## Room Setup Diagram:

This drawing is not to scale. Buildings may need to adjust to best fit the space.

## Technology Use Etiquette:

- Board members and Superintendent all wear lapel mics attached to lanyards
- Do not move the location of the mic on the lanyard (6-8 inches from face)
- Use your normal voice with the mic, Tech will adjust levels for you
- Keep the space around the mic free from excessive clothing (scarves, etc.)
- Keep the mic turned on at all times during the meeting
- Look for hand signals from the Technology team for beginning the meeting and during any troubleshooting during the meeting
- When standing up to address the audience, only stand in the space directly between the board tables and the guest speaker table

## Potential Issues with Gyms and Cafeterias:

- Feedback is caused by an unexpected loud sound from the speakers entering back into the mic, causing a loop between the two devices.
  - Avoid feedback by always talking in your normal voice.
  - Clapping and cheering in a gym or cafeteria will cause unavoidable feedback, unless the frequency of those sounds are filtered out.
- Each board member has a different range of frequencies produced when they speak. The Tech team works to find those levels and exclude other levels. This process takes time, and is different in every location.
  - Mic checks before the meeting starts are a crucial part of a successful experience.
  - Please wait for a signal from the Tech team before starting the meeting for this reason.

#### Hand Signals

- Thumb up means “Good to go.” There are no problems on either end.
- **Green** sign means that there is a problem on the Tech team's side and we are working to fix it. Board members can continue the meeting while we fix the problem.
- **Red** sign means that the problem is on the Board's side. This could be something like:
  - Not speaking into the mic
  - Voice is too low
  - Interfering sound is coming from something around the mic

### **Lincoln County School District Equity Team Land Acknowledgement Statement**

We ask that you take a moment to stop what you are doing, to listen to these words as we recognize the land that we currently inhabit. No matter where each of us is physically located in Lincoln County, we must understand that we are on traditional homelands and unceded territories of indigenous peoples. Where we live in Lincoln County, these are the ancestral homelands for the Confederated Tribes of Siletz Indians.

Lincoln County School District acknowledges the Confederated Tribes of Siletz Indians that consists of over 30 bands originating from Northern California to Southern Washington. The Confederated Tribes of Siletz Indians currently occupy and manage 9,310 acres located here in Lincoln County but is a mere fraction of their original 1855 1.1 million-acre Siletz coastal reservation. We must remember the people of the Confederated Tribes of Siletz Indians are and will forever be the first stewards of this land, water, and fish.

We acknowledge and recognize the continued sovereignty of the Confederated Tribes of Siletz Indians and honor their ancestral homelands. We are committed to bringing awareness to their history and the existence of the Confederated Tribes of Siletz Indians since time immemorial.
