## Source of Debt Service Payments

(Assuming 70% Ag2School Credit)

(Based on Valuations for taxes payable in 2024)

### Notes:

1. The Ag2School credit applies to agricultural land and buildings. The house, garage and first acre of land do not benefit from the Ag2School credit.
2. The Ag2School credit does not increase or decrease the tax impact on all other property types.

The state will pay for approximately \$80,000 of the \$936,596 debt service levy for Pay 2025 via the Ag2School Credit.

## Important Disclaimer

This report is intended for illustrative and informational purposes only. This report has been generated based on the most recent available Levy Limitation and Certification report found in the Minnesota Funding Reports section of the Minnesota Department of Education (MDE) website. Historical tax data is sourced from the school tax reports generated by MDE each year. PMA will not verify the accuracy of the data provided by MDE. The report also includes certain assumptions about property valuations that if modified could impact the resulting tax impacts illustrated in the report. Valuations have been sourced from the Property Record Information System of Minnesota (PRISM) as provided by the counties and reported by the Department of Revenue or directly provided by the counties. Reasonable efforts and generally accepted methods of calculation have been incorporated into the report including current property tax laws. Changes in property tax laws or key assumptions may change the accuracy of this report.
