MINUTES OF THE REGULAR MEETING OF THE  
BOARD OF TRUSTEES OF ALLEN COMMUNITY COLLEGE  
IOLA, KANSAS, APRIL 14, 2026

Rebecca Nilges called the meeting to order at 6:00 PM; also present:

Trustees: Gena Clouch  
Vicki Curry  
Corey Schinstock  
Jenny Spillman – entered at 6:05 PM  
Jessica Thompson

Other Attendees: Dr. Lyvier Leffler, Dr. Kara Wheeler, Cami Keitel, Matthew Gleason, Karen Gillespie, Brad Henderson, Vince DeGrado, Jacob Reichard, Christine Freelove, Tracy Lee, Anne Marie Foley, Tricia Stogsdill, Patrick Matarazzo, Nikki Peters, Ryan Sigg, Dr. Susie McKinnis, Dr. Jean Swillum, Richard Luken, Robert Johnson, Brett Parker (KNEA), Brandon Scott (Enterprise), Josiah D’Albini.

Agenda Approval Corey Schinstock moved to approve the agenda as presented. Seconded by Jessica Thompson, motion carried 5-0.

Patron Concerns At the Policy Approval discussion, Dr. Susie McKinnis, English Instructor, voiced concern with policy BP 7.00 Application of Human Resources Policies concerning accreditation, with a portion of the wording after reading over HLC regulations.

Executive Session

At 6:03 PM, Gena Clouch moved to enter executive session for consultation with an attorney for the public body or agency, which would be deemed privileged in the attorney-client relationship for 10 minutes, to include the board and the board attorney, Robert Johnson, Johnson Law Office. Seconded by Vicki Curry, motion carried 5-0.

At 6:05 PM, Jenny Spillman entered the meeting.

At 6:13 PM, returned to open session, no action taken.

Presentations

Enrollment Management Nikki Peters, Director of Enrollment Management, presented summer and fall enrollment initiatives, expectations, and scheduling around athletics. An email campaign will be going out to students. Early enrollment is scheduled for April 15 and 20. Admissions is hosting campus visits, attending career fairs, and continuing with campus-wide recruitment, and will be piloting extended hours in the next 2 weeks, staying open until 7 pm. Several questions were answered and discussed. Peters is working on improving campus-wide communication and marketing collaboration, and is reviewing the communication plan for consistency and automation.

New Tagline Brad Henderson, Executive Director of College Relations & IT, reported that the student focus group met to create a new tagline for Allen. The meeting was productive with the results of Allen’s tagline: Where Opportunity Meets Community.

Consent Agenda Vicki Curry moved to approve the consent agenda to include the March 10, 2026 regular board minutes, the March 31 special board minutes, the personnel report, the financial documents, pay bills, and approve the statement of claims. Seconded by Jessica Thompson, motion carried 6-0.

Administrative Reports No questions or concerns to report on.

Board Reports KACC – Jessica Thompson, Trustee, was not able to attend the meeting. Dr. Kara Wheeler, Acting Vice President for Finance and Operations/Vice President for Academic Affairs reported KBOR changes on high schools' concurrent pay, Excel in CTE, the new Charlie Kirk bill, and legislation updates. Dr. Wheeler plans to work with staff on implementing the changes for next year.

Iola Industries – Corey Schinstock, Trustee, reported that the state park is set to have a grand opening event in June.

ACC Endowment – Vicki Curry, Trustee, reported that the endowment discussed the upcoming Gala event.

Board Finance Committee – (Vicki Curry-absent), Gena Clouch, Jessica Thompson, and Matthew Gleason met on March 30, 2026, to review and discuss the proposed tuition and fees for the 2026-2027 academic year before the special board meeting.

Policy Committee - Jessica Thompson met with the committee to review and discuss the policies being presented to the board for approval.

Resident Hall Committee - Corey Schinstock reported that committee meetings are being scheduled.

Hall of Fame Committee - Becky Nilges, Trustee, reported that the committee would meet next week to work on an early date for the next event and to start looking at candidates.

Other Board members—Nilges asked if the K-12 cell phone bill banning the use of cell phones and personal devices during the school day would have an impact on Allen. Dr. Wheeler responded that the MFA sign-in could cause issues; the IT team has whitelisted high schools to help with this.

#### New Business

Fleet Presentation Brandon Scott, Enterprise Fleet Management, explained Enterprise's objectives and the benefits of managing Allen's aging fleet with a more cost-effective plan by replacing the fleet with newer, safer, and more reliable vehicles. It was assured that there is no long-term commitment, and Allen will be able to choose the program for each vehicle. By collaborating with Enterprise, there would be an open-ended lease agreement, resulting in a reduction of maintenance and fuel costs. Enterprise charges \$25 per vehicle per month for management services. Currently, Allen has no fleet replacement plan, whereas Enterprise has a proactive replacement plan that can be set up for a five-year rotation plan. Ryan Sigg, Director of Physical Plant Operations, commented that finding vehicles at a reasonable cost is difficult and time-consuming, and finding 15-passenger vans is more difficult.

Corey Schinstock moved to accept the proposal from Enterprise Fleet Management's fleet synopsis as presented, with the exception of moving forward with the 15-passenger vans. Seconded by Vicki Curry, motion carried 6-0.

Policy Approvals

BP 3.03 Organizational Structure. Questions and discussion ensued over the position title changes, and the board's process of conducting new business prior to voting. Jessica Thompson moved to approve the AP 1.06 Organizational Structure as presented. Seconded by Corey Schinstock, motion carried 5-1. Jenny Spillman voted no.

BP 7.00 Application of Human Resources Policies: Karen Gillespie, Executive Director of HR, explained the purpose of the policy. After questions and discussion, the BP 7.00 Application of Human Resources Policies was tabled for better clarification and will be presented at the May board meeting.

BP 7.38 Electronic Devices: Questions and discussion ensued. Jessica Thompson moved to approve BP 7.38 Electronic Devices policy as presented. Seconded by Gena Clouch, motion carried 5-1; Spillman voted no.

BP 7.50 Criminal Background Check: Gillespie explained the policy and answered questions. Corey Schinstock moved to approve BP 7.50 Criminal Background Check policy as presented. Seconded by Jessica Thompson, motion carried 5-1; Spillman voted no.

BP 7.51 Employee Recruitment Selection and New Hire Requirements: Two policies were combined to outline recruitment and new-hire requirements. Jessica Thompson moved to approve BP 7.51 Employee Recruitment Selection and New Hire Requirements policy as presented. Seconded by Vicki Curry, motion carried 5-1; Spillman voted no.

Jessica Thompson moved to implement the approved policies, AP 1.06 Organizational Structure, BP 7.38 Electronic Devices, BP 7.50 Criminal Background Check, and BP 7.51 Employee Recruitment Selection and New Hire Requirements to go into effect on May 1, 2026. Seconded by Corey Schinstock, motion carried 5-1; Spillman voted no.

Board Retreat Date

Three dates in June were discussed for the board retreat. Karen Gillespie, Executive Director of HR will contact the presenter, Aidan Dunleavy, and email the finalized date and time.

Old Business  
Proposal

Discussion ensued on moving forward and prioritizing the lecture hall/fine arts facility proposal from last month's presentation. The lecture hall is outdated, has poor acoustics, and is in need of renovation. Discussion ensued about adding the fine arts facility to the long-term facility plan.

Jessica moved to give the president's cabinet authority to investigate the feasibility and provide concepts for the lecture hall, the fine arts facility, and numbers in the programs. Gena Clouch seconded, motion carried 6-0.

Budget Timeline

Matthew Gleason, VP for Finance and Operations, briefly explained the updated 2026-2027 budget timeline with pending changes with state and federal funding.

### Executive Sessions

At 9:00 PM, Gena Clouch moved to enter executive session for the purpose of discussing personnel matters for 15 minutes, to include the board, Karen Gillespie, Executive Director of HR, and Dr. Lyvier Leffler, President. Seconded by Jessica Thompson, motion carried 6-0.

At 9:15 PM, Jessica Thompson moved to extend the executive session for 5 minutes. Seconded by Corey Schinstock, motion carried 6-0.

At 9:20 PM, returned to open session, no action taken.

At 9:21 PM, Jessica Thompson moved to enter executive session to discuss matters relating to actions adversely or favorably affecting a person as a student, patient, or resident of a public institution for 10 minutes, to include the board, Dr. Leffler, Cami Keitel, VP for Student Affairs. Seconded by Corey Schinstock, motion carried 6-0.

At 9:31 PM, returned to open session, no action taken.

### Adjournment

At 9:31 PM, Jessica Thompson moved to adjourn the meeting. Seconded by Vicki Curry, motion carried 6-0.

- March 30<sup>th</sup> – Small Business & Entrepreneur Action Council

### **Grant Administrator and Government Relations Officer – Sonia Gugnani**

#### **Grants:**

- Rural Apprentice Innovation for a Stronger Economy (RAISE): Worked with Kelly and Jessica to create a new apprentice program for grant writing. The application was submitted to the Kansas Office of Registered Apprenticeship to support the development of a new grant writing apprenticeship program (\$28,691) and build local capacity in grant development while creating hands-on learning and workforce opportunities for participants. There is a dollar-to-dollar match required for the grant, which will be met through employer paid apprentice wages.
- USDA Specialty Crop Production Grant: Worked with Amelia to create a \$39,171.47 grant application, which will focus on establishing a 5,000-square-foot pumpkin farm. The project aims to increase awareness, production, and hands-on learning opportunities related to specialty crops. In addition to supporting agricultural education, the initiative will serve as a demonstration

site for students and the broader community. The application was submitted to the USDA on April 17.

- **Campus Consortium Foundation (CCF):** An application has been submitted to the Campus Consortium Foundation for funding to support implementation of the AI and Python course with an MIT Certificate. This opportunity would expand access to emerging technology education, strengthen workforce readiness, and position the institution at the forefront of AI and computer science training for community college students.
- **Registered Apprenticeship Grant:** Progress continues under the Registered Apprenticeship Grant. Kelly and I met with Emily to create a promotional flyer for National Apprenticeship Week and update the website to reflect current apprenticeship offerings. Additionally, both the monthly and quarterly reports have been completed and submitted. The Office of Registered Apprenticeship was very pleased with our efforts to promote apprenticeships. The next quarterly report is due in July.
- **Walk America Grant:** Met with Jena and Marcia from Thrive Allen County to discuss the proposed location of the labyrinth on campus. Jena is currently developing a formal proposal that will include the design concept and cost estimates for the project.

#### Meetings:

- Met with a representative from the National Coalition of Certification Centers (NC3) to review and align curriculum for the Diesel Technology program.
- Met with Greystone to discuss expansion of apprenticeship opportunities; they have committed to adding three new apprentices.
- Talking with Medical Lodge to discuss the development of CNA and CMA apprenticeship pathways.
- Attended the National Apprentice Week Summit in Topeka on April 29.
- Attended the TEA meeting.
- Attended weekly President's meetings.
- Reviewed applications for the CDL Director position.

#### **Director of Institutional Effectiveness and Research - Jacob Reichard**

- I am working with Kelly Baker to prepare for our KBOR Perkins Audit. Every year, the state selects 2-3 colleges that utilize Perkins funds and conducts an audit with them to ensure everything is being done properly. The colleges are selected based on a range of criteria, including turnover in key positions and length of time since the last audit. This will be Allen's first Perkins audit in many years, which was the primary reason we were selected. The audit consists of data collection, a review of facilities (happened April 20), and correcting any findings that are given.

- We are meeting internally with a large group of staff members to review changes being pushed out by KBOR regarding Excel in CTE funding, tiered/non-tiered funding, and reporting requirements. The changes will require ACC to make changes in the data collected from students as they progress through the student life cycle. The changes will start rolling out with our fall students.
- We are working through minor issues in our J1 implementation as they are discovered. Depending on what is causing the issue, we are either making changes to workflows or making changes to the backend process. These issues are expected as part of the implementation and the number of them being found is decreasing.

#### Upcoming Conferences, Events, and Reports

- Jenzabar Annual Meeting (JAM) – Dallas, TX – May 27<sup>th</sup>-30<sup>th</sup>
- Benchmarking Conference – JCCC – June 9<sup>th</sup>-11<sup>th</sup>

#### Director of Advancement – Vince DeGrado

##### Endowment

A scholarship agreement for the Bernie Blevins Scholarship Fund and the Endowment Scholarship committee will meet to map out all of the details and goal will be for scholarships to be applied and awarded to students for Fall of 2026. The Endowment's 2026 Red Devil Scholarship Gala future date is set for Friday, April 30<sup>th</sup>.

2026 Red Devil Gala was an absolute success.

Will have itemized report and slide show presentation

##### Alumni Relations

Working on articles for the Spring Alumni Newsletter which will be sent out later this soon.

##### Advancement

  - Issues with lack of retention of students and recruiting
- Past Issues Progress:
  - Faculty Senate has been working with Cami Keitel on moving forward with the Disability handbook. Anne Marie gathered concerns and questions faculty have about accommodations of students with disabilities. Anne Marie provided the feedback to Cami who passed them along to an expert that was brought on campus. Faculty had an opportunity to talk with the expert on issues, questions, and concerns they have

#### Faculty and Classes (Melanie Wallace/Jerald Johnson):

- Christa Update from Jon Wells – History and Political Science Instructor, on *Americas 250*: Americas 250 “democracy in action” project “international food fest” was a great way to bridge the divide between community and college. We had a great turn out and Brad Henderson is working on keeping that event running for next year. The city is in discussions and will most likely continue the “democracy in action” projects. I will put in my budget the funds for next year and we are excited to see what the students come up with next year.
- Updates from Linda Sterling – Psychology Instructor: Hosted Southeast Kansas Mental Health Center in my Developmental Psychology class. Panelist for Zero Reasons Why - Johnson County Spring Mental Health Forum. Speaker/contributor for BlueKC/KC Current’s upcoming Teal Talks Event for their Sideline the Stigma campaign. I’ve been asked to provide sport psychology consulting for the Allen baseball team next year.
- Summer and fall schedules are live and seeing enrollments. It has been a collaborative effort to populate classes on the schedules, and now with J1, more departments are able to help with this process. There were some early issues with web registrations and self-enrollment, but the Advising office has worked closely with the Registrar and J1 consultants, and most of these issues have

been resolved. Multiple faculty search committees have started interviews this month. CDL interviews begin soon.

- PTK Scholarship Luncheon was held on Friday May 1<sup>st</sup> to recognize 3 Allen students who received scholarships. This year, PTK is not doing a regional luncheon. Allen wanted to celebrate our recipients. Anne Marie Foley and Alyssa Adams – PTK Sponsors, arranged a luncheon on campus.
- Final exams for the spring semester will take place on May 11<sup>th</sup>, 12<sup>th</sup> and 13<sup>th</sup>. Faculty's last contract day is May 15<sup>th</sup> and grades are due on Sunday May 17<sup>th</sup>.

#### Early Childhood Education (Beth Toland):

- No new updates at this time.

#### Online Learning (Jerald Johnson):

- Online Learning: Online Learning is currently working on the Canvas integration. There is testing until May 8, and the integration is set to go live May 18, after the completion of the SP26 term. The online team will create course copies for summer classes, as well as enroll students into the Canvas orientation course after the spring term ends.
- J1: J1 is still taking time to adjust to, and with the internal moves made during April, I'm confident we will continue to improve our processes and reduce the time required to do our daily tasks. We continue to find issues, but overall, are able to resolve most of them internally. We transition on May 1 from hyper care to managed services. Our module managers (most Directors and a couple of other positions) will now create their own Jenzabar support tickets to resolve issues. This is a fairly significant change from CX. The college is also sending representatives to the Jenzabar Annual Meeting in Dallas. The school will present multiple sessions at the conference, as well as meet with our module consultants to follow up on our transition.

#### Concurrent/Dual Credit (Lauren Moots):

- Hosted and recorded a high school counselor training open to all dual credit and concurrent schools we work with. Provided updates on catalog, new programs and certificates, FERPA, KBOR Legislative changes, Excel in CTE and other J1 Web and J1 Portal changes.
- Presenting at over 7 high schools with students continuing their career at Allen this fall for an academic, athletic or activity. Schools include Iola, Humboldt, Erie, Burlington, Pleasanton, Yates Center, and Santa Fe Trail.
- We will have at least **8 high school students graduate with their associates degree with Allen and graduate from high school this year!**
- Created a new high school student guide that was sent out to all high school students prior to enrollment or after. Answers course options, billing, enrollment process, Excel in CTE and other FAQ's for any issues after enrollment.
- Completed all concurrent evaluations for Spring 2026.

- Working through J1 issues while registering students for both summer and fall. Also working with Nikki and Online learning to create more streamlined communication to all students and including high students with the new changes in J1.
- Actively registering students for summer and fall with counselors, slightly later due to course schedule being published later and J1 issues.
- Working with marketing for more targeted high school marketing flyers, ads, etc
- Connected with the Jones Foundation - scholarship includes Coffey, Lyon and Osage county high school students that will cover their books and fees. Currently how our CTE high school classes are structured, this won't apply. Great information to have as we add new CTE programs that this foundation is available to help assist our high school students in these counties.
- Working on designing a high school student orientation class in Canvas and in person tour (if desired) similar to full-time students attend at Allen.

#### CTE & Apprenticeships (Kelly Baker):

- Perkins:
  - Perkins Program Review occurred on Monday, April 20th. We had a good visit with Jamie, Vera, and Brandi from KBOR. It was more of a 'technical assistance' visit than anything. No major issues were found. We will receive our formal letter from KBOR indicating what items, if any, need addressed approximately 30 days post-visit.
  - We were selected for a Perkins Program Improvement Plan due to our 3P1 numbers. I am still working with Jacob Reichard to finalize our improvement plan strategies, which include targeted focus on marketing to non-traditional students (men in traditionally women dominated fields, and vice versa), increasing student awareness of available accommodations, and looking at options for financial assistance to help our economically disadvantaged families.
  - First Draft of the FY27 Perkins budget paperwork has been submitted to our consortium lead at Pitt State. He will compile the information and submit to KBOR for review.
- Grants:
  - Sonia and I worked with Jessica Thompson from Thrive on the RAISE grant. The Grant Writer apprenticeship was submitted and approved by the Kansas Apprenticeship Council (KAC). Just waiting to see if we are awarded grant funding.
  - Greystone Residential Care signed 3 apprentices to our Nurse Aide, Certified, apprenticeship. Sonia and I met with Medicalodges on Thursday, May 4th. They are going to sign some apprentices as well. We should know how many by end of next week.

- Met with Rhonda Stotler, City Clerk for Gas, KS. Are working to develop a City Clerk apprenticeship. Humboldt, KS, is also interested in utilizing this.
- Career Day:
  - Drive Your Future: Career Exploration Day was held on Thursday, April 28th in honor of National Apprenticeship Week. We had approximately 325-250 students from area schools (Burlington, Humboldt, Marmaton Valley, Iola) attend. The attendees, their chaperones, and the business participants all said they enjoyed the event and were hopeful to participate again next year. It was a beautiful day and all the students were respectful, attentive, and engaged. Thank you to everyone for all your help and support! You made the day a great success!
- Other:
  - Have reviewed applications for CLD Director. Will begin interviewing soon.
  - Completed Zoom interviews for Vocal Music Instructor and are currently conducting in-person interviews.

#### Academic Support (Virginia):

- Tutoring: With the changeover to J1, tutoring numbers will be incomplete as the program did not work while the system was dark. Students are continuing to utilize peer tutors and Brainfuse.
- Library:
  - The library, in partnership with Southeast Kansas Library System, is working on a program featuring technology that is available for libraries to check out. Some items that will be available are a 3-D printer, a laser engraver, VR goggles, and small maker drones. This event is scheduled for June 6th and will be open to the public.
  - Test proctoring is seeing weekly use as the semester winds down.
  - The collection analysis project is still ongoing. We are also working on removing the biographies from the general stacks and putting them in their own section. This will make it easier for individuals to find biographies and give them the ability to browse the sections.

#### Upcoming Events:

- Final Exams – May 11<sup>th</sup>, 12<sup>th</sup> and 13<sup>th</sup>.
- Summer semester begins on June 1<sup>st</sup>

## FINANCE AND OPERATIONS REPORT

**Acting Vice President for Finance and Operations – Dr. Kara Wheeler**

### **Business Office – Alicia Sterling**

- Initiatives and projects currently in progress:  
We continue to work through ongoing J1 system issues. Progress has been challenging, as improvements are often followed by new setbacks. With the conclusion of Hypercare and consultant-led training, we have transitioned fully to the ticketing system and are now addressing issues independently as they arise.  
Additionally, we have conducted interviews with several candidates for the Business Office Assistant position and are in the process of evaluating next steps.
- Recent or upcoming events:  
No events to report at this time.
- Accolades or recognitions for team members or departments:  
The team continues to collaborate effectively while navigating J1 challenges, demonstrating persistence and teamwork.
- Key statistics and data relevant to your area of responsibility:  
No new data to report at this time.

### **Bookstore Manager – Austin Hendrix**

- Initiatives and projects currently in progress: We had a meeting with our representative, who is helping us get the online storefront set up. We are

working on integrating our payment processor with the store to get it ready to go live. After working with the business office, we are planning for it to go live in the summer.

- Recent or upcoming events in your area: Austin is organizing another ping pong tournament for students for May 4th. The bookstore will be open for graduation. The summer semester is coming quickly, but our Verba Connect platform is ready to go. We should only have 3 classes we need to ship books for this semester.
- Accolades or recognitions for team members or departments: None at this time.
- Key statistics and data relevant to your area of responsibility: For the summer semester, we should have 23 Verba Connect items paired to classes. These are mostly ebooks, but with a few course-wares (ebook meaning electronic textbook, course-wares are items that have ebooks but also other resources for the class to use, sometimes even assignments that are used as part of the class).

#### **Director Physical Plant and Operations – Ryan Sigg**

- **Custodial Maintenance:**
  - Our Custodial Maintenance Department is preparing for the summer operations of cleaning dorms, main campus, theater, etc.
- **Grounds Maintenance:**
  - Our Grounds crew is continuing construction on the Disc Golf Course. For the safety of our students walking on campus, the grounds crew will be installing the approved additional speed bumps. Plans are in progress to update all ADA parking with signage and required markings. With the Spring weather, our campus mowing has had some challenges. They are working hard to keep up with the grass in the limited opportunities.
- **Automotive/Equipment Maintenance:**
  - Our Automotive/Equipment Tech has been working to keep the grounds equipment clean with the Spring weather. He has been working with us on the fleet replacement of vehicles and planning the arrival of new vehicles.
- **Maintenance Techs I & II:**
  - Both of our Maintenance Techs continue with the service requests filed through MicroMain on a daily schedule.
  - Below is data collected for our maintenance request in MicroMain:
    - January 1, 2025 – December 31, 2025 – 1,002 completed requests
    - January 1, 2026 – April 28, 2026 – 444 completed requests
    - April 1, 2026 – April 28, 2026 – 82 completed requests
    - Note: Data only reflects maintenance requests filed through MicroMain.

- Maintenance Projects:
  - Updates to Facilities Assessment are limited this month.
  - Projects highlighted in light blue are in progress.
  - Please see Facilities Assessment Timetable tab April 2026 for reference.

### **Music Department Enrollment**

Fall 2024 on-campus Music class enrollment (some classes are conducted at area High Schools, and I subtracted those numbers): 59

Spring 2026 on-campus enrollment: 62 **Increase of 5.88% in 1.5 Academic Years**

Concert Band Participation Fall 2024: 2 (increased to 7 once Patrick Matarazzo started)

Concert Band Participation Spring 2026: 9 (**increase of 28% to 350%** depending on how you would like to calculate it using either 2 or 7 as the starting number)

Jazz Band Participation Fall 2024: 0

Jazz Band Participation Spring 2026: 9 (**increase 900%**)

Fall 2025 Choir Enrollment: 0

Spring 2026 Choir Enrollment: 5 (**increase 500% in less than one academic year**)

### **Art and Graphic Design Enrollment**

Art and Graphic Design numbers have remained steady, and fluctuations are not significant.

**Many Art and Graphic Design classes are Full every semester**

Average Total Art Class Enrollment per semester: 111.5

Average Total Graphic Design Class Enrollment per semester: 84.5

Scholarships for Art and Graphic Design combined have remained steady at 5 each, total 10

**Art and Graphic Design currently cannot expand due to facilities limitations-i.e. they physically cannot put more students in the current spaces, so we could very likely see increases with increased space.**

### **Theatre & Film Enrollment**

Theatre & Film Scholarship Students Fall 2022 (Tricia Stogsdill's start date): 8

Theatre & Film Scholarship Students Fall 2026: 15 **increase of 87.5%**

Fall 2024-2025 Theatre Class Enrollment including the Gen Ed Theatre Appreciation: **Steady**, no increase or decrease despite a 27% decrease in Gen Ed enrollment overall

Theatre & Film Program Course Enrollment Fall 2024 to Fall 2025: **Increase of 21% in one Academic Year**

Theatre & Film Class Enrollment Spring 2024 to Spring 2025- **21% increase**

**Program Course Enrollment Fall 2022 (Tricia Stogsdill's start date) to Spring 2026 increase: 128%**

Percentage Increase of Overall American College Theatre Festival Allen Theatre & Film Departmental Awards from 2022-2025: **1,600%**

Percentage Increase of ACTF Region V Awards Won for a single production from 2022-2026: **1,000%**

**Note:** In 2025 and 2026 we won the most awards per production (some schools produce and enter more shows than us, so have higher overall numbers) of any college or university in the state

Number of Awards Won by the Theatre & Film Department since 2022 (4 Academic Years): **38** (for context, we used to only win a couple of awards every year, this is a drastic increase)

**Number of ACTF Regional Awards Won in the past 4 years (meaning our students beat out all the students in the 7-state Region up to the graduate level): 3**

**Note:** We did not attend the Regional Festival this year, and that is the only time in the past 4 years we have not won a Regional Award (you must attend to be eligible). In the past 4 years we have been held for consideration for National Recognition TWICE, every time we have entered a production at that level. And we are competing against Division I schools in 7 states.

These increases and steady enrollment are despite a 2.7% reported drop in overall college enrollment for Fall 2025, and an approx. 11.5% decrease from 2022-2025 according to publicly available information

If the awards and growth rate seem impossible, it's because they are nothing short of miraculous. No other Theatre & Film program is growing in both numbers and accolades like we are, and it is entirely due to your support and extremely dedicated faculty. We are beginning to have a national reputation for excellence. We want Allen to be known for its superior Fine and Performing Arts.

Total Number of Students that would benefit on average from a Fine and Performing Arts Center according to current numbers: **311**

Approx. Percentage of in-person students that participate in the Fine/Performing Arts: **38.8%**

Other area Fine/Performing Arts programs that don't have our soaring enrollment numbers or prestige are investing in their spaces, which will make them more competitive with us. For example: Right now we have 357% more enrollment in Theatre Program Courses than Neosho County Community College, and 39% more enrollment in general Theatre courses overall (including Gen Eds like Theatre Appreciation), and they are doing a big overhaul of their fine/performing arts spaces. Note: their theatre dept is listed as communications, so their Theatre Instructor also teaches Public Speaking, which is the majority of their teaching load. They do not even have a stand-alone theatre program.

**Note:** Since Fort Scott is essentially eliminating their Performing Arts, the primary institutions with Theatre and Music programs in our area would be Independence Community College and Neosho County Community College. Both will have significantly nicer facilities than ours, making it harder for us to be competitive in one of our few growing areas.

The quality and condition of our spaces do not currently align with the quality and reputation of the program. Also, the current growth rate will mean that the Theatre & Film program will not be able to admit all the students that want to attend in as little as 1-2 years. We want to remain an accessible program. My concern is that our current momentum cannot be sustained with our spaces as they are, and it will begin to go the other way.

ALLEN COUNTY COMMUNITY COLLEGE  
BOARD OF TRUSTEES  
POLICIES AND PROCEDURES

NAMING OPPORTUNITIES AND RECOGNITION

I. POLICY

1.00 GENERAL STATEMENTS

1.01 Purpose

These Procedures are set forth for the purpose of providing guidance to the administration, staff, volunteers, and donors of Allen County Community College in arranging for gift naming opportunities, and the recognition of major monetary and nonmonetary gifts, or exceptional service to the College.

Recommendations for the naming of a facility, program, endowed chair, scholarship, or event are to be submitted to the Director of Development in writing, including the purpose of the gift, gift amount, how it is to be paid, name to be used, and any other pertinent information. The Director of Development shall attend the next regularly scheduled meeting of the President's Council and present the naming request to that group. If approved by the President's Council, the naming request will be presented to the Board of Trustees at their next regularly scheduled meeting, in executive session if the individual is not an elected official, and will be voted on at that meeting or the following meeting if additional information is requested.

The final authority for name recognition approval rests with the Allen County Community College Board of Trustees. The Board retains authority over all college facilities, property, programs, and events and may take any action which is necessary to carry out the mission of the college, maintain the public trust, and enforce policies which are in the best interest of the college.

The naming of a college facility, program, endowed chair, scholarship, or event is appropriate when:

- A donor has provided a significant contribution to the benefit of the College.
- The College chooses to honor an individual based on their character, service, or other merits.

1.02 General Provisions

Each naming opportunity granted in exchange for anything of economic value shall be subject to a written agreement between the College and the donor.

Each naming opportunity granted for distinguished service shall be subject to review and approval by the President's Council. This review shall include the nomination and written conditions.

II. PROCEDURES

2.00 Naming Eligibility

2.01 Honorific naming

Facilities, programs, or events may be named for an individual who has provided distinguished or meritorious service to the college. Such an honor may be considered for any individual, either alive or deceased, who has significantly and positively impacted the College in its pursuit of fulfilling its mission. All honorific naming opportunities granted for extraordinary and distinguished service shall take into account, as appropriate, the support of college faculty and staff as well as the support of the community.

2.02 Gift Naming

By making a significant gift to Allen County Community College, donors may be offered the opportunity to select the name of a facility, program, endowed chair, scholarship, or event.

Prior to every Campaign, the opportunities for naming rights will be evaluated and updated. The Director of Development will keep a current list of facilities, scholarships, programs, endowed chairs, and events available for naming.

a. Minimum Gifts

The naming of a facility, program, scholarship, endowed chair, or event may be recommended based on receipt of a substantial gift or pledge by a donor. A "substantial gift" may be pre-determined, as in endowed scholarship minimums, or is a significant majority of the project, program, endowed chair, or event cost (51% or more). If not a significant majority of the cost, the amount is substantial and is integral to project completion as determined by the Board of Trustees.

The minimum gift requirement for a naming gift opportunity will be set by the Endowment Association Board with the approval of the Allen County Community Association Board of Trustees.

b. Acceptable Gifts

Naming gifts may be made using cash, marketable securities, real estate, in-kind property or certain deferred gift arrangements.

c. Criteria for Acceptance

The College will judge the acceptability of potential naming gifts based upon one or more of the following criteria: the naming gift's usefulness and inspirational value to the student body; its physical or aesthetic enhancement of the campus; its contributions to the heritage and reputation of the College, and its compliance with the stated Capital Campaign purpose.

d. Permanence of Naming

When a college facility, program, endowed chair, or event has been named by the Board of Trustees, it is the College's intent to continue to use the name as long as the facility, program, endowed chair, or event remains in use and serves its original function, or as otherwise may be provided for in the written agreement between the parties and as subject to Kansas statutes that exist now or may exist in the future.

When the use has changed such that the named facility must be demolished, substantially renovated, or rebuilt, the College may retain the use of the name, name another comparable facility, or discontinue the use of the name. Discontinued or greatly modified programs, endowed chairs, or events may be handled in the same way. Such decision shall be made by majority vote of the Board of Trustees.

When provisions, as specified in a) the written agreement between the parties for a financial support naming or b) in the written conditions statement for a distinguished service naming allow for a name on a facility, program, endowed chair, or event to be changed or removed, such decision shall be made by majority vote of the Board of Trustees.

e. Removal of a Name

College naming opportunities shall bear only the name of individuals or entities that exemplify the attributes of integrity, character and leadership consistent with the high values of Allen County Community College Board of Trustees. In the event those attributes are not maintained by the donor(s), the

Board of Trustees reserves the right to remove the donor/honoree's name from a physical space, program, department, unit, event or other named entity at any time.

f. Tax Deductibility

Gifts that are accorded naming opportunities and that further the College's mission are deductible in accordance with the Internal Revenue Code and IRS guidelines. Donors are responsible for appraisals or other proof of value of the gift.

g. Costs of Implementation

Costs associated with creating donor recognition systems or plaques may be paid from either a portion of the naming donor's gift or with internal budgeted resources as negotiated at the time of the gift.

h. Flow of funds

The Allen County Community College Endowment Association will receive Capital Campaign donations. Funds will be transferred by the Association to a College account stipulated by the Vice President for Finance & Operations when appropriate. The payments from said account will be restricted to use for the stated purpose of the Capital Campaign or donation.

## 2.03 Gift Agreements

Each capital or endowment gift that occasions a naming opportunity must be accompanied by a written gift/pledge agreement that has been approved and signed by the donor or the donor's designated representative. Each gift agreement will specify the purpose of the gift. If the naming gift entails a multi-year pledge payment, the schedule for such payments must also be detailed.

## 2.04 Timeframe for Pledged Gifts

Naming of a building or an area requires a completed Gift/Pledge Agreement and full receipt of cash or assets that can be converted to cash immediately. Generally, buildings will not be named in honor of a donor in return for an estate commitment.

Naming gift opportunities for non-physical assets (e.g. endowed funds, endowed laboratories, endowed chairs, endowed professorships, endowed fellowships, endowed lectureships, etc.) may be secured by confirmation of a documented, multi-year pledge. Naming of the selected purpose will not be confirmed until the

pledge is fulfilled, unless an exception is granted by the Board of Trustees. In the event a donor's pledge is not fulfilled, the naming opportunity will be forfeited.

Pledges for named endowment gifts must be completed within five years from the initial pledge date. For endowment pledges that do not reach the minimum funding level within the stated five-year period, the donor or their representative will be consulted to determine the most appropriate course of action, which may include a pledge extension or the transfer of the donated funds to an account stipulated by the President.

#### 2.05 Named Gift Approval Process

- a. The Allen County Community College Board of Trustees retains final approval for all naming opportunities at the College.
- b. The President shall delegate the coordination of gift agreements and naming designations for endowed scholarships to the Director of Development.
- c. The President will make recommendations to the Board of Trustees with regard to any offer to name a program, endowed chair, scholarship, physical structure, facility or other purpose at the College that has been approved by the President's Council.

#### 2.06 Naming of Buildings and Interior Spaces

##### a. New Construction

Naming rights for new facilities require that naming donors contribute the minimum amount set by the Endowment Association and approved by the Board of Trustees.

##### b. Renovations

Naming rights for a building requiring major renovations shall be subject to the policy of a minimum of fifty-one percent (51%) of the facility's total remodeling cost and/or as set by the Endowment Association and approved by the Board of Trustees.

##### c. Renaming Existing Buildings

Existing buildings that are currently named but do not recognize a particular benefactor and are not subject to earlier restrictions may be subject to renaming by action of the Board of Trustees.

d. Interior Spaces

Unnamed internal spaces within existing buildings are eligible as naming opportunities occasioned by a significant gift to the College and approval of the Board of Trustees.

2.07 Naming Opportunities for In-Kind Gifts

The Director of Development will facilitate the acceptance of any non-cash gifts to the College, such as real property and gifts of tangible personal property, including but not limited to works of art, manuscripts, literary works, boats, motor vehicles and computer hardware. In cases where the gift is designated for a specific department, the Director will coordinate the gift acceptance process with the appropriate Vice President.

In keeping with the minimum gift requirements established in this Policy, the Director may recommend a naming opportunity be established for the donor. Naming opportunities and recognition for the acceptance of gifts of art or artifacts will be made available based upon the appraised value of the in-kind gift and consistent with the minimum amounts established elsewhere in this Policy. Appraisals are the responsibility of the donor.

For gifts of art and artifacts, the College will not guarantee that such items will be displayed publicly, either permanently or for shorter periods of time.

III. SPECIFIC STATEMENTS

3.00 Recognition of Donors

The specific amount of a donor's proposed gift may be maintained as a confidential matter between the donor and the College to the extent allowed by Kansas law; however, the College may wish to publicly announce a gift in the interest of encouraging other prospective donors to make similar commitments. Such gift announcements will be made only after securing the permission of the donor and offering the donor an opportunity to review the announcement.

Signage used to recognize a donor shall be determined by the College and be consistent with all other College signage in use at that location and /or consistent with similar signage used throughout the campus.

**COACH CRANE COURT**

## Neil Crane Basketball Court-Naming

A court-naming fundraiser was established through the Community Foundation to name the basketball court after Neil Crane. The fundraising goal was set at \$100,000, which is a number that was established by the college to name the gym floor. Over two years, and with the help of matching fund campaigns, more than \$80,000 has been raised. Because all contributions were generated through matching funds, only the earnings from the fund may be used for project expenses. To date, earnings total \$3,476.89. This amount is expected to increase significantly by January 2027, as it will then reflect returns from all quarters.

To complete the \$100,000 goal, funds donated by Craig and Georgia Abbott to the Allen Community College Endowment Association will be applied to cover the remaining \$20,000 to complete the contribution to submit the naming rights. In addition, the Abbott Family contribution of \$50,175.72 has been offered to support the gym floor/bleacher project.

## Board Policy 7.34

<i>Board Policy Title:</i>	<i>Nepotism</i>
<i>Board Policy Number:</i>	BP 7.34
<i>Adoption Date:</i>	2026
<i>Schedule for Review &amp; Update:</i>	Every three years
<i>Review Date(s):</i>	
<i>Revision Date(s):</i>	
<i>Legal Reference:</i>	
<i>Cross Reference:</i>	<i>I-E-1.3 (archived)</i>

The purpose of this Policy is to avoid actual or perceived unfair treatment of current and prospective employees and students by the Board or College employees resulting from familial relationships.

The Board of Trustees is committed to avoiding any potential conflicts in college operations.

Employees that are “close relatives” shall have no direct supervisory responsibility for each other.

Individuals who are “close relatives” of a member of the Board of Trustees shall not be considered for employment with the College during the Board Member’s term of service. This restriction is intended to prevent both actual and perceived conflicts of interest and to maintain public trust in the integrity of institutional decision-making. Board Members will disclose and recuse themselves from any personnel action that involves relatives. Personnel matters could include, but are not limited to, grievance, discipline, hire, termination, or nonrenewal.

Close relatives shall be defined as including the mother, father, grandmother, grandfather, grandchild, spouse, son, son-in-law, daughter, daughter-in-law, brother or sister of the employee, brother-in-law, sister-in-law, or any relative living in the immediate household of the employee. All other relationships will be considered on a case-by-case basis, taking into consideration the employment supervisory relationship.

*Note: Above policy is modeled after Neosho Community College policy*

**TRUSTEE NEPOTISM EMPLOYMENT**

## ~~I. POLICY~~

### ~~1.00 GENERAL STATEMENT~~

~~1.01 The Board of Trustees is serious about avoiding potential conflicts in college operations. The full-time employment of trustees is prohibited at the college.~~

### ~~2.00 SPECIFIC STATEMENTS~~

~~2.01 The President shall make every reasonable effort to determine whether candidates for employment in the college are related to a Board member. If a candidate for employment is related to a Board member, the President will make this fact known to the Board before any recommendation is made to fill a vacancy.~~

~~2.02 The fact that a candidate for employment is directly related to a Board of Trustee member shall not exclude the candidate for employment at the college.~~

*Cross Reference: NEW POLICY*

Employees are expected to comply with all applicable Policies and Procedures. The Board of Allen Community College (the College) reserves the right to add to, delete from, alter, amend or waive the application of employee Policies and Procedures. The College's Policies and Procedures are not a contract between employees and Allen or its Board. Any verbal or written assurances that are inconsistent with the College's Policies are not binding on the College unless specifically approved by the Board.

**Applicability:** The College's Human Resources Policies and Procedures shall apply to all employees, unless otherwise stated. If any portion of a Policy or Procedure is inconsistent with any master agreement with "professional employees" of the College, the term of the master agreements will control.

Except as otherwise specified, where these policies refer to a position by its title, this reference to title shall be interpreted to include "or his/her designee."

If any provision of these policies is found to be inconsistent with the law or is deemed invalid by a court with jurisdiction over the College, such provision shall be considered void, but all other provisions shall remain in full force and effect.
