13. Approve the 2026-2028 MSEA Contract for Paraprofessionals - Action
Jamie Frank

On July 14, in a single meeting, the district and the MSEA Para Union reached a tentative agreement for 7.1%, or \$138,673, over two years.

On August 5, the union ratified the contract.

This settlement included a 5% increase in health insurance, a \$100 increase in 403(b) contributions, a \$1-per-hour increase for Setting III room paras, and the rest in salary.

Thank you to Board Members Jones and Steffens as well as the MSEA Negotiations team for a collaborative, and enjoyable negotiation session.

14. Approve Policies 203.5, 404, 405, 406, 422, 427, 505, 516, 530, and 807.
Bri Miller

15. Approve Adult Meal Prices for the 2026-2027 Regular School Year - Action
Holly Anderson

Each year, the School Board is required to review and approve adult meal prices for the upcoming school year. For the 2026-2027 school year, we are recommending that the adult meal prices remain unchanged from the 2025-2026 school year at \$3.00 for breakfast and \$6.00 for lunch. These rates continue to exceed the minimum adult meal prices established by MDE.

16. Review Estimated Cash Flow report for FY2027 (2026-2027) - Informational

Holly Anderson

This is the preliminary cash flow report for FY2027 - this is brought to the board for review approximately 3 times per year - but is monitored monthly by the Business Manager. At this time, unless something major happens, our cash flow is adequate to meet all of our obligations and there is no need to have any Aid of Anticipation Certificates (AAC). Last time an AAC was done was back in 2011. This shows good financial strength for our district.

Good morning -
Unfortunate news to share. Hopefully we can re-post the business position that we had posted this spring. Heather - I believe it was posted 60 days so I'm hoping we can hire as soon as we have a strong candidate?
Thanks everyone.

Easter Monday	Thanksgiving Day	Christmas Eve Day

Note: Memorial Day will continue to be paid during the Flexible Learning Year application.

The District agrees to pay paraprofessionals for Memorial Day and Labor Day if they work their scheduled day before Memorial Day and/or after Labor Day (unless on excused illness, leave or vacation).

Section 2. Weekends: Holidays that fall on weekends will be observed on a day established by the School District.

Section 3. School in Session: The School District reserves the right, if school is in session, to cancel any of the above holidays and establish another holiday in lieu thereof. Upon mutual agreement between the District and the Exclusive Representative, the District shall pay each employee their holiday pay equivalent in the event another holiday day off cannot be established. The establishment of the new holiday and employee notification of such, or the determination of pay for the holiday will be completed within one (1) week of the original cancellation of holiday. Any legal holiday or holiday, which falls within an employee's vacation period, shall not be counted as a vacation day.

Section 4. Eligibility: In order to be eligible for holiday pay, an employee must have worked his/her scheduled work day before and after the holiday unless he or she is on excused illness, leave, or on personal leave under these provisions.

ARTICLE XI DISCIPLINE, DISCHARGE AND PROBATIONARY PERIOD

Section 1. Probationary Period: An employee under the provisions of this Agreement shall serve a probationary period of six months of actual time worked in the School District during which time the School District shall have the unqualified right to suspend without pay, discharge or otherwise discipline such employee; and during this probationary period, the employee shall have no recourse to the grievance procedure, insofar as suspension, discharge or other discipline is concerned. However, a probationary employee shall have the right to bring a grievance on any other provisions of the contract alleged to have been violated. The parties agree any time period an employee is on unpaid leave shall not be counted in determining the completion of the probationary period.

Section 2. Just Cause: Disciplinary action may be imposed upon an employee who has satisfactorily completed the initial probationary period only for just cause. Discipline shall be imposed in a timely manner.

Section 3. Progressive Discipline: Disciplinary action shall normally include only the following measures and shall normally be administered progressively in the following order:

Subd. 1. Reprimands, either oral or written;

Subd. 2. Suspension from duty without pay;

Subd. 3. Demotion in position and pay;

Subd. 4. Discharge from employment.

The District reserves the right to move directly to a higher level of discipline based on the seriousness of the offense and other relevant factors.

Section 4. Meetings to Discuss Discipline Measures: If a supervisor meets with an employee to discuss written reprimand, suspension, or discharge, the employee has the right to have a union representative present.

Section 5. Discharge Due Process: No employee who has completed the probationary period, shall be discharged without having been afforded an opportunity to hear the reason(s) for the discharge and without an opportunity to offer an explanation of the relevant facts and circumstances surrounding the events which preceded the discharge and/or any extenuating or mitigating circumstances which the employee believes is relevant to the discharge decision. Whenever possible and practical, such opportunities shall be provided in a conference with the District which shall be conducted after advance notice to the employee and his/her Union representative who shall be permitted to attend the conference.

Section 6. Disciplinary Action Records: A written record of all disciplinary actions within the meaning of this article, shall be provided to the involved employee(s) and may be entered into the employee's personnel record. Investigations into conduct, which do not result in disciplinary action, however, shall not be entered into the employee's personnel record. The disciplined employee or Union representative shall be entitled to submit a written response to be included in the employee's personnel record.

Section 7. Probationary Period: Change of Classification: In addition to the initial probationary period an employee transferred, promoted, or otherwise occupying a different classification shall serve a new probationary period of three (3) calendar months in any such new

classification. During this three (3) month probationary period if it is determined by the School District that the employee's performance in the new classification is unsatisfactory, the School District shall have the right to reassign the employee to his/her former classification. Provided however, if an employee is placed in a new position as a result of the exercise of seniority rights in respect to layoff or recall the School District may place such employee on layoff if her/his performance is unsatisfactory. The Superintendent or such person(s) as designated by the Superintendent shall determine whether an employee's performance is unsatisfactory. The decision of the School Board shall be final and binding and shall not be subject to arbitration.

Section 8. Supervision and Evaluation: The District reserves the right to evaluate an employee. A meeting will be held with the employee to discuss the evaluation, and then a written report of the evaluation will be placed in the employee's personnel file with a copy provided to the employee.

Section 9. Conditions Of Employment. All paraprofessional staff must maintain training and have the ability to pass all safety and health trainings required by state statute or district policy. (ie Blood Borne Pathogen, chemical, etc.).

Paraprofessionals must meet qualifications to be eligible for special education funding as well as other state and federal funded programs that have special requirements (ie Title). Within 30 days of hire date paraprofessionals will provide documentation of college credits or associate's or higher degree or take a state-approved assessment. Testing dates will be set by the school district and the paraprofessionals will be required to attend these testing dates until qualifications are met. The school district will pay for the state-approved assessment test. If a paraprofessional does not attend the required testing sessions and/or does not make adequate progress towards the passing of the assessment test, the district has the right to take disciplinary action.

ARTICLE XII

SENIORITY, REDUCTION, LAYOFF AND REEMPLOYMENT

Section 1. Recognition: The parties recognize the principle of seniority in the application of this Agreement within classification concerning reduction or increase in force and assignment of vacation period. For application there is one classification: Paraprofessionals.

Section 2. Seniority Date:

An employee's seniority commences on the first day of service with the District for the determination of benefits within the District. If more than one (1) employee begins work on the same day, seniority ranking for such employee shall be determined by lot.

Section 3. Layoff and Reduction of Hours:

Subd. 1. In the event the School District reduces the work force covered by the agreement within the School District, such layoff shall occur as follows:

For paraprofessionals, layoff shall occur in reverse seniority order of District Seniority with the most recent hired employee the first to be put on layoff status.

Subd. 2. Notice of such layoffs or reduction in hours shall be given two (2) weeks before the scheduled layoff or reduction in hours except in the case of work stoppages or other unforeseen circumstances.

Subd. 3. Procedure:

A senior paraprofessional will have seniority rights in regard to layoff or reduction of hours over the most junior paraprofessionals with equal or closest to equal number of hours. A paraprofessional who is displaced by the exercise of seniority by a more senior paraprofessional pursuant to this section may in turn exercise seniority in the same fashion if qualified.

Subd. 4. Reduction:

If the number of hours an employee is assigned to work is reduced, he or she shall be assigned to that position that is held by the least senior employee whose assignment is closest to, but not greater than, the assignment originally held by the employee whose hours are being reduced. The employee displaced by this reassignment may accept the assignment of the person whose hours are being reduced, or may request reassignment based on a reduction in hours. Any employee so affected may, at his or her discretion, be placed on layoff in lieu of accepting an assignment to a position with fewer hours. If a reduction of hours results in an employee not working enough hours for unit inclusion, such employee shall be considered on layoff status. Any employee with reduced hours shall retain his/her seniority and right to an equivalent increase of hours as the reduction in seniority order for a period of one (1) year after the date of the reduction.

Subd. 5. An employee shall notify the School District of his or her intent to exercise seniority rights to a position in writing during the regular school year within 5 calendar days excluding Saturday, Sunday and holidays. If said notice is not given within the applicable time period, the right to exercise seniority is waived.

Subd. 6. An employee shall notify the School District of his or her intent to exercise seniority rights to a position in writing during the summer break within ten (10) calendar days excluding Saturday, Sunday, and holidays. If said notice is not given within the applicable time period, the right to exercise seniority is waived.

Section 4. Recall:

Subd. 1. Employees will be recalled in seniority order. An employee recalled to his/her former position shall receive the current rate of pay for such position.

Subd. 2. Employees may be recalled to positions within classification provided the employee is qualified for the position.

Subd. 3. Notice of recall shall be made by certified mail to the last known address of the employee being recalled. The employee shall forfeit rights to recall if the employee fails to return to an offered position within seven (7) calendar days after notice of recall, and in such event the employee's name shall be removed from the seniority and recall list. It is the responsibility of the employee on layoff to keep the School District advised of his/her current mailing address.

Subd. 4. An employee on layoff or reduction shall retain his/her seniority and right to recall for a period of one year after the date of layoff or reduction.

Subd. 5. No new employee will be hired in any position covered by this agreement while qualified employees are on layoff or reduction subject to the limitations set forth in subdivisions 3 and 4 of this section.

Section 5. Qualified: The Superintendent or such person(s) as designated by the Superintendent shall determine whether an employee is qualified to exercise seniority for layoff or recall. An employee may grieve, to the School Board level only the determination by the Superintendent or designee that an employee is not qualified. The decision of the School Board shall be final and binding and shall not be subject to arbitration.

Section 6. Seniority List: A current seniority list shall be emailed out to all employees, with one paper copy to each Chief Steward. Date to contest the seniority list will be included in email and given to each Chief Steward. Said listing shall be updated as of January 1 of each year.

Section 7. Voluntary Termination and Re-employment: In the event that an employee voluntarily terminates his/her employment from a bargaining unit position and is subsequently re-employed by the District under this bargaining unit within a time period of no greater than twelve (12) months after the date of termination, the employee shall:

Subd. 1. Be reinstated without loss of seniority or benefits and the years of service credit earned and accumulated as of the date of termination.

Subd. 2. Be reinstated without having to serve a new probationary period notwithstanding any other provision to the contrary.

Subd. 3. Be reinstated to a similar vacant position at the same rate of pay the employee last earned as of the date of termination.

The above subdivision does not apply if the employee retires from the school district and is receiving retirement benefits from PERA or is doing a Phased Retirement Option Agreement with PERA. These individuals will directly negotiate their re-employment terms with the district.

ARTICLE XIII VACANCIES, JOB POSTING AND ASSIGNMENTS

Section 1. Posting and Filling Vacancies:

Subd. 1. All permanent vacancies in regular positions or newly created positions will be posted for a period of five (5) working days prior to filling the vacancy. A permanent vacancy is defined as one anticipated to last more than six months. A temporary vacancy is defined as one anticipated to last six months or less. Vacancy positions shall contain, at a minimum, the anticipated duration of the job, hours, classification, and job duties.

Subd. 2. Application of Vacancies. All employees under this Agreement may submit a written application to the Office of the Superintendent for any vacancy or for any new regular position, which is posted pursuant to this article.

Subd. 3. Filling Vacancies: Notice of the candidate selected to fill the vacancy or the new regular position shall be given within five (5) working days after the filling of the position.

Subd. 4. The final decision as to the successful application shall be in the discretion of the Superintendent or such person(s) designated by the Superintendent. A vacancy or new position may be filled by either a current employee or by hiring a new employee except as otherwise specified in Subd. 5.

Subd. 5. A permanent vacancy or new position shall be filled from existing staff if all the following conditions are met as follows:

- i. At least one member of the existing staff must apply in a timely manner as specified in this Article.
- ii. At least one applicant seeking promotion must be qualified to satisfactorily perform the duties and responsibilities of the position.
- iii. If the conditions set forth above are met then the position shall be filled as follows:

Subd. 6. If more than one applicant is equally qualified, seniority rights shall be exercised.

Subd. 7. The filling of vacancies shall not be subject to the grievance procedure except as follows:

- i. An employee may grieve a failure of the School District to follow the posting procedure.
- ii. An employee may grieve to the School Board level only the failure of the School District to award a position to said employee pursuant to Subd. 5. The decision of the School Board shall be final and binding and shall not be subject to arbitration.

Subd. 8. The requirement of posting shall apply only to permanent vacancies and newly created positions. Posting is not required for transfers under Section 2 of this Article.

Subd. 9. The public employer shall provide a copy of each posting of vacancies to the Chief Stewards of the Local Association and the MSEA office.

Subd. 10. Notification of the filling of vacancies, containing the employee's name and date of employment, shall be provided to the Local Association Unit Leadership and the MSEA office. The District shall provide all new employees with a copy of the current negotiated Agreement at the time of hiring.

Subd. 11. Multiple Staff Assignment Changes: When vacancies and unit employees' applications occur resulting in multiple staff assignment changes, the District may utilize the following procedure:

- A. Vacancies will be posted pursuant to Section 1 above.
- B. Normally, any assignments resulting from the original vacancy will not be officially filled until the entire vacancy process resulting from the original vacancy has been completed.

Section 2. Transfers:

Subd. 1. A transfer shall mean assignment of employees between occupied positions.

Subd. 2. The Superintendent or such person(s) as designated by the Superintendent shall have the discretion to transfer employees to different positions including transfers between classifications.

Subd. 3. The School District may not transfer an employee to a position with a lower hourly rate of pay or fewer hours without the consent of the employee except for just cause.

Subd. 4. The transfer of an employee shall not be subject to the grievance procedure except that an employee may grieve an involuntary transfer to a position with a lower hourly rate of pay.

Subd. 5. Loss of supervisory stipend shall not be subject to grievance procedure.

Section 3. Summer Employment

Subd. 1. Employees shall have seniority rights in regard to summer employment as specified in this section.

Subd. 2. Each year prior to the commencement of summer school the employer shall provide written notice to each employee that summer jobs may be available and that employees in order to retain their seniority rights must notify the School District in writing that they are available for summer employment. The School District must receive the written notice from the employees on or before April 1st of each year provided, however, the return date shall allow employees a minimum of fourteen days time to respond.

Subd. 3. Received by the School District shall mean personally delivered to the School District offices. If return is by U.S. Mail received shall mean the date the notice is delivered to the designated School District office.

Subd. 4. The notice to the School District shall be in the form designated by the School District and shall include a statement signed by the employee agreeing to accept a summer school position if offered.

Subd. 5. If an employee fails to comply with the requirements as set forth herein the employee waives any seniority rights in respect to summer employment.

Subd. 6. Employees shall be notified of the availability of employment by the School District at the earliest practicable date.

Subd. 7. Regular, school year, employees who work during summer school will receive the school year rate of pay for the classification of the summer position. Substitute pay may be paid to summer school employees who are not employed during the normal school year. Summer school paraprofessionals will be paid the wage received at the time (fiscal year) summer school begins.

Subd. 8. If the District, due to a student's needs and IEP or medical recommendation request the same paraprofessional for the summer school session as the student had for the regular school year, the District shall meet and confer with the unit leadership. The paraprofessional must be willing to work the summer assignment. The unit leadership

will have the authority to grant a waiver of the normal summer employment procedure to the District for specific incidents that meet these criteria.

Subd. 9. Regular, school year, employees who work during summer school will receive the 4th of July as a paid holiday.

Section 4. Increases in Hours: If the District determines it's necessary to increase the number of hours of service to a position covered by the Agreement, it may do so, at its discretion, by offering the assignment to the most senior employee holding such a position, who is available for that particular time frame.

Subd. 1. Permanent Increases: When an increase in hours of an employee lasts for more than sixty-seven (67) calendar days in any school year, that increase shall be considered permanent and the increased assignment shall be subject to the terms and conditions of this Agreement.

Subd. 2. Effects on Benefits: Once an increase in hours has become permanent, all benefits shall be recalculated based on the new hours. Changes to benefits shall become effective on the first scheduled workday following the 67th calendar day and shall be prorated when appropriate.

ARTICLE XIV GRIEVANCE PROCEDURE

Section 1. A claim by an employee or the Association that there has been an alleged violation, misinterpretation or misapplication of any provisions of this Contract may be processed as a grievance as hereinafter provided.

Section 2. The time limits provided in this Article shall be strictly observed but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any school year and strict adherence to the time limits may result in hardships to any party, the Board and Association shall use their best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. The employee, administrator, or School Board may be represented during any step of the procedure by any person or agent designated by such party, to act in his or her behalf.

Section 3. Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays not designated as holidays by state law.

Section 4. In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default of which the designated period of time begins to run shall not be included. The last day of the period so computed shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Section 5. In the event that an employee believes there is a basis for a grievance, they shall first discuss the grievance with their Building Principal either personally or accompanied by this Association representatives.

Section 6. Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School District's designee, setting forth the facts and the specific provisions of the

Agreement allegedly violated and the particular relief sought within thirty calendar days after the date of the first event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereinafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School District's designee.

Section 7. Within five (5) working days of receipt of the grievance, the Principal shall meet with the grievant in an effort to resolve the grievance. The Principal shall indicate his disposition of all grievance, in writing within five (5) days of such meeting, and shall furnish a copy thereof to the grievant and the Exclusive Representative.

Section 8. If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) working days or such meeting (or ten (10) working days from the date of filing, whichever shall be later) the grievance may be appealed to the Superintendent, provided such appeal is made in writing within ten (10) calendar days of receipt of the decision. A request to submit a grievance to arbitration must be in writing signed by the aggrieved party or the Exclusive Representative, and such request must be filed with the Superintendent within ten (10) working days following the decision of the Board.

Section 11. Upon the proper submission of the grievance under the terms of this procedure, the parties shall, within ten days after the request to arbitrate, attempt to agree upon the selection of any arbitrator. If no agreement on an arbitrator is reached, either party may request the Bureau of Mediation Services ("BMS") to appoint an arbitrator, pursuant to current MINN. STAT., providing such request is made within thirty days after request for arbitration. The request shall ask that the appointment be made within thirty days after the receipt of said request. Section 12. The arbitrator shall have no power to alter, add to or subtract from the terms of this Contract.

Section 13. The fees and expenses of the arbitrator shall be shared equally by the parties. Any transcription costs at any step in the procedure shall be paid for by the party making that request.

The employee displaced by this reassignment may accept the assignment of the person whose hours are being reduced, or may request reassignment based on a reduction in hours. Any employee so affected may, at his or her discretion, be placed on layoff in lieu of accepting an assignment to a position with fewer hours. If a reduction of hours results in an employee not working enough hours for unit inclusion, such employee shall be considered on layoff status. Any employee with reduced hours shall retain his/her seniority and right to an equivalent increase of hours as the reduction in seniority order for a period of one (1) year after the date of the reduction.

It is the responsibility of the employee on layoff to keep the School District advised of his/her current mailing address.

404 EMPLOYMENT BACKGROUND CHECKS

[NOTE: The provisions of this policy substantially reflect statutory requirements.]

I. PURPOSE

The purpose of this policy is to maintain a safe and healthful environment in the school district in order to promote the physical, social, and psychological well-being of its students. To that end, the school district will seek a criminal history background check for applicants who receive an offer of employment with the school district and on all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether any compensation is paid, or such other background checks as provided by this policy. The school district may also elect to do background checks of other volunteers, independent contractors, and student employees in the school district.

II. GENERAL STATEMENT OF POLICY

- A. The school district shall require that applicants for school district positions who ~~are receive an~~ offered ~~of~~ employment in the school and all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether any compensation is paid, submit to a criminal history background check. The offer of employment or the opportunity to provide services shall be conditioned upon a determination by the school district that an individual's criminal history does not preclude the individual from employment with, or provision of services to, the school district.
- B. The school district specifically reserves any and all rights it may have to conduct background checks regarding current employees, applicants, or service providers without the consent of such individuals.
- C. Adherence to this policy by the school district shall in no way limit the school district's right to require additional information, or to use procedures currently in place or other procedures to gain additional background information concerning employees, applicants, volunteers, service providers, independent contractors, and student employees.

III. PROCEDURES

- A. Normally an individual will not commence employment or provide services until the school district receives the results of the criminal history background check. The school district may hire or otherwise allow an individual to provide a service to a school pending completion of a background check under Minnesota Statutes, section 123B.03, subdivision 1 or obtaining notice of a Professional Educator Licensing and Standards Board action under subdivision 1a but shall notify the individual that the individual's employment or other service may be terminated based on the result of the background check or Professional Educator Licensing and Standards Board action. The school district is not liable for failing to hire or for terminating an individual's employment or other service based on the result of a background check or Professional Educator Licensing

~~and Standards Board action. The school district may conditionally hire an applicant or allow an individual to provide services pending completion of the background check but shall notify the individual that the individual's employment or opportunity to provide services may be terminated based on the result of the background check.~~

Background checks will be performed by the Minnesota Bureau of Criminal Apprehension (BCA). The BCA shall conduct the background check by retrieving criminal history data as defined in Minnesota Statutes, section 13.87. The school district reserves the right to also have criminal history background checks conducted by other organizations or agencies.

- B. In order for an individual to be eligible for employment or to provide athletic coaching services or other extracurricular academic coaching services to the school district, except for an enrolled student volunteer, the individual must sign a criminal history consent form, which provides permission for the school district to conduct a criminal history background check, and provide a money order or check payable to either the BCA or to the school district, at the election of the school district, in an amount equal to the actual cost to the BCA and the school district of conducting the criminal history background check. The cost of the criminal history background check is the responsibility of the individual, unless the school district decides to pay the costs for a volunteer, an independent contractor, or a student employee. If the individual fails to provide the school district with a signed Informed Consent Form and fee at the time the individual receives a job offer, or permission to provide services, the individual will be considered to have voluntarily withdrawn the application for employment or request to provide services.

[NOTE: If the school district elects to receive payment, it may, at its discretion, accept payment in the form of a negotiable instrument other than a money order or check and then pay the superintendent of the BCA directly to conduct the background check.]

- C. The school district, in its discretion, may elect not to request a criminal history background check on an individual who holds an initial entrance license issued by the Minnesota Professional Educator Licensing and Standards Board or the [Minnesota Commissioner of the Minnesota Department of Education](#) within the twelve (12) months preceding an offer of employment or permission to provide services.
- D. The school district may use the results of a criminal background check conducted at the request of another school hiring authority if:
1. the results of the criminal background check are on file with the other school hiring authority or otherwise accessible;
 2. the other school hiring authority conducted a criminal background check within the previous twelve (12) months;
 3. the individual executes a written consent form giving the school district access to the results of the check; and
 4. there is no reason to believe that the individual has committed an act subsequent to the check that would disqualify the individual for employment or provision of services.
- E. For all nonstate residents who are offered employment with or the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the

school district, the school district shall request a criminal history background check on such individuals from the superintendent of the BCA and from the government agency performing the same function in the resident state or, if no government entity performs the same function in the resident state, from the Federal Bureau of Investigation. The offer of employment or the opportunity to provide services shall be conditioned upon a determination by the school district that an individual's criminal history does not preclude the individual from employment with, or provision of services to, the school district. Such individuals must provide an executed criminal history consent form.

- F. When required, individuals must provide fingerprints to assist in a criminal history background check. If the fingerprints provided by the individual are unusable, the individual will be required to submit another set of prints.
- G. Copies of this policy shall be available in the school district's employment office and will be distributed to applicants for employment and individuals who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services upon request. The need to submit to a criminal history background check may be included with the basic criteria for employment or provision of services in the position posting and position advertisements.
- H. The individual will be informed of the results of the criminal background check(s) to the extent required by law.
- I. If the criminal history background check precludes employment with, or provision of services to, the school district, the individual will be so advised.
- J. The school district may apply these procedures to other volunteers, independent contractors, or student employees.
- K. At the beginning of each school year or when a student enrolls, the school district will notify parents and guardians about this policy and identify those positions subject to a background check and the extent of the school district's discretion in requiring a background check. The school district may include this notice in its student handbook, a school policy guide, or other similar communication. A form notice for this purpose is included with this policy.

IV. CRIMINAL HISTORY CONSENT FORM

A form to obtain consent for a criminal history background check is included with this policy.

- B. The school district's policy is also to comply with the VPA requirement that no covered veteran may be removed from public employment except for incompetency or misconduct shown after a hearing upon due notice, upon stated charges, and in writing. This paragraph does not apply to the position of teacher.
- C. Veteran's preference points will be applied pursuant to applicable law as follows:

- D. Eligibility for and application of veteran's preference, the definition of a veteran, and the definition of a disabled veteran for purposes of this policy will be pursuant to the VPA.
- E. When notifying applicants that they have been accepted into the selection process, the school district shall notify applicants that they may elect to use veteran's preference.
- F. The school district's policy is to use a 100-point hiring system to enable allocation of veteran's preference points. The school district may or may not use a 100-point hiring

system for filling teaching positions. If a 100-point hiring system is not used for filling a teaching position, preference points will not be added, but all veteran applicants who have proper licensure for the teaching position will be granted an interview for the position.

- G. If the school district ~~rejects~~ **does not select** a member of the finalist pool who has claimed veteran's preference, the school district shall notify the finalist in writing of the reasons for the rejection and file the notice with the school district's personnel officer.

[NOTE: A school district may require a veteran to complete an initial hiring probationary period as defined in Minnesota Statutes, section 43A.16.]

- H. In accordance with the VPA, no honorably discharged veteran shall be removed from a position of employment except for incompetency, misconduct, or good faith abolishment of position.
1. Incompetency or misconduct must be shown after a hearing, upon due notice, upon stated charges, in writing.
 2. A veteran must irrevocably elect to be governed either by the VPA or by arbitration provisions set forth in a collective bargaining agreement in the event of a discharge.

427 WORKLOAD LIMITS FOR CERTAIN SPECIAL EDUCATION TEACHERS

[NOTE: School districts are required by Minnesota Rules 3525.2340, subpart 4.B, to have a policy for determining the workload limits of special education staff who provide services to students who receive direct special education services sixty (60) percent or less of the instructional day.]

[NOTE: Minnesota Statutes, section 179A.07, subdivision 1, of the Public Employment Labor Relations Act (PELRA) provides that a public employer is not required to meet and negotiate on matters of inherent managerial policy. Matters of inherent managerial policy include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, selection of personnel, and direction of personnel. MSBA's position is that this policy is not a mandatory subject of bargaining. School districts, therefore, are cautioned to not relinquish their inherent managerial right to determine workload limits for special education ~~teachers~~ staff.]

I. PURPOSE

The purpose of this policy is to establish general parameters for determining the workload limits of special education staff who provide services to children with disabilities receiving direct special education services sixty (60) percent or less of the instructional day.

II. DEFINITIONS

[NOTE: MSBA arranged these paragraphs in alphabetical order in February 2026.]

A. Direct Services

B. Indirect Services

"Indirect services" means special education services ~~provided by a special education teacher or a related service professional~~ which include ongoing progress reviews; cooperative planning; consultation; demonstration teaching; modification and adaptation of the environment, curriculum, materials, or equipment; and direct contact with the pupil to monitor and observe. Indirect services may be provided by a teacher or related services professional to another regular education, special education teacher, related services professional, paraprofessional, support staff, parents, and public and nonpublic agencies to the extent that the services are written in the pupil's IEP and IFSP.

C. Special Education Staff; Special Education Teacher

"Special education staff" and "special education teacher" both mean a teacher employed by the school district who is licensed under the rules of the Minnesota Professional Educator Licensing and Standards Board to instruct children with specific disabling conditions.

D. Workload

“Workload” means a special education teacher’s total number of minutes required for all due process responsibilities, including direct and indirect services, evaluation and reevaluation time, management of individualized education programs (IEPs), travel time, parental contact, and other services required in the IEPs.

III. GENERAL STATEMENT OF POLICY

- A. Workload limits for special education teachers shall be determined by the appropriate special education administrator, in consultation with the building principal and the superintendent.
- B. In determining workload limits for special education staff, the school district shall take into consideration the following factors: student contact minutes, evaluation and reevaluation time, indirect services, management of IEPs, travel time, and other services required in the IEPs of eligible students.

IV. COLLECTIVE BARGAINING AGREEMENT UNAFFECTED

This policy shall not be construed as a reopening of negotiations between the school district and the special education teachers’ exclusive representative, nor shall it be construed to alter or limit in any way the managerial rights or other authority of the school district set forth in the Public Employment Labor Relations Act or in the collective bargaining agreement between the school district and the special education teachers’ exclusive representative.

505 DISTRIBUTION OF NONSCHOOL-SPONSORED MATERIALS ON SCHOOL PREMISES BY STUDENTS AND EMPLOYEES

I. PURPOSE

The purpose of this policy is to protect the exercise of students' and employees' free speech rights, taking into consideration the educational objectives and responsibilities of the charter school.

II. GENERAL STATEMENT OF POLICY

- A. The charter school recognizes that students and employees have the right to express themselves on school property. This protection includes the right to distribute, at a reasonable time and place and in a reasonable manner, nonschool-sponsored material.
- B. To protect First Amendment rights, while at the same time preserving the integrity of the educational objectives and responsibilities of the charter school, the school board adopts the following regulations and procedures regarding distribution of nonschool-sponsored material on school property and at school activities.

III. DEFINITIONS

A. "Distribute" or "Distribution" means circulation or dissemination of material by means of handing out free copies, selling or offering copies for sale, accepting donations for copies, posting or displaying material, or placing material in internal staff or student mailboxes.

B. "Libelous" is a false and unprivileged statement about a specific individual that tends to harm the individual's reputation or to lower that individual in the esteem of the community.

A.C. "Material and substantial disruption" of a normal school activity means:

- 1. Where the normal school activity is an educational program of the district for which student attendance is compulsory, "material and substantial disruption" is defined as any disruption which interferes with or impedes the implementation of that program.
- 2. Where the normal school activity is voluntary in nature (including school athletic events, school plays and concerts, and lunch periods) "material and substantial disruption" is defined as student rioting, unlawful seizures of property, conduct inappropriate to the event, participation in a school boycott, demonstration, sit-in, stand-in, walk-out, or other related forms of activity.

For expression to be considered disruptive, specific facts must exist upon which the likelihood of disruption can be forecast including past experience in the school, current events influencing student activities and behavior, and instances of actual or threatened disruption relating to the written material in question.

D. "Minor" means any person under the age of eighteen (18).

E. "Nonschool-sponsored material" or "unofficial material" includes all materials or objects intended for distribution, except school newspapers, employee newsletters, literary magazines, yearbooks, and other publications funded and/or sponsored or authorized by the school. Examples of nonschool-sponsored materials include, but are not limited to, leaflets, brochures, buttons, badges, flyers, petitions, posters, and underground newspapers whether written by students or employees or others, and tangible objects.

B.F. "Obscene to minors" means:

1. The average person, applying contemporary community standards, would find that the material, taken as a whole, appeals to the prurient interest of minors of the age to whom distribution is requested;
2. The material depicts or describes, in a manner that is patently offensive to prevailing standards in the adult community concerning how such conduct should be presented to minors of the age to whom distribution is requested, sexual conduct such as intimate sexual acts (normal or perverted), masturbation, excretory functions, or lewd exhibition of the genitals; and
3. The material, taken as a whole, lacks serious literary, artistic, political, or scientific value for minors.

G.G. "School activities" means any activity sponsored by the school including, but not limited to, classroom work, library activities, physical education classes, official assemblies and other similar gatherings, school athletic contests, band concerts, school plays and other theatrical productions, and in-school lunch periods.

IV. GUIDELINES

- A. Students and employees of the charter school have the right to distribute, at reasonable times and places as set forth in this policy, and in a reasonable manner, nonschool-sponsored material.
- B. Requests for distribution of nonschool-sponsored material will be reviewed by the administration on a case-by-case basis. However, distribution of the materials listed below is always prohibited. Material is prohibited that:
 1. is obscene to minors;
 2. is libelous or slanderous;
 3. is pervasively indecent or vulgar or contains any indecent or vulgar language or representations, with a determination made as to the appropriateness of the material for the age level of students to which it is intended;
 4. advertises or promotes any product or service not permitted to minors by law;
 5. advocates violence or other illegal conduct;
 6. constitutes insulting or fighting words, the very expression of which injures or harasses other people (e.g., threats of violence, defamation of character or of a person's race, religious, or ethnic origin);

7. presents a clear and present likelihood that, either because of its content or the manner of distribution, it will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities, will cause the commission of unlawful acts or the violation of lawful school regulations.
- C. Distribution by students and employees of nonschool-sponsored materials on charter school property are subject to reasonable time, place, and manner restrictions set forth below. In making decisions regarding the time, place, and manner of distribution, the administration will consider factors including, but not limited to, the following:
1. whether the material is educationally related;
 2. the extent to which distribution is likely to cause disruption of or interference with the charter school's educational objectives, discipline, or school activities;
 3. whether the materials can be distributed from the office or other isolated location so as to minimize disruption of traffic flow in hallways;
 4. the quantity or size of materials to be distributed;
 5. whether distribution would require assignment of charter school staff, use of charter school equipment, or other resources;
 6. whether distribution would require that nonschool persons be present on the school grounds;
 7. whether the materials are a solicitation for goods or services not requested by the recipients.

V. TIME, PLACE, AND MANNER OF DISTRIBUTION

- A. No nonschool-sponsored material shall be distributed during and at the place of a normal school activity if it is reasonably likely to cause a material and substantial disruption of that activity.
- B. Distribution of nonschool-sponsored material is prohibited when it blocks the safe flow of traffic within corridors and entrance ways of the school, and school parking lots. Distribution shall not impede entrance to or exit from school premises in any way.
- C. No one shall coerce a student or staff member to accept any publication.
- D. The time, place, and manner of distribution will be solely within the discretion of the administration, consistent with the provisions of this policy.

VI. PROCEDURES

- A. Any student or employee wishing to distribute (as defined in this policy) nonschool-sponsored material must first submit for approval a copy of the material to the principal at least 24 hours in advance of desired distribution time, together with the following information:

2. Date(s) and time(s) of day intended for distribution.
 3. Location where material will be distributed.
 4. If material is intended for students, the grade(s) of students to whom the distribution is intended.
- B. Within one school day, the principal will review the request and render a decision. In the event that permission to distribute the material is denied or limited, the person submitting the request should be informed in writing of the reasons for the denial or limitation.
 - C. If the person submitting the request does not receive a response within one school day, the person shall contact the office to verify that the lack of response was not due to an inability to locate the person.
 - D. If the person is dissatisfied with the decision of the principal, the person may submit a written request for appeal to the executive director. If the person does not receive a response within three (3) school days (not counting Saturdays, Sundays, and holidays) of submitting the appeal, the person shall contact the office of the executive director to verify that the lack of response is not due to an inability to locate the person.
 - E. Permission or denial of permission to distribute material does not imply approval or disapproval of its contents by either the school, the administration of the school, the school board, or the individual reviewing the material submitted.

VII. DISCIPLINARY ACTION

- A. Distribution by any student of nonschool-sponsored material prohibited herein or in violation of the provisions of time, place, and manner of distribution as described above will be halted and disciplinary action will be taken in accordance with the charter school's Student Discipline Policy.
- B. Distribution by any employee of nonschool-sponsored material prohibited herein or in violation of the provisions of time, place, and manner of distribution as described above will be halted and appropriate disciplinary action will be taken, in accordance with any individual contract, collective bargaining agreement, charter school policies and procedures, and/or governing statute.
- C. Any other party violating this policy will be requested to leave the school property immediately and, if necessary, the police will be called.

VIII. NOTICE OF POLICY TO STUDENTS AND EMPLOYEES

A copy of this policy will be published in student handbooks and posted in school buildings.

IX. IMPLEMENTATION

The charter school administration may develop any additional guidelines and procedures necessary to implement this policy for submission to the school board for approval. Upon approval by the school board, such guidelines and procedures shall be an addendum to this policy.

[Note: Charter schools are encouraged to consider additional guidelines ~~which~~ that reflect varied local practices relating to this subject matter, including addressing the subject of consistency and uniformity for approving or disapproving practices under this policy.]

516 STUDENT MEDICATION AND TELEHEALTH

[NOTE: The necessary provisions for complying with Minnesota Statutes, sections 121A.22, Administration of Drugs and Medicine, 121A.221, Possession and Use of Asthma Inhalers by Asthmatic Students, and 121A.222, Possession and Use of Nonprescription Pain Relievers by Secondary Students are included in this policy. The statutes do not regulate administration of drugs and medicine for students aged 18 and over or other nonprescription medications. Please note that section 121A.22 does not require school districts to apply the administration of medication rule to drugs or medicine used off school grounds, drugs or medicines used in connection with athletics or extra-curricular activities, and drugs and medicines that are used in connection with activities that occur before or after the regular school day.]

I. PURPOSE

The purpose of this policy is to set forth the provisions that must be followed when administering nonemergency prescription medication to students at school.

II. GENERAL STATEMENT OF POLICY

The school district acknowledges that some students may require prescribed drugs or medication or telehealth during the school day. The school district's licensed school nurse, trained health clerk, principal, or teacher will administer prescribed medications, except any form of medical cannabis, in accordance with law and school district procedures.

III. DRUG AND MEDICATION REQUIREMENTS

[NOTE: The June 2024 Model Policy 516 revisions included ^d insertion of headings and rearrangement of paragraphs so that similar content is grouped together. School boards can choose whether to make these revisions.]

A. Administration of Drugs and Medicine

1. The administration of medication or drugs at school requires a completed signed request from the student's parent. An oral request must be reduced to writing within two school days, provided that the school district may rely on an oral request until a written request is received.
2. Drugs and medicine subject to Minnesota Statutes, 121A.22 must be administered, to the extent possible, according to school board procedures that must be developed in consultation with:
 - a. with a licensed nurse, in a district that employs a licensed nurse under Minnesota Statutes, section 148.171;
 - b. with a licensed school nurse, in a district that employs a licensed school nurse licensed under Minnesota Rules, part 8710.6100;
 - c. with a public or private health-related organization, in a district that

contracts with a public or private health or health-related organization, according to Minnesota Statutes, 121A.21; or

- d. with the appropriate party, in a district that has an arrangement approved by the Commissioner of the Minnesota Department of Education, according to Minnesota Statutes, 121A.21.

[NOTE: Paragraph III.A.2 had appeared in a different spot in previous versions of this model policy. In June 2024, the paragraph is located here and is updated to reflect 2024 legislative changes.]

3. Exclusions

[Note: The provisions of III.A.3 are optional. The school board may choose to include or exclude any of the provisions specified. These exclusions appeared in previous versions of this model policy.]

The provisions on administration of drugs and medicine above do not apply to drugs or medicine that are:

- a. purchased without a prescription;
- b. used by a pupil who is 18 years old or older;
- c. used in connection with services for which a minor may give effective consent;
- d. used in situations in which, in the judgment of the school personnel, including a licensed nurse, who are present or available, the risk to the pupil's life or health is of such a nature that drugs or medicine should be given without delay;
- e. used off the school grounds;
- f. used in connection with athletics or extracurricular activities;
- g. used in connection with activities that occur before or after the regular school day;
- h. provided or administered by a public health agency to prevent or control an illness or a disease outbreak as provided under Minnesota law;
- i. prescription asthma or reactive airway disease medications can be self-administered by a student with an asthma inhaler if:
 - (1) the school district has received a written authorization each school year from the pupil's parent permitting the student to self-administer the medication;
 - (2) the inhaler is properly labeled for that student; and
 - (3) the parent has not requested school personnel to administer the medication to the student.

In a school that does not have a school nurse or school nursing services,

the student's parent or guardian must submit written verification from the prescribing professional which documents that an assessment of the student's knowledge and skills to safely possess and use an asthma inhaler in a school setting has been completed.

If the school district employs a school nurse or provides school nursing services under another arrangement, the school nurse or other appropriate party must assess the student's knowledge and skills to safely possess and use an asthma inhaler in a school setting and enter into the student's school health record a plan to implement safe possession and use of asthma inhalers.

- j. epinephrine ~~delivery systems~~auto-injectors, consistent with Minnesota Statutes, section 121A.2205, if the parent and prescribing medical professional annually inform the pupil's school in writing that
 - (1) the pupil may possess the epinephrine or
 - (2) the pupil is unable to possess the epinephrine and requires immediate access to epinephrine ~~delivery systems~~ auto-injectors that the parent provides properly labeled to the school for the pupil as needed.

[NOTE: The 2025 Minnesota legislature replaced "auto-injectors" with "delivery systems" in Minnesota Statutes, sections 121A.22, 121A.2205, and 121A.2207.]

- k. For the purposes of Minnesota Statutes, 121A.22, special health treatments and health functions, such as catheterization, tracheostomy suctioning, and gastrostomy feedings, do not constitute administration of drugs or medicine.
- l. Emergency health procedures, including emergency administration of drugs and medicine are not subject to this policy.

B. Prescription Medication

- 1. An "Administering Prescription Medications" form must be completed annually (once per school year) and/or when a change in the prescription or requirements for administration occurs. Prescription medication as used in this policy does not include any form of medical cannabis as defined in Minnesota Statutes, section 152.22, subdivision 6.
- 2. Prescription medication must come to school in the original container labeled for the student by a pharmacist in accordance with law and must be administered in a manner consistent with the instructions on the label.
- 3. The school nurse may request to receive further information about the prescription, if needed, prior to administration of the substance.
- 4. Prescription medications are not to be carried by the student, but will be left with the appropriate school district personnel. Exceptions to this requirement are: prescription asthma medications self-administered with an inhaler (See Paragraph III.A.3(i) above), and medications administered as noted in a written agreement between the school district and the parent or as specified in an IEP

(individualized education program), Section 504 plan, or IHP (individual health plan).

5. The school must be notified immediately by the parent or student 18 years old or older in writing of any change in the student's prescription medication administration. A new medical authorization or container label with new pharmacy instructions shall be required immediately as well.
6. The school nurse, or other designated person, shall be responsible for the filing of the Administering Prescription Medications form in the health records section of the student file. The school nurse, or other designated person, shall be responsible for providing a copy of such form to the principal and to other personnel designated to administer the medication.
7. For drugs or medicine used by children with a disability, administration may be as provided in the IEP, Section 504 plan or IHP.

[NOTE: This paragraph is moved to Paragraph III.A.3 above, where it is updated to reflect 2024 legislative changes.]

8. If the administration of a drug or medication described in this section requires the school district to store the drug or medication, the parent or legal guardian must inform the school if the drug or medication is a controlled substance. For a drug or medication that is not a controlled substance, the request must include a provision designating the school district as an authorized entity to transport the drug or medication for the purpose of destruction if any unused drug or medication remains in the possession of school personnel. For a drug or medication that is a controlled substance, the request must specify that the parent or legal guardian is required to retrieve the drug or controlled substance when requested by the school.

[NOTE: Starting in June 2024, the exceptions appear under Article III.A.3 above.]

C. Nonprescription Medication

A secondary student may possess and use nonprescription pain relief in a manner consistent with the labeling, if the school district has received written authorization from the student's parent or guardian permitting the student to self-administer the medication. The parent or guardian must submit written authorization for the student to self-administer the medication each school year. The school district may revoke a student's privilege to possess and use nonprescription pain relievers if the school district determines that the student is abusing the privilege. This provision does not apply to the possession or use of any drug or product containing ephedrine or pseudoephedrine as its sole active ingredient or as one of its active ingredients. Except as stated in this paragraph, only prescription medications are governed by this policy.

[NOTE: School districts should consult with licensed medical and nursing personnel to address whether nonprescription medications will be allowed at elementary schools and whether and under what conditions school personnel will participate in storing or administering nonprescription medications.]

D. Possession and Use of Epinephrine ~~Delivery Systems~~ Auto-Injectors

1. Definitions

- a. "Administer" means the direct application of an epinephrine delivery system to the body of an individual.
- b. "Epinephrine delivery system" means a medication product approved by the United States Food and Drug Administration that automatically delivers a single, premeasured dose of epinephrine to prevent or treat a life-threatening allergic reaction.
- c. "School" means a public school under Minnesota Statutes, section 120A.22, subdivision 4, or a nonpublic school, excluding a home school, under section 120A.22, subdivision 4, that is subject to the federal Americans with Disabilities Act.

2. At the start of each school year or at the time a student enrolls in school, whichever is first, a student's parent, school staff, including those responsible for student health care, and the prescribing medical professional must develop and implement an individualized written health plan for a student who is prescribed epinephrine auto-injectorsdelivery systems that enables the student to:

a1- possess epinephrine delivery systems auto-injectors; or

b2- if the parent and prescribing medical professional determine the student is unable to possess the epinephrine, have immediate access to epinephrine delivery systems auto-injectors in close proximity to the student at all times during the instructional day.

For the purposes of this policy, "instructional day" is defined as eight hours for each student contact day.

[NOTE: Minnesota law states that "the school board of the school district must define instructional day for the purposes of Minnesota Statutes, 121A.2205." A sample definition appears above. School districts can create a definition that fits their circumstances.]

The plan must designate the school staff responsible for implementing the student's health plan, including recognizing anaphylaxis and administering epinephrine auto-injectorsdelivery systems when required, consistent with state law. This health plan may be included in a student's Section 504 plan.

Districts and schools may obtain and possess epinephrine auto-injectorsdelivery systems to be maintained and administered by school personnel, including a licensed nurse, to a student or other individual if, in good faith, it is determined that person is experiencing anaphylaxis regardless of whether the student or other individual has a prescription for an epinephrine delivery system.auto-injector. The administration of an epinephrine delivery systemauto-injector in accordance with Minnesota Statutes, section 121A.2207 is not the practice of medicine.

~~Effective July 1, 2024, r~~Registered nurses may administer epinephrine auto-injectorsdelivery systems in a school setting according to a condition-specific protocol as authorized under Minnesota Statutes, section 148.235, subdivision 8. Notwithstanding any limitation in Minnesota Statutes, sections 148.171 to 148.285, licensed practical nurses may administer epinephrine auto-injectorsdelivery systems in a school setting according to a condition-specific protocol that does not reference a

specific patient and that specifies the circumstances under which the epinephrine ~~delivery system~~auto-injector is to be administered, when caring for a patient whose condition falls within the protocol.

~~[NOTE: The paragraph above was signed into law in May 2024. It is new model policy language.]~~

A district or school may enter into arrangements with manufacturers of epinephrine ~~auto-injectors~~delivery systems to obtain epinephrine ~~auto-injectors~~delivery systems at fair-market, free, or reduced prices. A third party, other than a manufacturer or supplier, may pay for a school's supply of epinephrine ~~auto-injectors~~delivery systems.

The Commissioner of the Minnesota Department of Health must provide a district or school with a standing order for distribution of epinephrine delivery systems under Minnesota Statutes, sections 148.235, subdivision 8 and 151.37, subdivision 2.

[NOTE: The 2025 Minnesota legislature amended Minnesota Statutes, section 121A.2207 to include the changes above.]

E. Sunscreen

A student may possess and apply a topical sunscreen product during the school day while on school property or at a school-sponsored event without a prescription, physician's note, or other documentation from a licensed health care professional. School personnel are not required to provide sunscreen or assist students in applying sunscreen.

F. Procedure regarding unclaimed drugs or medications.

1. The school district has adopted the following procedure for the collection and transport of any unclaimed or abandoned prescription drugs or medications remaining in the possession of school personnel in accordance with this policy. Before the transportation of any prescription drug or medication under this policy, the school district shall make a reasonable attempt to return the unused prescription drug or medication to the student's parent or legal guardian. Transportation of unclaimed or unused prescription drugs or medications will occur at least annually, but may occur more frequently at the discretion of the school district.
2. If the unclaimed or abandoned prescription drug is not a controlled substance as defined under Minnesota Statutes, section 152.01, subdivision 4, or is an over-the-counter medication, the school district will either designate an individual who shall be responsible for transporting the drug or medication to a designated drop-off box or collection site or request that a law enforcement agency transport the drug or medication to a drop-off box or collection site on behalf of the school district.
3. If the unclaimed or abandoned prescription drug is a controlled substance as defined in Minnesota Statutes, section 152.01, subdivision 4, the school district or school personnel is prohibited from transporting the prescription drug to a drop-off box or collection site for prescription drugs identified under this paragraph. The school district must request that a law enforcement agency transport the prescription drug or medication to a collection bin that complies with Drug Enforcement Agency regulations, or if a site is not available, under the agency's procedure for transporting drugs.

IV. ACCESS TO SPACE FOR MENTAL HEALTH CARE THROUGH TELEHEALTH

- A. Beginning October 1, 2024, to the extent space is available, the school district must provide an enrolled secondary school student with access during regular school hours, and to the extent staff is available, before or after the school day on days when students receive instruction at school, to space at the school site that a student may use to receive mental health care through telehealth from a student's licensed mental health provider. A secondary school must develop a plan with procedures to receive requests for access to the space.
- B. The space must provide a student privacy to receive mental health care.
- C. A student may use a school-issued device to receive mental health care through telehealth if such use is consistent with the district or school policy governing acceptable use of the school-issued device.
- D. A school may require a student requesting access to space under this section to submit to the school a signed and dated consent from the student's parent or guardian, or from the student if the student is age 16 or older, authorizing the student's licensed mental health provider to release information from the student's health record that is requested by the school to confirm the student is currently receiving mental health care from the provider. Such a consent is valid for the school year in which it is submitted.

530 IMMUNIZATION REQUIREMENTS

[NOTE: The provisions of this policy substantially reflect statutory requirements.]

I. PURPOSE

The purpose of this policy is to require that all students receive the proper immunizations as mandated by law to ensure the health and safety of all students.

II. GENERAL STATEMENT OF POLICY

All students are required to provide proof of immunization, or appropriate documentation exempting the student from such immunization, and such other data necessary to ensure that the student is free from any communicable diseases, as a condition of enrollment.

III. STUDENT IMMUNIZATION REQUIREMENTS

- A. No student may be enrolled or remain enrolled, on a full-time, part-time, or shared-time basis, in any elementary or secondary school within the school district until the student or the student's parent or guardian has submitted to the designated school district administrator the required proof of immunization. Prior to the student's first date of attendance, the student or the student's parent or guardian shall provide to the designated school district administrator one of the following statements:
 - 1. a statement from a physician, advanced practice registered nurse, physician assistant, or a public clinic which provides immunizations (hereinafter "medical statement"), affirming that the student received the immunizations required by law, consistent with medically acceptable standards; or
 - 2. a medical statement affirming that the student received the primary schedule of immunizations required by law and has commenced a schedule of the remaining required immunizations, indicating the month and year each immunization was administered, consistent with medically acceptable standards.
- B. The statement of a parent or guardian of a student or an emancipated student may be substituted for the medical statement. If such a statement is substituted, this statement must indicate the month and year each immunization was administered. Upon request, the designated school district administrator will provide information to the parent or guardian of a student or an emancipated student of the dosages required for each vaccine according to the age of the student.
- C. The parent or guardian of persons receiving instruction in a home school shall submit one of the statements set forth in [Paragraph III.A.](#) or [III.B.](#), above, or statement of immunization set forth in [Article IV.](#), below, to the superintendent of the school district by October 1 of the first year of their home schooling in Minnesota and the grade 7 year.
- D. When there is evidence of the presence of a communicable disease, or when required by any state or federal agency and/or state or federal law, students and/or their parents or guardians may be required to submit such other health care data as is necessary to ensure that the student has received any necessary immunizations and/or is free of any

communicable diseases. No student may be enrolled or remain enrolled in any elementary or secondary school within the school district until the student or the student's parent or guardian has submitted the required data.

- E. The school district may allow a student transferring into a school a maximum of thirty (30) days to submit a statement specified in Paragraph III.A. or III.B., above, or Article IV., below. Students who do not provide the appropriate proof of immunization or the required documentation related to an applicable exemption of the student from the required immunization within the specified time frames shall be excluded from school until such time as the appropriate proof of immunizations or exemption documentation has been provided.
- F. If a person who is not a Minnesota resident enrolls in a school district online learning course or program that delivers instruction to the person only by computer and does not provide any teacher or instructor contact time or require classroom attendance, the person is not subject to the immunization, statement, and other requirements of this policy.

IV. EXEMPTIONS FROM IMMUNIZATION REQUIREMENTS

Students will be exempt from the foregoing immunization requirements under the following circumstances:

- A. The parent or guardian of a minor student or an emancipated student submits a signed medical statement affirming that the immunization of the student is contraindicated for medical reasons or that laboratory confirmation of the presence of adequate immunity exists; or
- B. The parent or guardian of a minor student or an emancipated student submits ~~this or her~~ notarized statement stating the student has not been immunized because of the conscientiously held beliefs of the parent, guardian, or emancipated student.

V. NOTICE OF IMMUNIZATION REQUIREMENTS

- A. The school district will develop and implement a procedure to:
 - 1. notify parents and students of the immunization and exemption requirements by use of a form approved by the Minnesota Department of Health;
 - 2. notify parents and students of the consequence for failure to provide required documentation regarding immunizations;
 - 3. review student health records to determine whether the required information has been provided; and
 - 4. make reasonable arrangements to send a student home when the immunization requirements have not been met and advise the student and/or the student's parent or guardian of the conditions for re-enrollment.

[Note: See Attachments A, B, C, and D.]

- B. The notice provided shall contain written information describing the exemptions from immunization as permitted by law. The notice shall be in a font size at least equal to the font size and style as the immunization requirements and on the same page as the immunization requirements.

VI. IMMUNIZATION RECORDS

- A. The school district will maintain a file containing the immunization records for each student in attendance at the school district for at least five (5) years after the student attains the age of majority.
- B. ~~Student immunization records maintained by the school district are generally considered education records subject to the Family Education Records and Privacy Act (FERPA). The school district may not disclose personally identifiable information (PII), including immunization records, without parent or eligible student consent unless a permissible exception applies. Upon request, the school district may exchange immunization data with persons or agencies providing services on behalf of the student. Immunization data is private student data and disclosure of such data shall be governed by Policy 515 Protection and Privacy of Pupil Records.~~
- C. The designated school district administrator will assist a student and/or the student's parent or guardian in the transfer of the student's immunization file to the student's new school within thirty (30) days of the student's transfer.
- D. Upon request of a public or private post-secondary educational institution as defined in Minnesota Statutes, section 135A.14, the designated school district administrator ~~will~~ shall assist in the transfer of the student's immunization file to the post-secondary educational institution.

VII. OTHER

Within sixty (60) days of the commencement of each new school term, the school district will forward a report to the Commissioner of the Minnesota Department of Education stating the number of students attending each school in the school district, including the number of students receiving instruction in a home school, the number of students who have not been immunized, and the number of students who received an exemption. The school district also will forward a copy of all exemption statements received by the school district to the Commissioner of the Minnesota Department of Health.

~~[NOTE: To receive health and safety revenue for any fiscal year, school districts must submit an application to the Minnesota Commissioner of Education, along with a health and safety budget adopted and confirmed by the school board as being consistent with the school district's health and safety policy. This policy has been approved by the Minnesota Department of Education. The subdivisions of Minnesota Statutes Section 123B.57 that relate to a school district's ability to apply for health and safety revenue have been repealed effective fiscal year 2017. The provisions of this policy substantially reflect statutory requirements.]~~

I. PURPOSE

The purpose of this policy is to assist the school district in promoting health and safety, reducing injuries, and complying with federal, state, and local health and safety laws and regulations.

II. GENERAL STATEMENT OF POLICY

- A. The policy of the school district is to implement a health and safety program that includes plans and procedures to protect employees, students, volunteers, and members of the general public who enter school district buildings and grounds. The objective of the health and safety program will be to provide a safe and healthy learning environment; to increase safety awareness; to help prevent accidents, illnesses, and injuries; to reduce liability; to assign duties and responsibilities to school district staff to implement and maintain the health and safety program; to establish written procedures for the identification and management of hazards or potential hazards; to train school district staff on safe work practices; and to comply with all health and safety, environmental, and occupational health laws, rules, and regulations.
- B. All school district employees have a responsibility for maintaining a safe and healthy environment within the school district and are expected to be involved in the health and safety program to the extent practicable. For the purpose of implementing this policy, the school district may form a health and safety advisory committee to be appointed by the superintendent. The health and safety advisory committee will be composed of employees and other individuals with specific knowledge of related issues. The advisory committee will provide recommendations to the administration regarding plans and procedures to implement this policy and to establish procedures for identifying, analyzing, and controlling hazards, minimizing risks, and training school district staff on safe work practices. The committee will also recommend procedures for investigating accidents and enforcement of workplace safety rules. Each recommendation shall include estimates of annual costs of implementing and maintaining that proposed recommendation. The superintendent may request that the safety committee established under Minnesota Statutes, section 182.676 carry out all or part of the duties of the advisory committee or the advisory committee may consider recommendations from a separate safety committee established under Minnesota Statutes, section 182.676.

III. PROCEDURES

- A. Based upon recommendations from the health and safety advisory committee and subject to the budget adopted by the school board to implement or maintain these recommendations, the administration will adopt and implement written plans and procedures for identification and management of hazards or potential hazards existing within the school district in accordance with federal, state, and local laws, rules, and regulations. Written plans and procedures will be maintained, updated, and reviewed by

the school board on an annual basis and shall be an addendum to this policy. The administration shall identify in writing a contact person to oversee compliance with each specific plan or procedure.

- B. To the extent that federal, state, and local laws, rules, and regulations do not exist for identification and management of hazards or potential hazards, the health and safety advisory committee shall evaluate other available resources and generally accepted best practice recommendations. Best practices are techniques or actions which, through experience or research, have consistently proven to lead to specific positive outcomes.
- C. The school district shall monitor and make good faith efforts to comply with any new or amended laws, rules, or regulations to control potential hazards.

IV. PROGRAM AND PLANS

- A. For the purpose of implementing this policy, the administration will, within the budgetary limitations adopted by the school board, implement a health and safety program that includes specific plan requirements in various areas as identified by the health and safety advisory committee.
