OSSEO AREA SCHOOLS

SUPERINTENDENT'S OFFICE MEMORANDUM

TO: School Board Members
FROM: Cory McIntyre, Superintendent
SUBJECT: School Board Member Compensation 2023
DATE: January 6, 2023

Background

Annually, at the organizational meeting the School Board takes action regarding board member compensation.

Minnesota Statute §123B.09, Subd. 12 states: "The clerk, treasurer and superintendent of any district shall receive such compensation as may be fixed by the board. Unless otherwise provided by law, the other members of the board shall also receive such compensation as may be fixed by the board."

In January 2016, the board approved compensation for the School Board Chair at \$800 per month; for the School Board Clerk at \$725 per month; and for other persons on the School Board at \$700 per month for the 2016 calendar year. In addition, the board approved \$50 per month for each board member as reimbursement of incidental expenses (including in-district mileage) incurred as a result of attendance at School Board and other related meetings. The combined monthly compensation totaled \$850 for the Board Chair; \$775 for the Board Clerk; and \$750 for other board members. Compensation has remained at those levels since 2016.

Recommendation

I recommend maintaining a compensation structure that includes both a base rate and a monthly reimbursement for in-district mileage and incidental expenses, with specific amounts for each being approved at the annual organizational meeting. Maintaining a separate component for expenses helps to ensure clarity.

January 3, 2023

To the School Board and Management of
Independent School District No. 279
11200 – 93rd Avenue North
Maple Grove, MN 55369

Dear School Board Members and Management:

We are pleased to confirm our understanding of the services we are to provide Independent School District No. 279 (the District) for the year ending June 30, 2023.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information, including the disclosures, which collectively comprise the basic financial statements, of the District as of and for the year ending June 30, 2023. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management’s discussion and analysis (MD&A), to supplement the District’s basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board (GASB), who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to District’s RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide U.S. generally accepted accounting principles (GAAP) and will be subjected to certain limited procedures, but will not be audited:

- 1) MD&A
- 2) GASB-required supplementary pension and other post-employment benefits information (as needed)

We have also been engaged to report on supplementary information, other than RSI, that accompanies District’s financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America (GAAS), and we will provide an opinion on it in relation to the financial statements as a whole, in a separate written report accompanying our auditor’s report on the financial statements OR in a report combined with our auditor’s report on the financial statements:

- 1) Combining and individual fund statements and schedules
- 2) Schedule of Expenditures of Federal Awards
- 3) Uniform Financial Accounting and Reporting Standards Compliance Table

In connection with our audit of the basic financial statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

- 1) Introductory section
- 2) Statistical section

We will perform the required State Legal Compliance Audit conducted in accordance with auditing standards generally accepted in the United States of America and the provisions of the *Legal Compliance Audit Guide*, promulgated by the State Auditor pursuant to Minnesota Statutes § 6.65, and will include such tests of the accounting records and other procedures we consider necessary to enable us to conclude that, for the items tested, the District has complied with the material terms and conditions of applicable legal provisions.

We will also prepare a management report for the District's School Board and administration. This report will communicate such things as our concerns regarding accounting procedures or policies brought to our attention during our audit, along with recommendations for improvements. The report will also contain certain financial comparisons and analysis, and other information of interest.

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts; and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have identified the following significant risk(s) of material misstatement as part of our audit planning:

- 1) Management override of controls
- 2) Constructed capital asset additions

At this time, audit planning has not concluded and modifications may be made to significant risks of material misstatement. If modifications are made, we will communicate them to you.

Audit Procedures – Internal Control

We will obtain an understanding of the government and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under the American Institute of Certified Public Accountants (AICPA) professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures – Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *Office of Management and Budget Compliance Supplement (OMB Compliance Supplement)* for the types of compliance requirements that could have a direct and material effect on each of the District's major programs. For federal programs that are included in the *OMB Compliance Supplement*, our compliance and internal control procedures will relate to the compliance requirements that the *OMB Compliance Supplement* identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the District's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, Schedule of Expenditures of Federal Awards, Data Collection Form, and related notes of the District in conformity with accounting principles generally accepted in the United States of America and the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, Schedule of Expenditures of Federal Awards, Data Collection Form, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, Schedule of Expenditures of Federal Awards, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; and for compliance with applicable laws and regulations (including federal statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, Schedule of Expenditures of Federal Awards, Data Collection Form, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; Schedule of Expenditures of Federal Awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the District involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the District received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the District complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review at the scheduled time of our audit.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the Schedule of Expenditures of Federal Awards (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the Schedule of Expenditures of Federal Awards in any document that contains, and indicates that we have reported on, the Schedule of Expenditures of Federal Awards. You also agree to include the audited financial statements with any presentation of the Schedule of Expenditures of Federal Awards that includes our report thereon OR make the audited financial statements readily available to intended users of the Schedule of Expenditures of Federal Awards no later than the date the Schedule of Expenditures of Federal Awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the Schedule of Expenditures of Federal Awards in accordance with the Uniform Guidance; (2) you believe the Schedule of Expenditures of Federal Awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the Schedule of Expenditures of Federal Awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon OR make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities for the financial statements, Schedule of Expenditures of Federal Awards, Data Collection Form, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the Schedule of Expenditures of Federal Awards, Data Collection Form, and related notes and that you have reviewed and approved the financial statements, the Schedule of Expenditures of Federal Awards, Data Collection Form, and related notes prior to their issuance and have accepted responsibility for them. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Malloy, Montague, Karnowski, Radosevich & Co., P.A. (MMKR) and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a cognizant or oversight agency for audit or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of MMKR personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the cognizant agency, oversight agency for audit, or pass-through entity. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

James H. Eichten, CPA, is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. We expect to begin our audit shortly after the end of the fiscal year and to issue our report no later than December 31, 2023.

Our fees for these services will be based on the actual time spent at our standard hourly rates. We will also bill you for travel and other out-of-pocket costs such as report production, typing, and postage. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable upon presentation. Unless additional work is requested or circumstances require additional work, we estimate that the basic audit fees (including the preparation of a management report) will be \$52,500 plus direct reimbursable expenses.

The fees quoted above include an estimate for a Single Audit of Federal Awards Expenditures, based on a typical year for your district. With the significant amount of new federal funding available to Minnesota school districts for the fiscal year ended June 30, 2022, the number of programs required to be tested and time to complete may increase over the prior year. Any additional testing required will be billed at our standard hourly rates.

In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination.

The fees charged are based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If we find that additional audit procedures are required, or if additional services are requested by the District, those services will be billed at our standard hourly rates. Additional audit procedures might be required for certain accounting issues or events such as new contractual agreements, new accounting and auditing standards, transactions and legal requirements of new bond issues, new funds, major capital projects, or if there is an indication of misappropriation or misuse of public funds, or if significant difficulties are encountered due to the lack of accounting records, incomplete records, or turnover in the District's staff. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

During the year, you might request additional services such as routine advice, assistance in implementing audit recommendations, review of your projections or budgets, and other similar projects. Independence standards allow us to perform these routine services; however, it is important that you understand that we are not allowed to make management decisions, perform management functions, nor can we audit our own work or provide nonaudit services that are significant to the subject matter of the audit.

Our audit engagement ends on delivery of our audit report. Any follow-up services that might be required will be a separate, new engagement. The terms and conditions of that new engagement will be governed by a new, specific engagement letter for that service.

Please be aware that e-mail is not a secure method of transmitting data. It can be intercepted, read, and possibly changed. Due to the large volume of e-mails sent daily, the likelihood of someone intercepting your e-mail is relatively small, but it does exist. We will communicate with you via e-mail, if you are willing to accept this risk.

To ensure that MMKR's independence is not impaired under the AICPA Code of Professional Conduct, you agree to inform the engagement principal before entering into any substantive employment discussions with any of our personnel.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

If you intend to publish or otherwise reproduce the financial statements, such as in a bond statement, and make reference to our firm name, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

If a dispute occurs related in any way to our services, our firm and the District agree to discuss the dispute and, if necessary, to promptly mediate in a good faith effort to resolve it. We will agree on a mediator, but if we cannot, either of us may apply to a court having personal jurisdiction over the parties for appointment of a mediator. We will share the mediator's fees and expenses equally, but otherwise will bear our own attorney fees and costs of the mediation. Participation in such mediation shall be a condition to either of us initiating litigation. To allow time for the mediation, any applicable statute of limitations shall be tolled for a period not to exceed 120 days from the date either of us first requests in writing to mediate the dispute.

The mediation shall be confidential in all respects, as allowed or required by law, except that our final settlement positions at mediation shall be admissible in litigation solely to determine the identity of the prevailing party for purposes of the awarding of attorney fees.

We both recognize the importance of performing our obligations under this agreement in a timely way and fully cooperating with the other. In the event that either of us fails to timely perform or fully cooperate, the other party may, in its sole discretion, elect to suspend performance or terminate the agreement regardless of the prejudice to the other person. We agree we will give 10 days' written notice of an intent to suspend or terminate, specifying the grounds for our decision, and will give the other an opportunity to cure the circumstances cited as grounds for that decision. In the event of suspension or termination, all fees and costs are immediately due on billing.

We agree that it is important that disputes be discussed and resolved promptly. For that reason, we agree that, notwithstanding any other statutes of limitations or court decisions concerning them, all claims either of us may have will be barred unless brought within one year of the date the complaining party first incurs any damage of any kind, whether discovered or not, related in any way to acts or omissions of the other party, whether or not the complaining party seeks recovery for that first damage and whether or not we have continued to maintain a business relationship after the first damage occurred. Notwithstanding anything in this letter to the contrary we agree that regardless of where the District is located, or where this agreement is physically signed, this agreement shall have been deemed to have been entered into at our office in Hennepin County, Minnesota, and Hennepin County shall be the exclusive venue and jurisdiction for resolving disputes related to this agreement. This agreement shall be interpreted and governed under the laws of Minnesota.

When requested, *Government Auditing Standards* require that we provide you with a copy of our most recent external peer review report and any subsequent peer review reports received during the period of the contract. Our most recent peer review report accompanies this letter.

Reporting

We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the School Board and management of the District. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis of matter or other matters paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

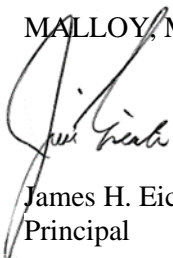

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We will also provide a report (that does not include an opinion) on the District's compliance with applicable provisions of the *Minnesota Legal Compliance Audit Guide*, promulgated by the State Auditor pursuant to Minnesota Statutes § 6.65. The report will state (1) whether, in connection with our audit, anything came to our attention that caused us to believe that the District failed to comply with the applicable provisions of the *Minnesota Legal Compliance Audit Guide*, insofar as they relate to accounting matters, and (2) that the purpose of the report is solely to describe the scope of our testing of compliance and the results of that testing, and not to provide an opinion on compliance. The report will also state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to the District and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign where indicated and e-mail it to mmkr@mmkr.com.

Sincerely,

MALLOY, MONTAGUE, KARNOWSKI, RADOSEVICH & CO., P.A.
