RE: Compass Behavioral Health Agreement

ISSUE:

The Board of Education is asked to consider and approve the updated Memorandum of Understanding (MOU) agreement with Compass Behavioral Health for the Mental Health Intervention Team.

BACKGROUND:

USD 457 partners with Compass Behavior Health to create a mental health intervention team. The Mental Health Intervention Team consists of a mental health school liaison, case managers, and therapists. USD 457 allows Compass providers to provide mental health services to students at school during the school day and agrees to provide spaces for mental health professionals to meet with students. USD 457 staff can refer students to the Mindful Support program to gain access to mental health services at school. **The BOE approved an MOU for the Mental Health Intervention Team with Compass on 08/10/2026. KDADs requested an updated MOU to include a data agreement.**

ALTERNATIVES:

Mental Health Intervention Team Program

26-27 MHIT USDs

USD# 457 USD Name Garden City Public Schools and Compass Behavioral Health

THIS AGREEMENT is effective this 1st of July 2026, by and between

USD # 457 Garden City Public Schools (hereinafter referred to as "USD " and Compass Behavioral Health, a Kansas non-profit corporation (hereinafter referred to as "MHP").

WHEREAS, pursuant to K.S.A. 72-1131, USD is a Kansas unified school district possessing the usual powers of a corporation for public purposes which provides educational services to its students; and

WHEREAS MHP is a Kansas not-for-profit corporation providing mental health services to children and their families, including certain students of USD #; and

WHEREAS MHP and USD have concluded that it is in their mutual best interest to work collaboratively in the provision of certain behavioral, emotional, and academic services to students of USD who are also clients of MHP); and

WHEREAS USD agrees to provide private and confidential space to MHP employees to work with those referred for services; and

WHEREAS USD possesses and maintains certain records and information related to its students as part of the provision of educational services; and

WHEREAS MHP possesses and maintains certain records and information related to its clients as part of the provision of mental health services; and

WHEREAS MHP and USD have determined that their shared objectives to make a positive meaningful change in the lives of students of USD who are also clients of MHP will be significantly enhanced and furthered by and through an arrangement in which the parties share and exchange certain information, on a limited basis; and

WHEREAS MHP and USD have concluded that USD students identified by USD # 457, in its discretion, as needing mental health care services would derive substantial benefit from an assessment by a provider or a qualified mental healthcare professional(s), such as MHP; and

WHEREAS, MHP has agreed that should USD refer a student for a mental health assessment, MHP will provide such assessment within 14 school days; and

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions set forth here, the parties hereto agree as follows:

Sec. 1 Term This agreement shall be effective 7/1/2026 and shall end on 6/30/2027 subject to the provisions of this Section and Sec. 10 Assignment of Risk & Professional Obligations. Thereafter, the terms of this agreement may be renewed, in writing, on an annual basis, by agreement of the parties.

Notwithstanding the foregoing, either party may terminate this agreement upon thirty (30) days' prior written notice to the other party. USD may terminate this agreement immediately upon written notice if MHP fails to

maintain the licensure or insurance required by this agreement, or if MHP or any of its employees or agents engages in conduct that USD reasonably determines places the health or safety of students at risk. If MHIT program grant funds are not awarded, are reduced, or are withdrawn, USD may terminate or reduce the scope of this agreement upon written notice without penalty, and USD shall have no obligation to expend funds beyond those actually received for the MHIT program.

Sec. 2 Mutual Agreement – Independent Contractor The parties agree that in the performance of its obligations under this agreement, MHP is an independent professional mental health care provider offering services to USD students as set forth in its Articles of Incorporation. As such, MHP is not an agent or employee of USD. USD shall neither have nor exercise any control over the professional judgment or practice of MHP and its employees.

Purpose & Scope

Sec. 3 Information Sharing and Referrals The parties intend to share, on a limited basis, confidential information about USD students and in some cases, their families.

- (a) For its part, MHP warrants that prior to sharing such information, it will obtain an appropriate release of information executed by the legal guardian of the student in accordance with applicable state and federal law. MHP further agrees to supply a copy of any such release to USD.
- (b) The releases will be sent to a centralized location designated by USD and will indicate in/by (form of communication, i.e. email, phone, mail, written memo, etc.) that the release has been completed.
- (c) The parties understand that the release of information may be revoked by the legal guardian of the student at any time. Upon notice of revocation, all information sharing between the parties will be terminated with regards to that student.
- (d) MHP further agrees to limit its access to and use of information to the information provided by the parties as more fully set forth in Sec. 4 School Liaison(s).
- (e) MHP warrants that it will not download or save any of the data or other information provided by USD in connection with this agreement, except as reasonably necessary to maintain the clinical record of a student for whom a release of information is in effect, and shall not use or further disclose such information for any other purpose.
- (f) USD shall facilitate referral of students identified in need of mental health services as appropriate through referrals to Mental Health Provider. MHP will outreach the families or guardians to determine if mental health services are needed and/or desired.
- (g) MHP shall develop a crisis management plan dealing with student issues 24/7, and shall provide a copy of the plan, including after-hours contact information, to USD before services begin and upon any material revision.

Sec. 4 School Liaison(s)

School Liaisons shall hold a bachelor's degree in any field. The School Liaison with the school district will manage:

-
- (1) Identifying proper referrals for the team to engage.
 - (2) Acting as a liaison between the district and MHP and being the point person for communication between the two groups.
 - (3) Helping MHP staff understand and negotiate the school district system and procedures.
 - (4) Triage prospective referrals and deciding with MHP staff how to prioritize interventions for identified students.
 - (5) Helping school personnel understand the role of MHP staff in this project.
 - (6) Facilitating connections between the identified students' families and MHP staff.
 - (7) Troubleshooting any problems that arise and work with MHP to resolve them.
 - (8) Gathering outcomes to monitor the effectiveness of the program.
 - (9) Follow-up with the child welfare contacts if a child has moved schools to get educational history.
 - (10) Be an active part of the school intervention team and relay information back to MHP staff.
 - (11) Working with MHP to build and implement a mental health program, which includes the following services and referral systems to be provided:
 - a. Prevention education in the areas of substance use, suicide, mental health stigma reduction, access to mental health services. MHP shall present at least one assembly, training or professional development each quarter to staff, students or the community, which presentation may address either or both of the areas described in subsections (a) and (b).
 - b. Advocacy for mental health awareness and education, youth mental health services, overall mental wellness.

This program shall be identified and built by September 30, 2026, and implemented with the first program being presented by October 30, 2026.

Sec. 5 Clinical Therapist

The Clinical Therapist at the MHP will manage:

- (1) Helping the School Liaison identify proper referrals to the program based on one or more areas of concern:
 - i. Harm to self or others
 - ii. Trauma experience or history of trauma
 - iii. Emotion management
 - iv. Stress management
 - v. Anger management
 - vi. Impulse control
 - vii. Increasing social skills
- (2) Triage with the School Liaison to prioritize treatment interventions for identified students.
- (3) Collaborating with the School Liaison to connect with the families or child welfare contracts to get proper consent to treat.

-
- (4) Conducting a clinical assessment of the identified student and make proper treatment recommendations.
 - (5) Engaging with the student, family or child welfare contact in clinical interventions as identified on the treatment plan. Provide individual and family therapy.
 - (6) Administer scales or tests to detect areas of concern with depression, anxiety, self-harm, or other areas as identified.
 - (7) Making referrals to other treatment modalities as appropriate
 - (8) Communicating with school personnel who engage in the student(s) life to help them understand the diagnosis, family circumstance and suggested interventions as is appropriate.
 - (9) Gathering outcome data to monitor the effectiveness of the program.
 - (10) Coordinating with the Case Manager to identify ways for them to support the student and family.
 - (11) Providing therapy services as determined by the student's treatment plan.
 - (12) Maintaining the treatment plan and necessary treatment protocols required by Mental Health Provider.

Sec. 6 Case Manager

The Case Manager at MHP will manage:

- (1) Collaborating with the School Liaison and Clinical Therapist to identify students and triage priorities for treatment.
- (2) Outreach to students, families, and child welfare contacts to help engage in treatment.
- (3) Participate in the treatment planning process.
- (4) Communicate with the School Liaison and school personnel when appropriate about student needs, interventions, and progress.
- (5) Help support communication between all entities including family, student, school, clinician, child welfare and community.
- (6) Maintain the treatment plan and necessary treatment protocols required by Mental Health Provider.
- (7) Make referrals to proper community resources.
- (8) Help to re-connect students and families when they are not following through with the treatment process.
- (9) Help the families negotiate barriers to treatment.
- (10) Engage with the student in the classroom, the home, or the community to help build skills whenever needed.

Sec. 7 Licensure & Certification

MHP shall maintain any certification, registrations, or licenses as required by law and shall remain in good standing in their profession during the term of the contract. Additionally, MHP shall inform USD of any changes to such certifications, registrations, or licenses to the extent such disclosures or documents are not confidential, privileged, or otherwise immune to disclosure under state or federal law.

MHP shall further ensure that each of its employees and agents who provides services on USD property or who has contact with USD students has completed a criminal history record check, including checks of the Kansas and national criminal history databases and the applicable child abuse and neglect registries, before providing such services, and shall not assign to USD any individual who is prohibited by law from employment or contact with children. MHP acknowledges that its employees and agents are mandatory reporters under K.S.A. 38-2223 and amendments thereto, and MHP shall comply with USD policies applicable to visitors and contractors, including sign-in, identification, and building safety procedures, while on USD property.

Sec. 8 Data Collection

The 35% pass through funds dedicated to the Mental Health Provider will not be invoiced nor paid in the absence of a therapist or case manager. Furthermore, all services provided must be submitted to KDADS for review as to adequacy of the services provided. These services will be monitored through data reporting by the USD to KDADS by December 15, 2026 and again by June 15, 2027. This data reporting must include the following information as provided to the USD by the MHP. MHP shall provide such information to USD, in the form required by KDADS, no later than thirty (30) days before each reporting deadline set forth above. The USD will use a KDADS required template to report the following:

- a. Number of referrals
- b. Number of Students served through MHIT who receive Medicaid
- c. Number of underinsured students participating in MHIT
- d. Number of uninsured students participating in MHIT
- e. Number of privately insured students participating in MHIT
- f. Number of units provided, units should be reported in hour increments
- g. Number of units billed, units should be reported in hour increments
- h. An accounting of how the 35% pass through funds were applied to the program
- i. Number of families paying for “out of pocket costs for services”

If, in the review of KDADS, a breach, noncompliance, or a lack of services was provided, the 35% pass through funds will be reviewed for possible denial of eligibility of future MHIT funding, termination of current funds, and recoupment of funds provided. Any other breach or non-compliance with the terms and conditions of this Agreement by provider, may result in denial of eligibility of future MHIT funding, termination of current funds, and recoupment of funds provided. The review of the compliance, breach, or non-compliance with the terms of this Agreement shall be performed solely by KDADS at its discretion. To the extent KDADS denies, terminates, or recoups funds as a result of the acts or omissions of MHP, including any failure to provide services or to timely furnish the data described above, MHP shall be responsible for the 35% pass through funds so recouped and shall reimburse USD for any amount USD is required to repay.

Sec. 9 Liability for Loss

(a) MHP shall not be liable or obligated to USD for losses or damages incurred by USD under this agreement, unless such damage arises from any willful act or omission or negligence of Mental Health Provider, its officers, employees or agents, in which event MHP shall be liable to USD for such losses or damages sustained therefrom.

(b) USD shall not be liable or obligated to MHP for losses or damages incurred by MHP under this agreement, unless such damage arises from any willful act or omission or negligence of USD, its officers, employees or agents, in which event USD shall be liable to MHP for such losses or damages sustained there from; provided that USD in no event shall be subjected to any liability greater than found in the Kansas Claims Tort Act, K.S.A. 75-6101 et seq., and amendments thereto.

(c) Each party shall be responsible for damages resulting from the acts and omissions of its employees.

(d) **No Third-Party Beneficiary Rights**

No third party may enforce or rely upon any obligation of, or the exercise of or failure to exercise any right of the parties here. This agreement is not intended to create any rights of a third-party beneficiary.

Sec. 10 Assignment or Risk & Professional Obligations This agreement is subject to the laws, rules, and regulations imposed by governmental authorities or professional associations for MHP employees or agents providing services under this agreement. MHP shall also maintain, at MHP expense, comprehensive general liability, malpractice, and professional insurance, in amounts not less than one million dollars (\$1,000,000.00). Such insurance coverage shall explicitly cover all duties expressed in Sec. 3 Information Sharing and Referrals above. MHP will supply a copy of insurance policy upon request of USD.

Sec. 11 Confidentiality Except for those billing activities allowed under law, neither party shall release any information about a student nor his or her medical care or treatment to any third party unless required under law. MHP and USD agree to adhere to all confidentiality statutes, rules, ordinances, and regulations related to the disclosure of records or confidential information pertaining to students and families, including but not limited to the provisions of the Family Educational Rights and Privacy Act (FERPA) and the Health Insurance Portability and Accountability Act (HIPAA).

Sec. 12 HIPAA Compliance In instances where MHP receives Protected Health Information (PHI) from USD, MHP agrees that it shall:

- (1) Comply with the applicable provision of the administrative simplification section of the Health Insurance Portability and Accountability Act of 1996, as codified at 42 U.S.C. 1320d through d-8 (HIPAA), and the requirements of any regulations promulgated there under.
- (2) Not use or further disclose any PHI concerning a patient other than as allowed by this agreement, the requirements of HIPAA and/or applicable federal regulations. MHP shall implement proper safeguards to prevent the use or disclosure of a patient's PHI other than as provided for by this agreement.
- (3) Promptly report to USD # any violations, use and/or disclosure of a student's PHI not provided for by this agreement as soon as practicable, upon becoming aware of the improper violation(s), use and/or disclosure.

Sec. 13 Dispute Resolution If a conflict or dispute arises under the execution or performance of the terms of this agreement, the parties agree to meet and confer in good faith, to identify and resolve the conflict, prior to seeking alternative methods of conflict resolution.

Sec. 14 Non-Discrimination The parties agree that they shall not discriminate against anyone based on race, color, age, sex, gender, national origin, ancestry, religion, disability, or any other basis prohibited by applicable federal or state law, in execution of the duties and obligations here.

Sec. 15 No Solicitation During the term of this agreement and continuing for twelve [12] months after the termination of this agreement, neither party shall directly or indirectly, for its own account or for the account of others, urge, induce, entice, or in any manner whatsoever solicit any employee directly involved in

the activities conducted pursuant to this agreement to leave the employment of the other party or any of its affiliates. This Section does not restrict either party from advertising positions to the general public, or from hiring any individual who responds to a general advertisement or who otherwise applies on his or her own initiative without solicitation.

Sec. 16 Insurance MHP agrees to maintain general liability, professional liability and worker's compensation insurance for all MHP employees who perform services in connection with MHP obligations hereunder and shall further designate USD as an additional insured under such policies. MHP will supply a certificate of insurance evidencing such coverage to USD before services begin and upon each renewal, and will give USD not less than thirty (30) days' written notice of cancellation, non-renewal, or material reduction in coverage.

RE: Projected September 20 Enrollment and Enrollment Trends

ISSUE:

The Board will receive an enrollment presentation that provides the projected official K-12 headcount for the September 20, 2026 count date (September 21), current enrollment realities, and the planning implications for staffing, program capacity, and grade reconfiguration. Garfield enrollment will be reported separately from the official K-12 count to align with RSP projections.

BACKGROUND:

Like most of the state of Kansas, USD 457 has experienced a sustained decline in official K-12 enrollment over the last decade. The smaller Finney County birth cohorts are now moving through elementary grades and are the primary driver of that trend. Births are an early indicator, not a one-to-one forecast. Housing development, migration, immigration, kindergarten participation, school choice, and hiring patterns at major employers can change enrollment conditions.

The presentation will use a current Skyward snapshot as the basis for the September 20 projection. The 2026-27 figures will be refreshed immediately before the Board meeting and clearly labeled with the snapshot date. The official K-12 count will remain separate from Garfield and other early-childhood/program enrollment.

RSP's forecast has been close in the near term. As the forecast horizon lengthens, actual enrollment will increasingly depend on local conditions that are difficult to predict with precision. Administration will compare actual enrollment with the forecast each year and use current data to refine planning assumptions.

PRESENTATION FOCUS

- Projected September 20 (Sept. 21) official K-12 enrollment, the change from the prior year, and a separate Garfield enrollment figure.
- Ten-year official K-12 enrollment trend and Finney County birth cohorts paired with kindergarten enrollment approximately five years later.
- Current enrollment by grade span and elementary building enrollment trends, with appropriate context for Georgia Matthews and Gertrude Walker as one-track schools.
- Elementary class-size trends and the administrative decision to reduce the elementary class-size cap by one student this year. Administration will evaluate whether a further reduction is feasible next year based on enrollment and available resources.
- A comparison of current enrollment with RSP projections, including the limits of long-range forecasting.

- Elementary one-, two-, and three-track staffing models at the principal and school-support level. Detailed staffing standards will be available as backup information.
- The relationship between enrollment and K-5 / 6-8 / 9-12 grade reconfiguration. Reconfiguration is not an enrollment-growth strategy; it helps the district organize its schools, staffing, and facilities around current and future enrollment.
- Enrollment measures administration will monitor: kindergarten capture, in-year mobility, housing development, early-childhood enrollment, employer and migration patterns, and actual enrollment compared with annual forecasts.

RECOMMENDATION:

No Board action is requested at this time. Administration will continue to update enrollment data, compare actual results with forecasts, and bring forward recommendations as future staffing, program-capacity, or boundary decisions require Board consideration.

FISCAL NOTE:

There is no immediate fiscal action associated with this presentation. Enrollment is a primary driver of annual staffing allocations and long-range facility and program planning. Maintaining reasonable elementary class sizes and appropriate school-level support staffing must be balanced with available resources as the district develops future budgets.

RE: **Board Policy JGFGBA**

ISSUE & BACKGROUND:

The self-administration of medication is allowed for eligible students in grades K–12 under Policy JGFGBA. As used in this policy, medication includes, but is not limited to, a medicine for the treatment of anaphylaxis or asthma listed in current federal regulation as an inhaled bronchodilator or epinephrine delivery system. Self-administration is the student's discretionary use of an approved medication for which the student has a prescription or written direction from a healthcare provider.

The recommended revisions to policy JGFGBA would require a health providers order for students to self-administer medication, outlines a process for the district to revoke the privilege of self- administration, and provides protections for staff.

The attached replacement policy has been recommended by district counsel and approved by our Health Service Coordinator.

ALTERNATIVES:

No alternatives applicable

RECOMMENDATION & FISCAL NOTE:

District administration has reviewed the recommended revisions and believes they align with current district practices and legal obligations. Adoption of these revisions will ensure the district's policy manual remains current and compliant with state and federal requirements.

Administration recommends that the Board of Education adopt Policy JGFGBA following a second reading.

ATTACHMENTS:

Policy JGFGBA Student Self-Administration of Medication

JGFGBA - Student Self-Administration of Medications

(See JDDA, JDDAA, JGFGB)

Epinephrine and Inhalers

The self-administration of medication is allowed for eligible students in grades K–12. As used in this policy, medication includes, but is not limited to, a medicine for the treatment of anaphylaxis or asthma listed in current federal regulation as an inhaled bronchodilator or epinephrine delivery system. Self-administration is the student’s discretionary use of an approved medication for which the student has a prescription or written direction from a healthcare provider.

As used in this policy, “healthcare provider” means a physician licensed by the state board of healing arts to practice medicine and surgery or a mid-level practitioner as defined in state law.

Student Eligibility

An eligible student shall meet all the following requirements:

- Have a written statement from the student’s healthcare provider stating the name and purpose of any prescription medication;
- Know the prescribed or recommended dosage;
- Know the time the medication is to be regularly administered;
- Be able to articulate any additional special circumstances under which the medication is to be administered;
- Know the length of time for which the medication is prescribed; and
- The student shall also demonstrate to the healthcare provider or the provider’s designee, as applicable, and the school nurse or the nurse’s designee, as applicable, the skill level necessary to use the medication and any device that is necessary to administer the medication. In the absence of a school nurse, the school shall designate a person who is trained to witness the demonstration.

Authorization Required

With regard to prescription medications which are not administered on a regular schedule, the student’s healthcare provider shall prepare a written treatment plan for managing the student’s condition, such as asthma attacks or anaphylaxis episodes, and for medication use by the student during school hours. The student’s parent or guardian shall annually complete and submit to the school any written documentation required by the school, including the treatment plan prepared by the student’s healthcare provider. Permission forms shall be updated yearly. **Authorization to self-administer medication expires at the end of each school year and does not carry over to a subsequent school year. The student’s parent**

or guardian shall promptly notify the school in writing of any change in the student's medication, dosage, or treatment plan, and shall be responsible for replacing any back-up medication that is expired, used, or recalled.

Employee Immunity

All teachers responsible for the student's supervision shall be notified that permission to carry medications and self-administer has been granted. The building principal or designee shall also ensure that the school nurse, building administrators, and any coach, activity sponsor, or other employee responsible for the student's supervision during school-sponsored activities receive the same notification. The school district shall provide written notification to the parent or guardian of a student that the school district and its officers, employees, and agents are not liable for damage, injury, or death resulting directly or indirectly from the self-administration of medication. Nothing in this policy shall be construed to impose on any employee a duty to monitor or remind a student to self-administer medication, to observe or verify self-administration, or to confirm the dosage, timing, or effectiveness of any medication self-administered under this policy. Nothing in this policy shall limit the authority of district personnel to summon emergency medical services or to otherwise respond to a medical emergency, including the administration of medication from an epinephrine kit maintained under policy JGFGF.

Waiver of Liability

The student's parent or guardian shall sign a statement acknowledging that the school district and its officers, employees, or agents incur no liability for damage, injury, or death resulting directly or indirectly from the self-administration of medication and agreeing to release, indemnify, and hold the district and its officers, employees, and agents harmless from and against any claims relating to the self-administration of medication allowed by this policy. The release and indemnification required by this policy shall apply to the fullest extent permitted by law, and if any portion is determined to be invalid or unenforceable, the remaining provisions shall remain in full force and effect. The district shall not grant or continue an authorization for self-administration of medication until the signed statement required by this policy is on file with the school.

Additional Requirements for Students Prone to Specified Emergencies

- The school district shall require that any back-up medication provided by the student's parent or guardian be kept at the student's school in a location to which the student has immediate access if there is an asthma or anaphylaxis emergency;
- The school district shall require that any medication provided under this policy be supplied in the original container labeled by the manufacturer or dispensing pharmacy with the student's

name, and shall not be required to accept or store medication that is expired, unlabeled, or provided in a container other than the original container;

- The school district shall require that necessary and pertinent information be kept on file at the student's school in a location easily accessible if there is an asthma or anaphylaxis emergency;
- Documentation submitted under this policy shall be maintained in the student's health record and shall be treated as confidential to the extent required by law, and shall be disclosed to district employees only as necessary to implement this policy or to respond to a medical emergency;
- Eligible students shall be allowed to possess and use approved medications at any place where the student is subject to the jurisdiction or supervision ~~of~~ of the school district, its officers, employees, or agents; ~~or~~ and
- The board may adopt policy or handbook language which imposes additional requirements relating to the self-administration of medication allowed for in this policy and may establish a procedure for, and the conditions under which, the authorization for student self-administration of medication may be revoked.

Over-the-Counter Medications

A student may self-administer specified over-the-counter medications for which the student has a prescription or written direction from a health care provider and ~~with~~ written parental authorization on file in the school office for the over-the-counter medication. The superintendent or designee shall specify in student handbooks the over-the-counter medications that may be self-administered under this policy, and shall require that any such medication be kept in the original manufacturer's packaging labeled with the student's name. Parental authorization under this section shall be renewed annually.

The student's parent or guardian shall sign a statement acknowledging that the school district and its officers, employees, or agents incur no liability for damage, injury, or death resulting directly or indirectly from the self-administration of over-the-counter medication and agreeing to release, indemnify, and hold the district and its officers, employees, and agents harmless from and against any claims relating to the self-administration of medication allowed by this policy.

Misuse of Medications

Self-administration of any medication, including prescription and over-the-counter medication, at a dosage or rate exceeding product label instructions may result in denial of the privilege to self-administer any medication and/or disciplinary action as outlined in ~~policy JDDAA~~-policies JDDA and JDDAA. Sharing, transferring, selling, or otherwise furnishing medication to another person, or

permitting another person to access the medication, is prohibited and may result in the same consequences.

The principal or superintendent may suspend a student's authorization to self-administer medication pending review upon reason to believe the student has misused the medication, furnished it to another person, or is unable to safely self-administer. Written notice of any suspension or revocation shall be provided to the student's parent or guardian. During any period of suspension or revocation, the district shall make arrangements for the student's medication to be administered or otherwise made available in accordance with the student's treatment plan and policy JGFGB.

RE: Revision to BOE Policy EE Food Service Management

ISSUE:

The Board of Education is asked to review and approve the additions made to BOE Policy EE Food Service Management regarding alternative breakfast meals that will be offered when students exceed the maximum charge allowance.

BACKGROUND:

This policy was reviewed and approved at a July BOE meeting. It included a brief description of the alternative lunch meal that would be provided to students who had exceeded the maximum charge allowance. It did not include a description of an alternative breakfast meal. This revision includes an update to include the alternative breakfast meal that will be served to students who have exceeded the maximum charge allowance.

ALTERNATIVES:

No alternatives available.

RECOMMENDATION:

The Nutrition Department recommends the changes to the policy as submitted.

FISCAL NOTE:

No fiscal implications

ATTACHMENTS:

BOE Policy EE Food Services Management
revisions

EE - Food Services Management

(See EBBB)

A supervisor may be hired by the board to oversee the district's food service program.

Sanitation Inspections

The Nutrition Service Department shall inspect each cafeteria to ensure that proper sanitation procedures are being followed.

Records

The supervisor shall be responsible for keeping food service records required by state and federal laws and regulations.

The supervisor shall be under the direct supervision of the superintendent and shall have control over all aspects of the district's food service programs subject to board policy, rules and state and federal regulations.

Meal Prices

Meal prices shall be determined by the board.

Free or Reduced Price Meals

Parents or guardians of students attending schools participating in federal school meal programs must be informed of the availability of reimbursable school meals and provided with information about eligibility and the process for applying for free or reduced price meals on or before the start of school each year. Access to this policy will be provided to parents or guardians when they receive information regarding eligibility and applying for free or reduced price meals.

Unpaid Meal Charges

The district's meal charging requirements are as follows.

A charge account for students paying full or reduced price for meals may be established with the district. Students may charge no more than \$11.40 in the elementary grades, \$9.10 in the middle or junior high grades, and \$3.45 in the high school grades for the purchase of meals to this account. Charging of a la carte or extra items to this account will not be permitted.

Any student failing to keep a charge account solvent as required by this policy shall not be allowed to charge further meals until the negative account balance has been paid in full. However, such students will be allowed to purchase a meal if the student pays for the meal when it is received. ~~Students who have charged the maximum allowance to this account and cannot pay out of pocket for a meal will be provided an alternate meal consisting of a peanut butter, nut butter alternative, or deli meat sandwich, fruit, vegetable, and milk.~~ Students who have charged the maximum allowance to this account and cannot pay out of pocket for a meal will be provided an alternate breakfast meal consisting of cereal, milk and

fruit, or lunch meal consisting of a peanut butter, nut butter alternative, or deli meat sandwich, fruit, vegetable, and milk. Care will be taken by staff members requesting and distributing any alternate meals per this policy to do so discretely, while protecting the privacy of the student and the student's parent or guardian regarding negative account balances. When providing an alternate meal, district staff will provide reasonable accommodations to students with disabilities with special dietary needs.

At least one verbal and one written warning shall be provided to a student and the student's parent or guardian prior to denying meals for exceeding the district's charge limit. Access to this policy will be provided to the student's parent or guardian with the written warning. If payment of the negative balance is not received within 5 working days of the maximum charge limit being attained, the debt will be turned over to the superintendent or superintendent's designee for collection in accordance with board policy DP. If the debt is not paid within 10 days of mailing the final notice of the negative account balance under policy DP, it shall be considered bad debt for the purposes of federal law concerning unpaid meal charges. Bad debt must be written off as an operating loss and restored using non-Federal funds, even if it has been turned over for collection through other legal means.

Payments for school meals may be made at the school or district office, at the point of service of school meals, or online at <https://family.etrition.com/p/GC457> or the parent page of gckschools.com (EZ Meal Pay). Students, parents, and guardians of students are encouraged to prepay meal costs.

The district will provide a copy of this unpaid meal charges policy to all households at or before the start of school each year and to families and students that transfer into the district at the time of transfer. The terms of this policy will also be communicated to all district staff responsible for enforcing any aspect of the policy, a copy of the policy will be posted in district meal service facilities, and the policy will be made available on the district's website and social media accounts. Records of how and when it is communicated to households and staff will be retained.

RE: **Board Policy IDAD**

ISSUE & BACKGROUND:

Policy IDAD was in need of revision to better align with Federal law and U.S. Department of Education guidance on parent and family engagement. This new guidance requires districts to take active steps to engage parents and families and document parent engagement actions. These recommended changes allow us to meet requirement for districts receiving Title I funds.

The attached policy revision and parent-engagement actions have been recommended by KASB and developed by our Supplemental Programs Coordinator.

ALTERNATIVES:

No alternatives applicable

RECOMMENDATION & FISCAL NOTE:

District administration has reviewed the recommended revisions and believes they align with current district practices and legal obligations. Adoption of these revisions will ensure the district's policy manual remains current and compliant with state and federal requirements.

Administration recommends that the Board of Education adopt Policy IDAD and Parent Engagement Plan following a second reading.

ATTACHMENTS:

Policy IDAD Title 1 Policy and Parent Engagement Plan

IDAD - Title I Programs

The board shall ensure the district's Title I programs operate in accordance with federal laws and conditions, including implementing the following:

- The district will establish and operate programs, activities, and procedures for the involvement of parents in all Title I schools that are planned and operated with meaningful consultation with parents of participating children.
- The district will work with its schools to ensure that required school-level parent and family engagement policies are developed and that each school has a school-parent compact outlining shared responsibilities for improving student academic achievement.
- The district will incorporate this Parent and Family Engagement Policy into its overall Title I plan.
- To the extent practicable, the district will provide opportunities for informed participation of parents and family members, including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children, including providing information and school reports in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language parents understand.
- Parents will be informed of their right to request additional meetings and to provide input if the Title I plan is not satisfactory.
- The school district will involve the parents of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parent and family engagement is spent and will ensure that not less than 90 percent of the one percent reserved goes directly to the schools.
- The school district will be governed by the statutory definition of “parent and family engagement,” and expects that its Title I schools will carry out programs, activities, and procedures in accordance with this definition:
 - Parent and family engagement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—
 - that parents play an integral role in assisting their child’s learning;
 - that parents are encouraged to be actively involved in their child’s education at school;

- that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and
- the carrying out of other activities.
- The school district will inform parents and parental organizations of the purpose and existence of the Kansas Parent Information Resource Center (KPIRC).

The board shall strongly encourage parental involvement in the district's Title I program. The superintendent is responsible for administering the district's Title I program.

Implementation of District-Wide Parent-Family Engagement Policy

The district will adopt and implement a plan to accomplish the required components of this policy.

Annual Parent Meeting

Parents shall receive information about the Title I program, the curriculum, academic assessments, and required proficiency levels, and their right to request additional meetings. All parents of Title I students shall be invited to the meetings. The board shall designate at least one meeting date each school year to provide parents of Title I students with an opportunity to meet with school personnel in order to participate in the design and implementation of the Title I program.

Annual Evaluation

The district shall conduct, with involvement of parents, an annual evaluation of the contents and effectiveness of this policy and the accompanying plan. The district shall use the findings of the evaluation to design strategies for more effective parental involvement and to revise, if necessary, the policy and accompanying plan.

Adopted: 12/13/99

IDAD - TITLE I PROGRAMS

Regulation – Title I District-Wide Parent and Family Engagement Plan

NOTE: This document **MUST** be approved by board action to become policy. File with clerk, distribute to principals and duplicate as necessary in district newsletters and other documents.

1. The district will take the following actions to involve parents in the joint development of its district-wide parent and family engagement plan:
 - Scheduling **regular planning meetings** specifically for policy development and revision.
 - Distributing drafts of the plan through **district newsletters** and other communication channels to solicit feedback.
 - Maintaining a **log of parent attendance and major topics discussed** to ensure their input is recorded and addressed.
2. The district will take the following actions to involve parents and family members in developing the local educational agency plan, and support and improvement plans:
 - **Standardized Documentation:** Use the district's **official "Title I Parent Involvement: Policy Development Meetings" form** to record all parent attendance, discussion topics, and proposed changes during plan development.
 - **Public Review Periods:** Distribute draft versions of the LEA and support plans through **district newsletters and official documents**, allowing for a transparent feedback window before the plans are finalized.
 - **Establish a Formal Advisory Council:** Create a permanent **district-wide parent advisory council** specifically tasked with providing ongoing advice on the development and revision of Title I programs and plans.
 - **Barrier-Specific Focus Groups:** During the annual evaluation, host targeted sessions with parents who are **economically disadvantaged, have limited English proficiency, or are from minority backgrounds** to ensure their specific needs are reflected in the improvement plans.
 - **Direct Principal/Staff Liaison:** Assign district-level personnel to provide **technical assistance and coordination** to Title I schools, ensuring their individual school-level plans align with the broader district-wide educational agency plan.
 - **Strategic Capacity Sessions:** Conduct workshops focused on **monitoring student progress and understanding state assessments**, then use the parent feedback from these sessions to identify gaps in the current support and improvement plans.
 - **Flexible Feedback Options:** To maximize participation in plan development, offer **meetings at various times** or conduct **in-home conferences** for parents who cannot attend traditional school-based sessions.
 - **Board-Level Validation:** Submit the final developed plans for **official board action** to ensure the engagement strategies are integrated into formal district policy
3. The district will provide the following necessary coordination, technical assistance, and other support to assist Title I, Part A schools in planning and implementing effective parent and family engagement activities to improve student academic achievement and school performance:

- **Conducting surveys or focus groups** to identify barriers for parents who are economically disadvantaged, disabled, have limited English proficiency, or are from minority backgrounds.
 - Reviewing academic data to determine the **needs of parents and family members** to better assist with their children's learning.
 - Forming a committee (including parents) responsible for **using evaluation findings to design evidence-based strategies** and revise the policy.
4. The district will coordinate and integrate parent and family engagement strategies in Part A with parent and family engagement strategies of the following other relevant Federal, State, and local programs: [Insert program name[s]].
- Parents as Teachers
 - Title III
 - Title I Part C
 - IDEA
 - McKinney Veneto
- Providing **literacy training and technology classes** to help parents work with their children at home.
 - Distributing **equipment or materials** necessary for parents to successfully participate in these training sessions.
 - **Establish Parent Resource Centers:** Create physical or digital hubs that provide resources and support across multiple programs (e.g., Title I, Early Childhood, ESOL) to encourage fuller participation in student education
 - **Develop Community Partnerships:** Formally define roles for **community-based organizations, local businesses, and faith-based organizations** to provide additional support and resources for family engagement activities.
 - **Standardize Communication Channels:** Ensure all information regarding parent programs and activities is sent in a **uniform and understandable format** across all integrated programs to reduce confusion and increase accessibility
 - **Facilitate Cross-Program Planning:** To the extent feasible, align Title I engagement strategies with the requirements of other relevant Federal and State programs to create a cohesive experience for families.
5. The district will take the following actions to conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of this parent and family engagement policy in improving the academic quality of its Title I, Part A schools. The evaluation will include identifying barriers to greater participation by parents in parent and family engagement activities (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background); the needs of parents and family members to assist with the learning of their children, including engaging with school personnel and teachers; and strategies to support successful school and family interactions.

The school district will use the findings of the evaluation about its parent and family engagement policy and activities to design evidence-based strategies for more effective parent and family engagement and to revise, if necessary (and with the involvement of parents), its parent and family engagement policies.

- **Establish an Evaluation Committee:** Designate the Title I Coordinator or a specific district administrator to lead an annual evaluation committee comprised of school leaders, teachers, and a representative group of Title I parents.
 - **Conduct Multi-Method Data Collection:**
 - **Annual Surveys:** Distribute surveys to all Title I families to identify barriers to participation and assess the effectiveness of current engagement activities
 - **Parent-Led Review of Academic Impact:** Involve parents in reviewing school-wide academic progress data (aggregated) to determine if engagement strategies are effectively supporting student achievement as intended
 - **Formalize the Revision Process:** Schedule a dedicated year-end meeting where the evaluation committee reviews findings to draft "Proposed changes" to policy IDAD. These findings must be used to design **evidence-based strategies** for the following school year.
 - **Accessible Reporting of Findings:** Summarize evaluation results and proposed policy revisions in an **understandable and uniform format** (and in multiple languages as practicable) to be shared in district newsletters or other public documents.
 - **Board Validation:** Present the final evaluation report and any resulting policy revisions to the **Board of Education for official approval**, ensuring the evaluation leads to binding district policy.
6. The district will build the schools' and parent's capacity for strong parent and family engagement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, through the following activities specifically described below:
- a. The district will, with the assistance of its Title I, Part A schools, provide assistance to parents of children served by the school district or school, as appropriate, in understanding topics such as the following, by undertaking the actions described in this paragraph –
 - the State's challenging State academic standards,
 - the State and local academic assessments including alternate assessments,
 - the requirements of Title I, Part A,
 - how to monitor their child's progress, and
 - how to work with educators:
 - **Annual Title I Informational Meeting:** Organize a dedicated meeting at the beginning of the school year to explain the **requirements of Title I, Part A**, and the rights of parents to be involved in their child's education.
 - **Standards and Assessment Workshops:** Host "Academic Success Nights" or workshops that provide plain-language explanations of the **challenging State academic standards** and the various **State and local academic assessments**, including alternate assessments.
 - **Progress Monitoring Training:** Offer classes or digital tutorials showing parents how to use district tools (such as online portals) to effectively **monitor their child's progress** and interpret academic data.
 - **"Partnering with Educators" Seminars:** Facilitate sessions that teach parents effective communication strategies and **how to work with educators** as equal partners in the educational process.

- **In-State and Out-of-State Conferences:** Support parent and staff attendance at **professional conferences** focused on family engagement and student achievement to bring best practices back to the district.
- **Provision of Learning Materials:** Distribute **necessary equipment or materials**, such as literacy kits, technology, or training manuals, to ensure parents have the resources needed to support learning at home.
- **Flexible Meeting Formats:** To ensure all families can participate, arrange these capacity-building activities at a **variety of times** or conduct **in-home conferences** for those unable to attend school-based sessions.
- **Wraparound Support for Attendance:** Use Title I funds to provide **transportation and childcare costs**, ensuring that logistical barriers do not prevent parents from attending these workshops and training sessions.
- **Peer Mentoring Programs:** Train parents to **mentor and involve other parents**, creating a sustainable network of families who understand how to navigate the school system and support academic success.

b. The district will, with the assistance of its schools, provide materials and training to help parents work with their children to improve their children's academic achievement, such as literacy training, and using technology, as appropriate, to foster parent and family engagement, by:

- **Offer Literacy Training Programs:** Provide targeted literacy workshops for parents, utilizing Title I, Part A funds if other funding sources have been exhausted, to help them support their children's reading and writing development.
- **Conduct Technology Workshops:** Host sessions that teach parents how to use educational technology and school-related digital platforms to foster better engagement and monitoring of student work.
- **Establish Parent Resource Centers:** Create dedicated centers that provide parents with access to educational materials, equipment, and resources designed to support learning at home.
- **Distribute Learning Materials and Equipment:** Provide parents with the necessary materials, such as books, literacy kits, or other educational tools, to ensure they can successfully implement learned strategies at home.
- **Implement Flexible Training Schedules:** Arrange training sessions and workshops at a variety of times, or offer in-home conferences, to ensure parents who cannot attend school-based meetings are still able to receive training.
- **Collaborate with Community Organizations:** Partner with local businesses, faith-based organizations, and other community groups to provide additional literacy and technology resources for families.

c. The district will, with the assistance of its schools and parents, educate its teachers, specialized instructional support personnel, principals and other school leaders, and other staff, in how to reach out to, communicate with, and work with parents as equal partners, in the value and utility of contributions of parents, and in how to implement and coordinate parent programs and build ties between parents and schools, by:

- **Professional Development on Equal Partnership:** Conduct regular workshops for all school staff focused on strategies for **communicating with and reaching out to parents as equal partners** in their child's education.
- **Engagement "Model Approach":** Support for **model approaches** for parent engagement, providing staff with proven frameworks for building strong ties between home and school.
- **Technical Assistance for Program Coordination:** Provide school leaders and staff with **technical assistance** on how to effectively plan, implement, and coordinate parent programs at the building level.
- **Staff Education on Parent Contributions:** Host seminars or review sessions that highlight the **value and utility of parent contributions** to the school community and student academic achievement.
- **Resource Center Integration Training:** Train staff on how to utilize and promote **parent resource centers** as a way to encourage and support fuller parent participation in school activities.
- **Documentation and Accountability:** Use standardized district forms, such as the "**Title I Parent Involvement: Policy Development Meetings**" form, to track staff attendance at engagement training and record feedback on the effectiveness of these professional development sessions.
- **Coordination with Other Programs:** Train staff on how to **integrate engagement strategies** across different federal and state programs (like Head Start or state preschools) to provide a cohesive experience for families.

d. The district will, to the extent feasible and appropriate, coordinate and integrate parent and family engagement programs and activities with other relevant Federal, State, and local programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children, by:

- **Establish and Maintain Parent Resource Centers:** Create dedicated physical or digital spaces that provide parents with access to educational materials, technology, and training resources to support their children's learning.
- **Joint Programming with Early Childhood Initiatives:** Align engagement activities with **Federal, State, and local programs**, to ensure a smooth transition and consistent support for families.
- **Coordinate Literacy and Technology Training:** Offer unified training sessions, such as **literacy and technology classes**, that are shared across different federal and state programs to maximize reach and efficiency.
- **Engage Community Stakeholders:** Develop formal roles for **community-based organizations, local businesses, and faith-based organizations** to provide additional resources, guest speakers, or space for parent engagement activities.
- **Provide Wraparound Support for Participation:** Use Title I funds (if other sources are exhausted) to cover **transportation and childcare costs**, making it feasible for parents to participate in meetings and resource center activities.
- **Conduct Home-School Outreach:** For parents unable to visit resource centers or attend school-based events, arrange **in-home conferences** or distribute mobile resource kits to ensure they can still participate in their child's education.
- **Streamline Communication Across Programs:** Ensure all information regarding integrated programs and resource center activities is sent in a **uniform and understandable format**, including alternative languages and formats as practicable.

- **Utilize Parent Advisory Councils:** Involve a **district-wide parent advisory council** to provide ongoing feedback on how to best coordinate these various programs and activities to meet the actual needs of families.
- e. The district will take the following actions to ensure that information related to the school and parent programs, meetings, and other activities is sent to the parents of participating children in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language the parents can understand:
- **Establish a Uniform Communication Template:** Utilize a standardized format for all Title I notices, newsletters, and meeting invitations to ensure consistency and readability across the district.
 - **Provide Translation Services:** To the extent practicable, provide translated versions of all essential parent notifications and documents in the languages spoken by the student population.
 - **Offer Alternative Formats:** Maintain a protocol for fulfilling requests for information in alternative formats, such as large print, audio, or digital versions, to accommodate parents with disabilities or literacy needs.
 - **Utilize Professional Interpreters:** Provide on-site or telephonic interpreters for district-wide meetings and parent-teacher conferences to ensure parents with limited English proficiency can participate as equal partners.
 - **Conduct Plain Language Reviews:** Review all outgoing materials to ensure they are written in clear, non-technical language that avoids educational jargon, making the information accessible to parents with limited literacy.
 - **Multi-Channel Distribution:** Disseminate information through various platforms, including **district newsletters**, official school documents, the district website, and social media, to reach parents where they are most likely to receive it.
 - **Document Accessibility Efforts:** Use the official "**Title I Parent Involvement: Policy Development Meetings**" form to record when translation or alternative formats were provided and to track the effectiveness of communication methods.
 - **Personalized Outreach:** For parents unable to access standard written or digital communications, offer **in-home conferences** or direct phone calls to ensure they are informed about school programs and their child's progress.

RE: Managed Printing Contract

ISSUE:

The Board of Education is asked to approve the transition from its current collection of copier contracts, standalone printers, and decentralized toner purchasing practices to a managed print program that standardizes equipment, centralizes support and supply management, and improves accountability for district printing operations.

BACKGROUND:

The district currently operates a variety of copiers and printers throughout its facilities. Under the existing model, toner and ink are purchased through multiple vendors and departments, creating inconsistent purchasing practices and reducing visibility into overall printing costs. Jessica and Casey have evaluated a managed print solution contract with Century Business Technologies that includes a standardized fleet of 39 copier units, service and maintenance, toner, repairs, implementation support, and PaperCut print-management software. The proposal is designed to improve financial accountability, reduce staff time spent troubleshooting equipment and ordering supplies, provide districtwide access to color printing, and eliminate the need to maintain multiple toner inventories. PaperCut software will provide enhanced reporting capabilities, usage tracking, secure printing options, and centralized administration, allowing the district to better monitor printing behavior and make more informed resource decisions.

ALTERNATIVES:

Continue current operations and procedures.

RECOMMENDATION:

1. Approve the proposed contract from Century Business Technologies
2. Deny the proposal.
3. Recommend an alternative solution.

FISCAL NOTE:

The proposed transition to centralized color copiers and the passed elimination of individual color printers is expected to reduce annual cost of approximately \$26,816 through lower supply expenditures, reduced maintenance and service contracts, and improved print management.
