- ~~Students enrolled in an AP course who take the AP exam in the spring may be exempt from their semester test in that course.~~
- ~~All absences count towards the exemption policy except for school related and medical absences.~~

Plagiarism

Plagiarism is passing off a source's information, ideas, or words as one's own. Spoken it is the use of someone else's work without giving proper credit to that author or source. The use of the information without proper documentation or acknowledgment is cheating. Copying another student's homework, essay, test, research paper, etc., is also cheating. The following list contains ways to avoid cheating/plagiarism.

- Do not copy another person's words or ideas from any book or reference material unless the source is acknowledged.
- Do not copy someone else's work.
- Do not lend your work to another student.
- Use the approved reference guide to cite sources.
- See the teacher about any questions or proper documentation.
- Remember that all borrowed facts, statistics, or other illustrative material, unless the information is common knowledge, must be documented.

Other Issues of Academic Integrity- Technology

The secondary schools' faculties are committed to promoting positive character qualities; hence, the issues of technological academic dishonesty must also be addressed. All students are expected to be responsible digital citizens; therefore, cheating is unacceptable. The following list represents a partial list of technological misuse/abuse in the classroom.

- Cutting, pasting, or downloading information from the internet
- Rephrasing sentences from the internet
- Text messaging during tests or anytime during the instructional period
- Improper use of any electronic source

Consequences of Academic Dishonesty

Situations of academic dishonesty vary in seriousness and circumstance; therefore, there are levels of offenses. Possible consequences may include but are not limited to:

- When a student copies another student's work, both parties will receive a zero on the assignment. School administrators will be notified for documentation and possible disciplinary action.
- For compositions, research papers, etc., the following consequences are suggested
 - 1st Offense: A zero on the work and parent contact by the teacher.
 - 2nd Offense: A zero on the work and parent contact by the teacher. The student is referred to administration.

Special Recognition for Graduating Students

Cumulative **weighted** grade point average (GPA) is used to determine class rank. All courses taken for high school credit are included. ~~The GPA includes any weighted grades from PLTW Courses and Advanced Placement (AP) courses.~~ Credit recovery is not utilized for Advanced Placement courses, and any Advanced Placement courses where credit recovery was used **at a previous school** will not be counted toward the total number of courses required for special recognition.

Students ~~designated as~~ graduating with **Diplomas with Distinction and Honors** ~~the highest honors~~ receive special seating at graduation. Speakers ~~for at the graduation exercises ceremony and attending the Governor's Reception~~ are determined by class rank within this group. Other academic awards are handled similarly.

~~In the event of a tie for graduation speakers, the quality points from honors and AP courses weighted courses are used to determine the order between the tied students. This tie-breaking process does not affect rank. Honor graduates' tentative status is determined at the end of the fall semester, approximately three weeks before graduation. Determination is made by combining the first semester's cumulative GPA with the second semester's anticipated GPA. Final honor status is determined once final grades are figured at the end of the student's senior year.~~

Graduation Exercises

Participation in **commencement graduation** exercises by seniors who have completed all requirements for graduation is encouraged but not compulsory. Because these exercises require planning (rehearsals are held during school hours on school days), all students who wish to participate in the exercises must attend rehearsals. Failure to do so may exclude a student from participating in graduation exercises.

Students who have not completed all requirements for graduation are not eligible to participate in ~~the~~ graduation **exercises ceremony**. Students completing requirements for graduation in the **subsequent** summer or fall may participate in the next exercise if they desire. In this case, the students must notify the principal's office of their intent to participate in graduation exercises. Foreign exchange students are not allowed to participate in graduation exercises.

Note: Part-time home-schooled students may **not** participate in graduation exercises ~~only if the student completes all requirements at Russellville High School.~~

National Merit Scholarships

High school juniors may qualify for National Merit Scholarships by receiving a high score on the PSAT/NMSQT in October of their junior year.

National Merit Scholarship Corporation (NMSC) uses NMSC Selection Index scores to screen students who enter its scholarship programs. Your score is calculated by doubling your Reading and Writing Score, adding it to your Math score, then dividing that sum by 10.

NMSC designates Semifinalists in the program on a state-representational basis to ensure that academically-accomplished young people from all parts of the United States are included in this talent pool. Using the latest data available, an allocation of Semifinalists is determined for each state, based on the state's percentage of the national total of high school graduating seniors.

More info can be found here: <https://satsuite.collegeboard.org/psat-nmsqt/scores/understanding-scores/your-score-explained>
If a junior plans to take the PSAT/NMSQT in the fall, the student must review the [PSAT/NMSQT Student Guide](#) in September and sign up in the RHS counseling office.

The PSAT/NMSQT Student Guide has two main sections

1. information about National Merit Scholarship Corporation scholarship competitions; and
2. test-taking advice and tips.

Attendance

[School Board Policy 4.7](#)

Tardies

[School Board Policy 4.9](#)

For Secondary Buildings: Tardies are described as missing ~~more than 10 minutes of a class period~~ up to 10 minutes of a class period. If a student misses ~~more than 10 minutes~~ or more of a class period, he/she is considered absent. ~~Three tardies are equivalent to one absence for exemption purposes, whether excused or not;~~

For Elementary Buildings: Tardies are described as missing the first or last 30 minutes of the school day. If a student misses more than 30 minutes at the beginning or end of the day, he/she is considered absent unless excused by administration.

Absences or tardiness ~~due to because of~~ dress code violations or other disciplinary actions are excused at the discretion of a principal.

Late to School Tardies (Elementary Buildings)

Students arriving to school after the tardy bell must consider the following:

A parent can excuse their child "late to school" no more than five (5) times per semester. After five (5) parent

excused "late to school" tardies, "late to school" tardies are considered unexcused (unless approved by a Building Administrator). ~~NOTE: RHS accepts only three (3) late to school tardies;~~

~~A parent-excused tardy is still recorded as a tardy but does not count toward the assignment of Saturday School (Saturday school is only utilized at RHHS and RHS); A student who arrives late to school regularly, unexcused, receives Saturday School after the fifth unexcused tardy. Parent conferences are held, if necessary, to resolve the problem of excessive tardies.~~

Credit Recovery for Attendance (Grades 8-12 Credited Classes) ~~(Grades 9-12)~~

Credit recovery is designed to allow students who have excessive absences to regain credit. Students with six (6) unexcused absences in a semester may not receive credit for that course. Once the student has six or more unexcused absences in a course, the student may be subject to Saturday School as assigned by the building principal. Failure to attend all assigned sessions of Saturday School and follow all rules may result in loss of credit in that course. Before reaching six unexcused absences, the student or parent/guardian has the right to petition for extra excused absences. Extra excused absences are granted on a case-by-case basis determined by the building administrator.

College Credit/Concurrent Credit

Russellville High School, in partnership with [participating colleges or universities](#) ~~Arkansas Tech University~~, offers concurrent courses taught on the RHS campus by RHS faculty. Students who meet the requirements of enrollment ~~for ATU~~ may receive both high school credit as well as credit from [the participating college or university](#) ~~ATU~~ for the approved courses:

- Before a student can enroll in a concurrent course, he or she must receive permission from his or her counselor and principal and meet all of ~~ATU's~~ [a participating college or university's](#) admission requirements and must have a qualifying test score submitted ~~to ATU to the participating college or university~~ no later than August 1 of each school year;
- The student will be responsible for the costs of taking the qualifying test as stated in the RULES GOVERNING CONCURRENT COLLEGE AND HIGH SCHOOL CREDIT;
- ~~US History I is a prerequisite for US History II and must be taken in consecutive semesters;~~
- Composition I is a prerequisite for Composition II and must be taken in consecutive semesters;
- Composition I will count as an elective, and Composition II can only replace English 12;
- ~~Intro to Biology (420001) is a prerequisite for the concurrent Advanced course (529900) and must be taken in consecutive semesters during the student's sophomore year. Students may receive 4 hours of Biology credits from AP or Concurrent Courses, and~~
- ~~Concurrent credit for Biology taken during grades 9-12 counts as a Biology credit for non-Biology majors that enroll at ATU. Concurrent credit courses taken during grades 9-12 may be accepted at the discretion of the college or university the student chooses to attend.~~

Marking Grades

Grades reflect only the accomplishment of educational objectives. [Grades should not reflect compliance or behavior.](#)

For grades 3-12, teachers use the following uniform grading system as required by [Act 1070](#):

90% - 100%	A
80% - 89%	B
70% - 79%	C
60% - 69%	D
59% and below	F

"I" indicates incomplete work. An "I" mark is upheld for up to two weeks unless otherwise determined by the administration until the deficiency is corrected. If not corrected, the "I" becomes an "F."

Note: In grades K-2, standards-based grading is utilized.

Marking Grades – 9th-12th Grade Weighted ~~Advanced Placement (AP) and conc and Project Lead the Way (PLTW) Courses~~

1. ~~9th-12th grade s~~Students who take ~~Advanced Placement (AP), PLTW, or~~ courses ~~approved~~ for weighted credit ~~by the Division of Elementary and Secondary Education~~ shall be graded according to the uniform marking system.
2. For determining grade point averages, the numeric value of each letter grade shall be

A 5 points

B	4 points
C	3 points
D	2 points
F	0 points

Students who transfer into the district are given weighted credit for AP, IB, and honors courses approved by the Division of Elementary and Secondary Education, and for concurrent college courses taken for weighted credit at his/her previous school(s) according to the preceding scale.

Students taking AP or **concurrent credit** courses shall receive weighted credit as described in this policy. Credit shall be given for each grading period during the year but shall be retroactively removed from a student's grade for any course in which the student fails to take the applicable AP exam. Students who do not take the AP exam shall receive the same numeric value for the grade he/she received in the course as if it were a non-AP course.

Each term, students who achieve certain academic standards in courses taken for graduation credit may receive scholastic recognition as determined per building. Other individual building recognition systems may be available. The following **quality** point system is used in computing the grade point and determining academic achievement:

A	4.00
B	3.00

F	0.00

For students enrolled in **weighted** courses, the following **quality** point system is used for computing GPA:

A	5.00
B	4.00
C	3.00
D	2.00
F	0.00

GPA's are **only** computed on the courses that issue a letter grade ~~only~~.

~~Note: A grade of "U" in any non-graded class is considered a failing grade and disqualifies a student from any of the above lists.~~

Section 3: Student Behavior and Discipline

[School Board Policy 4.17](#)

The Russellville Board of Education protects the district's students' and employees' health, safety, and welfare. Appropriate disciplinary actions may be taken against commuting students who violate the district's Student Code of Conduct. Disciplinary action may include up to removal from any school sponsored activity.

Playground Rules (for campuses with playgrounds)

The playground is an area for fun and recreational activity. Students have the privilege to run and play. The following behaviors are not permitted on the playground and may result in disciplinary action:

- Students are expected to keep the cafeteria clean (i.e., throwing away trash, discarding unwanted food, reporting spills, returning trays to appropriate location)
- Students are not allowed to take unfinished food onto the playground.

Bullying, Harassment, and Discrimination- Zero Tolerance Procedures

The district is committed to maintaining a safe, orderly, inclusive, and respectful learning environment where every student is protected and valued. Bullying, harassment, intimidation, hazing, and discrimination in any form will not be tolerated under any circumstances.

The district maintains a strict zero-tolerance stance regarding substantiated acts of bullying, harassment, or discrimination based on race, color, national origin, sex, disability, religion, or any other protected status. Any student determined through investigation to have engaged in such conduct will face immediate and appropriate disciplinary action, up to and including suspension, expulsion, removal from activities, and referral to law enforcement when applicable. Retaliation against individuals who report concerns or participate in investigations is also strictly prohibited and will result in disciplinary consequences.

Types of Disciplinary Actions

To ensure a climate conducive to learning, rules are necessary for the school. Every attempt is made to maintain rules clearly and consistently. Each discipline incident is evaluated on the basis of its circumstances and the scope of its impact. Any disciplinary infraction is punishable from the minimum of a reprimand to a maximum of expulsion. The following are descriptions of the disciplinary consequences that may be assigned to a student. Additional disciplinary action may be assigned at the discretion of building leadership.

Detention

Lunch Detention

Lunch detention may be used in buildings at the principal's discretion and is held ~~each day~~ during the students' lunchtime in a designated area. Lunch detention may be assigned by a teacher or principal for minor offenses including, but not limited to, tardies, classroom misconduct, misbehavior, etc. Failure to attend lunch detention will result in additional days of lunch detention or other disciplinary actions.

Saturday School

Saturday School is held at each secondary building for their students on selected Saturdays from 8:00 am until 11:30 am. Parents are notified and ~~required~~ ~~expected~~ to provide transportation to and from Saturday School. Administrators assign Saturday School for a variety of disciplinary infractions. Additionally, students may be assigned community service as an alternative for Saturday School. Failure to serve Saturday School in its entirety will result in additional consequences as assigned by the building principal.

Child Nutrition/Food Service

Believing there is a strong relationship between a sound diet and scholastic achievement, we encourage children to eat a well-balanced breakfast and lunch. The cafeteria serves breakfast and lunch daily with entrée choices at both meals. Meals consist of meat, vegetables, fruit and/or dessert, breads and grains, and milk. All children will have ample time to eat their meal.

Please contact us if we can be of further service to you. The Child Nutrition office can be reached at (479) 498-8836 Monday through Friday from 8:00-4:00. We appreciate the opportunity to be of service to your children.

Educational Technology Use

Russellville School District is dedicated to providing students with effective online tools and applications for learning. RSD uses Google Workspace for Education, managing education accounts for students. This includes Gmail (your child's "rsdk12.net" account), Calendar, Docs, Slides, Sheets, Drive, and Classroom. Students use these accounts for assignments, communicating with teachers, signing into Chromebooks, and learning digital citizenship skills. It is important to note that students cannot receive email from unapproved outside sources.

To use online programs and services, some information, such as the student's name and school email address, may be shared with the application. This information is only used for educational purposes, not commercial ones.

Federal and state law protects children's online information and activities through the Children's Online Privacy Protection Act (COPPA) and Arkansas Act 754 of 2023 "Student Data Vendor Security Act," which limits how online services collect and use student data. RSD ensures apps used comply with COPPA and Act 754 of 2023. For a full list of tools used by each school, [click HERE](#).

District Devices

Students will be assigned or issued technology devices based on the instructional needs of their campus. Elementary and middle-level campuses primarily use cart-based device access, while secondary-level students are typically issued individual 1:1 devices.

Any device issued to a student must be returned in good condition before transferring from the district. ~~Graduating seniors are required to return their devices prior to high school graduation.~~

Building principals may implement customized student technology device access plans based on behavioral concerns or instructional needs.

Section 5: Transportation

Introduction

The Russellville School District Transportation Department provides safe transportation for students to and from school every day. Our staff is committed to providing students with a safe enjoyable environment while they ride to school and back home. RSD has 70+ buses in our fleet that our trained drivers utilize each day and our shop personnel keep clean and in top working condition. Our district covers 99 square miles that we serve by running 86 routes and shuttles simultaneously each morning and afternoon covering over 1,700 miles per day. RSD Transportation also runs trips and shuttles each day to average 250+ runs per week focused on keeping your students safe.

Safety

Safety is our number one priority. Our staff trains every year to ensure they are prepared to provide the safest environment possible while transporting students. Outside of physically driving the bus the number one variable in bus safety is student behavior. Bus rules and expectations are in place to help ensure the safety of all students.

Buses are designed using compartmentalization. This means that sitting down in the seat and facing forward is equivalent to wearing a seatbelt in a car. A quiet bus ensures that the driver can hear what is going on around them and they are not distracted by the noise. Every second a driver or staff member spends having to monitor students not following expectations is a second that their eyes or attention are not focused on the road and driving.

We appreciate your partnership with us to ensure bus rules are followed to provide the safest most enjoyable transportation possible.

Some items that create a safety concern that are not allowed on the bus.

- Band instruments too big to be held in lap or may stick up over seat back
- Glass containers
- Flowers
- Open food and drink containers
- Balloons
- Any item that can not be secured in the students lap
- Speakers / Playing music externally
- All items must remain in the backpack

Security

Every bus is equipped with multiple high definition cameras that record both audio and video to help us ensure the safety of our students. The system allows us to accurately diagnose issues that arise on the bus and allows us to address those responsible to make better choices while riding to help increase student safety.

Expectations

Russellville School District considers the bus as an extension of the school and classroom. The same expectations are in place on the bus as in the classroom. When students do not follow the rules and meet the expectation outlined then they create an unsafe environment that can have an impact on other students.

A driver's first responsibility is to drive the bus safely. Please consider they are driving a heavy commercial vehicle safely while supervising 60-80 students through a rear view mirror to ensure a safe environment for your student. There are very few places to safely pull over a bus to address student misbehavior that do not put the bus in a greater risk of an accident. That is why your support and students meeting the expectations are so important in ensuring the safety of all students.

School bus transportation is a service RSD takes pride in offering its students but please keep in mind that transportation is a privilege not a requirement and riding privileges can be revoked by district administration.

Bus Stop Creation

In addition to student safety, the second most important task of the Transportation Department is to develop routes to service students safely and efficiently. Routes are developed to provide the safest most economical operation of our fleet. Every attempt is made to limit the distance students must travel to their designated bus stop location.

Note: Transportation will not drop any student at any address unless the address is verified and listed as the primary residence in the Student Information System, eSchool. In emergency situations, contact the transportation office when these occasions arise and we will assist you.

Below is a list of a few considerations used in developing bus stops per our stop procedures;

- Student Safety.
- The Walk Zone will be 2-4 blocks from any school. Exemptions are at the Transportation Director's discretion.
- K-2 grade students must be met by a guardian or arrangements must have been made with the guardian that an authorized sibling is responsible for the student at the stop. This is called an eye-to-eye transfer and can be requested for students 3rd grade and above. Situations where this procedure is not followed the student will be returned to the building or the transportation office for pick-up. Multiple violations will result in loss of riding privileges.
- An adult must receive students at motels/hotels.
- We will not create stops at businesses, organizations, public places, or with friends of the student or family.
- Students will only be dropped off with guardians listed in eSchool unless prior approval in writing from transportation.
- Students will only be dropped at the verified address and is listed as the primary residence in Russellville School District Student Information System, eSchool.

Special needs Routes for students with special needs- students with transportation on IEP - including above list plus;

- These student stops will be located at the residence.
- Must have a parent present at stop.
- Make wheelchair considerations.

ALE and SLC - students in these placements - including above list plus;

- These students are provided with specific transportation and are not allowed to board regular routes or shuttles.

Transportation is not provided for the following students;

- Out of zone elementary students: If your student attends an elementary school other than where they are zoned then it is the guardian's responsibility to transport the student to school.
- Out of district school choice: we are glad you have chosen RSD but it is your responsibility to get them to the building they are attending. If you have special circumstances please contact the transportation office.

The Transportation Director is the only person who can alter or establish stops and routes. Administration reserves the right to change any aspect of the routes when deemed necessary.

Bus Stop Procedures

Note: Transportation will not drop any student at any address unless the address is in the Student information System, eSchool. In emergency situations contact the transportation office when these occasions arise and we will assist you.

The following stop procedures are vital in ensuring students safety.

Note: Do not ask a driver to let students off the bus at any place other than your regular stop. He is not authorized to do this.

Boarding, students should:

- be at the stop 10 mins before the scheduled time.
- remain in a safe place and stand at least 10 ft from the road or as far as possible.
- be waiting at the stop location, buses can not wait for students to come down the road, off the porch, or from the house. A delay at several stops will cause the bus to be late. Each delay compounds as the bus continues through its route.
- be accompanied by a guardian or approved older sibling at all times if they are kindergarten through second grade or if requested by the parent to be eye-to-eye transfer.
- remain calm and do not approach the bus until they have opened the door and signaled you to approach.
- not horseplay at the bus stop.
- load the bus orderly and quickly while following the driver's instructions.

Exiting, students should...

- have a guardian or approved older sibling at the stop waiting if they are kindergarten through second grade or if requested by the parent to be eye-to-eye transfer.
- have a guardian at the stop 10 mins before the scheduled time if they are an eye-to-eye transfer.
- remain seated until the bus has come to a complete stop and the brake is set.
- unload the bus orderly and quickly while following the driver's instructions.
- not enter the driver area until the driver has opened the door and students are instructed to exit the bus.
- exit the bus and move immediately 5 ft away so the driver can see students clearly.
- stop if crossing the street in front of the bus until the driver has signaled them it is safe to cross.

- not horseplay at the bus stop.
- not check the mail after exiting the bus until it has left the area.

Bus Laws

Below are a few laws that many people do not know:

- School bus transportation is a service RSD takes pride in offering its students but please keep in mind that transportation is a privilege not a requirement and riding privileges can be revoked by district administration.
- Individuals must not obstruct or delay any school bus.
- Individuals must not board any bus unless they are assigned to that bus.
- Adults are not allowed to board any bus for any reason.
- Individuals must not check mailboxes until the bus has left the area.
- Individuals must be seated properly at all times while the bus is in motion.
- A school choice or out of zone guardian is responsible for the student's transportation to school.

Student Bus Rules

Student handbook rules apply as the bus is an extension of the classroom and part of a student's school day. **Below is the statement from the student handbook:**

The district's student code of conduct applies to students while traveling to and from school or to and from a school activity to the same extent as if the student were on school grounds. Appropriate disciplinary actions may be taken against commuting students who violate the district's Student Code of Conduct. The preceding paragraph also applies to student conduct on school buses. Students shall be instructed in safe riding practices. The driver of a school bus shall not operate the school bus until every passenger is seated. In addition to other disciplinary measures provided for violation of the district's Student Code of Conduct, the student's bus transportation privileges may be suspended or terminated for violations of the Student Code of Conduct related to bus behavior. Students are eligible to receive district bus transportation if they meet the district's requirements for riding a bus. The transportation to and from school of students who have lost their bus transportation privileges is the responsibility of the student's parent or guardian.

The list below is for clarification on bus-specific situations that may vary from the school handbook's expectations.

1. Anything that distracts the driver will not be tolerated and is a safety issue.
2. Only items needed for academics at school are allowed on the bus. Note: Any instrument that does not fit in the student's lap without sticking up over the seat back is not allowed on the bus.
3. No food and drinks shall be consumed on the bus. An excessive mess will result in disciplinary action (see below).
4. There is to be no profanity or vulgar language on the bus.
5. Any students taking pictures or videoing other students on the bus will be
6. Ride calmly, quietly, and correctly. Anything else is a safety concern, including blocking the aisle.
7. Any act of Vandalism/Defacing/Destruction of School Property including messing with safety equipment will result in disciplinary action (see below).
8. Bullying, physical contact, or verbal abuse will not be tolerated in any form on Russellville School District buses.

Discipline

Every student is treated fairly and equitably when receiving consequences for discipline. Our procedure is to follow a firm but progressive approach to discipline. The Transportation Director can revoke riding privileges beyond a 10 day suspension based on the severity of the incident(s).

Process:

1. A report must be filled out to launch an investigation. Incidences are handled in order of severity.
 - a. Who fills out the report?
 - i. Building Administrators - based on student report or patron.
 - ii. Drivers
 - iii. Transportation Office - based on student report or patron.
2. Transportation will investigate and collect evidence of the incident.
3. Transportation will decide the course of action for consequences to be implemented.
4. Transportation will contact the parent and explain the incident and consequences.
5. Transportation will send a report to the building administrator to be given to the student to notify them of their consequence.

Transportation will track incidences and follow procedures consistently and equitably for all students.

Consequences

At any time, the Transportation Director can determine any step can be skipped based on the severity of the incident.

Grades K-5

1. Bus driver intervention (redirections, warnings, or assigned seating), verbal warning from Transportation Director, and/or a parent contact.
2. Written warning from Transportation Director and parent contact.
3. First suspension is 3 days and parent contact.
4. Second suspension is 5 days and parent contact.
5. Third suspension is 10 days and parent contact.
6. Fourth suspension is-for up to a calendar year.

Grades 6-12

1. Bus driver intervention (redirections, warnings, or assigned seating), verbal warning from Transportation Director, and/or a parent contact.
2. Written warning from Transportation Director and parent contact.
3. First suspension is 5 days and parent contact.
4. Second suspension is 10 days and parent contact.
5. Third suspension is-for up to a calendar year.

Severity Clause: A student who distracts a bus driver from his/her responsibility of safely driving the bus or who engages in conduct endangering other students such as but not limited to fighting, smoking, or disrespect toward the bus driver will receive an immediate suspension from riding if a severe infraction occurs. Suspension time for a severe infraction could result in the denial of bus riding privileges for the remainder of the year. Suspension includes all activities, trips, or other events.

Specific Acts Details

Terroristic Threatening

Any behavior that falls under Terroristic Threatening will be automatic removal for the remainder of the school year at a minimum up to permanently being suspended from transportation.

Vandalism/Defacing/Destruction of School Property

Grades K-12 Vandalism/Defacing/Destruction of School Property

Restitution will be up to \$100.00 per item, mandatory 3-10 day bus suspension, and suspension extended indefinitely until restitution is paid. A second offense will result in the maximum restitution and suspension up to a year and the student cannot ride the next year until restitution is paid. Suspension includes all activities and trips. Three acts in a 12 month period will result in loss of riding privileges permanently.

Excessive Food Mess

Grades K-12 Excessive Food Mess

Restitution will be up to \$50.00 per incident, mandatory 3-10 day bus suspension, and suspension extended indefinitely until restitution is paid. A second offense will result in the maximum restitution and suspension up to a year and the student cannot ride the next year until restitution is paid. Suspension includes all activities and trips. Three acts in a 12 month period will result in loss of riding privileges permanently.

Concerns

Students will always be treated equitably and with respect. If a student has a concern with something happening on the bus or stop, they need to report it to the driver immediately. If the student is not comfortable reporting it to the driver, they should report it to their building administrator immediately. RSD cannot help unless we are aware of the situation. When reporting, please consider providing the following information to help us investigate accurately and with efficacy:

- The reporter's name and contact information.
- The names of all individuals involved.
- Descriptions of each individual involved.

- Which bus or stop.
- Which section: shuttle or route.
- Where on the bus: front, middle, back, driver side, or passenger side
- Approximate time or section of route: specific time or window of time.

If the guardian has any concerns, please report to the driver, building principal, or Transportation Office as soon as possible so we can work together to resolve the situation.

Athletic Handbook

Updated April 6, 2026

Forward

The Russellville Cyclones Athletic Handbook is presented to you because you have indicated a desire to participate in the athletic program of the Russellville School District. It serves as an information guide for all parents who have expressed a willingness to permit their child to participate. Participation in interscholastic sports provides a wealth of opportunities and experiences that assist students in personal growth and maturation.

As educators, coaches, and administrators, our goal is to organize and administer a broad-based athletic program that will allow students with athletic interest an opportunity for safe participation in the sports of their choice. Our programs will provide experiences that enhance each student's growth and maturity academically, socially, and physically. The Russellville athletic program will also serve as a source of pride for participants, our school district, and our community.

Our staff is committed to providing:

1. An opportunity to earn a roster position through a tryout process.
2. Adequate equipment and facilities.
3. Well trained coaches.
4. Equalized competition.
5. An atmosphere of fairness and sportsmanship through competition.

Likewise, as a student-athlete, you must commit to a standard of conduct and effort that exemplifies the fulfillment of certain responsibilities and expectations of the proud tradition of the Russellville Cyclones Athletic Program. While this handbook merely serves as an overview and does not attempt to cover every situation that could arise, it is our hope that through this information guide our students and parents will have a better understanding of these responsibilities.

UNDERSTANDING OF RULES AND REGULATIONS OF THIS HANDBOOK

We hope that the parents and athletes understand the rules and regulations covered in this handbook. If a rule or regulation is broken and dismissal from a team is necessary, then the parent will be notified why the dismissal took place. It should be understood that the coach and administration has the final say and the final authority regarding dismissal from a team.

***Any athlete or family members of an athlete that are removed from an athletic event by an official, police or administrator is subject to suspension from all athletic events for the remainder of that season or that year.**

***Any fan that disrupts an athletic event is subject to suspension from all athletic events for the remainder of that season or that year.**

PHILOSOPHY OF THE RUSSELLVILLE ATHLETIC DEPARTMENT

The philosophy of the Russellville Athletic Department is to maintain a broad-based program that will afford all students with athletic interest an opportunity for safe participation in the sports of their choice. The coaches shall deal with the athletes with firmness and fairness in order to establish the leadership they respect and admire.

GOAL OF THE RUSSELLVILLE ATHLETIC DEPARTMENT

The student athlete will develop the skills necessary to become independent problem solving adults and become a positive influence in society, not just a good athlete.

REQUIREMENTS FOR PARTICIPATION

Remember that as an athlete you are not eligible to participate in any sport until the following items have been completed. These forms are available for parents to complete on the Dragonfly website. Dragonfly is the eligibility website that is provided by the Arkansas Activities Association. Parents will be given instructions on how to use Dragonfly at their athlete's parent meeting.

[DragonFly](#)

1. **Physical examination** completed and on file in Dragonfly.
2. Completed **Emergency Consent Authorization** form and on file in Dragonfly.
3. Completed **Consent for Drug Testing** form and on file in Dragonfly.
4. All **eligibility requirements** have been satisfied as established by the Arkansas Activities Association.

ATHLETE'S RESPONSIBILITIES

1. **In the classroom:** In the academic area, the athlete is expected to become a good student. A good student does not mean all "A's". A good student means doing their best in academics.
2. **Practice & Games:** The athlete is expected to attend regardless of holidays, job commitment, social activities or week-ends.
3. **Absences:** An athlete should consult his/her coach before missing practice. Missing practice or an event without good reason is not acceptable. An athlete missing for any reason is expected to make up the practice session. Disciplinary action will be at the discretion of the coach.
4. **School Attendance:** Students who miss school or check out on the day of an athletic event will not be allowed to participate unless they missed for an emergency or the building principal excused their absence.
5. **Out of School and In School Suspension:** If an athlete is suspended from school or is assigned to In School Suspension, they may not attend, play, or practice in any school extra-curricular activity and no coach or school personnel will be allowed to work them out until they have completed their suspension.
6. **Eligibility Guidelines and SIP School:** The athletic department encourages the academic excellence of all athletes. The eligibility requirements are those set forth by the Arkansas Activities Association and the State Department of Education. Students that are not eligible can practice with the team as long as they have permission from the head coach. The student can practice, but they are not permitted to play in a game or travel with the team.

Eligibility rules are as follows:

- All first semester 7th and 8th grade students have no requirements to be eligible as long as they have been promoted for any reason.
- Second semester 8th grade students must pass (4) academic courses the previous semester as specified by the Arkansas Dept. of Education's Standards for Accreditation of Arkansas Public Schools.
- First semester 9th grade students must pass (4) academic courses the previous semester as specified by the Arkansas Dept. of Education's Standards for Accreditation of Arkansas Public Schools.
- Second semester 9th grade students must pass four academic classes and have a 2.0 GPA to be eligible for their 10th grade year.
- If you are in 10th, 11th or 12th grade you must pass (4) courses and have a 2.0 GPA.
- If a student passes (4) courses but doesn't have a 2.0 GPA, he/she can attend SIP classes.

Head Coaches and the Athletic Director can provide information regarding the SIP Program.

7. **Care and Responsibility for Equipment:** Equipment should be turned in within one week following the end of the season. An athlete is financially responsible for all equipment checked out to him/her. The cost of destroyed/lost equipment will be replacement costs. An athlete must treat school equipment as though it were his/her personal property. It should never be abused. If an athlete is involved in the theft of school equipment, he/she could be dismissed from the team.

8. **Student Athletes and Social Networking:** As a student-athlete, one is a representative of the school and community and always in the public eye. The Athletic Department advises student-athletes to exercise extreme caution in their use of social media outlets. Student-athletes should keep the following information in mind before participating in social networking:

- Always represent oneself and one's school respectfully.
- Once any text, photo, tweets, or video is placed online, it is completely out of your control, regardless of whether you limit access to your page. Assume that everything posted is permanent.
- Student-athletes should not post inappropriate information or pictures on social media outlets that damage or embarrass you, your family, your team, the athletic department or school. This includes information, photos, tweets and items that may be posted by others on their page or on your page.
- Do not post disrespectful comments or engage in inappropriate behavior such as the following:
 - Derogatory or defamatory language
 - Derogatory or defamatory comments about teammates, coaches, officials, opponents, athletics or the school.

Student-athletes could face disciplinary action and even dismissal for violation of school, team, athletic department, or Arkansas Activities Association policy or rules.

9. **Bullying and Hazing:** Bullying and hazing of any kind will not be tolerated. (Refer to the Russellville School District Handbook.)

10. **Proper Conduct and Sportsmanship:** Proper conduct and good sportsmanship are expected at all times. Athletes should be good role models both in and out of the classroom. As ambassadors of Russellville Public Schools, student-athletes and coaches should strive to represent the very best spirit and tradition of athletics. Remember that athletes not only represent oneself, but one's teammates, coaches, the entire athletic department, the school and community. Student-athletes shall exemplify good sportsmanship on and off the field of play, during pre- and post-game comments to the media, and when traveling and participating at other institutions. Profanity, derogatory comments or other intimidating actions directed at officials, student-athletes, coaches or team representatives will not be tolerated.

ATHLETIC DEPARTMENT POLICIES

1. Athletic Participation

- Students will be encouraged by the coaching staff to participate in any sport they desire.
- The head coach in each sport has complete discretion as to who plays, how long they play, and under what circumstances they play or do not play.
- Try-outs: Sports that are limited in number of participants will conduct try-outs based on ability, potential and grade level. Selection of the team will be at the discretion of the coach.

2. Dropping And Transferring Sports

- Students who drop a sport may not rejoin the team until the next tryout period. (Exceptions will be granted for reasons deemed worthy of appeal by the Athletic Director)
- An athlete who quits a sport is not allowed to participate in another sport without the consent of both coaches involved or until the season of the sport he/she quit has ended. (Exceptions will be granted for reasons deemed worthy of appeal by the Athletic Director)

3. Travel

- All students will ride to school events (games, performances, etc.) on an RSD bus. If there are extenuating circumstances, please contact your building principal.
- If parents/guardians would like their child to ride home with them from the event, they will sign them out at the actual event.
- If parents would like their child to ride home with someone other than the parent/guardian, parents need to write a note to the school principal, with their phone number on the note, asking for permission to do so, prior to students departing for the event. (Parents need to write a separate note for each event.)
- The building administrator or their designee will call parents to verify each note unless it is delivered in person.
- Athletes will remain with their squad and under the supervision of their coach when attending away games or events.
- All regular school bus rules will be followed, including those pertaining to food, noise, remaining in seats, and care and respect for equipment.

4. College Recruitment Policy

- The Russellville Athletic Department and our coaches will work with college coaches to provide them with the information and material needed for a complete evaluation. Our staff does not make decisions regarding who gets recruited or offered scholarships. We have multiple college coaches that evaluate Russellville athletes in all sports every year. Ultimately, it is their decision as to who they recruit.

5. Injuries/Illness Notification

- In effort to provide safe participation in all athletic activities, it is of the utmost importance that our coaches and training staff be informed of all injuries or illnesses no matter how minor. Please provide timely notice of any doctor's orders or recommendations pertaining to participation.

6. Conflicts in Extra-Curricular Activities

- Coaches recognize that each student should have the opportunity for a broad range of experiences in the area of extra-curricular activities; and to this end, will attempt to schedule events in a manner so as to minimize conflicts.
- Students have a responsibility to do everything they can to avoid continuous conflicts. This would include being cautious about participating in too many activities.
- When conflicts do arise, coaches will do their best to work out a solution. If it becomes obvious that a student cannot fulfill the obligation of a school activity, the student should withdraw from that activity. However, before the withdrawal occurs, the student, parents, coaches, and administration should strive to reach a solution if possible.
- Students shall not be disciplined for participating in another extra curricular activity.

7. Discipline Procedure Disciplinary action is a result of a violation of school, team, athletic department, or Arkansas Activities Association policy or rules. Disciplinary action on a particular team shall be at the discretion of the coach and should be expected to be uncomfortable. All disciplinary action shall be firm, fair, and consistent with all athletes. Any continued pattern of behavior may result in dismissal from the team.

- Disciplinary actions on a team may include but are not limited to:
 - Physical punishment before or after practice - at the coaches discretion
 - Parent meeting with the coach and athlete
 - Suspension from a portion or all of a competition
 - Suspension from a team for a period of time at which the coach is expected to accommodate supervision of the athlete during this time period

Disciplinary action shall be handled by the coach of the team that the athlete is currently participating on. Though an athlete may compete for multiple teams throughout the year, a coach whose team is not in season shall not discipline an athlete on another team without direct communication with and approval from the in season coach.

8. Dismissal from a Team Dismissal from a team is not and should not be the first option when disciplining a student athlete unless the offense is severe enough to dictate such action. It is our philosophy that we will work with student athletes to help them to grow and mature within our programs so long as their infractions are not causing repeated disruptions to the team.

- Reasons for dismissal may include but are not limited to:
 - Any pattern of behavior that is detrimental to the teams culture
 - Drug or alcohol use
 - Bullying or Hazing other athletes
 - A threat of violence to another athlete or coach
 - Repeated discipline referrals and/or suspensions from school

- Not meeting eligibility requirements
- Not completing dragonfly requirements in a timely fashion so as the athlete misses multiple practices or competitions
- Repeated unexcused absences from practices or competitions
- Severe insubordination toward a school employee

Dismissal from a team shall not be a result of an athlete's participation in another sport or school related activity so long as the participation has been clearly communicated beforehand.

If a rule or regulation is broken and dismissal from a team is necessary, then the parent will be notified why the dismissal took place. It should be understood that the coach and administration has the final say and the final authority regarding dismissal from a team.

GENERAL INFORMATION CONCERNING ATHLETICS

SUMMER WORKOUTS: All athletes are expected to maintain their physical conditioning throughout the summer. Coaches should inform athletes of any special workout programs to be followed. Weight rooms and gyms will be open as scheduled through the summer.

TEAM CAMPS: Coaches may enroll their teams in organized team camps during the summer. Athletes are encouraged to attend if possible.

INCLEMENT WEATHER: If school is canceled due to inclement weather, practices and games will be decided by RSD Administration. In the event that conditions improve throughout the day, practices may be allowed but may not be mandatory for the athletes. Administration must be notified of any team requesting to have practice on inclement weather days and approval must be granted before a practice can be scheduled.

DRUG TESTING: Any athlete who participates in extracurricular activities will be subject to a random drug test. The drug testing consent form is on the Dragonfly website. Names of the athletes are selected by an outside agency. Any athlete who tests positive to a drug test will be disciplined according to the Russellville School District Drug Testing Policy. (See Drug Testing Policy-link below) Students that are disciplined for vaping have the option of being tested to show that no illegal substances were vaped. If a vape test comes back positive for an illegal substance, the student will go into the drug testing protocol.

Consequences of a Positive Test:

1. The parent/guardian and student will be notified forthwith of a positive test result. A due process hearing will be conducted by the Drug Advisory Committee with the student/parent/guardian.

Test

- a. Urine Screening Test If a sample tests positive for any controlled substance, the sample will be immediately retested. In the event that the second test reports negative, the sample will be considered negative for reporting purposes. A second positive test will result in the sample being immediately delivered to a SAMHSA certified laboratory for GC/MS confirmation with results provided to the school in one or two

days. If the confirmation test is negative, no further action will be taken.

b. Independent Agency Test Upon receipt of a positive lab test result from an independent testing agency, student/parent/guardian may, within 24 hours of notice to them, request a confirmation test of the original sample at their expense. If the second test is negative, no further action will be taken.

2. First Offense -- Any student, for a first offense, who the District determines has tested positive will be on probation for ninety days. During probation, the student may not participate in athletic/spirit competition or practice until they can produce a negative test according to policy guidelines. Once a negative test result is received, the student will be allowed to resume participation. During probation the student must complete a drug-counseling/rehabilitation program that is recognized and accepted by the District. During probation the student will be tested each month. After ninety days, and if all further test results are negative, probation will be lifted. All testing and drug-counseling/rehabilitation while on probation will be at the expense of the student.

3. Second Offense – A positive drug test for a student on probation or who has previously been on probation for a positive test will result in the student’s loss of participation privileges in athletic/spirit group activities for six months or the rest of the semester, whichever is greater. The student will also be required to complete another drug-counseling/rehabilitation program.

4. Third Offense – A positive drug test by a student who has had two prior offenses will result in the student being prohibited from participation in athletic/spirit group activities for the remainder of his/her enrollment in the Russellville School District.

5. The District recognizes that there will be the possibility of trace residual drugs in students who have previously tested positive. The Drug Advisory Committee will take this into consideration when determining second and third offenses.

6. Any student refusing to submit to a drug test will not be allowed to participate in any athletic/spirit group activities for the remainder of the school year or six months, whichever is greater.

7. Student drug test results will be maintained at the District Central Office in a secure file cabinet. No files will be removed from the Central Office, and only the Athletic Director and the Superintendent will have access to the files. Records will be destroyed within six (6) months of the student’s high school graduation. Appeals Process All actions for student violations of the drug testing policy may be appealed by the student utilizing the District’s appeals process.

SPIRIT GROUPS: This entire Athletic Handbook pertains to all members of any spirit group.

A. AACCA Safety guidelines will be followed.

B. The primary goal is to promote school spirit in the school and at athletic events.

C. All Try-outs will be held in the spring.

D. Competition is at the discretion of the Coach.

E. Spirit Groups are allowed to have handbooks with additional rules and regulations. However, they must remain consistent with the rules for dismissal of students as other sports and also follow the guidelines of the other sports in the athletic department as well as the RSD Spirit Squad Handbook linked below:

[District Spirit Squads Handbook](#)

PARTICIPATION OF ATHLETES IN DIFFERENT SPORTS:

1. The athletic department's philosophy is that each sport complements the other, both physically and competitively.
2. Students will be encouraged by the coaching staff to participate in all sports.
3. Try-outs: Sports that are limited to a predetermined number of participants will conduct try-outs based on ability and grade level. Selection of the team will be at the discretion of the coach.
4. An athlete must complete his/her season in the sport they are involved in before they can try-out for another sport.

EXTRACURRICULAR ACTIVITIES-HIERARCHY OF ACTIVITIES AND EVENTS

Students may be involved in numerous organizations and find themselves with activities scheduled on top of each other. The following hierarchy of events is to help give order to conflicts that arise between organizations. The order is listed from highest priority to lowest priority.

- AAA Sanctioned State Events that have an assigned AAA calendar week
- AAA Sanctioned Conference/Region Tournaments/Region Assessments/Region Clinics that have an assigned AAA calendar week
- AAA Sanctioned Regularly Scheduled Conference/Region events (example – regular conference games)
- AAA Sanctioned Non-Conference/Invitational events that are on the school calendar
- Local Activities and Events that are on the School Calendar prior to the start of the school year
- Events that are not on the School Calendar at the start of the school year
- Performances/Competitions/Ball Games will take a higher priority over practice

UNDERCLASSMEN PLAYING ON VARSITY TEAMS: Only special circumstances would allow a student to participate in a sport higher than their grade level unless they are in the 9th grade and they are trying out for a sport not offered at the Junior High level. Circumstances would be evaluated by the coaching staff, athletic director, and the student's parents.

Underclassmen may only be allowed to participate on a varsity team if the following requirements are met:

1. The athlete must be moved at the beginning of the season, and the move must be agreed upon by the coaches, parents, and administration.
2. If the athlete's junior high season has ended the athlete can be moved up to participate on the varsity level at the coaches discretion. This too must be agreed upon by coaches, parents and administration.

ONLY ATHLETES THAT ARE ELIGIBLE TO PLAY IN VARSITY EVENTS WILL BE ALLOWED TO DRESS OUT FOR THE VARSITY EVENTS. THEY WILL BE ALLOWED TO DRESS OUT FOR JUNIOR VARSITY EVENTS.

HOW TO REPORT A COMPLAINT When reporting a complaint, the procedures are as follows:

1. Contact the coach who had direct supervision of the athlete at the time. If satisfactory resolution of the complaint is not made, then;
2. Contact the Head Coach of the sport in which the athlete was participating. If satisfactory resolution of the complaint is not made, then;
3. Contact the Athletic Director of the Russellville School District. If satisfactory resolution of the complaint is not made, then;
4. Contact the Superintendent of the Russellville School District.

INTRODUCTION

Welcome to the Russellville School District Athletic Department. I am excited to work alongside you to build and strengthen your programs. As an alumni, I am very passionate about the pride associated with being a Gale, Whirlwind, and Cyclone. We will work together, support each other, and create programs that our student-athletes are proud to be a part of, and that our community is proud to support.

Our district's mission is to ensure the promise of the RSD Graduate. In doing so we are building the profile of an RSD Graduate by promoting the following qualities: responsible citizen, empathetic leader, innovative achiever, inclusive collaborator, and critical thinker. This promise of an RSD Graduate demands that every student receive our best every day.

The Athletic Program in the Russellville School District is designed to provide a variety of sports that meet the needs and interest of a diverse student population. It is our desire to maintain programs that increase athletic interest and create a safe environment for participation in the sports of their choice. Our Athletic Program will offer students the opportunity to represent their school, develop positive relationships with coaches and teammates, promote self-discipline, and ultimately leave our programs a better person. It is important for our coaching staff, athletes and parents to understand that participation in our programs is a privilege to those who possess the ability, attitude, cooperative spirit and desire to be a part of our teams. It is our goal that student-athletes develop skills necessary to become independent, successful and contributory members of society.

As coaches, we will strive to function as a unified community within this district, and not create an island for ourselves or our programs. As coaches of the Russellville School District we will strive to treat all coaches and all programs with respect and dignity, and seek ways to support each other within the profession. We are one athletic program!

As coaches, we will treat all athletes with respect and fairness and establish positive relationships. We will create programs that have high expectations for discipline, attainable goals and encourage hard work. We will work to motivate players to be better students in the classroom, and within the sports program. Coaches will instill in them the desire to positively represent our school and community in a manner that creates pride. Finally, all coaches will put academic success first at all times.

This handbook is designed to give guidance and direction to the coaching staff. Hopefully this handbook can be a guide to help you with your day to day coaching assignment.

Cordially,
Ben Goodman
Athletic Director
Russellville School District

RUSSELLVILLE ATHLETIC DEPARTMENT RULES

A. Coach Expectations/Responsibilities

1. Be committed to your role in the classroom and strive to be excellent teachers.
2. Have clear knowledge of the AAA Handbook of Rules and Regulations as well as the regulations and policies set forth by the Russellville School District.
3. See that your particular sports are conducted on the highest level possible at all times, not only with the conduct of the coaches, but also the athletes involved in your programs.
4. Conduct parent meetings prior to the beginning of your individual sport's season.
5. Provide the AD's office with the date of parents' meetings. (AD is available to attend if needed).
6. Be positive role models who set high standards of conduct. Don't expect kids to act in a way that you are unwilling to model.
7. Continue to remind players that they represent the Russellville School District; therefore, their conduct on and off the field/court should be exemplary in both actions and appearance.
8. Enforce team rules and regulations. (If coaches do not enforce *some* of the rules, it is hard to justify enforcing *any* of them. Be fair but consistent.) These rules and regulations should be consistent across all programs.
 - a. Students suspended from school are not eligible to participate in games or practices during or after school on the suspension days.
9. Consider the matter very carefully (*think about it overnight*) before dismissing an athlete, avoid spontaneous decisions concerning this. Make sure the decision is based on well documented patterns of behavior, and demonstrates multiple parent contacts.
10. Notify parents immediately when dismissing an athlete or if an athlete quits. If you are not a varsity head coach, make sure the varsity head coach is aware of the situation.
11. Avoid open criticism of fellow coaches. (Problems *can* be and *should* be handled discreetly without attacking the integrity of others. Do not discuss personality problems publicly.)
12. Conduct themselves as professionals and continually strive to promote the profession and the overall program.
13. Do not criticize or marginalize another sport in our program.
14. Encourage athletes to take part in all sports. (It should not be implied that an athlete should give up one sport in favor of another; specialization is not to be encouraged.)

15. It is the expectation that all sports utilizing district facilities should engage in off-season and in-season lifting. If an athlete is not in an offseason they should have a year of in-season lifting in order to gain strength.
16. Coaches are expected to work with one another for use of the weight room facilities. These areas are expected to remain neat and orderly.
17. In-season sports will always take priority over off-season conditioning.
18. Coaches and athletes, both in-season and off-season, should communicate to ensure that athletes have the best chance of competing at the highest level for that in-season sport.
19. Disciplinary action shall be handled by the coach of the team that the athlete is currently participating on. Though an athlete may compete for multiple teams throughout the year, a coach whose team is not in season shall not discipline an athlete on another team without direct communication with and approval from the in-season coach. Once your season ends, you are not permitted to extend punishment into another coaches season with an athlete. Communication among coaches is encouraged.
20. Turn in necessary paperwork on time. (bus requests, incident reports, inventory etc.)
21. Do everything possible to make sure that all athletes exhibit good behavior in the classroom and on the campus.
22. Manage your sidelines. Other than competition, this is the area that the public notices the most.
23. Strive to work closely and cooperate with the principal and teachers to promote the overall well being of athletes in terms of ACADEMICS, LEADERSHIP, and ATTITUDE.
24. Communication with parents is an expectation. In order to ensure the safety of all students, communication must be clear and timely.
25. Recruiting athletes outside of our district will not be tolerated.
26. Be knowledgeable and enthusiastic, displaying the same attitudes that you want reflected by their players and preparing their teams to the best of their abilities.
27. Follow the chain-of-command should issues not be resolved:
 - a. Athletic Director.
 - b. Deputy Superintendent.
 - c. Superintendent.

 - Coaches will work to make sure that the “A” and “B” games are as consistent as possible.
- Coaches will conduct tryouts for the sports of volleyball, basketball, cross country, and spirit team.
- Coaches will be able to have an unlimited number of students for the sports of football and track and field.
- The teaching of fundamentals and athlete participation will be stressed for the coaches at the 7th grade level.

- In some sports, cuts may be necessary, but efforts will be made to keep these at a minimum.
- Strength training should be an emphasis at this level
- Parents and students need to understand, at a parent meeting, that practice and playing time may be even less than at the lower levels of competition, though participation will still be stressed in the 8th grade.
 - Junior High emphasizes developing its athletes to someday become successful high school athletes in order to help build a solid foundation for high school sports.
 - With dedication and continued effort to improve, many young student athletes may contribute to team success in later years.

C. RHS

- Includes 10th-12th grades, and at times 9th grade. RHS athletics are expected to produce a high level of competitiveness.
- Strength training is expected to be stressed at this level.
- Must often limit its number of participants. Still, in most cases, students are allowed to try out each year for teams of their choosing. Most sports also offer a JV team where participation will be stressed.
 - ★ Exceptions to this are students who have been chronic discipline problems in athletics or have committed serious discipline offenses against the school or team.
- When tryouts are necessary, the coaches will design the tryout format. Coaches that conduct tryouts for their teams, will be responsible for notifying athletes that do and do not make their team.

13. Fill out any reimbursement forms and turn in to the AD's office as soon as possible, but at least within two (2) weeks of a trip.

 - For outdoor sports, coaches need to have a cell phone easily accessible in case of an emergency.
21. At NO TIME will the use of cell phones be permitted while driving a bus. (If coaches need to answer cell phones or make calls while driving a bus, they must pull over and stop.)
22. Avoid cell phone use and email usage for anything other than information. In other words, DO NOT get into a discussion about personal matters or respond via text or email unless it is strictly to disperse information.
23. Parent and student meetings need to be conducted in person and not through text, especially disciplinary meetings.
24. Direct-bill all meals/rooms, etc... when possible. The athletic office will set up hotel reservations for teams needing to stay overnight.

29. SUPERVISE ATHLETES AT ALL TIMES Failure to do so is a violation of the Arkansas Code of Ethics Standard 2. Coaches are responsible for supervising their locker rooms. Students cannot be left unattended in any of the facilities before, during, or after practice. **Lack of supervision is the number one write up for coaches.**
30. Encourage athletes weekly:
 - To lock all valuables in their lockers during practice. Do NOT leave money in the locker room. Most theft occurs when the athletes are at practice.
 - It is virtually impossible to lock the locker rooms all the time; it is easier for athletes to lock their individual lockers.
31. ~~Use Life Touch Photography when taking team/group pictures. Coaches will:~~
 - ~~● Coordinate with Life Touch and the athletic department to set up a time for their team picture and individual pictures.~~
 - ~~● Get picture forms from the athletic office to hand out to their athletes a few days beforehand.~~
 - ~~● Do not schedule any pictures that conflict with class times (except their own practice times).~~
 - ~~● Schedule team and individual pictures close to the beginning of their seasons — not at the end.~~
32. Coaches will be responsible for establishing a system in which they can contact players and parents with information concerning practice times, game times, and any other information that can be conveyed in a timely manner. This is useful when notifying parents of game location or cancellations.

34. Coaches are responsible for maintaining the requirements put forth by the AAA and the state of Arkansas to coach in the Russellville School District.
35. Coaches should provide their email address and their phone number (either cell or work) to their athlete's parents.

JUNIOR HIGH and MIDDLE SCHOOL ATHLETICS

The objectives for junior high and middle school athletics are for as many students as possible to:

1. Prepare for senior high athletics.
2. Participate in athletic activities.
3. Develop physical skills and coordination.
4. Share in teamwork and encourage participation.

Attributes of a GOOD JUNIOR HIGH and MIDDLE SCHOOL COACH are that he or she:

1. Enjoys working with athletes in the junior high and middle school age group.
2. Is skilled at being highly organized with large groups of kids with limited attention spans
3. Utilizes time so that careful planning is a necessity.
4. Gives 100% cooperation to the principal – is an asset to the school.
5. Remember that he or she is not only building a successful junior high and middle school program, but also aiding in the development of the senior high, understanding that all coaches must work together and be supportive of each other.
6. Work as a team under the direction of the head high school coach and take pride in the success of the high school program.

WORKING RELATIONSHIPS BETWEEN BUILDING LEVEL COACHES

The relationship between the senior high and junior high and middle school coaches must be one of mutual respect and understanding for a well-balanced and coordinated program in grades 7-12.

1. High school coaches, in all sports, must realize that their success depends on the junior high and middle school programs.
2. The head coach of each respective sport in the senior high is responsible for coordinating that program in grades 7-12.
3. The head coaches' philosophies as well as techniques and fundamentals must be adhered to by junior high and middle school coaches, but the head coach should be open to suggestions and ideas from the coaches in middle school and junior high.
4. Senior high coaches are responsible for holding meetings with all the coaches in their programs at the junior high and middle school level; *good communication is a must!*

PARTICIPATION REGULATIONS

- A. **LEAVING/DISMISSAL FROM TEAM** If an athlete quits or is dismissed from one sport, he/she cannot start another sport until the end of the sport he/she has quit. The decision can be appealed to the athletic director.
- EXCEPTION: SENIORS, who at any time decide that a sport in which they are participating is not for them, may choose to leave that sport and participate in another sport. In other words, if a senior basketball player chooses to leave at any time, he/she could begin baseball, softball, track, or soccer practice.
 - Any athlete participating in TWO SAME-SEASON sports may drop one sport without affecting participation in the other.
- B. **ATTENDANCE** Any athlete who misses classes the day of a contest cannot participate in that day's contests. (Any exception must be approved by the head coach and the principal.)
- C. **ENROLLMENT** Athletes must be enrolled in four classes in school (minimum) to be eligible for athletics. An exception is if a student, in the last semester of their senior year, is enrolled in and attending regularly at least one academic course and is meeting all requirements for graduation. (*Coaches must check this, especially for seniors.*)
- D. **AAA REQUIREMENTS** Athletes who do not have physicals on file cannot practice or play. NO EXCEPTIONS! Athletes who do not meet all AAA eligibility qualifications are not eligible to participate in any varsity contest. This includes having a current Dragonfly account.

NCAA/NAIA ELIGIBILITY CENTER

This is an essential step in becoming eligible to play college sports. If a student wants to play NCAA/NAIA college sports and receive a scholarship, he/she will need to register and be cleared by the NCAA/NAIA. The Eligibility Center is the organization within the NCAA/NAIA that determines the academic eligibility and amateur status for all athletes. It is recommended that athletes begin the Eligibility process at the beginning of their junior year in high school.

The first step in registering for the NCAA/NAIA Eligibility Center is to Create An Account. This is all done online by going to the NCAA/NAIA Eligibility Center website. After creating an account, the athlete will have several more steps to submit transcripts, test scores, and answer a questionnaire. We encourage each prospective college athlete to communicate with the high school counselors since all transcripts must be sent directly from the counselors' office.

PHYSICALS & ATHLETIC INJURIES

A. PHYSICALS

1. It is the responsibility of head coaches to make sure their athletes have physicals before the beginning of their sports.
2. Athletes cannot practice or participate in contests without physicals.
3. The Athletic Dept. tries to secure free physicals for athletes 7th through 12th each year.
4. If athletes miss the free physicals, they are responsible for acquiring their own physicals with their family physicians at their own expense.

B. ATHLETIC INJURIES

1. Coaches should make the parents aware of all injuries sustained by their athletes.
2. An incident/accident report should be filled out for all injuries and turned into the AD's office.
3. For minor injuries, refer your athlete to our athletic trainer, Mike Hilton. Best practice is to contact Mike to discuss their availability and when he/she can see the athlete. Communicate with the parents as to the nature of the injury and encourage the parents to allow the trainer to evaluate their child.
4. Handle injuries with caution; if the situation warrants it, call for emergency treatment.
5. Communicate with the athletic trainer regarding all injuries. You shall follow the athletic trainer's recommendations regarding return to practice and games. If an athlete is under a doctor's care and the doctor has instructed the athlete not to participate, that athlete shall not practice or play until the doctor has released him/her.

INSURANCE

Russellville School District carries supplemental insurance for student athletes participating in AAA sanctioned activities. Important information to know about the insurance:

1. This insurance is secondary or supplemental to any other insurance. If the student does not have primary insurance, this policy will act as their primary insurance.
 2. The amount paid for an injury is set forth in the school insurance policy. The policy will not necessarily cover all costs, so please make sure parents are aware of this.
- Coaches should take blank claim forms on away trips in case needed. They can be printed from the school website or picked up in AD's office.
 - When submitting a claim, the coach and parent must both fill out parts of the form, then it is up to the parent to submit the paperwork directly to the insurance company. Contact information is on the front of the claim forms.
 - In the event of a dispute, it is in the best interest of the coach to keep a copy of the form and turn a copy in to the Athletic Office.

CYBER BULLYING

- A. Cyber Bullying is prohibited per RSD Board [policy 4.43](#) “Bullying”
- B. The crime of Cyber Bullying is described in [Arkansas Act 905 of 2011](#)
- C. Cyber Bullying reporting process is defined in [Arkansas Act 1029 of 2019](#)
- D. Cyber Bullying is defined in [Arkansas Act 115 of 2007](#)
- E. Social Media Conduct for Licensed Personnel is covered in [Policy 3.45R](#)

AWARDS & LETTERING POLICIES

A. SCHOOL AWARDS AND LETTERING POLICY

- Each Coach will be able to determine their requirements for lettering in their sport. The coach will need to let the athletes know what the requirements are to earn a letter.

B. LETTERING PROGRESSION

1. First Year-The first year an athlete letters, they will receive a letter.
2. Second Year-The athlete will receive a service bar to attach to the letter and a certificate.
3. Third Year-The athlete will receive an additional service bar and a plaque.
4. Fourth Year-The athlete will receive an additional service bar and a plaque.

C. OBTAINING LETTER AWARDS

- Coaches will be responsible for contacting the athletic office to submit their list of student’s lettering and to also obtain the service bars and plaques.
- Head coaches will be responsible for scheduling post season banquets and the presentation of letters and awards.

POST SEASON BANQUETS

A celebration of an athletic team is always encouraged in order to create excitement and further promote the accomplishments of its members. All post season banquets and/or awards ceremonies are considered school sponsored events and should be planned accordingly. It will be the Coaches responsibility to ensure the event follows school policies and to ensure the event meets district standards.

A. Guidelines

- Make sure to communicate plans to the Athletic Director and your school principal concerning the date and details of the function.
- It is always encouraged to use school facilities to host your events if at all possible.

- All Junior High banquets shall be held on school campus.
- If plans are being made to host a high school banquet off campus, approval must be obtained by the Athletic Director in advance.

PURCHASE OF EQUIPMENT

Athletic equipment and supplies are purchased each year for the athletic program, subject to approval by the athletic director.

- A. In determining the need for equipment, the athletic director will confer with the head coach.
- B. After needs are determined, the athletic director is responsible for the purchase of all equipment and supplies.

TRAVEL

Many hours are spent each year in travel to and from athletic events, and certain extra efforts need to be made concerning travel to avoid conflicts and problems; therefore, ALL COACHES are required to:

- A. Acquire AD approval before district transportation bus drivers can be furnished for trips.
- B. Discuss meal arrangements, rest stops, etc. with district transportation bus drivers, as soon as the coach boards the bus.
- C. Make sure district transportation bus drivers are aware that most tournaments provide hospitality rooms to which bus drivers are invited for food and drinks.
- D. Fill out travel schedules and get them to the transportation department so that buses may be scheduled at least 10 working days in advance.
- E. Notify transportation if there are any changes. It's easier to cancel than to find a driver at the last second.
- F. Report any damage to the bus BEFORE leaving the bus garage, for example, vandalism such as paint or cut seats, etc.
- G. Return buses as clean as or cleaner than when they went out; walk the aisles looking for trash, books, bags, coats, etc., and take these with you before returning buses to the garage.
- H. Notify transportation immediately of any problems with bus operations; safety always comes before anything else.
- I. Turn in all receipts, credit cards, etc., upon returning from the trip.
- J. Keep travel to a minimum so athletes will not have to miss classes anymore than necessary. (Tournaments are an exception.)
- K. Fill out athletic-related absence request forms ahead of time whenever possible.

DRUG TESTING

- A. All athletes will be eligible for drug testing. The drug tests take place four times per year, twice each semester. Athletes' names are drawn randomly by the drug testing company. Some athletes could be chosen multiple times and some may never be chosen due to the names being drawn randomly.
- B. Athletes who test positive on drug tests will be disciplined according to the Russellville School District Drug Testing Policy.

Consequences of a Positive Test:

1. The parent/guardian and student will be notified forthwith of a positive test result. A due process hearing will be conducted by the Drug Advisory Committee with the student/parent/guardian.

Test

a. Urine Screening Test If a sample tests positive for any controlled substance, the sample will be immediately retested. In the event that the second test reports negative, the sample will be considered negative for reporting purposes. A second positive test will result in the sample being immediately delivered to a SAMHSA certified laboratory for GC/MS confirmation with results provided to the school in one or two days. If the confirmation test is negative, no further action will be taken.

b. Independent Agency Test Upon receipt of a positive lab test result from an independent testing agency, student/parent/guardian may, within 24 hours of notice to them, request a confirmation test of the original sample at their expense. If the second test is negative, no further action will be taken.

2. First Offense -- Any student, for a first offense, who the District determines has tested positive will be on probation for ninety days. During probation, the student may not participate in athletic/spirit competition or practice until they can produce a negative test according to policy guidelines. Once a negative test result is received, the student will be allowed to resume participation. During probation the student must complete a drug-counseling/rehabilitation program that is recognized and accepted by the District. During probation the student will be tested each month. After ninety days, and if all further test results are negative, probation will be lifted. All testing and drug-counseling/rehabilitation while on probation will be at the expense of the student.

3. Second Offense – A positive drug test for a student on probation or who has previously been on probation for a positive test will result in the student's loss of participation privileges in athletic/spirit group activities for six months or the rest of the semester, whichever is greater. The student will also be required to complete another drug-counseling/rehabilitation program.

4. Third Offense – A positive drug test by a student who has had two prior offenses will result in the student being prohibited from participation in athletic/spirit group activities for the remainder of his/her enrollment in the Russellville School District.

5. The District recognizes that there will be the possibility of trace residual drugs in students who have previously tested positive. The Drug Advisory Committee will take this into consideration when determining second and third offenses.

6. Any student refusing to submit to a drug test will not be allowed to participate in any athletic/spirit group activities for the remainder of the school year or six months, whichever is greater.

7. Student drug test results will be maintained at the District Central Office in a secure file cabinet. No files will be removed from the Central Office, and only the Athletic Director and the Superintendent will have access to the files. Records will be destroyed within six (6) months of the student's high school graduation. Appeals Process All actions for student violations of the drug testing policy may be appealed by the student utilizing the District's appeals process.

DISCIPLINARY ACTIONS

- A. Head Coaches need to establish their rules and requirements for their teams. This needs to be conveyed each year at the parent meeting. Coaches will also be held to the rules in the Russellville School District Handbook as well as the Athletic Handbook.
- B. Any disciplinary action handed out to a student athlete needs to be accompanied with an explanation to the athlete and their parent/guardian.
- C. Before an athlete is removed from the team, the coach needs to make the Athletic Director aware of the situation and also notify the parent.
- D. The Athletic Director and higher administration will need to be involved when student athletes are arrested or have disciplinary issues away from campus.

SUMMER COMPENSATION

Coaches will be eligible to work during the summer and be compensated for their time. Head Coaches are responsible for submitting a summer calendar to their athletes for required practices. Coaches will be paid \$20 per hour for required practices during the summer break. These practices must coincide with the summer calendar that is turned into the athletic office by the head coach. Practices will include team camps and 7 on 7 tournaments. Head Coaches must turn in the time sheets and sign off for their assistant coaches time sheets. The Athletic Director will also sign off before submitting the time sheets to the Central Office. Coaches will only be compensated for time when they have direct contact with students. Coaches meetings, film sessions, and staff meetings, etc. will not count toward compensation of summer hours. Only mandated practices with direct student contact will count.

CONCLUSION

This handbook is not intended to dictate to you what you can and cannot do, but to serve as a helpful tool in implementing our various programs. As our school system changes and needs upgrading, so will our athletic program. Your ideas and suggestions are *always* welcome, as we all must be working toward the same common goals. We have to understand that *there is always room for improvement* if we expect our athletic program to advance. We look at revising both the coaches and athlete/parent handbook each year. As situations or concerns arise, please forward your thoughts via email to me.

Coaching is a difficult profession. Always remember that your top two goals each day are player supervision and player safety. Coaches should strive to get better each day and our athletic department should strive to get better each year. I have an open door policy and you are welcome to contact me at any time with your concerns or issues. I want to thank you for what you do for our student athletes and wish you the best of luck in our school district.

FAMILY AND SCHOOL PARTNERSHIP

Parents are welcome to visit their child's classroom. The program's "open door" policy means that parents are encouraged to participate in the program in any way that is comfortable. We believe that families and parents should choose the type and level of involvement that is meaningful for them and their student. For example, family members might enjoy volunteering time to read stories, coming to school for lunch, talking to the children about interests, helping teachers to make educational materials, accompanying a child's class on field trips, or being a part of the Advisory Committee.

Parents and others who volunteer in a classroom on a regular basis shall be required to complete a Child Abuse Registry checklist for the safety and security of all students.

This does not apply for occasional or periodic visits or for other volunteer activities.

Some children may experience difficulty in adjusting to a new environment and in separating from their parents and caregivers. This is considered normal and is planned for in the curriculum and quality care program. For that reason, parents are encouraged to consult with their child's teacher or the program supervisors about their own child's adjustment prior to beginning visits or volunteer activities, and to cooperate with suggestions made regarding visiting or volunteering.

VISITORS

Visits by parents and other family members are welcome. Students enjoy the opportunity to show their classrooms and school work to special adults. Parents and other family members are encouraged to participate in the life of our school by volunteering in a classroom or for a special project.

Visitors to the school **must report to the school office** upon arrival and make the office staff aware of their reason for visiting. In order to ensure the safety of our students, the school must know of any adults in the building and their purpose for being there. For this reason, **all visitors must sign in and sign out through the security system used at that building.** A visitor badge must be worn by the visitor. The visitor's badge will let staff members know that the visitor has followed the proper check-in procedure. Visitors must sign out before leaving the building in the same way. In the interest of safety and in compliance with Child Care Licensing Minimum Standards, a school staff member may ask for proof of identity. For lunch visits, parent/child must remain on site and in designated area.

Parents/Guardians who wish to conference with a teacher should plan to schedule a time that coincides with the teacher's preparation time or at another time that is convenient for both the parent and the teacher. **Classroom instruction time must not be interrupted for unscheduled parent/teacher conferences.** Parents/Guardians may schedule conferences through the pre-k office or by email communication with a teacher

Pre-K teachers may be available 12:00-1:00 p.m. and from 3:00 to 3:45 p.m. with prior notice.

Special arrangements may be made through the Pre-k program coordinator if needed.

Calls made to classrooms will go through the school offices and will not be forwarded during instruction time.

Calls may also be made to the Pre-k Program Office at 479-967-6025.

VISITS BY SIBLINGS OR OTHER CHILDREN WHO ARE NOT ENROLLED

Siblings or other family members of children in the program may visit briefly for a parent program or a school meal when accompanied and fully supervised by parents/guardians. Due to liability and child care licensure requirements, children who are not enrolled in the program may not stay for volunteer activities in the classrooms. Only enrolled and registered children may participate in classroom activities. There will be scheduled opportunities for all family members to visit the program throughout the school year. Pre-K children and younger children **may not be on elementary playgrounds** during school hours or during early mornings before the bell rings.

MORE ABOUT FAMILY/SCHOOL PARTNERSHIPS

All staff members recognize parents as their child's first and most important teacher. Effective partnerships with families include clear, honest, and two-way communication. Staff members are very interested to hear from you about things your child is doing at home and to work together with you to address any concerns you might have. While we know a lot about children, we are aware that you know a lot about your own child. Working together, we can ensure that your child's early learning experiences are successful and fun.

Parents agree to participate in three parent conferences annually, and are encouraged to invest in their student's success by participating in parental and family engagement activities at least quarterly. A parent orientation is required prior to student attendance.

Your child's teacher will send home activities regularly which may assist parents and other family members in working with students to help encourage learning. Reading a short book (or part of a book) or completing a fun activity with your child at some point during the day can be an enjoyable way to connect with your child and their learning at school.

These activities are intended to be fun and informative for family members and are not mandatory in any way. Each family's structure and daily schedule may impact family members' participation from time to time. Please speak with your child's teacher or the director if you have questions about any activity, or if you would like additional extension activities.

Your child's teacher will communicate with you in a variety of ways, and it is helpful for you to let the teacher know how best to reach you and communicate with you on a daily basis. Parents will be asked to respond to program evaluation questions periodically to assist the program in ensuring quality. Each center team will ask a parent to participate in the Advisory Committee, which will meet periodically with the director to further ensure program quality.

COMMUNICATION

Frequent and timely communication between home and school is essential. Teachers as well as the office staff welcome the opportunity to answer any questions that may arise. Parents/Guardians should read notes and/or newsletters that are sent home from the school with students. Each type of communication includes valuable and current information. The Russellville School District schedules two days of parent/teacher conferences each semester. It is important for parents to attend these conferences. Conferences with the teacher may be scheduled for times in addition to the planned conference days. These conferences should be scheduled with the teacher and may take place before school, after school, or during the teacher's preparation time. Keeping the "lines of communication" open will help all children to have a successful and positive school experience.

Parents are reminded that it is required that address, phone, and other means of contacting parents be kept current by notifying the teacher or pre-k office. Pre-k parents/guardians agree to this as a condition of enrollment. At least two emergency contacts are required.

EMAIL FORMAT FOR SCHOOL EMPLOYEES AND BOARD

An additional form of communication that is available to parents/guardians is through the e-mail system. Parents/guardians may contact teachers, administrators, and school board members in the Russellville School District by using the first and last name along with rsdk12.net.

Example: john.doe@rsdk12.net

MATERIALS BROUGHT FROM HOME

Students are not required to bring any learning materials for school. Families are asked to keep at least one full change of clothes including shoes for their child at school in case of messy spills or other mishaps. These should be labeled with the child's full name. Coats, jackets, and other items should also be labeled. Families having difficulty with providing this must let their child's teacher know so that alternate services may be provided. PRE-K PROGRAM INFORMATION CONTINUED

PROHIBITION ON RELIGIOUS INSTRUCTION ANNUAL NOTICE TO PARENTS/GUARDIANS:

The Arkansas Better Chance (ABC/ABCSS) regulations, Section 23.04.5 require that parents be informed at least annually of the following prohibition of religious instruction during the school day: “To assure that no religious activity is paid or subsidized by public funds or occurs in any manner suggesting governmental endorsement of any religion or message:

ABC funds must be used exclusively to support allowable ABC program costs incurred to provide non-religious instruction and activities during the ABC day; and no religious activity may occur during the ABC day regardless of the source of funds used to support the activity.” Note the reference to regulations (page 4) and the parent signature (page 1) regarding this notice.

SOCIAL AND EMOTIONAL DEVELOPMENT

The pre-k program promotes an atmosphere of mutual respect among staff, children, and families. This is important for all who interact with children. When staff recognizes and values the beliefs, customs, and traditions of each family, the child and family are best served. The basis of this learning is the **Conscious Discipline** approach. (<https://consciousdiscipline.com>) The following practices related to social and emotional development are in place:

- Students and families are reminded that the teachers and other staff are the safe keepers at school, and that children help in keeping school safe.
- Students receive direct instruction in learning personal care and safety: they have opportunities to develop independence by doing things for themselves and to learn to ask for help when needed.
- Students are helped and encouraged to make choices and to see the result of their choices. Students may be allowed to make mistakes as long as they are safe. For success in later schooling, it is important that students learn to make good choices on their own.
- Students are helped to learn to talk and to listen by engaging in ongoing, frequent conversations with other children and adults. This requires a lot of practice in talking and listening (taking turns) so that true communication may occur. Student learning in literacy supports the idea that what people say may also be written and read. Student learning in math and science supports concepts of collecting data and predicting.
- When there are conflicts, students are assisted in resolving them and in developing positive social skills.
- Students have opportunities to choose alone time as well as group activities. There are designated “cozy” or “quiet time” areas in each classroom that allow students to work alone for a time if they would like to.
- Students who have difficulty joining in group activities or in being safe with others receive direct instruction in developing these skills.
- Social and emotional development is fostered in a positive manner through children’s participation in learning activities which are designed to be inclusive and developmentally appropriate for the age and maturity level of the children.
- The development of tolerance for others and a respect for diversity are important skills in our society and contribute to success in later education. Students have multiple opportunities to practice these skills.
- Students learn school-based routines and competencies which help to ensure readiness for the next level of education in the school setting.

PRE-K PROGRAM INFORMATION CONTINUED

- For many children, especially those who have not been in pre-k or child care settings previously, the environment may feel noisy or overwhelming at times. For that reason, all classrooms are zoned so that noisier areas, such as the building block center, are separated from quieter areas such as the library/reading nook or the writing and computer center.
- The emphasis of the social-emotional curriculum is to assist students in learning skills to prepare them for success. Early intervention when there is difficulty means that the emphasis is upon teaching and not upon excluding children when problems arise.

HYGIENE PRACTICES:

Students are assisted in developing self-care skills in toileting and washing hands. They may help in serving meals or snacks. The pre-k program practices universal precautions, which means that staff are recommended to wear gloves when helping students and in assisting with cleanup of spills and accidents as appropriate. Students will be assisted in washing hands frequently to help them develop healthy habits. They may gain experience in applying sunscreen, lotion or lip balm if needed. Let the teacher know of allergies or intolerances. (See permission and signature form on Page 1 of the handbook)

Pre-k staff will ensure the highest quality of personal care for all students. Parents agree to provide all information for safety and to cooperate with independent toileting skills implementation if their student is not fully independent upon school entrance.

STUDENT CLOTHING FOR SAFETY:

Students are involved in multiple hands on learning activities daily. These activities may be messy. Aprons are provided to help prevent clothing from becoming stained. It is important that students be dressed in sturdy clothing that, for the most part, they can manage independently. A complete change of clothes (including shoes) is needed on hand at all times in case of a mishap. **For outdoor safety, students may not wear open toe shoes such as “flip-flops” to school.** Parents are encouraged to dress children in clothing appropriate for climbing, riding tricycles, and running. Any necklaces, lanyards, etc. must be breakaway cord for choking prevention. Jackets, coats, and sweaters may be very necessary at times. Please let us know if you have difficulty with providing any of this and we will gladly and privately help locate assistance.

POSITIVE STUDENT MANAGEMENT:

In order to assure a climate conducive to learning for all students, behavior expectations are a necessary part of a system for schooling. The school and school district strive to maintain expectations, which are consistent and clearly-stated. When students choose to disregard an expectation, they know there will be a response from an adult in charge. For any disciplinary infraction, consequences may range from a minimum of reprimand to the maximum of expulsion. Responses to disciplinary infractions may include a range of disciplinary action from a conference with the child to expulsion from school. The intent of the pre-k program is to prevent exclusion or expulsion from school by intervening early and providing strong support if students have difficulty with behavioral expectations.

Appropriate behavior is fostered by helping children learn to control (regulate) their own behavior and emotions and work out their conflicts. This is different than only relying on adults to manage their behavior. Positive management of student's places emphasis on preventing problems by attending to the room arrangement, having age-appropriate expectations, providing interactive activities for play and learning, and active adult monitoring and supervision. Students are taught to use words and to be direct about their needs. (example: “I don't like it when you take my puzzle. Ask me when you want something”) Teachers support this by supervising and assisting when words are hard to remember.

Students are taught very specific and simple concepts, or ideas, about behavior, so that they are easy to remember:

- We use walking feet indoors in our classroom and school.
- We use “indoor” or “small” voices indoors and “outdoor” or “big” voices outdoors.
- We use kind words and safe, helping hands at school and at home.
- We all help keep each other safe.
- We help our learning environment by working together.
- We take care of our school materials.
- We are a school family.

PRE-K PROGRAM INFORMATION CONTINUED

Notice that all of these expectations are worded in a positive manner. It is easier for children to remember what to do when expectations are worded in this manner.

Parents agree to work with pre-k staff in positive management of students and to provide all information for safety.

A parent interview is conducted to assist with providing appropriate and individualized services to students.

You may hear your child talk about skills which promote the ability to regulate emotional responses to stressful situations. Children will have opportunities to choose one of the soft/cozy areas in the classroom if they need a chance to relax. There are also "safe places" in each classroom with calming activities for children who are sad or upset. These are not punitive or punishing areas in any way, and are available in each classroom. You will receive information about these practices at your orientation meeting and throughout the year as students learn about their school family and how they contribute to the success and safety of everyone.

If there are very challenging behaviors, parents will be informed and will be included in planning for teaching appropriate behavior at school. Teaching staff shall respond to all challenging behavior, including physical aggression, in a manner that:

- provides safety for all children
- is calm and respectful
- provides the child with skill building for acceptable behavior.

Parents are expected to participate in the development of an individual program if needed. In extreme circumstances, this participation may be required as a condition of their child's continued attendance. Staff will provide observations to identify events, activities, interactions and other factors that predict and may contribute to challenging behavior. The pre-k program will emphasize teaching skills and will avoid exclusion whenever possible and safe.

It is essential that parents provide all relevant behavioral and legal information regarding their child's previous performance and current needs in order for a safe and appropriate program to be available for all students. See signature page on page 1 for this assurance. This is also included in the application.

CORPORAL OR PHYSICAL PUNISHMENT PROHIBITED IN PRE-K

Please note that the pre-k program philosophy as well as Arkansas Child Care Licensure standards prohibits any form of physical punishment for three and four-year-old students. **According to Arkansas Child Care Licensure regulations, parents/guardians shall not inflict physical punishment in the classroom or on school grounds (including the parking lot).** A parent's/guardian's failure to adhere to this regulation requires a witnessing staff member to report to the Arkansas Child Maltreatment Hotline:

Please speak with your child's teacher or the program supervisors for further clarification if needed.

Arkansas Child Abuse
and
Maltreatment Hotline
1-800-482-5964

Additional Information, AR Hotline: There may be other instances in which staff members, as mandated reporters, are required to complete a report to the hot line. In most of these instances, staff members are not allowed to inform parents or guardians for student safety.

Law Enforcement Interview of a Student

Act 613 of the 2011 Arkansas General Assembly states that a principal is prohibited from notifying the parent, guardian, custodian, or person standing *in loco parentis* if the official investigation by legal authority dealing with suspected child maltreatment, and the parent, guardian, etc. is named as an alleged offender. The investigator shall provide the school with written documentation that notification is prohibited.

REPORTING STUDENT PERFORMANCE

Students in the pre-k program will receive a screening within 45 days of enrollment, and will also have progressed assessed according to the **Work Sampling** System. Each student will have progress documented through the online *Work Sampling* program and through a portfolio of student work documentation. A copy of the portfolio will be provided to parents annually. Parents will receive information at least twice annually in parent/teacher meetings.

Staff members are committed to providing on-going information and opportunities for parents to communicate and gain information about how and what their student is doing in school. In addition to regularly scheduled parent/teacher conferences, the following activities will be implemented each school year by elementary buildings:

- provide family kits to all parents that include important information on becoming involved in the school, parenting tips, community resources, opportunities for communication with teachers, and a calendar of events;
- provide newsletters and/or information about upcoming events and how parents can be involved;
- develop Parent Nights that will help parents better understand how they can help their child at home;
- establish a Parent Involvement Committee to assist the school in meeting the needs of parents and increase parent involvement.

The K-5 grading policies are available at your child's elementary school when students transition to kindergarten or before if families need that information. Please contact the building principal if you have questions.

K-5 PARENT/TEACHER CONFERENCES AND PRE-K CONFERENCES

Act 603 of the 2003 Arkansas General Assembly requires that each school schedule no fewer than two (2) parent-teacher conferences to occur during the school year. The conference times, if spent wisely, can be very valuable to the overall educational progress of your child. Conferences for grades PK-5 will be conducted on **October 13-15, 2026 and February 9-11, 2027**. Some parents/guardians are hesitant about participating in conferences, but teachers can be more effective with their students if they can share their understandings of the student directly with the parent/guardian. **Pre-k conferences will be scheduled at the same time as K-4 conferences, with an additional conference at the end of the school year.** Pre-k teachers may schedule over several different days to accommodate interpreters and other family needs. Parent/guardian participation in parent conferences is required.

OTHER CONFERENCES WITH TEACHERS AND DAILY CONTACT

It is not necessary to wait for the regular conference time if a parent/guardian has a special concern. Additional conferences are encouraged and can be arranged at any time during the school year. Please make arrangements through the classroom teacher. (However, **please do not ask to see a teacher while he/she is instructing class.**) Conferences can be scheduled during a teacher's planning time or after school. Teachers will schedule the conference as soon as possible after communication from the parents/guardians.

Pre-k teachers are available daily during student check in and check out times, but may not be able to have a private conversation at these times. If arriving late or early to drop off or pick up children, please do not disrupt class time. Please do not call school from 8 a.m. to 3 p.m. unless an emergency arises.

PRE-K PROGRAM INFORMATION CONTINUED

TRANSITION TO KINDERGARTEN

Each child in the Russellville School District has a cumulative folder that follows him/her from kindergarten through the 12th Grade. The cumulative folder includes important information such as copies a student's birth certificate, Social Security card, immunization record, report cards, testing papers, etc. [Elementary handbook]

When children reach kindergarten age another transition begins in preparing for this stage of school.

Families are provided information about registering for public school and helping a child to be "ready" for school. The class may visit Kindergarten classroom. Classroom discussions and activities may focus on "big school" expectations. The child's portfolio is given to the family at this transition time, and parents will be assisted in registering for kindergarten.

The pre-k program will transfer records for the permanent cumulative folder.

Parents will still be required to physically register their child for kindergarten.

PARENTS WILL BE GIVEN A COPY OF OR A LINK TO THE ARKANSAS KINDERGARTEN READINESS CALENDAR NO LATER THAN THE FIRST PARENT TEACHER CONFERENCE ANNUALLY, OR UPON ENROLLMENT. The link is:

Documentation is included on page 1 of the handbook annually.

SPECIAL SERVICES:

The Russellville School District Pre-k Program is an inclusive early education program, which means that the program serves children with and without disabilities in the context of a developmentally focused education program.

Special services for pre-k students are provided through Russellville School District or Arch Ford Cooperative depending on the district of residence. The pre-k staff will assist in obtaining screening, assessment, and services through this program which is provided free of charge to eligible students.

Specialists work closely and collaboratively with classroom staff and agree to use an integrated model of service delivery (working primarily in the classroom rather than in a separate "therapy room" or other segregated environment).

Regular meetings with individual classroom teams and parents, teachers, therapists, and School age representatives provide opportunities for assessing progress and plan for children's success.

Families and individuals interested in knowing more about the services for children with disabilities are encouraged to speak to their child's teacher or the program supervisor.

Families who wish to use other service providers shall sign a release with the pre-k program and shall access these services outside of school hours, including alternative mental health/behavioral services.

SCHOOL CALENDAR

The pre-k program follows the Russellville School District calendar, with the exception of transitioning students into pre-k services over two days in August in order to make school entry an easy process for families and children who may not have been away from home before. There may be additional days that pre-k students attend school, to meet Arkansas Better Chance requirements.

A copy of the school calendar is provided to all families on page 2 and is available on the district web site.

PRE-K PROGRAM INFORMATION CONTINUED

CHILD CARE LICENSURE REQUIRES THAT A DESIGNATED ADULT, PARENT, OR GUARDIAN SIGN EACH STUDENT IN AND OUT DAILY. UNKNOWN ADULTS ARE REQUIRED TO PROVIDE A PICTURE ID AND TO BE LISTED ON THE CHILD'S APPROVED PICK UP LIST. THERE ARE NO EXCEPTIONS. Changes to the list must be made in writing and may not be called in to the school office. For assistance, contact pre-k supervisors at 479-967-6025.

The picture ID will be needed at times, even if the individual has picked up students previously. This may be in the case of a substitute or a staff member unfamiliar with the individual. Cooperation is expected for safety.

CONTACT BY LAW ENFORCEMENT, SOCIAL SERVICES, OR BY COURT ORDER

State Law requires that Department of Human Services employees, local law enforcement, or agents of the Crimes Against Children Division of the Department of Arkansas State Police, may interview students without a court order for the purpose of investigating suspected child abuse. In instances where the interviewers deem it necessary, they may exercise a "72-hour hold" without first obtaining a court order. Except as provided below, other questioning of students by non-school personnel shall be granted only with a court order directing such questioning, with permission of the parents of a student (or the student if above eighteen [18] years of age), or in response to a subpoena or arrest warrant.

If the District makes a report to any law enforcement agency concerning student misconduct or if access to a student is granted to a law enforcement agency due to a court order, the principal or the principal's designee shall make a good faith effort to contact the student's parent, legal guardian, or other person having lawful control by court order, or person acting in loco parentis identified on student enrollment forms. The principal or the principal's designee shall not attempt to make such contact if presented documentation by the investigator that notification is prohibited because a parent, guardian, custodian, or person standing in loco parentis is named as an alleged offender of the suspected child maltreatment. This exception applies only to interview requests made by a law enforcement officer, an investigator of the Crimes Against Children Division of the Department of Arkansas State Police, or an investigator or employee of the Department of Human Services.

In instances other than those related to cases of suspected child abuse, principals must release a student to either a police officer who presents a subpoena for the student, or a warrant for arrest, or to an agent of state social services or an agent of a court with jurisdiction over a child with a court order signed by a judge. Upon release of the student, the principal or designee shall give the student's parent, legal guardian, or other person having lawful control by court order, or person acting in loco parentis notice that the student has been taken into custody by law enforcement personnel or a state's social services agency. If the principal or designee is unable to reach the parent, he or she shall make a reasonable, good faith effort to get a message to the parent to call the principal or designee, and leave both a day and an after-hours telephone number.

Contact by Professional Licensure Standards Board Investigators

Investigators for the Professional Licensure Standards Board may meet with students during the school day to carry out the investigation of an ethics complaint.

DAILY SCHEDULE

The basic schedule for the pre-k program follows. The schedule may vary slightly at your child's specific school location. The schedule is adjusted when weather is very hot. A schedule is posted in each classroom.

Children will be encouraged to go to the restroom during indoor learning station time. Small groups will meet with teachers facilitating learning and language. Learning Stations will be included in outdoor activities as well.

REST/NAP TIME

Students are provided with one hour minimum of rest time daily and are not required to sleep. Students who do not sleep will be provided with quiet activities after a maximum of fifteen minutes. Cots with sheets and blankets are provided. Sheets and blankets are washed at least weekly and more often if needed.

Child care licensure requires a minimum of one-hour rest time daily.

ATTENDANCE REQUIREMENTS

The RSD Pre-K program follows RSD attendance policies, as well as Arkansas Better Chance attendance requirements.

Pre-K Day is 8:00 a.m. to 3:00 p.m. Monday through Friday.

Absences

If any student's Individual Education Program (IEP) or 504 Plan conflicts with this policy, the requirements of the student's IEP or 504 Plan take precedence.

Education is more than the grades students receive in their courses. Important as that is, students' regular attendance at school is essential to their social and cultural development and helps prepare them to accept responsibilities they will face as an adult. Interactions with other students and participation in the instruction within the classroom enrich the learning environment and promote a continuity of instruction which results in higher student achievement.

Excused Absences

Excused absences are those where the student was on official school business or when the absence was due to one of the following reasons:

1. The student's illness or when attendance could jeopardize the health of other students. A maximum of five (5) such days are allowed per semester unless the condition(s) causing such absences is of a chronic or recurring nature, is medically documented, and approved by the principal;
2. Death or serious illness in their immediate family;
3. Observance of recognized holidays observed by their faith;
4. Attendance at an appointment with a government agency;
5. Attendance at a medical appointment;
6. Exceptional circumstances with prior approval of the principal,
7. Participation in an FFA, FHA, or 4-H sanctioned activity;
8. Participation in the election poll workers program for high school students.
9. Absences granted to allow a student to visit his/her parent of legal guardian who is a member of the military and been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting. The number of additional excused absences shall be at the discretion of the superintendent or designee.
10. Absences granted, at the Superintendent's discretion, to seventeen (17) year-old students who join the Arkansas National Guard while in the eleventh grade to complete basic combat training between grades eleven (11) and twelve (12).
11. Absences for students excluded from school by the Arkansas Department of Health during a disease outbreak because the student has an immunization waiver or whose immunizations are not up to date.

Arrival after 8:30 a.m. or leaving before 2:30 p.m. will result in half day absence.

Arrival after 11:00 a.m. requires the prior permission of the pre-k coordinator due to the disruption of the learning environment. The coordinator will work cooperatively with parents who have extenuating circumstances occasionally.

WEATHER CLOSING:

School closing notification may be accessed through the school office and may be available to specific email, telephone, and text messaging as parents prefer.

In the early morning hours during inclement weather, local radio stations will broadcast announcements of any school closings. In addition, worsening weather conditions may force the early dismissal of schools. If this should happen, local radio stations will also broadcast this information. **In the event that school will be canceled or dismissed early, the Russellville School District will also contact all parents/guardians by RSD Notification System with a phone message, text, and/or email.**

We encourage parents to have a back-up plan in the event that the school closes early; or if leaving work to pick up your child could be a problem.

CELL PHONE/ELECTRONIC DEVICE USE IN A SCHOOL ZONE

Act 37 of the 2011 Arkansas General Assembly prohibits the use of cell phones when passing a school zone or school building during school hours when children are present and outside the building.

Drivers will be reminded of this law when necessary.

INTERNET USER AGREEMENT

All parents will receive an internet user agreement to be signed for each student enrolled.

HEALTHY SCHOOL ENVIRONMENT

Procedures for Pre-k Meals

Pre-k students are served breakfast, lunch, and a snack daily. (Please see schedule on page 15) Families are strongly encouraged to use the child nutrition food service program rather than sending meals. Pre-k students may not bring in fast food, carbonated beverages or flavored milk. Standards for components are per Arkansas Child Care Licensing Minimum Standards for Child Care Centers, and Arkansas Department of Health regulations on food temperature. Food is not considered served if left unopened, so all minimally-required components must be opened. *Note: fluid milk or replacement by physician approved alternate are required components for pre-k aged students at breakfast and lunch.* These requirements change at grade K.

Pre-k Parents sending meals shall have a written agreement regarding requirements:

- Food for pre-k students food is not considered served if left unopened: all minimally-required components must be opened at the time of meal service;
Staff will work with parents in complying with requirements for a day or two to assist as necessary
- Refrigeration is not available, so foods requiring refrigeration must be sent with appropriate cold packs for safe food service. [health department]
- If two meals are sent (e.g. breakfast and lunch), they will be packaged separately for ease of service
- Parents agree make efforts to repackage commercial items and agree not to send or bring in fast food items
- Parents agree to limit “dessert” items
- The meal pattern requires vegetables as well as fruits
- Food is required to be served on/in individual plates, bowls, or other dishes that can be sanitized or discarded
- Staff will check meal components at the time of meal service
 - Notice is not possible if components are missing and a tray has to be provided.
 - Children will not be singled out as meals brought from home are checked
 - Parents requiring additional assistance may meet with the teacher after school

Parents will receive a copy of Child Care Licensing Appendix C: USDA Child Care Meal Pattern Requirements for Pre-k Children. Parents may request agreement form from classroom teacher or program supervisors.

CHILD NUTRITION/FOOD SERVICE INFORMATION

Meal Purchases:

- Breakfast prices: free for all RSD students
- Lunch Prices for Full Paid Prior Year: \$3.25/day or \$14.50/week (subject to increase)
- Milk Prices for all Students Prior Year: \$.50 each or \$2.50/week (subject to increase)

Parents are highly encouraged to pay ahead for several meals at a time as this increases the efficiency of cafeteria operations, decreases stress on parents, and decreases the chance of students losing their money. Checks are to be made payable to the Russellville School District. Please put your child (ren)’s name(s) on the memo line of your check. One check can be sent to a cafeteria to be divided among more than one child in that school. Please note your instructions on the memo line of your check. Children going to school in different buildings will need separate checks. We also encourage all parents to utilize our online payment system. Meals may be paid for with check or cash at the school or the Administration building. Online payments can be made with a debit card or credit card. This system is in place for the use of parents so that they may be better informed of their child’s meal consumption and monetary balance available. Visit the RSD homepage at <https://www.rsd12.net>.. You must have your child’ s student ID number to utilize the payment site. Your school’s office should have this information for you or you can call the Pre-K office. **Call the child nutrition office at 479-498-8836 if you have problems with forms or with the site.**

LUNCH VISITORS

Please let your child's teacher know at drop off if you plan to eat lunch with your child that day, and if you plan to purchase a lunch for yourself when you arrive at the cafeteria. Parents will need to sign in at the school office with their ID and receive a visitor's badge before going to the pre-k classroom to sign their child out from the pre-k classroom. Pre-k students need to be signed out of the classroom between 11:10-11:15. Once the child is signed out, parents will accompany their child to the designated area in the cafeteria to have lunch with their child. The Pre-k teacher will give the parent the child's lunch tray. Following lunch, the parent will accompany the child back to the pre-k classroom and sign them back into the pre-k classroom. Students need to be back to the pre-k classroom by 11:45. Parents will then check out through the school office and return their visitor badge.

FIRE/TORNADO/NUCLEAR WARNINGS

Each elementary school has monthly fire drills. Teachers are in charge of the class assisted by student helpers. Each class has an escape route to a safe area. The building is usually cleared within 30-40 seconds.

Tornado drills are also conducted during the months of October, November, January and February. During tornado drills, students are directed to a safe area within the building. If a tornado is approaching, parents/guardians are asked **TO REFRAIN FROM COMING TO SCHOOL TO PICK UP HIS/HER CHILD**. Extra activity in the office area during inclement weather distracts adults from seeing to the safety of children. Children are much safer in the school storm shelters designated as "safe rooms" than riding in a car during a tornado. **Pre-k students shall practice tornado drills monthly as well as fire drills per child care licensure requirements.** In the event of a nuclear disaster, schools will be among the first to be notified. School personnel will follow the procedure as outlined by the Arkansas Department of Health, Nuclear Planning, and Response Program and Entergy Operations, Inc. Bus and automobiles will evacuate all students and teachers. London students will be evacuated to Hector and all the other elementary students will be evacuated to the Morrilton High School. Parents should not attempt to pick up children at school because traffic would impede and delay a speedy evacuation of all students.

Equal Educational Opportunity

No student in the Russellville School District shall, on the grounds of race, color, religion, national origin, sex, sexual orientation, gender identity, age, or disability, be excluded from participation in, or denied the benefits of, or subjected to discrimination under any educational program or activity sponsored by the district.

ILLNESS OR INJURY/MEDICAL CONDITIONS

The Russellville School District has an assigned nurse for each elementary building. If your child has a medical condition, it is important that a conference is scheduled with the school nurse and the classroom teacher. (Parents/Guardians should not assume that the school is aware of their child's medical condition.)

If your child is ill, please do not send him/her to school.

The student must be fever-free for 24 hours before returning to school without the aid of over the counter medications.

Please see AR Minimum Licensing Requirements for Child Care Centers for additional conditions which require a student to be excluded from school temporarily. [AR Child Care Licensing Minimum Standards for Centers](#)

Pre-k students have at least one hour of physical activity daily, usually outdoors. Physical activity is part of many classroom activities as well. Due to adult: student ratio requirements in pre-k, students who are not able to go outdoors may require special arrangements for attendance on those days. Please check with your child's teacher in advance so that they may assist you in making possible arrangements.

Pre-k parents agree to immediately pick up a student when informed of illness.

MEDICATION ADMINISTRATION POLICY

[Board Policy 4.35 STUDENT MEDICATIONS](#)

Prior to the administration of any medication to any student under the age of eighteen (18), written parental consent is required. The consent form shall include authorization to administer the medication and relieve the Board and its employees of civil liability for damages or injuries resulting from the administration of medication to students in accordance with this policy. All signed medication consent forms are to be maintained by the school nurse. Parent permission form shall include an assurance that the requested medication has been given at least once with no adverse reaction prior to school administration of medication.

School Nurses also maintain copies of these forms:

School Nurse Center Valley: 479-968-4540

The nurse has some general epinephrine available. If the family does not provide it, the only alternative is a 911 call.

PUBLIC COMPLAINTS (GRIEVANCE PROCEDURE)

[Board Policy 6.7 Complaints](#)

It is a goal of the Board and the District to be responsive to the community it serves and to continuously improve the educational program offered in its schools. The Board or the District welcomes constructive criticism when it is offered with the intent of improving the quality of the system's educational program or the delivery of the District's services.

The administrative functions of the District are delegated to the Superintendent, who is responsible for the effective administration and supervision of the District. Individuals with complaints concerning personnel, curriculum, discipline (including specific discipline policies), coaching, or the day to day management of the schools need to address those complaints according to the following sequence:

1. Teacher, coach, or other staff member against whom the complaint is directed
2. Principal
3. Superintendent

Application Process

- Students must apply for Russellville Cyclone Virtual Academy with their home building counselor. It is not guaranteed that a student will be accepted into the program. They must meet the requirements listed in this document and we must have a spot available.
- Students should complete a Digital Learning Screener with their school counselor.
- Enrollment is available for students grades 6-12 in the Russellville School District and anyone grades 6-12 who uses the School Choice Process to become a part of the Russellville School District. In district students will have priority enrollment over school choice applicants.
- Students and parents must complete orientation and sign all agreement forms.
- Students must fill out a course selection form with the RCVA counselor.
- Any new student must complete training on the learning management system.

What is Digital Learning?

- Digital learning gives students the flexibility to do schoolwork from a location other than a traditional school building. Mostly this is done from home, but it doesn't have to be.
- Students have the flexibility to work at a faster and sometimes slower pace than what is allowed in a traditional school setting.
- Students are given a Chromebook or a laptop and will do their work from the virtual platform.
- Students will have Russellville School District teachers who work for RCVA to grade their work and conduct weekly virtual meetings to support their students. There are a few courses that will be taught by Virtual Arkansas teachers.

Digital Learning Platform

- Buzz is used for the majority of the courses.
- On campus (home campus) services are used for GT students.
- Canvas may be used for students taking courses from Virtual Arkansas. These are specialized courses we may not be able to offer through our RCVA teachers. Students taking Virtual Arkansas (VA) courses will still have an RCVA teacher as the facilitator to touch base with but VA will provide the actual teacher.

Courses Offered

- Students in grades 6th through 8th grade will take the same courses as they would if they were attending on-site instruction.
- Some courses will be asynchronous, meaning the student will only meet with the teacher if they need help. This will be most electives.
- Courses offered in grades 9-12th
 - We will have a course catalog for courses offered by RCVA teachers.
 - We will have a course catalog for courses offered by Virtual Arkansas teachers.

Instruction

- Teachers will use weekly virtual meetings, such as Google Meet.
- The majority of the instruction comes from the curriculum built into the learning management system.

Learning Coach

Parents must designate someone to be the learning coach and they must be available as follows:

- Grades 6-12, 20-40 hours per week; a learning coach should be available for support.
- The learning coach is expected to check grades every week.
- Students must keep up with the pace of the weekly assignments as given by the teachers in order to finish the courses in the necessary amount of time for each semester. This is typically 5 lessons per week in each course.

Parent Expectations

- Parent/Guardians must complete orientation. Registration & Orientation must take place before the student can start in the program.
- Review weekly grades with your student. All grades and materials are accessible through the student's Buzz portal.
- Communicate with your student's teachers if help is needed.
- Provide a learning environment at home that is conducive to learning.
- It is important that students show learning independently so the data accurately reflects a student's growth and development. Please do not do the students' work for them or help them on any assessments. If you need help with how to support your student, please communicate with the teacher and they can help you.

RCVA Advisory Teachers

- Each student will have an advisory teacher. This teacher will support the student by monitoring student progress, attendance, engagement, and making recommendations for student intervention when necessary.

GPA/Grades Requirements

To remain enrolled in RCVA, students must meet the following academic expectations each quarter (9-week grading period). Students who do not meet these expectations will be reviewed for Tier 2 or Tier 3 placement and additional supports, with possible return to on-site instruction if necessary.

Grades 6–8:

- Requirement: Students must pass all courses each quarter, including completion of required state instructional minutes for electives.
- Non-Compliance Procedure:
 - Students who are not passing all courses at the end of the 9-week period will be placed on a Tier 2 academic support plan.
 - If a student continues to struggle despite interventions, they may be moved to Tier 3, which could include daily check-ins, individualized support, and night school options (for older students).
 - If insufficient progress is made by the end of the school year, the student will not be eligible to return to RCVA the following year.
 - Students returning to onsite instruction will be placed at their original school if space allows; otherwise, they will be enrolled in another RSD school with available capacity.

Grades 9–12:

- Requirement: Students may have no more than one failing grade and must maintain a minimum 2.0 GPA each quarter.
- Non-Compliance Procedure:
 - Students with more than one failing grade or a GPA below 2.0 will be evaluated for Tier 2 or Tier 3 academic support.
 - Students with a GPA between 1.5–1.99, but passing all courses, will be placed on academic probation for one semester.
 - If the GPA remains below 2.0 after the probation period, the student will return to on-site instruction at RHS or RJHS.
 - Students with multiple failing courses may be required to return to their home campus immediately.

Progress Monitoring and Action Plans (All Grades):

- Grades will be checked weekly. Progress reports will be emailed home approximately every 4–5 weeks, and official report cards will be mailed each 9 weeks.
- If a student's grade in any course drops below 60%, an Action Plan Meeting will be held with the student and learning coach. The student will be placed into Tier 2 or Tier 3 depending on their needs.

Participation in the Action Plan is required to remain in RCVA. The plan may include:

- Weekly or bi-weekly check-ins with a teacher or mentor
- Required attendance at RTI support sessions
- Check-ins with the advisory teacher
- Parent/student conferences with the Digital Learning Supervisor
- Movement to Tier 3 supports (e.g., daily contact, counseling, night school options)
- Return to on-site instruction if virtual learning is no longer suitable

Tier placements are reviewed regularly and may be adjusted based on student progress.

District Mandated Testing

- Students must participate in all district mandated testing which are required to be taken on campus.
- If a student does not show up for these assessments, they will not be allowed to participate in RCVA the following school year.

Attendance

- The student should be in good standing with the truancy policy from the school they are coming from.
- Weekly advisory check-ins are required for all RCVA students. Additional supports/interventions may be required if necessary to support digital learners.
- Students are required to complete and submit anywhere from 1-5 lessons (depending on the subject matter) in a subject per week. This will take an estimate of 4-8 hours per day to achieve. Buzz provides a report that we review weekly to check student activity and time in the system for attendance.
- If a student has not logged in for a total of 10 days, is not meeting the weekly time requirement, and is failing any courses, they may be referred back to their original RSD campus.
- If a student has not logged in for a total of 20 days, is not meeting the weekly time requirement, and is failing any of their courses, the student/parent will be referred to the Pope County Juvenile Probation Office and court action could result.

Enrollment Commitment

- Enrollment in RCVA is a one semester commitment. At the end of the one semester, a student can transition back to an RSD building. If a student goes back to onsite learning at any point in the school year, they will not be able to enroll in RCVA again until the next school year.

Response To Intervention (RTI)

- If a student needs response to intervention (RTI), they will be required to attend virtual academic meetings unless a parent signs the waiver stating they do not want RTI services.

Communication

- The parent must be able to communicate with RCVA using email, phone, and virtual conferences. If a parent does not have the ability to communicate regularly with RCVA through these means, the student will not be eligible for the program.

Academic Integrity

Plagiarism

Plagiarism is passing off a source's information, ideas, or words as one's own. Spoken it is the use of someone else's work without giving proper credit to that author or source. The use of the information without proper documentation or acknowledgment is cheating. Copying another student's homework, essay, test, research paper, etc., is also cheating. The following list contains ways to avoid cheating/plagiarism:

- Do not copy another person's words or ideas from any book or reference material unless the source is acknowledged;
- Do not copy someone else's work;
- Do not lend your work to another student;
- Use the approved reference guide to cite sources;
- See the teacher about any questions or proper documentation; and
- Remember that all borrowed facts, statistics, or other illustrative material, unless the information is common knowledge, must be documented.

Other issues of Academic Integrity-Technology

The school's faculties are committed to promoting positive character qualities; hence, the issues of technological academic dishonesty must also be addressed. All students are expected to be responsible digital citizens; therefore, cheating is unacceptable.

Consequences of Academic Dishonesty

Situations of Academic Dishonesty vary in seriousness and circumstance; therefore, there are levels of offenses.

Possible consequences may include but are not limited to:

- When a student copies another student's work, both parties will receive a zero. School administrators will be notified for documentation and possible disciplinary action.
- For compositions, research papers, etc., the following consequences are suggested
 - 1st Offense: A zero on the work and parent contact by the teacher;
 - 2nd Offense: A zero on the work and parent contact by the teacher. The student is referred to administration;

DISCLAIMER: The administration reserves the right to alternative penalties based on the severity of the situation.

Extracurricular Activities and Courses

- All Cyclone Virtual Academy students may participate in athletics, fine arts, and extracurricular activities.
- Students are required to attend extracurricular classes in person.
- Parents will be responsible for transporting students to and from these activities during the student schedule time.
- Students will have access to the library at the on-site schools. Each home campus will specify times and days for virtual students to access the library.
- Students may participate in book fairs, yearbook pictures, graduations, prom, dances, athletic events, and other activities such as these.
- Students may participate in courses at the onsite schools that are not offered at RCVA but must provide their own transportation.

9th-12th Course Load Exception for RJHS or RHS Students

- This would allow an RJHS or RHS student to take 7 courses at their building and up to 2 courses at RCVA.
- If a student wants to take more than 7 courses they must meet the following requirements:
 - Maintain a 3.0 GPA or higher
 - Must not have below a C in any course
 - RCVA courses will only be available if enrollment is not full
 - This will only apply to students wanting to take courses above the normal course load or if there is a conflict of period at the building.
 - Each request must be approved by the Building Principal and the Digital Learning Supervisor
 - Student must follow RCVA handbook and RJHS/RHS handbook

Technology

- Parents and students will receive training materials on the technology needed when enrolled in RCVA. Parents and students must possess the technology skills needed to use and troubleshoot when they are away from RCVA. We do have a technician on-site to help with troubleshooting.
- If a student violates the technology student use agreement they will be subject to loss of student use which would lead to disqualification of RCVA.
- If a student intentionally breaks or loses any of the equipment they are provided and doesn't pay for it to be fixed or replaced, they will not be eligible for RCVA the next school year.

Discipline

- All virtual students will follow the same behavior expectations as onsite learners as spelled out in the RSD Secondary Handbook
- All students will be expected to display appropriate behavior during Google meet sessions including language use, student dress, and anything else covered in the RSD Secondary school handbook

Special Services

- ESL, Special Education, 504, Gifted and Talented, Dyslexia, speech, and OT/PT students are provided the same level of educational support in the digital environment as those who are in-person. Accommodations, modifications, and other supports are reviewed upon entry into RCVA to ensure any changes that need to be made to meet their new environment. Some services may require onsite meetings if virtual is not possible or feasible.

Marking Grades

Grades reflect only the accomplishment of educational objectives.

For grades 6-12, teachers use the following uniform grading system as required by Act 1070:

90% - 100%.....	A
80% - 89%.....	B
70% - 79%.....	C
60% - 69%.....	D
59% and below.....	F

"I" indicates incomplete work. An "I" mark is upheld for up to two weeks unless otherwise determined by the administration until the deficiency is corrected. If not corrected, the "I" becomes an "F."

Non-Discrimination Policy

- The Russellville School District is committed to implementing and monitoring all Civil Rights Acts and Regulations. We do not discriminate against any individual based upon that individual's veteran status, race, color, religion, national origin, sex, sexual orientation, gender identity, age, or disability.

Supervisor Discretion

- The Digital Learning Supervisor may make an exception to the handbook for unusual and extenuating circumstances or for situations not specifically covered.

This document speaks only to rules or policies that may apply directly to virtual learning. For anything not expressly written in this document, students will adhere to all of the RSD Secondary Student Handbook policies.

School Resource Officer (SRO)

Memorandum of Understanding

This Memorandum of Understanding (MOU) between the Russellville School District (RSD) and Pope County Sheriff's Office (PCSO) is executed on July 1, 2026.

This MOU provides for a written agreement between the RSD and the PCSO. It establishes the needed commitment and support from both institutions. It provides guidelines and policies relevant to the performance of the School Resource Officer (SRO). An SRO is a sworn law enforcement professional assigned to a public school campus during the instructional day or employed by a school district. This MOU will serve as a document that SROs, school administration, the law enforcement agency, students, parents and/or caregivers may refer to for structure and accountability. This MOU shall be reviewed, updated, and signed annually by the administrations of the school district and the law enforcement agency. The school administration welcomes recommendations from all community stakeholders, including parents/caregivers, students, teachers, the assigned SRO, other law enforcement personnel, and members of the community. Nothing in this MOU should be construed as limiting or impeding the basic spirit of cooperation that exists between the school district, the law enforcement agency, and the local community.

I. Purpose

The purpose of the MOU is to establish the mission of the School Resource Officer program (SRO program), and provide for an understanding between the school district and the law enforcement agency that the success of the SRO program is a cooperative effort. Additionally, the MOU clarifies roles and expectations of the SRO and formalizes the relationship between the school district and the law enforcement agency. Following the guidelines as established within the MOU will help in building a positive relationship between law enforcement officers, school staff, and students; support a safe and positive learning environment; and potentially decrease the number of youth formally referred to the juvenile justice system.

II. Mission

The mission of the School Resource Officer program is to promote school safety by establishing a safe, supportive, and orderly environment that maximizes collaboration for the enhancement of student learning and success.

III. Goals of the SRO Program

The SRO, SRO supervisor(s), and school officials will collaborate to reduce school violence by:

- a) Ensuring a safe learning environment for students, teachers, and staff.

- b) Fostering a positive school climate based on respect for all children and adults in the school.
- c) Creating partnerships with community stakeholders and other care providers in the community for the benefit of students, staff, and families.
- d) Reducing crime committed by and against youth on campus or in the community
- e) Establishing a trusted channel of communication with students, parents, and teachers through observation and engagement.
- f) Ensuring SROs serve as a positive role model to instill in students:
 - 1. Good moral standards,
 - 2. Respect for others, and
 - 3. Sincere concern for the school and community.

IV. Chain of Command

- a) A SRO shall be assigned to a school during the instructional day. During the hours that school is in regular session, the SRO may also be assigned additional responsibilities by the law enforcement agency in emergency type/critical incident situations that may require the SRO to leave campus. The law enforcement agency recognizes that removing an officer from the school campus causes difficulty in the school and will only do so when absolutely needed.
- b) The SRO operates under the supervision of the law enforcement agency. When a situation arises within the school that is determined to be criminal in nature, the SRO will notify his/her law enforcement agency supervisor and school administration.
- c) Minor offenses committed on school property can and often should be handled internally within the school without filing criminal charges. Each situation will have unique factors to consider. The SRO shall consult with a member of the school administration (superintendent or principal) concerning these types of offenses. Offenses, such as fighting or using vulgar language, that do not involve serious physical injury shall be considered school discipline issues and handled internally by school officials rather than law enforcement.

V. Roles and Responsibilities

This SRO program is intended to be unique to the community, based on input from the school district administration, teachers, faculty, students, families and community members.

- a) **SRO Roles** – The SRO Program is designed for the SRO to fulfill three overall roles: 1) Law Enforcement Officer; 2) Mentor/ Informal Counselor; (3) Educational Resource.

- 1. Law Enforcement Officer Role

The SRO in this role provides public safety within the established school boundaries through motorized and foot patrol. The SRO collaborates with the school district administration in developing or updating emergency crisis/critical incident response plans as well as plans for the training of students and staff on various issues. The SRO should establish himself/herself as a resource for students, teachers, parents, and other

school staff, while maintaining his/her status as a law enforcement officer.

As a law enforcement professional, the SRO is certified to carry a firearm. SROs will follow their law enforcement agency protocol and policies for the use of force. A copy of the agency policies shall be attached to this MOU and incorporated by reference.

2. Mentor/Informal Counselor Role

One of the primary roles the SRO will fulfill is fostering a positive school climate through relationship building and crime prevention. The SRO will engage in various activities, in consultation with school administration, teachers, and students. He or she should strive to build a school culture of open communication and trust between and among students and school staff. The SRO should focus on getting to know students at the school, serving as a role model, and working with teachers and administrators to identify students who may be facing challenges at school (such as bullying), at home, or both, and need additional resources or attention to be successful in school.

3. Educational Resource

In this role, the SRO should participate in the school community by becoming a member of the educational team. This will provide the SRO a method to build positive relationships with students, their families, and school staff. Whether talking to students in the hallway, in the lunchroom, or delivering a presentation in the classroom, the SRO should become embedded in the education fabric within the school. Note that any and all presentation materials to be used in the classroom must first be approved in accordance with the district's selection of instructional materials policy.

4. Clarifications of the SRO's role in:

- Responding to Criminal Activity

A role of the SRO, as a law enforcement professional, is to enforce criminal and traffic laws. The SRO will have the authority under Arkansas law to issue warnings and use alternatives to arrest at their discretion.

- School Policy Violations

School faculty and staff, not the SRO, should always handle violations of the school student code of conduct or rules that are not criminal matters. SROs are not school disciplinarians, but rather licensed peace officers charged with enforcement of all applicable local, state and federal laws within their jurisdiction. The SRO should not directly intervene in disciplinary incidents unless the situation directly affects an imminent threat to the health, safety, and security of the student or another person in the school. When intervening, the SRO will employ de-escalation techniques as appropriate. All school staff should receive training on the roles and responsibility of the SRO so there is a clear understanding that school discipline is the responsibility of the appropriate school staff. The SRO will report school policy violations through the proper channels to be handled by school

administration. In this regard, it is the responsibility of the SRO to become familiar with the Student Handbook or Student Code of Conduct, but it is not the responsibility of the SRO to enforce the rules in these documents.

- **Locker, Vehicle, Personal, and Other Searches**

The SRO may conduct a search of a student's person, possessions, locker, or vehicle only where there is probable cause to believe the search will result in evidence that the student has committed or is committing a criminal offense. The SRO will not ask a school employee to conduct a search for law enforcement purposes. The SRO may perform searches independent of the school administration only during emergency situations and where criminal activity is suspected.

b) Primary Responsibilities

The primary responsibilities of the SRO in an SRO Program include, but are not limited to

1. Patrolling the campus by vehicle if necessary but primarily on foot to reduce/prevent crime and help to provide a safe and secure learning environment.
2. Serving as an educational resource, and as a liaison between the school and the law enforcement agency.
3. Developing and maintaining mutually respectful relationships with students and staff to support a positive school climate.
4. Preparing for and providing classroom instruction on a variety of relevant topics.
5. Being proactive in creating and taking advantage of educational situations.
(Note: school administrators are encouraged to leverage this resource.)
6. Preparing initial police reports of crimes committed on campus.
7. Taking enforcement action on criminal matters involving students, when appropriate.
8. Attending school special events as needed.
9. Collecting and maintaining data on SRO activities (arrests, citations, educational programs, etc.)
10. Assisting the school safety coordinator or designated staff member in developing emergency response plans as well as strategies (such as training students and staff) to prevent and/or minimize dangerous events, such as an armed person(s) or active shooter on campus, hostage situations, student disturbances, and natural/man-made disasters.
11. Taking appropriate law enforcement action against individuals or unwanted guests who are at the school or a school function in accordance with the SRO's law enforcement authority.

VI. Physical Restraint or use of Chemical Aerosol Sprays

Except in the case of a clearly unavoidable emergency in which a trained member of school

personnel is not immediately available due to the unforeseeable nature of the situation, the physical restraint of a student shall only be used by a member of school personnel who is appropriately trained to administer physical restraint.

- a) The SRO should not be involved in the physical restraint of a student unless:
 - 1. There is imminent danger of serious physical harm to the student or others; or
 - 2. The SRO has received the appropriate training on the use of physical restraint in accordance with Ark. Code Ann. § 6-18-2401 et seq. As a sworn law enforcement officer, the SRO may intervene to de-escalate situations.
- b) Physical intervention, including use of aerosol sprays, by the SRO will be undertaken in accordance with the law enforcement agency protocol and policies for the use of force. An SRO acting in the role of a school's behavioral intervention team member will respond in accordance with Ark. Code Ann. § 6-18-2401 et seq.
- c) Any use of force must be reported to the school administration and the SRO law enforcement supervisor. The rationale for the action must be fully documented by use of established reporting procedures, such as use of physical force to affect an arrest, or control a combative person.

VII. Limits on Interrogations and Arrests

- a) An SRO may participate in the questioning of a student about conduct that could result in criminal charges. In accordance with established law enforcement procedure, a student must be informed of their Miranda rights in age-appropriate language before being questioned; this must be done in the presence of a parent or guardian if the student is under the age of 18. The student's parent(s) or guardian(s) should be allowed sufficient time to arrive at the school to be present for this process.
- b) The Superintendent or other member of the school administration shall be notified if possible prior to an arrest of a student. The student's parent(s) or guardian(s) shall be notified of their student's arrest as soon as practical but always in a timely manner in accordance with Arkansas Law, including Ark. Code Ann. § 6-18-513.

VIII. Role in Truancy Issues

The SRO will not take an active role in truancy matters or in the tracking of truants. The SRO will act as a liaison between the school and law enforcement personnel should law enforcement involvement become necessary due to safety concerns and may assist in performing a safety or well-being check.

IX. Student Educational Records and FERPA

The school district and the law enforcement agency acknowledge the benefit of appropriate information sharing for improving the health and safety of students but also the importance of limits on the sharing of certain types of student information by school personnel. The school district and the law enforcement agency also acknowledge that there is a distinction between

student information shared for law enforcement purposes and student information shared to support students and connect them with necessary mental health, community-based, and related services.

- a) In order to facilitate prompt and clear communications, the school district and the law enforcement agency acknowledge that the principal (or their designee) and the SRO are the primary points of contact for sharing student information in accordance with this Agreement.
- b) In accordance with the school district policy on privacy of student records and directory information, SRO's are generally considered "School Officials with a legitimate educational interest" IF the school designates the SRO as such in their FERPA policy.
- c) In addition to FERPA, the Parties agree to comply with all other state and federal laws and regulations regarding confidentiality, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA) if applicable.

X. Program Structure

The SRO Program will consist of a law enforcement officer certified within the state of Arkansas who is an employee of the Russellville Police Department. The SRO will be assigned by the head of the law enforcement agency to work within the Russellville School District, and will meet all requirements as set forth by the Russellville School District.

Board Meeting Date: June 9, 2026
Item Title: Russellville Police Department SRO MOU Addendum
Responsible Administrator: Deputy Superintendent Jeff Holt
Strategic Plan Priority: Academic Excellence, Financial Stability

Background:

In accordance with the LEARNS Act, school districts are required to maintain a current Memorandum of Understanding (MOU) with local law enforcement agencies outlining the services provided by School Resource Officers.

Recommended Action:

To approve the Russellville Police Department SRO MOU for the 2026-2027 school year.

School Resource Officer (SRO) Memorandum of Understanding

This Memorandum of Understanding (MOU) between the Russellville School District (RSD) and Russellville Police Department (RPD) is executed on July 1, 2026.

This MOU provides for a written agreement between the RSD and the RPD. It establishes the needed commitment and support from both institutions. It provides guidelines and policies relevant to the performance of the School Resource Officer (SRO). An SRO is a sworn law enforcement professional assigned to a public school campus during the instructional day or employed by a school district. This MOU will serve as a document that SROs, school administration, the law enforcement agency, students, parents and/or caregivers may refer to for structure and accountability. This MOU shall be reviewed, updated, and signed annually by the administrations of the school district and the law enforcement agency. The school administration welcomes recommendations from all community stakeholders, including parents/caregivers, students, teachers, the assigned SRO, other law enforcement personnel, and members of the community. Nothing in this MOU should be construed as limiting or impeding the basic spirit of cooperation that exists between the school district, the law enforcement agency, and the local community.

I. Purpose

The purpose of the MOU is to establish the mission of the School Resource Officer program (SRO program), and provide for an understanding between the school district and the law enforcement agency that the success of the SRO program is a cooperative effort. Additionally, the MOU clarifies roles and expectations of the SRO and formalizes the relationship between the school district and the law enforcement agency. Following the guidelines as established within the MOU will help in building a positive relationship between law enforcement officers, school staff, and students; support a safe and positive learning environment; and potentially decrease the number of youth formally referred to the juvenile justice system.

II. Mission

The mission of the School Resource Officer program is to promote school safety by

establishing a safe, supportive, and orderly environment that maximizes collaboration for the enhancement of student learning and success.

III. Goals of the SRO Program

The SRO, SRO supervisor(s), and school officials will collaborate to reduce school violence by:

- a) Ensuring a safe learning environment for students, teachers, and staff.
- b) Fostering a positive school climate based on respect for all children and adults in the school.
- c) Creating partnerships with community stakeholders and other care providers in the community for the benefit of students, staff, and families.
- d) Reducing crime committed by and against youth on campus or in the community
- e) Establishing a trusted channel of communication with students, parents, and teachers through observation and engagement.
- f) Ensuring SROs serve as a positive role model to instill in students:
 1. Good moral standards,
 2. Respect for others, and
 3. Sincere concern for the school and community.

IV. Chain of Command

- a) A SRO shall be assigned to a school during the instructional day. During the hours that school is in regular session, the SRO may also be assigned additional responsibilities by the law enforcement agency in emergency type/critical incident situations that may require the SRO to leave campus. The law enforcement agency recognizes that removing an officer from the school campus causes difficulty in the school and will only do so when absolutely needed.
- b) The SRO operates under the supervision of the law enforcement agency. When a situation arises within the school that is determined to be criminal in nature, the SRO will notify his/her law enforcement agency supervisor and school administration.
- c) Minor offenses committed on school property can and often should be handled internally within the school without filing criminal charges. Each situation will have unique factors to consider. The SRO shall consult with a member of the school administration (superintendent or principal) concerning these types of offenses. Offenses, such as fighting or using vulgar language, that do not involve serious physical injury shall be considered school discipline issues and handled internally by school officials rather than law enforcement.

V. Roles and Responsibilities

This SRO program is intended to be unique to the community, based on input from the school district administration, teachers, faculty, students, families and community members.

- a) **SRO Roles** – The SRO Program is designed for the SRO to fulfill three overall roles: 1) Law Enforcement Officer; 2) Mentor/ Informal Counselor; (3) Educational Resource.
 1. Law Enforcement Officer Role
The SRO in this role provides public safety within the established school boundaries

through motorized and foot patrol. The SRO collaborates with the school district administration in developing or updating emergency crisis/critical incident response plans as well as plans for the training of students and staff on various issues. The SRO should establish himself/herself as a resource for students, teachers, parents, and other school staff, while maintaining his/her status as a law enforcement officer.

As a law enforcement professional, the SRO is certified to carry a firearm. SROs will follow their law enforcement agency protocol and policies for the use of force. A copy of the agency policies shall be attached to this MOU and incorporated by reference.

2. Mentor/Informal Counselor Role

One of the primary roles the SRO will fulfill is fostering a positive school climate through relationship building and crime prevention. The SRO will engage in various activities, in consultation with school administration, teachers, and students. He or she should strive to build a school culture of open communication and trust between and among students and school staff. The SRO should focus on getting to know students at the school, serving as a role model, and working with teachers and administrators to identify students who may be facing challenges at school (such as bullying), at home, or both, and need additional resources or attention to be successful in school.

3. Educational Resource

In this role, the SRO should participate in the school community by becoming a member of the educational team. This will provide the SRO a method to build positive relationships with students, their families, and school staff. Whether talking to students in the hallway, in the lunchroom, or delivering a presentation in the classroom, the SRO should become embedded in the education fabric within the school. Note that any and all presentation materials to be used in the classroom must first be approved in accordance with the district's selection of instructional materials policy.

4. Clarifications of the SRO's role in:

- Responding to Criminal Activity

A role of the SRO, as a law enforcement professional, is to enforce criminal and traffic laws. The SRO will have the authority under Arkansas law to issue warnings and use alternatives to arrest at their discretion.

- School Policy Violations

School faculty and staff, not the SRO, should always handle violations of the school student code of conduct or rules that are not criminal matters. SROs are not school disciplinarians, but rather licensed peace officers charged with enforcement of all applicable local, state and federal laws within their jurisdiction. The SRO should not directly intervene in disciplinary incidents unless the situation directly affects an imminent threat to the health, safety, and security of the student or another person in the school. When intervening, the SRO will employ de-escalation techniques as appropriate. All school staff

should receive training on the roles and responsibility of the SRO so there is a clear understanding that school discipline is the responsibility of the appropriate school staff. The SRO will report school policy violations through the proper channels to be handled by school administration. In this regard, it is the responsibility of the SRO to become familiar with the Student Handbook or Student Code of Conduct, but it is not the responsibility of the SRO to enforce the rules in these documents.

- **Locker, Vehicle, Personal, and Other Searches**

The SRO may conduct a search of a student's person, possessions, locker, or vehicle only where there is probable cause to believe the search will result in evidence that the student has committed or is committing a criminal offense. The SRO will not ask a school employee to conduct a search for law enforcement purposes. The SRO may perform searches independent of the school administration only during emergency situations and where criminal activity is suspected.

b) Primary Responsibilities

The primary responsibilities of the SRO in an SRO Program include, but are not limited to

1. Patrolling the campus by vehicle if necessary but primarily on foot to reduce/prevent crime and help to provide a safe and secure learning environment.
2. Serving as an educational resource, and as a liaison between the school and the law enforcement agency.
3. Developing and maintaining mutually respectful relationships with students and staff to support a positive school climate.
4. Preparing for and providing classroom instruction on a variety of relevant topics.
5. Being proactive in creating and taking advantage of educational situations. (Note: school administrators are encouraged to leverage this resource.)
6. Preparing initial police reports of crimes committed on campus.
7. Taking enforcement action on criminal matters involving students, when appropriate.
8. Attending school special events as needed.
9. Collecting and maintaining data on SRO activities (arrests, citations, educational programs, etc.)
10. Assisting the school safety coordinator or designated staff member in developing emergency response plans as well as strategies (such as training students and staff) to prevent and/or minimize dangerous events, such as an armed person(s) or active shooter on campus, hostage situations, student disturbances, and natural/man-made disasters.
11. Taking appropriate law enforcement action against individuals or unwanted guests who are at the school or a school function in accordance with the SRO's law enforcement authority.

VI. Physical Restraint or use of Chemical Aerosol Sprays

Except in the case of a clearly unavoidable emergency in which a trained member of school personnel is not immediately available due to the unforeseeable nature of the situation, the physical restraint of a student shall only be used by a member of school personnel who is appropriately trained to administer physical restraint.

- a) The SRO should not be involved in the physical restraint of a student unless:
 1. There is imminent danger of serious physical harm to the student or others; or
 2. The SRO has received the appropriate training on the use of physical restraint in accordance with Ark. Code Ann. § 6-18-2401 et seq. As a sworn law enforcement officer, the SRO may intervene to de-escalate situations.
- b) Physical intervention, including use of aerosol sprays, by the SRO will be undertaken in accordance with the law enforcement agency protocol and policies for the use of force. An SRO acting in the role of a school's behavioral intervention team member will respond in accordance with Ark. Code Ann. § 6-18-2401 et seq.
- c) Any use of force must be reported to the school administration and the SRO law enforcement supervisor. The rationale for the action must be fully documented by use of established reporting procedures, such as use of physical force to affect an arrest, or control a combative person.

VII. Limits on Interrogations and Arrests

- a) An SRO may participate in the questioning of a student about conduct that could result in criminal charges. In accordance with established law enforcement procedure, a student must be informed of their Miranda rights in age-appropriate language before being questioned; this must be done in the presence of a parent or guardian if the student is under the age of 18. The student's parent(s) or guardian(s) should be allowed sufficient time to arrive at the school to be present for this process.
- b) The Superintendent or other member of the school administration shall be notified if possible prior to an arrest of a student. The student's parent(s) or guardian(s) shall be notified of their student's arrest as soon as practical but always in a timely manner in accordance with Arkansas Law, including Ark. Code Ann. § 6-18-513.

VIII. Role in Truancy Issues

The SRO will not take an active role in truancy matters or in the tracking of truants. The SRO will act as a liaison between the school and law enforcement personnel should law enforcement involvement become necessary due to safety concerns and may assist in performing a safety or well-being check.

IX. Student Educational Records and FERPA

The school district and the law enforcement agency acknowledge the benefit of appropriate information sharing for improving the health and safety of students but also the importance of limits on the sharing of certain types of student information by school personnel. The school district and the law enforcement agency also acknowledge that there is a distinction between student information shared for law enforcement purposes and student information shared to support students and connect them with necessary mental health, community-based, and related services.

- a) In order to facilitate prompt and clear communications, the school district and the law enforcement agency acknowledge that the principal (or their designee) and the SRO are the primary points of contact for sharing student information in accordance with this Agreement.
- b) In accordance with the school district policy on privacy of student records and directory information, SRO's are generally considered "School Officials with a legitimate educational interest" IF the school designates the SRO as such in their FERPA policy.
- c) In addition to FERPA, the Parties agree to comply with all other state and federal laws and regulations regarding confidentiality, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA) if applicable.

X. Program Structure

The SRO Program will consist of a law enforcement officer certified within the state of Arkansas who is an employee of the Russellville Police Department. The SRO will be assigned by the head of the law enforcement agency to work within the Russellville School District, and will meet all requirements as set forth by the Russellville School District.

XI. Selection and Financial Consideration

- a) The school district administration and the head of the law enforcement agency may establish specific procedures governing the selection of the SRO. The Russellville School District and the Russellville Police Department will work together in the selection process of the SROs.

Definitions

CLAIMS-MADE FORM:

This coverage provides protection for only those claims reported or first made during the policy period or during any previous period that is stated in the Prior Acts or Retroactive Date option of your policy. This option allows you to keep coverage in force under consecutive Claims-Made policies.

RETENTION:

This value represents the amount of damages and/or legal costs that you must assume (retain) before your insurance protection becomes payable.

RETROACTIVE DATE:

This date is used to specify, in a Claims-Made policy, the extent of coverage that is available for claims that occur prior to the inception of the policy in effect at the time such claims are made. If a claim is made for damage that occurred before the retroactive date, the policy will not respond, even though all other requirements of the policy have been met.

Extended Reporting Period:

- a. If this Policy is cancelled or non-renewed for any reason other than nonpayment of premium, the Named Insured will have the right to:
 - 1) a seventy-five (75) day Automatic Extended Reporting Period, beginning on the effective date of such cancellation or non-renewal, for no additional premium charge; and
 - 2) to purchase an Additional Extended Reporting Period, beginning on the effective date of the cancellation or non-renewal, for an additional premium; provided that the Named Insured elects to purchase the Additional Extended Reporting Period in writing and provides Us any additional premium due within thirty (30) days of the effective date of cancellation or non-renewal, subject to the available options as set forth in subparagraph c.
- b. The coverage otherwise afforded by this Policy will be extended to apply to Loss or Defense Expenses from Claims first made during the Extended Reporting Period, but only if such Claims are for Wrongful Acts committed on or after the Retroactive Date and before the end of the Policy Period. An Extended Reporting Period does not increase or reinstate any Limit of Liability and may only be effective if all premiums and retentions due under the Policy have been paid. The Automatic Extended Reporting Period shall not become effective if the Insured procures replacement coverage. Once purchased, the Extended Reporting Period may not be canceled and the premium shall be deemed fully earned.
- c. Extended Reporting Period Options:
 - 1) a one (1) year extended reporting period for an additional premium of seventy percent (70%) of the Premium set forth in Item 6. of the Declarations;
 - 2) a two (2) year extended reporting period for an additional premium of one hundred percent (100%) of the Premium set forth in Item 6. of the Declarations; or
 - 3) a three (3) year extended reporting period for an additional premium of one hundred and fifty percent (150%) of the Premium set forth in Item 6. of the Declarations.

IEP ACT: **IEP Act** means a **Claim** under the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, or any similar state or federal statute, whether brought as a due process hearing, mediation, arbitration or lawsuit to address a dispute between the **Named Insured** and its student, or the parent or guardian of a student of the **Named Insured**, concerning: the **Named Insured's** proposal of, or refusal to initiate or change the identification, evaluation or provisions of, an Individual Education Plan ("IEP") or 504 Plan for such student; the implementation of the IEP or 504 Plan for such student; the educational placement of such student; or the provision of a free appropriate public education.

Board Meeting Date: June 9, 2026
Item Title: Student Accident (Athletic & Activities) Insurance for 2026-27SY
Responsible Administrator: Justin Robertson
Strategic Plan Priority: Finance

Background:

Our student accident coverage policy with Educational Benefits will expire on June 30, 2026. EBi submitted an athletic student accident coverage proposal for the 2026-27 school year with no changes in benefits, plan design, administration or service.

The proposal for the 2026-27 school year premium is quoted at \$28,500. The student athletic insurance plan provides year around coverage, including coverage for summer practices, team camps and pre-season games. The plan also covers 100% of usual and customary expenses unpaid by other insurance incurred within one (1) year of covered injury. The coverage in force has no deductible and a medical maximum of \$25,000 per claim.

Both the student athletic insurance and the voluntary student insurance plans are supplemental policies. Students who are covered by other medical insurance owned by their parents would be the primary carrier. The plans offered only become primary if the "insured" is not covered by another plan providing medical expense benefits. **Students not involved in athletic activities can purchase Voluntary Accident Coverage on their own through the District's policy.**

Recommended Action:

Renew EBi Student Accident Coverage for a total premium of \$28,500 for the 2026-27 school year.

Board Meeting Date: June 9, 2026
Item Title: Excess Flood Coverage at Dwight Elementary for the 2026-27 school year
Responsible Administrator: Justin Robertson
Strategic Plan Priority: Finance

Background:

All Russellville School District buildings have flood insurance through the State Captive Insurance Program. However, Dwight Elementary is designated in an A/E flood zone area and the District is required to purchase separate flood insurance through the National Flood Insurance Program (NFIP) through the Wright National Flood Insurance Company. The National Flood Insurance plan only provides a \$500,000 limit per building and \$500,000 per contents. That limit is below the actual value or replacement cost of Dwight's main building value of \$8,646,611, plus contents of \$3,000,000. Therefore, an additional premium, termed as, an Excess Flood insurance policy must be purchased to ensure Dwight Elementary is not under-insured.

Dwight Elementary main building and contents are valued at \$11,646,611. The primary National Flood Insurance (NFIP) through Wright Flood Insurance Co. has a combined buildings and contents limit of \$1,000,000 with a \$1,250 deductible. The renewal premium for the primary National Flood Insurance Program (NFIP) is \$30,110. Excess Flood Insurance, underwritten by Lloyd's of London and Tokio Marine Highland, insures the uninsured value of Dwight's main building and contents not covered by the National Flood Insurance Program. The renewal premium for Excess Flood is \$36,934.56. The total combined renewal premium for the primary (NFIP) and Excess Flood insurance, for both Dwight's main building and contents is \$67,044.56.

Recommended Acton:

Award the primary and excess flood insurance for Dwight Elementary to Mark V. Williamson Co. of Little Rock, Arkansas, underwritten by both Wright Flood Insurance Co., Lloyd's of London and Tokio Marine Highland for a total combined premium of \$67,044.56 for the 2026-27 school year.

Board Meeting Date: June 9, 2026
Item Title: Required Transfer from Operating
Responsible Administrator: Justin Robertson
Strategic Plan Priority: Finance

Background:

We are in the process of closing out the fiscal year ending, June 30, 2026. Per State law, activity accounts cannot be closed out with a negative balance. Fund 7998 (Athletic Gates) will end with a deficit balance that must be accounted for with a transfer from the Operating Fund.

Recommended Action:

Authorize the transfer of adequate funds from the Operating Fund to the Activity Fund 7998 to zero out the negative balance for the 2025-26 school year.

hereinafter referred to as “SUBSCRIBER.

(“Billing Address”)

Whereas COMPANY is willing to perform such monitoring services pursuant to the terms and conditions set forth herein.

Now therefore in consideration of the mutual agreements set forth herein, the parties agree as follows:

1. Fee And Duration. SUBSCRIBER agrees to pay COMPANY the sum of Two Thousand Three Hundred Dollars (\$ 2300.00) Annually per account, for monitoring services. This sum shall be due in advance, for a period of one (1) year from the date on which this Agreement is signed. SUBSCRIBER hereby agrees that COMPANY shall have the right to increase the monitoring fees provided herein at the expiration of the term of the contract, upon giving SUBSCRIBER no less than thirty (30) days' advanced notice in writing of such increase. Should SUBSCRIBER be unwilling to pay such increased charge, SUBSCRIBER may cancel this Agreement by notifying COMPANY in writing, by certified mail, within fifteen (15) days from receipt of the notice of such increase.

2. Taxes/Permits. SUBSCRIBER agrees to pay any federal, state, or local sales tax, use tax, transportation tax or other excise, custom duty, levy, permit fees, or tax which may be imposed upon the use and operation of the equipment covered hereunder or upon services ordered hereunder. SUBSCRIBER agrees, in addition to the charges outlined, to pay all fees and charges in connection with any Cellular Communicator and/or the monthly leased telephone lines costs from the premises to COMPANY's central station, and the installation costs of this equipment.

3. False Alarm Fees. Runaway (false alarm) charges are \$ 0.50 _____ per call and there will be a service call charge at COMPANY's then-current rate, to send a technician out to reset the system (charged door to door).

4. Obligations Of COMPANY. SUBSCRIBER understands that COMPANY's only obligation is to provide and/or broker monitoring services for SUBSCRIBER's electronic protective system to a central station which will make a reasonable effort to notify the authorities (including police and fire) and/or other persons whose numbers and names are provided to COMPANY in writing by SUBSCRIBER in the event of an alarm situation (hereinafter "the Services"). COMPANY is to provide no services regarding inspection, maintenance or repair of the electronic monitoring system unless provided for in a separate written agreement which services, if provided are subject to the terms of this agreement and the separate written agreement. SUBSCRIBER acknowledges that the electronic protection system, including Cellular Communicators and leased telephone lines is/are owned by SUBSCRIBER and all responsibility for maintenance, repair, service, replacement, or insurance of the system are the responsibility of SUBSCRIBER and not COMPANY. COMPANY has no responsibility hereunder for the condition or functioning of said system. Upon termination of this Agreement by SUBSCRIBER or COMPANY, it is the SUBSCRIBER's responsibility to disable the communicator or telephone lines so that signals are no longer transmitted to the central monitoring station identified by the COMPANY under this Agreement. SUBSCRIBER agrees to pay COMPANY all costs and expenses the central monitoring company imposes upon COMPANY due to ongoing transmission of signals beyond the termination date.

6. Suspension/Termination For False Alarms. If SUBSCRIBER's system is damaged to such an extent, or not functioning in such a way, that false alarms are transmitted with unreasonable frequency (as determined in the sole discretion of COMPANY), COMPANY may choose to suspend its obligations under this Agreement until the system is fixed or the condition corrected, or it may choose to cancel this Agreement. If COMPANY elects to suspend or cancel its obligations, it will first notify SUBSCRIBER of such action in writing no less than five (5) days prior to suspension or cancellation.

7. Condition Of Cellular Communicator and/or Telephone Lines. SUBSCRIBER understands that the signals from the electronic protective system which the central station will monitor are transmitted over either wireless transmission or normal land telephone lines. SUBSCRIBER also understands that neither COMPANY nor the central monitoring station can be responsible for any monitoring during periods when either SUBSCRIBER's or central monitoring station's cellular communicator and/or telephone lines are inoperable, or under any conditions that prevent transmission of

a normal land-line telephone call or wireless transmission from the SUBSCRIBER's premises and/or to the central monitoring station.

8. **Alternatives.** SUBSCRIBER acknowledges that alternatives to the Services called for hereunder are available, including 911 emergency telephone services, and SUBSCRIBER elects the Services with a full understanding of all the limitations, including limitations of liability, set forth in this Agreement.

9. **False Alarms.** SUBSCRIBER acknowledges that COMPANY is subject to applicable laws and industry standards designed to reduce false alarms, and that these may result in practices or procedures that delay the notification or other verification procedures required by SUBSCRIBER. SUBSCRIBER agrees that, despite the notification or other verification procedures SUBSCRIBER requests, COMPANY may, in its sole discretion, attempt to contact SUBSCRIBER to verify that a signal is not a false alarm. IF COMPANY HAS REASON TO BELIEVE, IN ITS SOLE DISCRETION, THAT NO EMERGENCY CONDITION EXISTS, COMPANY MAY ELECT NOT TO FOLLOW THE NOTIFICATION PROCEDURES REQUESTED BY SUBSCRIBER. COMPANY may, without prior notice, in response to applicable laws or insurance requirements, revise, discontinue and/or rescind its response policies and procedures.

10. **False Alarm Fees/Assessments.** COMPANY shall not be responsible for any fees, charges, or assessments imposed by any governmental authority or other persons in connection with false alarms from any equipment located at SUBSCRIBER's premises or owned by SUBSCRIBER. Any such fees, charges or assessments are the sole responsibility of SUBSCRIBER.

12. **Delays In Performance.** COMPANY shall not be liable for any delay in performance or nonperformance hereunder if delayed, hindered, or prevented from performing due to any cause beyond its control, including by way of illustration and not limitation, riots, labor disputes, insurrections, war, sabotage, vandalism, fire, flood, government order, pandemic, or act of God. COMPANY shall not be obligated to perform any monitoring services hereunder during any time when telephone or wireless service is disrupted or telephone or wireless equipment is not operating, since signals to the central monitoring station are received solely by means of telephonic (land-line or wireless) communication.

13. **Notification Information.** SUBSCRIBER shall maintain with COMPANY an up-to-date list of persons to be notified in emergency or who are authorized to enter the premises. The original and any changes in these lists must be communicated to COMPANY in writing prior to such changes taking effect. COMPANY assumes no responsibility for verifying the accuracy of contact information submitted to it by SUBSCRIBER.

14. **Changes To System.** SUBSCRIBER agrees that if specification changes are made in its electronic protective system equipment or if accessories, attachments, or other devices are added or removed from said system and those changes cause any increase or decrease in the scope of COMPANY's services, rates for services may be adjusted.

15. **Not An Insurer.** COMPANY is not an insurer against loss or damage. Sufficient insurance covering SUBSCRIBER's premises, property and any persons or property of SUBSCRIBER or of others therein shall be obtained by and is the sole responsibility of SUBSCRIBER.

16. **Limitation Of Liability – Liquidated Damages – Amount.** The parties hereto agree that it is impractical and extremely difficult to fix the actual damages, if any, that may proximately result from

failure on the part of COMPANY to perform any of its obligations hereunder. SUBSCRIBER does not desire that this contract provide for full liability of COMPANY and agrees that COMPANY shall be exempt from liability for loss or damage due directly or indirectly to occurrences, or consequences there from, which the services are designed to detect or avert. If COMPANY shall be found liable for loss or damages due to a failure to provide the services in any respect, **COMPANY's liability shall be limited to the lesser of a sum equal to one-half (1/2) of the current annual fees paid (or to be paid) by SUBSCRIBER or \$1,000.00 as liquidated damages and not as a penalty.** The amounts payable to COMPANY hereunder are based upon the value of the services and the scope of liability as herein set forth and are unrelated to the value of SUBSCRIBER's property or the property of others located in SUBSCRIBER's premises. **IN NO EVENT WILL COMPANY BE LIABLE TO SUBSCRIBER FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND.** If more than one location is subject to this Agreement, the liquidated damages amount will be calculated using the contractual cost for the premises or location giving rise to the claim.

17. **Limitation Of Liability – Liquidated Damages – Property Damage.** As the exclusive remedy, the provisions of paragraph 16, “LIMITATION OF LIABILITY – LIQUIDATED DAMAGES – AMOUNT,” shall apply if loss or damage to any real property or tangible personal property results, directly or indirectly and regardless of cause or origin, from any act and/or omission and/or performance and/or nonperformance of any obligations imposed by this contract or from the negligence, active or otherwise, of COMPANY, its agents, or employees.

18. **Limitation Of Liability – Liquidated Damages – Personal Injury.** As the exclusive remedy, the provisions of paragraph 16, “LIMITATION OF LIABILITY – LIQUIDATED DAMAGES – AMOUNT,” shall apply if death or personal injury results, directly or indirectly and regardless of cause or origin, from any act and/or omission and/or performance and/or nonperformance of any obligations imposed by this contract or from the negligence, active or otherwise, of COMPANY, its agents, or employees.

19. No Express Or Implied Warranties. SUBSCRIBER UNDERSTANDS AND AGREES THAT COMPANY HEREBY DISCLAIMS ALL IMPLIED WARRANTIES OF ANY KIND OR TYPE INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY AND ANY IMPLIED WARRANTY OF FITNESS FOR ANY PARTICULAR PURPOSE. SUBSCRIBER FURTHER UNDERSTANDS AND AGREES THAT COMPANY MAKES NO EXPRESS WARRANTIES AS TO THE SERVICES RENDERED, AND THAT NO REPRESENTATIVE OF COMPANY HAS ANY AUTHORITY TO MAKE ANY WARRANTIES OR OTHERWISE VARY THE TERMS OF THIS AGREEMENT.

20. **Waiver Of Subrogation.** SUBSCRIBER shall purchase at its sole cost and expense adequate insurance for the protection of SUBSCRIBER and COMPANY and its agents and subcontractors for claims related to property damage and personal injury and does hereby, for itself and all others claiming by or through it under this Agreement, release and discharge COMPANY and its agents and/or subcontractors and waives all rights against COMPANY, its agents and/or subcontractors for all loss, damage or injury to the extent covered by SUBSCRIBER's insurance, it being expressly agreed and understood that no insurance company, insurer or other entity/individual will have any right of subrogation against COMPANY or its agents and/or subcontractors.

21. **Indemnification.** To the fullest extent permitted by law, SUBSCRIBER shall indemnify and hold harmless COMPANY and its employees/agents and/or subcontractors from and against claims, damages, losses and expenses, including but not limited to attorney's fees, arising out of or resulting from services provided by COMPANY under this Agreement, regardless of whether such claim, damage, loss or expense is caused in part or where allowable by law solely by a party indemnified hereunder. The aforesaid indemnification obligation shall not be limited in any way by any limitation on the amount and type of damages, compensation or benefits payable by or for SUBSCRIBER's Worker's Compensation, Disability Benefit Acts, or other employment benefit acts. SUBSCRIBER specifically waives any immunity provided against this indemnity by any statute, including but not limited to, worker's compensation statutes.

22. **Limitations on Actions/Choice of Law.** SUBSCRIBER agrees that no lawsuit, cause of action or other legal proceeding connected with or arising out of this Agreement and the services provided pursuant to this Agreement will be brought or filed more than one (1) year after the date of the incident giving rise to the claim. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, SUBSCRIBER KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ITS RIGHT TO A JURY TRIAL IN ANY ACTION OR OTHER LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE. The laws of the Commonwealth of Virginia shall govern the validity, enforceability, and interpretation of this Agreement and any claims arising out of the performance or failure to perform under this Agreement, SUBSCRIBER understands that COMPANY is relying on this limitation in determining the costs of services provided under this Agreement.

23. **Termination.** This Agreement may be terminated by either party by giving ninety (90) days' written notice to the other party prior to the renewal date. Also, this Agreement may be terminated without previous notice at the option of COMPANY in the event SUBSCRIBER fails to make payments when due or if the connecting wires or communication channels between the SUBSCRIBER's premises and the central station are destroyed by fire, riot, act of God, flood, or other catastrophe, or are so substantially damaged that it is impracticable to continue service, and may likewise be terminated at the option of SUBSCRIBER in the event that SUBSCRIBER's premises are so destroyed or damaged. Upon termination of this Agreement, neither party shall by reason thereof be liable to the other for compensation for damages of any kind or character whatsoever provided, however, that such termination shall not preclude or otherwise affect the right or liabilities in law or equity of the parties with respect to any liability or indebtedness owing by either party to the other which was incurred prior to said termination.

24. **Assignment.** COMPANY shall have the right to assign this Agreement or to subcontract any service called for herein to any other person, firm, or corporation subject to the same terms and conditions as set forth herein without notice to SUBSCRIBER. The Agreement shall not be assignable by SUBSCRIBER except upon the written consent of COMPANY first being obtained, which consent COMPANY is not obligated to grant.

25. **Default/Breach.** In the event of default of payment on the part of SUBSCRIBER of the charges called for hereunder, or in the event of any breach of the terms and conditions of this Agreement on the part of SUBSCRIBER, the entire unpaid balance for the entire term provided herein shall become immediately due and payable, and SUBSCRIBER shall be liable, therefore.

26. **Attorney's Fees.** For any legal or quasi-legal action or collection efforts arising out of this Agreement, SUBSCRIBER shall pay to COMPANY all of COMPANY's reasonable attorney's fees and costs associated with the matter if COMPANY is the prevailing party. Prevailing shall mean that COMPANY received an award, judgment or settlement in its favor or obtained a dismissal without payment. For any collection proceedings, payments made by COMPANY to a collection agent or debt collector shall be paid by SUBSCRIBER and if an attorney is retained for any collection efforts, it is agreed that 33 and 1/3% of the total amount sought is a reasonable attorney's fee. SUBSCRIBER further understands that COMPANY is relying upon this provision in determining the costs of services provided under this Agreement.

27. **COMMERCIAL TRANSACTION.** Purchaser agrees and acknowledges that the transaction(s) contemplated by this Contract are commercial in nature and are not primarily for personal, family or household use.

28. **Entire Agreement.** The parties agree that this Agreement contains the entire understanding and final expression of agreement and supersedes and replaces any previous agreements between the parties, that only the representations contained herein are binding on the parties, and that no prior statements or representations of any type shall be received in evidence or otherwise used to vary the

express terms set forth herein. This Agreement may be amended only in a writing signed by both parties and no oral modification of this Agreement shall be enforceable.

29. **Severability.** If any provisions of this contract shall be invalid or unenforceable under the laws of the jurisdiction applicable to the contract, such invalidity or unenforceability shall be severed from the contract and shall not invalidate or render unenforceable the entire contract. Rather, the contract shall be construed as if not containing the particular invalid or unenforceable provision or provisions, and the rights and obligations of COMPANY and SUBSCRIBER shall be construed and enforced accordingly.

30. **Authorization.** The person signing this Agreement on behalf of SUBSCRIBER covenants and warrants that (s)he is the Owner or authorized representative of the Owner and is authorized to sign this Agreement and bind the Owner to the terms and conditions and other provisions in this Agreement.

RSD Board of Education Agenda Abstract

Abstracts serve to provide background information regarding agenda items.

Board Meeting Date: June 9, 2026

Item Title: Volleyball Gym Video Board

Responsible Administrator: Ben Goodman

Strategic Plan Priority: Academic Success

Background:

The district is currently refurbishing the original high school competition gym to provide volleyball and wrestling programs with a true game-day experience for student-athletes, families, and community members. As part of these improvements, the district has solicited bids for a video display board that will enhance athletic events by showcasing student achievements, team information, school activities, community partnerships, sponsorship recognition, and event-related content.

The installation of a video display will create a more engaging atmosphere for competitions while providing opportunities to celebrate students, promote district programs, and recognize community supporters who contribute to the success of Russellville School District.

After reviewing the submitted proposals, the Watchfire solution best meets the district's needs for quality, functionality, reliability, and long-term value.

Recommended Action:

To accept ROA Sports Bid for an 8'x15' Watchfire Video Display for the original RHS Competition Gym.
