WHEREAS, the Windom Public School District (the “School District”) is committed to the best interests of the students in the School District and the best interests of the School District as a whole; and

WHEREAS, Minnesota Statutes §469.1813 gives authority to a School to grant an abatement of a percentage of the property taxes imposed by the School if certain criteria are met; and

WHEREAS, in addition to the statutory requirements, in December 2022 the Windom Board of Education (“School Board”) approved the Cottonwood County Home Initiative Guidelines for the application period of January 1, 2023, through December 31, 2025, (the “Guidelines”) and participation in the Cottonwood County Home Initiative Program (the “Program”); and

WHEREAS, as part of the approval of the School District’s participation in the Program, the School Board established a valuation cap of \$320,000 per new single-family home eligible for tax abatement by the School District; and

WHEREAS, Preferred Choice Homes, LLC, a Minnesota limited liability company, (“Preferred Choice”) is the owner of the following described real estate within Cottonwood County, Minnesota:

Parcel #: 25-320-1700

Address of Property: 1955 Bud Road, Windom, MN 56101

Legal Description of Property: Lot 7, Block 2 of Gove Acres Subdivision to the City of Windom, Cottonwood County, Minnesota; and

WHEREAS, Preferred Choice proposes to a construct a new home on this property; and

WHEREAS, Preferred Choice had requested and was granted tax abatement on this property in 2024; however the prospective purchaser of the home decided to choose another lot and a house was not built on this property; and

WHEREAS, Preferred Choice has requested tax abatement on this property at this time pursuant to the Guidelines; and

WHEREAS, the abatement of taxes on the above-described parcel would be for the period of five (5) years commencing on the first year of taxes payable for the full assessed value related to the capital improvements as outlined in Cottonwood County Home Initiative Guidelines; and

WHEREAS, the School District cannot abate more than sixty percent (60%) of the property taxes which it receives from each parcel; and

WHEREAS, the estimated market value for the new home, submitted by the Applicants, is \$210,000; and

WHEREAS, based on an Estimated Market Value of \$210,000 for the new home and based on 2025 tax rates, the estimated tax abatement for the School District for this property would be approximately \$391.61 per year. The total estimated tax abatement by the School District for the five-year period is approximately \$1,958.05. (These figures were calculated using 2025 tax rates. The market value for the project is only an estimate, since the building has not yet been constructed. The tax rates will also change each year.)

WHEREAS, Minnesota Statutes require that a public hearing be held prior to the approval of the proposed tax abatement.

Now, therefore, **BE IT RESOLVED by the WINDOM BOARD OF EDUCATION** as follows:

1. Public Hearing. A public hearing to consider the proposed tax abatement, as set forth above, shall be held on Monday, August 11, 2025, in the Windom City Council Chambers at City Hall, 444 Ninth Street, Windom, Minnesota, during the School Board Meeting which begins at 6:30 p.m.

Milk Escalator / De-Escalator Pricing Clause

The pricing quote is based on the 2025 Federal Milk Marketing Order for Class I Skim and Class I Butterfat for the month noted in the top right corner of your bid. This pricing is subject to change as the cost of raw milk changes each month according to the USDA Federal Milk Market Price Announcements. The cost of milk fluctuates up and down each month based on the cost changes in raw milk. Changes of a minimum of \$0.15 per CWT (up or down) will move the cost of a half-pint \$ 0.001.

Prices will also be adjusted based on cost changes in packaging, ingredients, labor, fuel, juice concentrate and re-sale products. All price changes will become effective on the first day of the month following the price announcement. We have been notified of a June 1st cost increase in packaging as well as coco powder. This may equate with an increase of \$0.012 on white milk and \$0.019 on flavored milk but is subject to be slightly low or higher depending on the actual increase at that time.

APPENDIX A - BULLYING PROHIBITION POLICY

Daily Schedules

Attendance/Absence

Our Philosophy: Attendance is a priority at Windom Area Middle/High School. We believe learning is enhanced by regular attendance. Research indicates that there is a significant correlation between student absences and achievement. Class attendance is critical to the successful completion of coursework and outcomes. The entire process of education requires continuity of instruction, classroom participation and a variety of learning experiences, and consistent study in order to reach the goal of maximum educational benefit for each student. Absent students cannot expect to make the same progress as they would if they were in attendance at school. We firmly believe a course cannot be successfully completed with excessive absence. Teachers are expected to take attendance within the first 10 minutes of each class, and communicate with the office if there are changes to submitted attendance.

Minnesota statutes require the district to monitor students' attendance. School administration will therefore inform parents/guardians of any attendance problems concerning their child. However, we need parents/guardians to be actively involved in resolving any deviations in their child's attendance and to work with the school district to ensure maximum attendance.

Maximum Absence Rule: A student who misses a class more than 20% (roughly 18 days) of the semester will be subject to the consequences of the Maximum Absence Rule listed below. ALL absences (including excused absences) will be counted, except those absences which result from participation in school authorized activities, official religious holidays, or a death in the immediate family. **To proactively avoid situations of loss of credit, Teachers will communicate with main office staff should absences approach the following checkpoints:**

Mid Quarter 1/3 - 4 absences

End of Quarter 1/3 - 9 absences

Mid Quarter 2/4 - 13 absences

End of Quarter 2/4 - 18 absences

Classifications of Absences:

1. School Authorized Absences:

- a. These are to be verified at the time of absence and are NOT counted in the Maximum Absence Rule. Make-up work IS required.
 - i. Curricular & co-curricular pre-authorized school events & programs.
 - ii. Official religious holidays.
 - iii. Death of immediate family member (parent, stepparent, guardian, sibling, Grandparent, child).

2. Excused Absences:

Parents or guardians must verify each hour absent in writing or by phone. Calls should be placed to the school by 10 am the same day. Students should remind the parent to contact the attendance office prior to, the day of, or no later than 10:00 a.m. the day after the absence and when possible to schedule appointments during non-school hours. The number to contact during school hours is 507.831.6910 and extensions 300 (Middle School), 309 (High School) or 311 (Spanish Speaking). You may also email attendancemshs@isd177.com. The after hour answering service number is 507-831-6910 ext. 300 (Middle School) or ext 309 (High School). **Parent excuses will not be honored after 48 hours (two school days) after the date of the absence. Absences not called in for after 48 hours will be**

coded as unexcused and count toward truancy calculations. Students (including 18 year olds) must have a parent/guardian communicate all absences to the office. Makeup work is required. The following reasons are valid and should be used by parents and students as guidelines:

a. Illness

- i. A day of absence will be counted for each day a student is absent due to illness. In the event of extended (3+ days) or chronic illness, verified by a medical doctor, the student may appeal to the Attendance Committee. The attendance committee will consist of the Principal, Counselor/Social Worker & one of the student's teachers.
- ii. In the event you become ill during the day, please go to the nurse's office. Office staff will assist you. If your illness justifies sending you home, arrangements may be made according to the Emergency Contacts information listed in Infinite Campus.

b. Family emergency

c. Medical/dental appts. that cannot be made outside of school time

d. Court ordered appearances

e. Preplanned absences (family trips, etc), which have been arranged and pre-approved by administration. Absences in excess of maximum allowable absences that result due to an out of town family trip may be excused at the discretion of administration. It is the responsibility of the absent student to make all necessary arrangements with teachers prior to the trip so as to remain caught up in courses. Makeup work must be completed within the allowable time period (2 days per day absent.) (Arrangements made prior to the absence in order to be excused; one week ahead recommended.)

h. Driver's license test

i. Seniors who wish to visit a postsecondary school or college may use two (2) days for this purpose. ALL COLLEGE VISITS MUST BE COMMUNICATED TO THE SCHOOL ATTENDANCE SECRETARY.

k. Out-of-School Suspension (OSS): These absences ARE counted in the Maximum Absence Rule. Completion of make-up work is required and credit given. All students meeting or exceeding 10 absences due to an OSS will discuss attendance and may enter into a behavior/attendance contract at the re-entry meeting.

l. All students must report to the office to receive a permit to class pass upon returning to school. This pass must be shown to all teachers. This pass serves as verification of the absence by the office.

m. **Parent excused - parents/guardians may excuse an absence for extenuating circumstances not listed in the reasons above up to 2 times per school year.**

3. Part-Day Excused Absences:

a. Medical, dental appointments and court ordered appearances: Parents/guardians are requested to telephone and/or write a note. Students must obtain a Permit to Leave School prior to the day of the appointment. Upon return, students must check in with the school office and provide verification of the appointment. Most of these appointments should be scheduled for times when school is not in session.

b. Illness or injury during the school day: The student must sign out through the school office. Parent/guardian authorization is required and a Permit to Leave School is issued.

c. Emergency during the School Day: Student must sign out through the school office and a Permit to Leave School is issued.

d. **Failure to receive a Permit to Leave School may result in the absence being unexcused. EXCUSED PARTIAL DAY ABSENCES DO COUNT TOWARD THE MAXIMUM ABSENCE RULE**

Consequences for Exceeding Absence Limits:

1. On the third (3) absence for a semester course, the student will be informed in person and the attendance secretary may send an Attendance Letter and a copy of the policy to the student's parent/guardian by mail.
2. If the student has reached five (5) absences from a semester course, the student will be informed in person and the attendance secretary may send, once again, the Attendance Form and an Appeals Form to the parent/guardian. **After 10 excused absences in one semester, a doctor's note may be required.** An administrator/counselor may conduct a conference after the 5th absence with the parent/guardian. An attendance contract may be drafted, signed and enforced.

Upon notification, the student may see the counselor to determine suitable options.

Should absences reach 20% for a semester class a No Credit (NC) will be issued and the student may need to make up the credit.

- a. In the rare event a student has suffered a long-term (chronic) illness, which can be verified by a doctor's signed statement, the student's record will show an incomplete (I). If the work has been made up according to the Make Up Work Policy guidelines, the incomplete (I) will be changed to a grade. If the work is not done according to Make Up Work Policy guidelines, the incomplete (I) will be changed to (NC) or (F). NOTE: See Make Up Work Policy.

3. The attendance committee will meet with students/parents to address absences exceeding the maximum absence rule. The attendance committee will consist of the Principal, Counselor/Social Worker & 1 of the students teachers.
4. Minimum seat time requirement - loss of credit for a course. Students who do not attend class for 80% of the class periods in session (~68/86 days in a semester) may earn a No Credit and need to retake the course or complete credit recovery to earn full credit.

***Students with a verified medical condition/extenuating circumstance may appeal and earn full credit despite exceeding the maximum absence rule at the discretion of the attendance policy committee (Principal, Counselor/Social Worker & 1 of the students teachers.)

A student receiving a waiver on the maximum absence rule must complete required coursework to earn credit for all impacted courses.

Check Out Procedure

If a student is to leave the school during the regular school day, the following procedure shall be followed:

1. The student shall present the parental request to leave the school to personnel on duty in the high school office before school in the morning. Legitimate reasons for out-of-building passes include such things as medical or dental appointments, court appearances, and special family obligations. The student may present a written request signed by a parent or guardian OR parents/guardians may also make arrangements by calling 831-6910. Student requests without parental consent may not be honored.
2. When the request to leave school is approved, the office personnel may issue a pass stating the time that the student will be excused from class. At checkout time, the student will report to the office, show the pass and sign out. A sign-out sheet/form is provided as an official record.
3. A student who becomes ill or injured during the school day must report to the nurse's office. An evaluation of the student's health status will be made. If it is necessary for the student to go home, the student's parent/guardian (or parent's designee on the emergency call sheet) will be called by the Nurse/main office to come for their student or to authorize the student to drive home. The student will be given a pass to present to the attendance secretary in the Administration Office. The student will follow the sign out per procedure.
4. Failure to follow check out procedures may result in absences being counted as unexcused at the discretion of administration.

Tardiness

Tardiness is defined as being late to a class by any amount of time after the start of the class up to 5 minutes. Students arriving to class unprepared to learn may be counted tardy at the discretion of the teacher. Teachers will also use discretion in tardiness so as to create a welcoming environment - students who are in seats ready to learn when the teacher begins class shall not be counted tardy.

1. A student may be excused for being late to class only when detained by another teacher or office personnel.
2. The detaining teacher or office personnel will issue a pass/email to the detained student making sure to list the time the student was released on the pass.
3. After receiving a tardy pass, the student will be expected to report to class immediately. Students arriving more than five minutes after the tardy pass was issued will be considered unexcused and the teacher should treat the offense accordingly.
4. Unexcused tardies are to be counted in the Attendance Policy. Upon receiving a 4th unexcused tardy in any class during the quarter, a student will be assigned one (1) detention to be served within 1 week of being assigned the detention and will lose open campus (lunch/TA/Principal's Hour) privileges for the remainder of the quarter. Upon receiving further unexcused tardies during the quarter, consequences for the student will be assigned accordingly: 5th Tardy equals one (1) detention. Consequences for the 6th Tardy and beyond will be determined at the administration's discretion and may include a parent meeting, further loss of privileges, Saturday School and up to In School Suspension.

Make Up Work Policy

The following items are guidelines with the understanding that the completion of school work in a timely manner is of the utmost importance.

1. Students absent one (1) day will have two (2) days to make up work missed for the first (1st) day and two (2) for each succeeding day missed (or shorter/longer if mutually agreed upon by the teacher and student upon the student's return). If a student is unable to turn in the make-up assignments due to another absence, the make-up work from the initial absence will be due the next day the student is in attendance.
2. Teachers may request the assignments missed due to school-sponsored field trips, co-curricular activities, official religious holidays or pre-planned absences be completed in advance by the student.
3. Special arrangements may be made for long term (chronic) illnesses verified by a doctor's signed statement. An incomplete (I) may be given to allow for make-up time.
4. A homework request may be made for absences of more than one school day through the main Office or via email directly to the teacher by parent/guardian. Students' teachers may be asked to email students/parents and/or bring assignments to the main office for parents/guardians to collect.
5. Students with unexcused absences will receive make-up work for the class period(s).

Truancy/Skipping

If a student is willfully absent from school/class without permission, he/she assumes the responsibility and the consequences of violating a right and privilege. Windom Public Schools have adopted the policy of Cottonwood County in regards to truancy. A copy of this policy is found on our district website.

1. Unexcused Absences (Truancy) are defined as a student who is absent from school/class without full knowledge or consent of his/her parents/guardians. The student is absent from school with or without consent of the parent or guardian for reasons unexcused by the school authorities. Makeup work is required.

Examples of unexcused absences may include, but limited to the following:

- a. Leaving school without obtaining a Permit to Leave School from the school office.
- b. Is absent from school without proper verification from his/her parent/guardian.
- c. Is absent from class without permission.
- d. Obtains a pass to go to a certain place and does not report there.
- e. Becomes ill and goes home instead of reporting to the school office, or staying in the restroom and not returning to classes.
- f. Comes to school but does not attend classes.
- g. Leaves for lunch without a pass and not returning without parental consent.
- h. Oversleeping
- i. Personal grooming appointments (hair, nails, tanning, etc)
- j. Employment/interview
- k. Shopping/errands
- l. Family vacations
- m. Needed at home/babysitting
- n. Missed the bus/car trouble
- o. Needing to sleep/rest
- p. Interpreting for another person

Administrative discretion may be used in any of the aforementioned situations to excuse an absence.

2. Tardiness: Students who are more than 5 minutes late to a class may be marked with an unexcused absence, not a tardy.

3. Excessive Absences: Request by parent or guardians may be denied or counted as unexcused if they are for excessive absences. Excusing absenteeism and tardiness is at the discretion of the principal/administration.

4. Unexcused absences are made up through detention.

- a. One class (45 minutes) = one 45-minute detention.
- b. A skipped day of school equals eight (8) 45-minute detentions or 1 Saturday School. Students must attempt to check in with the teacher whom class was missed with to make up missing content. This check can be done via email for documentation purposes. Detention supervisor will check for this communication.

c. A student will lose open campus (lunch/TA/Principal's Hour) privileges for the remainder of the quarter for any unexcused absences.

d. Students serving a detention to make up class time are expected to touch base with the teacher for whom they missed class prior to detention. Students are expected to work on missing content during the detention period.

5. Students with an unexcused absence will be subject to the school Truancy Policy. (There are no school sanctioned "Skip" days.)

Truancy Policy

According to Minnesota Statutes 120.101, subdivision 5, students under the age of 18 must attend school. If a 16 or 17 year old is in attendance, they must follow the same guidelines as students under the age of 16. In cooperation with Des Moines Valley Health & Human Services, Cottonwood County Court System and local law enforcement agencies, Windom Public Schools has developed the following Truancy Diversion Policy:

Step One

After three (3) unexcused absences, a school letter (Certified with Return Receipt Requested) is sent to the parent of the truant student. Included in this letter will be:

- a. Copy of State Truancy Laws
- b. Copy of School Truancy Policy
- c. Students current attendance report

Step Two

- a. Upon the fourth (4th) unexcused absence, a (phone call/letter) parent contact is made.
- b. School personnel forward student's most current attendance report, copies of letters sent to parents, any other documentation pertinent to the student's truancy including interactions with the student and/or parents to the County Attorney's office.
- c. The County Attorney will forward the appropriate information to the Cottonwood County Family Service Truancy Coordinator to begin the mediation program.
- d. The CCFSTC will obtain a release of information and contact the school if the family accepts services.

Step Three

- a. Upon the fifth (5th) unexcused absence, a (phone call/letter) parent contact is made.
- b. School personnel fax updated attendance to Cottonwood County Attorney and Des Moines Valley Health & Human Services with proper release of information.

- c. Upon receipt, the county attorney will write a letter to the parent of the truant student asking them and the student to participate in a diversionary meeting.

Step Four

- a. Upon the sixth (6th) unexcused absence, school personnel may make a (phone call and/or letter) parent contact and fax updated attendance to Cottonwood County Attorney and Des Moines Valley Health & Human Services with proper release of information.

Step Five

- a. Should the student reach seven (7) unexcused absences and an attempt has been made by the school to address the student's attendance concerns as described above: the school should notify the County Attorney for a CHIPS petition.

Students who are 18 years of age are allowed to “withdraw” from school with their parent’s permission.

THE SAME SET OF ATTENDANCE RULES APPLIES TO ALL STUDENTS REGARDLESS OF AGE.

Discipline

Windom Schools take pride in the positive behavior of students and rewards those who show a daily understanding of what we hold as valuable in our daily behavior.

As a school district, we want to see our students soar higher and achieve better and we strongly believe that we will, if we follow this simple belief:

At Windom Area Schools, learning is first. We take pride in our safe & positive environment. Be proud. Be respectful. Be Responsible.

You are an EAGLE!

Eagle Pride Matrix

Restorative Discipline

When students fall short of Eagle Pride expectations, restoration of the strained relationship(s) may be necessary. Restorative discipline practices focus on building back the relationships that were strained as a result of a poor choice in words/actions. Restorative discipline practices are not punitive and are not focused on punishment. Restorative practices focus on teaching the student the ways in which their actions fell short of Eagle Pride expectations, and ways to learn and improve to do better in the future. A major goal of restorative discipline is keeping the student(s) in the classroom for the learning if at all possible. Restorative discipline may look differently for each student as natural consequences for actions are at the core of restorative practices. Windom Schools staff will work with all students to learn from mistakes and repair strained relationships. Restorative practices may include, but are not limited to:

- Mediation conferences (between students and all stakeholders.)
- Corrective action (example; Conflict: student leaves a lunch table a mess. Staff intervention: discussion with students about what happened and why. Action: student apologizes to lunchroom supervisor and lunchroom staff, spends a few minutes cleaning up the area.)
- Time in the office - when the student is not quite ready to be back in class at that time and they need to work with administration to discuss meeting future expectations.
- Time in the student support room (possibly a debrief with the counselor or social worker)
- Detention - when extra time is needed beyond the school day (before or after school, or during lunch) to help the student correct their behavior, or the student was not ready/willing to participate in mediation.
- Suspension - either in school or out - only when the presence of a student in the classroom causes a significant disruption to the learning environment and/or the offense was highly severe.

All of the above measures are intended to be non-exclusionary and work with students to remain in the learning environment.

Behavior Flow Chart

Backpack/Bags

Backpacks/book bags/purses/any handbag/belt bag used to carry items to and from school **must be left in lockers during the school day**. Backpack searches may be conducted at administrative discretion based on a reasonable suspicion of a policy violation or for building security safety checks.

Refer to District Policy 502 for search procedures. [District Policy Manual](#).

Searches of Student lockers, desks, personal possessions and student's person

In the event of the existence of reasonable suspicion of a violation of school policy, students may be subject to a search by school administration. Searches of lockers, backpacks, persons and possessions may be conducted should reasonable suspicion of a school policy violation exist. When possible, a second adult will be present. When suspicion exists that a student may have in their possession a vaping device on their person, school administration may utilize a metal detecting wand. Students will not be asked to expose any part of their person and should suspicion exist that a device is present, parents will be called to come in and assist in the search, unless the suspicion relates to a direct safety threat to students and staff. Should a locker search be conducted, students will be alerted in a timely manner.

Book Policy

The Windom School District provides students with all textbooks; if necessary. Normal wear is expected on these books. Abnormal wear, however, is not expected and students who intentionally drop, throw, sit on, write on, or otherwise misuse textbooks in any manner will be fined for damages to the book. An amendment to Minnesota Statutes 120.101 provides that schools may charge for lost or destroyed textbooks, workbooks, or library books. The school will charge an appropriate replacement fee for textbooks, workbooks, or library books lost or destroyed by students.

Chromebooks

The Windom School District provides Chromebooks, a Chromebook charger cable and a Chromebook charger block to each student for educational purposes. Students must adhere to Chromebook use guidelines and pay all appropriate fees as communicated at orientation prior to the start of the school year. Students found to be using Chromebooks inappropriately may be assigned Chromebook use modules to satisfactorily complete prior to receiving Chromebook privileges back. Any fees assessed for Chromebook misuse/breaks/losses must be paid prior to graduation or receiving a Chromebook for the following year. HS Students are issued Chromebooks to take home and care for throughout the school year. Chromebooks are available for MS student use, but Chromebooks will remain in classrooms and students will not carry with them throughout the school day.

Bus Conduct

Bus drivers have the authority to implement and enforce rules of behavior deemed appropriate to assure safety to and from school. Students are responsible for their behavior during the times they are being transported. Students with chronic behavior problems on the bus may lose the privilege of riding the bus. The bus is an extension of the school day. All students will be taught appropriate bus behavior and must submit the acknowledgement of the bus safety test during the first week of school. School disciplinary policy will be enforced.

Please keep in mind that the law says:

Riding a school bus is a privilege, not a right.

While waiting for the school bus, students are expected to:

1. Stay back from the curb, driveway, and yellow lines at the school buildings.
2. Wait for the bus to come to a complete stop before approaching the bus.
3. Never chase or run beside a moving bus. Students who ride the bus shall:
 - a. Take a seat promptly and stay seated while the bus is in motion.
 - b. Be obedient and respectful of the bus driver.
 - c. Keep their heads, hands, and other parts of the body inside the bus windows at all times.
 - d. Not throw any objects through open windows.
4. Assure that no litter is left on the bus.
5. Refrain from using or having in possession any tobacco products, alcohol, or other contraband.
6. Do not use any obscene gestures or language.
7. Not verbally or physically harass anyone else.
8. Wear appropriate clothing for weather conditions.
9. No Bullying

Student Parking

Parking a motor vehicle on school grounds is a privilege. Parking is permitted in the designated areas. All vehicles parked on school property are subject to inspection. The use of mini-bikes, snowmobiles, go karts,

all-terrain vehicles such as 4-wheelers are prohibited on school grounds. Student parking is permitted in the West Student parking lot only.

Discrimination

It is the policy of Independent School District 177 to comply with state and federal laws, which prohibit discrimination in education programs, activities, or employment on grounds of race, color, creed, religion, national origin, sex, and marital status, status regard to public assistance or disability. Inquiries regarding compliance may be directed to the office of the principal at Windom Area High School, telephone 831-6910.

Food and Drink

Water will be allowed with a secure lid. Food/beverages may be allowed in the classroom at the discretion of the classroom teacher and/or administration. Water may be consumed at lockers in a secure lid. Healthy snacks may be consumed at lockers during passing times.

Rights of Appeal

If a student feels a right violation has taken place, they should first bring the matter to the attention of the building principal, unless the alleged violation involves this person. If the principal is involved or an appeal of a principal's decision is desired, the case may be brought to the Superintendent of Schools, and a further appeal may be made to the Board of Education at their next regular meeting. A student may appeal their case in court without going through the administrative process outlined above, but the court may require the student to first exhaust those channels with the local system. The local Board of Education also has the right of appeal. [Here is the discipline instance complaint/appeal form.](#)

Student Dress

A dress code serves the purpose of establishing and maintaining a respectful environment conducive to learning. The intent of the dress code is to create an environment grounded in respect for every individual in the building and their right to feel safe, welcome & treated with dignity throughout their educational journey. The responsibility to adhere to the dress code rests with the students and their parents/guardians. Students must use mature judgment when choosing clothing to wear at school and students have the right to choose the manner in which they project themselves in public unless it causes a disruption with work, creates a classroom or school disruption or could be interpreted as harassment by others.

Clothing that is prohibited (not allowed) includes, but is not limited to:

- Sunglasses
- Gang related clothing
- Clothing displaying weapons
- Clothing promoting illegal activity for minors (drug, alcohol, tobacco)
- Clothing promoting profane, suggestive or obscene activity
- Clothing of a racially or ethnically insensitive nature
- Tops that are cut lower than four finger widths (fingers together) of collarbone
- Tops that are cut higher than four finger widths (fingers together) of top of waistband on pants
- Tube Tops
- One shoulder tops

- Blankets
- Coats/jackets - stored in lockers during school hours
- Flags
- Bottoms that do not extend beyond an extended arm at the side (fist closed)
- Bottoms that expose undergarments or private areas
- Hats are not to be worn by students in grades 6-8
- Hats that do not hinder the learning environment can be worn by students in grades 9-12. Teachers reserve the right to ask a student to remove a hat within the classroom. Hoods are not to be worn during school hours.

Students suspected to be in violation of the dress code will be asked to correct the violation by staff. A report to administration will be made should the student not correct the violation in a timely manner. Exceptions to the student dress code can be made at the discretion of administration.

*Dress code is intended to be self-measurable. Students may be asked to demonstrate the four-finger rule (necklines), fist length (shorts, skirts, and dresses), and the four-finger rule (midriff) if they are suspected of violating the dress code. Fingers are to be pressed together when self-measuring.

Weapons

All other weapons policies must be followed. No individual shall possess a weapon when in the school building, on school grounds, or on any school-sponsored trip or activity. Possession: defined by [MN Statute 609.66](#). Members of the district Clay Target League may possess a weapon at the shooting range. For more information on the WAHS weapons policy, please refer to the Discipline Policy section of this handbook or the Windom School’s web page.

UNIFORM GUIDANCE & DISCIPLINE POLICY

Part I: Philosophy and Purpose

Philosophy:

It is the belief of the Board of Education of Independent School District #177 that each individual should be accepted into the educational program as he or she is; that the student shall be provided with a stimulating environment and opportunities for learning designed to assist the student in realizing his or her maximum mental, physical, emotional, and social development.

The Board also believes that the primary obligation for developing self-discipline, responsibility, and respect for other people begins in the home and with the parents/guardians. Children who have developed these qualities usually progress well in school. The school is also concerned with the development of attitudes, habits, and behavior and must provide a proper climate for learning; therefore, the school strives to work cooperatively with parents/guardians. Teachers want all students to learn, but their efforts can be thwarted by

disruptive behavior. When students do not follow the rules of proper conduct, the school has a responsibility to take action in the interest of those students and the other students in the school.

Purpose:

To ensure an atmosphere that is conducive to learning, it is necessary to carefully balance a student's individual rights with his or her responsibilities for good citizenship. It is in an effort to preserve this proper balance that the school board has adopted this code. The intended effect is to create an educational climate conducive to learning, to responsible and considerate behavior and one in which the safety of students and all persons is assured.

The school district takes very seriously any individual(s) making “terroristic threats.” The school district will take every means possible in conjunction with law enforcement toward the arrest and conviction of the individual(s) responsible for making a terroristic threat. The person(s) could face felony charges, which carry a maximum penalty of five years in jail and a \$10,000 fine. (Policy 121A.55 MN Statute-General Statement.

PART II: DISCIPLINARY POLICIES & PROCEDURES

Introduction:

The development of responsible behavior and self-discipline among students occurs at two levels within a school. First, since the student spends the greatest amount of time during the school day in the classroom, the classroom teacher must assume the primary responsibility for gaining the respect and cooperation of the students so that an effective learning environment may be maintained. Each teacher must apply a carefully thought out approach to classroom discipline and administer it with a sense of fairness and consistency.

At other times, disciplinary problems, which are beyond the scope of the classroom teacher's area of responsibility (i.e. between classes, lunchtime, before and after school) or are of a serious enough nature to require referral to the administration. Through the school-wide discipline program, the principal/assistant principal sets the tone for acceptable behavior throughout the school and campus. Students may be disciplined for off campus conduct, which disrupts, interferes with, or otherwise affects the learning environment, activities, or operation of the school. The principal/assistant principal also must operate from a carefully developed set of rules and consequences that ensure fair treatment, consistency, and due process.

Part II of this code is designed to describe the approach to classroom and school-wide discipline adopted by the Board of Education.

Detention:

A period of time beyond the regular school day (before/after school) in a supervised area specified by the principal/behavior specialist. The administration assigns detention by use of Infinite Campus and the Detention assignment sheet. If possible, students/parents may be given a minimum of 24 hours advance notice of the serving of such detention. Work/practice is not an excuse for not making up detention. Detention is a time scheduled upon agreement by administration. Students will be responsible for their own transportation home after serving detention.

Administration reserves the right to withhold any student with outstanding detentions from any school activity until all detentions are served.

In-School Support Room:

This room may be used as a cooling down/support room for students after an event has taken place. Students utilizing the In School Support Room will be supported by Student Support staff and will return to class after they have cooled down and are ready to enter the academic environment.

In-School Suspension:

This is the act of prohibiting a student from attending classes while still attending school in person. The student serves the suspension time in the school building in the in-school suspension room.

Out-of-School Suspension:

This is the act of prohibiting a student from attending school for a period of no more than 10 (ten) school days.

Expulsion:

An action taken by the school board to prohibit an enrolled student from further attendance for a period that shall not extend beyond an amount of time equal to one school year from the date a student is expelled. Grounds for expulsion include MS. 121A.45, which states a student may be dismissed on any of the following grounds:

1. Willful violation of any reasonable school board regulation;
2. Willful conduct that significantly disrupts the rights of others to an education;
3. Willful conduct that endangers the student or other students, surrounding persons or the property of the school.

Principals, teachers, and staff may use reasonable force when it is necessary under the circumstances to restrain or correct a student to prevent bodily harm or death to another.

Student Discipline:

1. School Board Policy 506 will be used to address all issues of student discipline.
2. A good learning atmosphere in the classroom is the joint responsibility of the teacher and students. This atmosphere will be promoted through clearly established and understood expectations and regulations. Because of varying classroom environments, these expectations may differ somewhat from teacher to teacher.
3. Classroom expectations, once established, are to be posted in each classroom.
4. The teacher or designee has the responsibility to act on infractions of classroom expectations. In cases where corrective actions prove ineffective, the teacher may remove the student from the classroom and refer him/her to the office and fill out an office Disciplinary Referral form on Infinite Campus.

Progressive Discipline Guidelines:

The classroom is the building block of a disciplined school experience. When classroom attempts to support a learner fall short, it may be necessary to refer disciplinary situations to the principal. To establish continuity and provide for guidance for progressive discipline when behaviors fall short of expectations and violate school policy, the following guidance is provided;

PART III: STUDENT BEHAVIOR & PARTICIPATION IN SCHOOL ACTIVITIES

Participation in the co-curricular activities offered by Windom Area High School is a privilege earned through maintaining satisfactory progress toward the school's graduation requirements and demonstrating responsible behavior. The Board of Education believes that students involved in disciplinary infractions resulting in suspension should be denied the right to participate in co-curricular and extra-curricular activities during the period of suspension.

Local Policy:

Any student placed on suspension for a period of a day(s) or any part of a day(s) (in-school or out-of-school) will not be allowed to practice, participate in, attend, or in any other way take part in a school activity sponsored by Windom Area Middle/High School until the suspension is completed. This rule will apply to ALL activities (athletic, music, club, organizations, dances, etc.) sponsored by Windom Area Middle/High School.

Discipline of Special Education Students:

Generally speaking, this discipline code applies to all students of Windom Area Middle/High School. However, a suspension or expulsion of a special education student may be construed as a change of the student's Individualized Educational Plan (I.E.P.) and may not occur without a team meeting. A team meeting shall be held within 5 school days of a 5-day suspension.

The team shall:

(a) Consistent with federal law governing days of removal and section 121A.46 of the MN Pupil Fair Dismissal Act, school personnel may suspend a child with a disability. When a child with a disability has been suspended for more than five consecutive school days or ten cumulative school days in the same school year, and that suspension does not involve a recommendation for expulsion or exclusion or other change of placement under federal law, relevant members of the child's individualized education program team, including at least one of the child's teachers, shall meet and determine the extent to which the child needs services in order to continue to participate in the general education curriculum, although in another setting, and to progress toward meeting the goals in the child's individualized education program. That meeting must occur as soon as possible, but no more than ten days after the sixth consecutive day of suspension or the tenth cumulative day of suspension has elapsed.;

(b) A dismissal for one school day or less is a day or a partial day of suspension if the child with a disability does not receive regular or special education instruction during that dismissal period. The notice requirements under section 121A.46 of the MN Pupil Fair Dismissal Act do not apply to a dismissal of one day or less.

(c) A child with a disability shall be provided alternative educational services to the extent a suspension exceeds five consecutive school days.

(d) Before initiating an expulsion or exclusion under sections 121A.40 to 121A.56 of the MN Pupil Fair Dismissal Act, the district, relevant members of the child's individualized education program team, and the child's parent shall, consistent with federal law, determine whether the child's behavior was caused by or had a direct and substantial relationship to the child's disability and whether the child's conduct was a direct result of a failure to implement the child's individualized education program. When a child with a disability who has an individualized education program is excluded or expelled under sections 121A.40 to 121A.56 for misbehavior that is not a manifestation of the child's disability, the district shall continue to provide special education and related services during the exclusion or expulsion.

Drug and Alcohol Offenses

No student shall distribute, dispense, possess, use or be under the influence of any alcoholic beverage, malt beverage or fortified wine or other intoxicating liquor or unlawfully manufacture, distribute, dispense, possess, use or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, anabolic steroids, inhalants, or any other controlled substance, as defined in schedules I through V of section 202 of the Controlled Substances Act (21 U.S.C. §812) and as further defined by regulation at 21 C.F.R. 1300.11 through 1300.15, or tobacco or electronic cigarette (vaping) devices, before, during, or after school hours at school or in any other school district location as defined below.

"School district location" means in any school building or on any school premises; on any school-owned vehicle or in any other school-approved vehicles used to transport students to and from school or school activities; off school property at any school-sponsored or school-approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district.

A student who violates the terms of this policy will be subject to disciplinary action in accordance with the school district's discipline policy.

Grades/Honor Roll

Grading System

Windom Area Schools are focused on academic standards that will challenge students to excel beyond their own expectations. Grades communicate student achievement at a point in time. An academic grade based on course content aligned with local and Minnesota Academic State Standards will be communicated at the conclusion of each nine-week period for each subject taken. College courses will be graded as required by the college. The academic grade will be a measure of student growth toward the mastery of standards in that subject. Separate grades for each subject will also be reported that will encompass behaviors related to respect and responsibility such as effort, participation, attendance, and timeliness of homework. Additional comments may also be included on the report card. Although teachers have different styles of grading, grades for the student's report card may follow a scale similar to this:

Student academic grades will be calculated using the following scale:

- 93-100: A = 4.0
- 90-92: A- = 3.5 - 3.99
- 87-89: B+ = 3.25 - 3.49
- 83-86: B = 3.0 - 3.24
- 80-82: B- = 2.5 - 2.99
- 77-79: C+ = 2.25 - 2.49
- 73-76: C = 2.0 - 2.24
- 70-72: C- = 1.5 - 1.99
- 67-69: D+ = 1.25 - 1.49
- 63-66: D = 1.0 - 1.24
- 60-62: D- = .5 - .99
- 50-59: F (Fail)

Changes in Registration

Changes to schedules need to be completed within two weeks of the first day of classes for the semester. College course changes fall under the guidelines of each institution.

Student academic grades are calculated for each term using the following breakdown:

Semester 1

Quarter 1 (50% of Semester 1 Grade):

Academic Grade = 80%

Engagement Grade = 20%

Quarter 2 (50% of Semester 1 Grade):

Academic Grade = 80%

Engagement Grade = 20%

Semester 1 Total:

Academic Grade = 80%

Engagement Grade = 20%

Total _____=100%

Semester 2

Quarter 3 (50% of Semester 2 Grade):

Academic Grade = 80%

Engagement Grade = 20%

Quarter 4 (50% of Semester 2 Grade):

Academic Grade = 80%

Engagement Grade = 20%

Semester 2 Total:

Academic Grade = 80%

Engagement Grade = 20%

Total _____=100%

Employability skills such as attendance, collaboration, respect, responsibility, timeliness, completing work on time & engagement in class are skills that Windom Area Middle and High School students must practice in order to graduate with the skills needed to have success in the 21st century employment climate. To aid students in these areas, and to provide meaningful feedback, an engagement grade will make up 10% of each student's quarter (20% per semester.) This will help comprise the overall academic grade for a student. Teachers will utilize the following [rubric](#) to help provide feedback to students in this category.

College classes are always weighted $\frac{1}{3}$ higher - example: A student in College Biology who earned a 85% B - 3.0, this would be weighted as a 88% B+ - 3.33 in our grading system. The teacher puts the 85% B in the grading system, the system automatically bumps the grade $\frac{1}{3}$ higher for the HS transcript.

Honor Roll

To be eligible for the 'A' or 'B' semester honor roll, students must have the minimum G.P.A. (Grade Point Average) as listed below with at least five (5) subjects carrying letter grades (A-F). G.P.A. required for 'A' Honor Roll—

G.P.A. required for 'B' Honor Roll—

In order for that to occur, students must be in school on a very regular basis and participate in the activities of the individual classes on a satisfactory basis. However, in a few instances, Windom Middle High School may not be the most appropriate setting for a student’s education; therefore, the student or the guidance office may request for a transfer/withdrawal from our school.

Withdrawing from a College Course offered at Windom Area Schools

When students drop a college class they will receive a “W” (Withdrawal) on their high school and college transcript. The drop period is from day one of class until the official drop date given by the college.

Windom Middle/High School Academic Eligibility Policy

Our primary focus at Windom Middle/High School is the academic progress of each student. Because of this, an academic eligibility requirement has been established to promote student academic responsibility.

Academic Eligibility

The criteria for academic eligibility is to maintain a passing grade throughout each quarter of the school year. Students who do not sustain the criteria for academic eligibility will be placed on the Ineligibility List. The Ineligibility List will be generated on the following dates:

- September 23rd - Probationary - Must attend Eagle Elevation/seek help from teachers
- October 14th - Ineligible if grade remains at a Fail - must have an appeals form signed in order to participate
- November 11th (End Qtr 1) - Ineligible for any failing grade, must have an appeals form signed in order to participate
- December 2nd - Probationary - Must Attend Eagle Elevation/Seek Help from Teachers
- January 6th - Ineligible if grade remains at a Fail - must have an appeals form signed in order to participate

- Ineligibility runs from the dates listed above until the next list is run. Within each period an appeals form must be completed in order to maintain eligibility.

Should a student be placed on the Ineligibility List due to academic failure/insufficient progress, she/he will be ineligible based on the guidelines outlined above. Students placed on the Ineligibility List may be removed from ineligibility if a teacher determines the student is making satisfactory academic progress towards a passing grade and the teacher signs the appeals form. A form to verify a student has made satisfactory progress is available in the office. It is the responsibility of the student to have the form completed and present the form to their coach when completed and fully eligible. It is the responsibility of the teacher to communicate any failures to students in a proactive manner. Passing grades may not be overridden to failing grades. Should a student complete credit recovery summer school they will be removed from the ineligibility list and be fully eligible during the subsequent season. While the student is on the Ineligibility List, she/he is not allowed to compete in the activities listed below. The school's ineligibility policy applies to all school activities and events listed below. The ineligibility list shall be pulled from Infinite Campus and any student failing a class at the time of the list being populated will be determined to be ineligible.

Academic eligibility probation Students failing an entire semester or quarter for which they no longer have that course have the opportunity to meet with the high school counselor, activities director and high school principal to discuss the possibility of academic eligibility probation. The high school counselor,

activities director and high school principal may meet with a student and discuss terms and expectations for academic probation. Should the student fall short of the expectations laid out in the probationary agreement, they will serve their ineligibility period for one (1) week or one (1) contest whichever is greater.

514 BULLYING PROHIBITION POLICY

[Note: School districts are required by statute to have a policy addressing bullying.]

I. PURPOSE

A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with a student's ability to learn and/or a teacher's ability to educate students in a safe environment. The school district cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of the school district and the rights and welfare of its students and is within the control of the school district in its normal operations, the school district intends to prevent bullying and to take action to investigate, respond to, and to remediate and discipline for those acts of bullying which have not been successfully prevented. The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, reprisal, retaliation, and other similar disruptive and detrimental behavior.

II. GENERAL STATEMENT OF POLICY

- A. An act of bullying, by either an individual student or a group of students, is expressly prohibited:
1. on the school premises, at the school functions or activities, on the school transportation;
 2. by the use of electronic technology and communications on the school premises, during the school functions or activities, on the school transportation, or on the school computers, networks, forums, and mailing lists; or
 3. by use of electronic technology and communications off the school premises to the extent such use substantially and materially disrupts student learning or the school environment.

- B. A school-aged child who voluntarily participates in a public school activity, such as a cocurricular or extracurricular activity, is subject to the policy provisions applicable to the public school students participating in the activity.
- C. This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying or other prohibited conduct that interferes with or obstructs the mission or operations of the school district or the safety or welfare of the student or other students, or materially and substantially interferes with a student's educational opportunities or performance or ability to participate in school functions or activities or receive school benefits, services, or privileges. This policy also applies to an act of cyberbullying regardless of whether such act is committed on or off school district property and/or with or without the use of school district resources. This policy also applies to sexual exploitation.

514-1

-
- D. Malicious and sadistic conduct involving race, color, creed, national origin, sex, age, marital status, status with regard to public assistance, disability, religion, sexual harassment, and sexual orientation and gender identity as defined in Minnesota Statutes, chapter 363A is prohibited. This prohibition applies to students, independent contractors, teachers, administrators, and other school personnel.

Malicious and sadistic conduct and sexual exploitation by a school district or school staff member, independent contractor, or enrolled student against a staff member, independent contractor, or student that occurs as described in Article II.A above is prohibited.

- E. No teacher, administrator, volunteer, contractor, or other employee of the school district shall permit, condone, or tolerate bullying.
- F. Apparent permission or consent by a student being bullied does not lessen or negate the prohibitions contained in this policy.
- G. Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited.
- H. False accusations or reports of bullying against another student are prohibited.
- I. A person who engages in an act of bullying, reprisal, retaliation, or false reporting of bullying or permits, condones, or tolerates bullying shall be subject to discipline or other remedial responses for that act in accordance with the school district's policies and procedures, including the school district's discipline policy (See MSBA/MASA Model Policy 506). The school district may take into account the following factors:
 - 1. The developmental ages and maturity levels of the parties involved;
 - 2. The levels of harm, surrounding circumstances, and nature of the behavior;
 - 3. Past incidences or past or continuing patterns of behavior;
 - 4. The relationship between the parties involved; and
 - 5. The context in which the alleged incidents occurred.

Consequences for students who commit prohibited acts of bullying may range from remedial responses or positive behavioral interventions up to and including suspension and/or expulsion. The school district shall employ research-based developmentally appropriate best practices that include preventative and remedial measures and effective discipline for deterring violations of this policy, apply throughout the school district, and foster student, parent, and community participation.

Consequences for employees who permit, condone, or tolerate bullying or engage in an act of reprisal or intentional false reporting of bullying may result in disciplinary action up to and including termination or discharge.

Consequences for other individuals engaging in prohibited acts of bullying may include, but not be limited to, exclusion from school district property and events.

-
- J. The school district will act to investigate all complaints of bullying reported to the school district and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who is

514-2

found to have violated this policy.

- A. Any person who believes he or she has been the target or victim of bullying or any person with knowledge or belief of conduct that may constitute bullying or prohibited conduct under this policy shall report the alleged acts immediately to an appropriate school district official designated by this policy. A person may report bullying anonymously. However, the school district may not rely solely on an anonymous report to determine discipline or other remedial responses.
- B. The school district encourages the reporting party or complainant to use the report form available from the principal or building supervisor of each building or available in the school district office, but oral reports shall be considered complaints as well.

- C. The building principal, the principal's designee, or the building supervisor (hereinafter the "building report taker") is the person responsible for receiving reports of bullying or other prohibited conduct at the building level. Any person may report bullying or other prohibited conduct directly to a school district human rights officer or the superintendent. If the complaint involves the building report taker, the complaint shall be made or filed directly with the superintendent or the school district human rights officer by the reporting party or complainant.

The building report taker shall ensure that this policy and its procedures, practices, consequences, and sanctions are fairly and fully implemented and shall serve as the primary contact on policy and procedural matters. The building report taker shall provide information about available community resources to the target or victim of the bullying or other prohibited conduct, the perpetrator, and other affected individuals as appropriate.

Reports of bullying or other prohibited conduct are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law. The building report taker, in conjunction with the responsible authority, shall be responsible for keeping and regulating access to any report of bullying and the record of any resulting investigation.
- F. Submission of a good faith complaint or report of bullying or other prohibited conduct will not affect the complainant's or reporter's future employment, grades, work assignments, or educational or work environment.
- G. The school district will respect the privacy of the complainant(s), the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school district's obligation to investigate, take appropriate action, and comply with any legal disclosure obligations.

V. SCHOOL DISTRICT ACTION

- A. Within three days of the receipt of a complaint or report of bullying or other prohibited conduct, the school district shall undertake or authorize an investigation by the building report taker or a third party designated by the school district.
- B. The building report taker or other appropriate school district officials may take immediate steps, at their discretion, to protect the target or victim of the bullying or other prohibited conduct, the complainant, the reporter, and students or others, pending completion of an investigation of the bullying or other prohibited conduct, consistent with applicable law.
- C. The alleged perpetrator of the bullying or other prohibited conduct shall be allowed the opportunity to present a defense during the investigation or prior to the imposition of discipline or other remedial responses.

- D. Upon completion of an investigation that determines that bullying or other prohibited conduct has occurred, the school district will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge. Disciplinary consequences will be sufficiently severe to try to deter violations and to appropriately discipline prohibited conduct. Remedial responses to the bullying or other prohibited conduct shall be tailored to the particular incident and nature of the conduct and shall take into account the factors specified in Section II.F. of this policy. School district action taken for violation of this policy will be consistent with the requirements of applicable collective bargaining agreements; applicable statutory authority, including the Minnesota Pupil Fair Dismissal Act; the student discipline policy (See MSBA/MASA Model Policy 506) and other applicable school district policies; and applicable regulations.
- E. The school district is not authorized to disclose to a victim private educational or personnel data regarding an alleged perpetrator who is a student or employee of the school district. School officials will notify the parent(s) or guardian(s) of students who are targets of bullying or other prohibited conduct and the parent(s) or guardian(s) of alleged perpetrators of bullying or other prohibited conduct who have been involved in

514-5

a reported and confirmed bullying incident of the remedial or disciplinary action taken, to the extent permitted by law.

- F. In order to prevent or respond to bullying or other prohibited conduct committed by or directed against a child with a disability, the school district shall, when determined appropriate by the child's individualized education program (IEP) team or Section 504 team, allow the child's IEP or Section 504 plan to be drafted to address the skills and proficiencies the child needs as a result of the child's disability to allow the child to respond to or not to engage in bullying or other prohibited conduct.

VI. RETALIATION OR REPRISAL

The school district will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the school district who commits an act of reprisal or who retaliates against any person who asserts, alleges, or makes a good faith report of alleged bullying or prohibited conduct, who provides information about bullying or prohibited conduct, who testifies, assists, or participates in an investigation of alleged bullying or prohibited conduct, or who testifies, assists, or participates in a proceeding or hearing relating to such bullying or prohibited conduct. Retaliation includes, but is not limited to, any form of intimidation, reprisal, harassment, or intentional disparate treatment. Disciplinary consequences will be sufficiently severe to deter violations and to appropriately discipline the individual(s) who engaged in the prohibited conduct. Remedial responses to the prohibited conduct shall be tailored to the particular incident and nature of the conduct and shall take into account the factors specified in Section II.F. of this policy.

VII. TRAINING AND EDUCATION

- A. The school district shall discuss this policy with school personnel and volunteers and provide appropriate training to school district personnel regarding this policy. The school district shall establish a training cycle for school personnel to occur during a period not to exceed every three school years. Newly employed school personnel must receive the training within the first year of their employment with the school district. The school district or a school administrator may accelerate the training cycle or provide additional training based on a particular need or circumstance. This policy shall be included in employee handbooks, training materials, and publications on school rules, procedures, and standards of conduct, which materials shall also be used to publicize this policy.

Such professional development includes, but is not limited to, the following:
 - 1. Developmentally appropriate strategies both to prevent and to immediately and effectively intervene to stop prohibited conduct;
 - 2. The complex dynamics affecting a perpetrator, target, and witnesses to prohibited conduct;

3. Research on prohibited conduct, including specific categories of students at risk for perpetrating or being the target or victim of bullying or other prohibited conduct in school;
4. The incidence and nature of cyberbullying; and

 - C. The school district annually will provide education and information to students regarding bullying, including information regarding this school district policy prohibiting bullying, the harmful effects of bullying, and other applicable initiatives to prevent bullying and other prohibited conduct.
 - D. The administration of the school district is directed to implement programs and other initiatives to prevent bullying, to respond to bullying in a manner that does not stigmatize the target or victim, and to make resources or referrals to resources available to targets or victims of bullying.
 - E. The administration is encouraged to provide developmentally appropriate instruction and is directed to review programmatic instruction to determine if adjustments are necessary to help students identify and prevent or reduce bullying and other prohibited conduct, to value diversity in school and society, to develop and improve students' knowledge and skills for solving problems, managing conflict, engaging in civil discourse, and recognizing, responding to, and reporting bullying or other prohibited conduct, and to make effective prevention and intervention programs available to students.

The administration must establish strategies for creating a positive school climate and use evidence-based social-emotional learning to prevent and reduce discrimination and other improper conduct.

The administration is encouraged, to the extent practicable, to take such actions as it may deem appropriate to accomplish the following:

1. Engage all students in creating a safe and supportive school environment;
 2. Partner with parents and other community members to develop and implement prevention and intervention programs;

 6. Prevent inappropriate referrals to special education of students who may engage in bullying or other prohibited conduct; and
 7. Foster student collaborations that, in turn, foster a safe and supportive school climate.

Such programs may offer instruction on character education including, but not limited to, character qualities such as attentiveness, truthfulness, respect for authority, diligence, gratefulness, self-discipline, patience, forgiveness, respect for others, peacemaking, and resourcefulness.
- G. The school district shall inform affected students and their parents of rights they may have under state and federal data practices laws to obtain access to data related to an incident and their right to contest the accuracy or completeness of the data. The school

district may accomplish this requirement by inclusion of all or applicable parts of its protection and privacy of pupil records policy (See MSBA/MASA Model Policy 515) in the student handbook.

533 WELLNESS

I. PURPOSE

The purpose of this policy is to set forth methods that promote and protect students' health, well-being, and ability to learn by supporting healthy eating and physical activity. Our goal is to promote the development of student skills in making lifelong healthy choices.

II. GENERAL STATEMENT OF POLICY

- A. The school board recognizes that nutrition education and physical education are essential components of the educational process and that good health fosters student attendance and education.
- B. The school environment should consistently promote and protect students' health, well-being, and ability to learn by encouraging healthy eating and physical activity on a regular basis.
- C. The school district encourages the involvement of students, parents, teachers, food service staff, and other interested persons in implementing, monitoring, and reviewing school district nutrition and physical activity policies.
- D. Children need access to healthy foods and opportunities to be physically active in order to grow, learn, and thrive. The Center for Disease Control (CDC) recommends all children and adolescents do 60 minutes or more of physical activity each day. The district will strive to offer a Comprehensive School Physical Activity Program by encouraging student participation in, before, and after school activities, physical education, recess and classroom physical activity to promote learning readiness.
- E. Qualified food service personnel will provide students with access to a variety of affordable, nutritious, and appealing foods that meet the health and nutrition needs of students; try to accommodate the religious, ethnic, and cultural diversity of the student body in meal planning; and will provide clean, safe, and pleasant settings and adequate time for students to eat.

III. GUIDELINES

A. Foods Available at School

1. Foods and beverages available during the school day should include a variety of healthy choices that are of excellent quality, appealing to students, and served at the proper temperature.
2. Foods and beverages available during the school day should promote and encourage student consumption of a diet rich in fruits, vegetables, fiber and low fat dairy and protein foods, 0 trans fat, and low in total and saturated fat, sodium and refined sugar. In addition, highly processed foods should be kept to a minimum.
3. Food and beverage providers should offer age-appropriate portion sizes for elementary, middle, and high school students being consistent with all federal, state, and local laws, rules, and regulations.
4. The school district will ensure students have the opportunity to eat during club, organizational meetings and activities that are held during mealtimes.
5. The school district will work toward providing nutrition information for products offered in a la carte and school stores and should be available when possible. Healthy food and beverage choices should be available at these locations.
6. Drinking water should be conveniently available for students at all times.
7. Sugar-sweetened and soda pop beverages should not be available to students during the school day.
8. Beverage and other vending machines will be available to students as permitted by applicable state and federal laws regarding hours of operation. However, soda pop will not be sold until the conclusion of the school day. **There are no vending machines with pop in for student access.** Staff lounges may be exempt from this requirement.
9. **The Meal Charge Policy #714 will be used to establish consistent meal account procedures for Windom Area Schools, ISD 177. Procedures for unpaid balances of family meal accounts are addressed in this policy.**

B. Foods Available from Food Services/Personnel

1. The school district will provide healthy and safe school meal programs that strictly comply with all federal, state, and local statutes and regulations.

2. The school food service program will promote healthy food choices through menu preparation, food choices and information to students.
3. The school district food service director is responsible for the school district's food service program. Duties shall include helping all school stakeholders meet the nutrient guidelines for foods and beverages available to students during the school day and at school-sponsored events.
4. As part of the school district's responsibility to operate a food service program, the school district will provide continuing professional development for all food service personnel in schools.
5. The school district will make every effort to prevent the overt identification of students who are eligible for free and reduced-price school meals. **The Application for Educational Benefits are made available to all households at the beginning of the school year on the Windom ISD #177 school website home page under the Food Service tab, in the fall Windom ISD #177 school newsletter, online in the Student record system, and at class orientations prior to the school year beginning.**
6. The school district will provide students access to hand washing or sanitizing before meals and snacks.
7. Schools will provide students with at least 20 minutes to eat after sitting down for breakfast and 20 minutes after sitting down for lunch; schools will schedule meal periods at appropriate times.
8. Students will be encouraged to participate in the schools' School Breakfast Program (SBP) and the National School Lunch Program (NSLP) through the Healthy Hunger-Free Kids Act **following the USDA School Nutrition guidelines.**
9. Breakfast is seen as an important meal for student's readiness to learn. Therefore, school food service will offer breakfast:
 - a. Beverages available: 1% or skim milk, 100% fruit juice or water
 - b. Foods: Foods offered as breakfast options should meet the nutrient criteria as established by breakfast meal patterns from Healthy Hunger-Free Kids Act.
10. Food and beverages served **and sold during the school day on campus or through a la carte during lunch time** will meet the USDA's smart snacks in School Nutrition Standards. See Appendix A.

11. School-based marketing will be consistent with nutrition education and health promotion. The following guidelines apply:
 - a. Schools may consider restricting food and beverage marketing to the promotion of only those foods and beverages that meet the Smart Snacks nutrition standards. **Marketing of unhealthy brands may be limited. This could be in educational materials, school publications and fundraising. (2024)**
12. The school district will support the development of farm to school programs, a school garden, foods grown in the Ag Department, or foods prepared with the FACS Department. These programs can promote healthier lifelong eating patterns to encourage students to eat more nutritious foods, and support the local economy and the local farmers, as well as teach students about the origins of their foods and how their food is grown.

C. Foods provided from the school, outside of School Food Service

1. Vending foods that are available should include a variety of choices of nutritious foods, such as fruits, vegetables, whole grains, and low-fat or **nonfat dairy foods and Smart Snacks approved. This would include all school stores selling foods.** ~~At least 50% of the foods offered in vending and concessions will meet the nutrition standards for healthy foods and beverages as identified by Appendix A.~~
2. Classroom birthday celebrations will be encouraged to use healthy choices, **including healthy snack options and/or physical activity opportunities.** Other ways to recognize are offered in Appendix B.
3. Classroom parties or celebrations (that are not part of birthday celebrations) such as holiday parties or recognition parties should be limited to once a month and may include food brought in from parents. Parents will be encouraged to bring in foods listed from the “Windom Schools Suggested healthy snacks for classroom parties List” (see appendix B). Water is encouraged as the beverage of choice for classroom celebrations. Foods must be purchased from an approved source, no homemade items are allowed.
4. **No competitive foods or beverages may be sold during the school day.**
5. **Encourage healthy food and drink options served to students at functions such as sports, plays, music celebrations, and other celebrations to encourage healthy choices when on campus. (2024)**

D. Nutrition Education and Promotion

1. The school district will encourage and support healthy eating by students and engage in nutrition promotion that is:
 - a. offered as part of a comprehensive program designed to provide students with the knowledge and skills necessary to promote and protect their health;
 - b. part of health education classes as well as classroom instruction in subjects such as math, science, language arts, family consumer science, social sciences, and elective subjects **such as school garden teaching tools and growing hydroponic labs**, where appropriate; and
 - c. enjoyable, developmentally appropriate, culturally relevant, and includes participatory activities, such as contests, promotions, taste testing, and field trips.
2. Classroom education will complement physical education by reinforcing the knowledge and self-management skills needed to maintain a physically active lifestyle and to reduce time spent on sedentary activities and screen time.
3. Classroom education promotes fruits, vegetables, whole grain products, low-fat and fat-free dairy products, healthy food preparation methods, and health-enhancing nutrition policies.
4. The school district will encourage all students to make age-appropriate, healthy selections of foods and beverages, including those sold individually outside the reimbursable school meal programs, such as through a la carte lines, vending machines, fundraising events, concessions stands and student stores **using the Smart Snack Guidelines. Water and non caffeinated beverages will be offered for fundraising events. (2024)**
5. Schools will encourage non-foods as rewards for academic performance or good behavior, and will not withhold food or beverages (including food served through school meals) as punishment. Schools will encourage school staff to use physical activity as a reward for academic performance or good behavior, as appropriate.

E. Physical Activity

1. Students need opportunities for physical activity and to fully embrace regular physical activity as a personal behavior. Toward that end, health education will reinforce the knowledge and self-management skills needed to maintain a healthy lifestyle and reduce sedentary activities such as watching television and using electronic device such as computers, iPods, iPads and smartphones;

2. District will evaluate ways to meet physical education recommendations suggested by the ~~Minnesota Academic Standards in Physical Education. Society Health and Physical Education (SHAPE) including adopting and implementing curriculum that connects and demonstrates the interrelationship between physical activity, good nutrition and health according to SHAPE standards.~~
3. Students will spend at least 50 percent of physical education class time participating in moderate to vigorous physical activity.
4. All physical education classes will be taught by licensed physical education teachers.
5. Classroom teachers are encouraged to provide short physical activity breaks in the classroom every day. This could include utilizing classroom energizers for break times or incorporating movement in academic subjects. Classroom teachers are encouraged to offer physical activity breaks prior to testing or any extended periods of sitting.
6. All elementary school students will have at least 20 minutes of supervised recess, preferably outdoors, during which schools should encourage moderate to vigorous physical activity verbally and through the provision of space and equipment. Administration will consider scheduling recess prior to lunch in grades K-3, when space and schedules are available.
7. The school district will encourage walking and bicycling to school as the preferred transportation modes for students who resided within close proximity to school.

F. Communications with Parents

1. The school district recognizes that parents and guardians have a primary role in promoting their children's health and well-being.
2. The school district will support parents' efforts to provide a healthy diet and daily physical activity for their children.
3. The school district encourages parents to pack healthy lunches and snacks that meet nutritional guidelines (see Appendix A and B) and refrain from beverages and foods without nutritional value. **A Healthy Snack Plan letter will be provided to parents at the beginning of the school year.**
4. The school district will provide information about physical education and other school-based physical activity opportunities and will support parents' efforts to provide their children with opportunities to be physically active outside of school.

IV. IMPLEMENTATION AND MONITORING

- A. After approval by the school board, the wellness policy will be implemented throughout the school district.
- B. School food service staff, at the school or district level, will ensure compliance within the school's food service areas and will report to the food service director, the building principal, or the superintendent's designee, as appropriate.
- C. The school district's food service director will provide nutrition updates to the superintendent setting forth the nutrition guidelines and procedures for selection of all foods made available on campus.
- D. The superintendent or designee will ensure compliance with the wellness policy and will provide an annual report of the school district's compliance with the policy to the school board.
- E. Building principals, teachers, and staff will implement and monitor those sections of the Wellness Policy related to classroom instruction and activities, physical activity, and nutrition education. They will ensure the policy for food and beverage consumption is followed throughout the school day.
- F. The Wellness Committee will review implementation and suggested changes to this policy every 3 years or as recommended by the USDA. The school community including parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, and school administrators are welcome to participate in Wellness Committee meetings.
- G. The rule requires that Local Education Agency (LEA) must make available to the public:
 - a. The wellness policy, including any updates to and about the wellness policy on an annual basis at a minimum and
 - b. The Triennial Assessment, including progress toward meeting the goals of the policy. This will be completed by the Wellness Committee.
