President George presided and conducted. The Board of Education met in a study session to discuss the following:

**A. America 250 Activities**

Dr. Godfrey invited Teaching & Learning Consultant Kaye Rizzuto and Administrator of Teaching & Learning Carolyn Gough to share information about upcoming America 250 activities.

Ms. Rizzuto explained September is American Founders and Constitution month and this year marks the 250th anniversary of the United States Declaration of Independence. She gave suggestions for student activities, including patriotic programs, concerts, book clubs, and celebrations for veterans. She said Teaching & Learning has developed a student award that can be earned through participating in optional activities. April 10, 2026 is the submission deadline for the America 250 award, and an awards ceremony will be held in May, 2026.

Mr. Robinson encouraged Board members to participate in celebration activities and Mr. Dunford read Utah code 53G-10-204, which specifies the constitutional responsibility of public education.

**B. Discussion on Administrative Policy AA453 Use of Personal Electronic and Communication Devices**

President George said this discussion is to follow up on Policy AA453, which was created and put into practice about a year ago.

Superintendent Godfrey expressed gratitude for parents, teachers, and staff who adopted the policy and implemented it after the school year had already begun. He said there has mostly been a positive impact with more student engagement and interaction. He made the following recommendations:

- More communication about what the policy means for parents and students
- Clarifying the use of smartwatches, particularly at the elementary level
- More consistency with implementing the policy at the secondary level

Dr. Anderson, Associate Superintendent, said there has been positive feedback so far. He said the policy states that School Community Councils can decide if there should be additional restrictions on personal electronic devices, but so far none have done this. It was decided that staff will remind principals that they have the power to move forward with additional restrictions in their schools.

Ms. Dean asked about training for substitute teachers, and Dr. Godfrey said he will work with the Human Resources department to make sure this is happening.

Ms. Barrow suggested a refresher video be created to explain the policy. Administration agreed to produce a short video for students, parents, and employees on the use of cellphones in schools.

### C. **Field House Follow Up**

At Board members' request, Scott Thomas, Administrator of Auxiliary Services, and Dave Rostrom, Director of Facility Services, shared pictures of fieldhouses that were built in neighboring school districts.

Business Administrator John Larsen shared a possible bond timeline, explaining the latest date to submit a bond would be August 4, 2026, with the bond election to follow by November, 2026. Mr. Rostrom said the design and bid process could take about six weeks, and construction would take about six to eight months.

Mr. Larsen added that prior to submitting the bond, a recommendation was made for a patron survey including possible focus groups. District budgets would also need to be adjusted to include maintenance costs for each field house, which could amount to approximately \$200,000 per year.

Board discussion ensued which included the following possibilities:

- Finding sponsors to partner with Jordan for building field houses
- Using the Capital projects budget to pay for field houses (forgoing projects for the next few years)
- Initiating Patron surveys and focus groups
- Considering a Property swap in exchange for sponsoring a field house
- Working with the Jordan Education Foundation on donation options
- Upcoming legislation that might impact how school buildings are managed and controlled
- Examining what is being spent in rental costs for facilities outside the District

It was decided staff will reach out to the Jordan Education Foundation regarding the idea of recruiting sponsors for the field houses. They will also pursue the option of a property swap in exchange for sponsoring a field house. In addition, administration will begin the process of bidding for a survey and focus groups; and compile cost savings information on how much is being spent renting outside facilities, that could be saved by using a school field house.

### D. **Boundary Change Update**

Dr. Anderson gave an update on the current boundary change process. He said notices were sent to parents via ParentSquare as well as 16,229 postcards mailed to individual households in affected areas. The information specified that only 1259 households would be impacted by possible changes and gave instructions on accessing a boundary survey.

Dr. Anderson said so far, 316 Midas Creek and 900 northwest area households have participated in the online survey, which will remain open through October 2, 2025. In addition, two open houses were held, at which eight people in the Midas Creek area and 21 people in the northwest area attended.

Dr. Anderson said a public comment opportunity will be held October 28 and the public boundary hearing is scheduled for November 11, 2025, with the anticipation of a potential vote by the Board at the November 18, 2025 Business meeting.

Dr. Anderson said School Community Councils (SCC) are being elected and will be trained soon. Staff agreed to encourage principals to contact newly elected SCC members to hold meetings in time to hear boundary presentations and ask questions prior to the public comment period.

**E. Discussion on Administrative Policy AA419 Student Conduct, Dress, and Appearance**

President George said it was decided to revisit Policy AA419 prior to graduation season to determine if changes are needed.

Secondary Administrator of Schools Brad Sorensen said he met with principals and assistant principals and made preliminary changes to policy AA419 that are reflective of their concerns and Board recommendations. These include changing wording to be an active, not passive voice and eliminating the words "without alterations" from expectations about wearing the cap and gown.

Ms. Wood suggested changing the wording in section D1 from "In order to maintain dignity" to "dignity is expected."

It was decided that administration will make further revisions to the policy and bring the proposed changes to the October 28, 2025 business meeting for a final vote.

Due to the time constraint, it was decided to discuss agenda item F. *District Enrollment Trends* after the General session.

At 6:16 p.m., the meeting adjourned. The general session started at 6:32 p.m.

VI. **Discussion Items**

Brian Barnett said he is concerned with allowing content from the executive branch of the government into the classroom. His concerns stem from a recent video from the Governor which was sent to the District with instructions to share it in classrooms. He said he believes there should not be partisan or political influence in schools.

Bryce Dunford explained Finance Committee documents shared with the Board. He explained to the Board tax increment proposals from cities. He said the South Jordan Redevelopment Committee met recently to report on the progress of current projects.

Suzanne Wood informed everyone of the book study in which the Jordan Education Access Committee (JEAC) is participating. She recommended the book they are reading, *Lenses of Humanity* by Kyle Reyes, to Board members.

Brian Barnett reported the Facilities Committee met recently with the Call to Action Foundation who is proposing to utilize some of Jordan's vacant properties as low income housing. The Facilities Committee disagrees with this proposal.

Lisa Dean said Salt Lake County Parks and Rec saw an increase in My County Rec pass distribution and use this past year. She said the Jordan Education Foundation recently toured the Jordan Learning Center and their Christmas for Kids program, which is in need of volunteers and donations, will be held December 6, 2025.

Bryce Dunford encouraged Board members to review the Preliminary Results for the 2024-25 School Year document attached to BoardBook. This explains the current status of District fund balances.

Niki George said the Joint Legislative Committee, in preparation for September's Legislative Month in the Classroom, has invited Representatives in Jordan boundaries to visit schools in the District. She also gave a reminder about the USBA Leadership Conference being held September 25 through 27, 2025 at Bryce Canyon National Park.

He noted the capacity percentages at all school levels: high school is 85, middle schools are in the lower eighties, and elementary schools are in the seventies. He said that there are 67,000 seats in the District including 250 portable classrooms, but many factors need to be considered when balancing enrollment, such as: moving students, closing schools, realigning boundaries, altering districtwide calendars, etc.

Dr. Godfrey said growth factors like birthrate and the economy could change the projection, but overall there is a downward trend in enrollment.

President George presided and conducted. The Board of Education met in a study session to discuss the following:

**A. USBA Leadership Academy Debrief**

President George invited the participating Board members and Business Administrator John Larsen to share what impacted them at the recent USBA Leadership Academy. The comments were positive and supportive of the Academy.

Ms. Dean, Ms. Barrow, Ms. George, and Mr. Larsen all mentioned the benefits of Board self-evaluation and Board retreats that were highlighted in a few of the presentations. Board members discussed the possibility of holding a retreat in the near future.

If a retreat is held, Mr. Robinson suggested changing the meeting title.

Mr. Barnett requested to make a motion.

**MOTION:** It was moved by Brian Barnett and seconded by Erin Barrow to form a Board ad hoc committee to create an agenda and plan for a Board retreat. The members of this committee will be Niki George, Lisa Dean, and Erin Barrow. The motion passed with a unanimous vote.

**B. Substitutes for Extended Counselor Absences**

Superintendent Godfrey asked about the possibility of extending substitute availability to counselors that are absent for more than ten consecutive days. Last year there were eleven of these instances which cause difficulty in meeting the accumulation of counseling needs. Dr. Godfrey noted licensed counselors filling extended absences would cost about \$100,000 per year. They would be well trained to provide services to individuals and groups.

President George called for a motion.

**MOTION:** It was moved by Brian Barnett and seconded by Erin Barrow to provide a substitute for a school counselor who will be gone for ten or more consecutive days. The motion passed unanimously.

**C. Enrollment Forecast and Housing Continuum Discussion**

Dr. Michael Anderson, Associate Superintendent invited Scott Festin, Planning Consultant, to share this annual report, identifying enrollment trends; and predicting potential growth and decline in Jordan schools over the next five years.

Mr. Festin said overall, the District is experiencing declining enrollment due to a decrease in birth rates, housing market volatility, and shifts in enrollment due to other educational options. It is forecasted that Jordan will experience a decline of about 2,585 students by the year 2030. Mr. Festin cautioned, however, that many factors could affect this prediction.

Associate Superintendent Mike Anderson said Aspen Elementary is the only school to watch that is forecasted to have an increased enrollment. The following schools were placed on the “watch list” due to declining enrollment:

- Columbia Elementary School
- Heartland Elementary School
- Majestic Elementary School
- Westvale Elementary School
- Rosamond Elementary School
- Rose Creek Elementary School
- Southland Elementary School
- Joel P. Jensen Middle School
- West Jordan Middle School
- West Jordan High School

Dr. Anderson explained the formula the Board approved to determine which schools should be on the “watch” list due to enrollment concerns. Board members mentioned the positive effects of using existing portables to increase building capacity. They also discussed options that could be considered for schools with declining enrollment.

Mr. Robinson expressed concern about signs in the Daybreak area that state Jordan will be building a school on the adjacent property. It was mentioned these signs were most likely placed by developers and Mr. Dunford said he will take care of this concern.

It was decided the Facilities Committee will examine all schools on the watch list in more detail and consider possibilities to address concern about growth or decline. President George requested they look at the secondary schools as a whole and Mr. Dunford suggested Aspen Elementary School should be considered a priority because of overcrowding.

The Committee will bring back recommendations regarding the schools to watch to a future Board meeting.

**D. Survey Results for Potential Boundary Changes**

Dr. Michael Anderson shared results from the recent boundary survey that was open from September 3 through October 6, 2025. Of the 976 impacted and 10,423 non-impacted students notified in the Midas Creek area, there were 351 responses. In the Northwest area, 942 responses were received out of the 994 impacted and 8,876 non-impacted students notified. A total of 16,229 postcards were sent to households in proposed boundary change areas. Two open houses were also held; one in each area.

Public comment will be taken October 28, 2025 and a Public Hearing is scheduled for November 11, 2025, with potential Board action on November 18, 2025.

Dr. Anderson highlighted the following survey results from the Midas Creek area: the overall sentiment is one of support for the boundary changes, with some concern about transportation for students wishing to permit to remain at their current school. In the Northwest area, there was strong support for keeping students at Elk Ridge Middle School together, while there was strong opposition to moving students to schools farther away.

Dr. Anderson shared the forecast enrollment without the boundary change and what enrollment would look like if the proposed boundary change was implemented for both areas being considered. He noted this boundary option is unique because the Board agreed to allow students to remain at their current school on permit for the remainder of their school years. However, busing would not be given to these permitted students.

President George said busing is a major concern for those in affected areas. She requested a busing map for the Northwest area.

Board members discussed the permit process and had various opinions on how long permits should be granted to students wishing to remain at their current school. They also discussed reopening the survey for a short time, to garner more response.

Board members agreed with opening the boundary survey for the northwest area once again for a short time. They requested administration send a Parentsquare message to parents reminding them of the survey and the opportunities for public comment. President George called for a motion.

**MOTION:** It was moved by Brian Barnett and seconded by Suzanne Wood to direct staff to reopen the boundary survey for the northwest area constituents until October 21, 2025. The motion passed with a unanimous vote.

Ms. George requested the survey to be open for a week, including fall recess, and Board members agreed.

#### **SUBSTITUTE**

**MOTION:** It was moved by Darrell Robinson and seconded by Niki George to direct staff to reopen the boundary survey for the northwest area constituents until the morning of October 27, 2025. The motion passed with a unanimous vote.

#### **E. Board Member, Committee, and Superintendent Reports and Comments**

Brian Barnett said the next Facilities Committee meeting will be October 30, 2025.

Bryce Dunford said the Utah High School Activities Association (UHSAA) is beginning the process of alignment and will hold their election of representatives in January, 2026. Mr. Dunford said he would like to run again and asked for Board members' nomination. He encouraged all Board members to attend the upcoming USBA convention.

Jordan Parent Advisory Committee (JPAC) liaison Erin Barrow, said she is planning a meeting to obtain feedback on Parentsquare. Board members gave her additional agenda ideas and suggested meeting more than once per year.

Suzanne Wood said the Jordan Education Access Committee (JEAC) will be hosting a multilingual family night on October 16, 2025 at West Jordan Middle School and the Black Student Union at Herriman High School will be holding a trunk-or-treat event on October 15, 2025.

Ms. Wood also reported on Government Relations, noting invitations have been sent to legislators and Board members for upcoming legislative breakfasts. Dr. Anderson added that there will be three different dates and locations which will allow Board members to have more meaningful conversation with legislators within their district. The following Board members are invited to attend the breakfasts at the Jordan Learning Center from 7:00 – 9:00 a.m. on these dates:

- November 20, 2025 – Bryce Dunford, Darrell Robinson, and Brian Barnett
- November 24, 2025 – Erin Barrow, Suzanne Wood, and Bryce Dunford
- December 2, 2025 – Erin Barrow, Niki George, and Lisa Dean

Darrell Robinson mentioned safety would be an important topic to discuss at a JPAC meeting. Dr. Godfrey said the District sent out information on security measures to parents previously. He agreed to email this to Ms. Barrow and Board members again. Ms. Barrow decided to hold a JPAC meeting in November and will work with Dr. Anderson on a date and informing JPAC members.

Lisa Dean announced November 3, 2025 will be the first Licensed Employee Advisory Committee (LEAC) meeting this year. The meeting will discuss behavior and attendance and will be held at 4:00 p.m. at JATC South. Ms. Dean also announced the Jordan Education Foundation's Christmas for Kids on December 6, 2025. Donations and volunteers are encouraged.

Niki George asked for opinions on the Board newsletter. Board members discussed sending a newsletter with Board information after each business meeting and comparing newsletters from local districts. Dr. Godfrey explained the methods Jordan has for sending newsletters to parents and community members. It was decided to include this topic on a future Board meeting agenda.

**MOTION:** At 8:23 p.m., it was moved by Lisa Dean and seconded by Erin Barrow to adjourn the meeting. The motion passed with a unanimous vote.

## **I. Board Directive**

Jordan District schools are to provide a safe, positive, inclusive and healthy in-person or virtual educational environment where academic learning, personal development, and accomplishment can flourish. Part of the educational process is learning self-discipline and appropriate behavior. Therefore, it is the philosophy of the Jordan School District Board of Education to enforce all Utah laws related to conduct on school premises and school buses and to see that students are taught to preserve public property including all school facilities and equipment.

The Board also recognizes that dress and appearance seriously affect the behavior of students attending school or school sponsored activities and may also impact health, sanitation and safety conditions. Because experience has demonstrated that the learning atmosphere is improved when students both look and act appropriately, the Board hereby authorizes establishment of standards of student conduct, dress, and appearance. The Board delegates to the Administration responsibility to see that each school adheres to the conduct, dress, and appearance standards established in the provisions of this policy in a consistent manner. Further, all District and school staff members shall have a share of responsibility in seeing that these standards are implemented and enforced in classrooms, in school buildings, on school grounds, on school buses, at school activities, and other occasions as appropriate. With the approval of district administration and the School Community Council, schools may make minor changes and/or adaptations to the dress and appearance standards in order to address local needs. Schools should seek input from various stakeholder groups.

## **II. Administrative Policy**

The Administration shall implement Board philosophy according to the following administrative policy provisions:

### **A. Definitions**

1. "Conduct" means the act, manner, or process in which a person behaves on a particular occasion or in a particular context.
2. "Disruption" means any action, disturbance, problem, or reaction which materially or substantially interrupts an event, activity or process, or causes school personnel to lose the attention of the students, to modify or cease any instruction or school activity, or to deal with student confrontations or complaints.
3. "School" means any building, property, space, learning environment, sponsored activity or place (in-person or virtual/online) under the direct or indirect control or influence of the District.
4. "School sponsored activity" means (but not limited to) field trips, tours, performances, ceremonies, competitions, assemblies, events, clubs, camps, classes, games, dances, or travel that is produced, financed, arranged, supervised, or coordinated by school or district personnel.
5. "School personnel" means the same as defined in [DP300 - Personnel Philosophy](#) including authorized individuals engaged in a school sponsored activity or purpose by the school or district.
6. "School administration" means the school principal, assistant principal, or designee responsible for the daily functioning and overall operation of a school.

(See [District Policy AS67—Discipline of Students](#)).

g. Patriotism and Respect for the Flag

The Flag of the United States of America shall be appropriately displayed at all schools in keeping with customary and accepted practices. Students shall show proper respect for their country's emblem. The Pledge of Allegiance to the flag shall be recited at the beginning of each day in each public school classroom, led by a student in the classroom as assigned by the classroom teacher on a rotating basis. At least once per year, students shall be instructed that participation in the Pledge is voluntary and not compulsory and it is acceptable for someone to choose not to participate in the pledge of allegiance.
