**Discussion and presentation on the annual Technology
And Instructional Materials Allotment (TIMA) and TEKS
Certification for school year 2026-2027.**

TIMA Allotment and TEKS Certification for 2026-2027 school year

- The Curriculum and Instruction Department and the Textbook Department recommend that the district certify the Technology and Instructional Material Allotment (TIMA) and TEKS Certification for the 2026-2027 school year.
- Under the Texas Education Code 31.1011, all Texas public schools districts and open-enrollment charter schools must submit an annual certification to the State Board of Education and the Commissioner of Education regarding instructional materials.
- The Texas Education Agency (TEA) requires a completion of the 2026–27 Certification of Provision of Instructional Materials to regain access to receive disbursement funds in EMAT.

Allowable Uses for Technology and Instructional Materials Allotment

1. Instructional Materials

- a. New Adoption Materials
- b. Instructional Materials currently adopted by state and district
Bilingual/ESL Materials
- c. English Language Proficiency Standards (ELPS)
- d. Mid-cycle Instructional Materials
- e. Consumables
- f. Commissioner's List of Electronic Textbooks

2. Technology Services & Equipment Districts may use allotment to acquire technological equipment and technology-related services for instructional use.

Agenda Item

Operations Committee, 4/07/2026

Purpose:

Discussion, presentation, and board approval needed

Subject: Discussion and presentation on the annual Technology and Instructional Materials Allotment (TIMA) and TEKS Certification for school year 2026-2027.

Topic: TIMA Allotment and TEKS Certification for 2026-2027 school year

I. Recommendation:

The Curriculum and Instruction Department along with the Textbooks Department recommend certification of the Technology and Instructional Material Allotment (TIMA) and TEKS Certification for the school year 2026-2027. Board approval is essential.

II. Rationale:

To comply with that this district's technology and instructional materials allotment (TIMA) is used only for expenses allowed by the Texas Education Code (TEC), §31.0211

Evaluation Method and Timeline:

Districts and open-enrollment charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS). Districts and charter schools will be unable to order 2026–27 instructional materials through EMAT or receive disbursement funds until the certification has been received by the Texas Education Agency (TEA).

III. Fiscal impact and Cost/Funding Source:

410 Instructional Allotment Grant Fund

IV. Compliance with Board Policy:

Purchasing and Acquisition: (CH LOCAL/LEGAL)

6. Discussion and presentation on adopting the new textbook vendors for Math Instructional Material 2026-2027.

Math adoption

- The evaluation committee recommends the following vendors for Textbooks Math Adoption 2026-2027:
 - Houghton Mifflin Harcourt (HMH) for Elementary, Middle and Algebra I, II and Geometry.
 - McGraw Hill for Pre Calculus.
- TEA's recommendations requires board approval in order for the Textbooks Department to proceed on obtaining the instructional materials for the upcoming school year.
- Effective for a period of two (2) years or the duration of the adoption period beginning 2026-2027 school year.
- Estimated cost : \$1,220,175.00

Agenda Item

Operations Committee, 4/07/2026

Purpose:

Discussion, presentation, and board approval required

Subject: Discussion and presentation on adopting textbook vendors for Math Instructional Material 2026-2027

Topic: Vendors for math textbooks 2026-2027

I. Recommendation:

The evaluation committee recommends the following vendors for the new Math Adoption:

- Houghton Mifflin Harcourt (HMH) for K-5th, 7th – 8th, Algebra I & II and Geometry
- McGraw Hill for Pre-Calculus

These recommendations require board approval in order for the Textbooks Department to proceed on obtaining the instructional materials for the upcoming school year.

II. Rationale:

Texas Education Agency (TEA) solicited vendors which met or exceeded TEKS requirements, a list of vendors was approved by TEA; therefore, the next step to comply with adoption requirements to purchase Math Instructional Material for students; board approval is needed in order to proceed.

III. Evaluation Method and Timeline:

Effective for a period of two (2) years or the duration of the adoption period beginning 2026-2027 school year.

Healthier Texas Community Challenge Update

February 2 – March 29, 2026

The City of Laredo final rankings:

3rd place in Community Challenge Points- 2,447,987, behind NEAC and the City of Pharr

2nd place in Community Challenge Steps- 25,302,366, just behind NEAC

Laredo ISD final rankings:

8th place in overall points with over **695,173 points**

6th place in total steps with more than **10,352,245 steps recorded**

Special Recognition to Laredo ISD:

Dr. Angel Montes, City of Laredo, recognized Laredo ISD finished #8 overall in Community Challenge points among all organization. Laredo ISD competes within a separate statewide category, and based on current standings, LISD appears to be positioned among the top performing districts, potentially competing for a top placement.

We extend our appreciation to **Laredo ISD** for actively participating and demonstrating a strong commitment to health and wellness.

Healthier Texas Community Challenge Update

Through the Wellnify application, which supported the efforts of this challenge, employees had the opportunity to engage in health practices focused on the Body, Mind, and Spirit.

To further promote physical activity, the Body section included prerecorded videos led by professional instructors. Through these videos, employees participated in exercises designed to strengthen specific muscle groups, such as the arms and shoulders or core strength amongst others. Under the Mind section, the app provided research-based resources on bedtime routines, balanced meal planning, and better hydration. Under the Spirit section, employees were encouraged to practice meditation, gratitude, and learn about brain dumps and deep breathing techniques, along with their benefits.

Employees also had the opportunity to record other types of physical activity completed throughout the day, such as Pilates, weight training, walking, gardening, and more.

To further support the Healthier Texas Community Challenge, the Laredo ISD HOSSS Division provided three fitness events throughout the challenge. We kicked off the Wellness Challenge with a Healthy Together Wellness Walk and invited a representative from the Laredo Public Health to join us as a special speaker and help set the tone. To help stretch the body and settle the mind, a yoga class was offered at Shirley Field. To wrap up the Community Challenge, we ended strong by hosting a lower body-focused class designed to build strength.

Healthier Texas Community Challenge Update

In an effort to continue promoting the importance of health and wellness across the Laredo ISD family, we are excited to announce our participation in the upcoming 2026 Neighborhood Challenge, taking place from April 7, 2026, through June 5, 2026.

This multi-sport community challenge is a great opportunity to stay active, connect with others, and support a healthier lifestyle together. Participants will have the opportunity to engage in a variety of activities, including:

- Walking
- Running
- Hiking
- Biking
- 52+ additional activities

Modifications and accommodations will also be available for special needs athletes to ensure everyone has the opportunity to participate.

We encourage all employees and families to join us as we work together toward a healthier, stronger community!

Thank you!
