TITLE: School Resource Officers Contract Renewal 2026-2027

TYPE: ☐ **OB** Action

PRESENTER: Todd Lechtenberg, Executive Director of Finance and Operations

BACKGROUND:

School Resource Officers (SROs) are sworn, licensed career peace officers with arrest powers who work full- or part-time in Minnesota public schools. SROs are also sometimes called School Liaison Officers. SROs are employed by municipal police departments, and a district may contract with one or more law enforcement agencies to provide SROs to work in the schools in the district. Most SROs carry a firearm, badge, cell phone, and handcuffs and about half dress in full uniform.

SROs must comply with the Minnesota Peace Officers Standards and Training Board requirements in rule for all licensed peace officers (Minn. Rules 6700.0700); there are no additional statutory or administrative requirements for training or certification specific to SROs.

RATIONALE:

The district has a long history of contracting with the City of Austin for 2 SROs. One is housed at Austin High School and the other is housed at Ellis Middle School. Both SROs serve the entire district with various tasks and responsibilities throughout the school year.

The proposed contract renewal for 2026-2027 remains consistent with prior years where the district pays 80% and 90%, respectively, of each SRO's salary and benefits.

RECOMMENDATION:

Recommend the School Board approve the 2026-2027 School Resource Officer contract with the City of Austin.

LETTER OF AGREEMENT

THIS AGREEMENT ("Agreement") is made effective as of the **1st day July 2026** by, between and among Independent School District No. 492 (the "District") and the City of Austin.

WHEREAS, the District desires to utilize the services of two (2) police liaison officers pursuant to the terms of this Agreement;

The City of Austin shall execute and deliver proper notice to the District that this Agreement constitutes a valid and binding obligation of the City of Austin for the time period stated.
2. In consideration of the full and complete performance of the agreed services in paragraph 1 hereof, District agrees to compensate the City of Austin amounts equal to the following: Eighty percent (80%) of the Ellis and Ninety percent (90%) Austin High School officer's salary and associated benefits. 4. The District reserves the right to extend the contract term basis, subject to the City of Austin's concurrence.
5. Either District or City of Austin may terminate the Term of Services under this Agreement at any time and for any reason by providing the other party with thirty (30) days written notice.

Further, either District or City of Austin may terminate the Term of Services under this Agreement by providing the other party with five (5) days written notice in the event the other party commits a material breach of this Agreement or otherwise fails to comply with its material obligations under this Agreement.

6.  - c. From time to time, other school employees may disclose educational records to the police liaison officers in their capacity as "school officials." Such disclosures shall comply with FERPA and with the MGDPA. Such disclosure shall not alter the fact that these records are education records and that FERPA and the MGDPA prohibit the police liaison officers from re-disclosing these records or from using them for any purpose other than the purpose for which the disclosure was made, unless there is prior written consent for such re-disclosure.

- d. The City of Austin hereby acknowledges the restrictions placed on the police liaison officers' access to and use of student records, as outlined in this section and as required by state and federal law. The District shall direct and supervise the police liaison officers' use and maintenance of education records.
8. Said Representative shall have final authority for acceptance of the City of Austin's services as satisfactory and shall certify acceptance on each invoice submitted by the City of Austin. The City of Austin shall not rely on the directives or interpretations of any other individual as representing the School District under this Agreement.
9. The City of Austin acknowledges and agrees that it and its employees and agents that are assigned to perform services under this Agreement shall comply with the policies set forth in Exhibit A hereto and with any amendments to those policies that are made during the term of this Agreement.

- b. Possesses all licenses, permits, approvals and other certificates necessary and required for performing the services pursuant to this Agreement;
 - c. That the two police liaison officers possess the proper skill, training including but not limited to the training required by Minn. Stat. §626.8482 Subd. 3 and 4, experience and background so as to be able to perform this Agreement in a competent and professional manner; and

TITLE: AIA Construction Manager as Adviser Agreement

TYPE: Action

PRESENTER: Todd Lechtenberg, Executive Director of Finance and Operations

BACKGROUND:

The Austin Public Schools Board of Education previously selected Knutson Construction through a competitive qualifications-based selection process to serve as the district's Construction Manager (CM) for upcoming Indoor Air Quality (IAQ) and restroom improvement projects. These projects are anticipated to occur over multiple years and will be funded through a combination of Long-Term Facilities Maintenance (LTFM), Indoor Air Quality (IAQ), and Capital Facilities revenue.

To formally establish the working relationship between the district and Knutson Construction, the district is requesting approval of an American Institute of Architects (AIA) Construction Manager as Adviser (CMA) Agreement. The AIA agreement is an industry-standard contract that clearly defines the roles, responsibilities, and expectations of both the district and the construction manager throughout the planning, design, bidding, and construction phases of each project.

RATIONALE:

Under this agreement, Knutson Construction will provide preconstruction services including cost estimating, scheduling, constructability reviews, value engineering, phasing recommendations, and coordination with the district's architects and consultants. During construction, Knutson will assist with bid management, contractor coordination, quality control, schedule oversight, and project administration while serving as an advisor to the district. This collaborative approach helps reduce project risk, improve cost certainty, minimize disruptions to school operations, and ensure projects are completed safely, on schedule, and within budget.

Approval of the AIA Construction Manager as Adviser Agreement will allow Knutson Construction to begin providing these services as the district advances the design and implementation of the IAQ and restroom improvement projects.

RECOMMENDATION:

Recommend the School Board approve the AIA Construction Manager as Adviser Agreement with Knutson Construction.

§ 4.2 Construction Manager's Additional Services

§ 4.2.1 The Construction Manager may provide Additional Services after execution of this Agreement, without invalidating this Agreement. § 4.2.2 Upon recognizing the need to perform the following Additional Services, the Construction Manager shall notify the Owner with reasonable promptness and explain the facts and circumstances giving rise to the need. The Construction Manager shall not proceed to provide the following Additional Services until the Construction Manager receives the Owner's written authorization:

- .1 Services necessitated by a change in the Initial Information, previous instructions or approvals given by the Owner, or a material change in the Project including size, quality, complexity, the Owner's schedule or budget for Cost of the Work, or procurement or delivery method, or bid packages in addition to those listed in Section 1.1.6. § 4.2.3 To avoid delay in the Construction Phase, the Construction Manager shall provide the following Additional Services, notify the Owner with reasonable promptness, and explain the facts and circumstances giving rise to the need. If, upon receipt of the Construction Manager's notice, the Owner determines that all or parts of the services are not required, the Owner shall give prompt written notice to the Construction Manager of the Owner's determination. The Owner shall compensate the Construction Manager for the services provided prior to the Construction Manager's receipt of the Owner's notice:

- .1 Providing assistance to the Initial Decision Maker in evaluating an extensive number of Claims submitted by a Contractor or others in connection with the Work.
- .2 Services required in an emergency to coordinate the activities of a Contractor or Contractors in the event of risk of personal injury or serious property damage, consistent with Section 3.3.15.

§ 4.2.5 If the services covered by this Agreement have not been completed within () months of the date of this Agreement,

through no fault of the Construction Manager, extension of the Construction Manager's services beyond that time shall be compensated as Additional Services.

ARTICLE 5 OWNER'S RESPONSIBILITIES

§ 5.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program, which shall set forth the Owner's objectives; schedule; constraints and criteria; special equipment; systems; and site requirements.

§ 5.2 The Owner shall establish the Owner's budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 6.1; (2) the Owner's other costs; and (3) reasonable contingencies related to all of these costs. The Owner shall update the Owner's budget for the Project as necessary throughout the duration of the Project until final completion. If the Owner significantly increases or decreases the Owner's budget for the Cost of the Work, the Owner shall notify the Construction Manager and Architect. The Owner and the Architect, in consultation with the Construction Manager, shall thereafter agree to a corresponding change in the Project's scope and quality.

§ 5.3 The Owner acknowledges that accelerated, phased, or fast-track design and construction provides a benefit, but also carries with it the risk of additional costs. If the Owner selects accelerated, phased or fast-track scheduling, the Owner agrees to include in the budget for the Project sufficient contingencies to cover such costs.

§ 5.4 The Owner shall retain an Architect to provide services, duties and responsibilities as described in AIA Document B132–2019, Standard Form of Agreement Between Owner and Architect, Construction Manager as Adviser Edition. The Owner shall provide the Construction Manager with a copy of the scope of services in the agreement executed between the Owner and Architect, and any further modifications to the Architect's scope of services in the agreement.

§ 5.5 The Owner shall identify a representative authorized to act on the Owner's behalf with respect to the Project. The Owner shall render decisions pertaining to documents the Construction Manager submits in a timely manner in order to avoid unreasonable delay in the orderly and sequential progress of the Construction Manager's services.

§ 5.6 Unless provided by the Construction Manager, the Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project, and a written legal description of the site. The surveys and legal information shall include, as applicable, grades and lines of streets, alleys, pavements and adjoining property and structures; designated wetlands; adjacent drainage; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries, and contours of the site; locations, dimensions, and other necessary data with respect to existing buildings, other improvements and trees; and information concerning available utility services and lines, both public and private, above and below grade, including inverts and depths. All the information on the survey shall be referenced to a Project benchmark.

§ 5.7 Unless provided by the Construction Manager, the Owner shall furnish services of geotechnical engineers, which may include test borings, test pits, determinations of soil bearing values, percolation tests, evaluations of hazardous materials, seismic evaluation, ground corrosion tests and resistivity tests, including necessary operations for anticipating subsoil conditions, with written reports and appropriate recommendations.

§ 5.8 The Owner shall provide the Supplemental Services designated as the Owner's responsibility in Section 4.1.1.

§ 5.9 If the Owner identified a Sustainable Objective in Article 1, the Owner shall fulfill its responsibilities as required in AIA Document E235™–2019, Sustainable Projects Exhibit, Construction Manager as Adviser Edition, attached to this Agreement.

§ 5.10 The Owner shall coordinate the services of its own consultants with those services provided by the Construction Manager. Upon the Construction Manager's request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner's consultants. The Owner shall furnish the services of consultants other than those designated as the responsibility of the Construction Manager in this Agreement, or authorize the Construction Manager to furnish them as an Additional Service, when the Construction Manager requests such services and demonstrates that they are reasonably required by the scope of the Project. The Owner shall require that its consultants and contractors maintain insurance, including professional liability insurance, as appropriate to the services or work provided.

§ 5.11 The Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests, tests for air and water pollution, and tests for hazardous materials.

§ 5.12 The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.

§ 5.13 The Owner shall provide prompt written notice to the Construction Manager and Architect if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Architect's Instruments of Service or any fault or defect in the Construction Manager's services.

§ 5.14 The Owner reserves the right to perform construction and operations related to the Project with the Owner's own forces, and to award contracts in connection with the Project which are not part of the Construction Manager's responsibilities under this Agreement. The Construction Manager shall notify the Owner if any such independent action will interfere with the Construction Manager's ability to perform the Construction Manager's responsibilities under this Agreement. When performing construction or operations related to the Project, the Owner agrees to be subject to the same obligations and to have the same rights as the Contractors.

§ 5.15 The Owner shall communicate with the Contractors and the Construction Manager's consultants through the Construction Manager about matters arising out of or relating to the Contract Documents. The Owner and Construction Manager shall include the Architect in all communications that relate to or affect the Architect's services or professional responsibilities. The Owner shall promptly notify the Architect of the substance of any direct communications between the Owner and the Construction Manager otherwise relating to the Project. Communications by and with the Architect's consultants shall be through the Architect.

§ 5.16 Before executing the Contracts for Construction, the Owner shall coordinate the Construction Manager's duties and responsibilities set forth in the Contracts for Construction with the Construction Manager's services set forth in this Agreement. The Owner shall provide the Construction Manager a copy of the executed agreements between the Owner and Contractors, including the General Conditions of the Contracts for Construction.

§ 5.17 The Owner shall provide the Construction Manager access to the Project site prior to commencement of the Work and shall obligate the Contractors to provide the Construction Manager access to the Work wherever it is in preparation or progress.

§ 5.18 Within 15 days after receipt of a written request from the Construction Manager, the Owner shall furnish the requested information as necessary and relevant for the Construction Manager to evaluate, give notice of, or enforce lien rights.

ARTICLE 6 COST OF THE WORK

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include the Contractors' general conditions costs, overhead and profit. The Cost of the Work also includes the reasonable value of labor, materials, and equipment, donated to, or otherwise furnished by, the Owner. The Cost of the Work includes the compensation of the Construction Manager and Construction Manager's Consultants during the Construction Phase only, including compensation for reimbursable expenses at the job site, if any. The Cost of the Work does not include the compensation of the Architect; the costs of the land, rights-of-way, financing, or contingencies for changes in the Work; or other costs that are the responsibility of the Owner.

§ 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and shall be adjusted throughout the Project as required under Sections 5.2 and 6.4. Evaluations of the Owner's budget for the Cost of the Work, and the estimates of the Cost of the Work prepared by the Construction Manager, represent the Construction Manager's judgment as a person or entity familiar with the construction industry. It is recognized, however, that neither the Construction Manager nor the Owner has control over the cost of labor, materials; or equipment; the Contractors' methods of determining bid prices; or competitive bidding, market, or negotiating conditions. Accordingly, the Construction Manager cannot and does not warrant or represent that bids or negotiated prices will not vary from the Owner's budget for the Cost of the Work, or from any estimate of the Cost of the Work, or evaluation, prepared or agreed to by the Construction Manager.

§ 6.3 If the Architect is providing cost estimating services as a Supplemental Service, and a discrepancy exists between the Construction Manager's cost estimates and the Architect's cost estimates, the Construction Manager and the Architect shall work together to reconcile the cost estimates.

§ 6.4 If the Construction Manager's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Construction Manager, in consultation with the Architect, shall make appropriate recommendations to the Owner to adjust the Project's size, quality, or budget for the Cost of the Work, and the Owner shall cooperate with the Construction Manager and Architect in making such adjustments.

§ 6.5 If the Construction Manager's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Owner shall

- .1 give written approval of an increase in the budget for the Cost of the Work;
- .2 terminate in accordance with Section 9.5;
- .3 in consultation with the Construction Manager and Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or
- .4 implement any other mutually acceptable alternative.

§ 6.6 If the Owner chooses to revise the Project program, scope, or quality to reduce the Cost of the Work pursuant to Section 6.5.3, or if the bids or proposals received from the prospective Contractors, in the aggregate, exceed the Owner's budget for the Cost of the Work, and the Owner chooses to revise the Project program, scope, or quality to reduce the Cost of the Work, the Construction Manager shall cooperate with the Owner and Architect to develop the necessary revisions, update the cost estimate, and obtain additional bids. The Construction Manager will perform the services described in Sections 6.4 and 6.6 without additional compensation.

ARTICLE 7 COPYRIGHTS AND LICENSES

The Construction Manager and the Construction Manager's consultants, if any, shall not own or claim a copyright in the Instruments of Service. The Construction Manager, the Construction Manager's consultants, if any, and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

ARTICLE 8 CLAIMS AND DISPUTES

§ 8.1 General

§ 8.1.1 The Owner and Construction Manager shall commence all claims and causes of action against the other and arising out of or related to this Agreement, whether in contract, tort, or otherwise, in accordance with the requirements of the binding dispute resolution method selected in this Agreement and within the period specified by applicable law, but in any case not more than 10 years after the date of Substantial Completion of the Work. The Owner and Construction Manager waive all claims and causes of action not commenced in accordance with this Section 8.1.1.

§ 8.1.2 To the extent damages are covered by property insurance, the Owner and Construction Manager waive all rights against each other and against the contractors, consultants, agents, and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A232-2019, General Conditions of the Contract for Construction. The Owner or the Construction Manager, as appropriate, shall require of the contractors, consultants, agents, and employees of any of them, similar waivers in favor of the other parties enumerated herein.

§ 8.1.3 The Construction Manager shall indemnify and hold the Owner and the Owner's officers and employees harmless from and against damages, losses and judgments arising from claims by third parties, including reasonable attorneys' fees and expenses recoverable under applicable law, but only to the extent they are caused by the negligent acts or omissions of the Construction Manager, its employees and its consultants in the performance of professional services under this Agreement. The Construction Manager's obligation to indemnify and hold the Owner and the Owner's officers and employees harmless does not include a duty to defend. The Construction Manager's duty to indemnify the Owner under this Section 8.1.3 shall be limited to the available proceeds of the insurance coverage required by this Agreement.

§ 8.1.4 The Construction Manager and Owner waive consequential damages for claims, disputes, or other matters in question, arising out of or relating to this Agreement. This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination of this Agreement, except as specifically provided in Section 9.7.

§ 8.2 Mediation

§ 8.2.1 Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. If such matter relates to or is the subject of a lien arising out of the Construction Manager's services, the Construction Manager may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution.

§ 8.2.2 The Owner and Construction Manager shall endeavor to resolve claims, disputes and other matters in question between them by mediation, which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Mediation Procedures in effect on the date of this Agreement. A request for mediation shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the mediation. The request may be made concurrently with the filing of a complaint or other appropriate demand for binding dispute resolution but, in such event, mediation shall proceed in advance of binding dispute resolution proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration proceeding is stayed pursuant to this section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

§ 8.2.3 The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

§ 8.2.4 If the parties do not resolve a dispute through mediation pursuant to this Section 8.2, the method of binding dispute resolution shall be the following:
(Check the appropriate box.)

- ☐ Arbitration pursuant to Section 8.3 of this Agreement
- ☒ Litigation in a court of competent jurisdiction
- ☐ Other: (Specify)

If the Owner and Construction Manager do not select a method of binding dispute resolution, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, the dispute will be resolved in a court of competent jurisdiction.

§ 8.3 Arbitration

§ 8.3.1 If the parties have selected arbitration as the method for binding dispute resolution in this Agreement, any claim, dispute or other matter in question arising out of or related to this Agreement subject to, but not resolved by, mediation shall be subject to arbitration, which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Arbitration Rules in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

§ 8.3.1.1 A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the claim, dispute or other matter in question would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the claim, dispute or other matter in question.

§ 8.3.2 The foregoing agreement to arbitrate, and other agreements to arbitrate with an additional person or entity duly consented to by parties to this Agreement, shall be specifically enforceable in accordance with applicable law in any court having jurisdiction thereof.

§ 8.3.3 The award rendered by the arbitrator(s) shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

§ 8.3.4 Consolidation or Joinder

§ 8.3.4.1 Either party, at its sole discretion, may consolidate an arbitration conducted under this Agreement with any other arbitration to which it is a party provided that (1) the arbitration agreement governing the other arbitration permits consolidation; (2) the arbitrations to be consolidated substantially involve common questions of law or fact; and (3) the arbitrations employ materially similar procedural rules and methods for selecting arbitrator(s).

§ 8.3.4.2 Either party, at its sole discretion, may include by joinder persons or entities substantially involved in a common question of law or fact whose presence is required if complete relief is to be accorded in arbitration, provided that the

party sought to be joined consents in writing to such joinder. Consent to arbitration involving an additional person or entity shall not constitute consent to arbitration of any claim, dispute or other matter in question not described in the written consent.

§ 8.3.4.3 The Owner and Construction Manager grant to any person or entity made a party to an arbitration conducted under this Section 8.3, whether by joinder or consolidation, the same rights of joinder and consolidation as the Owner and Construction Manager under this Agreement.

§ 8.4 The provisions of this Article 8 shall survive the termination of this Agreement.

ARTICLE 9 TERMINATION OR SUSPENSION

§ 9.1 If the Owner fails to make payments to the Construction Manager in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Construction Manager's option, cause for suspension of performance of services under this Agreement. If the Construction Manager elects to suspend services, the Construction Manager shall give seven days' written notice to the Owner before suspending services. In the event of a suspension of services, the Construction Manager shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. Before resuming services, the Owner shall pay the Construction Manager all sums due prior to suspension and any expenses incurred in the interruption and resumption of the Construction Manager's services. The Construction Manager's fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.2 If the Owner suspends the Project, the Construction Manager shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the Construction Manager shall be compensated for expenses incurred in the interruption and resumption of the Construction Manager's services. The Construction Manager's fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.3 If the Owner suspends the Project for more than 90 cumulative days for reasons other than the fault of the Construction Manager, the Construction Manager may terminate this Agreement by giving not less than seven days' written notice.

§ 9.4 Either party may terminate this Agreement upon not less than seven days' written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.

§ 9.5 The Owner may terminate this Agreement upon not less than seven days' written notice to the Construction Manager for the Owner's convenience and without cause.

§ 9.6 If the Owner terminates this Agreement for its convenience pursuant to Section 9.5, or the Construction Manager terminates this Agreement pursuant to Section 9.3, the Owner shall compensate the Construction Manager for services performed prior to termination, Reimbursable Expenses incurred, and costs attributable to termination, including the costs attributable to the Construction Manager's termination of consultant agreements.

§ 9.7 In addition to any amounts paid under Section 9.6, if the Owner terminates this Agreement for its convenience pursuant to Section 9.5, or the Construction Manager terminates this Agreement pursuant to Section 9.3, the Owner shall pay to the Construction Manager the following termination fee:

(Set forth below the amount of any termination fee, or the method for determining any termination fee.)

N/A

§ 9.8 Except as otherwise expressly provided herein, this Agreement shall terminate one year from the date of Substantial Completion.

ARTICLE 10 MISCELLANEOUS PROVISIONS

§ 10.1 This Agreement shall be governed by the law of the place where the Project is located, excluding that jurisdiction's choice of law rules. If the parties have selected arbitration as the method of binding dispute resolution, the Federal Arbitration Act shall govern Section 8.3.

§ 10.2 Terms in this Agreement shall have the same meaning as those in AIA Document A232-2019, General Conditions of the Contract for Construction, except for purposes of this Agreement, the term "Work" shall include the work of all

Contractors under the administration of the Construction Manager and the Architect.

§ 10.3 The Owner and Construction Manager, respectively, bind themselves, their agents, successors, assigns, and legal representatives to this Agreement. Neither the Owner nor the Construction Manager shall assign this Agreement without the written consent of the other, except that the Owner may assign this Agreement to a lender providing financing for the Project if the lender agrees to assume the Owner's rights and obligations under this Agreement, including any payments due to the Construction Manager by the Owner prior to the assignment.

§ 10.4 If the Owner requests the Construction Manager to execute certificates, the proposed language of such certificates shall be submitted to the Construction Manager for review at least 14 days prior to the requested dates of execution. If the Owner requests the Construction Manager to execute consents reasonably required to facilitate assignment to a lender, the Construction Manager shall execute all such consents that are consistent with this Agreement, provided the proposed consent is submitted to the Construction Manager for review at least 14 days prior to execution. The Construction Manager shall not be required to execute certificates or consents that would require knowledge, services, or responsibilities beyond the scope of this Agreement.

§ 10.5 Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Owner or Construction Manager.

§ 10.6 Unless otherwise required in this Agreement, the Construction Manager shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

§ 10.7 The Construction Manager shall have the right to include photographic or artistic representations of the design of the Project among the Construction Manager's promotional and professional materials. The Construction Manager shall provide professional credit for the Architect and the Contractors in the Construction Manager's promotional materials for the Project. The Construction Manager shall be given reasonable access to the completed Project to make such representations. However, the Construction Manager's materials shall not include the Owner's confidential or proprietary information if the Owner has previously advised the Construction Manager in writing of the specific information considered by the Owner to be confidential or proprietary. The Owner shall provide professional credit for the Construction Manager in the Owner's promotional materials for the Project. This Section 10.7 shall survive the termination of this Agreement unless the Owner terminates this Agreement for cause pursuant to Section 9.4.

§ 10.8 If the Construction Manager or Owner receives information specifically designated as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except as set forth in Section 10.8.1. This Section 10.8 shall survive the termination of this Agreement.

§ 10.8.1 The receiving party may disclose "confidential" or "business proprietary" information after 7 days' notice to the other party, when required by law, arbitrator's order, or court order, including a subpoena or other form of compulsory legal process issued by a court or governmental entity, or to the extent such information is reasonably necessary for the receiving party to defend itself in any dispute. The receiving party may also disclose such information to its employees, consultants, or contractors in order to perform services or work solely and exclusively for the Project, provided those employees, consultants and contractors are subject to the restrictions on the disclosure and use of such information as set forth in this Section 10.8.

§ 10.9 The invalidity of any provision of the Agreement shall not invalidate the Agreement or its remaining provisions. If it is determined that any provision of the Agreement violates any law, or is otherwise invalid or unenforceable, then that provision shall be revised to the extent necessary to make that provision legal and enforceable. In such case the Agreement shall be construed, to the fullest extent permitted by law, to give effect to the parties' intentions and purposes in executing the Agreement.

TITLE: Exclusive Beverage Agreement

TYPE: Action

PRESENTER: Todd Lechtenberg, Executive Director of Finance and Operations

BACKGROUND:

Exclusive beverage contracts are common among Minnesota public school districts and are generally awarded through a competitive Request for Proposal (RFP) process. Evaluations typically consider not only the financial value of each proposal but also the vendor's ability to provide reliable service, equipment maintenance, product availability, customer support, and community partnerships. Districts also ensure that all beverage offerings comply with applicable federal and state nutrition standards, including the USDA Smart Snacks in School requirements where applicable.

These partnerships typically include financial incentives such as annual sponsorship payments, commission revenue from vending sales, equipment provided at little or no cost, marketing support for district events, and product donations for student activities and community events. In return, the district agrees to purchase and sell beverages from the selected vendor in accordance with the terms of the agreement.

RATIONALE:

Following the receipt and evaluation of proposals from both Pepsi and Coca-Cola, the district entered into negotiations with Pepsi for an exclusive beverage agreement. The proposed agreement will be in effect for a two-year term, covering the 2026–2027 and 2027–2028 school years.

Key provisions of the agreement include:

- Pepsi will supply, install, maintain, and repair beverage equipment at no cost to the district.
- Pepsi will provide the district with an annual sponsorship payment of \$1,500.
- The district will receive rebates on each case of qualifying beverage products purchased.

- Pepsi will design and print up to five promotional banners annually at no cost to the district for use at school events and facilities.

This agreement provides the district with operational efficiencies, financial benefits, and marketing support while ensuring reliable beverage service across district facilities.

RECOMMENDATION:

Recommend the School Board approve the 2026-2027 and 2027-2028 exclusive beverage agreement between Pepsi and Austin Public Schools.

RESOLUTION RELATING TO \$9,565,000 GENERAL OBLIGATION FACILITIES MAINTENANCE AND TAX ABATEMENT BONDS, SERIES 2026A; RATIFYING THE AWARD OF SALE, PRESCRIBING THE FORM AND DETAILS AND PROVIDING FOR THE PAYMENT THEREOF

BE IT RESOLVED by the School Board (the Board) of Independent School District No. 492 (Austin), Minnesota (the District), as follows:

SECTION 1. AUTHORIZATION AND SALE.

1.01. Authorization. By resolution duly adopted on April 13, 2026 (the Parameters Resolution), this Board authorized the sale of its General Obligation Facilities Maintenance and Tax Abatement Bonds in an aggregate principal amount not to exceed \$10,000,000 (the Bonds), provided that a favorable recommendation to accept the proposal is received from PMA Securities, LLC, in Albertville, Minnesota (PMA), as independent municipal advisor in connection with the sale of the Bonds, and the true interest cost does not exceed 5.00%, and further authorized the Superintendent or Director of Finance and Operations and any Board officer to award the sale of the Bonds to the purchaser and execute a bond purchase agreement on the part of the District.

A portion of the proceeds of the Bonds (\$9,435,000) (the Facilities Maintenance Bonds) will be used to finance certain indoor air quality projects at District facilities (the Facilities Maintenance Projects) as described in the District's ten-year facility plan for Fiscal Year 2027 (the Facility Plan) approved by both this Board and the Commissioner of the Department of Education of the State of Minnesota (the Commissioner).

A portion of the proceeds of the Bonds (\$130,000) (the Tax Abatement Bonds) will be used to finance parking lot projects districtwide (the Tax Abatement Projects). To pay all or a portion of the costs of the Tax Abatement Projects or to pay a portion of the principal of and interest on general obligation bonds to be issued by the District to pay for the Tax Abatement Projects, this Board pursuant to the Abatement and Set Sale Resolution has granted an abatement of property taxes to be imposed by the District on certain parcels in the District identified in the Abatement and Set Sale Resolution (the Abated Parcels) for a period of three (3) years, commencing with taxes payable in 2027 and concluding with taxes payable in 2029 (the Tax Abatement), all pursuant to Minnesota Statutes, Sections 469.1812 to 469.1815, as amended. The revenues derived by the District from such Tax Abatement are referred to collectively herein as the Tax Abatement Revenue. The Tax Abatement Bonds will finance the Tax Abatement Projects including every item of cost of the kinds authorized in Minnesota Statutes, Section 469.1814, subdivision 5, benefiting the Abated Parcels.

The Facilities Maintenance Projects and the Tax Abatement Projects are referred to collectively herein as the Project.

A proposal that meets the requirements set forth in the Parameters Resolution has been received from Raymond James & Associates, Inc., in Dallas, Texas (the Purchaser). It is hereby determined to issue the Bonds at a purchase price of \$9,937,481.35 (representing the principal amount of \$9,565,000, plus original issue premium of \$433,697.35 and less an underwriter's discount of \$61,216.00) plus accrued interest, if any, and upon the further terms and conditions set forth herein.

The Bonds shall be issuable only in fully registered form. Interest shall be computed on the basis of a 360-day year composed of twelve 30-day months. The interest thereon and, upon surrender of each Bond, the principal amount thereof, shall be payable by check or draft issued by the Registrar described herein; provided that, so long as the Bonds are registered in the name of a securities depository, or a nominee thereof, in accordance with Section 2.08 hereof, principal and interest shall be payable in accordance with the operational arrangements of the securities depository.

2.03. Dates and Interest Payment Dates. Upon initial delivery of the Bonds pursuant to Section 2.07 and upon any subsequent transfer or exchange pursuant to Section 2.06, the date of authentication shall be noted on each Bond so delivered, exchanged or transferred. The Bonds maturing on and after February 1, 2036 shall be subject to redemption and prepayment at the option of the District, in whole or in part, in such order as the District shall determine and within a maturity by lot as selected by the Registrar in multiples of \$5,000, on February 1, 2035, and on any date thereafter, at a price equal to the principal amount thereof and accrued interest to the date of redemption. The Clerk shall cause notice of the call for redemption thereof to be published as required by law and, at least thirty (30) days prior to the designated redemption date, shall cause notice of the call for redemption to be mailed, by first class mail, to the registered owners of any Bonds to be redeemed at their addresses as they appear

on the bond register described in Section 2.06 hereof but no defect in or failure to give such mailed notice of redemption shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon partial redemption of any Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount outstanding.

2.05. Appointment of Initial Registrar. The District hereby appoints Zions Bancorporation, National Association, in Chicago, Illinois, as the initial bond registrar, transfer agent and paying agent (the Registrar). The Chairperson and the Clerk are authorized to execute and deliver, on behalf of the District, a contract with the Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company organized under the laws of the United States or one of the states of the United States and authorized by law to conduct such business, such corporation shall be authorized to act as successor Registrar. The District agrees to pay the reasonable and customary charges of the Registrar for the services performed. The District reserves the right to remove the Registrar upon thirty (30) days' notice and upon the appointment and acceptance of a successor Registrar, in which event the predecessor Registrar shall deliver all cash and Bonds in its possession to the successor Registrar and shall deliver the bond register to the successor Registrar.

2.06. Registration. The effect of registration and the rights and duties of the District and the Registrar with respect thereto shall be as follows:

(a) Register. The Registrar shall keep at its principal corporate trust office a bond register in which the Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until such interest payment date.

(c) Exchange of Bonds. Whenever any Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity, as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the District.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The District and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer or exchange of Bonds, the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the District and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the District. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it shall not be necessary to issue a new Bond prior to payment.

(i) Authenticating Agent. The Registrar is hereby designated authenticating agent for the Bonds, within the meaning of Minnesota Statutes, Section 475.55, subdivision 1, as amended.

(j) Valid Obligations. All Bonds issued upon any transfer or exchange of Bonds shall be the valid obligations of the District, evidencing the same debt, and entitled to the same benefits under this resolution as the Bonds surrendered upon such transfer or exchange.

2.07. Execution; Authentication and Delivery. The Bonds shall be prepared under the direction of the Clerk and shall be executed on behalf of the District by the signatures of the Chairperson and the Clerk, provided that all signatures may be printed, engraved, or lithographed

facsimiles of the originals. In case any officer whose signature, or a facsimile of whose signature, shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless and until a certificate of authentication on such Bond has been duly executed by the manual signature of the Registrar. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution. When the Bonds have been so delivered and authenticated, they shall be delivered by the Clerk to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser shall not be obligated to see to the application of the purchase price.

2.08. Securities Depository. (a) For purposes of this section the following terms shall have the following meanings:

“Beneficial Owner” shall mean, whenever used with respect to a Bond, the person in whose name such Bond is recorded as the beneficial owner of such Bond by a Participant on the records of such Participant, or such person’s subrogee.

“Cede & Co.” shall mean Cede & Co., the nominee of DTC, and any successor nominee of DTC with respect to the Bonds.

“DTC” shall mean The Depository Trust Company of New York, New York.

“Participant” shall mean any broker-dealer, bank or other financial institution for which DTC holds Bonds as securities depository.

“Representation Letter” shall mean the Representation Letter pursuant to which the District agrees to comply with DTC’s Operational Arrangements.

(b) The Bonds shall be initially issued as separately authenticated fully registered bonds, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the bond register in the name of Cede & Co., as nominee of DTC. The Registrar and the District may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the District shall be affected by any notice to the contrary. Neither the Registrar nor the District shall have any responsibility or obligation to any Participant, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant, or any other person which is not shown on the bond register as being a registered owner of any Bonds, with respect to the accuracy of any records maintained by DTC or any Participant, with respect to the payment by DTC or any Participant of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this resolution, with respect to the selection by DTC or any Participant of any person

to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken by DTC as registered owner of the Bonds. So long as any Bond is registered in the name of Cede & Co., as nominee of DTC, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Cede & Co. in accordance with DTC's Operational Arrangements, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than DTC shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the District to make payments of principal and interest. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to such new nominee in accordance with paragraph (e) hereof.

(c) In the event the District determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bonds in the form of bond certificates, the District may notify DTC and the Registrar, whereupon DTC shall notify the Participants of the availability through DTC of Bonds in the form of certificates. In such event, the Bonds will be transferable in accordance with paragraph (e) hereof. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the District and the Registrar and discharging its responsibilities with respect thereto under applicable law. In such event the Bonds will be transferable in accordance with paragraph (e) hereof.

(d) The execution and delivery of the Representation Letter to DTC by the Chairperson or Clerk, if not previously filed, or if required to be re-filed with DTC, is hereby authorized and directed.

(e) In the event that any transfer or exchange of Bonds is permitted under paragraph (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution. In the event Bonds in the form of certificates are issued to owners other than Cede & Co., its successor as nominee for DTC as owner of all the Bonds, or another securities depository as owner of all the Bonds, the provisions of this resolution shall also apply to all matters relating thereto, including, without limitation, the printing of such Bonds in the form of bond certificates and the method of payment of principal of and interest on such Bonds in the form of bond certificates.

SECTION 3. FORM OF BONDS. The Bonds shall be prepared in substantially the form found at EXHIBIT A hereto.

SECTION 4. USE OF PROCEEDS.

4.01. General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2026A Construction Fund. There is hereby established on the official books and records of the District a General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2026A Construction Fund (the Construction Fund), and the District shall continue to maintain the Construction Fund until payment of all costs and expenses incurred in connection with the Project financed by the Bonds have been paid. Within the Construction Fund are established the following accounts:

(a) Facilities Maintenance Bonds Account. To the Facilities Maintenance Bonds Account there shall be credited from the proceeds of the Facilities Maintenance Bonds in an amount equal to the estimated construction costs and expenses of the Facilities Maintenance Projects, and from the Facilities Maintenance Bonds Account there shall be paid all such construction costs and expenses. The Clerk shall maintain the Facilities Maintenance Bonds Account until payment of all costs and expenses incurred in connection with the construction of the Facilities Maintenance Projects have been paid.

(b) Tax Abatement Bonds Account. To the Tax Abatement Bonds Account there shall be credited from the proceeds of the Tax Abatement Bonds in an amount equal to the estimated construction costs and expenses of the Tax Abatement Projects, and from the Tax Abatement Bonds Account there shall be paid all such construction costs and expenses. The Clerk shall maintain the Tax Abatement Bonds Account until payment of all costs and expenses incurred in connection with the construction of the Tax Abatement Projects have been paid.

After payment of all such construction costs and expenses described in (a) and (b) above, the Construction Fund shall be discontinued and any Bond proceeds remaining therein shall be credited to the Debt Service Fund established by Section 4.02 hereof.

4.02. General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2026A Debt Service Fund. So long as any of the Bonds are outstanding and any principal of or interest thereon unpaid, the District shall maintain a separate debt service fund on the official books and records of the District to be known as the General Obligation Facilities Maintenance and Tax Abatement Bonds, Series 2026A Debt Service Fund (the Debt Service Fund), which the District agrees to maintain until the Bonds have been paid in full, and the principal of and interest on the Bonds shall be payable from the Debt Service Fund. Pursuant to Minnesota Statutes, Section 123B.595, subdivision 5(c), the portion of long-term facilities maintenance revenue for bonded debt must be recognized in the Debt Service Fund.

The moneys on hand in the Debt Service Fund from time to time shall be used only to pay the principal of and interest on the Bonds. Within the Debt Service Fund shall be established the following accounts:

- (a) Facilities Maintenance Bonds Account. The District irrevocably appropriates to the Facilities Maintenance Bonds Account:
- i. any funds received from the Purchaser upon delivery of the Facilities Maintenance Bonds in excess of (A) the amount required by Section 4.01(a) above to be credited to the Construction Fund and (B) the amount required to be set aside for payment of the costs of issuance of the Facilities Maintenance Bonds;
 - ii. the amounts specified in Section 4.01(a) above, after payment of all costs and expenses of the Facilities Maintenance Projects;
 - iii. amounts, if any, transferred from the general fund account for long-term facilities maintenance to the Facilities Maintenance Bonds Account of

the Debt Service Fund, pursuant to Minnesota Statutes, Section 123B.595, subdivision 10(a)(4);

- iv. any long-term facilities maintenance equalized aid receivable under Minnesota Statutes, Section 123B.595, subdivision 9;
- v. all taxes levied and collected in accordance with this resolution or any additional resolutions of the Board; and
- vi. all other moneys as shall be appropriated by the Board to the Facilities Maintenance Bonds Account of the Debt Service Fund from time to time.

(b) Tax Abatement Bonds Account. The District irrevocably appropriates to the Tax Abatement Bonds Account:

- i. any funds received from the Purchaser upon delivery of the Tax Abatement Bonds in excess of (A) the amount required by Section 4.01(b) above to be credited to the Tax Abatement Bonds Account and (B) the amount required to be set aside for payment of the costs of issuance of the Tax Abatement Bonds;
- ii. the amounts specified in Section 4.01(b) above, after payment of all costs and expenses of the Tax Abatement Projects;
- iii. all Tax Abatement Revenue received by the District;
- iv. all taxes levied and collected in accordance with this resolution or any additional resolutions of the Board; and
- v. all other moneys as shall be appropriated by the Board to the Tax Abatement Bonds Account of the Debt Service Fund from time to time.

If any payment of principal of and interest on the Bonds shall become due when there is not sufficient money in the Debt Service Fund to make such payment, the Clerk shall pay the same from any other available fund of the District, and such other fund shall be reimbursed for such advances out of the proceeds of the taxes levied for the payment of the Bonds when available. Pursuant to Minnesota Statutes, Section 123B.595, subdivision 12, the portion, if any, of long-term facilities maintenance revenue not recognized in the Debt Service Fund shall be maintained with the general fund of the District in a reserve account pledged to the payment of Facility Plan costs not financed by the Facilities Maintenance Bonds.

4.03. Tax Levies. For the prompt and full payment of the principal of and interest on the Bonds as the same respectively become due, the full faith, credit and taxing power of the District shall be and are hereby irrevocably pledged. In order to produce aggregate amounts which, together with the Tax Abatement Revenue, will produce amounts not less than five percent in excess of the amounts needed to meet when due the principal of and interest on the Bonds as required by Minnesota Statutes, Section 475.61, subdivision 1, there is hereby levied on all taxable

property in the District a direct, annual ad valorem tax which shall be spread upon the tax rolls for collection in the years and amounts as follows, as part of other general taxes of the District, as follows:

<u>Levy Years</u>	<u>Collection Years</u>	<u>Amount</u>
-------------------	-------------------------	---------------

(See attached levy computation)

The taxes shall be irrevocable as long as any of the Bonds are outstanding and unpaid; provided that the District reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61. If, as of the date tax levies are certified in any year, the sum of the balance in the Debt Service Fund plus any Tax Abatement Revenue to be received through the end of the following calendar year plus any ad valorem taxes theretofore levied for the payment of Bonds payable therefrom and collectible through the end of the following calendar year is not sufficient to pay when due all principal and interest to become due on all Bonds payable therefrom in said following calendar year, or the Debt Service Fund has incurred a deficiency in the manner provided in Section 4.02, an additional direct, irrevocable, ad valorem tax shall be levied on all taxable property within the corporate limits of the District for the purpose of restoring such accumulated or anticipated deficiency in accordance with the provisions of this resolution. Pursuant to Minnesota Statutes, Section 123B.595, subdivision 6, if the debt service revenue required to pay the principal and interest on the Facilities Maintenance Bonds exceeds the District's long-term facilities maintenance revenue for the same fiscal year, the District's general fund levy must be reduced by the amount of the excess.

4.04. Debt Service Fund Balance Restriction. In order to ensure compliance with the Internal Revenue Code of 1986 (the Code), and applicable Treasury Regulations (the Regulations), upon allocation of any funds to the Debt Service Fund, the balance then on hand in the Fund shall be ascertained. If it exceeds the amount of principal and interest on the Bonds to become due and payable through February 1 next following, plus a reasonable carryover equal to 1/12th of the debt service due in the following bond year, the excess shall (unless an opinion is otherwise received from bond counsel) be used to prepay or purchase Bonds, or invested at a yield which does not exceed the yield on the Bonds calculated in accordance with Section 148 of the Code.

SECTION 5. DEFEASANCE. When all of the Bonds have been discharged as provided in this section, all pledges, covenants and other rights granted by this resolution to the registered owners of the Bonds shall cease. The District may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full; or, if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Registrar a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The District may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Registrar on or before that date an amount equal to the principal, interest and redemption premium, if any, which are then due, provided that notice of such redemption has been duly given as provided herein. The District may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank or trust company qualified by law as an escrow agent for this purpose, cash or

securities which are authorized by law to be so deposited, bearing interest payable at such time and at such rates and maturing or callable at the holder's option on such dates as shall be required to pay all principal and interest to become due thereon to maturity or earlier designated redemption date. Provided, however, that if such deposit is made more than ninety days before the maturity date or specified redemption date of the Bonds to be discharged, the District shall have received a written opinion of Bond Counsel to the effect that such deposit does not adversely affect the exemption of interest on any Bonds from federal income taxation and a written report of an accountant or investment banking firm verifying that the deposit is sufficient to pay when due all of the principal and interest on the Bonds to be discharged on and before their maturity dates or earlier designated redemption date.

SECTION 6. TAX COVENANTS, ARBITRAGE MATTERS, REIMBURSEMENT AND CONTINUING DISCLOSURE.

6.01. Restrictive Action. The Project will be owned and maintained by the District and used to carry out its program of public education. The District shall not enter into any lease, management agreement, use agreement or other contract with any nongovernmental entity relating to the Project or a portion thereof which would cause the Bonds to be considered "private activity bonds" or "private loan bonds" pursuant to the provisions of Section 141 of the Code. The District covenants and agrees with the registered owners of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any actions that would cause interest on the Bonds to become includable in gross income of the recipient under the Code and applicable Regulations and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income of the recipient under the Code and the Regulations.

6.02. Arbitrage Certification. The Chairperson and Clerk being the officers of the District charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code and applicable Regulations stating the facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of the Code and the Regulations.

6.03. Arbitrage Rebate Exemption. (a) It is hereby found that the District has general taxing powers, that no Bond is a "private activity bond" within the meaning of Section 141 of the Code, that 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the District, and that the aggregate face amount of all tax-exempt obligations (other than private activity bonds) issued by the District and all subordinate entities thereof during calendar year 2026 is not reasonably expected to exceed \$5,000,000 plus the lesser of \$10,000,000 or so much of the aggregate face amount of the tax-exempt obligations as are attributable to financing or refinancing the construction of public school facilities. Therefore, pursuant to Section 148(f)(4)(D) of the Code, the District shall be treated as meeting the arbitrage rebate requirements of paragraphs (2) and (3) of Section 148(f) of the Code.

(b) If, notwithstanding the provisions of paragraph (a) of this Section 6.03, the arbitrage rebate provisions of Section 148(f) of the Code apply to the Bonds, the District hereby covenants

and agrees to make the determinations, retain records and rebate to the United States the amounts at the times and in the manner required by said Section 148(f).

6.04. Qualified Tax-Exempt Obligations. The Board hereby designates the Bonds as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code relating to the disallowance of interest expense for financial institutions, and hereby finds that the reasonably anticipated amount of tax-exempt obligations, which are not private activity bonds (not treating qualified 501(c)(3) bonds under Section 145 of the Code as private activity bonds for the purpose of this representation) which will be issued by the District and all subordinate entities during calendar year 2026 does not exceed \$10,000,000.

6.05. Reimbursement. The District certifies that the proceeds of the Bonds will not be used by the District to reimburse itself for any expenditure with respect to the Project which the District paid or will have paid more than 60 days prior to the issuance of the Bonds unless, with respect to such prior expenditures, the District shall have made a declaration of official intent which complies with the provisions of Section 1.150-2 of the Regulations; provided that this certification shall not apply (i) with respect to certain de minimis expenditures, if any, with respect to the Project meeting the requirements of Section 1.150-2(f)(1) of the Regulations, or (ii) with respect to “preliminary expenditures” for the Project as defined in Section 1.150-2(f)(2) of the Regulations, including engineering or architectural expenses and similar preparatory expenses, which in the aggregate do not exceed 20% of the “issue price” of the Bonds.

6.06. Continuing Disclosure.

(a) Purpose and Beneficiaries. To provide for the public availability of certain information relating to the Bonds and the security therefor and to permit the Purchaser and other participating underwriters in the primary offering of the Bonds to comply with amendments to Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 (17 C.F.R. § 240.15c2-12), relating to continuing disclosure (as in effect and interpreted from time to time, the Rule), which will enhance the marketability of the Bonds, the District hereby makes the following covenants and agreements for the benefit of the Owners (as hereinafter defined) from time to time of the outstanding Bonds. The District is the only obligated person in respect of the Bonds within the meaning of the Rule for purposes of identifying the entities in respect of which continuing disclosure must be made. If the District fails to comply with any provisions of this section, any person aggrieved thereby, including the Owners of any outstanding Bonds, may take whatever action at law or in equity may appear necessary or appropriate to enforce performance and observance of any agreement or covenant contained in this section, including an action for a writ of mandamus or specific performance. Direct, indirect, consequential and punitive damages shall not be recoverable for any default hereunder to the extent permitted by law. Notwithstanding anything to the contrary contained herein, in no event shall a default under this section constitute a default under the Bonds or under any other provision of this resolution. As used in this section, Owner or Bondowner means, in respect of a Bond, the registered owner or owners thereof appearing in the bond register maintained by the Registrar or any Beneficial Owner (as hereinafter defined) thereof, if such Beneficial Owner provides to the Registrar evidence of such beneficial ownership in form and substance reasonably satisfactory to the Registrar. As used herein, Beneficial Owner means, in respect of a Bond, any person or entity which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, such Bond

(including persons or entities holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of the Bond for federal income tax purposes.

(b) Information To Be Disclosed. The District will provide, in the manner set forth in subsection (c) hereof, either directly or indirectly through an agent designated by the District, the following information at the following times:

- (1) on or before twelve (12) months after the end of each fiscal year of the District, commencing with the fiscal year ending June 30, 2026, the following financial information and operating data in respect of the District (the Disclosure Information):
 - (A) the audited financial statements of the District for such fiscal year, prepared in accordance with generally accepted accounting principles in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise provided under Minnesota law, as in effect from time to time, or, if and to the extent such financial statements have not been prepared in accordance with such generally accepted accounting principles for reasons beyond the reasonable control of the District, noting the discrepancies therefrom and the effect thereof, and certified as to accuracy and completeness in all material respects by the fiscal officer of the District; and
 - (B) to the extent not included in the financial statements referred to in paragraph (A) hereof, the information for such fiscal year or for the period most recently available of the type contained in the Official Statement under the headings: “SOCIO-ECONOMIC CHARACTERISTICS – Major/Leading Employers;” “FINANCIAL INFORMATION;” and “SUMMARY OF DEBT AND DEBT STATISTICS,” which information may be unaudited.

Notwithstanding the foregoing paragraph, if the audited financial statements are not available by the date specified, the District shall provide on or before such date unaudited financial statements in the format required for the audited financial statements as part of the Disclosure Information and, within 10 days after the receipt thereof, the District shall provide the audited financial statements. Any or all of the Disclosure Information may be incorporated by reference, if it is updated as required hereby, from other documents, including official statements, which have been submitted to the Municipal Securities Rulemaking Board (the MSRB) through its Electronic Municipal Market Access System (EMMA) or the SEC. The District shall clearly identify in the Disclosure Information each document so incorporated by reference. If any part of the Disclosure Information can no longer be generated because the operations of the District have materially changed or been discontinued, such Disclosure Information need no longer be provided if the District includes in the Disclosure Information a statement to such effect; provided, however, if such operations have been replaced by other District operations in respect of which data is not included in the Disclosure Information and the District determines that certain specified data regarding such replacement operations would be a Material Fact (as defined in paragraph (2) hereof), then, from and after such determination, the Disclosure Information shall include such

additional specified data regarding the replacement operations. If the Disclosure Information is changed or this section is amended as permitted by this paragraph (b)(1) or subsection (d), then the District shall include in the next Disclosure Information to be delivered hereunder, to the extent necessary, an explanation of the reasons for the amendment and the effect of any change in the type of financial information or operating data provided.

- (2) In a timely manner, not in excess of 10 business days, to the MSRB through EMMA, notice of the occurrence of any of the following events (each a “Material Fact,” as hereinafter defined):
- (A) principal and interest payment delinquencies;
 - (B) non-payment related defaults, if material;
 - (C) unscheduled draws on debt service reserves reflecting financial difficulties;
 - (D) unscheduled draws on credit enhancements reflecting financial difficulties;
 - (E) substitution of credit or liquidity providers, or their failure to perform;
 - (F) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB), or other material notices or determinations with respect to the tax status of the Bonds or other material events affecting the tax status of the Bonds;
 - (G) modifications to rights of Bond holders, if material;
 - (H) Bond calls, if material and tender offers;
 - (I) defeasances;
 - (J) release, substitution, or sale of property securing repayment of the Bonds if material;
 - (K) rating changes;
 - (L) bankruptcy, insolvency, receivership, or similar event of the obligated person;
 - (M) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
 - (N) appointment of a successor or additional trustee or the change of name of a trustee, if material;
 - (O) incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the obligated person, any of which affect security holders, if material; “financial obligation” means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule; and

- (P) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the obligated person, any of which reflect financial difficulties.

As used herein, for those events that must be reported if material, a “Material Fact” is a fact as to which a substantial likelihood exists that a reasonably prudent investor would attach importance thereto in deciding to buy, hold or sell a Bond or, if not disclosed, would significantly alter the total information otherwise available to an investor from the Official Statement, information disclosed hereunder or information generally available to the public. Notwithstanding the foregoing sentence, a Material Fact is also a fact that would be deemed material for purposes of the purchase, holding or sale of a Bond within the meaning of applicable federal securities laws, as interpreted at the time of discovery of the occurrence of the event.

For the purposes of the event identified in (L) hereinabove, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

For purposes of the events identified in paragraphs (O) and (P) above, the term “financial obligation” means (i) a debt obligation; (ii) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) a guarantee of (i) or (ii). The term “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

- (3) In a timely manner, to the MSRB through EMMA, notice of the occurrence of any of the following events or conditions:
 - (A) the failure of the District to provide the Disclosure Information required under paragraph (b)(1) at the time specified thereunder;
 - (B) the amendment or supplementing of this section pursuant to subsection (d), together with a copy of such amendment or supplement and any explanation provided by the District under subsection (d)(2);
 - (C) the termination of the obligations of the District under this section pursuant to subsection (d);
 - (D) any change in the accounting principles pursuant to which the financial statements constituting a portion of the Disclosure Information are prepared; and
 - (E) any change in the fiscal year of the District.

(c) Manner of Disclosure.

- (1) The District agrees to make available to the MSRB through EMMA, in an electronic format as prescribed by the MSRB, the information described in subsection (b).
- (2) All documents provided to the MSRB pursuant to this subsection (c) shall be accompanied by identifying information as prescribed by the MSRB from time to time.

(d) Term; Amendments; Interpretation.

- (1) The covenants of the District in this section shall remain in effect so long as any Bonds are outstanding. Notwithstanding the preceding sentence, however, the obligations of the District under this section shall terminate and be without further effect as of any date on which the District delivers to the Registrar an opinion of Bond Counsel to the effect that, because of legislative action or final judicial or administrative actions or proceedings, the failure of the District to comply with the requirements of this section will not cause participating underwriters in the primary offering of the Bonds to be in violation of the Rule or other applicable requirements of the Securities Exchange Act of 1934, as amended, or any statutes or laws successory thereto or amendatory thereof.
- (2) This section (and the form and requirements of the Disclosure Information) may be amended or supplemented by the District from time to time, without notice to (except as provided in paragraph (c)(2) hereof) or the consent of the Owners of any Bonds, by a resolution of this Board filed in the office of the recording officer of the District accompanied by an opinion of Bond Counsel, who may rely on certificates of the District and others and the opinion may be subject to customary qualifications, to the effect that: (i) such amendment or supplement (a) is made in connection with a change in circumstances that arises from a change in law or regulation or a change in the identity, nature or status of the District or the type of operations conducted by the District, or (b) is required by, or better complies with, the provisions of paragraph (b)(5) of the Rule; (ii) this section as so amended or supplemented would have complied with the requirements of paragraph (b)(5) of the Rule at the time of the primary offering of the Bonds, giving effect to any change in circumstances applicable under clause (i)(a) and assuming that the Rule as in effect and interpreted at the time of the amendment or supplement was in effect at the time of the primary offering; and (iii) such amendment or supplement does not materially impair the interests of the Bondowners under the Rule.

If the Disclosure Information is so amended, the District agrees to provide, contemporaneously with the effectiveness of such amendment, an explanation of the reasons for the amendment and the effect, if any, of the change in the type of financial information or operating data being provided hereunder.

- (3) This section is entered into to comply with the continuing disclosure provisions of the Rule and should be construed so as to satisfy the requirements of paragraph (b)(5) of the Rule.

SECTION 7. CERTIFICATION OF PROCEEDINGS.

7.01. Filing with County Auditors. The Clerk is hereby authorized and directed to file with the County Auditors of Freeborn and Mower Counties a certified copy of this resolution together with such other information as the County Auditors shall require and to obtain from the County Auditors a certificate that the Bonds have been entered upon the bond registers and that the tax for the payment of the Bonds has been levied as required by law.

7.02. Certification of Proceedings. The officers of the District and the County Auditors are hereby authorized and directed to prepare and furnish to the Purchaser and to Dorsey & Whitney LLP, Bond Counsel, certified copies of all proceedings and records of the District relating to the Bonds and to the financial condition and affairs of the District, and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of the Bonds as they appear from the books and records under the officer's custody and control or as otherwise known to the them. All such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the District to the correctness of all statements contained herein.

7.03. Official Statement. The Executive Director of Finance and Operations is hereby authorized and directed to review and approve all necessary disclosures in connection with the issuance of the Bonds. PMA is hereby authorized, on behalf of the District, to prepare and distribute to the Purchaser of the Bonds, within seven business days from the sale date of the Bonds, a final official statement (the "Final Official Statement") listing the offering price, the interest rates, selling compensation, delivery date, the underwriters and such other information relating to the Bonds required to be included in the Final Official Statement by the Rule, in the form approved by the Executive Director of Finance and Operations. The Purchaser is hereby authorized to use and distribute the Final Official Statement in connection with the offering of the Bonds. The Executive Director of Finance and Operations is hereby authorized and directed to sign such certifications as may be necessary or required by counsel or the purchaser(s) with respect to the completeness and accuracy of the Preliminary Official Statement dated July 1, 2026, and the Final Official Statement to be dated on or around July 13, 2026. All actions heretofore or hereafter taken by District officers and staff, or by others acting on behalf of the District, with respect to the project to be financed with proceeds of the Bonds, the structuring of the financing, the marketing and sale of the Bonds, the preparation of legal documents and the consummation of the transaction contemplated by this resolution, including but not limited to the engagement of third-party advisors and counsel, are hereby ratified and approved in full.

SECTION 8. STATE PAYMENT; DISTRICT AND REGISTRAR OBLIGATIONS. The District hereby covenants and obligates itself to notify the Commissioner of any potential default in the payment of the principal of or interest on the Bonds and to use the provisions of Minnesota Statutes, Section 126C.55 (the State Payment Law), to guarantee, to the extent permitted by law, payment of the principal of and interest on the Bonds when due. The District further covenants to deposit with the Registrar not less than three business days prior to each February 1 and August 1

as set forth in Section 2.03 hereof, an amount sufficient to make that payment or to notify the Commissioner as provided in the State Payment Law that it will be unable to make all or a portion of such payment. The Registrar will notify the Commissioner if it becomes aware of a potential default in the payment of principal of and interest on the Bonds on any payment date or if, on the date two business days prior to the date on which a payment is due, there are insufficient funds on deposit with the Registrar to make the required payment on such date. The Registrar will cooperate with the District, the Commissioner and the Commissioner of Management and Budget in implementing the provisions of the State Payment Law. In the event that amounts sufficient to make any such interest or principal payment are held by an escrow or paying agent and invested as authorized by Minnesota Statutes, Chapter 475 and such escrow or paying agent is required to use proceeds from such investment to pay to the Registrar the amount necessary to pay such interest or principal on such payment date, then the requirements of the State Payment Law relating to the deposit of such amounts with the Registrar prior to the payment date of such interest or principal shall be deemed satisfied and neither the District nor the Registrar shall be required to notify the Commissioner that insufficient funds are available to pay such interest or principal on such payment date. The District shall do all other things which may be necessary to perform the Bonds hereby undertaken under the State Payment Law, including any requirements hereafter adopted by the Commissioner of Management and Budget or the Commissioner.

PRINCIPAL AMOUNT: [] DOLLARS

INDEPENDENT SCHOOL DISTRICT NO. 492 (AUSTIN), FREEBORN AND MOWER COUNTIES, STATE OF MINNESOTA (the District), acknowledges itself to be indebted and for value received hereby promises to pay to the registered owner specified above, or registered assigns, the principal sum specified above on the maturity date specified above, and to pay interest thereon from the date of original issue specified above, or from the most recent interest payment date to which interest has been paid or duly provided for, at the annual rate specified above, payable on February 1 and August 1 in each year, commencing August 1, 2027, to the person in whose name this Bond is registered at the close of business on the fifteenth day (whether or not a business day) of the immediately preceding month, all subject to the provisions referred to herein with respect to the redemption of the principal of this Bond prior to its stated maturity. The interest hereon and, upon presentation and surrender hereof at the principal office of the Registrar described below, the principal hereof, are payable in lawful money of the United States of America by check or draft drawn on Zions Bancorporation, National Association, in Chicago, Illinois, as bond registrar, transfer agent and paying agent, or its successor designated under the bond resolution described herein (the Registrar). For the prompt and full payment of such principal and interest as the same respectively become due, the full faith and credit and taxing powers of the District have been and are hereby irrevocably pledged.

This Bond is one of an issue in the aggregate principal amount of \$9,565,000 (the Bonds), issued by the District to provide funds to finance certain indoor air quality projects at District facilities and parking lot projects districtwide (the Tax Abatement Projects); and is issued pursuant to and in full conformity with a resolution adopted by the School Board adopted on July 14, 2026 (the Bond Resolution), and pursuant to and in full conformity with the Constitution and laws of the State of Minnesota thereunto enabling, including Minnesota Statutes, Section 123B.595, Sections 469.1812 to 469.1815, as amended, and Chapter 475. The Bonds are issuable only in fully registered form, in denominations of \$5,000 or any integral multiple thereof, of single maturities.

The Bonds maturing on and after February 1, 2036 are each subject to redemption and prepayment at the option of the District, in whole or in part, in such order as the District shall determine and, within a

maturity, by lot as selected by the Registrar in multiples of \$5,000, on February 1, 2035, and on any date thereafter, at a price equal to the principal amount thereof plus interest accrued to the date of redemption. The District will cause notice of the call for redemption to be published as required by law and, at least thirty (30) days prior to the designated redemption date, will cause notice of the call thereof to be mailed by first class mail to the registered owner of any Bond to be redeemed at the owner's address as it appears on the bond register maintained by the Registrar, but no defect in or failure to give such mailed notice of redemption shall affect the validity of proceedings for the redemption of any Bond not affected by such defect or failure. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the District shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon partial redemption of any Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount outstanding.

As provided in the Bond Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the District at the principal office of the Registrar, by the registered owner hereof in person or by the owner's attorney duly authorized in writing upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or the owner's attorney, and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange, the District will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee or governmental charge required to be paid with respect to such transfer or exchange.

The Bonds have been designated by the District as "qualified tax-exempt obligations" pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended.

The District and the Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the District nor the Registrar shall be affected by any notice to the contrary.

Notwithstanding any other provisions of this Bond, so long as this Bond is registered in the name of Cede & Co., as nominee of The Depository Trust Company, or in the name of any other nominee of The Depository Trust Company or other securities depository, the Registrar shall pay all principal of and interest on this Bond, and shall give all notices with respect to this Bond, only to Cede & Co. or other nominee in accordance with the operational arrangements of The Depository Trust Company or other securities depository as agreed to by the District.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that all acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to happen, to exist and to be performed precedent to and in the issuance of this Bond in order to make it a valid and binding general obligation of the District according to its terms have been done, have happened, do exist and have been performed in regular and due form, time and manner as so required; that, prior to the issuance hereof the District has pledged and appropriated to the debt service fund established for the payment of the portion of the Bonds that finance the Tax Abatement Projects, tax abatement revenue to be derived by the District from certain specified properties in the District; that, prior to the issuance hereof, a direct, annual, ad valorem tax has been duly levied upon all taxable property in the District for the years and in amounts not less than five percent in excess of sums, together with pledged tax abatement revenue, sufficient to pay the interest hereon and the principal hereof as the same respectively become due; that additional taxes, if needed to meet the principal and interest requirements of the Bonds, shall be levied upon all such property without

limitation as to rate or amount; and that the issuance of the Bonds does not cause the indebtedness of the District to exceed any constitutional or statutory limitation of indebtedness.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication hereon shall have been executed by the Registrar by manual signature of one of its authorized representatives.

IN WITNESS WHEREOF, Independent School District No. 492 (Austin), Freeborn and Mower Counties, State of Minnesota, by its School Board, has caused this Bond to be executed on its behalf by the facsimile signatures of the Chairperson and Clerk.
