Ceremonial School Board Member Oath of Office

It is an honor that you were appointed to guide the education of our community's children. As you recite the oath of office, you assume a tremendous responsibility as a director of our school district with the duties empowered by the Minnesota Legislature. This power puts you and the other members of our school board in the position of being both morally and legally responsible for equitable, quality education of every student in the district.

In carrying out this responsibility, you will be asked to fulfill the roles of vision, structure, accountability, and advocacy. In providing vision, the board, with extensive participation of the community, envisions the community's educational future and then formulates the goals, defines the outcomes, and sets the course for the public schools.

To achieve the vision, the board establishes a structure and creates an environment designed to ensure all students the opportunity to attain their maximum potential through a sound organizational framework.

Because as a board we must be accountable to the community, we must ensure a continuous assessment of student achievement and all conditions affecting the education of our children. As board members, we serve as education's key advocate on behalf of students and our community schools to advance the vision for our schools.

Furthermore, we must strive to work together with the superintendent and staff to lead the district toward fulfilling the vision we have created, fostering excellence for every student in the areas of academic skills and knowledge, citizenship and personal development.

Having signed the acceptance of office and oath of office, I hereby publicly affirm my commitment to the oath of office: I swear/affirm that I will support the Constitution of the United States and of this state, and that I will discharge faithfully the duties of the office of school board member of Independent School District No.282 to the best of my judgment and ability.

Included with this report are the School Board engagement framework materials that were originally shared in Fall 2025. These resources outline the purpose, structure, and best practices for community engagement, including the distinction between governance and management roles and the Board's role in listening, monitoring, and using input to inform decision-making.

While we will not be reviewing these materials in detail at the May 5 meeting, they will serve as the foundation for the Board's upcoming professional development session on May 12. That session will provide an opportunity to revisit and build on this framework, with a focus on aligning engagement priorities and approach moving forward.

As part of that discussion, engagement efforts in Fall 2026 will be prioritized to support the superintendent search process, ensuring opportunities for community input are clear, structured, and aligned with the Board's governance role and community engagement goal.

Board members are encouraged to review the attached materials in advance. If there are any initial clarifying questions, we are happy to address those briefly at the May 5 meeting.

Last night was the final school board meeting for Laura Osknevad and Mike Overman. Laura served our district for 12 years, and Mike for 4 years, each bringing a tenacious work ethic and a deep commitment to public education.

We are so thankful for the countless hours, thoughtful decisions, and steady leadership they gave to SANB Schools.

Laura and Mike's impact will be felt for years to come and we wish them all the best enjoying their newfound free time on Tuesday nights! ❤️❤️❤️

Second graders celebrated their 100th day of school with a variety of fun and engaging activities! They participated in 100-day challenges, like flipping a coin 100 times, and wrote creative stories about what they would do when they turn 100.

As a special twist, their teachers joined in the fun by "aging" 100 years, adding a humorous touch to the celebration. It was a day full of excitement, learning, and imaginative thinking! 🎉👴👵

Community Engagement Types, Purposes & Roles

Understanding Community Engagement & Governance

Community engagement refers to the intentional efforts school districts make to inform, consult, involve, collaborate with, and empower stakeholders. Different types of engagement serve different purposes and audiences, depending on the decision at hand and the level of community involvement needed.

School boards are responsible for governance—setting direction, policy, and accountability. Community engagement supports that role when done with clear boundaries and purpose.

Governance vs. Management	
Governance (Board)	Management (Administration)
<ul style="list-style-type: none"> ✓ Sets vision and policy ✓ Approves strategy ✓ Holds administration accountable ✓ Listens to stakeholders ✓ Speaks as one body 	<ul style="list-style-type: none"> ✓ Designs and leads engagement processes ✓ Recommends options ✓ Operates day-to-day systems
Engagement Roles & Responsibilities	
<ul style="list-style-type: none"> ✓ Use your influence to reinforce the importance of engagement. ✓ Support, but don't lead, operational processes. ✓ ASK – Is this governance or management? ✓ Do not blur the lines. The board should monitor, not manage, engagement. 	<ul style="list-style-type: none"> ✓ Clarify the purpose of engagement upfront. ✓ Match engagement level to the impact of the decision. ✓ Don't seek input if the decision is already made. ✓ Use multiple methods to ensure inclusion. ✓ Center equity—ensure all voices are heard.

Finding the Right Engagement Format

Type	Goal/Purpose	Audience(s)	Examples	Best Use	Board Role
INFORM	Provide clear, timely information	General public, families, staff, students, community partners	Newsletters, website updates, budget summaries, fact sheets, presentations, webinars	When the district needs to build awareness or clarify decisions that are already made	<ul style="list-style-type: none"> ✓ Ensure consistent communication ✓ Stay informed for decision-making
CONSULT	Gather stakeholder input	Families, staff, students, community members, advisory groups	Surveys, focus groups, public comment periods, listening sessions	While there is room for input, the final decision rests with the board or administration	<ul style="list-style-type: none"> ✓ Encourage transparency ✓ Listen, but don't direct outcomes
INVOLVE	Include stakeholders in framing options	Affected families, staff, student reps	Student panels, family learning nights, fishbowl conversations, gallery walks, focused conversations, world cafés	For complex issues that require deeper understanding of community perspectives	<ul style="list-style-type: none"> ✓ Monitor alignment with board goals ✓ Avoid directing the process
COLLABORATE	Co-create solutions with stakeholders	Advisory groups, community partners, parents, students	Task forces, advisory committees, focused dialogues, restorative circles	For large-scale decisions requiring shared ownership (e.g., facilities planning, strategic planning).	<ul style="list-style-type: none"> ✓ Approve collaborative efforts ✓ Make decisions based on input
EMPOWER	Delegate decision-making	Voters, site councils, student/parent-led efforts	Referendums, school-based budgeting teams	When shared governance or democratic decision-making is required	<ul style="list-style-type: none"> ✓ Support democratic processes ✓ Respect outcomes

School Board Engagement Plan

Purpose

To establish a clear, predictable set of engagement practices that reinforce governance (vision, policy, accountability), build trust, and create authentic opportunities for the SANB School Board to listen and connect with the community.

Engagement Calendar

Ongoing Engagements

- **Board Listening at Meetings**

Public comment at regular Board meetings; members listen, note themes, and refer operational concerns to administration.

 - **PURPOSE:** Provide a formal, transparent opportunity for community members to share perspectives directly with the School Board, ensuring members can listen to community voices, note themes, and consider input in governance decision-making.
 - **FORMAT:** Public comment. Board members listen and note governance-level themes.
 - **BOARD ROLE:** Acknowledge input, listen without debate, and use themes for governance consideration.
 - **LOCATION:** Boardroom during regular meetings.
- **Board Briefs in Brighter Bulletin**

Biweekly updates highlighting Board actions, governance priorities, and upcoming agenda items.

 - **PURPOSE:** Keep families, staff, and the broader community consistently informed about School Board actions and priorities by sharing accessible, plain-language updates that build transparency and trust.

- **FORMAT:** Biweekly (approximately) written recap of Board decisions and upcoming agenda items
- **BOARD ROLE:** Reinforce unity of voice
- **LOCATION:** Delivered electronically to all families, staff, and community subscribers

Monthly Engagements

- **Informal Listening Sessions**

Monthly, small-group gatherings hosted by two to three board members in accessible community locations, designed to build relationships and hear community perspectives in a casual, approachable setting without engaging in operational debate.

- **PURPOSE:** Build relationships and hear informal input in accessible spaces.
- **FORMAT:** 2–3 board members (no quorum) host casual conversations with residents; rotating schedule of members
- **BOARD ROLE:** Listen, thank, and bring themes back to the Board; avoid operational debate..
- **LOCATION:** Rotate venues to reach diverse audiences. Examples:
 - Local coffee shops or cafés (informal drop-in atmosphere).
 - Community centers (family-friendly and accessible).
 - Apartment complexes (especially those with higher concentrations of families or multilingual residents).
 - Senior housing or assisted living facilities (to connect with older residents, many of whom are voters).
 - School commons areas before/after student events (to capture parent voices).

Quarterly Engagements

- **Structured Community Conversations**

The SANB School Board's quarterly community dialogues are structured, topic-focused conversations held in welcoming community spaces, where members listen and learn alongside residents through guided small-group discussions that surface shared values, hopes, and challenges to inform long-term governance decisions.

- **PURPOSE:** Deep listening on governance-related themes (student achievement, equity, facilities).
- **FORMAT:** District-facilitated structured dialogue (*e.g. May 2025 Community Conversation*)
- **BOARD ROLE:** Provide governance context at the opening, listen during small-group conversations, approve public summary.
- **LOCATION:** Accessible, welcoming community spaces. Examples:
 - High school commons or gym (capacity for large groups).
 - Churches, synagogues, or mosques that already host community gatherings.
 - Public libraries or civic centers (neutral ground, strong trust).
 - Partner spaces (business or nonprofit conference spaces).

Annual Engagements

- **Annual Engagement Report** – *Shared publicly at a spring Board meeting.*
A springtime summary presented at a public Board meeting that highlights themes, outcomes, and participation from the year's engagement efforts, demonstrating accountability and follow-through.
- **Annual Report to the Community** – *Mailed/email publication including a Board-authored section (see District Communications Plan).*
A comprehensive yearly publication that showcases district achievements and includes a Board-authored section clarifying governance priorities, progress, and vision.
- **Board Professional Development Retreat (Fall)** – *Governance and engagement refresh.*
An annual learning session for board members focused on strengthening governance practices, clarifying roles, and refining engagement strategies.

- **Community Survey (Spring)** – *Distributed electronically and on paper at key community gathering spots (library, senior center, schools).*
A broad outreach tool produced in coordination with the district's communication effectiveness survey that includes community perceptions of the Board's transparency, trust, and communication to shape future governance priorities.
-

NOTES

Location Rotation Guidance

To maximize reach:

- **Balance “in-district” and “out-in-the-community”:** At least half of informal listening sessions should be held outside of school buildings.
- **Intentional outreach to targeted populations:** Use session rotation to ensure every community group is reached at least once during the year (families with young children, multilingual residents, senior citizens, renters, homeowners).
- **Accessibility considerations:** Evening and daytime offerings; spaces with parking, transit access, and ADA accessibility.

Quick View Calendar

- **Ongoing:** Board Listening at Meetings, Board Briefs in Brighter Bulletin.
- **Monthly:** Informal Listening Sessions (2–3 board members).
- **Quarterly:** Structured Community Conversations (topic-based, district-facilitated).
- **Annually:** Engagement Report, Annual Report to Community, PD Retreat, Community Survey.

 - 1. The report ~~will~~ must include assessment and evaluation data indicating progress toward district and site staff development goals based on teaching and learning outcomes, ~~including the percentage of teachers and other staff involved in instruction who participate in effective staff development activities.~~

2. The report will provide a breakdown of expenditures for:
 - a. Curriculum development and curriculum training programs;
 - b. Staff development training models, workshops, and conferences; and
 - c. The cost of releasing teachers or providing substitute teachers for staff development purposes.

If the requestor does not appear at the time and place established for inspection of the data or the data is not picked up within ten (10) business days after the requestor is notified, the school district will conclude that the data is no longer wanted and will consider the request closed.
2. The school district's response time may be affected by the size and complexity of the particular request, including necessary redactions of the data, and also by the number of requests made within a particular period of time.

Data in dispute shall be disclosed only if the individual's statement of disagreement is included with the disclosed data.
- H. The determination of the responsible authority may be appealed pursuant to the provisions of the Administrative Procedure Act relating to contested cases. Upon receipt of an appeal by an individual, the Commissioner of the Minnesota Department of Administration (“Commissioner”) shall, before issuing the order and notice of a contested case hearing required by Minnesota Statutes chapter 14, try to resolve the dispute through education, conference, conciliation, or persuasion. If the parties consent, the commissioner may refer the matter to mediation. Following these efforts, the commissioner shall dismiss the appeal or issue the order and notice of hearing.

VIII. COSTS

- A. Public Data
 - 1. The school district will charge for copies provided as follows:
 - a. One hundred (100) or fewer pages of black and white, letter or legal sized paper copies will be charged at 25 cents for a one-sided copy or 50 cents for a two-sided copy.

- b. More than one hundred (100) pages or copies on other materials are charged based upon the actual cost of searching for and retrieving the data and making the copies or electronically sending the data, unless the cost is specifically set by statute or rule.
 - (1) The actual cost of making copies includes employee time, the cost of the materials onto which the data is copied (paper, CD, DVD, etc.), and mailing costs (if any).
 - (2) Also, if the school district does not have the capacity to make the copies, e.g., photographs, the actual cost paid by the school district to an outside vendor will be charged.
2. All charges must be paid for in **cash or electronically** in advance of receiving the copies.

B. Summary Data

1. Any costs incurred in the preparation of summary data shall be paid by the requestor prior to preparing or supplying the summary data.
2. The school district may assess costs associated with the preparation of summary data as follows:
 - a) The cost of materials, including paper, the cost of the labor required to prepare the copies, any schedule of standard copying charges established by the school district, any special costs necessary to produce such copies from a machine-based record-keeping system, including computers and microfilm systems;
 - b) The school district may consider the reasonable value of the summary data prepared and, where appropriate, reduce the costs assessed to the requestor.

C. Data Belonging to an Individual Subject

1. The responsible authority or designee may require the requesting person to pay the actual costs of making and certifying the copies.

The responsible authority shall not charge the data subject any fee in those instances where the data subject only desires to view private data.

The responsible authority or designee may require the requesting person to pay the actual costs of making and certifying the copies. Based on the factors set forth in Minnesota Rule 1205.0300, subpart 4, the school district determines that a reasonable fee would be the charges set forth in section VIII.A of this

policy that apply to requests for data by the public.

2. The school district may not charge a fee to search for or to retrieve educational records of a child with a disability by the child's parent or guardian or by the child upon the child reaching the age of majority.

905 ADVERTISING

I. PURPOSE

The purpose of this policy is to provide guidelines for the advertising or promoting of products or services to students and parents in the schools.

II. GENERAL STATEMENT OF POLICY

The school district's policy is that the name, facilities, staff, students, or any part of the school district shall not be used for advertising or promoting the interests of a commercial or nonprofit agency or organization except as set forth below.

III. ADVERTISING GUIDELINES

- A. School publications, including publications such as programs and calendars, may accept and publish paid advertising provided they receive advance approval from the appropriate administrator. In no instance shall publications accept advertising or advertising images for alcohol, tobacco, drugs, drug paraphernalia, weapons, or obscene, pornographic, or illegal materials. Advertisements may be rejected by the school district if determined to be inconsistent with the educational objectives of the school district or inappropriate for inclusion in the publication. For example, advertisements may be rejected if determined to be false, misleading, or deceptive, or if they relate to an illegal activity or antisocial behavior. The appropriate administrator working with the faculty advisor is responsible for screening all such advertising for appropriateness, including compliance with the school district policy prohibiting sexual, racial, and religious harassment.
- B. The school board may approve advertising in school district facilities or on school district property. Any approval will state precisely where such advertising may be placed. The restrictions listed in Section A. above will apply. Advertising will not be allowed outside the specific area approved by the school board. Specific advertising must be approved by the superintendent or designee. In no instance will an advertising device be erected or maintained within 100 feet of a school that is visible to and primarily intended to advertise and inform or to attract or which does attract the attention of operators and occupants of motor vehicles.
- C. ~~A Donations which include or carry~~ advertisements ~~may must~~ be approved by the school board.

- D. The school district or a school may acknowledge a donation it has received from an organization by displaying a “donated by,” “sponsored in part by,” or a similar by-line with the organization’s name and/or symbol on the item. Examples include activity programs or yearbooks.
- E. Nonprofit entities and organizations that provide support to students and to the schools may be allowed to use the school district name, students, or facilities for purposes of advertising or promotion if the purpose is determined to be educationally related and prior approval is obtained from the appropriate administrator. Advertising will be limited to the specific event or purpose approved by the school board.
- F. Contracts for computers or related equipment or services that require advertising to be disseminated to students will not be entered into or permitted unless done pursuant to and in accordance with state law.
- G. The inclusion of advertisements in school district publications, in school district facilities, or on school district property does not constitute approval and/or endorsement of any product, service, organization, or activity. Approved advertisements will not imply or declare such approval or endorsement.

IV. ACCOUNTING

Advertising revenues must be accounted for and reported in compliance with UFARS. A periodic report shall be made to the school board by the superintendent regarding the scope and amount of such revenues.

Fiscal Year 2026-27 Initial Budget Assumptions

May 5, 2026

Revenues:

- **Student Enrollment:** We are projecting 1,900 students for the district’s enrollment, which includes 10 ECSE and 1,890 K-12. We are also projecting a negative adjustment of 60 ADM due to students participating in the Post Secondary Enrollment Options program. As a result, 1,840 ADM will be used for the 2026-27 budget.

Grade Level	Oct 1, 2025 Enrollment	2026-27 Enrollment Target	2026-27 Enrollment Budget
K-5	708	710	689
6-8	448	450	444
9-12	762	800	757
ECSE	7	10	10
PSEO Adj	-61	-60	-60
Total	1,864	1,902	1,840

- **General Education Basic Funding:** MN Statutes 2024, section 126C.10, subdivision 2 sets the general education formula allowance based on the actual Consumer Price Index (CPI). The final adjusted allowance will increase by 2.69% from \$7,481 to \$7,683 per Adjusted Pupil Unit (APU). Pupil units are calculated using a weighting factor of 1.0 for ECSE, kindergarten through 6th grade, and 1.2 for grades 7-12. The estimated basic general education revenue for 2026-27 is \$15,662,564 ($\$7,683 \times 2,038.6$ APU).
 - Component 1*
 - Component 2*
 - Component 3*
 - Component 4*
- **Special Education Aid:** The district special education aid for FY2027 is estimated based on this year’s estimated expenditures. Total special education aid projected next fiscal year is \$4.5 million, with approximately \$1.06 million for special education

transportation. This estimate will change when we have a better projection of this year's expenditures.

- a. *Component 2*
- **Operating Referendum Levy:** The operating referendum levy remains at \$2,543.86 per APU, generating \$5,743,810 in revenue. However, the total levy revenue for next fiscal year is projected to be 4% lower than the current year's budget due to prior year adjustments.
 - a. *Component 1*
 - b. *Component 3*
 - c. *Component 4*
- **Capital Projects Referendum Levy:** The approved capital projects referendum levy revenue for 2026-27 is \$1,055,082. This revenue will be spent on technology and curriculum needs.
- **Professional Development:** The district will continue to set aside 2% of the basic general education state revenue for staff development. This amounts to approximately \$313k for 2026-27.
 - a. *Component 2*
- **Achievement and Integration Program:** The district submitted a 2-year (FY2026-27 and FY 2027-28) application and budget to MDE in March. The FY27 initial revenue for this program is \$299k.
 - a. *Component 2: A & I*
- **Federal Grants:** The district will continue to receive ESEA (Title I, II, III, and IV) and Federal Special Education Grants in 2026-27.
 - a. *Component 2: Title*
- **ADSIS:** This is the 2nd year of the approved School Fiscal Year 26-27 program, and the district will continue to receive funding for the ADSIS program.
 - a. *Component 2: ADSIS*
- **Local Sources:** Increase interest income for FY27 because more interest earnings are received this year.
 - a. *Component 1*
 - b. *Component 3*
 - c. *Component 4*
- **EL Cross-Subsidy Aid:** Starting in fiscal year 2026-27, districts will receive 25% of the district's EL cross-subsidy. FY26-27 EL cross-subsidy aid will be calculated based on

the FY2024-25 district's cross-subsidy expenditures. We are expecting to receive \$32k in EL cross-subsidy aid.

a. *Component 2*

Expenditures:

- **Staffing:** Due to an increase in students requiring special education services, administration would like to increase 1.5 FTE to special education.
 - a. *Component 1: Cross Subsidy*
 - b. *Component 2: Special Education, MA Billing*

- **Salaries:** Salaries for all employees will be budgeted according to the terms of settled bargaining unit contracts. For contracts that are not yet settled, the budgeted salaries will align with the parameters established by the School Board.

Component Summary

Component #	Title	Description	FY24-25 Actual FTE	FY24-25 Actual	% of Total	FY25-26 Budget FTE	FY25-26 Budget	% of Total	FY26-27 Budget FTE	FY26-27 Budget	% of Total
1	Building Staffing Allocations	This component represents the majority of school district funding. The first step in creating these allocations comes from the school board's approval of grade level budget enrollment targets. Building Staffing Allocations are then determined by district administration, and each building is required to operate within these allocations and established frameworks. This component funds 100% of the general education program (e.g., classroom teachers, principals). While the district determines the allocation and funding levels, principals are responsible for staff recruitment and placement. Alternative terms for the Building Staffing Allocations component include: Base and Tier 1 programming.	109.97	\$11,854,946	41.23%	109.50	\$12,140,383	40.63%	110.12	\$12,637,633	39.81%
2	Planned Program Staffing	Allocations within this component are program-specific. The district and program managers collaboratively determine the allocation type and staffing requirements for each program. These allocations support specialized educational programs (e.g., ADSIS, A&I). This staffing is supplemental to the general education program and cannot replace general education staffing as many of the funds are restricted. Alternative terms for the Planned Program Staffing component include: Tier 2, Tier 3, specialized, and specific programming.	74.36	\$7,973,940	27.73%	78.77	\$8,536,268	28.57%	75.13	\$9,076,480	28.59%
3	Ancillary Programs	Allocations in this component are designated for programs outside of the K-12 classroom setting. Staffing allocations for Ancillary Programs are determined based on prior Schedule C and current Schedule D criteria. These programs encompass student programs such as PSEO and CIS. Funding for these programs often involves a combination of fees and general fund cross-subsidies. Alternative terms for the Ancillary Program component include: Co-curricular and enrichment programs.	5.43	\$1,254,528	4.36%	5.34	\$1,192,211	3.99%	5.10	\$1,330,341	4.19%
4	District-Wide Services	These allocations are based on district infrastructure and staff support needs. This component encompasses both staffing and funding. These services support Required Building Staff, Planned Programs Staff, and Ancillary Programs. Alternative terms for District-Wide Services include: operations, support services, and contract.	37.51	\$7,668,295	26.67%	36.96	\$8,014,172	26.82%	39.60	\$8,702,783	27.41%
