Install 10mm rubber flooring to allow use of a single layer of wrestling mats, improve safety, and make the room easier to use for other activities.

Weight Room
Replace outdated and unserviceable equipment and repair the room, including flooring, walls, ventilation, and the opening to the gym. Estimated cost: $125,000 ($95,000 for equipment and $30,000 for room improvements).

Basketball Hoops
Replace malfunctioning competition hoops and evaluate replacement of practice hoops. Estimated cost: $35,000 for competition hoops only or $75,000 for all hoops.

Track Geotechnical Analysis
We also request approval to obtain geotechnical analysis at all three tracks to inform project specifications and begin the request for proposals (RFP) process.

IMPLEMENTING LEVEL 1 & LEVEL 2

BRYCE VALLEY MUSTANGS

Becoming a High Reliability School.

> *"It is not the strongest of the species that survives, nor the most intelligent, but the one most adaptable to change."*
>
> *— Charles Darwin*

THE VISION BEHIND HRS

Our Vision, Our Why

OUR MISSION

"Every student known, supported, challenged, and empowered to succeed."

OUR VISION

We want Bryce Valley to be a place where students want to come — where they feel known, cared about, and challenged to do their best. By working together and building strong relationships, we help every student grow through what they go through.

WHAT WE LEARNED AT HRS TRAINING IN FLORIDA

- HRS isn't a new initiative — it organizes everything we already do into 5 clear, progressive levels
- Level 1 (Safe, Supportive & Collaborative Culture) and Level 2 (Effective Teaching in Every Classroom) are our two active priorities
- Certification runs on real evidence, not opinions

OUR VALUES — BRAVING

B	R	A	V	I	N	G
Boundaries	Reliability	Accountability	Vault	Integrity	Nonjudgment	Generosity

STAFF THEME

"More Human, Not Less"

We go slow rather than fast. Culture is the key.

STUDENT THEME

"Grow Through What You Go Through"

What you celebrate will get replicated.

THE EVIDENCE BEHIND LEVEL 1

PRINCIPAL
SUPPORTING DATA

What Our Survey Data Told Us

"HRS isn't about looking only at the numbers we like — it helps us see clearly, in both directions."

PARENT SURVEY

4.33–4.70

Highest: how resources support teachers — 4.70

STUDENT SURVEY

4.07–4.53

Parents & students both rated safety and order highly

TEACHER SURVEY

Success & recognition	4.67
Safety & order	4.39
Resources support teachers	4.54

WHERE WE NEED TO GROW

Teacher collaboration around curriculum, assessment, instruction & student achievement

This isn't about something being wrong — it's about building stronger, more consistent systems and shared expectations.

MUSTANG / RAM TIME

Monday, August 31 • HS 2:55–3:25 • JH 2:59–3:25

TODAY'S ACTIVITY

HUMAN BINGO

- Grab a bingo card — each square is a trait ("has a horse," "speaks two languages," "has broken a bone").
- Find a classmate who matches a square and have them sign it. One signature per person!
- You have to actually talk to them — no silent sign-and-run.
- First blackout wins bragging rights and a drink in the office! Your teacher will call Jade and let her know you are coming down!

REFLECTION

What's one thing you learned about a classmate today that you never would have guessed?

Why is it important to be reliable?

SHOUT-OUTS

Student of the Week

Kempton Pollock - Ms. Jensen - For making an effort to build a relationship with his teachers, especially on the first day of school when he went around and talked to all the teachers he could. It's a gift to be the first one to reach out.

Athlete of the Week

Ailyn Chavez - Volleyball - For her leadership on and off the court, especially during the Sophomore Tournament this weekend. She also played very well this weekend!

Your future is built by the effort you're willing to give when nobody is watching!

SUPPORT & COACHING

COUNSELOR & COACH

One Role, Two Levels

Mr. Miller · Counselor & Instructional Coach

MY FLORIDA TAKEAWAY — AND WHERE I SEE IT GOING

"I play a critical role in Level 1 and Level 2. Wellness is essential - for students and teachers!"
"Teachers matter more in ensuring student achievement than any other aspect of schooling. -Dr. Tina Boogren"

As Counselor

LEVEL 1 · SAFE, SUPPORTIVE & COLLABORATIVE CULTURE

- Students have a real, formal way to give input — and see it acted on.
- Wellness surveys will be sent out quarterly to students and teachers! Data collected will be used to drive interactions.
- "Nobody cares how much you know until they know how much you care."

As Instructional Coach

LEVEL 2 · EFFECTIVE TEACHING IN EVERY CLASSROOM

- Every teacher works from the same shared language of instruction — coaching, not compliance.
- Collecting and Using Student Feedback to Drive Instruction
  - Beginning of Year Training
  - Follow up to ensure teachers are applying skills they learned.
- I am not there to evaluate, I am there to observe and encourage effective teaching.
