SUPERINTENDENT'S REPORT

July 2024

UPDATE:

- Negotiations – Both contracts have been tentatively settled. Thank you to Rachel F and Dena for their work in the process. Thank you to the staff for collaborative bargaining sessions.
- Legislative Update
 - The budget released in the wee hours of the morning last week has rocked the educational arena. There is a huge disconnect between the governor's perception of the budget and the expected impact on local schools and ISDs. We continue to analyze the true impact on the ISD and also on the local districts in our region.
- EUPISD Promise Zone
 - Ongoing – Formation of 11-member board to govern the Promise Zone. I'm looking for recommendations for some representation (fundraising, tax knowledge)
- Thrun Law Policy Service – This month we will present the final policy to adopt, the Anti-Bullying policy #5207. It required two meetings.
- Leadership – We will have a two-day retreat in July to work on agency goals, department goals, and collaborative projects for the upcoming year.
- Board Training – You should have received an email from Vector Training with required training. There are two courses assigned to board members. Please complete it as soon as possible.

Department Highlight

The EUPISD received its annual Determinations report from the Michigan Department of Education (MDE) on June 23rd. Determinations are the compiled annual scores on results and compliance indicators for special education for the ISD and all public school districts within our three-county region. Compliance indicators measure performance in areas like timely initial evaluations and timely submission of data, while results indicators measure student outcomes in areas like reading proficiency and graduation. We are pleased to report that the EUPISD region received a “Meets Requirements” rating which is the highest rating available (see below):

Results Driven Accountability Differentiated Determination*

Determination

Results and Compliance Overall Scoring

	Total Points Available	Points Earned	Score (%)
Results	20	14	70.0
Compliance	20	18	90.0

Determinations metrics within each category measured are established annually and are used to place ISDs in tertiles of performance relative to the other ISDs in the state. That means that for this year, we are in the top third of ISDs statewide on this measure. For more information about Determinations please visit the links below:

Preschool Send-off

We are excited, and a little sad, to be saying goodbye to a group of students from our preschool class that are headed to Kindergarten in the Fall. Ian, Jackson, and Eddie have made much progress during their time at the Center and we know they will do great next year in their home districts.

Above, all the boys from the ECSE classroom are enjoying their last day together with a day of water fun and jumping on the bounce house in the gym put on by the staff from preschool.

SUMMER YOU

Riley is on the Summer YOU job crew assigned to the Learning Center and is hard at work in the library.

SESSION ONE

Mikey is enjoying the slide during summer school session one that took place in June.

Michigan's Federal Determination Performance Rating on Meeting Requirements of IDEA Part C

Michigan Part C has received its 2024 determination performance rating on meeting the requirements and outcomes of the Individuals with Disabilities Education Act (IDEA), Part C for program year 2022-2023 from the federal Office of Special Education Programs (OSEP). The Michigan Department of Lifelong Education, Advancement, and Potential (MiLEAP) is pleased to announce our state's determination this year is "Meets Requirements" which is an improvement from the 2023 determination of "Needs Assistance."

Our local Early On program served 108 children in our 3 county region from July 1, 2023 to June 30, 2024.

Inclusion

The Early On team will be focusing on a book study in the upcoming program year during their Professional Learning Community meetings. The book will be "Your Students, My Students, Our Students: Rethinking Equitable and Inclusive Classrooms." The team will be sharing their thoughts and wonderings throughout the book study with use of focused facilitation and review strategies. The outcome will be continued knowledge and support of inclusion in the EUP.

The EUP Inclusion Leadership team has identified 3 Community Indicators for High Quality Inclusion to focus on in the coming year. They are: C7: Collaborative Teaming; C9: Program Supports for Professional Development; C10: Curriculum. From this work, the group has developed a Vision statement to be shared out with the region and initiated the work to tie professional development needs to the vision statement, which supports the Community Indicator C9 which the group prioritized for this year. The focus of the July meeting will be on committing resources from each participating organization/agency to support the identified professional development needs and making a plan for offerings.

Chippewa County Central Dispatch

We are planning late July work with the Chippewa County IT team to connect the new Rudyard SROs computer back to the Criminal Justice Information System, while also troubleshooting Sault schools' camera feeds to Central Dispatch with them now on their 3rd PC and still not working correctly. There will need to be some policy discussion with the Districts interested in this capability to ensure FERPA compliance maintained.

Not much else new to report with the team focused on the preparation and planning for all of the tasks associated with the infrastructure upgrades communicated in the June Board meeting. We are targeting mid-August to complete those upgrades assuming hardware delivery lead times support that, and will get a better indication once orders are placed.

BUSINESS/FINANCE

June 30, 2024, Financials. Please remember that you will not see a balance sheet and financial statements this month. We will spend the month of July closing out the June 30, 2024, fiscal year end and intend to have June 30 and July 31 financials for your review at the August meeting. The financial audit is scheduled for the week of August 12 and the auditors will be onsite for the week.

2024-25 Budgets. The 2024-25 school aid budgets have been shared. To say it is a mess is definitely an understatement and is going to take some time for us to fully unpack the impact on the ISD and each district.

Parking Lot Expansion/Resurfacing. The original request for bid inadvertently excluded the sidewalks in front of the Learning Center facility. We are requesting approval to add additional sidewalk concrete work to the scope of the parking lot expansion/

Out of State Travel. I am requesting approval to attend the National Association of School Business Officials (ASBO) Annual Conference in Nashville, Tennessee from Tuesday, September 17, 2024 – Sunday, September 22, including travel days. Total costs of travel, not to exceed \$3,750, funded by the Business Office/Human Resources budgets.

HUMAN RESOURCES

Closed Session: We will have a closed session to discuss details of the tentative agreements for both our Support Staff and Professional Staff Collective Bargaining Agreements, both expired on June 30, 2024. There will also be a recommended action to ratify both agreements.

2024-25 Non-Union Wages – It is recommended that the non-union wage increase from last month is revised to reflect a \$2/hour increase for hourly employees and an additional 1.5% increase for salaried employees, to be effective either July 1 or October 1, depending on work calendar or probationary period.

2024-25 Edustaff Contracted Wages - It is recommended that the Edustaff wage increase from last month to reflect a \$2/hour increase for hourly contracted staff, to be effective either July 1 or October 1, depending on work calendar.
