* Biology BOY must include all students taking a Biology class in the Fall or Spring in 2026-2027. ** Writing of the ECR will be administered through No Red Ink (NRI) and the results entered into DMAC.

Important changes to the local assessment calendar:

- No Checkpoints or CBA's
- BOY, MOY and EOY will be administered for most areas.
- Middle and high schools will have a separate testing window for writing to mimic the way the Student Success Tool will be set up next year.
- For the most part, TIA and Local Assessments will have the same testing window.

CCMR Department Updates

Mrs. Monica Calles

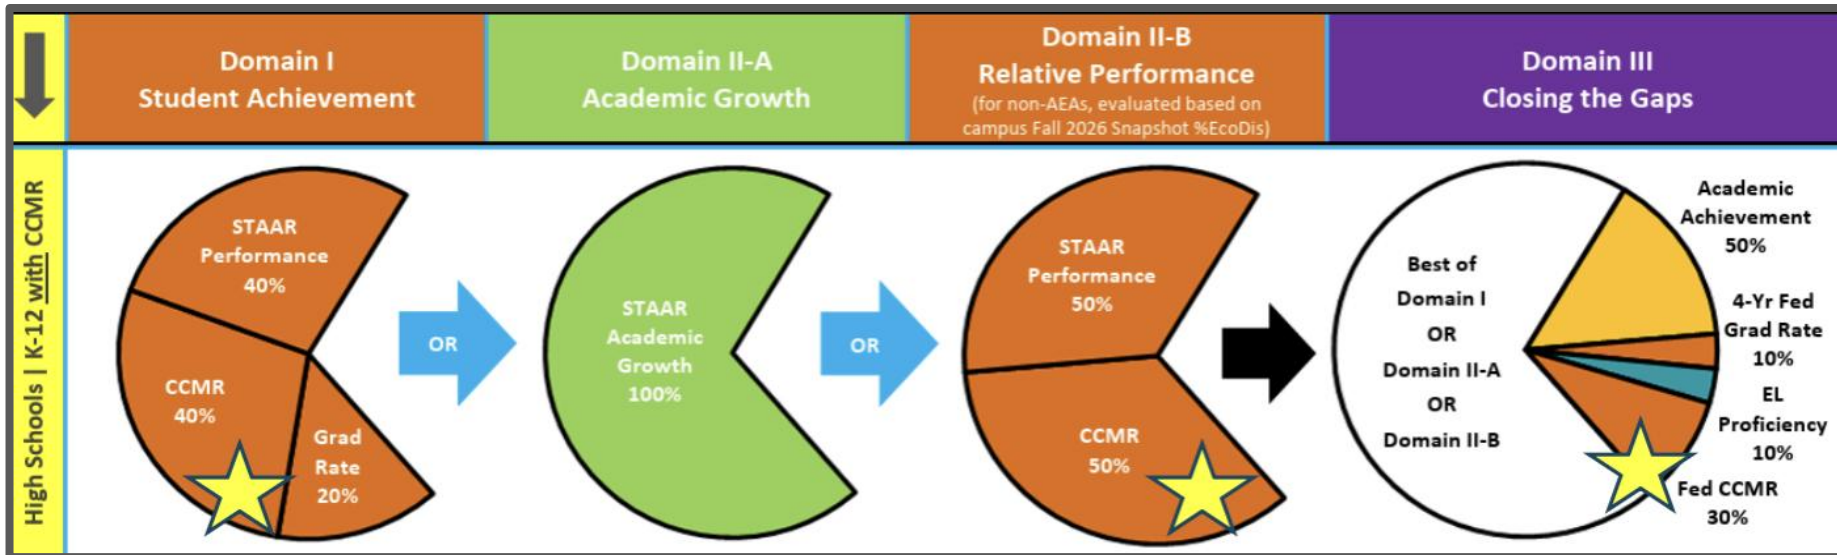

Executive Director of CCMR, Advanced Academics & Schools of Innovation

Laredo ISD CCMR Partnership Highlights

CCMR is A Game Changer!

CCMR prepares students for life after high school and is a major component of accountability.

Depending on a HS “best of” DI or D2B, CCMR can represent 37- 44% of overall campus rating.

Accountability for CCMR is one year lagging.

Laredo Independent School District

Curriculum & Instruction COMMITTEE Meeting

Technology Services

September 8, 2026

Ambrosio Gómez III

Executive Director for Technology Services

Agenda Items

- AI Governance: Responsible Use Policy and Compliance
- Summer STEAM Academy 2026
- 2026-2027 Instructional Technology Initiatives

AI Governance: Responsible Use Policy and Compliance

Responsible AI Use:

Establish clear guidelines for the ethical, safe, and responsible use of AI by staff and students.

Data Privacy & FERPA Compliance

Strict protection of student and staff personally identifiable information (PII). Inputting confidential district data or student records into public AI systems is prohibited.

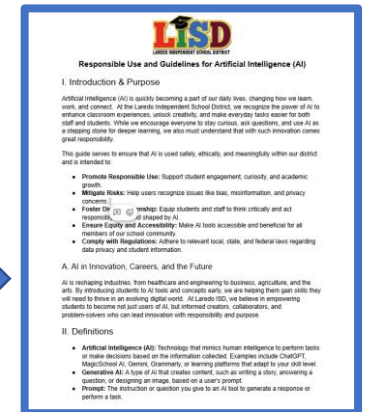

Student Integrity & Guidelines

AI serves as a supplemental tool for brainstorming, tutoring, and skill development, but cannot replace original thought. Plagiarism and cheating are strictly prohibited, and transparent citation is required.

Staff Ethics & Professional Use

Staff may use approved tools for instructional design and administrative support, but human oversight remains mandatory for grading and official evaluations.

AI Governance: Responsible Use Policy and Compliance

Alignment with Texas Mandates

Under Texas law, annual AI training is required for local government and school district staff who use computers for at least 25% of their duties. (HB 3512 and Texas Govt Code § 2054.5193)

Active Staff Training

State-compliant staff training will be completed district-wide. Ongoing support will be maintained through Instructional Tech coaching, lesson modeling, and vetted tool approvals.

Auditing & Reporting

The Cybersecurity Coordinator and district leaders will track completion certificates, maintain audit records, and report compliance directly to state reporting portals.

Summer Academy 2026

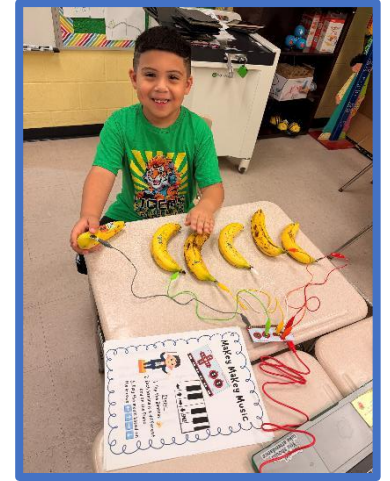

“Ultimate Theme Park Edition”

The Summer STEAM Academy inspired nearly **400 students** in Kinder–2nd and 3rd–4th grade across 10 elementary hubs to become future engineers, designers, and problem solvers.

Students engaged in 16 days of hands-on, real-world learning that integrated:

- **Blueprint Architecture** – designing to scale and planning their ultimate theme park
- **Physics & Engineering** – exploring energy, motion, and structural integrity
- **Coding & Technology** – programming smart park features and interactive experiences
- **Marketing & Entrepreneurship** – developing and pitching their park concepts

The experience culminated in **interactive family showcases and live student pitches**, giving students opportunities to demonstrate their creativity, collaboration, problem-solving, communication, and leadership skills.

2026-2027 Instructional Technology Initiatives

Esports Expansion:

- Rollout of additional elementary teams and launch of the Middle School Esports League to build teamwork and collaboration.

Inst. Tech Platforms:

- Optimize Canva and ClassDojo district-wide to empower student creativity and streamline family engagement.
- Continued PD growth opportunities

AI Empowerment:

- Continued focus on safe and effective Artificial Intelligence training and integration for teachers, staff, students & families.

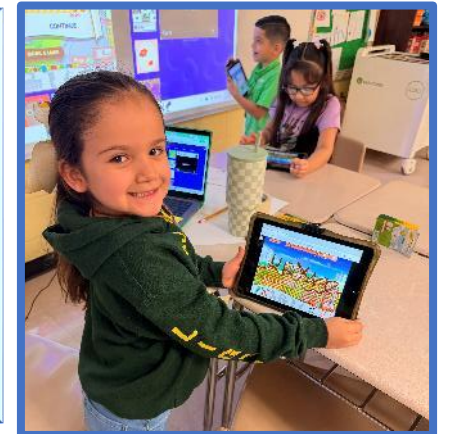

Tech Apps TEKS:

- Sustained alignment with Learning.com for K-5 Technology Applications standards.

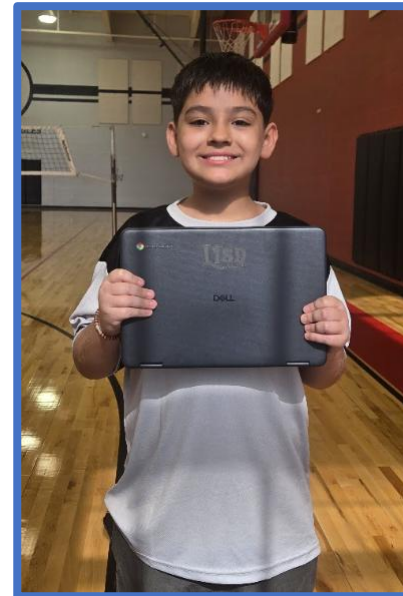

STEAM & Innovation:

- Expansion of STEAM Family Events
- Ongoing STEAM integration & technology recognitions

Thank you! Any Questions?

8. Communication and Updates
