This hearing provided the public with the opportunity to address the Board of Education regarding this topic. Dr. Bradford Hubbard, Associate Superintendent for Teaching and Learning, presented the details of the waiver application. There were no public comments. The public hearing concluded at 7:53 p.m.

10. Public Hearing: E-Learning

President Kreutzer opened the public hearing at 7:53 p.m. regarding e-learning. This hearing provided the public with the opportunity to address the Board of Education regarding this topic. Dr. Hubbard presented the details of the e-learning plan. There were no public comments. The public hearing concluded at 7:56 p.m.

11. Public Comments

- Liam Seymour, American Heart Association Team Leader and Junior at Prospect High School, spoke about the importance of providing student EKG screenings.
- Lee Bennett, boys volleyball coach, requested the district add a boys volleyball team.
- Colin Goodman, Senior at Prospect High School, and Krisha Shah, Senior at John Hersey High School, spoke about the Wildstang Robotics program and extended an invitation to the Board to the Midwest Regional on March 26-28 at Forest View Educational Center.

12. Superintendent Report

Dr. Scott Rowe, Superintendent, commended the fiscal department on their Association of School Business Officials Meritorious Budget Award, representing the highest standard of financial reporting for school districts nationally. Dr. Attaway and his team transformed the budget document from a compliance report to a true communication tool for the public, reflecting decision making and how District 214 conducts business. It explicitly connects budgeting to the strategic plan, with a clear line of sight from strategy to spending. This is the first time the district has been recognized with this award since the 2001-2002 school year. Dr. Rowe and the Board congratulated Dr. Attaway and his team.

13. Board Member Updates

Board Members attended many events over the past several weeks, and highlighted a few.

- Bill Dussling highlighted the job fair at Forest View Educational Center, the Arts Unlimited Creative Writing Day at Forest View Educational Center, and the Inclusive Creations Fair at Forest View Educational Center.
- Mary Kay Baldino highlighted Buffalo Grove High School's performance of *Wreath of Memory*, based on poetry written by children in concentration camps, as well as the Arts Unlimited 50th Anniversary reception.
- Frank Fiarito highlighted Jazz at the Meadows at Rolling Meadows High School.
- Mark Hineman highlighted the Future of Work presentation at Forest View Educational Center and the Illinois State High School hockey games at the All State Arena. The Stampede combination team (Buffalo Grove High School, John Hersey High School, and Wheeling High School) won the state championship and are currently in Minnesota competing for a national title. Hersey student Cam Christopher was named the all-state Most Valuable Player.
- Dr. Vicki Chung highlighted the Mount Prospect Village Board Meeting where Prospect student Liam Seymour received a proclamation designating February 6th as the Go Red for Cardiovascular Health Day, the District 214 Education Foundation Prom Popup Boutique at Forest View Educational Center, a tour of the Specialized Schools led by students, and the Rolling Meadows High School musical *The Paper Bag Princess*.
- Dr. Joe Sagerer highlighted the Inclusive Creations Fair at Forest View Education Center, the concert band festival at Rolling Meadows High School, the Arts Unlimited 50th Anniversary reception, and the March NSSEO meeting.
- Alva Kreutzer attended the Consortium of State School Boards Associations (COSSBA) National Conference in Louisville, KY, where the COSSBA delegates supported the Illinois submission for a new tenet advocacy position at the federal level, equipping local leaders with the tools needed to increase student achievement through national assessment, state accountability, and federally funded evidence-based research. It calls for continued funding for the national assessment of educational progress and requires all states to administer annual assessments and require the disaggregation of annual assessment data for underperforming student groups. It is an investment in evidence-based research that provides school boards with the tools needed to improve student achievement. It was supported with a vote of 29-7.

14. Departmental Reports

14.1. Business Services: Report on Baker Tilly Purchase Card Assessment Findings

Dr. Justin Attaway, Associate Superintendent for Business Services, presented the report from Baker Tilly on the district's purchase card program for FY25. The district has 91 purchase card holders and 4.1 million in annual spending. Dr. Attaway stated that overall, the report found that our controls are effective and no fraud or theft was found. The review did find opportunities to improve in documentation, timely reconciliations, clear internal guidance, and ongoing training. Opportunities were identified to tighten systems and reinforce expectations. Action is already occurring to strengthen oversight and consistency. Dr. Rowe stated that the infinite visions platform could create complacency or mistakes, and has asked Dr. Attaway to review all purchase cards and processes. Dr. Attaway took questions from the Board.

15. Consent Items

15.1. Approval of the 2026-2027 Preliminary Budget Guidelines and Assumptions

15.2. Approval to Dispose of Closed Session Audio Recordings Older than 18 Months Old, Pursuant to the Open Meetings Act

15.3. Approval of Accounts Payable for March 19, 2026

15.4. Approval of Financial Statements for January 2026

15.5. Approval of the Personnel Transaction Report for March 19, 2026

Motion by Dr. Vicki Chung with second by Mary Kay Baldino.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

16. Roll Call Action Items

16.1. Business of the Board

16.1.1. Approval of Board of Education Protocols

The official District 214 Board Protocols were presented. President Kreutzer stated that during her tenure on the Board, this is the first time a public stated document has been brought forth. The protocols are the work of all seven board members, as well as Dr. Rowe, and will reside on the district's website. They reflect the Board's shared commitment to effective governance, ethical leadership, transparency, and accountability to students, staff, and community.

Dr. Joe Sagerer noted that these protocols clarify the ethical standards upheld by the Board. He emphasized that when interacting with the public, members must remain within their defined roles; specifically, they cannot make individual promises, as fair and equitable processes must be followed. Instead, members will guide the public toward appropriate district channels and ensure that Board-related issues are addressed exclusively during official meetings.

Mary Kay Baldino stated that the clarity provided by these protocols is a significant step toward full transparency, adding that she is proud to serve alongside her fellow board members.

Dr. Vicki Chung concurred, appreciating how the protocols define specific roles and expectations. She emphasized that while the group consists of eight individuals (seven members and one superintendent) with distinct responsibilities, they remain a unified team with a shared purpose: even in moments of disagreement, their collaborative focus remains firmly on the best interests of the students.

Motion by Frank Fiarito with second by Dr. Vicki Chung.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

16.2. Business Services

16.2.1. Approval of Encumbrance and Expenditure Authorization

Dr. Attaway presented the yearly encumbrance and expenditure authorization, which authorizes the administration to encumber and expend up to 75 percent of 2026-27 preliminary budgets, which are being developed within budget guidelines established by the Board of Education, and to pay salaries and benefits within Board approved rates and schedules prior to official budget approval.

Motion by Dr. Joe Sagerer with second by Dr. Vicki Chung.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

16.2.2. Approval of the Grounds Supplies and Services Contract Extension

Dr. Attaway presented a two-year extension of the previously approved Grounds Supplies and Services contract with Conserv FS (Rochester, NY) for the 2026–27 and 2027–28 school years, including an annual 2.5% CPI-based price adjustment, as presented. With the adjustment, the annual contract cost will be \$331,644.80, representing an increase of \$16,230.55, and will ensure continuity of services and cost stability for the district. Dr. Attaway took questions from the Board.

Motion by Dr. Vicki Chung with second by Dr. Joe Sagerer.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

16.2.3. Approval of Student Fee Structure

Dr. Attaway presented the student registration fee structure for the 2026–27 school year, continuing a tiered approach that balances district revenue needs with financial relief for families. Fee waivers will remain aligned with USDA Free Meal eligibility guidelines, and beginning in 2026–27, the district will also apply USDA Reduced Income Guidelines, providing a 50% reduction in registration and senior fees for qualifying families. Dr. Attaway also presented the revised transportation fees for students residing in dual households.

Bill Dussling stated that prior to the pandemic in 2020, incoming freshmen were given a set fee rate and that rate remained unchanged during their time in District 214. Mr. Dussling asked Administration to consider this.

Dr. Sagerer agreed with Mr. Dussling and expressed that he expects costs to go up and therefore fees, and he'd rather see a regular cadence for the fees than having a large increase all at once. Frank Fiarito agreed that if prices continue to go up, he sees the need for fees to go up. Dr. Chung stated that she agrees and supports Mr. Dussling's idea. Dr. Attaway stated that they are looking at setting up systems that will offer consistency, and he took questions from the Board.

Motion by Frank Fiarito with second by Bill Dussling.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

Motion by Dr. Joe Sagerer with second by Dr. Vicki Chung.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

16.3. Community Engagement

16.3.1. Approval of Apptegy Rooms Contract

Patrick Mogge, Director of Community Engagement and Outreach, presented the Apptegy Rooms contract. Implementation of this platform will provide a unified

communication tool for staff and families, align messaging with the District 214 website and mobile app, improve administrative oversight, and generate potential cost savings compared with other available options. Dr. Rowe added that there will be a brief overlap between Remind and AppTegy to allow for people to get comfortable. Mr. Mogge took questions from the Board.

Motion by Frank Fiarito with second by Dr. Vicki Chung.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

16.5. Operations

16.5.1. Approval of RTU-13 HVAC System Retrofit at Buffalo Grove High School

Aneta Mistak, Director of Operations, presented the RTU-13 HVAC system retrofit needed at Buffalo Grove High School. The current RTU-13 unit at Buffalo Grove High School, which serves multiple engineering and STEM classrooms and labs, was installed in 1989 and is now 37 years old—well beyond its expected service life. This outdated unit operates on R-22 refrigerant, which has been phased out and is no longer compliant for new equipment. The system has experienced recurring mechanical failures, including refrigerant leaks and compressor issues, and obtaining replacement parts is increasingly difficult. Additionally, the unit is energy inefficient and no longer adequately supports the current configuration of the instructional spaces. Ms. Mistak took questions from the Board.

Motion by Frank Fiarito with second by Bill Dussling.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

16.5.2. Approval of Replacement of Emergency Generator at Prospect High School

Aneta Mistak, Director of Operations, presented the plan for the replacement of the emergency generator at Prospect High School. Originally installed in 1987, the emergency generator has significantly deteriorated and reached the end of its useful life. It is no longer adequate to support the current emergency power loads, and its outdated control systems do not meet safety standards. The unit exhibits substantial age-related wear, recurring starting issues, and is increasingly difficult to repair due to unobtainable parts. Rising maintenance costs and a significant likelihood of failure during testing or an actual power outage pose serious operational risks, potential safety concerns, and possible regulatory non-compliance. Ms. Mistak took questions from the Board.

Motion by Frank Fiarito with second by Dr. Joe Sagerer.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

16.6. Teaching and Learning

16.6.1. Approval of Driver Education Waiver Request

Dr. Hubbard summarized the waiver request designed to expand driver education access across the district. By substituting up to three hours of traditional behind-the-wheel instruction with 18 hours of state-approved simulator practice, the district aims to improve equitable access and streamline student scheduling. This shift not only addresses significant waitlists at Wheeling, Elk Grove, and Rolling Meadows High Schools but also ensures instructional consistency and reduces vehicle maintenance costs. Dr. Hubbard and Dr. Rowe emphasized that waiver application is a first step toward expanding program capacity for all students. Dr. Hubbard took questions from the Board.

Motion by Bill Dussling with second by Frank Fiarito.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

16.6.2. Approval of Resolution to Adopt an E-Learning Program in Lieu of Emergency Days

Dr. Hubbard presented the resolution to designate e-learning days as regular attendance days in lieu of emergency (school closure) days for a three-year term, through 2028. Dr. Hubbard took questions from the Board.

Motion by Frank Fiarito with second by Mary Kay Baldino.

Aye: Mary Kay Baldino, Dr. Vicki Chung, Bill Dussling, Frank Fiarito, Mark Hineman, Alva Kreutzer, Dr. Joe Sagerer

17. Informational Items

17.1. Budget Report as of January 2026.

17.2. Freedom of Information Act Report for March 19, 2026.

Date: April 9, 2026
To: Board of Education
From: Dr. Scott Rowe, Superintendent
Subject: Agreement with Pilewski Financial, LLC

Summary

This memorandum requests the Board of Education’s approval to enter into an agreement with Pilewski Financial, LLC for professional municipal advisory services. This engagement is a collaborative effort between Township High School District 214, Community Consolidated School District 15, and Township High School District 211. Fees will be split equally. The primary objective is to secure expert fiscal analysis and representation regarding the Chicago Bears Football Club’s proposed multi-use development project in Arlington Heights. The engagement of Pilewski Financial, LLC directly supports Goal 3 of our Strategic Plan by utilizing expert, data-driven analysis to ensure the transparent and strategic use of financial resources in the best interest of our students and community.

Administrative Considerations

As the proposed development in Arlington Heights moves forward, it is vital that the District has a clear understanding of the project’s long-term financial implications. Pilewski Financial, LLC is a registered Municipal Advisor with both the Securities and Exchange Commission (SEC) and the Municipal Securities Rulemaking Board (MSRB), ensuring they are held to a high fiduciary duty of care.

The scope of services provided by the firm will include:

- **Revenue Identification:** Identifying specific sources of education funding or revenue-sharing opportunities stemming from the project.
- **Fiscal Impact Analysis:** Estimating incremental municipal costs and revenues, alongside specialized analyses of tax-exempt bond financing and debt service projections.
- **Negotiation Support:** Participating in discussions with municipal officials and stakeholders to advocate for appropriate education funding.
- **Strategic Advice:** Preparing operating and capital cost estimates based on District-provided data to ensure future infrastructure needs are met.

By partnering with our neighboring districts, we are ensuring a unified and cost-effective approach to this significant regional development. This proactive engagement allows the District to remain a responsible steward of taxpayer dollars while ensuring that any development in our community serves the best interests of our students

and maintains the high standard of education for which District 214 is known. Our engagement with Pilewski Financial, LLC will protect the community's financial health in several ways:

- **Fiduciary Duty:** As a registered Municipal Advisor, Pilewski Financial, LLC is legally bound by a fiduciary duty to the District. This means they must act with a "duty of care" and prioritize the District's best interests above all else.
- **Fiscal Impact Accuracy:** The firm will estimate the incremental municipal costs and revenues associated with the proposed project, helping to prevent the District, and by extension, our taxpayers, from bearing an unfair financial burden.
- **Accountable Governance:** Utilizing these services aligns with the District's practice of accountable governance and maintaining public trust through disciplined, expert-backed decision-making.

Recommendation

It is recommended that the Board of Education approve the engagement letter with Pilewski Financial, LLC for municipal advisory services as presented.

EXHIBIT B
**DISCLOSURE OF CONFLICTS OF INTEREST WITH
VARIOUS FORMS OF COMPENSATION**

The Municipal Securities Rulemaking Board requires us, as your municipal advisor, to provide written disclosure to you about the actual or potential conflicts of interest presented by various forms of compensation. We must provide this disclosure unless you have required that a particular form of compensation be used. You should select a form of compensation that best meets your needs and the agreed upon scope of services.

Forms of compensation: potential conflicts. The forms of compensation for municipal advisors vary according to the nature of the engagement and requirements of the Clients, among other factors. Various forms of compensation present actual or potential conflicts of interest because they may create an incentive for an advisor to recommend one course of action over another if it is more beneficial to the advisor to do so. This document discusses various forms of compensation and the timing of payments to the advisor.

Fixed fee. Under a fixed fee form of compensation, the municipal advisor is paid a fixed amount established at the outset of the transaction. The amount is usually based upon an analysis by the Clients and the advisor of, among other things, the expected duration and complexity of the transaction and the agreed-upon scope of work that the advisor will perform. This form of compensation presents a potential conflict of interest because, if the transaction requires more work than originally contemplated, the advisor may suffer a loss. Thus, the advisor may recommend less time-consuming alternatives, or fail to do a thorough analysis of alternatives. There may be additional conflicts of interest if the municipal advisor's fee is contingent upon the successful completion of a financing, as described below.

Hourly fee. Under an hourly fee form of compensation, the municipal advisor is paid an amount equal to the number of hours worked by the advisor times an agreed-upon hourly billing rate. This form of compensation presents a potential conflict of interest if the Clients and the advisor do not agree on a reasonable maximum amount at the outset of the Engagement, because the advisor does not have a financial incentive to recommend alternatives that would result in fewer hours worked. In some cases, an hourly fee may be applied against a retainer (e.g., a retainer payable monthly), in which case it is payable whether or not a financing closes. Alternatively, it may be contingent upon the successful completion of a financing, in which case there may be additional conflicts of interest, as described below.

Fee contingent upon the completion of a financing or other transaction. Under a contingent fee form of compensation, payment of an advisor's fee is dependent upon the successful completion of a financing or other transaction. Although this form of compensation may be customary for the Clients, it presents a conflict because the advisor may have an incentive to recommend unnecessary financings or financings that are disadvantageous to the Clients. For example, when facts or circumstances arise that could cause the financing or other transaction to be delayed or fail to close, an advisor may have an incentive to discourage a full consideration of such facts and circumstances, or to discourage consideration of alternatives that may result in the cancellation of the financing or other transaction.

Pilewski Financial, LLC

Fee paid under a retainer agreement. Under a retainer agreement, fees are paid to a municipal advisor periodically (e.g., monthly) and are not contingent upon the completion of a financing or other transaction. Fees paid under a retainer agreement may be calculated on a fixed fee basis (e.g., a fixed fee per month regardless of the number of hours worked) or an hourly basis (e.g., a minimum monthly payment, with additional amounts payable if a certain number of hours worked is exceeded). A retainer agreement does not present the conflicts associated with a contingent fee arrangement (described above).

Fee based upon principal or notional amount and term of transaction. Under this form of compensation, the municipal advisor's fee is based upon a percentage of the principal amount of an issue of securities (e.g., bonds) or, in the case of a derivative, the present value of or notional amount and term of the derivative. This form of compensation presents a conflict of interest because the advisor may have an incentive to advise the Clients to increase the size of the securities issue or modify the derivative for the purpose of increasing the advisor's compensation.

Subject: Aviation Pathway Dual Credit Partnerships

Administrative Considerations

Lewis University informed the District in October, 2025, in accordance with our agreement, that this would be the last year of the dual-credit partnership. The District engaged in discussions with our other program partners, including the Chicago Executive Airport, to determine the best path for students moving forward. Our community is fortunate to be near two major airports and the fourth busiest airport in Illinois within our boundaries. Aviation remains a robust sector with continued job growth.

Our aviation pathway will focus on the sector as a career field beyond just flight training. Our capstone program, Aviation Academy, will transition to Southern Illinois University Carbondale (SIUC) and Harper College as dual-credit partners. District 214 will be the first dual-credit partner for SIUC in the state. The changes to Aviation Academy will establish multiple career pathways in aviation that leverage local opportunities to prepare students for a range of industry roles, including:

- Aviation Management (Harper College)
 - AVM 100 Intro to Aviation Management; AVM 112 Aviation Security Management; AVM 107 History of Aviation
- Drone Technology (Harper College)
 - DRO 100 Drone Pilot Ground School; DRO 101 Mastering Drone Flight: Essential Skills & Techniques; DRO 102 Drone Data Acquisition and Analysis
- Private Pilot Ground School (SIUC: Chicago Executive Airport)
 - AF 200 Primary Flight Theory; AF 211 Aviation Weather

There will be no change in the current facilities, and students will sit for the FAA Private Pilot Airplane Knowledge Test upon completion of Primary Flight Theory. The Pilot Prep Pathway will be updated for the 2026-27 year, and Aviation Management and Drone Technology course options will be available to students as an off-campus dual-enrollment opportunity at Harper College sites beginning in the 2028-2029 school year.

Recommendation

The Board of Education is recommended to approve the revision of the Aviation Pathway and partnership agreements.
