Letter from your Principal

Dear Wrenshall Families,

It is my pleasure to welcome you to a new school year at Wrenshall School. We look forward to working together to ensure that every student has a rewarding and successful experience as a Wrenshall Wren.

At Wrenshall, we believe children learn best in an environment built on **mutual respect, safety, and partnership** between students, families, and staff. Together, we can create a school community where students experience the excitement of learning and grow both academically and socially.

As we begin this year, we continue to strengthen our **Wrens Strong Positive Behavior Intervention framework** in the elementary grades, which promotes a common language and clear expectations for all students centered around Respect, Effort and Belonging. We are also implementing **Restorative Practices**, which focus on repairing harm, resolving conflict, and building strong relationships within our school community. These efforts ensure that our students not only thrive academically but also feel supported and safe.

This **Parent/Student Handbook** is designed to be a helpful guide to your child's school experience. After reviewing it, I encourage you to stay engaged and actively involved in your child's education. Together, there is no limit to what our students can achieve.

Best wishes for a successful and rewarding school year!

In Partnership,
Principal Blanchard

Part I: General Information

ELEMENTARY ENTRANCE AGE

Students may enroll in school at Wrenshall Elementary provided they are at least five years old on September 1st for Kindergarten, or at least six years of age for first grade. Please contact the school for more details.

Arrival and Dismissal Times

Buses arrive	8:00 – 8:15 a.m.
Breakfast served/cafeteria	8:00 – 8:20 a.m.
Classes begin	8:30 a.m.
Lunch and recess (2 Sections)	10:50 a.m-11:55 a.m..
Walkers dismissed	3:05 p.m.
Bus students dismissed	3:10 p.m.
Buses depart	3:20 p.m.

ENTRANCE AND END OF THE DAY PROCEDURES

If your child does not ride the bus please time his or her arrival for no earlier than 8:00 a.m. Although teachers arrive earlier they are not supervising hallways or the playground. Their time is spent preparing for the day.

Classes begin at 8:30 a.m. and we ask that students **not** arrive earlier than 8:00 a.m. as supervision of students isn't provided until that time. Elementary students arriving prior to 8:00 a.m. may only do so if they are attending Wrens Club (Advanced scheduling is required).

The building is to be cleared by 3:15 p.m. each day, unless you have an appointment with a teacher or an after-school activity.

Elementary students are to proceed directly home or to the residence of after-school care following 3:08 dismissal. Elementary students are not to stay after school unless their parent/guardian has made arrangements with the child's teacher, Principal or the student is involved in extracurricular activities. **Any non-participants must be accompanied by parents. Notes must be sent if students are staying for an after school activity.**

Students that are released early to walk home are expected to leave school grounds when dismissed.

***The school is not liable for injuries sustained on school grounds after 3:15 p.m. for any students that are not involved in extracurricular activities.

ELEMENTARY EARLY DEPARTURE OR ALTERNATE PICKUP

Changes to Student Dismissal

Any change to your child's usual dismissal routine (e.g., another adult picking them up) **requires a note or call from a parent/guardian**. Please notify classroom teachers by **2:30 p.m.**

For safety:

- Parents/guardians picking up children early must **report to the main office**, not the classroom.
- Students will be sent to the office for release.
- Students may **not make their own plans during the day** to go somewhere other than home.

These procedures help prevent confusion, minimize classroom interruptions, and ensure your child's safety.

PARENT CONCERNS AND QUESTIONS

If you have a concern or question, please contact the appropriate staff member. We want to work with you to provide the best experience for your child. We do ask that you follow the chain of command in our school. Here is a list of the steps to follow in order:

1. Talk to the staff member directly involved (bus driver, teacher, paraprofessional, coach, etc.)
2. If not resolved, contact the Principal
3. If not resolved, contact the Superintendent
4. If not resolved, contact the School Board

We do understand there are some issues that require you to go directly to a supervisor. We will be glad to assist you in those situations.

LIBRARY BOOKS

Our media center contains study areas and a wide variety of literature for all students to access separated by grade level and interest level. Students that lose library books may be required to replace the missing books or their parents may be required to replace the missing books before they are allowed to take out additional library books.

CHANGE OF ADDRESS

Changes of address, telephone number, or emergency information during the school year should be reported to the main office as soon as possible so that emergency forms and instant alert information can be updated.

LOST AND FOUND

Many of our students possess the same brand and/or color of jackets, snow pants, boots, backpacks, athletic gear, balls, etc. Labeling of personal items will minimize confusion in locating owners of lost items. Please label your child's possessions.

Items that have been turned in as lost will be kept in the lost and found which is located at the bottom of the elementary staircase next to the cafeteria. Each year numerous items from lost and found are unclaimed. Items left in lost and found for three weeks will be given to a local charity due to the lack of storage space. Students should check in the main office to recover lost textbooks or items of value.

BIRTHDAYS/SEASONAL PARTIES

If acceptable, classrooms acknowledge your child's birthdays and seasonal events throughout the year.

Treats for your child's birthday are traditional but not mandatory. All treats need to be store bought and in the original package. Each classroom will communicate more details.

Please be aware of Peanut free classrooms, avoid any treats with peanuts and nuts or anything processed in a plant with peanuts or nuts. In an attempt to respect the feelings of all students we request: Mail or text invites from home (they will not be passed out in school.

BRINGING ITEMS TO SCHOOL

Students should be reminded not to bring valuable or dangerous items to school. We cannot safeguard valuable items. Our students should not bring items from home unless approved by the teacher or Principal.

PETS

If you would like to share a family pet with the class, please contact the teacher in advance to arrange for the visit. Once you arrive at school with the pet, be sure to have control over it at all times. A large group of excited children can cause some unusual reactions in pets. We generally ask parents/guardians to return the pet home with them on the same trip. Any extended stay for the pet should be pre-arranged with the classroom teacher.

BUS TRANSPORTATION

All students are entitled to be emotionally and physically safe while being transported to and from school. Certain laws and regulations govern the operation of school buses. Minnesota Statute, section 123.7991 lists as one of seven concepts that: ***Transportation by school bus is a privilege, not a right.*** Safety on the buses is our prime consideration and thus riding privileges can be revoked. Cooperation and appropriate, safe behavior on the bus is expected of all students.

Bus Rider Policy

For everyone's safety, students are expected to follow bus rules at all times.

- The bus driver is in charge—follow directions promptly.

- Stay seated while the bus is moving; keep head, hands, and arms inside.
- No scuffling, fighting, or inappropriate language.
- Keep the bus clean—no littering or damaging property. (Students pay for damage they cause.)
- Be on time at your stop and follow safe procedures when crossing the road.
- Wait until the bus stops completely before boarding.
- Ride only from your assigned stop and get off only at school unless you have prior office approval.
- After-school guest riders must be prearranged; morning routes do not allow guests.
- Misconduct will be reported to the principal, and parents will be notified. Repeated violations may result in loss of bus privileges.

Consequences for Misbehavior on the Bus

Kindergarten through 6th grade

First Offense: The driver has given your student a verbal warning, and a bus incident report will be sent home. Students may be moved to a different seat.

Second Offense: One-day bus suspension.

Third Offense: Three-day bus suspension; conference with student, parent, school, driver.

Part II: Academics

ATTENDANCE

The State of Minnesota requires that children must attend school regularly. Students are expected to be at school everyday unless they are ill or there is an emergency in the family. Students are expected to come to school on time.

SCHOOL WIDE ATTENDANCE POLICY

Educational studies conducted nationally as well as locally indicate a significant correlation between student attendance and student performance. Excessive absenteeism results in lower achievement.

A good attendance record is one of the characteristics most sought after by employers and poor attendance is a major reason for employee dismissal. It is essential that our students learn this important life skill. A good attendance record will improve the quality of their education and make them a marketable employee.

Thus, student absenteeism should be limited to instances in which an absence is genuinely unavoidable. Each student, his/her parent or guardian, and the school share an obligation to encourage and ensure the student's continuous school attendance.

Minnesota State Law: "The Minnesota Law provides that every child between seven and sixteen must receive instruction for a period of not less than nine months during any school year, unless the child has completed the studies ordinarily required in the tenth grade and is at least sixteen years of age. A student may be excused from attendance by the School Board upon application of his/her parents or guardians on grounds specific to the law."

Absences from School for Religious and Cultural Observances- American Indian students are permitted to be absent from school for instruction conducted by tribal spiritual or cultural advisors.

Attendance will be taken every class period of the school day.

Expectations: Students are to make an effort to schedule appointments outside of the school day. Students are expected to stay at school and attend scheduled classes throughout the day.

Students are expected to attend school on a regular basis in order to be successful in their academic schedules and also to become familiar with the requirements of future employment.

The district is aware that there are many situations that may necessitate absences, such as medical emergencies, chronic illnesses, family crisis, and other unusual circumstances. Every reasonable effort will be made to work with families in these situations to ensure the child has educational support to achieve success.

*It should be noted that elementary students arriving after 9:22 a.m. and/or leaving before 2:15 p.m. will be counted as half a day absent from school.

Excused Absences

An excused absence indicates a legal absence from school via parent/guardian or doctor verification. However, the school reserves the right to excuse or unexcused any non-medical absence according to state guidelines and school district rules and procedures.

Parents are expected to call the school in the morning to report and explain the absence of their child from school. Upon return to school and checking in the student should bring a written note by parent/guardian or doctor in case of a medical absence.

If a student has to leave school early, he or she must have his or her parents call the main office secretary at extension 2000 or be able to show a written excuse signed by a parent.

Furthermore, after parent approval, the student must receive permission from the school office before leaving the building. Any absences that occur throughout the school day that are not approved by the office prior to student departure, are considered unexcused and cannot be excused later by a parent.

The following reasons shall be sufficient to constitute excused absences:

1. Student illness: Parents are only able to excuse their child up to 15 days in a single class period per school year (without a doctor's note) and only within 48 hours of an absence.
2. Serious illness or death in the student's immediate family.
3. Medical or dental appointments: **Parents should make every effort to schedule appointments/treatment outside of the school day.** When this cannot be done, a student's absence due to a medical appointment or dental treatment will need to be verified by a doctor's/dentist's note or fax. **Furthermore, a student will only be medically excused for at most a ½ day unless otherwise specifically noted by a medical professional.** It is the responsibility of the student to have the doctor list the time the appointment started and ended on their doctor's excuse note/fax.
4. Court appearance.
5. Recognized religious holiday observance.
6. Religious instruction not to exceed three hours per week.
7. Vacation with prior school approval.
8. Impassable roads/inclement weather.
9. School related absences such as: field trips, sports, a school sponsored event, suspension, etc. (These do not count against a student 15 allowed absences per period)

*In the case of special circumstances, the Administration may approve additional absences.

Prearranged Absences:

A prearranged absence form must be obtained from the main office when students are going to be absent from school for an extended period of time.

Unexcused Absences

1. Any student absent from class, school, detention, or assigned Saturday School that was not approved by the parent/guardian **AND** the school from the above list.
2. Absences in which the parent/guardian fails to contact the school within 48 hours of absence. The school has the discretion to extend this time period as long as it is not abused.
3. Absence resulting from unexcused tardiness.
4. Disciplinary action may result from unexcused absence(s).

Tardies

1. It is the student's responsibility to report to school and class on time
2. When a student reports to school late please report to the office with parent/guardian.

Truancy

1. A student will be considered truant when they willfully miss a class or classes without proper approval (parent and school). Said absence/s will be considered unexcused.
2. After three unexcused or a combination of eight total excused and/or unexcused absences from school in a school year, a letter will be sent home notifying parent/guardian. A copy of this letter will be forwarded to Carlton County's truancy officer. Upon receipt of the letter the truancy officer may elect to contact or meet the student, place the student on an attendance contract, and/or contact or meet with the parents.
3. If a student reaches seven or more unexcused absences in a school year, the truancy officer may refer the student at the County Attorney's Office as a habitual truant pursuant to Minnesota Statute 260C.007, subdivision 19. Upon receipt of a referral from the truancy officer, the County Attorney's Office may elect to file a truancy petition with the district court.
4. Under MN state statutes 124D.03 & 124D.08, **a district may terminate the enrollment of a non-resident student at the end of the school year if the student meets the definition of being habitually truant** (In the high school, that means 7 unexcused class periods in the same hour and in the elementary, that means 7 unexcused full days.

PARENT INVOLVEMENT

Parents/guardians are an integral part of our Wrenshall School family. There are opportunities for involvement in school activities and in individual classrooms. Each classroom will have more detailed information for volunteer opportunities. One of the main ways parents can contribute is by supporting their children in their learning and participating with them in school events.

FIELD TRIPS

All class field trips are planned by each individual teacher and are not required as part of the educational curriculum. Teachers may take field trips to enrich our students' educational experience.

Field trip proposals should be directed to district administration for pre-approval one month prior to the proposed field trip.

The teacher or advisor should make field trip requests. All overnight field trips must be approved by the school board.

Students on a field trip will conduct themselves appropriately, follow the direction of the chaperone/s, and abide by all school rules and regulations while on a field trip.

Parents must give written permission for the student to go on field trips. Students need to be responsible to take slips home and return them on time.

Students not attending field trips are expected to attend school during the field trip. Any absences will count toward the school's attendance policy and potential truancy.

SCHOOL SUPPLIES

If you are in need of a list of school supplies your child will need, please speak to the classroom teacher, check the school website, or read the September issue of Images. Throughout the year, 5th grade students will be selling school supplies at the School Store. School shoes may be the same ones they wear at home. Backpacks help keep materials together and are an easy way for students to carry their school supplies, books, lunches, etc. to and from school.

CONFERENCES

Parent/Teacher conferences are held twice a year for families, one in November and a second one in March. Teachers will send home notifications to set up date and time that works best for families

ASSESSMENTS

As required by the State of Minnesota we assess our students on a yearly basis during the month of April. Elementary testing starts in grade 3.

The Minnesota Comprehensive Assessments (MCA) and alternate assessment Minnesota Test of Academic Skills (MTAS) are the state tests that help districts measure student progress toward Minnesota's academic standards and also meet federal and state legislative requirements. Students take one test in each subject. **For more information regarding testing click on the link: [MCA Parent Fact Sheet](#) [Frequently Asked Questions: Why Statewide Test Results Matter](#)**

RESOURCES FOR STUDENTS AND FAMILIES

We have resources available for families to utilize throughout the year that include a School Family social worker, K-12 School counselor, Northhome, Birch and Pines, Speech Services

SPECIAL EDUCATION

All students referred for special education assessments must have signed parent permission prior to assessment. After the assessment, parents will be called in for a conference to discuss the results and recommendations. Services are provided when this criteria is met.

If your child is referred to special education for an assessment, the district will enter your child's name and date of birth into the Minnesota Medicaid System to find out if your child is receiving Medical Assistance or MinnesotaCare. If you do not want the district to enter your child's name

and date of birth into the Minnesota Medicaid System, please inform the district administration that you do not want the district to check the Medicaid System.

SECTION 504

Section 504 is an Act that prohibits discrimination against persons with a handicap in any program receiving Federal financial assistance.

ISD #100 recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a handicap will knowingly be permitted in any of the programs and practices in the school system.

The school district has specific responsibilities under this Act, which include the responsibility to identify, evaluate, and, if the child is determined to be eligible under Section 504, to afford access to appropriate educational services.

A complete 504 policy is on file in the district office. Please contact district administration for more information on this policy

TITLE I

Our school offers Title I reading and/or math assistance to students in grades K-6 who qualify for services. Title I is a federally funded program which supports a full-time teacher that provides instruction aimed at strengthening the skills of participants.

PK-6 OUTDOOR CLASSROOM

Outdoor education and play support emotional, behavioral and intellectual development.

Studies have shown that students who learn outdoors develop: a sense of self, independence, confidence, creativity, decision-making and problem-solving skills, empathy towards others, motor skills, self-discipline and initiative.

Teachers have begun an initiative to start outdoor education. The spaces are located on the side of the school building near the trail. The expansion of this program will be ongoing as grants and other funding sources will be researched to support the costs of adding seating, curriculum, and shelters.

WRENS STRONG STUDENTS OF THE MONTH

We recognize and celebrate students by nominating students who show Wrens Strong attributes Effort, Respect, Belong and fall into either academic or exemplary. The nominees are displayed in our monthly Images newsletter and their pictures by the business office.

VALUABLES

Students are encouraged to leave valuables and large sums of money at home. Student cubbies are unfortunately not the most secure places in a building with so many people. Please consult with office staff if you wish to have items placed in safe keeping for the day.

THEFTS

All thefts should be reported to school staff or administration immediately. **The school cannot and will not assume responsibility for theft of personal property.**

STUDENT BULLYING PROHIBITION POLICY

BULLYING PROHIBITION – POLICY 514: A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with students' ability to learn and teachers' ability to educate students in a safe environment. An act of bullying, by either an individual student or a group of students, is expressly prohibited on school district property or at school-related functions.

Bullying means any written or verbal expression, physical act or gesture, or pattern thereof, by a student that is intended to cause or is perceived as causing distress to one or more students and which substantially interferes with another student's or students' educational benefits, opportunities, or performance. Bullying includes, but is not limited to, conduct by a student against another student that a reasonable person under the circumstances knows or should know has the effect of:

1. harming a student
2. damaging a student's property
3. placing a student in reasonable fear of harm to his or her person or property, or
4. creating a hostile educational environment for a student

Discipline procedures for a student found to be in violation of this policy may include, but are not limited to: warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge.

*This also includes cyber-bullying and other forms of bullying via the internet, and social networking applications.

IS IT BULLYING?

Rude=Inadvertently saying or doing something that hurts someone else is.

Mean = Purposefully saying or doing something to hurt someone once (or maybe twice).

Bullying = Intentionally aggressive behavior, repeated over time, that involves an imbalance of power.

Examples of bullying behaviors:

Direct Bullying

Physical: hitting, kicking, shoving, spitting

Verbal: taunting, teasing, racial slurs,
verbal sexual harassment

Non-Verbal:threatening, obscene gestures
eye rolling, seat saving

Indirect Bullying

getting another person to assault someone
spreading rumors

deliberate exclusion from group activities

cyberbullying

Responsibility for Safe Behavior

Students are expected to be physically under control at all times to avoid injury to themselves and others; thus running in halls, rough play, fighting, etc. are prohibited!

Referral Slips

Instructional staff and administration will have these in their possession. Referral slips will be written for students following acts of inappropriate behavior. The purpose is to:

- address inappropriate student behavior
- inform parents of inappropriate behavior exhibited by their child
- serve as documentation for repeated acts of inappropriate behavior
- serve as a referral to the school counselor, psychologist, or Principal
- serve as documentation of consequences administered to students
- serve as documentation for the Discipline Review Committee

Law enforcement will be contacted

- In the event of an assault (verbal or physical)
- In the event of a weapons violation
- In the event of tobacco/alcohol/drug violations
- When a law appears to have been broken
- In the event of significant theft
- In the event of significant vandalism
- In the event of disorderly conduct on school premises

County Attorney's Office will be contacted

- In the event of excessive absenteeism/truancy

***Classroom discipline (discipline administered within the classroom) is left to the discretion of the classroom teacher**

****Levels of consequences may be recommended by the teacher, staff member, or supervisor citing the violation. However, the school administration and/or Discipline Review has the ultimate responsibility for determining consequences.**

*****Parents/guardians will receive notification regarding any **significant** behavior violations and resulting consequences (This may include talking to a parent in person or over the phone, a voice mail, a text message, an email, a letter, et**

Wrenshall School recognizes the importance of communication and collaboration, and provides chromebooks for students to be productive in the classroom. To keep the focus on academics and to reduce unnecessary distractions, we will enforce the following.

AWAY FOR THE DAY CELL PHONES & COMMUNICATION DEVICES

Wrenshall School recognizes the importance of communication and collaboration, and provides chromebooks for students to be productive in the classroom. To keep the focus on academics and to reduce unnecessary distractions, we will enforce the following.

- In grades K-6 if a cell phone is brought to school it will be powered off and stored in a locked cell phone locker in the teachers classroom until the end of the day.
- If a student needs to make an emergency call during the school day they are to go to the main office.
- Smart Watches are not allowed in the classroom.
- It should be noted that refusal to surrender a cell phone or other electronic device not authorized to use when directed to do so by a school staff member, teacher or administrator is a violation of our school's Code of Conduct.
- Insubordinate behavior could lead to detention, suspension or exclusion from school events.

CONSEQUENCES

- *First Offense ~The teacher will give the student a warning and take the phone and lock it in the phone locker for the remainder of the day.
- * Second Offense ~ Student will receive after school detention and parent will be notified to pick the phone up.
- * Third Offense ~Student will receive after school detention and student will be prohibited from bringing their phone to school for the rest of the quarter (or days equivalent to a quarter)
- * Insubordinate behavior could lead to detention, suspension or exclusion from school events.

AUDIO/VIDEO DEVICES/SMART WATCHES

Smart Watches are not allowed in class. Students may operate iPods, MP3 players, radios, tape players, CD players, and any similar devices only with headphones and only in the following circumstances: on the bus to and from school; in school prior to the start of classes in the morning, and after school. Violations of the aforementioned policy will result in the same consequences as cell phone violations (See "Communication Devices") Classroom teachers reserve the right to follow their own classroom policies regarding device usage. Students bringing audio/video devices to school should recognize the risk of theft. The school is not responsible for stolen property.

STUDENT DRESS CODE POLICY

Students are expected to dress appropriately for the public school setting at all times.

Hoods:

All students are not to wear hoods, or other head coverings within the building during the school day unless there is a special event and permission has been granted.

Clothing:

Clothing that includes words or pictures that are obscene, vulgar, sexually explicit, convey sexual innuendo, abuse or discrimination, or which promote or advertise alcohol, chemicals, tobacco or any other product that is illegal for use by minors and illegal on school property, will not be allowed.

Objectionable emblems, badges, symbols (including confederate flags & swastika's), derogatory mascots, signs, words, objects or pictures on clothing or jewelry communicating a message that is racist, sexist, or otherwise derogatory to any group, evidences of gang membership or

affiliation, or approves, advances, or provokes any form of religious, racial, or sexual harassment and/or violence against other individuals is not allowed.

Shoes

Shoes are to be worn in the school setting at all times.

Sunglasses

Sunglasses are not necessary in the school building and are not to be worn in class or during indoor school functions.

Gang Related Apparel:

The School District, in its desire to keep students free from threats or harmful influence of gangs or other violent groups, believes that apparel identified as "gang-related" can be reasonably construed as hazardous to the health and safety of the school environment. Gang symbols, signs, slang, attire, and graffiti will not be allowed in the school setting. Students, staff, and parents who have evidence of these influences in our school should report the concern to school administration immediately.

Behavior or dress suspected as being gang related will be reported to the Sheriff's Department.

Chains, Extreme Jewelry, Etc:

Heavy link chains may not be worn as a necklace, bracelet, belt, or wallet attachment. If it is determined that the chain is heavy enough to be used as a weapon or could jeopardize the safety of the student in possession or any other student or staff member, the student will be asked to remove the item and refrain from wearing the item in the future. Failure to comply or repeated offenses will result in disciplinary action.

Spike collars, chains, heavy locks, some rings/earrings or other extreme wear, will not be allowed if determined to be hazardous to health/safety or is considered to create a distraction to the educational process.

Blankets:

Blankets are not allowed in school.

STUDENT EXPECTATIONS FOR EVENTS & ASSEMBLIES

Students are to follow all behavior expectations during school events and assemblies. Violations of rules or inappropriate behavior may result in removal from the event, activity, or assembly. Additional consequences may be administered.

It is the hope of Wrenshall School Staff and Administration that the student body will demonstrate their support for our athletic teams by attending home games. Once at the game, it is important that each student adheres to certain expectations that will make an enjoyable, safe evening for all.

1. Students are to enter the building through the main lobby entrance where tickets are sold.
2. Once students are admitted to the school activity, they are to remain in the building throughout the activity. If students choose to leave, they are subject to not being readmitted.
3. For the safety of players, the individual's safety, and respect for spectators viewing the game, student fans are asked to limit movement in and out of the gym while play is in

progress. The game supervisor may monitor traffic and choose to readmit students only at quarter breaks, time-outs, and/or other stoppages of play.

4. Students are asked to NOT sit on concession tables or stairways.
5. We should support our team in the gymnasium. Socializing with friends should be done primarily in the gym. Students spending extensive amounts of time in the halls or lobby will be asked to return to the gym.
6. Students are expected to utilize positive methods and expressions of support for our team and display good sportsmanship toward the opposing team and fans.
7. All activities are an extension of the school day and school rules apply to those in attendance.
8. Locker and classroom hallways are off limits during games. Students must seek permission from game supervisor, administration, or ticket seller to enter these areas.
9. Elementary students attending after school events must be accompanied by an adult.
10. Students are to respect all staff members, ticket sellers, etc.

SCHOOL WEAPONS POLICY

Students are forbidden to possess any instrument, in school, on school grounds, at the bus stop, on the bus, or at a school-sponsored activity, that is a weapon or ammunition.

Weapons violations include any kind of weapon (loaded or unloaded) or ammunition on a person, inside their locker, or in their vehicle including **pocket knives, hunting rifles, bows, etc.**, and any other dangerous article or substance being unlawfully used as a weapon against another.

Offense: For students in grades K-12, possession of a weapon will result in the following action by the school authority:

1. Notification of the police
2. Confiscation of the weapon if feasible
3. An initial suspension of 5 days & a conference with parent/guardian prior to the student returning to school
4. A recommendation for expulsion may be made by the Superintendent

"Possession" is defined as having a weapon on one's person or in an area subject to one's control on school property, at the bus stop, on the bus, or at a school-sponsored activity.

***If a student has accidentally brought a weapon or ammunition to school they are to turn it in immediately to administration or an adult supervisor if administration isn't available (i.e.- on the school bus). If it is determined that it was a complete accident, no one was threatened or harmed, and the student turned it in immediately upon discovering it, no consequences will be administered. All weapons and ammunition turned over will not be given back to the student and parents will be called to come pick it up.

DRUG-FREE & WEAPON-FREE ZONE

Drug-Free and Weapon-Free Zone: Minnesota Law considers the school as a drug-free and weapon-free zone. The zone includes school grounds and extends one city block, or 300 feet, beyond the boundaries of school property.

The law is tough on anyone caught selling or possessing illegal drugs in this zone. The law is also tough on anyone caught possessing or using a dangerous weapon in this area.

Juveniles convicted of these crimes, who are at least 14 years old, can be treated as an adult and sentenced in an adult court.

EXPULSION FOR POSSESSION OF FIREARM

The Minnesota State Crime Bill of 1995 states: A school board must expel, for a period of at least one year, a pupil who is determined to have brought a firearm to school except the board may modify this expulsion requirement for a pupil on a case-by-case basis. For the purpose of this section, a firearm is defined in United States Code, title 18, section 921.

SAFETY HAZARD VIOLATIONS

Potential safety hazards exist for students in the following areas:

1. *Fire alarms* - Students who tamper with or set off the fire alarm system will be suspended and turned over to the appropriate local authorities for prosecution.
2. *Fire crackers* - Possession or use of any firecrackers, smoke bombs, or any other pyrotechnical device in the building, at the bus stop, on the bus, on school grounds or at school activities is forbidden because of the health and safety of the student body. Violators will be turned over to the appropriate local authorities for prosecution.
3. *Firearms and knives* - Guns and knives are not permitted on school property and will be confiscated. Law enforcement may be called depending on the circumstances.
4. *Threats & Assault*- Students that threaten physical violence against any staff member or student or actually assault a staff member or student will be assigned appropriate consequences that may include suspension or expulsion.

EMERGENCY CONTACT CARDS

It is required that all families should have a card on file and will be contacted via email or phone call if the school does not have one.

ILLNESS AT SCHOOL

Should a student become ill while at school and is unable to attend classes, the student is to report to the nurse's office as soon as possible. The nurse is on duty daily. If a student should become ill when the nurse is not on duty, the student is to report to the main office secretary as soon as possible.

If necessary, the nurse or main office secretary will make arrangements for the student to go home. **Under no circumstances should a student leave for home without checking out through the main office.** (See "Check Out Procedures" above and "Passes: Out-of-Building Pass") If the nurse feels that student needs to go home the absence will be considered medically excused and won't count against the child's attendance.

Students must notify nurse or office staff if checking in or out of the nurse's office.

*It is imperative that your child's emergency card stays up to date so that you can be notified in the event of an illness or emergency. Please notify the school if there are any changes that need to be made to your child's emergency card.

SCHOOL CLOSINGS/EMERGENCY ANNOUNCEMENTS

If school is to be closed or dismissed early because of weather or other emergencies you will be notified through our Instant alert system. This will be the primary information resource for parents. Please make sure your email and phone numbers are always updated.

Emergency school closings, information on late starts, etc. are broadcast over area television and radio stations. These stations are notified as soon as possible that school will be closed or delayed. **No announcement means school is in session.**

Parents/guardians should arrange for and thoroughly discuss with their child what should be done if they are transported home early due to an emergency. In addition, the school strongly encourages parents/guardians to have emergency transportation plans on file for each child.

Please tune into one of the following stations and refrain from calling the school:

Radio - AM
KDAL 610 AM

Radio – FM
KDAL 95.7 FM

TV
KDLH Channel 3
KBJR Channel 6
WDIO Channel 10

The Infinite campus messenger notification system will also be utilized to inform families of any changes in the school day and to announce any other pertinent information.

ACCIDENTS AT SCHOOL

If your child is seriously injured at school, you will be notified. If emergency treatment is needed, and we cannot contact you, we will notify your family physician or take the child to the hospital. The school carries no insurance on students and is not responsible for accidental injuries. Be certain the emergency information form is up to date and complete in the main office.

Emergency forms are sent to each family annually and should be returned immediately. It is important to your child(ren) that we have this updated information. Please notify the main office during the school year if phone numbers change, or if you have any special requests (i.e. hospital preference), who we should call first, special health problems, etc. **It's very important that you indicate on the emergency form, any current medical issues and medications.**

REPORTING ACCIDENTS

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported to the person in charge (immediately) and to the school nurse or main office if possible. An accident report must be filed by the supervising adult within 24 hours and the completed form must be sent to the nurse's office.

HEAD LICE POLICY

Wrenshall School has a no nits, no head lice policy. We strongly suggest that **you** check your child's head for head lice and nits **weekly**. If you have any questions about how to do this or what to look for, you may contact the Wrenshall school nurse at extension 2005.

If you find head lice or nits on your child at home, please notify the school so we can check the other classroom students to prevent the spreading of lice as well as to prevent your child from being re-infected.

If head lice or nits are found at school these steps will be followed:

1. Parent/guardian or emergency contact will be called and the student will be sent home.
2. The child will be excluded from school until the day after treatment.
3. The child must be checked by appropriate school staff before being allowed back into the classroom. If nits or lice are found, students will be sent home.
4. You may contact the nurse to get methods, techniques, and tips for the treating of head lice.

VISION AND HEARING SCREENING

Vision and hearing screening will be done in the fall for first, second, third, fifth, eighth and eleventh grades. A screening can also be done for any child anytime during the school year if a

problem is suspected. Contact the school nurse at extension 2005 if you have questions or concerns.

SCHOOL PATROL

Elementary students who walk to school and/or who cross streets by or enroute to school are to cross under the guidance of the school patrol when and where provided. Only walkers who utilize the school patrol will be dismissed prior to bus students. The school patrol consists of responsible sixth grade students who have been trained to get students safely across our streets and roads. Patrol members are on duty from 8:00 to 8:20 a.m. and from 2:55 to 3:10 p.m. each school day.

SCHOOL SAFETY AND EMERGENCY DRILLS

As part of our Crisis plan we follow the *The I Love You Guys Foundation* Standard Response Protocol (SRP). It is a unified, easy-to-follow set of procedures for schools to respond to emergencies such as intruders, lockdowns, severe weather, or evacuations. It provides clear, consistent language and steps for staff and students to follow, ensuring safety and minimizing confusion during critical incidents.

All schools are required by the Minnesota Department of Education to schedule regular safety drills throughout the school year. The three different drills practiced are fire, tornado, and lockdown. We also are prepared for an evacuation if that was needed. We have a team that meets each school year to review our emergency plans and revise as needed. In addition, we debrief after drills to consider ways to improve.

Fire Drills: In order to assure the safety of our students, the Minnesota Department of Education requires five fire drills throughout the school year. When the fire alarm sounds, students and staff leave the building in a quiet, orderly manner. Teachers take their Emergency Grab and Go bags, do

an attendance check, and report their status to the principal or admin designee. Our goal is to be out of the building in under 2 minutes.

Tornado Drills: One tornado drill is held in the spring to coordinate with the Statewide Tornado Drill Day. Students are moved to designated safe areas to help minimize exposure to falling or flying debris. The principal or admin designee checks all areas for proper procedures.

Lockdown Drills: The lockdown drill is locks, lights and out of sight. We have five lockdown drills each school year. All students and staff stay out of sight in their locked classrooms. The principal and maintenance staff check the building to make sure all staff and students are properly following procedures. The goal is to maintain a safe environment for all our students and staff.

Evacuation: Our fire drill serves as our evacuation practice--getting out of the building efficiently. In the event of a true evacuation, all students, staff, and visitors would evacuate to our primary evacuation site: Wrenshall Fire Hall. There would be a formal system in place for parents to be united with their children. We thank you in advance for your cooperation to ensure the safety of our students.

CHILD ABUSE AND NEGLECT REPORTING

School District employees are **required** to report evidence of child physical or sexual abuse, neglect, emotional maltreatment, or prenatal exposure to controlled substances. Any person who is required to report this evidence and who willfully fails to do so will be guilty of a misdemeanor. At the same time, any person who reports child neglect, physical or sexual abuse, emotional maltreatment, or prenatal exposure to controlled substances is immune from civil or criminal liability that otherwise might result from such action.

The district administration, school nurse, counselor, and/or reporter of the incident may discuss the situation with the child or youth and emphasize that the school is not interested in accusing or punishing anyone, but rather, is interested in helping ensure that the maltreatment does not continue.

Upon receiving a report of suspected neglect, physical or sexual abuse, emotional maltreatment, or prenatal exposure to controlled substances, the reporter of the incident must call the proper authorities within 24 hours. Each local social service agency and law enforcement agency has legal authority to interview at school, without parental consent, the alleged victim and any other minors who currently reside with or who have resided with the alleged perpetrator.

IMMUNIZATIONS

Minnesota state law requires immunizations for students in Kindergarten through 6th grade:

DTaP: (Tetanus, diphtheria, pertussis): **5 doses**

Polio: **4 doses**

MMR: (Measles, mumps, rubella): **2 doses** after birthday

Hepatitis B: **3 doses** over 6 months

Varicella (Chicken pox): **2 doses** after first birthday **OR** medical documentation of disease history.

Minnesota immunization law: Statute 212A.15 sub.2 **REQUIRES** that in order for a child to enroll in school a parent must show they have received the required immunizations or an exemption.

Please make sure that your child has all the necessary immunizations/paperwork into the nurse's office **BEFORE your child attends class.**

Immunization/exemption forms (exemption forms must be notarized) are available in the nurse's office or on the Wrenshall website, under services, then under health. Parents can call their child's doctor's office and have their immunization records faxed to the school (fax: 218-384-4293 Attn: School Nurse)

Ringworm of the Scalp	Itching, small scaly ringed patches with broken hair. Some inflammation and hair loss.	3 weeks or longer	Exclude until treated by a physician.
Ringworm of the body	Flat, spreading ring shaped area, center appears clear.	4-10 days	Until treatment started or area is covered.
Scabies	Intense itching, burrows and small lesions on skin i.e., fingers wrists, elbows	Several days to several weeks	Exclude until 24 hours after treatment begins by the physician.

ADMINISTRATION OF PRESCRIPTION AND NON-PRESCRIPTION MEDICATION AT SCHOOL

These steps must be completed before any medication will be given at school. Medication forms are available in the nurse’s office. Whenever possible, medication should be given at home and every effort should be made to avoid school hours.

1. A “Wrenshall School Medication Administration Authorization” form must be fully completed annually (once per year) **and** when any change in the prescription or requirements for administration occurs. This form is available from the school nurse or can be found on the Wrenshall school website, under services, then under health.
2. All medication(s) must come to school in the original container, if prescription, it must also be labeled for the student in accordance with the law and must be administered in a manner consistent with the instructions on the label or an updated medication order by a medical doctor.
3. All medication(s) are provided by the parent or guardian. **The school does not supply any medications for students or faculty.**
4. **Medications are not to be carried by the students, and will be left with the appropriate school district personnel** (i.e.- school nurse, secretary, office staff, etc.). The only exceptions to the requirement that students cannot carry medications are: prescription asthma medications that are self-administered with an inhaler, and medications administered as noted in a written agreement between the school district and the parent.

Non-Prescription:

1. Elementary students must follow all steps listed above for both prescription and non-prescription medications; this includes Tylenol, Ibuprofen, Motrin, cold medications, etc. Elementary students do not have the ability to self administer medication or have medication on their person at all.
2. The school must receive signed authorization on the school’s non-prescription medication form (This form can be obtained in the nurse’s office) from a parent/guardian permitting high school students to self-administer specific medication(s). Elementary students do not have this ability and all medication must be administered by the school nurse.
3. No medications will be provided by the school.
4. Medications must be brought in the original bottle.

5. The school may revoke a student’s privilege to possess and use non-prescription pain relievers if there is any concern of abuse of this privilege.

***Any violations of these rules may result in disciplinary measures.

PARENT CONCERNS AND QUESTIONS PROTOCOL

Here is a list of the steps to follow in order:

1. Talk to the staff member directly involved (bus driver, teacher, paraprofessional, coach, etc.)
2. If not resolved, contact the Principal
3. If not resolved, contact the Superintendent
4. If not resolved, contact the School Board

We do understand there are some issues that require you to go directly to a supervisor. We will be glad to assist you in those situations.

INTRODUCTION

Thank you for being a part of our school community. The Wrenshall High School Handbook is intended to inform students and families of the general expectations, policies, and procedures of our school. To help you be successful, this handbook containing an explanation of high school expectations and policies has been prepared for your reference. It is important that you become familiar with the procedures and policies that govern the school. All students are required to abide by the Rights and Responsibilities Handbook. Some rules are condensed in this handbook; however, complete policies are available on the district website. The student handbook can also be found on the homepage of the school website (isd100.net)

GRADUATION REQUIREMENTS

In order to graduate from Wrenshall High School, all students are required to complete three requirements by the time they graduate:

- **Credits** – Satisfactorily complete the state course credit requirements under Minnesota Statutes, section 120B.024. Students must also satisfactorily complete all state academic standards or local academic standards where state standards do not apply.
- Meet **State Graduation Assessment Requirements** (i.e.- Minnesota State tests in math and reading)
- Meet **Community Service** requirements.

Credits

Students complete the academic standards by taking a core course of study that equips them with the knowledge and skills they need for success in postsecondary education, highly skilled work, and civic life. In order to graduate, your child's high school coursework must include at least the minimum state course credit requirements. A course credit is equivalent to a student successfully completing an academic year of study or mastering the subject matter, as determined by the local school district.

All Wrenshall students are required to take a minimum of 6 credits per semester. Only credits earned in grades 9-12 are counted toward graduation. There are 34 required credits and 16 elective credits for a total of 50 semester credits that are required for graduation. The required credits are:

- **8 semesters of English** including Communication Arts and Literature 1, 2, 3, and 4 which are the 9th, 10th, 11th, and 12th grade courses.
- **8 semesters of Social Studies** including Geography/Civics, American History, World History, American Government, and Economics. (9th, 10th, 11th, and 12th grade).
- **6 semesters of Mathematics** including algebra, geometry, statistics and probability sufficient to satisfy the standards. Students in the graduating class of 2015 and beyond must complete an algebra II credit or its equivalent as part of the 6-credit requirement. In addition to the high school credits, students in the graduating class of 2015 and beyond must also complete an algebra I credit by the end of eighth grade.
- **6 semesters of Science** including a biology credit. In addition, students in the graduating class of 2015 and beyond must complete a chemistry, physics, or Career and Technical

Education (CTE) credit as part of the 6-credit requirement. (The CTE credit must meet the standards underlying the chemistry or physics credit.)

- **2 credits of Physical Education** including 9th grade Physical Education.
- **2 credits of Health.**
- **1 semester of Fine/Visual Arts Education.**
- **1 semester of Computer Applications**

Students transferring to Wrenshall School will be granted equivalent high school credit for all classes taken and passed upon entering 9th grade and at the 9th grade level and above.

State Graduation Assessment Requirements

In order to be eligible for a diploma from a Minnesota public high school, all students must fulfill applicable graduation assessment requirements. There are different routes to meeting graduation assessment requirements depending on what year students were first enrolled in grade 8.

Students First Enrolled in Grade 8 in 2012-2013 and Later

Based on the revisions to Minnesota Statute 120B.30 and 120B.125, districts have a number of requirements to fulfill for students' career and college planning, but students are not required to achieve a specified score on an assessment in order to graduate or meet graduation assessment requirements.

Districts must assist students with career and college readiness. Each of these will be addressed in detail below. Schools are

- to offer students in grades 11 and 12 an opportunity to participate in a nationally recognized college entrance exam on a school day.
- to monitor a student's development of and growth in career and college readiness.
- to assist students no later than grade 9 in exploration and planning activities for career interests or postsecondary education.

MDE will no longer be tracking graduation assessment requirements for students first enrolled in grade 8 in 2012-2013 or later through MDE systems. Districts must ensure they are assisting students with each of the areas outlined in the bullets above, and it is up to the district to determine how these areas are met.

Minnesota Statute 120B.30 requires a school or district to record a student's progress toward career and college readiness on the high school transcripts of students first enrolled in grade 8 in the 2012-2013 school year and later (other students should be included as soon as practicable).

- The statute states a student is college and career ready if the student is able to successfully complete credit-bearing coursework at a two- or four-year college or university or other credit-bearing postsecondary program without need for intervention.
- Schools, districts, and charter schools are best positioned to make individual determinations about a student's progress toward career and college readiness. The statute does not prescribe a specific tool or method for measuring progress toward career and college readiness.

OFFER OPPORTUNITY FOR COLLEGE ENTRANCE EXAM

Districts must provide students the opportunity to participate in a college entrance exam on a school day, but individual students are not required to participate. Only The ACT (The ACT and The ACT Plus Writing) and SAT are considered nationally recognized college entrance exams. If districts choose The ACT, MDE expects districts to administer The ACT Plus Writing. Even if the district already offers one of the assessments on a national test date, the assessment must be offered to all students on a school day.

The following provides additional clarification about student participation.

- The district must offer a college entrance exam each year on a school day to students in grades 11 and 12, and students will decide if they will participate and in which grade they will participate. Students will only have one college entrance exam paid for or reimbursed by the state.

- Each district will determine how the assessment opportunity will be communicated to students and families (e.g., letters to students/families, notification on the district/school website).
- The student does not determine which of the college entrance exams he or she would rather take; the district determines which assessment will be offered.
- Students can choose instead to take The ACT or The ACT Plus Writing on a national test date, and the district can request reimbursement for eligible students.
- Home-school and non-public students are not eligible to take The ACT or The ACT Plus Writing at a public school during a school day.
- An appropriate college entrance exam is not available for students with significant cognitive disabilities who are eligible to take the MTAS. It is not necessary to offer a college entrance exam to these students.

MONITOR STUDENT DEVELOPMENT IN CAREER AND COLLEGE READINESS

Districts must monitor student development of growth in career and college readiness. It is expected that as part of district curriculum and instruction planning, districts will identify students' academic strengths and diagnose areas where students require curriculum or instructional adjustments, targeted interventions, or remediation.

Career and college readiness indicators will be included in Reading and Mathematics MCA Individual Student Reports (ISRs) in grades 3–8, 10, and 11 to support districts in this monitoring.

ASSIST STUDENTS IN EXPLORATION AND PLANNING ACTIVITIES

Districts must also assist students no later than grade 9 in exploration and planning activities for career interests or postsecondary education.

This plan must be reviewed and revised at least annually by the student, the student's parent or guardian, and the school or district. A component of this plan is providing an interest inventory to the student. It is up to the district to determine how to best meet the requirement. MDE does not endorse a particular product for the career interest survey.

Civic Engagement Requirements for Graduation

Objectives- Civic engagement means working to make a difference in the civic life of our communities and developing the combination of knowledge, skills, values, and motivation to make that difference. It means promoting the quality of life in a community. Studies have shown that individuals who help others develop a greater sense of self-worth and self-esteem.

Criteria- Each student will be required to work a minimum of 20 hours, starting in grade 9, performing civic engagement as a requirement for graduation. The volunteer activities a student chooses must meet the following basic requirements in order to be considered:

1. Activity must be performed outside the scheduled school day (8:20-3:13), unless otherwise approved by the school counselor.
2. Activity must not be performed for a family member, relative, or personal friend.
3. Activity must not be for pay or any other compensation.
4. Activity should be initiated by the individual student and not be part of a credit-granting course.

Procedures- Every time you perform a service, fill out a volunteer voucher form (located in the main office) and have it signed by the designated advisor, or keep a volunteer log if your service is for the same place over a period of time. Logs and vouchers can be picked up and turned in to the school counselor anytime during the school year, however, **the deadline for turning them in is May 1st of your senior year.**

***It is at the school counselor's discretion to accept or decline any community service hours turned in.**

Standards-Based Accountability Assessment

The Minnesota Comprehensive Assessments (MCAs) and alternate assessment Minnesota Test of Academic Skills (MTAS) are the state tests that help districts measure student progress toward Minnesota's academic standards and also meet the requirements of the Elementary and Secondary Education Act (ESEA). Students take one test in each subject. Most students take the MCA, but students who receive special education services and meet eligibility requirements may take the alternate assessment MTAS instead. They are given every year to measure student performance against the Minnesota Academic Standards that specify what students in a particular grade should know and be able to do.

Reading: MCA or MTAS (grades 3-8, 10)

Mathematics: MCA or MTAS (grades 3-8, 11)

Science: MCA or MTAS (grades 5, 8, and high school)

Valedictorian and Salutatorian

These are academic honors given to the two highest academic achieving students of the graduating class. These will be determined prior to the graduation ceremony when all grades are in for all seniors. In order to qualify for valedictorian and salutatorian, a student must be enrolled at Wrenshall School by the second semester of their junior year.

Honor Graduates

In order to qualify for Honor Graduate status, a senior must have a cumulative GPA of 3.5, complete 8 credits of mathematics (following the guidelines stated in the graduation requirements), and complete 2 years of a foreign language.

Foreign Exchange Students

Foreign exchange students who enroll as seniors will not receive a diploma from Wrenshall School unless they complete all requirements. However, they may participate in the graduation ceremony.

JR. HIGH AND HIGH SCHOOL GRADING REQUIREMENTS

Wrenshall School functions on 4 grading periods. Each semester course consists of 2 quarter grading periods of 8 to 9 weeks.

Quarter and semester grades can be accessed online using the Parent Portal (Talk to the main office to set up an account if you do not already have one). If you are unable to use this online feature, be sure to speak with the main office about receiving a hard copy. Letter grades may indicate student progress. Each teacher is responsible for outlining his/her grading procedure. The student is responsible for knowledge of the grading policy.

Students in grades 7 and 8 who receive 3 semester F's in any core subjects (math, science, social, or English) may remain in the same grade the following fall. 1 or 2 semester F's in a class may result in having to retake the class.

Students in grades 9-12 failing a semester course will most likely need to make up the lost/failed credit.

Work study courses will earn a P/NP (pass or non-pass) grade and will earn credit if they pass.

Incompletes will only be given in cases of special circumstance, not for laziness or missed deadlines. They must be made up within two weeks of the end of the grading period or they will convert to an F.

No grade of less than 60% will be considered passing. Teachers have the right to have a higher D-percentage.

CUMULATIVE RECORDS

School records are kept on each child for his/her entire school career. The cumulative folder contains such items as copies of report cards, reading record cards, and standardized test results. These records are confidential and those having access to them are limited to school employees and parents. Parent permission must be obtained to release these records to another party. If you desire to see your child's records, please see the classroom teacher or the guidance counselor with your request. Our district's **Data Privacy Policy** is on file in the superintendent's office.

CLASS STANDING

In order to be considered in a particular class, and on track to graduate, at the beginning of the school year, a student must have the following accumulated credits:

- Sophomore: minimum of 8 credits
- Junior: minimum of 22 credits
- Senior: minimum of 36 credits

HONOR ROLL

To be eligible for the honor roll a student must be enrolled in at least 6 classes.

- "A" Honor Roll Requirements = GPA of 3.667 or above
- "B" Honor Roll Requirements = GPA of 3.0 or above

CLASS RANK

Student class rank, used for the purposes of scholarship and college/tech school enrollment, will be figured for all students in mainstream, unmodified classes in grades 9-12.

PROGRESS REPORTS

Wrenshall progress reports can be accessed at any time online using the Parent Portal on Infinite Campus (Talk to the technology director at extension 2500 to set up an account if you do not already have one). Midterm, quarter, and semester grades can be viewed there as well. If a parent/guardian does not have online access they can request a report through the main office that a hard copy be mailed to them. If your child is struggling in any class please reach out to the guidance counselor office or any teacher whose class your child needs support in. Conferences between parents/guardians, teachers, and guidance counselors are encouraged in the best interest of pupil progress.

PARENT/GUARDIAN-TEACHER CONFERENCES

Conferences are scheduled at least twice each school year. Please consult the school calendar for exact days and times. Additional conferences may be arranged with the child's teacher whenever the parent feels it is necessary. Any conference request must be submitted a minimum of 2 weeks prior to the conference date.

DROPPING CLASSES

For the school year, we have a two-semester schedule. Dropping of classes will be held to a minimum; however, it will be allowed under extenuating circumstances through the guidance counselor's office. Students may not drop classes at their discretion. Each student should have at

least 6 classes a semester. Students are responsible for reviewing their schedules for any conflicts or lack of credits toward graduation. It is recommended that students discuss with their parents any potential changes in their schedule. Students who withdraw from a class after 5 days into the semester may receive a failure grade for the class on the report card rather than a "W" (withdrawal) grade and will be placed in a study hall.

ACADEMIC DISHONESTY

Cheating on tests or assignments diminishes the teacher's ability to determine the progress of the student. In addition, it is unethical and an unfair advantage over classmates who have taken the time and effort to prepare for the assignment or test. Students determined to have cheated will be subject to loss of credit for the assignment or test, notification of parents/guardians.

*Students that give answers to other students or allow students to copy their assignments or tests are cheating.

Students in possession of teacher keys, grade books, teacher texts, tests, answer keys, etc. without authorization are subject to appropriate consequences.

POST SECONDARY ENROLLMENT OPTIONS (PSEO)

Postsecondary Enrollment Options (PSEO) is a program that allows 10th, 11th, and 12th grade students to earn both high school and college credit while still in high school. Students do this through successful completion of college nonsectarian courses at eligible participating postsecondary institutions. Most PSEO courses are offered on the campus of the postsecondary institution; some courses are offered online, while others are offered at Wrenshall School through the concurrent programming. Each participating college or university sets its own requirements for enrollment into the PSEO courses. Eleventh and twelfth grade students may take PSEO courses on a full- or part-time basis; Tenth graders may initially take one Career and Technical Education (CTE) PSEO course. If 10th graders taking a CTE PSEO course earn at least a grade C in that class, they may take additional CTE PSEO courses. Students must meet the PSEO residency and eligibility requirements and abide by participation limits specified in Minnesota Statutes, section 124D.09. If a school district determines a pupil is not on track to graduate, he/she may continue to participate in PSEO.

There is no charge to PSEO students for tuition, books, or fees for items that are required to participate in a course. Enrolling in a PSEO course does not prohibit a student from participating in activities sponsored by the high school. Funds are available to help pay transportation expenses for qualifying students to participate in PSEO courses on college campuses.

School districts must allow a PSEO student reasonable access to the high school building, computers, and/or other technology resources during regular school hours to participate in PSEO courses, whether online or on campus.

Credit equivalence is as follows:

Concurrent: 1 credit issued per each semester taken.

Honors Online: 1 college credit = ½ high school credit.

On-Campus Programming: 1 college credit = ½ high school credit.

To assist the district in planning, students must notify their school by May 30th if they want to participate in PSEO for the following school year.

Students must still meet graduation requirements of Wrenshall School District in order to graduate. Students must also meet with the school counselor, take the necessary test, and complete the necessary forms prior to being admitted to any PSEO programming. All PSEO programming is demanding and requires effective time management as well as a great deal of self-discipline.

It is the responsibility of the student to earn a passing grade in the course. **If the student is not able to pass the course, it will be the student's responsibility to pay for all fees that have been incurred, which may include tuition, student fees, textbook fees, etc.**

To be eligible, Juniors must rank in the top third of their high school class OR have a 3.0 cumulative GPA or higher. Seniors must rank in the top half of their high school class OR have a cumulative GPA of 2.5 or higher.

For further details, please direct your questions to the school counselor.

***All grades received through the various PSEO options will be recorded on a permanent college or university transcript.**

NATIONAL HONOR SOCIETY

The National Honor Society is an organization that attempts to bring the accomplishments of outstanding students to the attention of parents, teachers, peers, and community. Membership in the NHS is recognized throughout the country as one of the highest honors that can be awarded to a high school student.

To be considered for membership, a student must excel equally in scholarship, service, leadership, and character.

Application Process

Sophomore, junior, and senior students who have a cumulative grade point average of 3.5 are invited to apply for membership. Applicants are required to list all school, church, and community organizations to which they belong or have volunteered services since the beginning of their freshman year. Applicants must also prepare an essay in which they describe themselves in terms of character and leadership.

Selection Process

Lack of service or involvement is the single largest roadblock to membership. Each student must demonstrate a high level of involvement in his or her school, church, and/or community. Those students who do not actively participate cannot attain membership.

Excellence in leadership and character are determined by averaging the scores of a rating scale completed by staff that have contact with a given student during the past year.

Membership is offered to those students who **excel in all four areas** of scholarship, service, leadership, and character.

Students, who were not offered membership one year, will be invited to re-apply the following year, provided they maintain their academic standing. (Younger students frequently do not gain acceptance into the NHS simply because they have not yet had time to accumulate sufficient service points.)

Once a student is a member of the National Honor Society, the student is required to be a constant example of the high standards set by the NHS. **Even the appearance of impropriety can result in the immediate removal from NHS.**

HONORS ONLINE CLASSES

High School Honors Online courses are an excellent option for independent learners with strong time management skills. Students enrolled in online courses are required to be in the building under the supervision of an assigned teacher.

STUDY HALLS

The study hall atmosphere should be one in which students are afforded the opportunity to work undisturbed. Study halls will be treated as a regular class; thus, students are expected to attend, report on time, and adhere to classroom rules. The supervising teacher will address decisions and procedures for passes. Abuse of passes may result in the student being denied future privileges. Study halls are **not** credit bearing courses.

SPECIAL EDUCATION

All students referred for special education assessments must have signed parent permission prior to assessment. After the assessment, parents will be called in for a conference to discuss the results and recommendations. Services are provided when this criteria is met.

If your child is referred to special education for an assessment, the district will enter your child's name and date of birth into the Minnesota Medicaid System to find out if your child is receiving Medical Assistance or MinnesotaCare. If you do not want the district to enter your child's name and date of birth into the Minnesota Medicaid System, please inform the district administration that you do not want the district to check the Medicaid System.

Psychologist -- Assesses some students for better understanding of the student's ability to learn.

Special Education Teacher -- Teaches students who are unable to learn in the way that most students do even though they may have the ability.

Speech / Language Clinician -- Works with students with significant communication disorders such as articulation problems or language delay.

Adaptive Physical Education -- Works with the Physical Therapist as a diagnostician and helps plan programs for students with fine motor difficulties who are receiving other special education services.

Physical Therapist -- Works with the Occupational Therapist as a diagnostician and helps plan programs for students with gross motor difficulties who are receiving other special education services.

Certified Occupational Therapist Assistant (C.O.T.A.) -- Works directly with special education students that the Occupational Therapist and Physical Therapist have diagnosed as having significant motor development delay.

STUDENT EXPECTATIONS FOR EVENTS & ASSEMBLIES

Students are to follow all behavior expectations during school events and assemblies. Violations of rules or inappropriate behavior may result in removal from the event, activity, or assembly. Additional consequences may be administered.

It is the hope of Wrenshall School Staff and Administration that the student body will demonstrate their support for our athletic teams by attending home games. Once at the game, it is important that each student adheres to certain expectations that will make an enjoyable, safe evening for all.

1. Students are to enter the building through the main lobby entrance where tickets are sold.
2. Once students are admitted to the school activity, they are to remain in the building throughout the activity. If students choose to leave, they are subject to not being readmitted.
3. For the safety of players, the individual's safety, and respect for spectators viewing the game, student fans are asked to limit movement in and out of the gym while play is in progress. The game supervisor may monitor traffic and choose to readmit students only at quarter breaks, time-outs, and/or other stoppages of play.
4. Students are asked to NOT sit on concession tables or stairways.
5. We should support our team in the gymnasium. Socializing with friends should be done primarily in the gym. Students spending extensive amounts of time in the halls or lobby will be asked to return to the gym.
6. Students are expected to utilize positive methods and expressions of support for our team and display good sportsmanship toward the opposing team and fans.
7. All activities are an extension of the school day and school rules apply to those in attendance.
8. Locker and classroom hallways are off limits during games. Students must seek permission from game supervisor, administration, or ticket seller to enter these areas.
9. Elementary students attending after school events must be accompanied by an adult.
10. Students are to respect all staff members, ticket sellers, etc.

SCHOOL DANCES

Students must be in good academic standing with a passing grade in all classes in order to participate in School Dances/Prom.

All school dances and parties must be sponsored by a recognized school organization and have the approval of the Principal **2 weeks in advance**. Students must make a request to their class advisors and the advisors will complete the appropriate forms and submit them to the Principal for approval.

Prom

Wrenshall students in grades 11 and 12 may invite a guest to the Prom. The guest **must** be at least in grade 10 and **may not be more than 19 years old**.

Closed Dances

Admission shall be open only to Wrenshall High School students and invited guests. Any student may invite a guest but is responsible for his/her guest's conduct. Guest's must be approved by the Principal. In order to be approved, paperwork which can be found in the main office, must be signed by the guest's school administration and returned to the Principal **prior** to the end of the school day a day before the dance. It is the **student's responsibility** to make sure this signed paperwork gets to the Principal.

Dance rules are as follows:

- Dances will be chaperoned by staff members and will not last past 11:30 p.m. (in some cases 12:00 midnight).
- Students who leave the school will not be readmitted.
- Tobacco, alcoholic beverages, and drugs will not be tolerated.
- Fighting, threats, and bullying will not be tolerated.
- Physical horseplay and running around will not be tolerated.
- Students are to respect the school grounds, the equipment, and the facilities.
- The school dress code must be followed. Tube tops, lingerie-looking tops, see through or partially see through tops are not allowed. Underwear should not be seen through or outside of clothing. Skirts and dresses must be appropriate length and not too revealing.
- Inappropriate dancing (grinding, mosh pits, sexually suggestive dancing, crowd surfing, etc.) will not be allowed
- Students shouldn't be anywhere there isn't supervision unless they have received permission by a staff chaperone
- Students are to respect and follow the instructions of every chaperone
- The sponsoring group is responsible for all debts and necessary clean up.
- Students must arrange for rides prior to the end of the dance.
- Students should be picked up **within 15 minutes** following the dance.

*****Violations of these rules may result in a student being asked to leave with no refund.**

*****Violations of these rules may result in loss of attending dances for the remainder of the school year.**

Open Dances

Any dance open to the public must be cleared with administration. The sponsoring group will be responsible for hiring law enforcement for security purposes.

FIELD TRIPS

Field trip proposals should be directed to district administration for pre-approval one month prior to the proposed field trip.

The teacher or advisor should make field trip requests. All overnight field trips must be approved by the school board.

Students on a field trip will conduct themselves appropriately, follow the direction of the chaperone/s, and abide by all school rules and regulations while on a field trip.

Parents must give written permission for the student to go on field trips. Students need to be responsible to take slips home and return them on time.

***Students must maintain student status to be eligible to participate in or attend field trips.**

***Regular attendance is mandatory. Any student with 7 or more days of unexcused absences in a single class period over the course of the school year will be ineligible to attend any field trips including the senior class trip. It is important to remember that a student can only be excused 15 times in a class period over the course of the school year. After 15 excused absences in a class period, the school will no longer accept parent excused absences and absences accrued after that point will all be unexcused.**

Students not attending field trips are expected to attend school during the field trip. Any absences will count toward the school's attendance policy and potential truancy.

FUND RAISING

All fund raising projects must be approved and scheduled through the district administration. Non-school activity fund raising is not allowed. All funds raised will be deposited into the appropriate school accounts.

SENIOR CLASS TRIP

Each year, the senior class at Wrenshall takes an extended class trip. The purpose of the trip is to help the class set long-term goals, group interaction toward the meeting of these goals, personal responsibility, and the educational impact of traveling to our nation's capital. The trip will be scheduled for approximately one week and will be non-intrusive to the sport seasons.

Fundraising

Fundraisers for students in grades 7 through 12 are designed to allow students to earn the money necessary for homecoming, prom, and the senior class trip over a period of six years. It is important to remember that students are not required to participate in fundraising events. The fundraisers are provided to help parents offset the costs of school activities. They are also provided to give the students the opportunity to earn their own way on the class trip.

Each student, beginning in the seventh grade, has an account that itemizes how much money that student has contributed to each fund raising event. The method of applying credit for money raised by class members will be consistent for every class. Individual students will be assigned a dollar amount credit based on their individual effort toward any particular fund raiser. This money is **NOT** refundable. If the student chooses not to go on the class trip or moves out of the district, the balance will be divided among those students who go on the class trip.

Participation

A student will be eligible to participate in the class trip the academic year he/she will be receiving a diploma. **The student MUST be passing and making academic progress toward the diploma in order to participate.** Students must make a commitment to participate in the trip in the fall of

the year they will be going and must have the amount of the plane fare in their school account prior to the purchase of the tickets. This money may be gotten through fundraising, personal payment, or a combination of the two.

Foreign exchange students are encouraged to attend at their own expense.

Students not attending the senior class trip are expected to attend school during the trip. Any absences will count toward the school's attendance policy and potential truancy as well as Loss of Student Status. A reminder that any senior with 25 or more absences in a class period is ineligible to walk for graduation.

Advisors

Each class will be assigned at least two advisors. Changes in these assignments will be made by arrangements with the teachers involved. These advisors will manage and chaperone all class sponsored events and fundraisers unless there is proper adult supervision. The class advisors will deposit money raised in an activity account and monitor all student accounts. Advisors are given the responsibility to keep the costs manageable.

Any monies raised by the class that are in excess of the amount required for the trip may be used to expand the experience for all or may be used in such a way that all members of the class may benefit through a class sponsored activity or shared equally toward a school-related expense. Monies may not be distributed directly to the students. If there is a large amount remaining, the class may decide what to do with it with the approval of their advisors.

ENTRANCE AND CLEARANCE OF THE BUILDING

Classes begin at 8:20 a.m. and we ask that students **not** arrive earlier than 8:00 a.m. as supervision of students isn't provided until that time.

The building is to be cleared by 3:30 p.m. each day, unless you have an appointment with a teacher or an after-school activity.

School facilities such as the gym, rec building, or weight room cannot be used without adult supervision. The adult supervisor/s must be approved by the school.

***The school is not liable for injuries sustained on school grounds after 3:30 p.m. for any students that are not involved in extracurricular activities.

EXTRACURRICULAR ELIGIBILITY RULES

It is each student's and parent's/guardian's responsibility to know and follow the rules as set down by the Minnesota State High School League Eligibility Information Bulletins and the Wrenshall School District.

Any violation of eligibility rules shall make the student ineligible to represent the school in any club, organization, dances, games, contest, festival, trip, or public appearance or actively participate or perform in activities or performances.

Examples that are subject to these rules include but are not limited to:

Athletics	Music Contest	Student Council
Class Government	National Honor Society	Speech
Homecoming	Plays	BPA
Homecoming Court	Robotics	Pep Band
Math Contest	Trap Shooting	Show Choir
Math League	Science Fair	Knowledge Bowl
Senior Trip	Art Club	Prom/Dances

Attendance and Truancy Policy

PARENTS: For tips on helping your student attend school go to www.absencesaddup.org

Regular and punctual attendance is required by Minnesota law and is essential for academic success. Absences should occur only when unavoidable. Students, parents/guardians, and the school share responsibility for ensuring good attendance.

***Absences from School for Religious and Cultural Observances-** American Indian students are permitted to be absent from school for instruction conducted by tribal spiritual or cultural advisors.

Attendance Guidelines

- **Verification:** Parents/guardians must notify the school by 8:30 a.m. on the day of absence or provide written/email verification within 24 hours.
- **Excused Absences:** Illness (doctor's note may be required), medical/dental/mental health appointments, religious observances, family emergencies, funerals, official school activities, college visits, and active military duty.
- **Unexcused Absences:** Oversleeping, missing the bus, babysitting, vacations, work, being "needed at home," or other reasons not approved by the school.
- **Early Dismissal:** Requires a signed parent/guardian note submitted before first period. Early dismissals should be limited to essential appointments.
- **Tardies:** Six (6) or more tardies in a class per quarter will be recorded as one (1) unexcused absence. Missing more than ten (10) minutes of class counts as an absence for the entire period.

Truancy Prevention Program

Wrenshall School participates in the Carlton County Truancy Prevention Program.

Interventions and Consequences

The school may use the following supports and interventions:

- Parent/guardian notification and conferences
- Referral to school counselor, psychologist, or mental health services
- Collaboration with the Carlton County Truancy Officer
- In-school attendance contract

Progressive disciplinary measures include:

Step 1: After 3 unexcused or 8 combined total absences the student will meet with the Guidance counselor.

Step 2: After 5 unexcused absences or 10 combined total absences the student and parent/guardian will meet with the Principal and Guidance Counselor.

Step 3: After 7 unexcused absences or 15 combined total absences the student will be referred to Carlton County Truancy.

Step 4: Any absences beyond the 15 will result **in loss of course credit in a semester.**

*The Wrenshall School District may approve additional absences at the school's discretion.

Habitual Truancy

A student under 18 is considered a *habitual truant* if absent without lawful excuse for:

- 7 school days (elementary)
- 7 class periods on 7 school days (secondary)

Open- Enrolled Students: *The school district may terminate the enrollment of a nonresident student enrolled under an enrollment options program pursuant to Minn. Stat. § 124D.03 or 124D.08 at the end of a school year if the student meets the definition of a habitual truant, the student has been provided appropriate services for truancy under Minn. Ch. 260A, and the student's case has been referred to juvenile court. A "habitual truant" is a child under 17 years of age who is absent from attendance at school without lawful excuse for seven school days if the child is in elementary school or for one or more class periods on seven school days if the child is in middle school, junior high school or high school, or a child who is 16 or 17 years of age who is absent from attendance at school without lawful excuse for one or more class periods on seven school days and who has not lawfully withdrawn from school under Minn. Stat. § 120A.22, Subd. 8 .*

Definition of a Habitual Truant – A student who has been absent without lawful excuse for 3 or more class periods on 3 days may be referred. A Habitual Truant is a child under the age of 18 who is absent from attendance at school without lawful excuse for 7 school days if in elementary school or for 1 or more class periods on 7 school days if the child is in secondary school.

Excused Absences – The burden of a child being excused from school is placed on the parent/guardian of the child. A school has the right to accept or deny an application for an excused absence. Therefore, schools can develop reasonable policies for school attendance and reject invalid excuses offered by the child or parent.

TRUANCY/SKIPPING—Truancy is willful absence from school without parental permission or not following an assigned school schedule. Leaving a class early and excessive time for tardiness will be considered truancy. Offenses: Zero grades for all assignments and/or tests that day.

EXCUSED TARDIES—The office manager will write excused or unexcused on the first and fifth period admit slips for students who arrive after 1st hour or after lunch. For all other periods of

the day, teachers are responsible for determining if a tardy is to be excused for their class. Tardies will be entered into the computer system and tabulated by the high school office.

UNEXCUSED TARDIES—Students are expected to be prompt in attending class with consequences for tardiness determined by school administration. 6 or more tardies in a class in a quarter is treated as an unexcused absence.

WHS TARDY PROCEDURES

Students are expected to be in their assigned class on time everyday.

Frequent tardiness disrupts learning for everyone and negatively affects the late student's own education. While some tardies may be unavoidable, others result from poor habits.

A student who is tardy to class four (4) times in a semester will receive an after-school detention. Continued tardiness may lead to additional consequences, including further detentions, in-school suspension (ISS), or loss of privileges for school-sponsored activities.

1. The individual teacher whose class the student arrived late to will decide class tardiness.
2. A student will be considered tardy if they are either late to class or are unprepared for class (i.e.- Have to go back to their locker to get a book, notebook, writing utensil, assignment, etc.). Tardy rules are at the teacher's discretion (i.e.- being seated before the bell rings, excessive requests to use the bathroom, etc.).
3. Students over 10 minutes late for a class without an excused pass are considered both absent unexcused and tardy. Unexcused absences will be treated as skipping which will result in an after school detention.
4. Students who have unexcused absences for 1st hour can be considered BOTH absent and tardy (from school). It is the school's discretion to accept a parental excuse.
5. First three tardies: The teacher warns the student of the consequences of arriving late to class. The teacher will contact the parents to discuss the issue.
6. Fourth unexcused tardy and beyond will require a pass to come to class.

Participation or Attendance of Extracurricular Activities:

Students/Athletes arriving home late from road trips are expected to be in class on time the following morning. Coaches will monitor their participants. If this becomes a problem, disciplinary action may be taken including loss of eligibility for the following game, contest, or performance.

Students must be in attendance for **at least half of the school day** prior to an event or leave time in order to practice, perform, or attend drama, pep band, athletics, dances etc. Exceptions to absences include authorized field trips, confirmed medical appointments, etc. An exception to this rule will be made if a student brings in a signed medical excuse from their doctor that excuses the child of their absences **prior to participating (A student will only be medically excused for at most a ½ day unless otherwise specifically noted by a medical professional)**. Students in violation of this rule will be suspended from the next activity or in the case that they already participated, the next similar activity.

Student athletes are expected to be just that, students first and athletes second. Students are expected to be in school during the course of the school day (including during lunch). Students should be responsible and bring all items they will need for practice, games, contests, events, etc. to school on time. Students should not be leaving school early (For any amount of time) to

retrieve items, get food, etc. These absences violate the school's closed campus policy and are not allowed by the school nor will they be approved as excused absences. While parents have the right to excuse their children from school, it is the school's discretion on whether or not to accept those excuses. Students that willfully break the school's closed campus policy, even with parent approval, may be subject to ineligibility in the upcoming game, contest, or event and may face other disciplinary measures

Checkout Procedures

1. **Students who leave the building during school hours for any reason (except early release) must have an out of building pass issued from the main office.** Any student leaving the building without this out of building pass will receive unexcused absences for every hour they are absent. These unexcused absences cannot be excused by later parent approval and may be subject to disciplinary action.
2. Parental permission must be obtained before permission to leave the building will be granted.
3. Under no circumstances is a student allowed to leave the building without first checking out through the office. Disciplinary action will be taken for those who violate this policy.

Check in Procedure

1. Students who have been absent are to bring a written excuse (indicating reason for their absence(s)) signed by parent/guardian or medical professional to the office upon returning to school. They will receive a white slip that admits the student to class. This applies to students who return to school at any time during the day.
2. Disciplinary action may be taken for any student who is tardy and/or was absent and does not check into the office upon arrival at school.

K. In-school and out-of-school suspensions are disciplinary actions directed by the school but do not count against a student's attendance as long as they attend the entire session. Suspensions carry their own punishments such as **Loss of Student Status** or required parental meetings. Make-up work is required of suspended students.

L. Participation Grade:

As an integral part of the course and as an incentive to active involvement in classroom discussions and activities, many classes have a daily participation grade. Students who are absent may lose a portion up to all of these points.

M. Class/Group Truancies:

Group or class absences (skip days) will be considered truancy and will be dealt with accordingly. The school administration reserves the right to determine what constitutes truancy and to administer consequences for group or class truancies which may exceed individual truant behavior. Cases may exist where the school may not accept parent endorsement of a student absence/truancy.

Consequences may include, but are not limited to, make-up time, restrictions from participation in extracurricular activities and field trips (Including senior class trip), termination of National Honor Society membership, and being denied the ability to walk at graduation.

Graduation Attendance Requirement:

Graduating seniors participating in the graduation ceremony cannot have 25 absences (These absences don't include school functions or medically excused absences) or more in a class period over the course of the school year.

GRADES

Wrenshall School believes strongly in academics. Furthermore, our school district believes prioritizing academics and activities/athletics come after. With that said, students in grades 7-12 are required to pass all of their classes in order to remain eligible to participate in games, contests, and events.

MSHSL Eligibility:

Under Minnesota State High School (MSHSL) regulations, students who fail a class and are not on track to graduate are suspended from 2 events or 2 weeks whichever is longer. Students are allowed to practice during this time but they are not allowed to participate in games, events, or contests until the suspension has been fulfilled.

Failing at Midterm:

Wrenshall has its own academic policy that states that if a student in grades 7-12 fails a class for midterm, the student is ineligible to participate in events listed above until he or she gets their failing grade(s) to above passing. While students are still allowed to practice during this time, they are not allowed to participate in games, events, or contests. The moment a student gets all failing midterm grades above passing, they become immediately eligible. This ineligibility lasts until the end of the quarter if their failing grades do not come up above passing.

Failing at Quarter:

Wrenshall also has an academic policy that states that if a student in grades 7-12 is failing a class at the end of the quarter then he or she is ineligible for 2 events or 2 weeks whichever is greater. After the 2 events or 2 weeks have been served, the student becomes eligible.

***Failing grades at the end of 4th quarter are rolled over to the following school year if they cannot be served during the school year they were earned.**

C. Behavior/Conduct:

Any student that has not fulfilled detentions, I.S.S., O.S.S., or other consequences will experience "Loss of Student Status" and not be allowed to participate in or attend extra-curricular events (practices, games, performances, contests, etc.) until the consequences have been served.

Any detention earned the day of an event automatically disqualifies a student from participating in a same day event (practices, games, performances, contests, etc.).

ILLNESS AT SCHOOL

Should a student become ill while at school and is unable to attend classes, the student is to report to the nurse's office as soon as possible. The nurse is on duty daily. If a student should become ill when the nurse is not on duty, the student is to report to the main office secretary as soon as possible.

If necessary, the nurse or main office secretary will make arrangements for the student to go home. **Under no circumstances should a student leave for home without checking out through the main office.** (See "Check Out Procedures" above and "Passes: Out-of-Building Pass") If the nurse feels that student needs to go home the absence will be considered medically excused and won't count against the child's attendance.

Students must notify nurse or office staff if checking in or out of the nurse's office.

*It is imperative that your child's emergency card stays up to date so that you can be notified in the event of an illness or emergency. Please notify the school if there are any changes that need to be made to your child's emergency card.

IMMUNIZATIONS

Minnesota state law requires immunizations for students in kindergarten through 6th grade:

DTaP: (Tetanus, diphtheria, pertussis): **5 doses**

Polio: **4 doses**

MMR: (Measles, mumps, rubella): **2 doses after birthday**

Hepatitis B: **3 doses** over 6 months

Varicella (Chicken pox): **2 doses after first birthday OR medical documentation of disease history**

Minnesota state law required immunizations for students in 7th through 12th grade:

DTaP: (Tetanus, diphtheria, pertussis): **5 doses**

Polio: **4 doses**

MMR: (Measles, mumps, rubella): **2 doses after birthday**

MCV4: (Meningococcal) **1 dose** after completing 5th grade

Hepatitis B: **3 doses** over 6 months

Tdap (Tetanus, diphtheria, pertussis Booster) **1 dose** after completing 5th grade

Varicella (Chicken pox): **2 doses after first birthday OR medical documentation of disease history**

Minnesota immunization law: Statute 212A.15 sub.2 REQUIRES that in order for a child to enroll in school a parent must show they have received the required immunizations or an exemption.

Please make sure that your child has all the necessary immunizations/paperwork into the nurse's office BEFORE your child attends class. Immunization/exemption forms (exemption forms must be notarized) are available in the nurse's office or on the Wrenshall website, under services, then under health. Parents can call their child's doctor's office and have their immunization records faxed to the school (fax: 218-384-4293 Attn: NURSE)

ADMINISTRATION OF PRESCRIPTION AND NON-PRESCRIPTION MEDICATION AT SCHOOL

These steps must be completed before any medication will be given at school. Medication forms are available in the nurse's office. Whenever possible, medication should be given at home and every effort should be made to avoid school hours.

1. A "Wrenshall School Medication Administration Authorization" form must be fully completed annually (once per year) **and** when any change in the prescription or requirements for administration occurs. This form is available from the school nurse or can be found on the Wrenshall school website, under services, then under health.
2. All medication(s) must come to school in the original container, if prescription, it must also be labeled for the student in accordance with the law and must be administered in a manner consistent with the instructions on the label or an updated medication order by a medical doctor.
3. All medication(s) are provided by the parent or guardian. **The school does not supply any medications for students or faculty.**
4. **Medications are not to be carried by the students, and will be left with the appropriate school district personnel** (i.e.- school nurse, secretary, office staff, etc.). The only exceptions to the requirement that students cannot carry medications are: prescription asthma medications that are self-administered with an inhaler, and medications administered as noted in a written agreement between the school district and the parent.

Non-Prescription:

1. Elementary students must follow all steps listed above for both prescription and non-prescription medications; this includes Tylenol, Ibuprofen, Motrin, cold medications, etc. Elementary students do not have the ability to self administer medication or have medication on their person at all.
2. The school must receive signed authorization on the school's non-prescription medication form (This form can be obtained in the nurse's office) from a parent/guardian permitting high school students to self-administer specific medication(s). Elementary students do not have this ability and all medication must be administered by the school nurse.
3. No medications will be provided by the school.
4. Medications must be brought in the original bottle.
5. The school may revoke a student's privilege to possess and use non-prescription pain relievers if there is any concern of abuse of this privilege.

***Any violations of these rules may result in disciplinary measures.

HEAD LICE POLICY

Wrenshall School has a no nits, no head lice policy. We strongly suggest that **you** check your child's head for head lice and nits **weekly**. If you have any questions about how to do this or what to look for, you may contact the Wrenshall school nurse at extension 2005.

If you find head lice or nits on your child at home, please notify the school so we can check the other classroom students to prevent the spreading of lice as well as to prevent your child from being re-infected.

If head lice or nits are found at school these steps will be followed:

1. Parent/guardian or emergency contact will be called and the student will be sent home.
2. The child will be excluded from school until the day after treatment.
3. The child must be checked by appropriate school staff before being allowed back into the classroom. If nits or lice are found, students will be sent home.
4. You may contact the nurse to get methods, techniques, and tips for the treating of head lice.

ACCIDENTS AT SCHOOL

If your child is seriously injured at school, you will be notified. If emergency treatment is needed, and we cannot contact you, we will notify your family physician or take the child to the hospital. The school carries no insurance on students and is not responsible for accidental injuries. Be certain the emergency information form is up to date and complete in the main office.

Emergency forms are sent to each family annually and should be returned immediately. It is important to your child(ren) that we have this updated information. Please notify the main office during the school year if phone numbers change, or if you have any special requests (i.e. hospital preference), who we should call first, special health problems, etc. **It's very important that you indicate on the emergency form, any current medical issues and medications.**

Reporting Accidents

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported to the person in charge (immediately) and to the school nurse or main office if possible. An accident report must be filed by the supervising adult within 24 hours and the completed form must be sent to the nurse's office.

VISION AND HEARING SCREENING

Vision and hearing screening will be done in the fall for first, second, third, fifth, eighth and eleventh grades. A screening can also be done for any child anytime during the school year if a problem is suspected. Contact the school nurse at extension 2005 if you have questions or concerns.

RESTORATIVE JUSTICE/PRACTICES

Wrenshall School District is modeling a more restorative approach to discipline.

Restorative Practices- A framework for a broad range of restorative justice approaches that proactively build a school community based on cooperation, mutual understanding, trust and respect, and respond to conflict by including all people impacted by a conflict in finding solutions that restore relationships and repair the harm done to the school community. These practices can be used to implement positive behavior in classrooms and on school campuses.

Restorative Justice/Practices:

- Addresses misbehavior and harm in a way that strengthens relationships and enhances responsibility.
- Focuses on harm done rather than only rule-breaking.
- Gives voice to the person harmed and others impacted by the harm.
- Utilizes collaborative problem-solving approaches.

Third Parties such as the Carlton County Restorative Justice Program may be permitted to provide assistance in regards to restorative practices.

In order to ensure a sound and safe school environment essential to learning, it is critical that certain expectations, policies, and procedures be observed in the school setting.

Students should display respect in attitude, behavior, and language. Halls and classrooms shall be kept clean and safe. **Our expectations are never intended to restrict individuals; rather they are intended to protect their rights.** Expectations should be followed whether or not a teacher is present.

As school staff/students, we have an obligation to maintain and protect the facility and its contents. **We must and will take this role seriously!**

STUDENT BULLYING PROHIBITION POLICY

MALICIOUS AND SADISTIC CONDUCT- POLICY

”Malicious and sadistic conduct” means creating a hostile learning environment by acting with the intent to cause harm by intentionally injuring another without just cause or reason or engaging in extreme or excessive cruelty or delighting in cruelty. • Malicious and sadistic conduct involving race, color, creed, national origin, sex, age, marital status, status with regard to public assistance, disability, religion, sexual harassment, and sexual orientation and gender identity as

An act of bullying, by either an individual student or a group of students, is expressly prohibited on school district property or at school-related functions.

Bullying means any written or verbal expression, physical act or gesture, or pattern thereof, by a student that is intended to cause or is perceived as causing distress to one or more students and which substantially interferes with another student's or students' educational benefits, opportunities, or performance. Bullying includes, but is not limited to, conduct by a student against another student that a reasonable person under the circumstances knows or should know has the effect of:

1. harming a student
2. damaging a student's property
3. placing a student in reasonable fear of harm to his or her person or property, or
4. creating a hostile educational environment for a student

Discipline procedures for a student found to be in violation of this policy may include, but are not limited to: warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge.

*This also includes cyber-bullying and other forms of bullying via the internet, and social networking applications.

IS IT BULLYING?

6. The school district will act to investigate all complaints of hazing and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who is found to have violated this policy.

The complete policy on hazing is on file in the district office and can be found on the school’s website.

COUNSELING/SCHOOL SOCIAL WORK SERVICES

Services offered at Wrenshall include social and emotional, academic, career counseling, and guidance. In addition, the counselor/school social worker can assist in referrals to other agencies. Students wishing to see the counselor/school social worker are encouraged to stop by and sign up for an appointment.

SECTION 504

Section 504 is an Act that prohibits discrimination against persons with a handicap in any program receiving Federal financial assistance.

ISD #100 recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a handicap will knowingly be permitted in any of the programs and practices in the school system.

The school district has specific responsibilities under this Act, which include the responsibility to identify, evaluate, and, if the child is determined to be eligible under Section 504, to afford access to appropriate educational services.

A complete 504 policy is on file in the district office. Please contact district administration for more information on this policy

CHILD ABUSE AND NEGLECT REPORTING

School District employees are **required** to report evidence of child physical or sexual abuse, neglect, emotional maltreatment, or prenatal exposure to controlled substances. Any person who is required to report this evidence and who willfully fails to do so will be guilty of a misdemeanor. At the same time, any person who reports child neglect, physical or sexual abuse, emotional maltreatment, or prenatal exposure to controlled substances is immune from civil or criminal liability that otherwise might result from such action.

The district administration, school nurse, counselor, and/or reporter of the incident may discuss the situation with the child or youth and emphasize that the school is not interested in accusing or punishing anyone, but rather, is interested in helping ensure that the maltreatment does not continue.

Upon receiving a report of suspected neglect, physical or sexual abuse, emotional maltreatment, or prenatal exposure to controlled substances, the reporter of the incident must call the proper authorities within 24 hours. Each local social service agency and law enforcement agency has legal authority to interview at school, without parental consent, the alleged victim and any other minors who currently reside with or who have resided with the alleged perpetrator.

STUDENT DRESS CODE POLICY

Students are expected to dress appropriately for the public school setting at all times.

Headgear:

Students are not allowed to wear hoods during the school day.

Clothing:

Clothing that includes words or pictures that are obscene, vulgar, sexually explicit, convey sexual innuendo, abuse or discrimination, or which promote or advertise alcohol, chemicals, tobacco or any other product that is illegal for use by minors and illegal on school property, will not be

allowed. Objectionable emblems, badges, symbols (including confederate flags & swastika's), derogatory mascots, signs, words, objects or pictures on clothing or jewelry communicating a message that is racist, sexist, or otherwise derogatory to any group, evidences of gang membership or affiliation, or approves, advances, or provokes any form of religious, racial, or sexual harassment and/or violence against other individuals is not allowed.

Physically revealing clothing is also unacceptable in the school setting. **This includes, but is not limited to, spaghetti straps, halter tops, cut-out shirts, and clothing that reveals underwear or bare midriffs.**

When an item of clothing is determined by school staff to be inappropriate it will be reported to administration. If administration then determines the attire is inappropriate, the student will be expected to turn the clothing inside-out, change, or cover prior to continuing participation at school. The student will be asked to refrain from wearing such items in the future. Failure to comply or repeated offenses will result in disciplinary action.

Shoes

Shoes are to be worn in the school setting at all times.

Sunglasses

Sunglasses are not necessary in the school building and are not to be worn in class or during indoor school functions.

Gang Related Apparel

The School District, in its desire to keep students free from threats or harmful influence of gangs or other violent groups, believes that apparel identified as "gang-related" can be reasonably construed as hazardous to the health and safety of the school environment.

Gang symbols, signs, slang, attire, and graffiti will not be allowed in the school setting. Students, staff, and parents who have evidence of these influences in our school should report the concern to school administration immediately. Behavior or dress suspected as being gang related will be reported to the Sheriff's Department.

Chains, Extreme Jewelry, Etc.

Heavy link chains may not be worn as a necklace, bracelet, belt, or wallet attachment. If it is determined that the chain is heavy enough to be used as a weapon or could jeopardize the safety of the student in possession or any other student or staff member, the student will be asked to remove the item and refrain from wearing the item in the future. Failure to comply or repeated offenses will result in disciplinary action.

Spike collars, chains, heavy locks, some rings/earrings or other extreme wear, will not be allowed if determined to be hazardous to health/safety or is considered to create a distraction to the educational process.

Blankets- Blankets are not allowed in school.

E-Hall Pass

Passes are required for building movement except during scheduled passing time between classes. If you have been detained by a teacher and anticipate being tardy to your next class, request a pass from the detaining teacher.

Absence Admit Slip

An absence admit slip (excused or unexcused) will be issued by the high school office after an absence or tardy and is required for admittance to class.

Out-of-Building Pass

This pass is issued to the student from the high school office. It is issued to students leaving the building during school hours for special appointments (i.e. medical or dental appointments, illness, court appearance, driver's exams, etc.) Students and parents are encouraged to transact personal business at times other than the normal school day. During school hours, students must sign out when leaving and sign back in when returning to school. Students are not to leave before receiving this pass from the office. Anyone leaving the building without receiving this pass is subject to disciplinary action.

Routine errands and incidental personal business should also be conducted before or after school. While parents have the right to excuse their children from school, it is the school's discretion on whether or not to accept those excuses.

CLOSED CAMPUS

The Wrenshall School operates as a K-12 closed campus. Grades 7-12 students will remain inside the building and on school grounds from the time of arrival at school in the morning until the close of school in the afternoon.

Students must have permission from the office to go to their cars during the school day. Anyone caught outside the building without permission (even in the parking lot) may be subject to disciplinary consequences.

Students leaving the school building without receiving permission from the office will be unexcused and may face consequences for violating the district's closed campus policy. Furthermore, parents/guardians cannot excuse these absences after the fact.

Students should be responsible and bring all items they will need for school, practice, games, contests, events, etc. to school on time. Students should not be leaving school early (For any amount of time) to retrieve items, get food, etc. These absences violate the school's closed campus policy and are not allowed by the school nor will they be approved as excused absences. While parents have the right to excuse their children from school, it is the school's discretion on whether or not to accept those excuses. Students that willfully break the school's closed campus policy, even with parent approval, may be subject to ineligibility in the upcoming game, contest, or event and may face other disciplinary measures.

LOCKERS AND LOCKS

Students will be assigned a locker on the first day of school. Students are not to change lockers without approval. If the need to change lockers exists, students are expected to make the request with the admin or the main office. Students are expected to keep their lockers locked at all times

as they are responsible for anything in the locker they were assigned. Locker combinations are to be given to the office. The school will sometimes sell locks for students to use.

LOCKER CONTENT / SECURITY

It is suggested that students not keep valuable items or large sums of money in their locker. Students do have the opportunity to store valuables or money in the main office if they wish. The school is not responsible for any theft.

LOCKER DECORATIONS

Many students choose to decorate the inside of their lockers. Pictures, posters, or other decorations should reflect the same expectations as the student dress policy. The student should refrain from posting items or photos advertising alcohol, drugs, or tobacco. Furthermore, students should also refrain from posting items or photos that are sexually suggestive, or contain inappropriate language. Physically revealing pictures or posters are also unacceptable. The student will have one opportunity to remove such items. Non-compliance or repeated behavior will lead to school officials taking action to remove the inappropriate material and possible disciplinary action.

Writing on the outside of lockers is not permitted and it will be the responsibility of the student who uses the locker to remove the graffiti.

LOCKER SEARCHES

It is the policy of the State of Minnesota that: **School lockers are the property of the school district.** At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. School authorities for any reason may conduct inspection of the interior of lockers at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practical after the search of a student's personal possessions, the school authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials.

BACKPACKS

Backpacks will **NOT** be allowed in the classrooms. They must be left in the student's locker, unless arrangements have been made with a teacher or administrator. If a backpack is brought to the classroom and there is a drug dog search, the bag must be left in the room.

BUS TRANSPORTATION

All students are entitled to be emotionally and physically safe while being transported to and from school. Certain laws and regulations govern the operation of school buses. Minnesota Statute, section 123.7991 lists as one of seven concepts that: ***Transportation by school bus is a privilege, not a right.*** Safety on the buses is our prime consideration and thus riding privileges can be revoked. Cooperation and appropriate, safe behavior on the bus is expected of all students.

Bus Rider Policy

1. The bus driver is in complete charge while on the bus

2. All riders shall remain seated when the bus is in motion and keep head, hands, arms, etc. inside the bus.
3. Scuffling, fighting, and obscene language are forbidden.
4. Bus riders will not litter the bus with food or other debris.
5. Damage to the bus other than regular usage will be paid for by the persons responsible.
6. Students must be at the designated loading site at the scheduled times.
7. Students must follow the recommended procedure when crossing the roadway.
8. Students must wait until the bus comes to a complete stop before stepping off the curb to board.
9. Students are to get on the bus at their designated stops and not get off before arriving at school.
10. Students going home may get off the bus at another designated destination only with a parent/guardian note initialed by one of the administration.
11. Because buses are loaded to capacity in the mornings, students will not be allowed to bring friends and/or guests on the buses. If you have an overnight guest on a school night, you are responsible for their transportation to school the next morning. Evening routes allow for prearranged guests because of after school activities.
12. Every bus rider must abide by these rules or jeopardize their right to ride the bus.
13. Bus drivers will report all misconduct to the Principal and parents/guardians will be notified of the misconduct.

Fan Bus

Students in high school will be taken to selected conference and district athletic contests for cost. The following rules will prevail:

1. Fan bus trips will be posted in the bulletins. Students must register and pay the transportation charge in advance of the event. Students may register in the main office during the school day.
2. Students riding a school bus to any school-sponsored event are reminded they are to ride the bus both ways. The only exception is if a parent or guardian has contacted the bus driver and wishes to take their son or daughter home. Students may not ride home with anyone but their parents or guardian.
3. All bus transportation rules/expectations will apply.

BREAKFAST/ LUNCH PROGRAM

Meal Prices for 2025-2026 School Year

Student First Breakfast with Milk Free

Student First Lunch with Milk Free

Ala Carte Milk \$.55

Students are welcome to bring their own breakfast or lunch to eat during meal times.

Adult Breakfast \$ 2.40

Adult Lunch \$ 5.00

Second meals for students are charged the adult price.

Students must enter or scan their Personal Identification Number (PIN) to generate the reimbursement payment for district food service.

Families are encouraged to complete the federal education benefits application each year. Eligible students generate significant compensatory aid for the school district and may determine eligibility for grants, scholarships, internet assistance and more.

The national school lunch program reimburses district food service for eligible students. For the second consecutive year, the state universal lunch program reimburses the district for any student not covered by the federal lunch program. The state only pays the difference for the actual meals served.

All lunches and beverages are to be consumed in the cafeteria. The only exception to this rule is high school students which are allowed to eat in the classroom/commons if they are participating in a club during lunch. The student is responsible for discarding unused food, wrappers, and containers, and for returning trays and utensils to the washing station.

The school hot lunch program provides balanced nutritional meals for students K-12. Menus are planned using Federal guidelines and standards.

Menus are posted in strategic areas of the building for the convenience of our students. In addition, the district/community news publication, *IMAGES*, provides lunch menus monthly.

***In order to prevent food waste or shortages, it is the student's responsibility to sign up for a hot lunch at the beginning of their 1st hour class. If a student is late to school, it is their responsibility to check in with the main office and let them know whether they will be eating hot lunch. Anyone that doesn't register in a timely manner will be served last and it may result in them not getting what they wanted.**

If you have questions regarding your lunch account, please contact the administrative assistant in the district office at 384-4274 ext: 2006.

MORNING, NOON & OPEN GYM

Expectations for student participation in noon and morning gym will be set by the monitoring supervisor. Students using the gym must wear appropriate gym shoes and respect the facilities and all equipment. There must also be an adult supervisor (Approved by the school) present during any open gym.

The school may provide basketballs. Students are not allowed to remove any school equipment from the gym unless checked out by a coach, supervisor, or the Principal.

MAIN ENTRY / MAIN LOBBY / COMMONS

Students are asked to refrain from gathering on the sidewalk and/or stairway outside the main entry. In addition, the lobby areas should not be congested prior to morning classes or during noon hour. Alternative gathering sites may include the gym lobby, commons, or appropriate hallways. Student cooperation in this effort will be greatly appreciated.

Students are prohibited from opening doors coming into the school for any students, staff, or guests (even if they know them) during the school day. All people entering the building after the school is in lockdown (Approximately at 8:20 a.m.) must be buzzed in by office staff. Students that are in violation of this may face consequences. Please keep in mind this rule is in place to protect the safety of all students and staff.

The student commons in the high school music wing has been designated as a quiet area. Students are encouraged to use this area for reading, study, and casual socialization when the time is appropriate and when permission has been given.

STUDENT TEACHING ASSISTANTS

Students may opt to serve as teaching assistants each semester. Teaching assistants must be responsible students who will report to the teacher or staff member promptly during the class time assigned. To be considered for a TA position, students must have at least a 2.5 GPA. Students will receive a pass/fail grade from the assigned teacher. Students may earn a **maximum of 4 credits** for being assigned a teacher assistant during their four years of high school.

STUDENT DRIVING/ PARKING LOT

Student drivers are allowed to park in the main lot as far back as possible. The spaces towards the front are reserved for staff and visitors only. All students must have a parking permit and a parking form on file every year to park in our school lots. Students are to comply with the parking pattern established by painted lines in the lot. Repeat offenses may result in the inability to park on school grounds or possibly even lead to the vehicle being towed at the owner's expense.

The parking lot is off limits to students as a gathering place during school hours and over the noon hour. If you break the closed campus rule and leave campus in your vehicle without permission you may lose the right to park in the school parking lot.

If you park in any school parking lot, or on school property, your vehicle may be exposed to the drug dog that visits the school periodically.

All student drivers are required to fill out the Wrenshall Student parking pass. (Located in the back of the handbook. This should be read and signed by both student and parent/guardian. Students who choose to drive to school are expected to drive with caution in the area of the School Zone. This is obviously in consideration for the safety of all in a busy traffic/pedestrian area.

Consequences for not complying with this request may include detention, suspension, parent conferences, losing the ability to park in the school parking lot, and/or referral to local law enforcement.

1. All drivers should operate their vehicles with caution in the School Zone.
2. Students may not drive vehicles while on school-sponsored trips or to or from vocational or paired/shared classes without the prior approval of the school administration.
3. Students are not to sit in, visit at, drive, or ride in motor vehicles during the school day (includes noon hour).
4. Student parking is provided in the lot across the street from the school's main entry. **The first two rows of parking spaces closest to the school are reserved for school staff and visitors only.**

Other directives/changes regarding student parking may be communicated during the school year based on need.

BEVERAGE POLICY

There are beverage machines where water may be purchased during the school day. After school other varieties may be purchased. Students are responsible for monitoring litter and spills. A beverage violation occurs when a container is not disposed of properly or a spill is not cleaned up. Consuming a beverage in a computer lab will automatically become a beverage violation. When three or more violations occur in a day, the beverage machines will be turned off the following day. All beverage violations should be reported to the Principal.

CHANGE

Change will **not** be available in either the main office, the district office, or the business manager's office. Checks will also not be cashed. Students who use the pop machines should come to school with proper change.

TELEPHONES AND MESSAGES

The office telephone is a business phone and will be used by students **only when necessary as determined by main office personnel**. Students will be called from class to receive **emergency messages only**. A common goal of teachers and parents is to develop in each child a sense of responsibility. We discourage and will limit calls home for items students have forgotten unless it is deemed essential by the child's teacher. Office phone use should be limited to matters affecting health and safety.

Parents/guardians are asked to leave messages and not text students during school hours and not request students be pulled from class **except in the case of an emergency**.

CELL PHONES & COMMUNICATION DEVICE AWAY FOR THE DAY

Wrenshall School recognizes the importance of communication and collaboration, and provides chromebooks for students to be productive in the classroom. To keep the focus on academics and to reduce unnecessary distractions, we will enforce the following.

- Cell phones and all mobile devices shall be TURNED OFF before the first bell rings and kept off and stored in lockers until the end of the day.
- Smart watches can be worn but only used to check the time.
- Earbuds should not be worn during a teacher's lesson.
- Cell phones and all mobile devices shall be kept in a student's backpack or locker not in clothing pockets
- Cell phones and all mobile devices are not allowed to be used in a classroom, library, common areas, outdoors or in restrooms.
- Cell phones and all mobile devices can be turned back on at the end of school day.
- Cell phones and all mobile devices are not allowed to be used during transition times or between classes
- Picture phones are prohibited in locker rooms in compliance with MSHSL rules.
- Students bringing communication devices to school should recognize the risk of theft. The school is not responsible for stolen property.
- If a student needs to make an emergency call during the school day they are to go to the office.

CONSEQUENCES

- First Offense-Student will receive a warning and will be asked to put it away in their locker.
- Second Offense-The device will remain in the main office until the end of the day. Admin will call parents/guardians to notify and remind them of the policy.
- Third Offense ~Parent/guardian will be called to pick up the students phone.
- *It should be noted that refusal to surrender a cell phone or other electronic device not authorized to use when directed to do so by a school staff member, teacher or administrator is a violation of our school's Code of Conduct. Insubordinate behavior could lead to detention, suspension or exclusion from school events

AUDIO/VIDEO DEVICES

Students may operate iPods, MP3 players, radios, tape players, CD players, and any similar devices only with headphones and only in the following circumstances: on the bus to and from school; in school prior to the start of classes in the morning, and after school. Violations of the

aforementioned policy will result in the same consequences as cell phone violations (See “Communication Devices”) Classroom teachers reserve the right to follow their own classroom policies regarding device usage. Students bringing audio/video devices to school should recognize the risk of theft. The school is not responsible for stolen property.

TEXTBOOKS, LIBRARY BOOKS, LUNCH ACCT. FINES/BILLS, NEGATIVE ACCOUNT BALANCES

Wrenshall students are provided with textbooks, reference books, workbooks, and a wide selection of library books. These should be treated with care to assure the future availability to other students. Students and parents are responsible for the care of the books issued to them and will be expected to pay fines up to the cost of replacement for lost or damaged books. Costs of new textbooks range from \$30 to over \$100 (An effort will be made to purchase used replacement texts). Students that lose textbooks may be required to pay replacement costs or their parents may be required to pay replacement costs before another text is issued.

Students that lose library books may be required to replace the missing books or their parents may be required to replace the missing books before they are allowed to take out additional library books.

It is the teacher’s discretion if classroom books need to be covered. Book covers should be replaced when the condition is such that it no longer protects the book. We would appreciate parent assistance in keeping student textbooks covered.

VALUABLES

Students are encouraged to leave valuables and large sums of money at home. Student lockers and locker rooms are unfortunately not the most secure places in a building with so many people. Please consult with office staff if you wish to have items placed in safe keeping for the day.

THEFTS

All thefts should be reported to school staff or administration immediately. **The school cannot and will not assume responsibility for theft of personal property.**

PUBLIC DISPLAYS OF AFFECTION

Inappropriate displays of affection such as kissing, embracing, sitting on laps etc. are not acceptable in or around the school. Such behaviors may result in consequences deemed appropriate by the Principal. **It is expected that students and faculty will share in establishing an environment that encourages desirable school friendships.**

SCHOOL CLOSING & EMERGENCY ANNOUNCEMENTS

Emergency school closings, information on late starts, etc. are broadcast over area television and radio stations. These stations are notified as soon as possible that school will be closed or delayed. **No announcement means school is in session.**

Parents/guardians should arrange for and thoroughly discuss with their child what should be done if they are transported home early due to an emergency. In addition, the school strongly encourages parents/guardians to have emergency transportation plans on file for each child.

Please tune into one of the following stations and refrain from calling the school:

Radio - AM
KDAL 610 AM

Radio - FM
KDAL 95.7 FM

TV
KDLH Channel 3
KBJR Channel 6
WDIO Channel 10

The Instant Alert telephone notification system will also be utilized to inform families of any changes in the school day and to announce any other pertinent information.

FIRE/TORNADO/LOCKDOWN DRILLS

Fire, tornado, and lockdown drills at regular intervals are required by law and are an important safety precaution to help ensure the safety of our students. It is essential that when the first signal is given, everyone obeys orders promptly and clears the building by the prescribed route or goes to their assigned spots as quickly and orderly as possible. The teacher in each classroom will give students proper instructions on how to carry out the drill. Students misbehaving or disrupting these drills will be subject to disciplinary consequences. The district will perform 5 fire drills, 5 lockdown drills, 1 tornado drill throughout the school year.

LOST AND FOUND

Many of our students possess the same brand and/or color of jackets, snow pants, boots, backpacks, athletic gear, balls, etc. Labeling of personal items will minimize confusion in locating owners of lost items. Please label your child's possessions.

Items that have been turned in as lost will be kept in the lost and found which is located at the bottom of the elementary staircase next to the cafeteria. Each year numerous items from lost and found are unclaimed. Items left in lost and found for three weeks will be given to a local charity due to the lack of storage space. Students should check in the main office to recover lost textbooks or items of value.

VISITORS

Any persons other than Wrenshall High School students, staff, or school board personnel, are regarded as visitors and must report to the main office for clearance before going anywhere in the building or on school grounds. This request is for the safety of our students.

If a parent arrives to pick up a student, he or she should report to the office and one of the office staff will go to the classroom to get the child. Parents should **not** go directly to the classroom.

No student guests will be allowed due to security and liability issues.

PETS

If you would like to share a family pet with the class, please contact the teacher in advance to arrange for the visit. Once you arrive at school with the pet, be sure to have control over it at all times. A large group of excited children can cause some unusual reactions in pets. We generally ask parents/guardians to return the pet home with them on the same trip. Any extended stay for the pet should be pre-arranged with the classroom teacher.

Unless the pet is part of a show and tell or a medical necessity, there should be no pets brought into the building or onto school grounds to protect the safety of our staff and students. Parents bringing pets are not to go directly to the classroom and are still required to first check in to the main office.

SUGGESTED SCHOOL SUPPLIES

Notebooks, folders, pencils for your 7 classes and a lock for your locker. Tennis shoes for outdoor or indoor gym class. Your backpack must be kept in your locker during the day.

CHANGE OF ADDRESS

Changes of address, telephone number, or emergency information during the school year should be reported to the main office as soon as possible so that emergency forms and instant alert information can be updated.

COMPUTER USE / INTERNET

Wrenshall students are provided the opportunity to access the Internet for educational research and information. Electronic information research skills are now fundamental and vital to the education of citizens, the work force, and for higher education. Unless parents/guardians specifically request their child not to have Internet access (See Denial of Access Form), the school district will allow student access to the Internet.

The Computer and Internet Acceptable Use Policy establishes the policies and guidelines for acceptable, responsible, and safe use of the Wrenshall School District's technology resources. Violation of the policy, or any other inappropriate use of the system, may result in computer and/or Internet privileges being revoked. In addition, disciplinary action, and/or legal action may be taken.

COMPUTER AND INTERNET ACCEPTABLE USE POLICY PURPOSE

The intent of this policy is to establish policies and guidelines for acceptable and safe use of the Wrenshall School District technology resources by students, staff, and any other users. Technology resources include all data, video, and telecommunication equipment and systems, including but not limited to computers, networks, Internet resources, printers, scanners, cameras, projectors, and telephones. This policy complies with guidelines of the Children's Internet Protection Act (CIPA) and other applicable federal and state regulations including FERPA-Family Education Rights and Privacy Act.

GENERAL STATEMENT OF POLICY

Electronic information research skills are now fundamental and vital to the education of citizens, the work force, and for higher education. Access to the Internet enables students and employees to explore thousands of libraries, databases, and other information resources around the world. The school district expects that teachers will blend thoughtful use of the Internet throughout the curriculum and will provide guidance and instruction to students in its proper use. Unless parents/guardians specifically request their child not to have Internet access, the school district will allow student access to the Internet.

5. Students are not to sit in, visit at, drive, or ride in motor vehicles during the school day (includes noon hour).

8. During school hours all students will park in the farthest open spots in the back of the main parking lot entering and exiting out the **main door only.**

PARENT CONCERNS AND QUESTIONS PROTOCOL

If you have a concern or question, please contact the appropriate staff member. We want to work with you to provide the best experience for your child. We do ask that you follow the chain of command in our school.

Here is a list of the steps to follow in order:

1. Talk to the staff member directly involved (bus driver, teacher, paraprofessional, coach, etc.)
2. If not resolved, contact the Principal
3. If not resolved, contact the Superintendent
4. If not resolved, contact the School Board

We do understand there are some issues that require you to go directly to a supervisor. We will be glad to assist you in those situations.

When contacting School board members remember they are elected to represent the interest of all parents and district residents, and you should always feel free to tell them your point of view. School board members do not, however, have direct authority in day-to-day school operations. All authority is the result of official actions by a majority of the board at meetings open to the public. The board's primary responsibility is to make policies that guide the school district.

When should board members be contacted and what can they do? Contact a board member after other means to solve a problem have been attempted. A board member may take one or all of the following actions: informally discuss the issue with the superintendent, request that the board review the specific policies that relate to the situation, or propose new policies for the board's consideration. It is the intention of all school staff and School Board members of the Byron School District to listen to and resolve issues of concern as quickly and effectively as possible.
