A. West Jordan Elementary Town Hall Discussion

Jen Atwood reported on the town hall meeting held September 20, 2022 and gave thanks to all who participated. She said those in attendance asked about enrollment numbers, special education, safe walking routes, and safety concerns for the building; and most were in favor of rebuilding the school.

Board members Matt Young and Niki George arrived a few minutes after 4:00 p.m. and joined the meeting in progress.

President Miller said enrollment numbers and potential boundary options will be presented in this study session, but asked if Board members were in favor of commissioning an external safety inspection of the West Jordan Elementary School building. Board members affirmed their trust in recommendations from the District Facilities Committee regarding the stability and safety of the structure, but agreed to accommodate this patron request. President Miller called for a motion.

MOTION: It was moved by Matt Young and seconded by Bryce Dunford to move forward with a first-level independent review of the current West Jordan Elementary structure, to be completed within 30 days. The motion passed with a vote of six to one. Darrell Robinson cast the dissenting vote.

It was decided the Board Facilities Committee will present results of the inspection and Staff will provide potential boundary and special education options at the October 11, 2022 Board study session. Available information will be provided to the public at the open house on October 12, 2022.

B. Enrollment Forecast Report

Scott Festin, consultant in Planning and Enrollment, presented an enrollment forecast for District schools. He said economic and demographic shifts have impacted growth, thus resulting in a five year projection for very moderate growth (0.6%). He reviewed projected development and growth capacity for the following schools, noting they are “large, but stable”:

- Antelope Canyon Elementary
- Aspen Elementary
- Mountain Point Elementary
- Oak Leaf Elementary
- Ridge View Elementary
- Copper Mountain Middle School
- Herriman High School
- Mountain Ridge High School

Board member Niki George requested Sunset Ridge Middle School be include on the “schools to watch” list since it is pocket-based and Board members discussed adding sub-categories to this list.

MOTION: It was moved by Niki George and seconded by Darrell Robinson to add schools that have areas of pocket-busing to the “schools to watch” list, including Sunset Ridge Middle School and possibly Copper Hills High School.

AMENDED

MOTION: It was moved by Matt Young and seconded by Darrell Robinson to amend the school “watch” list to include sub-lists of schools with low enrollment, those reaching capacity, and those that are pocket based. The motion passed with a unanimous vote.

C. Boundary Discussion for Ridge View Elementary School

Mike Anderson said previous discussions about Ridge View boundaries resulted in the decision to pursue the option of bussing sixth grade students to an adjacent school: Oak Leaf Elementary or South Hills Middle School. Mr. Anderson explained, however, that revised forecasts indicate Ridge View Elementary will be able to accommodate all students until the flex school is complete in 2024. Board members agreed with moving forward with this final option and discussed next steps, including notifying the schools and cities involved.

MOTION: It was moved by Bryce Dunford and seconded by Darrell Robinson to notify staff to cancel the alert that was sent to communities about a potential boundary change for the Ridge View area. The motion passed with a unanimous vote.

D. Discussion on West Jordan Elementary School Boundaries

Mike Anderson said boundaries being considered for change include the following elementary schools: West Jordan, Majestic, Westland, and Oquirrh. Business Administrator John Larsen arrived at 5:35 p.m. and joined the meeting; and Scott Festin, consultant in Planning and Enrollment, presented information on possible adjustments to boundaries in West Jordan.

Mr. Festin shared the enrollment forecast for this area, noting a downward trend in demographic considerations. He introduced four options for boundary changes:

- 1) Option A: merges the boundary of West Jordan Elementary and Westland Elementary.
- 2) Option B: moves the area west of the canal to Oquirrh Elementary.
- 3) Option C: distributes enrollment between Majestic, Oquirrh, and Westland Elementary Schools.
- 4) Option D: variation on Option C, moving more students to Majestic Elementary.

Mr. Anderson noted each option requires moving all programs (including ALPS) from Westland Elementary and West Jordan Elementary and he said the information would be publicly available on the District website. He presented a potential timeline for the boundary change including patron surveys, an open house, and a public hearing; with a potential final decision on November 29, 2022.

Board members agreed to the Government Relations Committee contacting West Jordan City to see if they would like to meet prior to the open house. President Miller called for a motion about presenting West Jordan Elementary boundary options to the public.

MOTION: It was moved by Jen Atwood and seconded by Niki George to move forward with presenting the four boundary options to the public through a survey and town hall meeting scheduled for October 12, 2022.

AMENDED

MOTION: It was moved by Jen Atwood and seconded by Bryce Dunford to add another option (E) that would keep the ALPS program at Westland Elementary School. The motion was approved unanimously.

B. Review of Board Policy E401 *Student Achievement*

President Miller said this Ends policy is being studied to make sure the Board and District methods of measuring student success are in alignment. She invited Bryce Dunford to lead the discussion.

Mr. Dunford reviewed the measures currently used to evaluate student progress:

- 1) Elementary school level – Acadience & Rise

- 3) High school level – ACT scores, the number of students taking AP and concurrent enrollment classes, CTE certifications, and graduation rates

Mr. Dunford asked for feedback about adding additional measures. The following ideas were mentioned: WIDA scores for multi-lingual learners, implementation of Walk-to-Read, measure of creativity, arts, variety of class offerings, monitoring benchmarks scores, exhibition of learning, mental wellness, future employment, IEP growth for Special Education students, attendance, grade point average, and post high school education.

He provided Board members with a copy of the current TSSA framework which includes three components: a school-based coaching program for teachers, professional development, and a flexible school-based initiative. The Board agreed to these changes and to placing the policy on the November 1, 2022 Board meeting agenda for potential approval or postponement.

G. New Board Member Orientation Discussion

Bryce Dunford proposed the following changes to Board policy appendix "Guidelines for New Board Member Orientation": adding an option for the Board President to assign a designee to orient new members, clarifying how to resolve concerns with the Superintendent, and adding a section that lists resources for new Board members. A follow-up training for new members within three months of the election was also recommended.

Mr. Dunford agreed to incorporate Board suggestions into a draft that he will bring back to a future Board meeting.

H. Discussion on Opening Additional Bank Account

Business Administrator John Larsen explained that currently many schools are holding charitable fundraisers which generate large amounts of coin. He said this process is taking school office staff a lot

of time to count, roll, and prepare for deposit due to the fact the District's financial institution does not offer this service.

District Accounting Director Dan Ellis found that America First Credit Union has a coin processing method that could be utilized by school staff if the District becomes a credit union member. The credit union requires written approval from the Board of Education to open the account, so Mr. Larsen asked Board members for their approval.

The Board decided on a motion at this meeting and to add this item to the consent agenda for ratification at the November 11, 2022 Board meeting.

MOTION: It was moved by Bryce Dunford and seconded by Marilyn Richards to authorize administration to move forward with opening an account at America First Credit Union for the purpose of counting and depositing coin for charitable fundraisers. The motion passed with a unanimous vote.

I. Board and Superintendent Reports and Comments

Marilyn Richards, Finance Committee Chair, explained the necessity of determining the funding for the new flex building and said the committee recommends using a lease revenue bond. She reviewed the pros and cons of the bond and asked for Board input.

Board members asked about a partial lease revenue bond and how a tax increase would affect the bond. Mr. Robinson said a partial bond was not considered because future projects may require funds that would not fit into this type of bond. Mr. Larsen said he is confident a tax increase would not affect the bond. Mr. Young requested a stress test for the lease revenue bond with potential increased interest rates and payment thresholds. Mr. Larsen recommended pursuing the bond option with the potential to make a change if interest rate raises are excessive. It was decided to move forward with the stress test to be presented at the November 1, 2022 Board meeting.

Niki George, Government Relations Committee Chair, proposed the legislative breakfast be held January 11, 2023. Board members agreed with this date and Ms. George shared the following tentative list of priorities the committee would like to discuss with legislators:

1. Increasing the legislative supplement in Special Education funding
2. Treating teachers as professionals
3. Increasing pay for support staff
4. Refraining from overburdening teachers with excessive expectations
5. Opposing any bill that takes away the local Board's ability to govern
6. Allowing funding flexibility- not tying funding to specific programs
7. Increasing funding for mental health
8. Stabilizing TSSA and Land Trust funding (staying at current levels)
9. Automatically increasing property taxes with inflation increases
10. Opposing vouchers and "anything by a different name that leads to the same outcome"

Matt Young requested adding further explanation of why the Board opposes vouchers and Jen Atwood proposed adding that the WPU (weighted pupil unit) reflects what schools are actually receiving. The Board and Superintendent were adamant that the committee communicate the importance of "doing no harm" to our teachers and treating them like professionals.

Superintendent Godfrey reported the latest podcast episodes are being sent to all District employees in a weekly email and select episodes will also be sent to parents every few weeks. He highlighted the popularity of the "Supercast" and said the most sought-after episodes feature District teachers.

MOTION: At 8:46 p.m., it was moved by Marilyn Richards and seconded by Bryce Dunford to go into closed session. The motion passed with a unanimous vote.

JSD Board of Education – 2023-2024 Teacher and Student Success Act (TSSA) Framework

The Teacher & Student Success Program (SB 149) is created to improve school performance and student achievement.

In an unrelenting focus on learning, not only for students, but also for the adults who serve them, JSD Board of Education has adopted a TSSA Framework consisting of three priorities:

- School-based coaching program
 - Schools will build, strengthen and/or maintain a school-based coaching program. The coaching program will include a structured method for supporting the following three areas:
 - Induction ~ classroom management, instructional routines, and student behavior
 - Instructional practices ~ high-impact strategies, assessment strategies, ELL strategies
 - Digital learning ~ the use of district-supported tools, blended learning, and student engagement
- Professional learning
 - Schools will promote continual professional learning that:
 - is integrated into the coaching program
 - occurs in the workplace on an ongoing basis and aligns with school and district goals
 - includes one-on-one work with colleagues that takes place as part of a teacher’s routine practices
 - motivates teachers to participate
- School-Based Initiative
 - Schools will select other approved means for improving school performance and student achievement
 - Projects must be approved by the JSD Board of Education as part of the TSSA Plan.

School Responsibilities

Schools develop a Teacher and Student Success Act Plan. Plans should include a goal using indicator(s) from the USBE Accountability system. USBE success criteria for the TSSA program is for schools to demonstrate a 1% increase in total points. Plans must be based on the JSD Board Framework; therefore, each school should consider how coaching, professional development, and school-based initiatives can be used to help reach goals. TSSA funds are available to provide coaching, professional development and school-based initiatives, where included. All plans will be approved by the JSD Board at the beginning of the year and evaluated for goal completion at the end of the year. All required documentation will be provided to schools.

USBE Accountability System

The USBE Accountability System includes the indicators listed below. Each indicator is assigned points that are summed to determine a school’s overall score and rating. USBE Success Criteria is to meet or exceed the threshold of points on the USBE School Report Card (rating of “A Exemplary” or “B Commendable”) OR to demonstrate a 1% increase in total points. The indicators and their assigned points are in the table below. Individual school status for accountability indicators can be found at Utah School Grades: (<https://utahschoolgrades.schools.utah.gov>)

SCHOOL ACCOUNTABILITY INDICATOR	POINTS	POINTS (High Schools)
Academic achievement ~ Proficiency in ELA, Math, and Science	56	56
Academic growth ~ Growth in ELA, Math, and Science	56	56
Equitable education opportunities -- Growth of lowest performing 25%	25	25
Equitable education opportunities ~ English learner progress	13	13
(High Schools Only) Postsecondary standards		
Graduation rates	N/A	25
ACT scores	N/A	25
Advanced coursework grades	N/A	25
TOTAL POINTS	150	225

Targeted School Improvement (TSI) and Comprehensive School Improvement (CSI)

ESSA requires states to annually identify any public school with one or more “consistently underperforming” student groups for Targeted Support and Improvement (TSI). The goal is to encourage the state, LEAs, and schools to focus more attention on underserved populations and meet education goals for each student. Each LEA is required to develop and implement a school-level targeted TSI plan to improve student outcomes based on the indicators in the statewide accountability system for each student group that was the subject of notification. Schools in JSD identified as TSI in the areas of SpEd and/or ELL should address how coaching, professional learning, and school-based initiatives will help to improve these student subgroup outcomes.

K-3 Reading Goals as Measured by ACADIENCE and Required by USBEDr

Acadience is the screening and monitoring assessment tool that is selected by USBE to measure early literacy skills. Elementary schools are asked to create a K-3 Reading Goal as part of the TSSA Plan. School reading goals may match District reading goals, where applicable.

 - b. a student or educator's sex, race, religion, sexual orientation, gender identity or membership in any other protected class determines the content of the student or educator's character including the student or educator's values, morals, or personal ethics.

2. The teacher shall be responsible to monitor the guest presentation in its entirety and halt the presentation if course content guidelines are violated.
3. If the guest speaker is presenting only one point of view on a many-sided issue, the teacher shall be responsible to see that students also receive information on differing viewpoints.
4. If a guest speaker is to be invited to a classroom, the teacher shall notify the principal with a completed Guest Speaker Request Form.

3. If a parent of a student, or a secondary student, determines that the student's participation in a portion of the curriculum or in an activity would require the student to affirm or deny a religious belief or right of conscience, the parent or the secondary student may request a waiver of the requirement to participate or a reasonable alternative.

SUBJECT: STUDY OF CONTROVERSIAL ISSUES

I. Board Directive

Given the diversity of the community it represents, the Board feels that defining which subjects are controversial and which ones are not is unproductive and perhaps even impossible. Therefore, the Board feels it is better to impose standards on ALL discussion rather than hold certain discussions to a separate standard.
