## AGREEMENT

This Agreement is entered into this 1st day of July, 2026 by and between Partnering for Prevention, LLC, ("PFP"), an Illinois limited liability company, and its sole owner, Dawn Schoen, and Marengo Community High School District 154 (Marengo CHSD 154), ("the School").

## RECITALS

Whereas, the School seeks to provide students at Marengo Community High School District 154, an alternative to expulsion for certain drug related offenses, and to offer students and families effective drug and alcohol prevention and assessment, intervention, treatment, and referral services; and

Whereas, PFP is a provider of drug and alcohol abuse prevention and treatment services and employs Dawn Schoen, a certified alcohol and drug counselor ("CADC") with 28 years of experience in addressing substance abuse prevention and treatment issues; and

Whereas, the School desires to have PFP provide drug and alcohol abuse prevention and treatment services to the School and its students;

Now therefore, in consideration of the mutual promises and covenants contained herein, the Parties agree as follows:

1. **Scope of Services**. PFP will make available the services of Schoen from July 1, 2026 through June 30, 2027 as follows:

-up to 11 hours per week at Marengo Community High School District 154 (located at 110 Franks Road, Marengo, IL 60152) – Mondays 10am to 4pm & Wednesdays or Fridays 8am-noon or 10-2pm based on client (student) schedule needs

-up to 5 hours per week at PFP Office (located at 453 Coventry Lane, Ste 103, Crystal Lake, IL 60014) – Days and times to be determined by need

-PFP will also provide services outside of these days/hours and/or at different locations as indicated and when available, including telehealth services

Services will be delivered up to 16 hours per week while school is in session and up to 9 hours per week when school is not in session (Summer, Winter and Spring break). A total of 691 hours will be used to address the needs of the school. The number of hours and/or specific days each week can change and/or be flexible to meet the needs when indicated and agreed upon by PFP. Schoen will communicate with the school if she will not be available during any given week (illness, vacation, etc). Delivery of services, In-person vs Telehealth, will be at the discretion of Schoen.

If a barrier of obtaining mental health counseling services arises for current MCHS students whom are also PFP clients, with priority given if it impacts the MCHS students ability to establish and/or maintain sobriety as a result of the untreated mental health symptoms, PFP can subcontract with an Illinois Licensed Clinical Professional Counselor (LCPC) to provide these services for up to 3 hours per week while the MCHS student is a PFP client. The delivery of these mental health counseling services (in person at the school, in person at their office or virtually) will be at the discretion of Schoen and the LCPC providing services.

Services by Schoen to be provided include but are not limited to: assessment, intervention, therapy sessions (individual and/or family), consultation, drug screening and clinical documentation. Additional services (ie. consultation, groups, a wellness center, prevention-based programming, gathering and reporting of statistics) will be provided as requested by the School when time allows. Consultation and planning services as arranged between the administration and PFP can take place at any time during the length of this Agreement at the request of the School or PFP.

The clinical services provided by PFP are strictly to assess substance abuse symptoms and provide short and/or long-term intervention or level 1 treatment according to ASAM Criteria and Levels of Care; this will include referral with linkage to a higher level of care when indicated. Additionally, PFP will provide statistics to the school as requested on the number of students that accessed the services along with the outcome of services.

2. **Qualifications of Service Provider.** All services provided by PFP under this Agreement shall be provided by Dawn Schoen, who is a CADIC in good standing and who has passed a criminal background check.

PFP enters into this Agreement as an independent contractor only, and the parties acknowledge that neither PFP nor Schoen is a representative, agent, official, or employee of the School. Nothing in this Agreement shall be construed to create a joint venture between PFP and the School.

8. **Responsibilities of the School**. To facilitate the services by PFP, the School shall:

a. The School will advise students of the services available and make appropriate referrals. Available services shall be limited to students of Marengo Community High School District 154. Priority shall be given to students facing expulsion for certain drug offenses, who have elected to undergo drug and alcohol abuse treatment services as part of a Student Behavior Contract in lieu of receiving a recommendation of expulsion, pursuant to applicable School disciplinary policies and procedures. In the School's discretion, it may also refer students for services in non-disciplinary circumstances. Under Illinois law, students seeking services for alcohol or drug abuse as result of their behavior or of a family member, are entitled to an unlimited number of services without parental consent or permission. PFP will obtain parental consent/permission when it is indicated to be in the best interest of the student. Notwithstanding the foregoing, parental consent for services shall be required for any student receiving services pursuant to a Student Behavior Contract.

b. Provide information on each student as requested so to provide services, subject to the Illinois School Student Records Act, the Family Educational Rights and Privacy Act, or other State or federal laws pertaining to the confidentiality of student records.

c. Provide an appropriate space for Schoen to see students and a locked file cabinet/drawer for her to use in each space. All access to School networks and devices shall be subject to the School's Internet Acceptable Use Policy, as well as any other policy regarding the use of electronic networks and devices.

e. Provide Schoen with a detailed written list of what statistics/information she is to track during course of this Agreement.

f. If desired, assist in the construction of identified outcomes and tools which will be used to evaluate if treatment will be considered successful/unsuccessful.

9. **Confidentiality**. All records generated by PFP in providing services to the School shall belong to PFP. PFP and Schoen shall comply with all state and federal laws, including 42 CFR Part 2, and other laws related to confidentiality of student records, including, but not limited to, the Illinois School Student Records Act, the Family Educational Rights and Privacy Act, and the Illinois Mental Health and Developmental Disabilities Confidentiality Act. In addition, and without regard to the foregoing, the parties agree that information will not be disseminated to the school unless a valid release exists allowing disclosure and PFP and Schoen will not share specific information regarding the counseling of students without the student's written consent, except in an emergency situation. MARENGO, ILLINOIS  
**Principal**  
**JASON R. MULLENS**  
**2026-2029**

This Agreement made this 11<sup>th</sup> day of May, 2026, between the Board of Education of Marengo Community High School District No. 154, McHenry County, Illinois, hereinafter referred to as the “Board,” and **Jason Mullens**, hereinafter referred to as the “Principal,” ratified at the meeting of the Board on May 11, 2026, and found in the minutes of the meeting.

**IT IS AGREED:**

1. EMPLOYMENT – The Principal is hereby hired and retained from July 1, 2026, to June 30, 2029 (twelve months each year), as Principal of Schools for Marengo Community High School District No. 154, McHenry County, Illinois, and hereby accepts employment upon the terms and conditions hereinafter set forth.
2. DUTIES – The Principal, in consideration of his election by the Board, hereby promises and agrees to devote his time, energy, skill, and ability to assist with the management, direction, and operation of School District #154 and to the approval of the Board. The Principal’s duties are as follows:
  - a. To help provide leadership in the ongoing development and improvement of the district's School Improvement Plan, discipline, and attendance programs.
  - b. To establish and maintain an effective learning climate in the school.
  - c. To attend no less than 12 school board meetings in addition to school board meetings where the Principal’s attendance is required due to the nature of the meeting.
  - d. To evaluate certified and non-certified faculty and staff in accordance with the law, the collective bargaining agreement, the evaluation plan, and Board policy.
  - e. To help establish guidelines for proper student conduct and to supervise student conduct within the school.
  - f. To provide for general supervision throughout the building.
  - g. To provide for supervision at extra-curricular events as needed.
  - h. To recommend to the Superintendent the selection, retention, dismissal of, and the direction and assignment of teachers and other employees of the School District under his supervision.
  - i. To organize and direct the administrative and supervisory staff under his supervision.
  - j. To make recommendations to the Superintendent concerning material and courses of study.
  - k. To recommend to the Superintendent rules, regulations, and procedures deemed necessary for the welfare of the School District.
  - l. As listed in the job description. Other duties that may be assigned by the board or the Superintendent.
3. SALARY – The Principal’s annual salary shall be no less than \$154,787.49 for the 2026-2027 contract year, \$159,585.90 for the 2027-2028 contract year, and

\$164,533.07 for the 2028-2029 contract year.

The Principal hereby agrees to devote such time, skill, labor, and attention to his employment, during the term of this Agreement, except as otherwise provided in this Agreement, and to perform the duties of the Principal for this District faithfully as outlined in this Agreement. The annual salary shall be paid in equal installments in accordance with the Board's policy governing payment of salary to other certificated members of the professional staff, beginning July 1, 2026, and ending June 30, 2029.

During each year for the term of this Agreement, the gross salary of the Principal may be increased at the sole discretion of the Board over the previous year's gross salary amount, but in no case shall such salary and benefits be less than the Principal's salary and benefits for the preceding contract year. Any increase in salary made during the life of this Agreement shall be in the form of an amendment and shall become a part of this Agreement. It is provided, however, that by so doing, it shall not be considered that the Board has entered into a new arrangement with Principal nor that the termination date of this Agreement has been in any way extended. The Board and the Principal, however, may enter into subsequent agreements or extensions of this Agreement for additional periods of time if both agree and said agreement is reduced to writing.

4. **TEACHER RETIREMENT CONTRIBUTION** – In addition to the annual salary stated herein, the Board shall pick up and pay on the Principal's behalf, the Principal's entire member contribution to the Illinois Teachers' Retirement System (TRS). The Principal is responsible for 100% of the THIS Member contribution. The District is responsible for 100% of the THIS Employer contribution.

The Principal does not have any right of claim to said amount except as it may become available at the time of retirement or resignation from the State of Illinois Teachers' Retirement System. Both parties acknowledge that the Principal did not have the option of choosing to receive the contributed amounts directly, instead of having such contributions paid by the Board to the State of Illinois Teachers' Retirement System, and those contributions are made as a condition of employment to secure the Principal's future services, knowledge, and experience.

The Principal shall not receive a TRS creditable earnings increase in excess of that allowed by law in the last 4 years of employment or any creditable earnings increase that requires the Board to pay an additional contribution or penalty to the TRS.

Because neither party can represent what position the IRS, or any other government entity, will take with respect to these payments and withholdings, it is mutually agreed that each party will be responsible for any miscalculations for which it is legally responsible without indemnification or any other recourse from the other party. That is, if it is subsequently determined that the Principal should have paid taxes on any portion of the contribution limit for which he did not pay

taxes, the interest and penalties are the Principal's responsibility alone. If the Board is penalized for failing to withhold enough taxes based on the payroll information in its possession at the time of payment of the contribution limit, those penalties are the Board's responsibility alone. Both the Board and the Principal expressly waive the right to seek indemnification or reimbursement from the other as a result of any government decision on the taxability of these amounts. In the event the IRS, or any other government entity, determines that the Principal owes more taxes, he has no right to seek additional sums from the Board.

5. DEFERRED COMPENSATION – The Principal may elect that a portion of salary to be paid by the Board may be used to purchase a tax-sheltered annuity pursuant to Section 403(b) of the Internal Revenue Code of 1986, as amended, or a TRS Supplemental Savings Plan 457(b) in accordance with applicable law. It is understood and agreed that the cost of the purchase of the annuity shall be deducted from the Principal's annual salary and shall not require an expenditure of funds by the Board above the amount paid in the form of salary.
6. WAIVER OF TENURE – By accepting this Agreement, the Principal waives any rights pursuant to Section 24-11 through 24-16 of the Illinois School Code, as may be amended from time to time.
7. EVALUATION - STUDENT PERFORMANCE AND ACADEMIC AGREEMENT  
The Superintendent shall annually discuss and evaluate their working relationship, rapport, and understanding. By March 1 of each year of the Agreement, the Superintendent shall provide a written evaluation of the performance of the Principal. After such evaluation, the parties shall schedule a meeting to review the evaluation and determine, if necessary, the terms and conditions of the continued future employment of the Principal, including annual salary for the next subsequent year of the Agreement. This Agreement is performance-based, and as a result, annually, the Principal, with the assistance of the administrative team, shall:
  - a. Evaluate student performance, which shall include, but not be limited to, student performance on standardized tests such as performance on the state assessments and related local assessments;
  - b. Review the curriculum and instructional services of the District;
  - c. Review annually the student attendance and student discipline status as related to overall school climate; and
  - d. Report to the Board on his findings as to (i) student performance, and (ii) recommendations, if any, for curriculum or instructional changes as a result of his evaluation of student performance, and (iii) report the analysis of student attendance and discipline conditions as related to the District.

8. LICENSURE – The Principal shall furnish to the Board during the term of this Agreement a valid and appropriate licensure to act as Principal in accordance with the laws of the State of Illinois and as directed by the Board. A General Administrative Endorsement shall be required.
9. OTHER WORK – The Principal shall devote his time, attention, and energy to the business of the School District and related professional activities. With approval of the Board, the Principal may attend university courses, seminars, other professional growth activities, lectures, and engage in writing activities and speaking engagements (“Engagements”). The Principal may not jeopardize the functioning of the School District by any length and conspicuous absence for such professional activities. In the event the Principal receives remuneration for Engagements, the Principal shall be required to use the allocated paid vacation days to attend each day of engagements unrelated to his duties as Principal.
10. DISCHARGE FOR CAUSE – Throughout the term of this Agreement, the Principal shall be subject to discharge for good cause, provided, however, that the Board does not arbitrarily or capriciously call for dismissal and that the Principal shall have the right to service of written charges, notice of hearing, and a fair hearing with all rights of due process under law before an independent hearing officer selected by the parties herein following the procedure provided to certified teachers under the Illinois Teachers’ Tenure Laws in executive session with any final decision to be made by the Board in any such matter. If the Principal chooses to be accompanied by legal counsel at such hearing, the Principal shall pay all such personal legal expenses. Any failure to comply with the terms and conditions of this Agreement after written notice of any such failure to comply and a reasonable opportunity to correct the failure shall also be sufficient cause for the purpose of discharge as provided in this Agreement. This provision shall not be construed to limit in any way the Principal’s right to review of the Board’s action in any applicable state or federal court or other administrative forum.
11. DISABILITY – Should the Principal be permanently incapable of performing the duties and obligations covenanted herein by reason of personal illness, accident or other disability, and such disability is continuous for a period of time in excess of accumulated sick leave and vacation benefits due and owing the Principal, then the Board shall continue the Principal’s full pay for a period of ninety (90) days after the exhaustion of said benefits. The Board may, after receipt of advice from such physician or physicians as it may reasonably require, temporarily relieve the Principal from duties during his illness or incapacity in accordance with applicable law.

The Board may require the Principal to submit to a physical examination in accordance with applicable law. Such examination shall be performed by a physician chosen by the Board and paid for by the Board. The Principal may request and receive a hearing before the Board prior to any duties being removed from him for reasons of temporary illness or incapacity.
12. RENEWAL OF CONTRACT – Notice of intent not to renew this Agreement shall be given to the Principal by the Board by March 1 of the year in which the Agreement expires. Said notice shall be in writing and state the specific reason(s)

for non-renewal. Failure of the Board to provide timely notice of non-renewal shall extend this Agreement for one (1) additional year.

13. TERMINATION BY AGREEMENT – During the term of this Agreement, the Board and Principal may mutually agree, in writing, to terminate this Agreement.
14. PROFESSIONAL ACTIVITIES – The Principal shall be encouraged to attend appropriate professional meetings at the local, state, and national levels. Within budget constraints, as approved by the Superintendent and Board of Education, the Board shall pay such costs of attendance.
15. Additional Board-paid memberships shall be brought to the Superintendent for approval.
16. TUITION REIMBURSEMENT – Administrative personnel who are working toward an advanced degree or certification beyond the Masters will receive tuition reimbursement. The rate will be determined by the Aurora University per credit hour rate, not including fees, and will include one required textbook per course if the book is given to MCHS upon completion of the course. This rate will be set by September 1<sup>st</sup> of the initial contract year and remain throughout the duration of the current contract. The Superintendent must be given information that demonstrates that the individual is following a planned course leading to a master's degree. Reimbursement for graduate coursework will be limited to a total of 8 credit hours per fiscal year.

The principal must complete a minimum of three years of service with the district after receiving reimbursement for coursework.

- a. If the principal completes only one year of service after receiving reimbursement for coursework will reimburse the district 100% of the total cost.
  - b. If the principal completes only two years of service after receiving reimbursement for coursework will reimburse the district 50% of the total cost.
17. BREACH OF AGREEMENT – Failure by the Principal to fulfill the obligations outlined in this Agreement shall be considered to be a violation of the Administrator's Code of Ethics and may be reported by the Board to the appropriate state and national associations of school administrators and state educational authorities.
  18. VACATION AND LEGAL HOLIDAYS – The Principal shall receive twenty (20) calendar days of vacation annually, exclusive of legal and school holidays as recognized by the Board. If the Principal wishes to be absent from work during spring break and winter break, he shall be required to use vacation days. To incentivize vacation use during student non-attendance days, excluding summer break, the Principal shall have only one half day of vacation deducted for each day used during non-student attendance. Vacation days shall not accumulate and shall

be used in the contract year (July 1-June 30) earned. The Principal shall not be reimbursed for lost vacation days.

19. SICK AND PERSONAL LEAVE DAYS – All full-time certified personnel are granted sick leave provisions in the amount of ten (10) days for each of the first five (5) years in this district, fifteen (15) days each year of the next twenty (20) years, and twenty (20) days each year thereafter, three of which may be used as personal days.
