and can be contacted at 541-925-3262. The Title IX coordinator will coordinate the district’s efforts to comply with its responsibilities related to this policy. The district prominently will display the contact information for the Title IX coordinator on the district website and in each handbook.

Response

⁵ “Education program or activity” includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs.” (Title 34 C.F.R. § 106.44(a))

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.⁶ The district shall treat complainants and respondents equitably by providing supportive measures⁷ to the complainant and by following a grievance procedure⁸ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.⁹

If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.¹⁰ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX coordinator(s);
2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and
3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

⁶ (Title 34 C.F.R. § 106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

⁷ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment.⁷ The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

⁸ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, *see* JBA/GBN-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

⁹ The Title IX coordinator may also discuss that the Title IX coordinator has the ability to file a formal complaint.

¹⁰ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

Inquiries about the application to Title IX and its requirements may be referred to the Title IX coordinator.

No Retaliation

Neither the district or any person may retaliate¹¹ against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Publication

This policy shall be made available to students, parents of students and staff members. This policy and contact information for the Title IX coordinator shall be prominently published in the school student handbook and on the district website. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grade 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any person upon request.

⁶ {ORS 166.670(1)(a) prohibits the possession of firearms or "any other instrument used as a dangerous weapon" on school grounds and in facilities occupied by the district, unless an exception applies. ORS 166.370(3)(g) provides an exception for persons "licensed under ORS 166.291 and 166.292 to carry a concealed handgun." ORS 166.377 allows districts to adopt a policy stating that this defense (the exception in ORS 166.670(3)(g)) does not apply "on the grounds of the schools controlled by the board." ⁷ {The public notice must be displayed conspicuously on the district's website. If the district does not maintain a publicly accessible website, the district shall satisfy the public notice requirements through other means such as posting on the Oregon Transparency Website, community postings, bulletin boards, newspaper notice, or any other means reasonably calculated to provide actual notice to the general public. Board Meetings

{School boards must follow public meeting law regardless of whether the board adopts this policy. This policy reflects public meeting law as amended by House Bill 2805 (2023).}

The Board has the authority to act only when a quorum is present at a duly called regular, special or emergency meeting. “Meeting” means the convening¹ of a quorum of the Board as the district’s governing body to make a decision² or to deliberate³ toward a decision on any matter. This includes meeting for the purpose of gathering information to serve as the basis for a subsequent decision or recommendation by the Board, i.e. a work session. “Meeting” does not include any on-site inspection of any project or program or the attendance of members of the Board at any national, regional or state association to which the Board or its members belong.

The affirmative vote of the majority of members of the Board is required to transact any business.

All regular, special and emergency meetings of the Board will be open to the public except as provided by law. Access to and the ability to attend all meetings (excluding executive sessions) by telephone, video or other electronic or virtual means will be made available when reasonably possible. All meetings will be conducted in compliance with state and federal statutes. [For information how to give or submit public comment [it is outlined in Board policy BDDH - Public Comment at Board Meetings⁴] [and/or] [posted on the district’s website].]

All Board meetings, including Board retreats and work sessions, will be held within district boundaries, except as allowed by law⁵. The Board may attend training sessions outside the district boundaries but cannot deliberate or discuss district business. No meeting will be held at any place where discrimination

¹ “Convening” means: (a) Gathering in a physical location; (b) Using electronic, video or telephonic technology to be able to communicate contemporaneously among participants; (c) Using serial electronic written communications among participants; or (d) Using an intermediary to communicate among participants.

² “Decision” means any determination, action, vote or final disposition upon a motion, proposal, resolution, order, ordinance or measure on which a vote of a governing body is required, at any meeting at which a quorum is present.

³ “Deliberation” means discussion or communication that is part of a decision-making process.

[⁴ When telephone or other electronic means of communication is used during a meeting open to the public, the Board shall make at least one place available to the public where, or at least one electronic means by which, the public can listen during the meeting. At all meetings of the Board open to the public, the public will be provided an opportunity, to the extent reasonably possible, to access and attend the meeting by telephone, video or other electronic or virtual means. If in-person oral testimony (or public comment) is allowed, the public will be provided, to the extent reasonably possible, an opportunity to submit oral testimony during the meeting[, at the designated portion of the agenda,] by telephone, video or other electronic or other means. If in-person written testimony is allowed, the public will be provided, to the extent reasonably possible, an opportunity to submit written testimony including by email or other electronic means, so that the Board is able to consider the submitted testimony in a timely manner.]

⁵ ORS 192.630(4). Meetings of the governing body of a public body shall be held within the geographic boundaries over which the public body has jurisdiction, or at the administrative headquarters of the public body or at the other nearest practical location. Training sessions may be held outside the jurisdiction if no deliberations toward a decision are involved.

on the basis of disability, race, creed, color, sex, sexual orientation, gender identity, age or national origin is practiced.

The Board will give public notice reasonably calculated to give actual notice to interested persons, including the news media which have requested notice, of the time and place for all Board meetings and of the principal subjects to be considered. The Board may consider additional subjects at a meeting, even if they are not included in the notice.

If requested to do so at least 48 hours before a meeting held in public, the Board shall make a good faith effort to provide an interpreter for hearing-impaired persons. If the meeting is being held upon less than 48 hours' notice and a request for an interpreter is made, the Board shall make a reasonable effort to have an interpreter present. Other appropriate auxiliary aids and services will be provided upon request and appropriate advance notice.

[⁶] If requested to do so at least [72] hours before a meeting held in public, the Board will make a reasonable effort to provide translation services.]

All meetings held in public shall comply with the Oregon Indoor Clean Air Act.

[The possession of dangerous or deadly weapons and firearms, as defined in law and Board policy, is prohibited on district property.]

1. Regular, Special and Emergency Meetings

Generally, a regular Board meeting will be held each month. The regular meeting schedule will be established at the annual organizational meeting and may be changed by the Board with proper notice. The purpose of each regular monthly meeting will be to conduct the regular Board business.

No later than the next regular meeting following July 1, the Board will hold the annual organizational meeting to elect Board officers for the coming year and to establish the year's schedule of Board meetings. In Board election years (odd numbered years), the first meeting will be held no later than July 31.

Special meetings can be convened by the Board chair, upon request of three Board members, or by common consent of the Board at any time to discuss any topic. [A special meeting may be scheduled if less than a quorum is present at a meeting, additional business still needs to be conducted at the ending time of a meeting, conducting business prior to the next regular meeting would be advantageous to the district or other reasons.] At least 24 hours' notice must be provided to all Board members, the news media which have requested notice, and the general public for any special meeting.

Emergency meetings can be called by the Board in the case of an actual emergency upon appropriate notice under the circumstances. The minutes of the emergency meeting must describe the emergency. Only topics necessitated by the emergency may be discussed or acted upon at the emergency meeting.

⁶ {Districts are encouraged to evaluate translation needs and resources prior to adding this language. A district may decide that translating the agenda, minutes or other documents, or public comment is sufficient.}

2. Communications Outside of Board Meetings

Communications, to, by and among a quorum of Board members outside of a legally called Board meeting, in their capacity as Board members, shall not be used for the purpose of discussing district business. This includes electronic, video or telephonic communications, serial electronic communications among participants and using an intermediary to communicate among participants. Such communications among Board members shall be limited to messages not involving deliberation, debate, decision-making or gathering of information on which to deliberate.

Communications outside of a Board meeting may contain:

- a. Communications to, between or among members of a governing body that are:
 - (1) Purely factual or educational in nature and that convey no deliberation or decision on any matter that might reasonably come before the Board (including agendas and information concerning agenda items);
 - (2) Not related to any matter that, at any time, could reasonably be foreseen to come before the Board for deliberation and decision; or
 - (3) Nonsubstantive in nature, such as communication relating to scheduling, leaves of absence and other similar matters; or
- b. Individual responses to questions posed by community members, subject to other limitations in Board policy.

[E-mails sent to other Board members will have the following notice:

Important: Please do not reply or forward this communication if this communication constitutes a decision or deliberation toward a decision between and among a quorum of a governing body which could be considered a public meeting. Electronic communications on district business are governed by public meetings law.]

3. Private or Social Meetings

Private or social meetings of a quorum of the Board for the purpose of making a decision or to deliberate toward a decision on any matter are prohibited by public meetings law.

4. Work Sessions

The Board may use regular or special meetings for the purpose of conducting work sessions to provide its members with opportunities for planning and thoughtful discussion. Work sessions will be conducted in accordance with state law on public meetings, including notice and minutes. [The Board [may make] [is discouraged from making] official decisions during a work session.] [Generally, Boards do not take official action during work sessions, although there is no legal prohibition to do so.]

5. Executive Sessions

Executive sessions may be held [as an agenda item] during regular, special or emergency meetings for a reason permitted by law. [(See Board policy BDC - Executive Sessions)]

Complaints regarding public meetings laws can be filed with the Board in accordance with Board policy KL – Public Complaints. The Board will respond and provide a copy of the complaint and response to the Oregon Government Ethics Commission within 21 days in accordance with state law.⁷

[⁸] **Mandatory Training**

Every member of the Board shall attend or view a training on public meetings law prepared or approved by the Oregon Government Ethics Commission (OGE) at least once during the Board member’s term of office and shall verify attendance in accordance with OGE procedures.]

Board Meeting Agenda

The Board chair, with the assistance of the superintendent, will prepare an agenda for all regular meetings of the Board. Items of business may be suggested by any Board member, staff member, student or patron of the district by notifying the [superintendent] [Board chair] at least [three] working days prior to the meeting.

[A consent agenda may be used by the Board for noncontroversial business. The consent agenda will consist of routine business that requires action but not necessarily discussion. These items may all be approved at the same time. A Board member may ask that any item be removed from the consent agenda. The removed item will then be placed on the regular agenda.]

The agenda will follow a general order established by the Board. Opportunities for the audience to be heard may be included on the agenda. The Board will follow the order of business set up by the agenda unless the order is altered by a consensus of the Board.

Items of business not on the agenda may be discussed and acted upon if the majority of the Board agrees to consider them.

The agenda, together with supporting materials, will be distributed by the district office or superintendent to Board members at least [three] full working days prior to the meeting. The agenda will be available to the press and to interested patrons through the superintendent's office at the same time it is available to the Board members. Copies of the agenda for the press and public will not contain any confidential information included in the Board members' packets.

A copy of the agenda will be posted [on the district website] [in each district facility] on the day of the meeting. [Members of the public may request a copy of the agenda through the superintendent's office.]

The district will ensure equally effective communications are provided to qualified persons with disabilities, upon request, as required by the Americans with Disabilities Act.

Appropriate auxiliary aids and services may include, but are not limited to, qualified interpreters, assistive listening systems, note takers, large print, Braille materials, audio recordings and readers. Primary consideration will be given to the request of the person with a disability in the selection of the appropriate auxiliary aid and/or service. Should the Board demonstrate such a request would result in a fundamental alteration in the service, program or activity or an undue financial and administrative burden, an alternate, equally effective communication will be used.

Auxiliary aids and services for persons with disabilities will be available at no charge to the individual.

Recordings and Minutes of Board Meetings

[¹] The Board will ensure a [²] video recording is made of all of its meetings and portions of meetings that are not held in executive session. These recordings will be posted on the district's website or social media site within seven days following the meeting.]

A video or audio recording of a meeting can be kept as the official record as long as all required content is included and it is kept in an allowable format³. Alternatively, the district may create written minutes. Written minutes do not need to be a verbatim transcript and can be kept in hard copy or electronic form⁴.

The official record must give a true reflection of the matters discussed at the meeting and the views of the participants, and must include the following information:

1. All members of the Board present;
2. All motions, proposals, resolutions, orders, ordinances and measures proposed and their disposition;
3. The results of all votes and the vote of each member by name for all actions taken⁵;
4. The substance of any discussion on any matter; and
5. A reference to any document discussed at the meeting.

If written minutes are created for meetings which do not take place in executive session, those minutes shall be available to the public within a reasonable time⁶ after the meeting. These minutes [will be published to the district website and] may be requested from the district office.

¹ {ORS 192.655 requires districts with an ADMr of 50 or more to record board meetings, and post the recording within seven days. Districts with fewer than 50 ADMr are exempt from this requirement and do not need to adopt this language.}

² {If the district lacks broadband internet, an audio recording is sufficient. See ORS 192.655.}

³ Oregon Administrator Rule (OAR) 166-017-0045(4) requires moving images or audio recordings be kept in MP2, MP3, MP4, or WAVE formats.

⁴ Oregon Administrator Rule (OAR) 166-017-0045(4) requires textual data or still images be kept in XML, ODT, TXT, PDF, RTF, PREG, JFIF, PNG, or TIFF formats.

⁵ If minutes are kept in a recorded form, all voting will use a roll call vote and if minutes are kept in written form the minutes will identify the vote of each member by name under each board action.

⁶ {The Oregon Attorney General's *Public Records and Meetings Manual* says, "three weeks arguably is within the reasonable time allowed by statute."}

Recordings or minutes⁷ of executive sessions will be kept in the same manner as other meetings of the Board. If disclosure of material from executive session recordings or minutes would be inconsistent with the purpose for which executive session was held under Oregon Revised Statute (ORS) 192.660, the material may be withheld from disclosure. Executive session minutes of a hearing held under ORS 332.061 shall contain only material not excluded under ORS 332.061(2) and information⁸ will not be disclosed in accordance with ORS 332.061.

Either the recording or minutes of Board meetings will be kept permanently. If written minutes are created for any meetings of the Board, any recordings will be kept for at least one year after the minutes are created.

Family and Medical Leave *

(Version 1)

{This administrative regulation (AR) is intended for districts with 50 or more employees.. If the district has 25 or more and fewer than 50 employees, use version 2 (Oregon Family Leave Act (OFLA)) of GCBDA/GDBDA-AR(1) - Family Leave *.}

Employee Eligibility

FMLA benefits are available to employees who have been employed by the district for at least 12 months, have worked at least 1,250 hours during the past 12-month period and work at a worksite that employs 50 district employees within 75 miles of the worksite.

An employee who has previously qualified for and has taken some portion of FMLA leave may request additional FMLA leave within the same leave year.

Generally, in order for an employee to be eligible for the benefits under OFLA, the employee must work an average of 25 hours or more per week during the 180 calendar days immediately prior to the first day of the start of the requested leave.^[2] In determining if an employee has been employed for the preceding 180 calendar days under OFLA, the district must consider days, paid or unpaid, an employee is maintained on payroll.

In determining average workweek, under FMLA and OFLA, the employer must count the actual hours worked using the Fair Labor Standards Act (FLSA) guidelines. An employee is eligible to take leave for any purposes of OFLA during a period of time covered by a public health emergency except:

1. An employee who has worked for the district for fewer than 30 days immediately before the date on which the family leave would commence; or
2. An employee who has worked for the district for an average of fewer than 25 hours per week in the 30 days immediately before the date on which the family leave would commence.

An employee of the district who has separated and is reemployed within 180 days, or experiences a temporary cessation of schedule hours may be eligible for OFLA in accordance with ORS 659A.156.

Any OFLA leave taken by the employee within any one-year period continues to count against the length of time of OFLA leave the employee is entitled. The amount of time that an employee is deemed to have worked for the district prior to a break in service due to a separation from employment or a temporary cessation of scheduled hours shall be restored to the employee when the employee is reemployed by the district within 180 days of separation from employment or when the employee returns to work at the end of the temporary cessation of scheduled hours of 180 days or less.

² [The requirements of OFLA do not apply to any employer offering eligible employees a nondiscriminatory cafeteria plan, as defined by section 125 of the Internal Revenue Code of 1986, which provides as one of its options, employee leave at least as generous as the leave required by OFLA.]

When an employee requests OFLA leave, or when the district acquires knowledge that an employee's leave may be for a purpose that constitutes OFLA leave, the district will notify the employee of the employee's eligibility to take OFLA leave within five business days, absent extenuating circumstances. Whether an employee is an "eligible employee" as defined in OAR 839-009-0210 is determined, a notice must be provided, at the commencement of the first instance of each purpose for leave listed in OAR 839-009-0240 during the OFLA leave year. If an employee is an "eligible employee" as defined in OAR 839-009-0210 for the purpose listed in OAR 839-009-0240, the employee's eligibility for that purpose does not change during the applicable 12-month period.

In addition:

1. An employee taking, in any order, some or all of 12 weeks of OFLA pregnancy disability leave and some or all of 12 weeks of OFLA leave for any other purpose, need not requalify each time the employee takes OFLA leave within the same leave year;
2. An employee unable to work because of a disabling compensable injury³ need not requalify under OAR 839-009-0210 in order to use OFLA leave following a period the employee is off work due to the compensable injury.

Leave under the Oregon Military Family Leave Act (OMFLA) applies to employees who work an average of at least 20 hours per week. There is no minimum number of days worked when determining employee eligibility for OMFLA.

Qualifying Reason

Eligible employees may access FMLA leave entitlements for the following reasons:

3. Military caregiver leave: leave for the care for a covered servicemember if the eligible employee is the spouse, child or next-of-kin of the servicemember with a serious injury or illness;
 4. Qualifying exigency leave: leave arising out of deployment to a foreign country of the employee's spouse, child or parent who is a military member on active duty or call to covered active duty status.

Eligible employees may access OFLA leave entitlements for the following reasons:

1. Pregnancy disability leave: leave taken by an employee for their own disability related to pregnancy, including pregnancy termination or childbirth, whether the disability occurs before, during or after the birth of the child or for prenatal care, including fertility or infertility treatment.
2. Sick child leave: leave taken to care for an employee's child who is suffering from an illness, injury, or condition that requires home care; or leave taken to care for an employee's child whose school or child care provider has been closed⁸ in conjunction with a statewide public health emergency declared by a public health official.⁹
3. Bereavement leave: leave taken to deal with the death of a covered family member and includes leave taken to attend the funeral or alternative to a funeral of the family member, to make arrangements necessitated by the death of the family member, or to grieve the death of the family member.¹⁰ ~~[When such leave is used for a family member who is related by affinity, the district requires an attestation form signed and submitted by the employee.]~~

2. Child:

- a. For the purposes of FMLA, “child” means the eligible employee’s biological or adopted child, a child the employee is fostering, a stepchild, a legal ward or a child of a person standing “in loco parentis”, who is either under the age of 18, or who is 18 years of age or older and who is incapable of self-care because of a physical or mental disability.
- b. For the purposes of Military Caregiver Leave and Qualifying Exigency Leave under FMLA, “child” means the employee’s child on covered active duty regardless of that child’s age.
- c. For the purposes of OFLA, “child” means the eligible employee’s biological or adopted child, a child the employee is fostering, a stepchild, the child of the employee’s spouse or domestic partner, or a child with whom the employee is or was in a relationship of “in loco parentis.”
- d. For the purposes of sick child leave under OFLA, the child must be under the age of 18 or substantially limited by a physical or mental impairment as described in ORS 659A.104.

3. In loco parentis:

¹² “Spouse” means individuals in a marriage, including “common law” marriage and same-sex marriage.

¹³ “Parent” means a biological, adoptive, step or foster parent, or any other individual who stood “in loco parentis” to the employee when the employee was a child as defined herein. This does not include parents “in law.”

¹⁴ “Child” means a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability at the time that FMLA leave is to commence.

¹⁵ “Affinity” means a relationship for which there is a significant personal bond that, when examined under the totality of the circumstances, is like a family relationship. This bond may be demonstrated by, but is not limited to the following factors, with no single factor being determinative:

- 1. Shared personal financial responsibility, including shared leases, common ownership of real or personal property, joint liability for bills or beneficiary designations;
- 2. Emergency contact designation of the employee by the other individual in the relationship or the emergency contact designation of the other individual in the relationship by the employee;
- 3. The expectation to provide care because of the relationship or the prior provision of care;
- 4. Cohabitation and its duration and purpose;
- 5. Geographic proximity; and
- 6. Any other factor that demonstrates the existence of a family-like relationship.

- a. For the purposes of FMLA, “in loco parentis” means persons with day-to-day responsibility to care for or financially support a child, or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.
- b. For the purposes of OFLA, “in loco parentis” means person in the place of a parent, having financial or day-to-day responsibility for the care of a child. A legal or biological relationship is not required.

4. Next of kin:

For the purposes of FMLA , “next of kin” means the nearest blood relative other than the covered servicemember’s spouse, parent or child in the following order of priority (unless otherwise designated in writing by the servicemember):

- a. Blood relatives who have been granted legal custody of the covered servicemember by court decree or statutory provisions;
- b. Siblings;
- c. Grandparents;
- d. Siblings of parents and their spouses; and
- e. First cousins.

5. Covered servicemembers:

For the purposes of FMLA, “covered servicemember” means:

- a. A current member of the Armed Forces, including a member of the National Guard or Reserves, who:
 - (1) Is undergoing medical treatment, recuperation or therapy;
 - (2) Is otherwise in outpatient status; or
 - (3) Is otherwise on the temporary disability retired list for a serious injury or illness; or
- b. A covered veteran who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness.

6. Covered veteran:

For the purposes of FMLA, “covered veteran” means an individual who was:

- a. A member of the Armed Forces (including a member of the National Guard or Reserves);
- b. Discharged or released under conditions other than dishonorable; and
- c. Discharged within the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran.

7. Public health emergency:

For OFLA a “public health emergency” means;

- a. A public health emergency declared under ORS 433.441.
- b. An emergency declared under ORS 401.165 if related to a public health emergency as defined in ORS 433.442.

Leave Period

For the purposes of calculating an employee's leave period for FMLA, the district will use [the calendar year] [any fixed 12-month "leave year"] [the 12-month period measured forward from the date the employee's leave begins] [a "rolling" 12-month period measured backward from the date the employee uses any FMLA leave].

For the purposes of calculating an employee's leave period for OFLA, the district will use a period of 52 consecutive weeks beginning on the Sunday immediately preceding the date on which family leave commences.

The leave period for the purposes of Military Caregiver Leave under FMLA shall be dependent on the start of any such leave regardless of the district's designated leave period described above.

Leave Duration

For the purposes of FMLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district's designated leave period (12-month period)¹⁶. Spouses who work for the district and are eligible for FMLA leave may be limited to a combined total of 12 weeks of FMLA leave during the district's designated leave period when the purpose of the leave is for:

1. Birth of a child or to care for a child after birth;
2. Placement of an adopted child or child in foster care, the care for an adopted child or child in foster care after placement; or
3. Care of the employee's parent with a serious medical condition.

Except in specific and unique instances, all qualified leave under FMLA counts toward an employee's leave entitlement within the designated leave period.

For the purposes of OFLA, an eligible employee is generally entitled to a total of up to 12 weeks of OFLA leave, for sick child leave and bereavement leave, during the designated leave period. An eligible employee is entitled to a total of two weeks of bereavement leave upon the death of each family member of the employee within a leave year, except that the eligible employee may not take more than four weeks of bereavement leave within a leave year.

An employee may also be entitled to take a total of 12 weeks of OFLA pregnancy disability leave within the same leave year.

Under OFLA, the employee may use all or part of the 12 weeks of sick child or bereavement leave and all or part of the 12 weeks of pregnancy disability leave in any order.

¹⁶ An eligible employee taking Military Caregiver Leave under FMLA is entitled to up to 26 weeks of leave in the 12-month period beginning with the first day of such leave and regardless of any FMLA leave taken previously during the district's leave period. However, once the 12-month period begins for the purposes of Military Caregiver Leave under FMLA, any subsequent FMLA qualified leave, regardless of reason for such leave, will count toward the employee's 26-week entitlement under Military Caregiver Leave under FMLA.

Unlike FMLA, OFLA does not combine the leave entitlement when two or more family members work for the district. Under OFLA, family members who work for the district may be restricted from taking concurrent OFLA qualified leave.¹⁷

For the purposes of OMFLA, an eligible employee is entitled to 14 days of leave per call or order to active duty or notification of a leave from deployment. When an employee also meets the eligibility requirements of OFLA, the duration of the OMFLA leave counts toward that employee's leave entitlement during the designated leave period.

Qualified leave under FMLA and OFLA for an eligible employee will run concurrently during the designated leave period if for the same qualifying reason. Qualified leave under FMLA will run concurrently with other qualified leave covered under Paid Family and Medical Leave Insurance (PFMLI) and/or available sick leave under ORS 653.601 - 653.661 for eligible employees. Qualified leave under OFLA may also run concurrently with leave taken under the sick time law in ORS 653.601 - 653.661 if for the same qualifying reason, but not concurrent with PFMLI.

For the purpose of tracking the number of leave hours an eligible employee is entitled and/or has used during each week of the employee's leave, leave entitlement is calculated by multiplying the number of hours the eligible employee normally works per week by 12¹⁸. If an employee's schedule varies from week-to-week, a weekly average of the hours worked over the 12 months worked prior to the beginning of the leave period shall be used for calculating the employee's normal workweek¹⁹. If an employee takes intermittent or reduced work schedule leave, only the actual number of hours of leave taken may be counted toward the 12 weeks of leave to which the employee is entitled.

Holidays which occur within the week taken as FMLA may be counted against FMLA entitlement.²⁰ However, for leave taken in increments of less than one week, holidays in which employees generally are not expected to report do not count against the employees FMLA leave entitlement.

Under OFLA, days in which the district is not in operation, are not counted toward intermittent or reduced work schedule OFLA leave.

Intermittent Leave

[With the exception of parental leave under FMLA which must be taken in one continuous block of time, a]n eligible employee is permitted under FMLA or OFLA to take intermittent leave for any qualifying reason.

¹⁷ Exceptions to the ability to require family members to take OFLA qualified leave at different times are when one employee needs to care for a child for a purpose described in ORS 659A.159 (1)(a) while another employee is taking pregnancy disability leave or, one or more of the employees is taking bereavement leave.

¹⁸ For example, an employee normally employed to work 30 hours per week is entitled to 12 times 30 hours, or a total of 360 hours of leave.

¹⁹ For example, an employee working an average of 25 hours per week is entitled to 12 times 25 hours, or a total of 300 hours of leave.

²⁰ See 29 CFR § 825.200(h).

Intermittent leave is taken in separate periods of time (i.e., hours, days, weeks, etc.), rather than in one continuous period of time, and/or requiring an altered or reduced work schedule. For OFLA this includes but is not limited to sick child leave taken requiring an altered or reduced work schedule because the intermittent or recurring closure of a child's school or child care provider due to a statewide public health emergency declared by a public health official.

When an exempt employee is eligible for both OFLA and FMLA leave, and the employee takes intermittent leave in blocks of less than one day, if done in accordance with 29 CFR § 825.206, the district may reduce the employee's salary for the part-day absence without the loss of the employee's exempt status in accordance with OAR 839-020-0004(32).

When an exempt employee is eligible for OFLA leave but not FMLA leave, and the employee takes intermittent leave in blocks of less than one day, the district will jeopardize the employee's exempt status if the district reduces the employee's salary for the part-day absence.

An employee's FMLA and/or OFLA intermittent leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

Alternate Work Assignment

Under FMLA, the district may transfer an employee taking intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment to an alternate position for which the employee is qualified and which better accommodates an employee's recovery from a serious health condition, a serious health condition of a spouse, parent, or child, or a serious injury or illness of a covered servicemember. However, the district may not transfer the employee to an alternative position in order to discourage the employee from taking leave or otherwise work a hardship on the employee.

Under FMLA, when an employee who is taking leave intermittently or on a reduced leave schedule and has been transferred to an alternative position no longer needs to continue on leave and is able to return to full-time work, the employee will be placed in the same or equivalent job as the job they left when the leave commenced. An employee may not be required to take more leave than necessary to address the circumstance that precipitated the need for leave.

Under OFLA, the district may transfer an employee on intermittent OFLA leave or reduced work schedule into an alternate position with the same or different duties to accommodate leave, provided:

1. The employee accepts the position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary to accommodate the leave and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreement, as well as with state and federal law;
4. The transfer to an alternate position is used only when there is no other reasonable option available that would allow the employee to use intermittent leave or reduced work schedule; and

5. The transfer is not used to discourage the employee from taking leave or to create a hardship for the employee.

Under OFLA, an employee transferred to an alternate position for the purpose of a reduced work schedule must be returned to the employee's former position when the employee notifies the employer that the employee is ready to return to the former position at the end of the alternate duty leave.

The district may transfer an eligible employee to an alternate position that accommodates OFLA pregnancy disability leave provided:

1. The employee accepts the transfer position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreements, as well as with state and federal law;
4. The transfer is not used to discourage the employee from taking OFLA leave or to create a hardship for the employee.

Under OFLA, if an eligible employee is transferred to an alternative position and as a result the employee works fewer hours than the employee worked in the original position, the employee's OFLA leave time is determined by calculating the difference between the number of hours the employee worked in the original position and the number of hours the employee actually works in the alternative position.

An employee is not on OFLA leave if the employee has been transferred – as provided for in OAR 839-009-0245 (5) – to an alternate position for the purpose of alternate work duties that the employee is able to perform within the limitations of the employee's pregnancy disability, but not requiring a reduced workweek. An employee working in an alternate position retains the right to return to the employee's original position at any time during the employee's OFLA leave. This does not impair the right of an employee to a reasonable accommodation or the application of any other state or federal law.

Special Rules for School Employees

For the purposes of FMLA, "instructional employee" means those whose principal function is to teach and instruct students in a class, a small group or an individual setting. Athletic coaches, driving instructors and special education assistants, such as signers for the hearing impaired, are included in this definition. This definition does not include teacher assistants or aides who do not have as their principal job actual teaching or instructing, auxiliary personnel such as counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers or bus drivers.

FMLA leave that is taken for a period that ends with the school year and begins with the next semester is considered consecutive rather than intermittent. The period during the summer vacation when the employee would not have been required to report for duty is not counted against the employee's FMLA leave entitlement. In any such situation, the eligible instructional employee will receive any benefits during the break period that employees would normally receive if they had been working at the end of the school year.

1. Foreseeable Intermittent Leave Exceeding 20 Percent of Working Days

When the qualified leave is foreseeable, will encompass more than 20 percent of the eligible instructional employee's regular work schedule during the leave period, and the purpose of such leave is to care for a family member with a serious medical condition, for a covered servicemember or for the employee's own serious medical condition, the district may require the eligible instructional employee to choose either to:

- a. Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b. Temporarily transfer to an available alternate position for which the employee is qualified, which has equivalent pay and benefits, and which better accommodates recurring periods of leave than the employee's regular position.

If an instructional employee does not give required notice of foreseeable FMLA leave to be taken intermittently or on a reduced leave schedule, the district may require the employee to take leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the district may require the employee to delay the taking of leave until the notice provision is met.

2. Limitation on Leave Near the End of the Term²²

When an eligible instructional employee requests leave near the end of the term, the district may require the following:

- a. When the qualified leave begins more than five weeks before the end of the term, the district may require the employee to continue taking leave until the end of the term if:
 - (1) The leave will last at least three weeks; and
 - (2) The employee would return to work during the three-week period before the end of the term.
- b. When the qualified leave begins during a five-week period before the end of the term and the purpose of such leave is parental leave, for the serious health condition of a family member or to care for a covered servicemember, the eligible instructional employee may be required by the district to remain on leave until the end of the term if:
 - (1) The leave will last more than two weeks; and
 - (2) The employee would return to work during the two-week period before the end of the term.
- c. When the qualified leave begins within three weeks of the end of the term and the purpose of such leave is parental leave, for the serious health condition of a family member or to care for a covered servicemember, the eligible instructional employee may be required to remain on leave until the end of the term if the length of the leave will last more than five working days.

²² "Academic term" means the school semester, which typically ends near the end of the calendar year and the end of spring each school year. In no case may a school have more than two academic terms or semesters each year for purposes of FMLA. 29 CFR § 825.602(b)

If the district requires an eligible instructional employee to remain on leave until the end of the term as described above, additional leave required by the district until the end of the school term shall not count against the eligible instructional employee's leave entitlement.

For the purposes of OFLA leave, if an employee²³ begins a period of bereavement leave during the three-week period before the end of the term and the duration of the leave is greater than five working days, the district may require the employee continue on family leave until the end of the term.

Paid/Unpaid Leave

FMLA and OFLA do not require the district to pay an eligible employee who is on a qualified leave. Paid Family and Medical Leave Insurance (PFMLI) leave taken via Paid Leave Oregon or an equivalent plan will run concurrently with FMLA and leave available under ORS 653.601 - 653.661 when taken for the same purpose. An employee may elect to use any available accrued paid leave including personal, sick or vacation leave during the leave period [²⁴] ~~to the extent that the total combined amount of accrued paid leave and benefits received from PFMLI does not exceed an amount equal to the employee's full wage replacement during the period of leave.~~ [The total combined amount received by using accrued leave and PFMLI may exceed the employee's full wage replacement during the period of leave.] The district will notify the eligible employee when the requested leave has been designated as FMLA or OFLA leave and ask the employee about the use of available accrued paid leave.

Eligible employees taking OMFLA leave are entitled to use available accrued paid time off during the OMFLA leave period.

Benefits and Insurance

When an eligible employee returns to work following a FMLA-, OFLA- or OMFLA-qualified leave, the employee must be reinstated to the same position the employee held when the leave commenced, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

During an OFLA qualified leave an eligible employee does not accrue seniority or other benefits that would have accrued while the employee was working, unless the terms of a collective bargaining agreement, other agreement or other district policy provide otherwise.²⁵ The eligible employee is also subject to layoff to the same extent similarly situated employees not taking OFLA leave are subject unless the terms of an applicable collective bargaining agreement, other agreement or the district's policies provide otherwise.

For the purposes of FMLA and OFLA, the district will continue to pay the employer portion of the eligible employee's group health insurance contribution (if applicable) during the qualified leave period. The eligible employee is required to pay the employee portion of any such group health insurance contribution as a condition of continued coverage.

²³ Applies only to an employee who is employed principally in an instructional capacity by the district.

²⁴ {Select one of the two bracketed options based on district practice, i.e., keep the ending to this sentence OR delete this ending and keep the following bracketed sentence. See ORS 657B.030(2) for additional guidance.}

²⁵ See also ORS 342.934(4)(d) in reduction force situations.

For the purposes of FMLA qualified leave, the district's obligation to maintain the employee's group health insurance coverage will cease if the employee's contribution is remitted more than 30 calendar days late. The district will provide written notice that the premium payment is more than 30 calendar days late. Such notice will be provided within 15 calendar days before coverage is to cease.

For the purposes of OMFLA, the eligible employee is entitled to a continuation of benefits.

Fitness-for-Duty Verification

For purposes of FMLA, prior to the reinstatement of an employee following a leave which was the result of the employee's own serious health condition, the district may require the employee to obtain and present a Fitness-for-Duty Certification. If the district is going to require a Fitness-for-Duty Certification upon return to work, the district must notify the employee of such requirement when the leave is designated as FMLA leave and that failure to provide the certification may result in a delay or denial of reinstatement. Any costs associated with obtaining the certification shall be borne by the employee.

Application

For purposes of FMLA, an eligible employee requesting FMLA leave shall provide at least 30 days' notice prior to the leave date if the leave is foreseeable. The notice shall be written and include the anticipated start date, duration and reasons for the requested leave. When appropriate, the eligible employee must make a reasonable effort to schedule treatment, including intermittent leave and reduced leave, so as not to unduly disrupt the operation of the district.

For purposes of OFLA, an eligible employee shall provide at least [²⁶30] days' written notice of the need for foreseeable leave before starting family leave. An employee may commence family leave without prior notice in the event of: an unexpected illness, injury or condition of a child of the employee that requires home care; the death of a family member; the closure of the school or child care provider of the employee's child due to a public health emergency unless the declaration of the emergency was issued by the Governor at least 30 days before commencement of the leave; or an illness, injury or condition related to the employee's own pregnancy or childbirth that disables the employee from performing any available job duties offered by the district. If an employee commences leave without prior notice as allowed above, the employee must give oral notice²⁷ to the employer within 24 hours of the commencement of the leave and must provide the written notice within three days after returning to work. Failure of an employee to provide the required notice for leave may result in the district deducting up to three weeks from the employee's unused OFLA leave in that one-year leave period. The employee may be subject to disciplinary action for not following the district's notice procedures.

The district may request additional information²⁸ to determine the requested leave qualifies as FMLA or OFLA leave as provided by law. The district may designate the employee as provisionally on FMLA or OFLA leave until sufficient information is received to properly make a determination.

An eligible employee able to give advance notice of the need to take leave must follow the district's known, reasonable and customary procedures for requesting any kind of leave.

²⁶ {This number of days should align with the days provided in the leave request form.}

²⁷ Oral notice may be given by any other person on behalf of the employee taking the leave.

²⁸ See OAR 839-009-0260 for OFLA and 29 CFR § 825.305 et. al. for FMLA.

For the purposes of FMLA, if advance notice is not possible, an employee eligible for FMLA leave must provide notice as soon as practicable. “As soon as practicable,” for the purpose of FMLA leave, means as soon as both possible and practical, taking into account all of the facts and circumstances in the individual case. In most situations, as soon as practicable will be within one business day of an employee becoming aware of the need. Failure of an employee to provide the required notice for FMLA leave may result in the district delaying the employee’s leave up to 30 days after the notice is ultimately given.²⁹

For the purposes of OFLA, if an eligible employee is taking leave in an unforeseeable situation, an employee must give oral or written notice³⁰ within 24 hours before or after commencement of the leave.

In all cases, proper documentation must be submitted no later than three working days following the employee’s return to work.

For purposes of OMFLA, an employee must provide the district with notice of the intention to take leave within five business days of receiving official notice of an impending call or order to active duty or of a leave from deployment.

Verification

Under FMLA, the district may require an eligible employee to provide medical certification, when appropriate³¹, to support the stated reason for such leave. In most cases, the district will provide written notification to an employee of this requirement within five working days of the employee’s request for leave. The employee is required to submit such medical certification no later than 15 calendar days after receipt of the district’s notification that medical certification is required, unless not practicable. Any additional certifications, including second and third opinions, will be in accordance with applicable law.

Under OFLA, the district may require an eligible employee to provide medical verification, when appropriate³², to support the stated reason for qualifying OFLA leave. The district will provide written notification to an employee of this requirement and state the consequences for failure to provide the requested medical verification. If the employee gives advance written notice of foreseeable leave, the district may require the employee to provide medical verification for OFLA leave before the leave starts. If the employee begins unforeseeable OFLA leave without prior notice, the employee is required to submit such medical verification within 15 calendar days after receipt of the district’s request for medical verification. The employee may be subject to disciplinary action for not providing the requested medical verification.

For the purposes of OFLA qualified leave, costs associated with obtaining the medical verification shall be borne by the district or be paid as otherwise allowed by law. The district will not delay the use of

²⁹ See 29 CFR § 825.304.

³⁰ Notice may be given by any other person on behalf of the employee taking the leave.

³¹ Medical verification is not allowed in every situation. Review current laws and guidance for more information.

³² Medical verification is not allowed in every situation. Review current laws and guidance for more information. (OAR 839-009-0260)

qualifying OFLA leave when medical verification is not received before the commencement of unforeseeable leave. The district may not require an employee to obtain a second opinion.

Under OFLA, the district may request verification for the need for leave to care for a child who requires home care due to the closure of the child's school or child care provider as a result of a public health emergency. A request for verification may include a request for:

1. The name of the child requiring home care;
2. The name of the school or child care provider that is subject to the closure;
3. A statement from the employee that no other family member of the child is willing and able to care for the child; and
4. A statement that special circumstances exist that require the employee to provide home care for the child during the day, if the child is older than 14 years of age.

Posted Notice

The district will post the Bureau of Labor and Industries Family Leave notice in each building or worksite in an area that is accessible to and regularly frequented by employees.³³ The district will also post a notice explaining the provisions of FMLA and providing information concerning the procedures for filing complaints.³⁴

Record Keeping

The district will maintain all records as required by federal and state laws including dates leave is taken by employees, identified separately from other leave; hours/days of leave; copies of general and specific notices to employees, including Board policy(ies) and regulations; premium payments of employee health benefits while on leave and records of any disputes with employees regarding granting of leave.

Medical documentation will be maintained separately from personnel files as confidential medical records.

Federal vs. State Law

Both federal and state law contain provisions for family and medical leave. Federal regulations state an employer must comply with all leave laws; that the federal law does not supersede any provision of state law that provides greater family or medical leave rights than those established pursuant to federal law; and if leave qualifies for FMLA and OFLA leave, the leave used counts against the employee's entitlement under both laws. State law requires that FMLA and state leave entitlements run concurrently when for the same purpose.

- Expanded the district's surveillance system by installing additional security cameras.
- Redesigned the district's wireless network to provide more secure and reliable access. District-owned staff computers now authenticate automatically through machine certificates, while authorized staff personal devices use individual Active Directory credentials through the district's RADIUS server.
- Created new managed wireless configurations for student Chromebooks and iPads. Wireless credentials are deployed directly to the devices and are not displayed to students, reducing the likelihood of students obtaining and using the student-network password on unauthorized devices.
- Established certificate-enrollment and deployment processes to support secure staff wireless authentication.
- Completed a comprehensive Group Policy audit and cleanup. Redundant, obsolete, and conflicting policies were removed, reducing the environment from **28 Group Policy Objects to 12 clearly defined policies**. Remaining policies were reorganized and properly scoped for workstations, servers, printers, wireless access, drive mappings, certificates, and time synchronization.
- Created complete configuration reports and backups before removing legacy policies, providing documentation and a recovery path if needed.

Together, these projects improved device availability, student-device readiness, wireless security, printing controls, network manageability, surveillance coverage, and the overall consistency and reliability of the district's technology environment.

Preserving Student Instructional Time

Executive Order 26-06

Instructional Time

is critical for enhancing academic achievement, reducing educational inequality, and improving student outcomes.

Executive Order 26-06: Preserve a Baseline

Preserving Student Instructional Time

On April 16, 2026:

- Governor Kotek issued [EO 26-06 Preserving Student Instructional Time](#)
- The State Board of Education adopted:
 - A new temporary rule: [OAR 581-022-2323: Preserving Student Instructional Time](#)
 - Temporary revisions to:
 - [OAR 581-022-2320: Required Instructional Time](#)
 - [OAR 581-002-0035: Waivers](#)

The Four Objectives of the Temporary Rules

Prohibit Further Reductions

Districts and charter schools are prohibited from further reducing instructional time in the 2025-26 school year and moving forward.

Restore Reduced Time

If time was reduced in 25-26 or 26-27, it must be restored no later than the start of the 2027-28 school year.

Public Transparency

Requires public transparency if time is not restored. ODE will track and publish instructional time annually across all districts.

Limited Waivers

Waivers for instructional time requirements are strictly limited to declared national or state disasters or public health emergencies.

Next Steps for Districts and Charters Schools that Have Reduced Time in 2025-26 and/or 2026-27

- **STEP 1:** Engage with the local school board or governing body to determine whether to restore time.
 - Time must be restored to no less than 2024-25 planned levels by the start of the 2027-28 SY.
- **STEP 2:** Submit required documentation to ODE by July 15: Restoration plan OR evidence of public justification for not restoring time.
- Note: Reductions and restoration plans relative to the Executive Order will be discussed and determined using hours of ***student instructional time*** as the unit of measurement.

Definitions

Instructional Time

Defined in Division 22:
OAR 581-022-0102: Definitions
OAR 581-022-2320: Required
Instructional Time

Time in which students are both:

- Engaged in **regularly scheduled instruction, learning activities, or learning assessments**
- Learning under the direction of a licensed teacher or an EA under the supervision of a licensed teacher

Student Instructional Time

Defined in Executive Order 26-06

Think of it as **student contact time**, or the **total hours** students are at school “**bell-to-bell**,” including **recess, lunch, passing time, and hours of instructional time**

Has Our District/School Reduced Time?

Did we reduce instructional time in 2025-26 or for 2026-27? In other words:

- During the 2025-2026 school year, Blachly School District experienced a reduction of approximately 27.37 hours of student instructional time due exclusively to weather-related school closures and delayed starts. These schedule adjustments were implemented solely to ensure the safety of students and staff during hazardous weather and road conditions.
- The reduction was not the result of budget reductions, staffing shortages, collective bargaining agreements, or any district decision to permanently reduce instructional time.

FAQ: Impact of Unforeseen Closures

Q: How do closures due to inclement weather or other unforeseen events impact a district or public charter school's restoration plan?

A: Districts and public charter schools should continue to address closures due to inclement weather or other unforeseen circumstances as they have in the past.

Any district or charter school that has reduced time and subsequently submitted a restoration plan to ODE will need to adopt an academic calendar for 2027-28 that restores student instructional time to planned 2024-25 levels, regardless of whether the district or charter school experiences closures due to unforeseen events in the 2026-27 school year.

What Is Our District/School Student Instructional Time Planned for the 2027-2028 School Year?

- Grade Levels:
 - K-11: 1,137.13 instructional hours
 - 12: 1,106.40 instructional hours
- These instructional hours exceed the minimum instructional time required under Oregon's Division 22 Standards.

Decision Point: Restoration or Justification?

Recommendation → Public Justification

- The reduction in instructional time during the 2025-2026 school year resulted solely from unavoidable weather-related closures and delayed starts that were implemented to protect the health and safety of students and staff.
- The district's instructional calendar was not intentionally reduced as a result of budgetary, operational, or staffing decisions.
- Blachly School District continues to provide instructional hours that exceed Oregon's Division 22 minimum instructional time requirements.
- The district's adopted instructional calendar already provides instructional hours consistent with the district's planned instructional program, making an additional restoration plan unnecessary.
- The Board has determined that the district's adopted instructional calendar already provides students with a comprehensive instructional program that exceeds Oregon's minimum instructional time requirements. Because the loss of instructional time was temporary, weather-related, and not the result of a permanent reduction to the school calendar, additional restoration of instructional time is not warranted.

Questions

August 13, 2026

TO: Staff, Students, Parents, Guardians, and Community Members

RE: Blachly School District #90 Justification for the Decision Not to Restore Lost Student Instructional Time as Required by Executive Order 26-06 and OAR 581-022-2323

On April 16, 2026, Governor Tina Kotek issued Executive Order 26-06 to protect and restore student instructional time in Oregon schools, taking action to prioritize academic outcomes and ensure every student has access to consistent, high-quality learning. According to Section 4(c) of the Executive Order, *"If a district, at the direction of its board, chooses not to restore lost student instructional time, the district must publicly explain its justification for that choice."* OAR 581-022-2323 was subsequently adopted by the State Board of Education to implement the Executive Order.

Student instructional time is defined in OAR 581-022-2323 as the total hours students are in school, bell-to-bell, including recess, lunch, passing time, and instruction.

Amount of Student Instructional Time Reduced in the 2025-2026 School Year

During the 2025-2026 school year, Blachly School District experienced a reduction of approximately 27.37 hours of student instructional time due exclusively to weather-related school closures and delayed starts. These schedule adjustments were implemented solely to ensure the safety of students and staff during hazardous weather and road conditions. The reduction was not the result of budget reductions, staffing shortages, collective bargaining agreements, or any district decision to permanently reduce instructional time.

Amount of Student Instructional Time Planned for the 2027-2028 School Year

Blachly School District plans to provide instructional time consistent with its adopted instructional calendar, which includes:

- Grades K-11: 1,137.13 instructional hours
- Grade 12: 1,106.40 instructional hours

These instructional hours exceed the minimum instructional time required under Oregon's Division 22 Standards.

"A community is known by the schools it keeps"

Justification

On August 12, 2026, the Blachly School District Board of Directors approved the decision not to develop a separate instructional time restoration plan for the following reasons:

- The reduction in instructional time during the 2025-2026 school year resulted solely from unavoidable weather-related closures and delayed starts that were implemented to protect the health and safety of students and staff.
- The district's instructional calendar was not intentionally reduced as a result of budgetary, operational, or staffing decisions.
- Blachly School District continues to provide instructional hours that exceed Oregon's Division 22 minimum instructional time requirements.
- The district's adopted instructional calendar already provides instructional hours consistent with the district's planned instructional program, making an additional restoration plan unnecessary.
- The Board has determined that the district's adopted instructional calendar already provides students with a comprehensive instructional program that exceeds Oregon's minimum instructional time requirements. Because the loss of instructional time was temporary, weather-related, and not the result of a permanent reduction to the school calendar, additional restoration of instructional time is not warranted.

Blachly School District remains committed to providing high-quality educational opportunities while maintaining the safety and well-being of students and staff. When severe weather conditions occur, the district will continue to make decisions that prioritize student safety while ensuring compliance with Oregon's instructional time requirements.

Sincerely,

Brittany Bottensek
