## Briefing Notes

**DATE:** 8/26/24

**CLASSIFICATION:** Decision

**AUTHOR:** Dr. Nichole Rens, Director of Secondary Curriculum, Instruction and Assessment  
Dr. Joshua Delich, Associate Superintendent for High Schools

**SUBJECT:** New Courses and deactivated courses for 2025-26 High School and Middle School Registration Guides

**PURPOSE:** Approve proposed New Courses and deactivated courses for 2025-26 High School Registration Guide

### BACKGROUND:

The 2025-26 Registration Guides will be available to students beginning December 6, 2024. In order to meet a publishing and distribution deadline to be included in the registration guide, new courses must have final approval by September 23, 2024. The new courses listed below have gone through an intensive review process, first in their respective departments, and then the Curriculum Advisory Council, Community Curriculum Advisory Council, and CIAC. Additionally, all new courses listed below are financially sustainable within either the curriculum department or building budget. Courses proposed for deactivation have been reviewed by appropriate departments and the Curriculum Advisory Council. Rationale for deactivation is listed below.

Department	Proposed Course/Description	CAC/CIAC/School Board Process:
Music	<p><u><a href="#">Voice Lab II:</a></u> This course is designed to reach students in grades 10-12 who do not traditionally register for choir but aspire to learn more about their voice and how it works. Students explore a variety of different musical genres as a solo artist. Voice Lab I has been offered at 4 of our 5 high schools for the past two years. The course allows students to participate in vocal music for single trimesters, instead of the 3 trimesters students commit to when joining an ensemble at the high school level.</p>	CAC 3/4/24, CIAC 4/1/24
Science	<p><u><a href="#">Chemistry for Engineering:</a></u> This course is designed to allow students in grades 10-12 who are part of the engineering programs at Blaine and Coon Rapids High Schools the opportunity to take a chemistry course as part of their high school progression. In the engineering programs at Blaine and Coon Rapids High Schools, students complete one credit of Physics as part of the programs. In Spring 2023, the Minnesota Legislature</p>	CAC 3/4/24, CIAC 4/1/24

	<p>updated the graduation requirements for students to reflect the 2019 Minnesota Academic Standards in Science. Students starting 9th grade in 2024-25 must complete 3 credits of science: 1 credit of Earth and Space Science, 1 credit of Biology, and 1 credit of either Chemistry or Physics.</p>	
STEP	<p><a href="#">Transportation Careers: Planes, Trains, Trucks, and Ships II:</a></p> <p>In this course, students in grades 11 or 12 will:</p> <ul style="list-style-type: none"> <li>● Delve deeper into the evolution of different transportation modes</li> <li>● Examine the economic, social, and political systems that impact these modes</li> <li>● Analyze the pros and cons of various transportation methods</li> <li>● Explore the effects of regulation and deregulation on both national and international transportation</li> </ul>	CAC 9/11/23, CIAC 2/5/24
ELA	<p><a href="#">Impact of Media:</a></p> <p>In this course, students in grades 11 or 12 will explore the dynamic and influential realm of mass communication and its effect on individuals and society. In order to be an informed and responsible digital citizen, students will also analyze and reflect on their own media production and consumption. During this course, we will focus on these essential questions:</p> <ul style="list-style-type: none"> <li>● How does the constant change of media impact you?</li> <li>● How do our personal identities and backgrounds influence how we consume, interpret, and create media?</li> <li>● How can we become more mindful consumers and creators of media?</li> </ul>	CAC 11/27/23, CIAC 12/4/23
ELA	<p><a href="#">Literature and its Transformation into Film:</a></p> <p>In this course, students in grades 11 or 12 will read literature and view corresponding adaptations to understand and analyze how films communicate an interpretation of a text. Students will form opinions on what makes an adaptation successful and create their own adaptations.</p> <p>During this course, we will focus on these essential questions:</p> <ul style="list-style-type: none"> <li>● What elements are necessary for a successful text to film adaptation?</li> <li>● How do adaptation choices impact the audience's understanding of the text?</li> <li>● How can the choices I make in creating an</li> </ul>	CAC 11/27/23, CIAC 12/4/23

	adaptation impact the audience?	
ELA	<p><u><a href="#">Mysteries and Whodunits:</a></u> In this course, students in grades 11 or 12 will explore and analyze the nuances of mystery writing. Students will apply their understanding of mysteries through argumentation supported with evidence and share their positions.</p> <p>During this course, we will focus on these essential questions:</p> <ul style="list-style-type: none"> <li>• How do readers critically analyze a mystery?</li> <li>• How do author's choices create a sense of mystery?</li> <li>• How can credible evidence support a strong case?</li> </ul>	CAC 11/27/23, CIAC 12/4/23
ELA	<p><u><a href="#">Stories in History:</a></u> In this course, students in grades 11 or 12 will explore the impact of storytelling on the human experience worldwide, shedding light on how and why people tell stories and the ways they shape our understanding of history. Through multiple perspectives, we'll examine key historical topics in both historical and modern texts.</p> <p>During this course, we will focus on these essential questions:</p> <ul style="list-style-type: none"> <li>• What stories have been told throughout history?</li> <li>• Who tells the stories and who is their audience?</li> <li>• How do the themes of these stories teach us about a period in history while providing a universal view into the human experience?</li> </ul>	CAC 11/27/23, CIAC 12/4/23

The following courses are recommended for deactivation:

Department	Course	Rationale:
Science	AP Physics 1 Seminar	AP Physics 1 returning to three trimesters
BME	Computer Explorations 8	Low enrollment
STEP	Advanced Automotive IV	Low enrollment
STEP	Coll Honors Unmanned Aerial Systems	Combined with Transportation Careers

### CONCLUSIONS:

The proposed courses will offer students relevant and updated learning opportunities beginning the 2025-26 school year.

### RECOMMENDATIONS/NEXT STEPS:

1. Approve proposed recommendations.
2. Include all approved changes in the 2025-26 course registration guide.
3. Review all course changes with building administration and counselors in preparation for registration in January 2025.

This ice facility use agreement is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2024 between the City of Coon Rapids, a Minnesota municipal corporation, herein after referred to as (PROVIDER) and the Anoka-Hennepin Independent School District No. 11, a tax exempt entity, herein after referred to as (USER). PROVIDER and USER agree to the following use of an ice skating facility known as Coon Rapids Ice Center located at 11000 Crooked Lake Boulevard, Coon Rapids, MN 55433 for the period September 1, 2024 to August 31, 2025.

1. SCHEDULE OF TIME: PROVIDER agrees to make ice time available to the USER. USER will give priority dates and schedules to PROVIDER and PROVIDER has final authority to schedule the dates and times as close to the desired schedule as possible, while accommodating all contract user groups' needs. USER will provide contact person/s to work with for ice time scheduling to PROVIDER to streamline the point of contact process.

2. RATES: USER agrees to pay the following rates for Ice Center usage:

- a. \$ 248.00 Prime Indoor Ice Hourly Rate
- b. \$ 105.00 Outdoor Ice Hourly Rate
- c. \$ 192.00 Non-Prime Hourly Rate\*

- e. \$ 350.00 Outdoor Game Fee (Full Service Game Fee)

Game receipts go towards paying the entire Indoor/Outdoor game fee and only after Gate receipts cover that fee, then the remaining Net Gate Receipts are split 50/50 between USER and PROVIDER.

Volume Rates Ice Purchase Policy:

The City may offer volume discounts on ice rates for customers that meet or exceed the minimum threshold of hours purchased in various categories and are under contract.

Prime Ice: over 500 hours.....\$243.00 per hour

\*Note: Customers may not exceed 200 days of use per contract year

\*\*Customers purchasing over 500 hours of Prime ice also receive 16 hours of complimentary ice time directed at recruitment and 4 hours of complimentary ice time per week on the outdoor rink.

The Anoka-Hennepin School District does not meet the criteria for receiving a volume discount based on number of non-prime ice hours used. The Anoka-Hennepin School District also does not meet the criteria for a volume discount on Prime ice hours.

3. PRIME HOURS: Prime and Non-Prime Hours are described in the attached facility use schedule.

4. SERVICES: PROVIDER agrees to provide a useable ice surface, secure and clean locker facilities, parking facilities and, on the day of games, Ice Center seating for spectators. In addition, on game dates, PROVIDER shall provide appropriate management, ticket seller(s), time/score keeper(s), penalty box attendant(s), Zamboni driver(s) and security personnel as

needed and any cleanup/maintenance staff required by PROVIDER. Appropriate staffing will be determined by agreement between the PROVIDER and the high school activity director.

**Full Service Game Fee**

Indoor Game fee.....	\$135/per game

**Additional Services Game Fee**

Any customer requesting portions of the services provided as part of the Full Service or Modified Service Game Fee will be charged applicable market rates for such services. Fees to be determined by Ice Center Management.

5. COON RAPIDS ICE CENTER ACCESS: Keys and/or electronic access cards to the Ice Center and/or locker rooms are the exclusive property of the City of Coon Rapids and will be issued as deemed necessary by Ice Center management to USER’s approved coaches. Keys and/or access cards must be signed for at the beginning of each High School season and returned no later than two weeks after the last day of the season. Keys and/or electronic access cards may not be duplicated by USER or any of USER’s coaches or personnel. Duplication of keys and/or electronic access cards or other security breaches may be considered a breach of this agreement and, in addition to other remedies, may result in restriction or loss of after hours access privileges. If PROVIDER determines that a breach of security has resulted due to a violation of this paragraph PROVIDER may change the locks or change electronic access codes to the Ice Center at USER’s expense.

6. ANCILLARY USE OF FACILITIES TICKETED EVENTS: PROVIDER will allow USER reasonable access to and use of the Ice Center training and meeting rooms for activities ancillary to the USER’s ice hockey activities without charge. Ancillary uses are defined as team meetings when a coach is present. PROVIDER will allow USER access to and use of the shooting station without charge as an ancillary use due to being a contract customer. PROVIDER will allow USER access to Multi-Use Training Room 1 no charge when available. PROVIDER agrees USER and USER’s support staff shall have access to and use of the Graber Skybox without charge for all home hockey games. This ancillary use is for events such as parents’

nights' and other team activities not considered a meeting. An adult event monitor must be in the Graber Skybox at all times when the room is in use. USER and USER's support staff shall have use of appropriate space, as determined by the PROVIDER, without expense to conduct additional events throughout the term of the contract focused on community engagement and involvement and youth hockey activities (fundraisers, camps, etc.). USER and USER's support staff will be allowed to bring food and beverages but agree not to do so in a manner that competes with PROVIDER's concession stand (typical "continental breakfast" type items are allowed). All ancillary use of the facilities must be scheduled with PROVIDER in advance, and are subject to availability. PROVIDER has discretion to assign use of rooms or to modify room assignments to accommodate other priority or paid users. USER agrees to keep the facilities in a clean and orderly condition and in at least as good a condition as existed prior to USER's ancillary use. USER agrees to pay for the actual costs of cleanup as determined by PROVIDER if the PROVIDER determines the ancillary use requires additional cleaning services.

#### **Ancillary facility space – Ticketed Events**

Room usage is included for paying the Game Fee during ticketed events for team events and activities. This includes the shooting station (for contract customers only), conference room, Graber skybox, dry floor usage and Training Room 1. All of the ancillary uses must be scheduled in advance with Ice Center management and are subject to availability. Coon Rapids Ice Center Management has the discretion to charge additional Game Fees for cleaning and damage to rooms, if applicable.

7. REMOVAL OF EQUIPMENT: PROVIDER may request USER to remove any equipment that has been purchased, furnished or added to the facility by USER within 30 days if such request is given in writing from PROVIDER to USER.

8. SALE OF MERCHANDISE: USER, or USER'S approved commercial vendor (1), may sell team-branded merchandise, programs and souvenirs in the facility during games, tournaments and special events, with all proceeds being kept by USER. Any commercial vendor may be required to pay a permit fee to the City. USER and/or USER'S approved commercial vendor (if applicable) may not sell items similar in nature to items stocked by the PROVIDER in its Pro Shop. Sale locations and sale items must be approved in advance by the Ice Center Manager. If more than one commercial vendor is desired, this falls outside typical use and the USER must go through the "Special Event Permitting Process" as described in section 11 of this contract.

9. DASHBOARD SALES AND COMMISSION PROGRAM: Any Contract Customer is allowed to participate in the Coon Rapids Ice Center Dashboard sales/Commission program. This program is available only to Contract Customers as defined by those who purchase over 200 hours of ice time (Prime or Non-Prime) in a contract year which runs September 1 to August 31.

The Dashboard Sales/Commission Program allows each contract user to sell up to 3 dashboards for a fee of \$1000 each, with the Contract User receiving 50% of the sale (for commission and recruitment of the customer) and the Coon Rapids Ice Center will retain the other 50%. If ads are sold or placed within the facility outside of the September 1 to August 31 timeframe, ad fees and commission proceeds will be pro-rated accordingly. Ad rates will be \$83.33 per month; Commission rates will be \$41.66 per month. Any Contract Customer

participating in this program will also be required to sign the “Service Contract Agreement for Dasher Board Ad Sales” which can be obtained by the Ice Center Manager.

10. ADVERTISING LOGO WALL: Contract Customers purchasing over 500 prime hours of ice can participate in the advertising logo wall in the Ice Center. Sponsors supporting a group that purchases over 500 prime hours can display their logo on the advertising wall. Anoka-Hennepin School District 11 does not meet the criteria for access to a logo advertising wall.

11. SPECIAL EVENTS: Contract customers may have up to 2 special events per season that are designed to offer different and/or additional activities in addition to a typical practice, hockey game or tournament. Special events must go through the City’s “Special Events Permitting Process” which includes filling out a form, going through a checklist, submitting a site plan, permit fees, inspections (if appropriate) and related details. Contract users should work with Ice Center Management, who will then work with the Community and Recreation Services Director to make final determinations on approval of the event.

All special events must be planned at least 60 days in advance; City staff then have up to 14 days to get back to the contract user with approval and/or more questions. All special events will require liability insurance, provided by the contract customer, and the certificate will need to be provided to the City with the City being listed as an additional insured. City staff reserve the right to approve or deny any special event based on staffing capacity and other factors.

12. PAYMENTS AND REMISSION OF GATE RECEIPTS: PROVIDER shall bill USER by submitting an itemized list of hourly practice and game ice usage to the high school which utilized the ice time. In addition, PROVIDER shall submit a full and complete accounting of the total gate receipts received by PROVIDER and pay to the school district an amount equal to the total gate receipts minus the Ice Center-Game Fee and minus their percentage share of net gate receipts set forth in Section 2g above or, if the gate receipts are less than the Ice Center Game Fee, bill USER the amount necessary to cover the Ice Center Game Fee. Documentation of the gate receipts will be provided on the attached Gate Receipt Worksheet and will be calculated to include the value of the punch tickets presented at the gate. Upon proper billing and documentation, USER will promptly pay PROVIDER, any required deposits and an amount equal to the number of hours of practice and game ice usage at the rate agreed to. The billing will include Gate Receipt Worksheets for any game(s) conducted during the billing period. If the School’s share on the Gate Receipt Worksheet(s) is a positive amount, the PROVIDER shall remit that amount as a payment to the school. If the School’s share on the Gate Receipt Worksheet is a negative amount, the PROVIDER shall submit that amount as a bill. PROVIDER must obtain the USER’S ST3 Certificate of Exemption (if applicable) before ice billing can occur. USER is asked to provide current ST3 at the start of the season September 1, 2024.

13. SURCHARGE FOR CREDIT CARD PURCHASES RELATED TO ICE RENTAL PAYMENTS: If customer chooses to pay for any ice rental by credit card, the purchase will be subject to a 3.35% surcharge fee to cover the cost of credit card processing.

14. CANCELLATIONS: PROVIDER may also reschedule the dates or times of the scheduled ice usage upon five days written notice to the USER. PROVIDER shall not be held responsible for the cancellation of ice time for reasons beyond the reasonable control of PROVIDER, its agents or employees, such as but not limited to equipment failure, loss of power,

severe weather or acts beyond PROVIDER'S control. In the event of such an occurrence, PROVIDER will attempt to reschedule USER'S ice times or USER may cancel and promptly receive a return of any fees paid.

15. ASSIGNMENT: If scheduled ice-time cannot be used within 21 days by the USER, they shall promptly notify the PROVIDER in writing and the PROVIDER will attempt to reassign that time to another group. If the time cannot be assigned to another group, the USER will pay the charged fees for their scheduled time.

16. TERMINATION: PROVIDER may cancel this agreement for any material default by the USER in the terms of this agreement by giving a 30 day notice.

17. RULES AND REGULATIONS: USER agrees to use the facilities according to the Rules and Regulations of PROVIDER which will be adopted and posted from time to time within the facility. USER will notify Ice Center management at least 60 days in advance of any planned special events (see special events section in section 11 above) or promotions as part of the USER'S ice rental. Ice Center management reserves the right to approve any special events or promotions after determining if such events meet City Code and other regulations of the facility.

18. SIGNAGE: USER recognizes that it does not have rights to post any signs without the express written consent of PROVIDER and any signs so consented shall conform to and be consistent with the sign usage policy of PROVIDER.

19. LIABILITY: USER acknowledges that PROVIDER has not asserted or accepted any responsibilities for supervision, security or control of USER'S property or activities. USER shall be solely responsible to provide security for its equipment kept on the premises and shall be solely responsible to provide supervision of its students, staff and spectators, on and off the ice. PROVIDER shall be solely responsible for the actions of its employees, agents and invitees as provided in Article 4.

USER assumes all risks of personal injury arising from its usage of the Ice Center or any part connected or contiguous thereto which result from an act or failure to act on the part of the USER or others over whom it has supervisory responsibility. USER assumes responsibility for damages to the property of PROVIDER arising out of the negligence of USER under its performance of this agreement. PROVIDER will notify the USER of any damages and allow the USER a reasonable opportunity to review the damage before repairs are made. PROVIDER is responsible for the repair or replacement of PROVIDER'S property and will invoice the USER for the damages. USER'S obligation shall be to reimburse to PROVIDER the cost of labor and replacement of like-kind and quality equipment.

- 11. Breach:** The City may cancel this agreement for any material breach by District 11 of the terms of this agreement.
- 12. Damage or Destruction:** If during the term of this Agreement the Facility is damaged by fire or other casualty, not arising from fault or negligence of District 11 or its assigns, so that the Facility is rendered unfit for use, then either District 11 or the City may terminate this Agreement upon thirty (30) days written notice to the other. Further, should such occur, the City agrees to return any rates paid in accordance with Section 3 of this Agreement but not yet used.

Assignment:** If scheduled ice time cannot be used by District 11, they agree to promptly notify the City in writing as early as feasibly possible, and the City will reasonably attempt to assign that time to another group. If the time cannot be assigned to another group, District 11 agrees to pay for its originally scheduled time(s). District 11 agrees to not assign or otherwise transfer its interest in its scheduled ice time in any other manner than the process set forth in this section.
- 14. Signage:** District 11 recognizes that it does not have rights to post any signs without the express written consent of the City, and any signs so consented will conform to and be consistent with the sign usage policy of the City of Champlin.

This Lease Agreement (“Lease”) is entered this 14 day of August 2024, between the City of Champlin (“Lessor”), and Anoka Hennepin School District 11, (“Lessee”), a non-profit and tax-exempt organization existing under the laws of the State of Minnesota.

The Girls Varsity Locker Room and Coach’s Office within the Champlin Ice Forum, 12165 Ensign Avenue North, Champlin, MN 55316 (the “Leased Premises”).

THEREFORE, in consideration of the payment of rent and the keeping and performance of the conditions and promises set forth in this Lease, the adequacy of which are hereby acknowledged, the parties agree as follows:

2. **Term:** The Lease will commence on October 1, 2024 and will continue until September 30, 2025.
3. **Use of Leased Premises:**
  - a. The Lessee agrees to use and occupy the Leased Premises for the sole purpose of storing equipment and conducting seasonal hockey activities during the term of the high school girl’s hockey season.
  - b. Lessee agrees not to use, nor permit any portion of the Leased Premises to be used, for any illegal purpose or for any purpose that would cause an increase in or cancellation of the existing rate of insurance on the Property.
  - c. At the termination or expiration of this Lease, Lessee agrees to surrender the Leased Premises in a neat and orderly condition and in as good of condition as exists at the time of the commencement of this Lease, reasonable wear and tear accepted, not including intentional damage and vandalism caused by Lessee or its assigns.
4. **Rent:** The Lessee agrees to pay to Lessor as rent for the Leased Premise a flat rate of three thousand five hundred dollars and no cents (\$3,500.00) per high school girl’s hockey season. The retroactive date of the policy shall be indicated on the certificate of insurance outlining coverage. In addition, District 11 will name the City as an additional insured with respect to its own operation on said policies of insurance. Both parties will maintain all workers compensation insurance required by law.
- 7. Maintenance, Repair, Improvements and Alterations:**
- a. Lessee agrees to maintain the Leased Premises, meaning keep it free from waste and debris. Lessee further agrees to take such other necessary actions as required to ensure the Leases Premises will be surrendered in a neat and orderly condition and in as good of condition as exists at the time of the commencement of this lease, reasonable wear and tear accepted, not including intentional damage and vandalism caused by Lessee in accordance with Section 3(c) of this Agreement.
  - b. Lessee agrees to not make or suffer to be made any alterations or improvements of any part of the Leased Premises without prior consent of the Lessor.
  - c. The Lessor agrees to maintain and repair the entire sewer and water extensions, sinks, and other equipment installed, electrical installations and the structures subject to Section 7(d) of this Agreement.
  - d. If any maintenance, repair, improvement, or alteration is conducted by Lessor because of negligence or fault of Lessee or its assigns, Lessor may collect payment of such maintenance, repair, improvement, or alteration from Lessee after allowing Lessee a reasonable opportunity for review of the damage before any such changes are made.
- 8. Access to Leased Premises:**
- a. During the term of the Lease, Lessor will turn over to Lessee one set of keys which will allow Lessee to access all Leased Premises. Lessee will not in any way duplicate or permit duplication of such keys. In the event such keys become lost or inoperable due to fault of Lessee, Lessee will be responsible for any replacement cost and any re-keying fees incurred, if applicable.
  - b. Subject to reasonable prior oral notice, Lessor and its authorized representatives have the right to enter the Leased Premises for the purpose of inspection, making repairs, additions, or alterations, and for exhibiting the same to prospective tenants or purchasers.
- 9. Covenant to Hold Harmless:**
- a. Lessee acknowledges that Lessor has not asserted or accepted any responsibility for supervision, security or control of Lessee’s property or activities conducted on the Property or any part connected or contiguous thereto. Lessee is solely responsible to provide security for its equipment kept on the Property and shall be solely responsible to

provide supervision of its students, staff, and spectators, in and out of the Leased Premises.

- b. Lessee's athletes and coaching staff assume all risks of personal injury arising from its usage of the Leased Premises or any part connected or contiguous thereto which result from an act or failure to act on the part of Lessee or others over whom it has supervisory responsibility.
- c. Lessee assumes responsibility for damages to the Leased Premises or any part connected or contiguous thereto arising out of negligence or fault of Lessee under its performance of this Agreement and agrees to pay for any such damage in accordance with Section 7(d) of this Agreement.
- d. Lessee agrees to indemnify and hold harmless Lessor from and against all claims, costs, expenses (including attorney fees) and liabilities of whatever nature arising from (i.) any negligent or wrongful act or omission of Lessee, its staff, athletes, licensees, agents, employees, or others over whom it has supervisory responsibility; or (ii.) any accident, injury, death or damage, to any person or property occurring in the Leased Premises or any part connected or contiguous thereto and caused by the negligence or other wrongful conduct of Lessee, its staff, athletes, licensees, agents, employees, or others over whom it has supervisory responsibility, excluding claims arising from the Lessor's performance under this Lease.
- e. Lessor agrees to indemnify and hold harmless Lessee from and against all claims, costs, expenses (including attorney fees) and liabilities of whatever nature arising from (i.) any negligent or wrongful act or omission of Lessor, its licensees, agents, or employees; or (ii.) any accident, injury, death, or damage to any person or property occurring in the Leased Premises or any part connected or contiguous thereto and caused by the negligence or other wrongful conduct of Lessor, its licensees, agents, or employees, excluding claims arising from Lessee's performance under this Lease.

**10. Breach:** If Lessee breaches any covenant of this Lease, Lessor may, at its option, declare this Lease forfeited and re-enter the Leased Premises, with or without process of law and take possession.

**11. Abandonment:** At the earliest of either the termination or expiration of this Lease or the completion of the high school girl's hockey season, Lessee shall have five (5) business days to remove all personal property owned by Lessee from the Property. Any personal property remaining on the Property after such time will, at the option of Lessor, be deemed abandoned and Lessor may dispose of as it deems fit.

**12. Damage or Destruction:** If during the term of this Lease the Leased Premises or Property are damaged by fire or other casualty, not arising from fault or negligence of Lessee or its assigns, so that the Leased Premises or Property is rendered unfit for use, then either Lessee or Lessor may terminate this Lease upon thirty (30) days written notice to the other. Further, should such occur, Lessor agrees to return a pro rata portion of the rental fee to Lessee within a reasonable time after the termination of the Lease.

**13. Assignment and Subletting:** Lessee agrees to not assign this Lease or any interest in this Lease, to not sublet the Leased Premises or any part of them, or any right or privilege appurtenant to them, or permit any person other than the agents and servants of Lessor to occupy or use the

Leased Premises without prior written consent of the Lessor, which may be unreasonably withheld.

**14. Notice:** Whenever this Lease requires notice to be given by either party to the other, except where oral notice is allowed, the notice must be given in writing and sent by certified mail, addressed as follows:

Appropriate staffing will be determined by agreement between the PROVIDER and the high school activity director.
  
5. **PAYMENTS AND REMISSION OF GATE RECEIPTS:** PROVIDER shall bill USER by submitting an itemized list of hourly practice and game ice usage to the high school which utilized the ice time. In addition, PROVIDER shall submit a full and complete accounting of the total gate receipts received by PROVIDER and pay to the school district an amount equal to the total gate receipts minus the arena rental fee and minus their percentage share of net gate receipts set forth in Section 2.d above or, if the gate receipts are less than the arena rental fee, bill USER the amount necessary to cover the arena rental fee.

Documentation of the gate receipts will be provided on the attached Gate Receipt Worksheet and will be calculated to include the value of the punch tickets presented at the gate.

Upon proper billing and documentation, USER will promptly pay PROVIDER, any required deposits and an amount equal to the number of hours of practice and game ice usage at the rate agreed to. The billing will include Gate Receipt Worksheets for any game(s) conducted during the billing period. If the School's share on the Gate Receipt Worksheet(s) is a positive amount, the PROVIDER shall remit that amount as a payment to the school. If the School's share on the Gate Receipt Worksheet is a negative amount, the PROVIDER shall submit that amount as a bill.

6. CANCELLATIONS: PROVIDER may cancel this agreement for any material default by the USER in the terms of this agreement. PROVIDER may also reschedule the dates or times of the scheduled ice usage upon five days written notice to the USER. PROVIDER shall not be held responsible for the cancellation of ice time for reasons beyond the reasonable control of PROVIDER, its agents or employees, such as but not limited to equipment failure, loss of power, severe weather or acts of God. In the event of such an occurrence, PROVIDER will attempt to reschedule USER'S ice times or USER may cancel and promptly receive a return of any fees paid.
7. ASSIGNMENT: If scheduled ice-time cannot be used by the USER, they shall promptly notify the PROVIDER in writing and the PROVIDER will attempt to reassign that time to another group. If the time cannot be assigned to another group, the USER will pay the charged for their scheduled time.
8. RULES AND REGULATIONS: USER agrees to use the facilities according to the Rules and Regulations of PROVIDER which will be adopted and posted from time to time within the facility
9. SIGNAGE: USER recognizes that it does not have rights to post any signs without the express written consent of PROVIDER and any signs so consented shall conform to and be consistent with the sign usage policy of PROVIDER.
10. LIABILITY: USER acknowledges that PROVIDER has not asserted or accepted any responsibilities for supervision, security or control of USER'S property or activities. USER shall be solely responsible to provide security for its equipment kept on the premises and shall be solely responsible to provide supervision of its students, staff and spectators, on and off the ice. PROVIDER shall be solely responsible for the actions of its employees and agents as provided in Article 4.

USER assumes all risks of personal injury arising from its usage of the facilities or any part connected or contiguous thereto which result from an act or failure to act on the part of the USER or others over whom it has supervisory responsibility. USER assumes responsibility for damages to the property of PROVIDER arising out of the negligence of USER under its performance of this agreement. PROVIDER will notify the USER of any damages and allow the USER a reasonable opportunity to review the damage before repairs are made. PROVIDER is responsible for the repair or replacement of PROVIDER'S property and will invoice the USER for the damages. USER'S obligation shall be to reimburse to PROVIDER the cost of labor and replacement of like-kind and quality equipment.

PROVIDER agrees to indemnify and hold harmless USER from and against all claims, costs, expenses (including attorney fees) and liabilities of whatever nature arising from (i) any negligent or wrongful act or omission of PROVIDER, its licensees, agents, or employees; or (ii) arising from any accident, injury, including death, or damage to any person or property occurring on the premises and caused by the negligence or other wrongful conduct of PROVIDER, excluding claims arising from USER'S performance under this agreement.

USER agrees to indemnify and hold harmless PROVIDER from and against all claims, costs, expenses (including attorney fees) and liabilities of whatever nature arising from (i) any negligent or wrongful act or omission of USER, its licensees, agents, or employees; or (ii) arising from any accident, injury, including death, or damage to any person or property occurring on the premises and caused by the negligence or other wrongful conduct of USER, excluding claims arising from PROVIDER'S performance under this agreement.

INSURANCE: Both USER and PROVIDER shall maintain liability insurance against claims for bodily injury, death or property damage occurring on or about the ice arena. Such insurance shall be written on an occurrence basis with a combined single limit of not less than \$1,000,000 per occurrence. If the insurance policy is written on a "claims-made basis", the party will maintain coverage for a minimum of three years past the expiration of this agreement. The retroactive date of the policy shall be indicated on the certificate of insurance outlining coverage.

In addition, both parties shall name the other party as an additional insured with respect to its own operations on said policies of insurance. Both parties will maintain all workers compensation insurance required by law.

THIS CONTRACT AND ANY ATTACHED SCHEDULES OR SIGNED ADDENDUMS CONSTITUTES THE ENTIRE AGREEMENT BETWEEN PROVIDER AND USER. THE UNDERSIGNED USER AGREES TO PURCHASE ALL HOURS OUTLINED IN THE ATTACHMENT. NO PROVISION OF THIS

AGREEMENT MAY BE CHANGED, WAIVED OR TERMINATED UNLESS  
DONE IN WRITING AND EXECUTED BY BOTH PROVIDER AND USER.

# Anoka-Hennepin School Board

## Briefing Notes

**DATE:** August 26, 2024

**CLASSIFICATION:** Decision

**AUTHOR:** Dr. Josh Delich, associate superintendent for high schools

**SUBJECT:** Boys' Volleyball

**PURPOSE:** Approve adding boys' volleyball to the district budget

### **BACKGROUND:**

Anoka-Hennepin Schools is a member of the Minnesota State High School League (MSHSL). On December 1, 2023 the MSHSL approved school districts to allow for boys' volleyball beginning in the Spring of 2025. For the last five to seven years, depending on the school, Anoka-Hennepin's high schools have offered club volleyball programs that have experienced strong interest and participation. The opportunity to provide a boys' volleyball program aligned with the MSHSL would be of benefit for students and an expectation in the community.

### Season Overview:

- The season will begin on March 17th of 2025.
- There will be a maximum of 17 games.
- The season will span over 13 weeks, not including State tournament play.
- Approximately half of the games will be played at home and half played at away sites.
- Anoka-Hennepin will only be offering JV and Varsity levels.
- Program numbers would be capped at 32 athletes.

### Cost Overview:

The following cost estimates are based on the current model for girls' volleyball.

### Estimated program start-up cost per school:

- \$6,000 start-up cost: including uniforms, balls and equipment

### Estimated Program Cost districtwide:

Annual program cost based on two teams at each school would be around \$150,000 based on past girls' volleyball season expenditures. Revenue from student participation fees and game admissions would help to offset costs by a potential estimated amount of \$50,000.

### **CONSIDERATIONS:**

Offering boys' volleyball in a school district can offer several benefits, both for the students and the school community as a whole:

**Increased participation:** Offering boys' volleyball provides another sports option for male students who may not be interested in or suited for traditional male-dominated sports like football or basketball. Our current boys' volleyball numbers show a high level of interest from diverse backgrounds.

**Enhanced athletic development:** Volleyball is a sport that requires a combination of physical skills such as agility, coordination, and teamwork. Offering boys' volleyball allows students to develop these skills, promoting our overall athletic programs.

**Academic performance:** Engaging in sports like volleyball can have a positive impact on academic performance. It teaches discipline, time management, and teamwork, all of which can contribute to better academic outcomes.

**Scholarships and opportunities:** As boys' volleyball continues to grow in popularity, opportunities for scholarships and college recruitment have expanded. For students with a passion and talent for the sport, this can provide a pathway to higher education and financial aid.

**Social development:** Participation in sports helps students develop social skills, teamwork, and a sense of belonging. It fosters friendships and a sense of community, which can positively influence their overall well-being and mental health.

**School spirit and community engagement:** Having a diverse range of sports teams can enhance school spirit and community engagement. Families and friends are more likely to attend games and support their school when there are multiple sporting events to watch.

**Title IX compliance:** Title IX is a federal law that prohibits sex-based discrimination in education. By offering boys' volleyball alongside girls' volleyball, schools ensure compliance with this law and promote gender equity in athletic opportunities.

In summary, offering boys' volleyball in the Anoka-Hennepin School District through the MSHSL program can lead to increased inclusivity, participation, and athletic development, while also promoting academic success, social development, and overall well-being. It aligns with the principles of gender equity and provides numerous benefits to our educational community.

**RECOMMENDATIONS/NEXT STEPS:**

Approve the funding to add a MSHSL boy's volleyball program in Anoka-Hennepin starting in the spring of 2025.

## PRESENTATION OUTLINE

### Discussion topics:

- Process for decision making
- Budget reduction and realignment
  - Phase 1 update
  - Phase 2 planning

2

## BUDGET REDUCTION AND REALIGNMENT

### Convergence of factors

A convergence of factors lead to the need to match the district's expenditures with the funding reality, including:

- limited or stable enrollment growth,
- elimination of federal pandemic relief funds,
- higher than available budgeted employee contract settlements,
- inflation and increasing costs for transportation and operations support,
- no additional revenue from state or federal sources anticipated,
- and new requirements without funding support.

These planning parameters were established in February 2024.

3

## BUDGET REDUCTION AND REALIGNMENT

### Phase 1

- \$5.1 million central office and district administration reduction and realignment for 2024-25 budget.
  - 40 positions reduced for \$3.1 million.
  - 7.83 positions realigned for \$930 thousand.
  - Non-personnel related reductions \$1.1 million (transportation and technology related).
- Original \$30 million target: Phase 1 reductions are a strategy to reduce impact on school sites in Phase 2.
- Information shared widely in district staff and community communications outlets.

4

# BUDGET REDUCTION AND REALIGNMENT

## Phase 2: Key dates in the decision making process

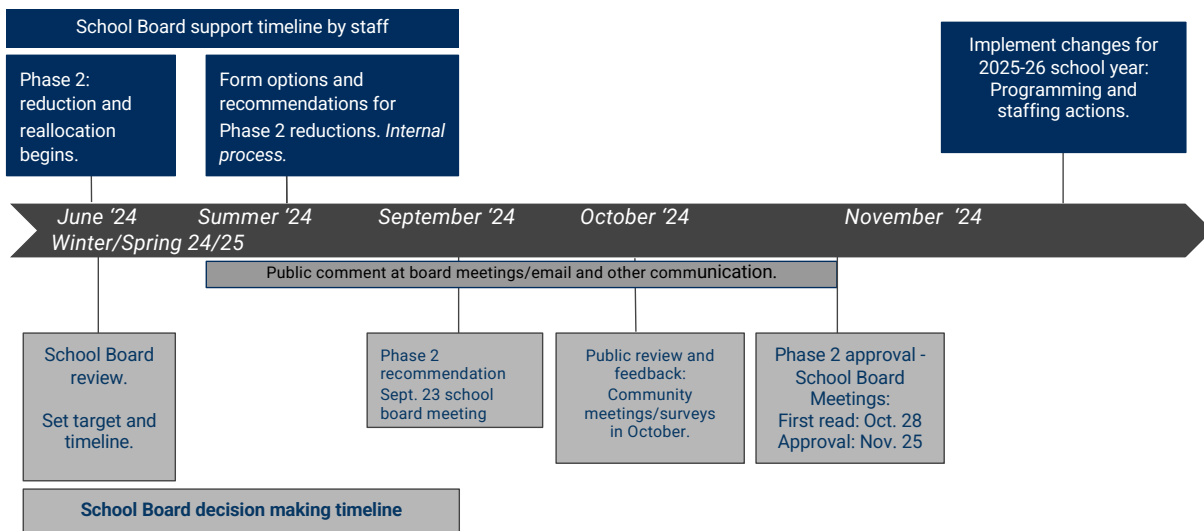

- \$21 million budget target established.
- Recommendations refined and presented at Sept. 23 school board meeting.
- Public meetings and online surveys to collect community feedback will be held from Sept. 25 to Oct. 9.
- Draft recommendation presented at Oct. 28 school board meeting.
- Approval expected at Nov. 25 school board meeting.
  - Five board meetings with public comment prior to decision.

## Equal Educational Opportunity Policy – Gender Inclusion Guidance

- I. **Purpose:** The purpose of Guidance is to support all students regardless of gender identity and to ensure compliance with the Minnesota Human Rights Act and Title IX of the Education Amendments of 1972 and corresponding regulations.
- II. **General Statement of Guidance:**
  - A. The District is committed to providing a safe and respectful learning environment and to providing an education that respects all students and families.
  - B. Students of all gender identities are valued and welcome in the District.
  - C. School administration and staff must act in the best interests of students when accommodating gender identity requests.
  - D. School administration and staff must respect the right of parents in the care, custody, and control of their minor children.<sup>1</sup> Except in exceptional circumstances outlined in this guidance (See § VI), staff should never actively and deliberately withhold information about a student from parents in a manner that impedes upon parental rights.
  - E. School administration and staff will strive to engage in an interactive process with both students and parents/guardians that supports the student when it receives requests to accommodate or support the gender identity of a student.
- III. **Names and Pronouns:** Students and their parents may request a change to their forenames/pronouns that differ from their previously used forename/pronouns or from their forename on their birth certificate.
  - A. **Name of Student in Data Management Systems.** Students and their parents (in the case of minor students) who want to have school staff address them by a forename or pronoun that differs from their previously used forename/pronoun or from their forename on their birth certificate should contact or will be directed to the appropriate school official who will assist the student and parents in processing their request. After a name change and planning guide is completed, the student's requested/preferred name will be changed in the District's student data management system (i.e. Synergy or other program in use by the District) as requested. The name of the student listed in the District's student data management system will be utilized in all of the following:
    - Class rosters
    - Student identifications (ID's)
    - Extracurricular, co-curricular and other student activities
    - Graduation ceremonies (see, below for further information on diplomas)
    - Student year books
    - Student email

---

<sup>1</sup> In the case of divorced or separated parents, only parents who possess or have been assigned legal custody by a proper court are allowed to make educational decisions on behalf of a minor student.

Staff and administration will be expected to utilize the name of the student listed in the District's student management system.

- B. Official Transcripts.** Current and former students who want to change the name on their official District transcript must first obtain proof of a legal name change pursuant to Minn. Stat. § 259.10 or similar statute in a U.S. jurisdiction outside of Minnesota.
- C. School Diplomas.** School diplomas will be printed using the student's name listed in the District's student data management system. Acceptable change of a student's forename used on a diploma will be limited to the following:
- A middle name instead of first name
  - An abbreviated name (Rob instead of Robert, Manny instead of Emmanuel)
  - An Americanized name (Wendy instead of Haiyan)
  - A name which better reflects one's ethnic, racial or gender identity
  - A name to which you are in the process of legally changing
- D. Use of Nicknames.** Nothing in District policy or procedure is intended to limit staff and administrations' use of appropriate and respectful nicknames for all students. However, the use of nicknames with students should not be actively and deliberately withheld from parents of minor students.
- E. Student Surveys.** Instructional staff should not utilize surveys or questionnaires that solicit information about a student's gender identity or pronoun. However, students will be free to state their preferences in broader inquiries. (e.g. "Is there anything else you would like me to know about you to support you or to be successful in this class?")
- IV. Rest Rooms and Locker Rooms:** The District will provide all students with access to use all facilities consistent with the students' gender identity. Reasonable efforts must be made to have restrooms and locker rooms with private enclosed changing areas, shower areas, and toilets for all students. Upon their voluntary request, any student who desires increased privacy shall be provided with a reasonable alternative changing area (e.g., a nearby restroom stall with a door, an area separated by a privacy partition changing area or with a separate changing schedule). Transgender and gender non-conforming students may only be required to use individual-user or otherwise separate facilities if every student is required to do so. The goal should be maximizing students' social integration and equal opportunity to participate in physical education classes and sports, ensuring the students' safety and comfort, and minimizing stigmatization of students.
- V. Gendered Activities:** Gender is often used as a classification for dividing classes into parts or as a prerequisite for participation. Staff and administration should avoid using gender as a characteristic for divisions whenever possible. When groups are separated by gender, students and parents (in the case of minor students) should be permitted to select their gender grouping. The Minnesota State High School League has also adopted a policy addressing eligibility determination for male-to-female transgender student athletes stating in general that all students, regardless of their gender identity or expression, should be allowed to participate in athletics in an "environment free from discrimination".
- VI. Data Privacy Considerations:** Under both state and federal law, information and data

regarding one's transgender status or sex assigned at birth is classified as private educational data. Only employees with a legitimate educational reason to know this information in order to perform their job have the right of access to this data. Transgender and gender non-conforming students may decide to discuss and express their gender identity openly or may decide when, with whom, and how much to share private information. Schools should work closely with the student and family in devising a plan that works for both the student and the school. Privacy considerations may also vary with the age of the student.

Parents or guardians of minor children have a right of access to data on their child unless a court order provides otherwise or in keeping with Minnesota law (Minn. R. 1205.0500) the student makes a written request that particular data be withheld and the school determines, consistent with applicable legal standards, that it is in the best interest of the student. Students making such a request should use the following form. [Minor Student Request to Deny Parent Access to Private Data](#).

## **VII. Complaints Regarding Compliance with Guidance.**

Students and parents (in the case of minor students) can file a complaint for failure to comply with these guidelines or if they otherwise believe that their rights have been violated under Title IX or the Minnesota Human Rights Act. Information on how to file a complaint is contained in Harassment, Violence and Discrimination Policy 413.0 and Harassment, Violence, Discrimination or Bullying Report Form 413.0F. Anoka, MN 55303

Rewritten and Adopted: [month and date],2024

## Equal Educational Opportunity Policy – Guidance

Anoka-Hennepin Schools have a growing number of students who identify as transgender or gender non-conforming. The District is committed to providing a safe and respectful learning environment and to providing an education that respects all students and families. Students of all gender identities are valued and welcome in the District. Many questions have arisen regarding how best to support our transgender students with respect to the use of names or pronouns, rest room/locker rooms, and record keeping.

**Names and Pronouns:** The issue of the name and pronoun use in referring to a transgender student is one of the first that schools must resolve to create an environment in which a student feels safe and supported. Transgender students often choose to change the name assigned to them at birth to a name that is associated with their gender identity. Students have a right to be addressed by a name and pronoun that corresponds to their gender identity. After conferring with parents and the student, school employees should use the pronoun and name with which the student identifies.

However, the School District's official student records should include the student's legal name and legal gender (generally the sex assigned at birth). A student's official record should be changed only upon receipt of documentation that such change has been made pursuant to applicable state law.<sup>1</sup> Because the District maintains permanent student records that include the student's legal name and legal gender, official documents like diplomas or transcripts do not change unless the student's name is changed legally. However, where the legal name is not required, upon the request of transgender students and their parents, the student's preferred name should be used for district-related purposes, such as class rosters, club activities, student ID's, and in the yearbook.

**Rest Rooms and Locker Rooms:** The District will provide all students with access to use all facilities consistent with the students' gender identity. We will strive to have rest rooms and locker rooms with private enclosed changing areas, shower areas, and toilets for all students.

All students, including transgender and gender non-conforming students, shall be permitted to use any and all facilities consistent with their gender identity. Upon their voluntary request, any student who desires increased privacy shall be provided with a reasonable alternative changing area (e.g., a nearby rest room stall with a door, an area separated by a privacy partition

<sup>1</sup> The Minnesota Department of Health requires one of two requirements to change gender in a birth record: either medical documentation or a court order. The Minnesota court system relies on the Minnesota Department of Health processes to change the sex of a person on a state document and recommends to judges that if a person comes to court with the same documentation, a request for a court order changing the person's sex should be granted.

changing area (e.g., a nearby rest room stall with a door, an area separated by a privacy partition or a curtain, a PE instructor's office in the locker room or a nearby health office rest room) or with a separate changing schedule. Transgender and gender non-conforming students may only be required to use individual-user or otherwise separate facilities if every student is required to do so. The goal should be maximizing students' social integration and equal opportunity to participate in physical education classes and sports, ensuring the students' safety and comfort, and minimizing stigmatization of students.

**Gendered Activities:** Gender is often used as a classification for dividing classes into parts or as a prerequisite for participation. Such activities can be difficult for transgender or gender non-conforming students, especially if they are forced to participate in a group that does not correspond to their gender identity. As such, avoid using gender as a characteristic for divisions whenever possible. When groups are separated by gender, allow students to self-select the group they would feel more comfortable in.

The Minnesota State High School League has also adopted a policy addressing eligibility determination for male-to-female transgender student athletes stating in general that all students, regardless of their gender identity or expression, should be allowed to participate in athletics in an "environment free from discrimination".

**Data Privacy Considerations:** Under both state and federal law, information and data regarding one's transgender status or sex assigned at birth is classified as private educational data. Only employees with a legitimate educational reason to know this information in order to perform their job have the right of access to this data.

Transgender and gender non-conforming students may decide to discuss and express their gender identity openly or may decide when, with whom, and how much to share private information. Schools should work closely with the student and family in devising a plan that works for both the student and the school. Privacy considerations may also vary with the age of the student. In some circumstances, transgender students do not want their parents to know about their transgender status or that they are expressing their affirmed gender at school. The need to balance support of the students with parental rights to access the information about their students poses unique challenges.

Parents or guardians have a right of access to the data unless a court order provides otherwise or the student requests that the data be withheld and the school determines that that is in the best interest of the student. The school may require students to submit a signed, written request that the data be withheld and to explain the reason for denying parental access. Upon receiving such a request, the school shall determine whether denying parental access is in the student's best interest by considering the potential for physical or emotional harm.

- Whether the student is of sufficient age and maturity to be able to explain the reasons for and to understand the consequences of the request to deny access;
- Whether the personal situation of the student is such that denying parental access may protect the student from physical or emotional harm;
- Whether there is ground for believing that the student's reasons for precluding parental access are reasonably accurate; and
- Whether the data in question is of such a nature that disclosure of it to the parent could lead to physical or emotional harm to the student.

In most situations, these factors weigh in favor of parental access.

It is the District's policy to provide equal educational opportunity for all students. No student shall be discriminated against on the basis of any protected characteristic, including sex/gender. The District does not deny any student access to the benefits and opportunities of its educational programs.<sup>2</sup> The District provides for a student complaint and appeal process if a student claims the District denied them an equal educational opportunity or violated the student's rights under this Guidance. Information on how to file a complaint is contained in Harassment, Violence and Discrimination Policy 413.0 and Harassment, Violence, Discrimination or Bullying Report Form 413.0F.

This document serves as a resource for schools in working with transgender and gender non-conforming students. This guidance will be re-evaluated as needed. Contact Assistant Director of Student Services, Denise Collins at 763-506-1120 or at [denise.collins@ahschools.us](mailto:denise.collins@ahschools.us) for additional information.
