**Resolution in Response to the Recent Bullying and Harassment  
by USBE Board Member Natalie Cline.**

*WHEREAS, We recently witnessed a deplorable form of bullying from State School Board Member, Natalie Cline, and her followers on a social media post that targeted a student from Granite School District.*

*WHEREAS, Every child deserves and has the right to learn and participate in a safe educational environment.*

*THEREFORE, We condemn anyone who would bully or target any student for any reason, but especially those in positions of power who are specifically elected to represent and protect our children.*

*WE RESOLVE, That such behavior is cowardly, harmful and unacceptable. We call on our colleagues from school boards throughout the state and other elected officials to join us in demanding Board Member Cline's immediate resignation from the State Board of Education.*

Adopted at a Special Meeting of the Board of Education of Granite School District.
