SUPERINTENDENT'S REPORT ***July 2026***

Legislative Update

The budget was passed after an all-night session on July 2nd (note – they are required to pass a budget by July 1st!). Legislators had less than an hour to review before being called to vote. Some legislators voted no on principle, but it did pass. The programs we saw cut last year are funded this year. There is a lot to unpack, as there is new language about a weighted formula for student foundation. More details to come!

The EUPISD Strategic Plan will be the focus of the Leadership Retreat this week. It is based on three pillars: Capacity Building, Collaboration, and Impact Framework. It is my intention that the board review it in August.

EUP Promise Zone

Promise Zones received a \$5 million increase in the budget. This is good news as we continue the Year 2 Fundraising and meet our initial obligations. From Year 3 onward, some SET taxes are recaptured.

Board Safety Training

You should have received an email “Eastern Upper Peninsula ISD” for your required Vector Training. Each board member needs to complete the Title IX training and the Technology Use agreement. Please reach out to Heather with any issues logging into the training.

Superintendent Mission:

Create and maintain a positive organizational culture and climate
Facilitate strong communication, ambassadorship, and partnerships

Director of Special Education Report
July 2026

We Have a School Aid Budget

Just after the July 1st deadline, the legislature came to agreement on the state School Aid Budget. There are still many details to unpack in the 544 pages of the bill, however the immediate take aways for special education are as follows:

- Increases by \$13.0 million School Aid Fund (SAF) for a total of \$533.2 million to increase special education foundation allowance by 2.5%.
- Concurs with Executive to transfer \$2.8 million General Fund (GF) for the Michigan School for the Deaf and revises to SAF. (Note: the SAF increase is higher than the transfer included in the MDE summary due to economic adjustments.)
- Increases by \$28.9 million SAF to reflect May consensus cost adjustments.
- Concurs with House to maintain special education millage equalization and millage incentive formulas. This formula as designed does not provide equalization consistently across the state, modernizing this formula to ensure true equalization is a priority for the Michigan Association of Intermediate School Administrators (MAISA) Special Education Instructional Leadership Network (SEILN).
- Early On increases by \$2.4 million SAF (10.2%) for a total of \$26.1 million SAF
- Intent language is included to weight special education funding by eligibility area per the MI Blueprint project. There are concerns with this section overall, and work will continue towards a solution. "Sec. 51i. (1) It is the intent of the legislature that, beginning in the fiscal year ending September 30, 2028, a weighted special education funding formula begins to be implemented to recognize the higher costs associated with certain student needs." It goes on to list the weights by eligibility. This model was supposed to only come with increased funding, which was not included. Several state education associations including Michigan Association of Intermediate School Administrators MAISA SEILN and Michigan Association of Administrators of Special Education (MAASE) have expressed a desire to see weighted funding based on need and not eligibility.
- No movement on uncapping ISD millages which remain wildly inconsistent statewide

2026 Determinations

Each June, the Michigan Department of Education provides each ISD in the state with a determination score in alignment with federal reporting requirements. The scores below reflect the overall performance of the EUPISD region, including all school districts.

EUPISD LEARNING CENTER

2026
JULY

SCAVENGER HUNT

Cooper and his friends in preschool participated in a fun summer scavenger hunt during their last week of school.

SUMMER BIKING

Sam and his classmates had fun during recess when they were able to do some biking in the school parking lot.

MEETING BISCUIT

Mr. Joe introduced Loren to Biscuit, the classroom guinea pig! Biscuit is a pretty big hit with all the students.

SUMMER EXPLORERS

Our Summer School students had the opportunity to visit the Garlyn Zoo in Naubinway for an exciting and educational field trip. The experience provided students with a hands-on learning opportunity outside the classroom, allowing them to explore a variety of animal species and learn about their habitats, behaviors, diets, and unique characteristics. Students enjoyed spending time outdoors, practicing social skills, and creating positive memories with their classmates and staff. We are grateful to the staff at Garlyn Zoo for helping make this experience enjoyable for our students.

Healthy Community Zones Grant Update

Construction and installation is underway for the inclusive outdoor play space and learning environment at the Sault Early Learning Center (also known as Soo Township Elementary building). This project has been made possible through the Healthy Community Zones grant from the Michigan Department of Health and Human Services. A Ribbon Cutting and Community Welcome Event is planned for Wednesday, August 26, from 3:00–5:00 p.m. Board members are invited to attend and celebrate this exciting milestone with community partners. Additional event details and a project update will be included in the August Board report.

Kindergarten Enrichment & Readiness Camps

This summer, the EUPISD Early Childhood and Special Education departments are partnering to offer Kindergarten Readiness and Enrichment Camps.. These camps provide incoming kindergarten students with engaging learning experiences that strengthen early literacy, math, social-emotional skills, and school readiness while helping children build confidence as they transition to kindergarten. For more information about camp locations, dates, and registration click on the links here:

Fall Enrollment - Great Start Readiness Program (GSRP) and Strong Beginnings

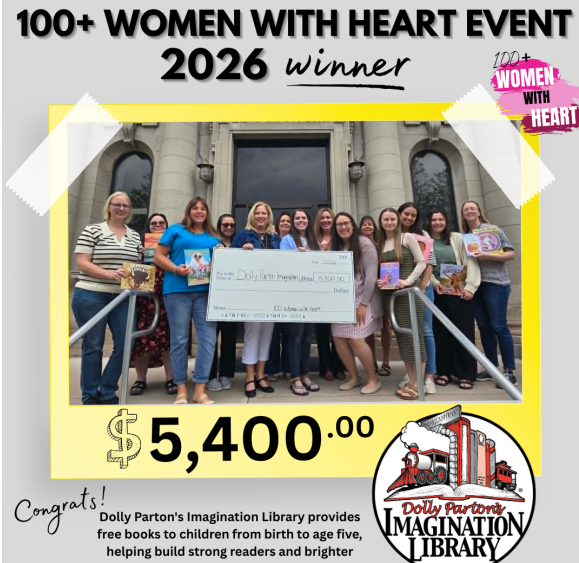

As of July 1, enrollment for the 2026–2027 Great Start Readiness Program (GSRP) and Strong Beginnings programs is approximately 73% of last year's final enrollment. With approximately two months remaining before the start of the school year, staff will continue targeted recruitment and outreach efforts, including community events, partner referrals, direct family engagement, and working with subrecipients to boost recruitment.. A [linked enrollment report](#) is included and provides current enrollment by district.

Chippewa County 100 Women with Heart – Dolly Parton Imagination Library

The Dolly Parton Imagination Library was selected as the recipient of the Chippewa County 100 Women with Heart community donation at its May 2026 event, raising \$5,400 to support the program.

This contribution is especially meaningful following the elimination of state Section 32p funding in October 2025, which had previously supported local Imagination Library operations. Existing funding allowed the program to continue through June 2026, but without additional support, the program was at risk of ending.

Thanks to the generosity of 100 Women with Heart, children from birth to age five in Chippewa, Luce, and Mackinac counties will continue receiving free, high-quality books each month, helping foster early literacy, school readiness, and a lifelong love of reading.

Family Engagement Events – May/June Recap

The Early Childhood team held five family engagement events in May and June, serving 188 participants, including 75 children and 93 adults. Families participated in literacy, STEM, social-emotional learning, and community-building activities while connecting with local resources. Feedback was overwhelmingly positive, with families highlighting the welcoming atmosphere, interactive experiences, and opportunities to learn together. Additional event highlights and outcomes are available in the Family Engagement May/June Recap ([linked here](#)).

Home Visiting Programs – Annual Recap

The Home Visiting Programs continued to provide critical support for young children and families throughout the region. During the year, 194 children were referred to Early On and 26 families were referred to Parents as Teachers. Staff participated in extensive professional learning, coaching, and reflective supervision to strengthen service delivery. Looking ahead, Early On will participate in the statewide Pyramid Model pilot to further enhance outcomes for children and families. Additional information is available in the Home Visiting Programs Year-End Review ([linked here](#)).

GSRP & Strong Beginnings – Annual Recap

The EUPISD Preschool team supported 321 children through Great Start Readiness Program (GSRP) and Strong Beginnings classrooms during the 2025–2026 school year. Significant gains in child development and school readiness were achieved across all developmental domains, supported by ongoing coaching, professional development, and inclusive practices. The year also included 213 coaching sessions, 42 hours of professional development, and continued collaboration with local districts and community-based providers to ensure high-quality preschool programming across the region. Additional program highlights are available in the 2025–2026 GSRP & Strong Beginnings End-of-Year Report – At a Glance ([linked here](#)).
