Disclaimer & Terms

Ehlers Investment Partners ("Ehlers") is an SEC registered investment adviser. For additional information about our firm, please see our current disclosures (Form ADV) on our website at www.ehlersinc.com/disclosures.

Information contained in this performance summary is confidential and for informational purposes only and should not be construed as specific investment or legal advice. The information contained herein was obtained from sources believed to be reliable as of the date of this summary but may become outdated or superseded at any time without notice.

Custody: Your qualified custodian bank/brokerage maintains control of all assets reflected in this summary and we urge you to compare this summary to the one you receive from your qualified custodian. Ehlers does not have any authority to withdraw or deposit funds from/to the custodian account.

Valuation: Prices are provided by IDC, an independent pricing source. In the event IDC does not provide a price or if the price provided is not reflective of fair market value, Ehlers will obtain pricing from an alternative approved third-party pricing source in accordance with our written valuation policy and procedures. Our valuation procedures are also disclosed on our Form ADV Part 2A.

Performance: Performance results are presented gross-of-advisory fees and represent the client's Total Return. The deduction of advisory fees lowers performance results. These results include the reinvestment of dividends and other earnings. Past performance may not be indicative of future results. Therefore, clients should not assume that future performance of any specific investment or investment strategy will be profitable or equal to past performance levels. All investment strategies have the potential for profit or loss. Economic factors, market conditions or changes in investment strategies, contributions or withdrawals may materially alter the performance and results of your portfolio.

ICE PERMITS USE OF THE ICE INDICES AND RELATED DATA ON AN "AS IS" BASIS; ICE, ITS AFFILIATES AND THEIR RESPECTIVE THIRD PARTY SUPPLIERS DISCLAIM ANY AND ALL WARRANTIES AND REPRESENTATIONS, EXPRESS AND/OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE, INCLUDING THE INDICES, INDEX DATA AND ANY DATA INCLUDED IN, RELATED TO, OR DERIVED THEREFROM. NEITHER ICE DATA, ITS AFFILIATES OR THEIR RESPECTIVE THIRD PARTY PROVIDERS GUARANTEE THE QUALITY, ADEQUACY, ACCURACY, TIMELINESS OR COMPLETENESS OF THE INDICES OR THE INDEX DATA OR ANY COMPONENT THEREOF, AND THE INDICES AND INDEX DATA AND ALL COMPONENTS THEREOF ARE PROVIDED ON AN "AS IS" BASIS AND LICENSEE'S USE IS AT LICENSEE'S OWN RISK. ICE DATA, ITS AFFILIATES AND THEIR RESPECTIVE THIRD PARTY DO NOT SPONSOR, ENDORSE, OR RECOMMEND EHLERS, OR ANY OF ITS PRODUCTS OR SERVICES.

Index returns assume reinvestment of all distributions. Historical performance results for investment indexes generally do not reflect the deduction of transaction and/or custodial charges or the deduction of an investment management fee, the incurrence of which would have the effect of decreasing historical performance results. It is not possible to invest directly in an index.

Ratings: Ratings information have been provided by S&P, Moody's, and Fitch through data feeds we believe to be reliable as of the date of this statement, however we cannot guarantee its accuracy.

Security level ratings for U.S. Agency issued mortgage-backed securities ("MBS") reflect the issuer rating because the securities themselves are not rated. The issuing U.S. Agency guarantees the full and timely payment of both principal and interest and carries a AA+/Aaa/AAA by S&P, Moody's and Fitch respectively.

June 2026 Financial Highlights

General Fund

We have received 51% of our estimated revenue for the fiscal year including \$2,721,722.78 this month.

At this point last year, we had received 51% of our estimated revenue for FY26.

The general fund increased from \$5.3 million to \$5.55 million from 6/1/2026 to 6/30/2026.

This is a result of \$2.72 million revenue coming in and \$565k (general fund + asset replacement) expended.

June 2026 Financial Highlights

General Fund

building project + asset replacement (FY27)

building project (January 2024 - present)

We have spent 16% of our estimated FY27 budget.

At this point last year, we had spent 14% of our estimated budget for FY26, so we're ahead of the previous year's spending.

Director's Report – June 2026

Personnel –

After an extremely brief period of being fully staffed, we had 3 staff resignations this month. They were from:

- Katrina Trimborn, part-time Adult Services Specialist
- Nikmarie Karpenski, part-time Youth Services Assistant
- Jessica Hernandez, part-time Guest Services Associate

Katrina is leaving for family reasons, Nikmarie has taken a job working in a school library, and Jessica recently graduated from college and will be pursuing work in her chosen career field following a vacation trip this summer.

Sundae and the managers for these positions have been incredibly busy working to fill the vacancies created by these staff departures.

- Michelle Garcia has been hired as the new Guest Services Associate. She recently relocated from Texas where she worked in a similar role for 7 years at the Fort Bend County Library System in the suburban Houston area.
-
- We have received several promising applications for the Adult Services vacancy, and interviews will begin soon.

Dolly Parton Imagination Library – The Addison Township Mental Health Board will formally vote at their next meeting on July 15 on the funding request allocating the start-up funds needed to launch this initiative in our community. I have our paperwork as the Local Program Partner ready to go but have elected not to submit it until we have the funding secured. Kids Matter, the fiscal agent for DuPage County and folks from Dolly Parton's Imagination Library of Illinois are standing by and will be ready to help us plan our launch once we have everything in place. Dr. Sutton, Superintendent of Addison School District 4 has also expressed interest in working with us on a registration and sign-up event and has several ideas that can help generate awareness and encourage participation. In addition, he has had preliminary conversations with two D4-affiliated 501(c)(3) organizations, and while he doesn't yet know what level of support may be available, he is confident he can help coordinate some form of financial contributions, ideally as an annual commitment.

Audit – Our new auditors will be on-site doing their field work on 7/9/26. We have scheduled their site visit to coincide with the day our accountants will be here to prepare our monthly financial reports so they can work together as needed. Prior to their visit, our staff spent hours during June and early July sending them the information and documentation they will need to complete their work. I contributed a small amount to this effort, but Donna and Mary Beth from our Administration Dept. have done most of this, and I'm deeply grateful for their work. I'm not sure if it is because we have a different audit firm this year or if it is due to the renovation

project, but they have requested far more invoices for review than we were used to providing for Sikich in past years. They sent over several pages of invoices they wanted to review, and so these were all pulled in advance of their visit, in addition to all the items that we'd already submitted, and each of these will be refiled after they have completed their review. Typically, the annual audit is not a difficult process, but it is labor intensive and time consuming, and it appears that this year, with new auditors, that will again be our experience.

Punch List – John Barrett, who has served as the on-site construction manager for most of the renovation project, has left FQC for a job with another company. In his absence, we are working with John Eallanardo, FQC's Executive Vice President for Construction, to complete the punch list work. The various contractors were supposed to complete their punch list items within 45 days of the *Substantial Completion* date. That deadline was officially July 2, and not everything has been completed unfortunately. When we asked what recourse we have if they fail to fulfill this obligation, we learned that there is no recourse really, except that we hold final payment until the work is complete. Eallanardo is working diligently to help us wrap things up. Brooke and I met with him to walk through the building to look at and discuss outstanding items on the punch list on Thursday, 7/2. Alex Krug and the rest of the team from Product Architecture also continue to monitor progress, advocating for us, and helping to ensure that everything is completed as it should be.

Banking – Donna and I met with Teresa Faidley, Regional Manager for Commercial & Business Banking at Wintrust and Kate Zurek, Senior Treasury Management Officer at Wintrust to review our banking services and satisfaction with our experience since moving our accounts from BMO to Addison Bank & Trust.

Fabiana Bertoncello, our local Addison Bank & Trust Branch Manager came into the Library on 7/1 to provide a signature guarantee on a form required by Illinois Funds which will allow us to transfer our per capita grant funds from Illinois Funds to our Wintrust account once the Comptroller releases those funds. A signature guarantee is a step up from a normal notarized document in that a notary only verifies the signature of the signer, whereas the signature guarantee provided by a financial institution certifies and accepts liability for forgery.

Brooke and I met with Tami Olszewski, Senior Investment Advisor from Ehlers, to review our portfolio with them as we near the end of the renovation project. She was interested in our long-term investment goals, which will help them develop the most effective strategy for our investments. I explained that we don't have any significant capital projects on the immediate horizon, and that we won't really have a clear picture of our future capital needs until the capital assessment project is completed. We talked about the September meeting of the Federal Reserve Board and uncertainty about what may happen with interest rates, but agreed that with no immediate needs, investing in some longer-term CDs, bonds, or government securities, still meeting the objectives outlined in our investment policy and ensuring compliance with all applicable laws and regulations, may be in our best interest. We will continue to have ladder maturities to ensure the liquidity we may need for unforeseen circumstances that may arise.

Library Visits – Brooke and I gave a tour to the Director and Department Heads from the Northlake Library on 6/17. They are in the planning stages of a small renovation project, saw pictures of our grand re-opening on social media, and wanted to learn more about what we had

done. Our libraries were constructed around the same time, and we used the same construction managers for those projects. In fact, the construction trailer that was on site here during the original construction of our building in 2007 and 2008 was brought here directly from the Northlake Public Library, as they were just wrapping that building up when we broke ground. This month's tour went very well. In a follow-up email after the tour, Laura, the Northlake Director wrote:

We just had our department head meeting yesterday and finally had time to debrief on your lovely tour. A big THANK YOU to you and your staff for being so generous with your time. We left totally inspired to give our building a glow up even beyond our kids dept renovation. Your architects, designers, and staff really did a beautiful job with this transformation. Bravo!

The Addison Women's Club has also requested a tour of the library after hearing positive feedback about our renovation, and I am in the process of setting that up now.

A digital creator who posts videos on social media featuring "indoor and outdoor gems for families in the Chicago Suburbs" posted about our newly renovated Youth Services Department. The post has been viewed 129,000+ times and shared more than 100 times, which has resulted in a very popular YS Department this summer! It's been amazing to see all the children and families coming in to read, play, and explore.

Reminder: I will be on vacation from 7/13 – 7/24. Brooke will fill in for me at this month's board meeting.

TEEN SERVICES – JUNE 2026

SNAPSHOT

Teen Services increased our participation in Summer Reading from 350 to 723 books. This is mostly because we brought books directly to both Indian Trail and Addison Trail. We are discussing options for sustaining larger numbers and making the preparation of the bags manageable for next year, but we are very proud of what we accomplished.

This month we also began our Summer Teen Volunteer program and our Free Summer Lunch. We kept the restaurant structure from last year, so that the volunteer roles and responsibilities are directly applicable to food service jobs. Our temporary teen summer assistants have really embraced their role and are doing an incredible job preparing for each day, leading volunteers, and assisting with maker and craft programs.

This year we've seen a lot of appreciation of our volunteer program from patrons. One father at the lunch told us he sees how the program builds job skills and he's so glad that teens in the community have this opportunity. Other patrons have shared how welcoming and hard-working our volunteers are, especially the hosts that invite them into the lunch. And we've had many late additions to our volunteer team after parents saw the program in action.

PROJECTS

We completed the vetting, translating, and updating of the Addison Community Resource Guide. We removed, added, and updated information in every category and on every page of the website in both English and Spanish.

STATISTICS

We served 1233 meals in June or an average of 62 meals a day. With adults and anyone else that does not eat a meal, we are welcoming an average of 73 people a day, about an 18% increase over last year.

57 teens volunteered for 991 hours.

GUEST SERVICES (GS) – JUNE 2026

SNAPSHOT

80 inactive cards were purged in June and \$172.82 charges waived.

Kathy helped a patron who was having a graduation party. The patron was looking for games in the Library of Things collection, so Kathy put all the yard games that were available on a cart for the patron to look at. The patron checked out 2 games and a speaker and said her daughter might be back for more games. The patron was very appreciative of the help and the number of choices.

Guest Services Associates have found titles on the Lucky Day shelf for patrons who were waiting for the new copies of books. Some items that they shared this month were Sci-Fi books, the apps for digital content, and LOT collection (which is more visible and eye-catching hanging in the lobby).

Theresa made a great connection with a father/daughter pair this month while issuing the father a library card. She was able to share where her father grew up as the daughter now lives there. The father/daughter pair were excited about all that Addison offers for food insecurity.

A patron sent an email to Mary and the Library Board complimenting the renovation and the staff who make the library extraordinary. Among other staff, Eva and Socorro, were given a special thank you for their professionalism and bilingual abilities.

Guest Services saw many adorable children including ones wishing the library goodnight, telling books good-bye as they put them in the AMH shoot, waving at staff, and sharing their favorite books.

STATISTICS

Drive-up Statistics

- 357 items checked out at the window.
- 182 Addison items and 175 items from other SWAN libraries

Returned Items

- 2,943 returned manually by staff in Workflows.
- 7,000 returned via Automated Materials Handler (AMH)

2 items on the overdue lists were on the shelf. The AMH is more accurate than manual check-in, so this number is lower than it was prior to May.

22 patrons were new adults in June, and their accounts updated in July.

Guest Services completed 4.25 hours of Continuing Education.

27 non-SWAN ILLs checked out this month.

20 non-SWAN Reciprocal Borrower accounts were entered in June. For comparison, in FY26 51 non-SWAN Reciprocal Borrower accounts were entered, an average of 4.25 accounts per month.

The self-check percentage was 33%. Both self-checks are by the GS desk and are more convenient for patrons.

YOUTH SERVICES – JUNE 2026

SNAPSHOT

Highlights from June:

- Amy Sorensen started on June 3 as a part-time Youth Services Specialist. She started at a very busy time and jumped right in, learning all the ins and outs of the YS service desk and Summer Reading.
- We continued to register patrons throughout the month for Summer Reading, with a total of 355 additional registrations in June.
- Together with APPLE (Addison Partners for Play, Learning, & Education) we planned and implemented the Pregnancy to Preschool Resource Fair on June 13. A wide variety of partners took part, including local daycares and early learning centers, the YWCA, Birth to Five Illinois, the DuPage Children's Museum, and the health department. Attendees were able to learn about different programs and services for their little ones, as well as receive free resources and giveaways.
- Tina debuted a new summer program that will have four sessions total, Freestyle Art. During the second session on June 23, participants used both watercolor and colored pencils to create their masterpieces. Three attendees who are also brothers posed with their art in the photo below.
- As we've seen a higher number of patrons in the Youth Services department, we've had additional opportunities for teachable moments with little ones. Learning to take turns with the ball drop has been a key factor in those moments, as we talk to children about the importance of sharing and making sure everyone is able to take a turn, as well as talking to them about the mechanics of the ball drop and how it works.
- Also likely due to the higher numbers of patrons in the Youth Services department, we saw a record number of kids participating in our monthly passive program, the Book Cover Scavenger Hunt. 292 scavenger hunts were completed this month!

STATISTICS

Youth Programs: 27 programs, 407 participants

Asynchronous Programs: 22 programs; 1348 participants | Appointments: 21 | Continuing Education: 17 hours

Reference Questions: 281 | Directional Questions: 221 | Play Structure Questions/Interactions: 19

Book Displays: Pride Month; Celebrate Every Story; Juneteenth; If You Like ... *The 13th Story Treehouse*.

MATERIALS MANAGEMENT – JUNE 2026

SNAPSHOT

Materials Management wrapped up the State of the Collection meetups, which provide an overview of collection statistics, trends, and future projects.

Library Aides shelved 368 carts of materials for this month! Thank you to the Library Aides for getting materials back on the shelves in a timely manner and keeping the departments organized!

We experienced a temporary pause in ordering from our primary vendor, Ingram, due to a cybersecurity incident on their end. This required us to obtain new credentials before we could resume submitting orders. Fortunately, we received the updated credentials quickly and were able to place all June orders without significant delay.

PROJECTS

Matt added a new magazine, *The Atlantic*, to the collection. It can be found on the second floor at the beginning of the 300s section in adult nonfiction.

Raghda placed 60 orders and processed 87 invoices for the month of June.

Eden completed updates to item records that had missing characters in their call numbers and is also working on updating cataloging documentation.

Marilyn has been updating items with incorrect call numbers.

Sue worked on weeding lists for the adult nonfiction DVD collection and the youth jBOARD collection.

Kristina created two endcap displays for the regular and Spanish collections titled *Tarot Cards* and *Cartas del Tarot*.

Karen collaborated with Adult Services to create shelf-talker signs that help patrons more easily navigate the Travel section.

STATISTICS

Staff completed **50** hours of CE.

Staff added **1,582** items.

Staff withdrew **1,166** items.

Library Aides shelved **368** carts.

Addison patrons borrowed **31** items from other libraries through interlibrary loan.

Average time Addison patrons had to wait for item to arrive through OCLC: **7.87** days.

Addison Library sent **185** items to other libraries through interlibrary loan.

This chart shows the number of items added to the collections by formats.

ADULT SERVICES – JUNE 2026

Now that Summer Reading is in full swing and the renovation project has mostly wrapped up, Adult Services has been getting back into the groove of everything that was put on hold and making the most of our new and regained spaces.

Jodi is back to booking the meeting rooms for outside groups and Sophia has been working with Collection Development to add additional shelf talkers to make areas of the collection easier for patrons to browse. Megan has been working on creating three cohesive displays each month for the Opto display at the top of the stairs on the 2nd floor. We have also seen a sharp increase in the number in court access appointments. Sara has been handling the majority of these appointments and Lesley has been answering lots of questions from surrounding libraries who are considering becoming court navigator locations. AS staff notarized 101 documents in June, bringing the total to 424 documents notarized so far in 2026.

Zumba participants checking out a table of exercise books.

The department is also working hard to ensure that we are incorporating the collection into all of our programs. One Zumba attendee shared how impactful this new focus has been. *"It was so much fun to meet people and learn how to keep active. Love the books you had there. Even got to check out books on exercise. Thank you for having this class."*

While the biggest single day for Summer Reading was May 31 during the grand reopening, June was no joke! In June AS distributed 302 Summer Reading bags. This year Specialists are also trying something new and writing blog posts about an interesting topic found in each summer reading book. Katrina wrote about [Kindred and the underground railroad in Illinois](#). Sara researched and shared information on [Great Lake shipwrecks that ties into Marriage at Sea](#) and has another coming about downsizing inspired by *The Party Crasher*. Lesley has written about eating clubs at Princeton University as they are the setting for *Society of Lies*, while Elizabeth has focused on DACA and the DREAM act as these legislations set the stage for *Los Inventores*. Megan has a post on *The Great Gatsby* coming later this summer. Make

sure to keep an eye on [the library blog](#) to check out these fascinating research pieces!

Success Stories

Following a recent appointment for Court Support a patron told Sara, "Thank you. None of this would have been possible without your help. The only people who have helped me are this library and Kathy and Sue at the law library. It's the libraries helping."

A Spanish-speaking patron came to the library looking to print out some information from a website she'd pulled up on her phone. Megan helped her put the information into a Word Document, format the document, and print. The patron returned the next week and even though a Spanish-speaking staff member was available, the patron asked to work with Megan again since she was so happy with the help she'd received the first time.

Interesting Questions

Question: How do I create a QR code in Canva?

Answer: There is a video tutorial on Canva.com that shows how to add the QR code application to your Canva account, then copy/paste the link you'd like to create a QR code for. From there, you can customize the size, color, and placement of the QR code on your document.

Question: A patron called to ask for help finding a bible verse. She said it had something to do with the faithful wife sanctioning the unbelieving husband.

Answer: Sophia found the bible verse was 1 Corinthians 7:14, "For the unbelieving husband is made holy because of his wife, and the unbelieving wife is made holy because of her husband."

Question: I am looking for a field guide of Illinois wildflowers.

Answer: [Wildflowers of the Midwest](#) by Michael A. Homoya.

IT Services – June 2026

SNAPSHOT – An Increase in Usage for Various Maker Services

After the successful Grand Re-Opening on May 31, the usage for various maker services has increased.

- The Digital Media Lab had 26 reservations in June. This is the highest we have had since the start of building renovation.
- 3D printing jumped to 74 in June. Prior months averaged 10-20.
- By mid-June, all available training sessions for the month had been booked.

PROJECTS

Maker Services Staff

- Hosted 5 in-person Teen programs with 77 attendees, 5 in-person Adult programs with 25 attendees, and 14 drop-in programs with 33 attendees.
- Had 13 one-on-one training sessions.
They initially had 25 booked, but unfortunately 12 were cancelled or rescheduled (with 5 out of 12 due to staff scheduling or intense weather).
- Had 20 walk-in interactions lasting 15+ minutes.
- The Maker Services Manager gave training to the Maker Services Assistant and Associate for equipment maintenance on the Laser Cutter and the Embroidery Machine.
- The Maker Services Assistant taught the first Laser Basics and Sublimation Basics classes in Spanish.
- The Maker Services Associate started working on a “Back-to-School” display for the month of August.

The IT Services Associates

- Answered a total of 569 patron queries in May 2026.
 - a 15% increase from May 2026 with 494 queries.
 - a 20% decrease from June 2025 with 707 queries.
- Received training from the Maker Services Manager about filling in at Sam’s Lab when Maker Services is short-staffed.
- Helped train a new IT Services Associate via having the new Associate shadow at the IT Desk.

The IT System Administrator

- Resolved a total of 27 IT tickets, a 4% increase from May 2026 with 26.
- Replaced faulty audio equipment in Meeting Room 1.
- Replaced a UPS (Uninterruptible Power Supply) unit.
- Filled in at the IT Desk for 7 hours.

The Head of IT Services

- Rolled out newly adjusted IT Desk coverage hours based on patron traffic patterns.
- Attended a TechCon365 Conference and ALA (American Library Association) Conference Exhibits.
- Together with the HR Coordinator, hired and onboarded a new IT Services Associate.
- Filled in at the IT Desk for 19.75 hours and at Sam’s Lab for 0.5 hours.

SNAPSHOT

The Community Engagement department put the “out” in outreach at...

- Clarendale's Memory care unit. June's theme celebrated America's 250th Birthday with the reading of "How to Bake an American Pie" and "Lady Liberty's Holiday". Attendees were presented with buttons made in-house featuring APL's 250 custom design logo and apple "pie" treats. As always, the joke telling session with a patriotic twist was a hit.
- The Addison Park District. June kicked off the summer with the Pow to Cancer 5k (library contributed prize for raffle), four Library in the Park visits from the Rolling Reader, and the America250-themed Trail Tale at Centennial Park. Despite being rained out for first visit to Panther Park, the avg. number of engagements for June is 17 people per visit, trending upwards when compared to June 2025 (14) and 2024 (13).
- Rock n Wheels. Staff have been having a blast learning about the community through the questions on the prize wheel! They interacted with 300 people during the June 4th visit, which hasn't happened since 2019.
- Two new beginnings: CE represented the library at both the Veterans Museum Campus' & Highview Park's ribbon cutting ceremonies.

Collaboration across departments

- Pathways to Success: Matt and Ana (AS) met to discuss ways to improve the program and plan to launch version 2.0 early next year.
- Patti served as a buddy to two new hires (YS & IT), where she introduced them to the staff and provided tours to help them get settled!

PROJECTS / COMMITTEES

Marketing

- Samantha designed a visually engaging infographic to showcase the success and impact of the Grand Reopening event. Using statistics compiled by staff, the four-page layout highlights key numbers, quotes, and photos.
- In the July/Aug. newsletter, we shared a sneak peek of the FY25–26 Annual Report. The preview includes a breakdown of the library's portion of the tax bill, annual revenue and expenditures, and highlights such as most popular checkouts, library visits, new library cards, and more. The full report can be found at addisonlibrary.org/reports.

Addison Business Exchange With construction coming to an end, Matt found it was the perfect opportunity for the library to host the June ABE meeting. There were about 45 people in attendance, many of which was their first ABE event! Matt, Mary and Sarah highlighted all the services that businesses in our area can take advantage of including general business services and Sam's Lab.

STATISTICS

- CE connected with 930 community members at 12 outreach events!
- 23 New Job Toolkits distributed and 22 one-on-one appointments with Job Seekers & Business Owners.
- Matt & Gaby notarized a total of 47 signatures this month.

Top to bottom: Inside spread of the FY25-26 put together by Samantha; Mini collage (next 4 images) of attendees during June ABE networking event; Natalie engaging at Rock n Wheels; Patti & Gaby's reads during Clarendale visit; Addy, Patt & Rolling Reader at Mill Meadows Park; 5k winner of APL prize; View of Trail Tales at Centennial Park; Last two are photos at the Chicagoland Veterans Campus & Highview Park ribbon cutting events.

We're looking for feedback on two options for Christmas decorations this year. Both are through Phillip's Interior Plants & Displays (Oak Brook). Phillip's will set-up and take down the installation. We can also keep the installation up as long as we want.

We budgeted \$5000 in FY27 for this.

Option 1 (\$3,300): traditional Christmas tree; 9 feet tall, fully lit and decorated with ornaments.

Option 2 (\$5,054.68): 3 Christmas trees (9', 7.5', 6.5'), flocked with bow topper, LED lights, and cardinals on trees. No ornaments, no presents. Includes animated moose, 2 squirrels, and a raccoon. A "snow blanket" ties the scene together.

Feedback needed

- Option 1 or 2
- Location: to the left as you walk in or at the top of the stairs on the 2nd floor.

Notes on statistics

Between January 2025-May 2026, the library underwent a major renovation project. The project was phased, so large sections of the building were blocked off for construction. This significantly reduced spaces, services, and collections available to patrons. Below is a broad timeline which will help you better understand the statistics from FY25 and FY26.

January 2025-May 2026

- no outside meeting room bookings
- reduced programming

May 2025 - November 2025

- Creative and Sound Studio equipment reduced
- Reduced number of 2nd floor computers
- Reduced seating

November 2025-January 2026

- No 2nd floor study rooms
- No Creative equipment available; reduced Sound Studio equipment

January 2026-May 2026

- Approximately 10,000 children's materials in storage
- Reduced play area and seating in Youth Services
- No 1st floor study rooms
- Reduced seating

November 2025-January 2026

- No 2nd floor study rooms
- No Creative equipment available; reduced Sound Studio equipment

January 2026-May 2026

- Approximately 10,000 children's materials in storage
- Reduced play area and seating in Youth Services
- No 1st floor study rooms

HIGHLIGHTS

May

Summer Reading kicked off on May 29! While our party was put on pause due to our building project, we had a great time distributing **1,138 books** to our community!

November

During the month of November, we celebrated Small Business Saturday! Patrons that showed their Addison Public Library card at participating businesses received special offers, free items, giveaways, and more!

December

Construction of our new staircase was in motion! We moved our staircase for better traffic flow and to create better zoning for noise in the library.

June

Summer outreach was in full swing! We love hanging out at Rock N' Wheels every Thursday night in the summer and chatting with all of you! The book bike also popped up around town at Addison parks.

July

We held our first-ever Book Bedazzling event, and it was a huge success! People of all ages dropped in to decorate book covers with gems and sparkles.

January

Winter Reading invited the community to "unwrap a new read" with surprise wrapped books! The program added an element of discovery to winter reading.

August

Construction on our building was well underway! Our main entrance closed for renovations and our old staircase was demolished.

February

We made progress on our renovation with new lobby flooring! Visitors followed a temporary route with help from staff and signs.

September

Every September, we celebrate Library Card Sign-Up Month! This September, 128 new cardholders received a free sticker, a free prize, and an entry into a drawing for a golden library card!

March

We held our first adult ASL class! The 4-week session started with a full house of 14 learners, supporting connection, inclusion, and accessibility in our community.

April

We celebrated Library Outreach Day with a pop-up at the Village of Addison and launched our new America250 library card design!

October

We partnered with the Addison Historical Society for Ghosts of Addison, an evening with ghost hunter Tony Szabelski and AJTrueCrime!

Thank you for another wonderful year!

Meetings

- 7/2: Mary and Brooke met with FQC to review the outstanding punch list items and discuss discrepancies in our lists.
- 7/8: Mary met with PA+D to review punch list items.

APL project work

- Added signs to the study rooms explaining how to reserve one.
- LFI installed last 6 end panels for shelving in Youth Services on 7/8.
- Sod laid where the dumpster and gravel drive had been on the south lawn.

Construction progress

- Work on punch list items continues. Both FQC and PA+D have been updating the list.
- We are still waiting on signage, lights in lobby, and key/lock issues to be resolved. The electricians also have a lengthy list of work yet to be completed.
- We're still waiting on pricing for addressing the drive-up return slot, so it's more easily reachable.

TRANSPORTATION BENEFIT POLICY JULY 2026

Under the Illinois Transportation Benefits Program Act, employers with 50 or more staff located within one mile of fixed-route transit must offer pre-tax payroll deductions for public transit or vanpools. This allows workers to use pre-tax dollars (up to the IRS limit) to pay fares on the CTA, Pace, and Metra, lowering taxable income.

The Village of Addison has set up this benefit for us through WEX, the same company that administers our Health Savings Account plan, and employees can enroll through BSwift, the platform we use for enrollment in all of the benefit options we offer employees through the Village's benefits program (medical, dental, life insurance, etc.)

There is no cost to the Library as the benefit is funded through each individual employee's pre-tax payroll deductions if they choose to participate.

I recommend we add the following policy to our Employee Handbook to reflect this new benefit:

Transportation Benefit

Regular part-time and full-time employees are eligible to participate in the Library's pre-tax commuter benefit program. Employees may elect to set aside pre-tax payroll deductions to pay for eligible commuting expenses, such as public transportation fares and qualified parking, within current IRS limits. Funds may only be used for IRS-qualified commuting expenses and are forfeited upon separation of employment. Refer to the Human Resources Coordinator for enrollment information.

ILLINOIS PUBLIC LIBRARY PER CAPITA GRANT APPLICATION
JULY 2026

One of the requirements of the Per Capita Grant application is:

The Library Director and the Board of Trustees shall review and discuss the entirety of each of the 12 topics described in the Illinois Public Library Standards. To complete this application, refer to the chart within each topic and indicate the level at which your library meets each standard (Core, Intermediate, or Advanced).

The 12 topics are:

1. Access
2. Advocacy and Community Engagement
3. Building & Grounds
4. Collection Management
5. Finance & Budget
6. Governance & Administration
7. Human Resources
8. Information Services
9. Marketing & Promotion
10. Programming
11. Safety & Emergency Preparedness
12. Technology

I'd like the Board to discuss how they want to accomplish this for our next grant application, which will be due in January and should be approved at the December Board meeting.

- We can have the Director and staff prepare a written review of each section to be reviewed and discussed at monthly board meetings as we've done in the past. With this approach, I recommend we cover 3 topics each at the August, September, October, and November board meetings.
- We could have individual trustees take lead on the review and facilitate the discussion of each topic, working with the Director and staff to prepare.
- We could hold a special meeting to cover all 12 topics in one session.

I'm sure there are many other ways to approach this, and I'm happy to do so in whatever manner the Board feels is best.

Please bring back the recordings of board meetings. I appreciated being able to stay informed and watch them as many times I am unable to attend the meetings in person. It is important the community has access to what is going on with their library and that the board remains transparent.

I have been a part of this community for a long time and all of a sudden the board meetings are not being recorded. I find this concerning because this seems to be a way to not be transparent with the community. You have been elected by us, and should be keeping the community in the know.

I expect as a member of this community that the recordings be brought back of the board meetings. Thank you for your time.

I have noticed the last few Board meetings have not been posted on the site for the community to be appraised of what is being discussed. Why has this changed? I believe we should be aware of what is discussed in these meetings.

Please confirm that these will be accessible for future meetings.

I'd like the board meetings to be recorded. I'm not always available to be at the meetings but I want to be able to watch what decisions have been made & what were the thoughts behind those decisions.

Thank you!

I have seen and spoken to Megan at various times. She has always been very friendly and respectful.

For the first time, I asked her if I could have a few copies printed for my ESL students. Therefore, she walked with me to the "new" printing area, showed me "step by step" all that I should do to prepare for the final copies and then they →
