Board Meeting Protocol

A. Developing Board Meeting Agenda

Placing items on the agenda: The agenda is created by the superintendent in consultation with the board president the week prior to the regular board meeting.

- Board members may request through the superintendent for an item to be placed on the agenda.
- The agenda will normally be closed at noon on the sixth day preceding regular meetings and at noon of the third day preceding special called meetings.
- In accordance with the Texas Open Meetings Act, no member can place an item on the agenda less than 72 hours in advance of a meeting, except in an emergency per state law.
- Board meetings shall be conducted in accordance with Board Policy **BE (Local) Board Meetings**. The following standards of practice shall be observed:

B. Board Packet

- A packet is prepared each month to send to board members the week prior to the meeting.
- The packet is sent electronically to each board member.
- The packet includes a brief explanation of the items placed on the agenda.
- It also contains financial statements and other supporting data/explanatory documents so members may have opportunity to review before the meeting.
- If members have any questions or concerns on any of these items, they are encouraged to contact the superintendent for clarification prior to the meeting.

C. Member Attendance at Board Meetings

- Board members are expected to attend all board meetings.
- A board member that cannot attend a board meeting shall contact the board president or superintendent as soon as possible.

D. Member Conduct during Board Meetings

- Anytime four or more board members are gathered to discuss school business, it is considered a meeting.
- Board members should keep conversations relevant to the topic being discussed during briefings by staff, patrons, or other Board members.
- Any board member is permitted to call the question. The board president shall follow Robert's Rules of Order.
- All discussion will be directed solely to the motion currently under discussion. The board president has the responsibility to keep the discussion to the motion at hand and will halt discussion that does not apply to the motion. The board president has the right to recognize a board member prior to their giving comment.
- The board president will vote on all action items. In case of a tie vote, the item is tabled and returned on the next meeting's agenda as an action item.

E. Patrons Addressing the Board

- Any employee or resident of the school district may address the board at a board meeting (on an original or rescheduled date) at a time identified by the board president.
- If the patron's request to address the board specifically identifies an agenda item, the board president shall ensure that the patron's comments are heard prior to action on the specific agenda item.
- A patron must complete the Audience Participation form provided for that purpose at least fifteen minutes prior to the beginning of the meeting. The topic described on the form shall be complete and sufficient in detail as to determine appropriateness of the topic prior to addressing the board.
- Patron comments may be on items listed on the agenda or other areas of school district operations, but shall not include complaints/comments about employees or officials of the district.
- As provided by Board Policy BED (Local) and state law, persons who have requested on the Audience Participation form may address the Board. The limit for each person is five minutes.

F. Board Response to Patrons Addressing the Board

- a. Board members will not respond or enter into discussion with the audience during the meeting as: Items on the agenda will be discussed as appropriate and scheduled on the agenda; Items not on the agenda do not permit board members to respond or discuss.

 3. Board will not allow duplicate testimony.
 4. Board will not allow derogatory comments.

J. Items for Executive Session

- Board members shall adhere to policies regarding conversations and information gathered during executive sessions.
- All personnel issues must be conducted in an executive session, unless specifically required by Texas Open Meeting Law.
- As with open meetings, records must be kept of closed meetings. The school board must make a "certified agenda" unless the closed meeting was for the purpose of consulting with an attorney.
- The board can only discuss those items listed on the executive session agenda and as limited by law.
- No action of any kind may be taken in a closed session. If the item before the board calls for action, the board must first return to open session before a vote is taken.

As outlined in the Board policy BJCD (local) Superintendent: Evaluation, the board shall strive to accomplish the following objectives in conducting the superintendent's evaluation:

- Clarify to the superintendent his or her role, as seen by the board.
- Clarify to board members the superintendent's role, according to the board's written criteria as expressed in the superintendent's job description and the district's goals and objectives.
- Foster an early understanding among new board members of the evaluation process and the Superintendent's current performance objectives and priorities.
- Maintain the "Team of 8" philosophy between the board and the superintendent.
- Ensure administrative leadership for excellence in the district.

The board president obtains input from all members of the board on the approved indicators on the superintendent's evaluation. The evaluation is conducted in executive session. Summative evaluation of the superintendent will be conducted during the January board meeting. Goals will be set for the superintendent at that time with formative evaluations quarterly. IPCISD 2025-2026 School Health Advisory Committee (SHAC) Report

SHAC Members

The SHAC is made up of School Employees and Parents. The current members of the Iowa Park CISD SHAC are: Jamie Shipp, Kevin McCasland, Shawna Coggins, Keri Watts, Jenna Wineinger, Brenda Hodges, Michelle Turner, and our parent members are: Kaydee Bean, Taler Evans, Becky Holster, Whitney King, Lindsey McShan, Rochelle Nicholson, Renee Raby, and LeAnn Scharbrough. The Parent/Community members serve for a total of three years. This year was their second year to serve.

Meeting Dates

The SHAC is required to hold four meetings per school year. The meeting dates for the Iowa Park CISD School Health Advisory Committee for the school year were: October 22, 2025, December 1, 2025, February 6, 2026 and April 15, 2026. We have continued what we started last year and held each meeting at a different time so that more members are able to attend meetings.

SHAC Responsibilities

THE SHAC is responsible for addressing health related issues, such as health services, physical education, and food services.

The following are topics that were discussed at the SHAC meetings this year:

Immunizations and Immunization Reporting

An immunization compliance report is checked routinely to make sure students in our District are up to date on immunizations. An annual report is sent in to the TX Department of State Health Services each December showing our District's compliance with required immunizations. Also, students who will be needing immunizations at the beginning of the school year (some Pre-K and Kindergarten students, all 7th grade students and any students with immunization exemptions that are expiring) will receive a letter that is sent to their parents at the end of the school year letting them know what immunizations are needed. Immunization information was reviewed at the December SHAC meeting this school year.

Vision, Hearing and Spinal Screening and Reporting

A vision, hearing and spinal screening report is submitted annually to the Texas Department of State Health Services showing how many students in each grade were screened throughout the school year. Mandatory screenings are done at the appropriate grade levels, and referrals are made when necessary. This year, mass vision, hearing and spinal screenings were completed in November. Vision, hearing and spinal information was reviewed at the October, December and February SHAC meetings this year.

AED Information

We now have 14 AEDs throughout our District after adding an additional AED at the press box last year, and an additional AED at Kidwell this year. AEDs are checked monthly and batteries and pads are replaced as needed. AED information was discussed at the February SHAC meeting this year. We also have a LifeVac at each campus. This is a choking rescue device.

CPR Training

Several employees from each campus are CPR certified and go to CPR training every other year. These employees attended CPR training last school year, but we also had a small group that needed to be certified this year, so we held an additional class. Also, all Seniors receive CPR training, which is a graduation requirement. CPR training was discussed at our October SHAC meeting this year.

Wellness Policy/Plan

The District Wellness Policy and Plan is reviewed annually by the SHAC and changes are made to the plan as needed. These were reviewed at the October SHAC meeting this year and no changes were made. A School Health Survey is due at the end of the school year also. This survey collects data relating to student health and physical activity.

Employee Wellness

United Regional was able to come out and do Employee Blood work at the end of March and we had around 15-20 per campus that participated. Hawk Pharmacy came to each of our campuses in the Fall to administer flu shots to Employees who wanted to receive one. This information was discussed at the October and February SHAC meetings.

Serenity/SB 9 Information

SB 9 requires us to cover Family Violence, Child Abuse, Human Trafficking and Dating Violence once in Jr. High and once in High School. The SHAC is also required to approve the curriculum to be presented. Serenity Foundation put together curriculum that covers all of the new requirements in Senate Bill 9. This was previously approved by the SHAC and School Board. They also speak to our students about other topics such as drug and alcohol prevention. They do Fentanyl presentations at Middle School and High School also. This information was discussed at our October, December, February and April SHAC meetings. Renee Raby from Serenity, who is also one of our parent members, is present at SHAC meetings to answer any questions about Serenity presentations.

Unlicensed Diabetic Care Assistants

We are required to have 3 Unlicensed Diabetic Care Assistants at each campus. Region 9 offers this training each year. Employees receive diabetic training and are usually given a test kit and other supplies when they attend this training. They are then able to participate in the care of diabetic students in our District as needed. This is especially helpful for field trips and other times that students are not on campus. We try to send UDCA's to training every other year (like CPR training). Middle School and High School UDCA's went to training last year, as well as some of the Kidwell and Bradford UDCA's. This summer, we will be sending 2 Kidwell and 2 Bradford UDCA's to training. This information was discussed at the April SHAC meeting.

Epi-Pens

A few years ago, we were able to sign up for a program that would provide us with an Epi-Pen for each campus. This requires a Prescription, and Electra Hospital provides us with that so that we are able to order the Epi-Pens. We have an Epi-Pen and an Epi-Pen, Jr at each campus. This allows us to have these available in the event that someone has an anaphylactic reaction and needs them. We have many students with severe allergies, and not all of them are able to provide an Epi-Pen to have at school. This information was discussed at the October and April SHAC meetings.

Bleeding Control Training

Bleeding control training is required to be offered annually to 7th-12th grade students. This includes them watching a TEA approved training video. This information is posted on the school website and a letter is sent to the parents of students in these grade levels. This information was reviewed and discussed at the February and April SHAC meetings.

Narcan

Narcan expiration dates are monitored and doses are replaced as needed. We have Narcan at every campus in several locations. This information was discussed at the April SHAC meeting.

PE Updates

PE Updates were provided at each SHAC meeting. These updates include information such as Red Ribbon Week, Fitnessgram, Wellness Wednesday information, and Healthy Heart Challenge.

SB12 Information

SB12 requires school districts to provide parents the opportunity to consent or withhold consent for physical and mental health services. Parents signed a form stating whether or not they gave consent for these services. This was discussed at the October SHAC meeting.

Over the Counter Medication Update

Last year, school nurses were not allowed to give over the counter medications without Doctor's orders due to new rules. SB920 now allows school nurses to administer OTC medications without Doctor's orders. Parent permission is still required. This information was discussed at the October SHAC meeting.

PIE Information

Partners in Education have been very generous and helpful to our campuses and have donated a significant amount of clothing and other items that are needed and used frequently. This information was discussed at the October and February SHAC meetings.

Texas School Survey of Drug and Alcohol Use

WFGMS was selected to participate in the Texas School Survey of Drug and Alcohol Use. This is for 7th and 8th graders and took place in April. They will send us the results of the report. This information was discussed at the December, February and April SHAC meetings.

Special Instructions

Please complete this waiver for Low Attendance Due to Weather or Health or Safety issues. Your district must include as attachments, documentation of low attendance for the day (including the reason for the low attendance rate and an ADA or PEIMS report showing the attendance rate on the date of low attendance) and the prior year's attendance report (PEIMS summary report showing the average for the year) for the district or applicable campus. See Student Attendance Accounting Handbook 3.8.1.4. This application is due by the end of July for the current school year. Please direct questions to the State Waiver Unit at <http://tea.texas.gov/index2.aspx?id=6635>.

You may enter each campus and the number of minutes attended on that date individually within a single waiver application. If the number of minutes of operation varies by campus on the date of low attendance for "All Campuses", please report the greatest number of minutes on the date of low attendance in the "Number of Min on the Low Attendance Day". Please note that in PEIMS you will claim the actual number of minutes in operation on the specific date by campus. The waiver minute reporting is used to total the number of attendance related waiver minutes by year. Per Student Attendance Accounting Handbook 3.8.2 Closures for Bad Weather or Other Issues of Health or Safety, you are limited to 4,200 minutes for attendance waivers of any kind.

...

!! Tomorrow we're getting back into the swing of things with a 2-hour delayed start! All campuses and operations, including bus routes, will begin two hours later than normal. We are waiting for a little sunshine to help improve visibility for morning travel.

As always, please use your best parent judgment — if you can't make it safely, we completely understand.

We're excited to see our Hawks tomorrow! ❤️
