Board of Trustees,

We are requesting the following item be surplussed.

Bus #27 for the following reasons:

Bus is not dependable

Bus cannot be used in its current condition

Cost to fix the current problem is \$5000

Known problems with the engine in this bus that we have not experienced yet can cost upwards of \$10,000 (we are on "borrowed time" now from what repair facilities tell me)

Bus has very limited ability to be used as it is very small

We have a spare bus that is newer and has more capacity

Information on this bus :

2006 International school bus

104,666 miles

6,407 engine hours

VIN #4DRBUAFL56A258324

Thank you

Kevin McCasland, Superintendent
