G.BOARD OPEN DISCUSSION

Jackie Gigot welcomed the new Board members.

Randy Ralston welcomed the new Board members and thanked everyone for their hard work, time, and dedication and stated that he is looking forward to everything coming together with the boundary study.

Andy Fahrmeier welcomed the new Board members and stated that we have had a couple rough weeks with the weather and thanked facilities and maintenance crews for all their hard work. He stated that he is also looking forward to the boundary study process and what they will hear from the community members.

Robin Bergkamp stated that she is excited to be on the Board and looks forward to learning a lot.

Mark Hinde stated that he is excited to be here and thinks the boundary study is going to be extremely important to the district and that it will be interesting to see the options the committee comes up with for the Board to consider.

Nathan Haeck stated that he appreciates all the work being done and the history of everything that's going on and the reports. He stated that he appreciates the leadership and what they have done and is excited to see where they go from here and to make this the best school system in the state.

John Wiese joined the other board members in welcoming the new members. He stated that the January weather has been challenging and looks forward to getting back to normal and to getting the students and teachers back in school. He stated that he thinks the boundary study will be insightful and will bring a lot of good data to the Board and that it will be fun going through that process.

Dr. Dominguez thanked the Board members for their service, support and commitment. He stated that the district's goal is to engage, enrich, and empower everybody. He stated with the recent weather the district's upmost concern is the safety of the students and staff and that they absolutely want to get teachers and students back to school when it is safe to do so.

RE: Purchase of a Stand-On Chemical Prayer

ISSUE:

The Board of Education is asked to approve the cost of a Stand-On chemical sprayer. This sprayer will be purchased through our State contract we have with Site One Landscape. It is equipped with a 70-foot boom and a 60-gallon tank. The sprayer will come with foam markers to allow the operator to be more precise with the applications

BACKGROUND:

In our annual evaluation of our grounds department a couple areas we thought we could improve on was weed control and application of topical fertilizer. This stand-on sprayer will be easy to haul and the boom is in front of the operator.

ALTERNATIVES:

No other alternatives applicable.

RECOMMENDATION:

1. Approve the purchase of the new sprayer from Site-One, this is a state contract.
2. Deny the purchase
3. Recommend an alternative solution

5-12 MUSIC

DEPARTMENT

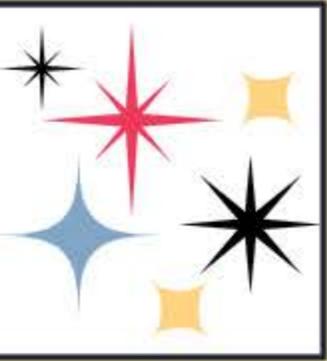

REDESIGN

January 8, 2024

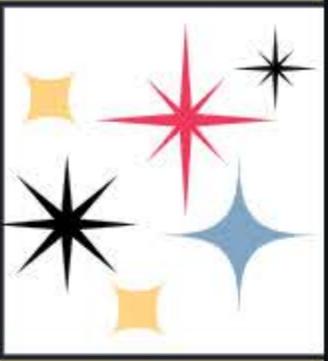

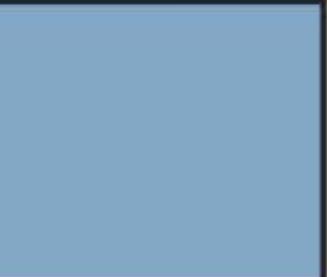

WHAT?

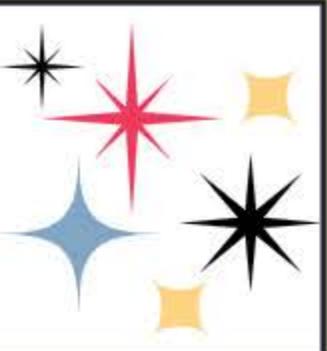

The 5–12 vocal and instrumental music teachers have been working with district leadership to redesign our department to create better opportunities for Garden City students. We believe that the plan we have come up with is going to benefit the entire department positively for many years to come.

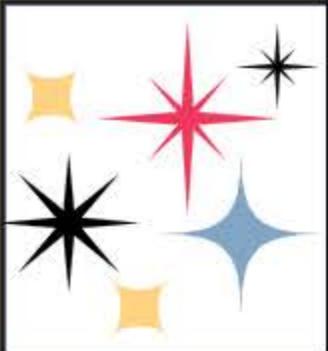

REDESIGN OBJECTIVES

- 
- 
- 
1. Create a schedule that allows music classes to meet daily for 6th grade band, choir, and orchestra.
 2. Create a schedule that will allow Choir classes to meet daily during the school day at the intermediate centers.
 3. Create a schedule that will reduce amount of travel for music teachers.
- 
- 
- 

CHANGES TO BE MADE

1 Beginning band and orchestra will be centralized at the Intermediate Centers.

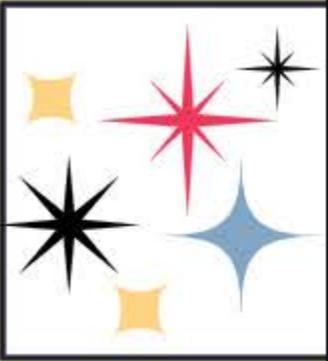

6th grade Students attending Jennie Barker, Plymell & Abe Hubert will be allowed to transfer so they can participate in Choir, Band or Orchestra.

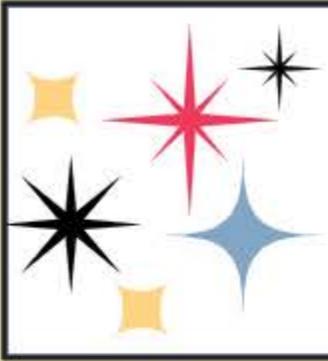

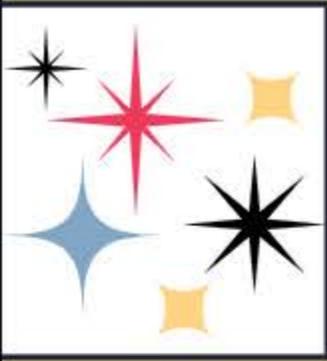

CHANGES TO BE MADE

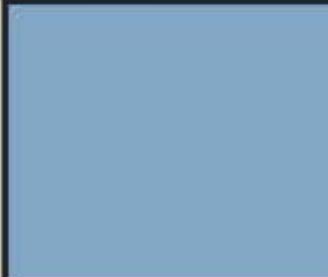

2 5th Grade music at the Intermediate Centers will be a combination of choir and instrument introduction. Introducing the instruments will allow students to make an informed decision for their 6th grade year.

6th graders at Intermediate Centers can choose to take choir, which will meet every day, during the school day.

BENEFITS

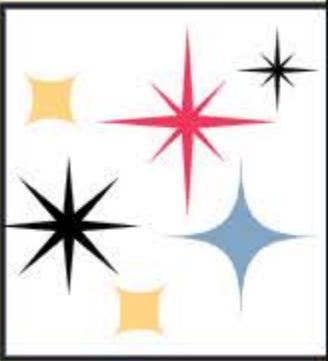

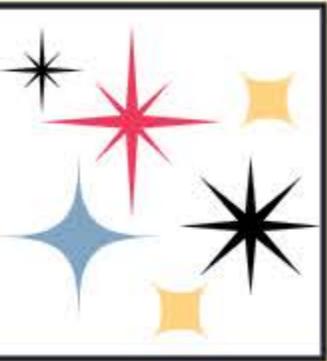

More student contact time for Music Instruction. 6th grade students will receive approximately 210 min of music instruction per week.

Students have the consistency of classes that meet every day.

BENEFITS

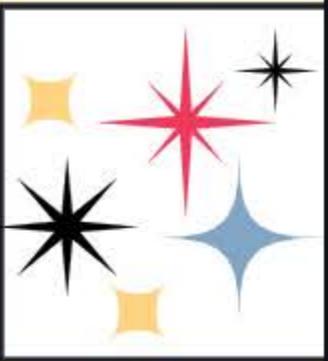

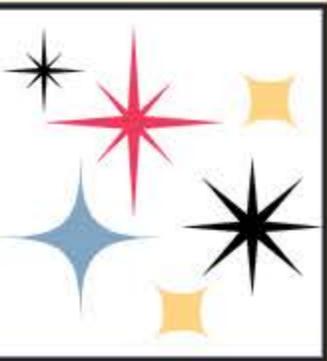

The new schedule provides a consistent feeder program for the Middle School choir programs.

Teachers will spend less time travelling between buildings.

Schedule

Choir – 2 sections of 6th grade choir, 4 sections 5th grade general music
LiM, MTSS, Plan, PLC & Lunch
one teacher per building.

Band – 3 sections of 6th grade band at each school
LiM, MTSS, Plan, PLC & Lunch
one teacher between both buildings

Orchestra – 3 sections of 6th grade orchestra at each school
LiM, MTSS, Plan, PLC & Lunch
one teacher between both buildings.
