FY2025 School Operating Fund Budget TRS/PERS Functional Breakdown**

Chugach School District
District Name

The department uses two required revenue object codes, 056 and 057, for the purpose of recording TRS and PERS on-behalf revenue. The full amount of the TRS and PERS on-behalf from all funds must be recorded in the operating fund. The district is to calculate the functional break-out in order to allocate the related on-behalf expenditure.

The district is to use the following allocation method for breaking out the TRS by function.

- 1) To calculate the TRS on-behalf amount take the difference between the Board Recommended Rate and the Effective Rate and multiply the difference by the total district wide TRS payroll from all funds. You will now have the total dollar amount of the TRS on-behalf for all funds.
- 2) Divide the (total district wide TRS payroll by function from all funds) by the (total district wide TRS payroll from all funds) to derive a percentage of total district wide TRS payroll by function.
- 3) The total district wide TRS payroll by function percentage is multiplied by the total TRS on-behalf to come up with the total TRS on-behalf by function to be recorded in the operating fund.

The district is to use the same methodology for recording total PERS on-behalf. The TRS and PERS on-behalf allocations are to be recorded in the schedule below and also included in the employee benefits in each function. The total on-behalf employee benefits by function should reconcile to the total on-behalf revenues recorded from page 4.

Note: TRS on-behalf rate for FY2025 is 16.03% and PERS on-behalf rate for FY2025 is 4.76%
