December 9, 2025

The Board of Education of Jordan School District met in study, general, and closed sessions on Tuesday, December 9, 2025, beginning at 4:01 p.m. at JATC South (Board Conference Room), 12723 S. Park Avenue (2080 West), Riverton, Utah. The sessions were also provided electronically via YouTube.

STUDY SESSION

Lisa Dean, Board Member
Darrell Robinson, Board Member
Suzanne Wood, Board Member

Paul Van Komen, BVKTS Law, excused
Scott Thomas, Administrator of Auxiliary Services
Dave Rostrom, Director, Facility Services
Kurt Prusse, Director, Purchasing
Ian Roberts, Capital Outlay Manager, Facilities
Lisa LeStarge, Administrative Assistant

President George presided and conducted. The Board of Education met in a study session to discuss the following:

A. Overview of Administrative Policy BP178 *Purchasing Provisions and Procedures for Construction Bids*

John Larsen, Business Administrator, said the Board had recently asked for more information about the District's purchasing policies. He invited Kurt Prusse, Director of Purchasing, to the table for a presentation.

Mr. Prusse said Purchasing has many well established processes, code, and rules they abide by that may not be known to the public and he welcomed the opportunity to share this information. Mr. Barnett said the impetus for this request came from questions regarding a bid for a greenhouse in Herriman that the Board recently approved.

Mr. Prusse described the construction process, including the following: state statute, code, & rule; design process, the selection of a construction method, construction contract management, and procurement requirements.

Board members asked about using District personnel or students to construct a project; or donated labor and/or supplies. Mr. Prusse said self-performed work is allowed, but often resources are better used in maintenance for facilities or for small improvements. Mr. Rostrom added that Jordan maintains over six million square feet of building space, and manages over 2500 work order requests per month, in addition to special projects like lighting or sound system upgrades.

Mr. Rostrom said there are additional concerns and calculated risk when using donated labor or supplies, including the need for a general contractor with a business license, state requirements for being bonded and insured, quality of the work and materials, and the need to document the work.

Ms. George suggested a construction class could offer students the opportunity to gain trade skills while working on a small building project. Mr. Rostrom said there must be a licensed professional overseeing the project, and Dr. Godfrey added that the timeline for project completion would need to be considered.

Board members asked about improving the timeline for the bidding process, so they could have more time to review the bids prior to a vote. Mr. Rostrom said bids are typically held for 30 days and Mr. Prusse said this timeline could be increased, but likely at additional cost. He noted all open bids are available to access through a link on the Purchasing website.

Ms. George requested an expiration date be added to the bid summary documents posted on BoardBook and Mr. Prusse agreed. She also asked about including an individual department report in each Board study session to get an overview of department goals and current projects. Board members discussed the time it would take and feasibility.

MOTION: It was moved by Suzanne Wood and seconded by Lisa Dean to table agenda item A. *Overview of Administrative Policy BP178* for discussion at a later date.

Mr. Robinson suggested the Executive Committee work out the details of departments presenting in Board study sessions, then Ms. Barrow made the following motion.

SUBSTITUTE

MOTION: It was moved by Erin Barrow and seconded by Darrell Robinson to assign Administration to create a draft proposal for a way to stay up-to-date with each of the department head's current projects and goals and that he present this in a future Board meeting. The motion passed with a vote of six to one. Mr. Dunford cast the opposing vote.

B. Aspen Elementary School Boundaries

Brian Barnett, Facilities Advisory Committee, reported on the assignment to assess Aspen Elementary School's enrollment growth, as it qualified for review under the guidelines of the current Enrollment Considerations document. After review, the Committee's recommendation is to wait and re-evaluate next year with updated numbers due to the following considerations:

- The school is well below use capacity, and is forecasted to not reach use capacity until 2028
- There is no rapid growth this year
- Aspen recently had a boundary change
- Current kindergarten numbers are well below sixth grade numbers

MOTION: It was moved by Bryce Dunford and seconded by Erin Barrow to accept the Facilities Committee's recommendation and do nothing currently regarding the Aspen Elementary School boundary.

Mr. Robinson suggested the surrounding schools' enrollment should be considered when looking at enrollment growth or decline. Mr. Barnett said other schools with declining enrollment could be reviewed in the near future, but the recent assignment was to look at Aspen Elementary in particular.

The Board discussed boundary and permit timelines, the Board and Facilities Committee's roles in enrollment reviews and recommendations, and use capacity versus architectural capacity with the consideration of a maximum of six portables at each elementary school.

President George called for a vote on the motion to accept the recommendation of the Facilities Committee and make no changes to boundaries at the present time. The motion carried with a vote of six to one. Mr. Robinson cast the dissenting vote.

MOTION: It was moved by Darrell Robinson and seconded by Lisa Dean to study the south Daybreak and Herriman Elementary Schools; and the elementary School in the Olympia Hills area to consider long term enrollment needs.

Mr. Barnett said he doesn't want to commit to looking at boundary changes until there is more evidence to support a need. Mr. Robinson advocated for moving forward with a broader study of enrollment.

After further discussion, Lisa Dean called the question.

President George called for a vote on the motion to study long term enrollment in the southwest area of the District. The motion carried with a vote of six to one. Mr. Barnett cast the dissenting vote.

Due to the time constraint, it was decided to continue discussion on Aspen Elementary School Boundaries and commence with agenda item C. *Procedures for Policy Review* after the General session.

At 6:31 p.m., the meeting adjourned. The general session started at 6:37 p.m.

She thanked Superintendent Godfrey, administrators, District Athletic Director Bryan Veazie, and staff who support and assist with events.

Niki George spoke of the positive interactions with legislators at the Legislative Breakfasts held recently. She said she is grateful for their efforts to balance educational needs across the state and for the support legislators give Jordan District.

Lisa Dean gave kudos to all those involved with high school theater productions this winter, saying they enrich the community and benefit all those participating as well as the many who attend.

Superintendent's Recognitions

Dr. Godfrey recognized the students in attendance from Kings Peak Virtual High School, noting Jordan's virtual school options allow for greater personalized learning and an innovative way to meet students' needs. He thanked the Board for their support of Jordan's virtual schools.

\$700,000 (per year)

Purpose: To provide a vendor that will make fresh-baked pizza for all of the schools in Jordan School District.

Budget: Nutrition Services Food

Recommendation: It was recommended awarding a contract to Domino's Pizza. The Nutrition Services department made the recommendation based on the results of the evaluation process and the vendor providing the best value to the District.

MOTION: It was moved by Lisa Dean and seconded by Erin Barrow to approve the bid for Fresh Baked Pizza for Nutrition Services, as recommended.

Ms. George asked why the District chose to use an outside vendor rather than making the pizza in school kitchens. Katie Bastian, Nutrition Services Director said students prefer this fresh-baked pizza and it reduces labor costs for nutrition workers on days the pizza is served.

President George called for a vote on the motion for Fresh Baked Pizza. The motion passed unanimously.

B. School or Department
Transportation

Items for Bid
School Buses

Bidders

Bryson Sales & Service Inc.
Lewis Bus Group
Rush Truck Center

Amount of Bid

\$1,346,926.00 (7 buses)

Purpose: To purchase one (1) new special education school bus, two (2) general education transit-style buses, and four (4) general education conventional-style buses to add to the existing Transportation bus fleet. These new school buses will replace older buses as they reach their end of life.

Budget: Transportation Capital Bus Purchases

Recommendation: It was recommended placing the order with the state contract holders, Bryson Sales & Service Inc., Lewis Bus Group, and Rush Truck Center, as they are the best value for each type of bus needed to add to the fleet. State Contracts: MA4697, MA4698, and MA4699

MOTION: It was moved by Lisa Dean and seconded by Darrell Robinson to approve the bid for School Buses for Transportation, as recommended.

Board members asked about the need for additional buses when District enrollment has dropped and for further clarification on the types of buses mentioned in the bid. Paul Bergera, Director of Transportation Services, said there is a need for more buses due to geographical growth, not enrollment growth. He said conventional buses are better on flat terrain, while transit-style buses are better suited for hilly terrain and can accommodate a few more students.

President George called for a vote on the motion for additional school buses. The motion passed unanimously.

IV. **Special Business**

A. **BUDGET HEARING: Recommendation to Approve Amended Budget for the 2025-26 Fiscal Year**

Bryce Dunford, Finance Committee Chair, explained the process of amending the budget for the current school year as changes have been made since the budget was initially approved last June. He invited Business Administrator John Larsen to present a report on the changes.

Mr. Larsen gave the following details about the General Fund. He pointed out that the 2025-26 revised budget reflects items that are being carried over from last year in the following areas: TSSA, Trust Lands, and grants. He said the "unassigned" balance of approximately \$41.2 million was moved out of instruction and is offset by the carryover. Additional adjustments were made to staff support services and postage, due to October 1, 2024 enrollment count changes.

Mr. Robinson asked about changing the process of moving unassigned balances to instruction and vice versa. Mr. Larsen said the law forces conversation about these funds as this balance is reassigned at least twice per year. The Board has set parameters on its balances as well, and the Finance Committee looks at this in earnest January through June each year.

Mr. Larsen recognized Senior Accountant Jason Mott and thanked them for their work on the amended budget report.

MOTION: It was moved by Bryce Dunford and seconded by Lisa Dean to approve the Amended Budget for the 2025-26 Fiscal Year.

Public Comment

No patrons signed up to address the Board regarding this Special Business item and no patrons accepted the invitation to speak.

President George called for a vote on the motion to approve the Amended Budget for the current year. The motion passed unanimously.

A copy of the Statement of Revenues, Expenditures and Changes in Fund Balances is attached at the conclusion of these minutes (Attachment 2)

V. Information Items

A. Superintendent's Annual Report to the Board of Education

Superintendent Godfrey presented his annual report to the Board, expressing gratitude for the opportunity to give his seventh annual presentation as Superintendent. He said, thanks to the Board, the District is not limited in what it can accomplish for students. He expressed appreciation for the their support and gratitude for Cabinet members, administrators, and all Jordan employees from 15 job families who are doing "amazing things on a daily basis."

Dr. Godfrey explained that changing demographics and attendance rates have created challenges. He pointed out average daily attendance rates are declining and chronic absenteeism is increasing, which could adversely affect student test scores. However, he noted academic growth in middle school and high school assessments. In addition, Superintendent Godfrey gave the following highlights for the year:

- At 91.8 percent, graduation rates are at the highest level ever
- High school AP exam participation has increased as well as AP exam pass rates
- 2024-25 had the highest pass rate for High School AP exams thus far
- The 2025 school dropout rate is the lowest it has ever been

Dr. Godfrey supplied the Board with additional data using new Ends policy measurements from the Strategic Plan. He thanked Ben Jameson, Director; and Brooke Anderson, Data Scientist, in the Assessment, Research & Accountability department for work and providing information for this presentation.

Superintendent Godfrey explained that Utah Aspire Plus assessment will be administered for the last time in 2025-26, and then a course-based assessment will be used. He highlighted the following information from the Panorama student and Stakeholder Input surveys:

- Student's reported a greater sense of belonging
- 96.6 percent of elementary and 83.8 percent of secondary parents report that they feel like teachers are willing to help their child

Dr. Godfrey said exceptional professional development opportunities are being given to employees with support of the Board; and safety and security is being improved with locks and classroom door wedges.

Bryce Dunford asked the Superintendent if he has seen ideas implemented in neighboring school districts that he might be interested in bringing to Jordan. Dr. Godfrey mentioned leadership development with an emphasis on mentoring and formal coaching for administrators.

President George expressed appreciation for the Superintendent and the great work he does in the District.

Additional Public Comment

President George noted Mayor Dirk Burton of West Jordan City was in attendance and had arrived after the public comment period in tonight's meeting. With the Board's approval, she invited him to speak.

Mayor Burton thanked Board members for their letter of support for building a recreation center in West Jordan City. He also gave an update on the bridge over 7000 South, noting construction is progressing. Ms. George thanked the mayor for the safe route for students trying to cross a busy corridor to get to Copper Hills High School.

VI. Discussion Items

A. Committee Reports and Comments by Board Members

Brian Barnett said the Facilities Committee met last week and notes from their meeting are posted on BoardBook. Mr. Robinson expressed frustration that he wasn't included in the conversations about enrollment growth recommendations. Mr. Barnett explained that Ms. Dean and Ms. Barrow attended as their schools were on the list to be discussed due to enrollment concerns. He also said there could have been a disconnect in the way the Enrollment Considerations document was interpreted in regards to communication specifications. The need for input from Board members who represent a potentially-impacted school was discussed, including ideas on how notification should be handled.

MOTION: It was moved by Brian Barnett and seconded by Erin Barrow to bring the Enrollment Considerations for Growth document to a future Board meeting to discuss other ideas.

Darrell Robinson said the practice needs to change, not the document, and Ms. George added it is difficult to update the document to meet every situation.

Mr. Barnett expressed a desire to tighten up the language in the document for more clarification.

President George called for a vote. The motion passed with a vote of six to one. Ms. George cast the dissenting vote.

Suzanne Wood thanked Associate Superintendent Mike Anderson for coordinating the recent Legislative Breakfasts. She thanked all who attended and said it was a good opportunity to hear priorities and discuss concerns together. Lisa Dean said she appreciated the handouts that were prepared, and Mr. Larsen and Dr. Anderson's expertise in explaining things to legislators.

President George asked Board members if they want to do a holiday letter to Jordan employees and all agreed. She reported on planning for the Board's summer retreat, giving suggestions for the meeting name change. Suzanne Wood suggested the event be titled "Board Summit" and all agreed. It was decided this meeting will be held in June at a location off-campus and possibly include a yearly service project to benefit students, goal review and setting, and Board self-evaluation on alternate years. Ms. George will send out a document to collect further Board member input. Ms. George said the Joint Legislative Committee (JLC) will meet this week and she will send out a virtual link if there is interest.

B. Topics for Bulletin Board

President George suggested topics for the Board's publication include an update on recent changes to the Midas Creek area boundaries, a financial update, well-wishes for the new year, and highlight of a Board committee (possibly Government Relations).

At 9:22 p.m., President George declared the meeting adjourned and announced that the Board would return to study session.

She invited Board member input on next steps, and discussion ensued about priorities for enrollment considerations as growth in Jordan is slowing. It was decided to add this topic to a future Board agenda.

C. Procedures for Policy Review

Bryce Dunford, Board First Vice President, asked Board members to consider the importance of governing through Board policy, noting the Board should have policies in place that align with its priorities. He apologized for initially misunderstanding the role of the new ad hoc Policy Review Committee, and he asked for Board member input on whether to revise and follow the current policy review calendar or review a policy when the ad hoc committee gives a recommendation.

It was mentioned that the current policy review calendar does not include all District policies and is over seven years old. It was decided the Policy Review Committee will revise the policy schedule and propose to the Executive Committee additional policies to be considered for review.

Mr. Dunford asked Board members to be familiar with all District policies, and study in depth those being brought forth for review. He offered to share PDF copies of Board and Administrative policies with Board members if they prefer that format.

MOTION: At 10:29 p.m., it was moved by Lisa Dean and seconded by Suzanne Wood to go into closed session. The motion passed with a unanimous vote.

Rebecca Smith, Gifted and Talented Consultant, Teaching & Learning
Roxane Siggard, Administrative Assistant, Office of the Superintendent

First Vice President Bryce Dunford called the meeting to order. He began by explaining that President Niki George was detained and asked him to conduct the meeting until she arrived. The Board of Education met in a study session to discuss the following:

A. Gifted & Talented Presentation

Superintendent Godfrey thanked Carolyn Gough and Rebecca Smith for their work with the Gifted and Talented (GT) Program. He explained that the reason for the presentation was to 1) meet requirements by the State to report on how resources have been used for gifted and talented education; 2) present ideas on what to do next with the GT program; and 3) give general information on what departments are working on for context for future bids.

President Niki George joined the meeting at 4:27 p.m. and conducted the remainder of the meeting.

Rebecca Smith, Gifted and Talented Consultant, Teaching & Learning, presented on the GT program, including information on the Advanced Learning Placement for Students (ALPS) program; how students are identified, myths surrounding GT, and suggestions for expanding the program. Ms. Smith and Dr. Godfrey were asked to rank the options for their ideal Gifted and Talented Program and both agreed on their order as being: 1) A full-time GT teacher in each school; 2) a GT teacher shared between two schools; 3) universal testing at a younger grade, ideally second going into third, or third going into fourth grade; 4) a specialty school serving students in the entire District with transportation; and 5) ALPS in every elementary and middle school.

Ms. Smith, Ms. Gough, and Dr. Godfrey answered Board members' questions about current services for elementary, middle and high school students, where ALPS programs are located and the schools they serve, and current testing processes. Dr. Godfrey also reviewed a

possible timeline for implementing the various options for an ideal Gifted and Talented Program.

To assist with allocating funds, Board members asked the team for additional information and data points on:

- Students who were qualified but did not opt into ALPS; and the reasons or barriers.
- How many students are on the waitlist, who is not being served, and why.
- How are the students benefiting who are in the program including testing data.
- Data on the growth of students at similar intelligence levels who do not opt into ALPS compared to those in ALPS.
- Hotspot map of Jordan District marking the location of students who are qualified for GT.
- Evidence of how additional funding will benefit GT students.

The team is to gather the information and report back to the Board, either by email or at a future Board meeting.

B. Proposed Field House Survey Questions

Dr. Godfrey, said that Lighthouse has proposed questions to include on a survey regarding proposed field houses at Jordan District high schools. The survey questions were reviewed with the Board, and questions raised by Board members were answered by Business Administrator John Larsen on current bonds and options for financing. The next steps will be that the recommendations for changes to specific survey questions will be taken back to Lighthouse. After the language is approved by the Board, they will conduct the survey. When it is completed, they will report back to the Board, and depending on the results, potentially form and conduct focus groups.

C. Annual Board Meeting Calendar 2026-27

Niki George, Board President, introduced the proposed calendar for 2026-27 meetings with Board study sessions usually occurring on the second Tuesday of the month and the business meeting on the fourth Tuesday. She reviewed each of the proposed dates that do not follow this pattern and potential conflicts. In discussing the November meeting date, the majority agreed to keep the meeting scheduled for the fourth Tuesday, November 24, 2026, even though it falls on the week of Thanksgiving. The July meeting date was discussed and it was decided to hold a Board Summit on July 28, 2026.

The proposed calendar for 2026-27 meetings is to be formally approved at the next business meeting as a consent agenda item.

D. Annual Statements and Trainings as Per Board Policy GP103 *Board Members' Principles of Operation: Conduct and Ethics*

John Larsen, Business Administrator, presented information on required and recommended trainings for Board members as required by Utah Code and Board Policy GP103 *Board Members' Principles of Operation: Conduct and Ethics*. He reminded Board members of the following:

- 1) A Conflict of Interest Disclosure Statement is due by January 31st of each year and will be posted on the website in accordance with Utah code. Email the signed disclosure to Mr. Larsen.
- 2) A new requirement by the Utah State Board of Education (USBE) is training on hotline reporting that involves a 30-minute video presentation; however, there is no reporting mechanism.

- 3) Audit Committee training every two years for all Board members. Board members on the Audit Committee will need to watch two additional videos with no reporting required.
- 4) An Ethical Behavior Statement will need to be signed and emailed to John Larsen by January 31st to comply with Board policy GP103.
- 5) The State Auditor suggested additional training but is not required.
- 6) USBA also has suggested training, but is not required.

E. Board Compliance with Open Meeting Law Training

Mr. Paul Van Komen, Legal Counsel, gave Board members an update on the Open Meeting Law. He reminded Board members of the importance of adhering to legal requirements set forth in the law and where and how to complete the training. Mr. Van Komen will email the updated handbook for the Open Meeting Law to Board members.

F. Review of Board Policies GP100 through GP107

Bryce Dunford, Chair, Board Policy Committee, said the first policy review would begin with the Governance Process (GP) policies until the Policy Committee develops a schedule. Board policies GP100, GP101, GP102, and GP103 were reviewed and discussed for possible revisions.

The Policy Committee will wordsmith the suggested changes and bring them back to a future meeting for further discussion.

MOTION: It was moved by Bryce Dunford and seconded by Brian Barnett to postpone discussion on policies GP104 through GP107 to a future meeting. The motion passed with a unanimous vote.

G. Utah School Boards Association (USBA) Conference Debrief

Niki George, Board President, thanked the Board members that were able to attend the recent USBA conference in an effort to become a better Board member. Those who participated made comments on the good ideas and information for best practices they took away from the conference and classes, and the opportunity to learn from other districts' board members.

H. Board and Superintendent Reports and Comments

Brian Barnett said the Facilities Committee will be meeting next week on January 22, 2026. Chair Bryce Dunford said the Finance Committee does not have a meeting scheduled, but will be getting together soon.

Government Relations Committee Chair Suzanne Wood reminded Board members of the following dates: February 11, 2026 is the Jordan Board of Education Day on the Hill. Michael Anderson will make arrangements for Board members to sit with legislators on the floor, if they desire. February 18, 2026 is Student Body Officers Day on the Hill. Board members may ride a bus that will be departing from South Valley School to the Capitol at 9:00 a.m. Ms. Wood asked the group about interest in producing short videos to educate patrons about various financial aspects of the District. It was decided that the Finance Committee will look at the proposal and bring it back to the Board. Ms. Wood, liaison for the Jordan Education Access Committee, also mentioned the "What I Wish You Knew" conference on January 20, 2026 from 9:00 a.m. to noon at West Jordan Middle School.

Chair for the Licensed Employee Committee (LEAC), Lisa Dean, announced that the next meeting will be on Monday, February 9, 2026, from 4:00 p.m. until 5:30 p.m. at JATC South. Two other Board members may attend, who will be Niki George and Erin Barrow. It was requested that Ms. Dean email the questions to Board members before they go to LEAC representatives. Ms. Dean also mentioned that the Jordan Education Foundation Donor Appreciation luncheon is this Thursday, January 14, 2026. She will be meeting with the Salt Lake County Parks & Recreation tomorrow, January 14, 2026.

Jordan representative for the Utah School Boards Association (USBA) Niki George noted that January 20, 2026, is the beginning of the legislative session so the legislative updates will start with the next Board meeting. On January 21, 2026, the USBA will be celebrating public education in the rotunda of the Capitol with displays by the school districts. Students are being invited to come. The Joint Legislative Committee (JLC) meeting will be held on Fridays during the session in the Senate Building room 210, from 11:00 a.m. to 1:45 p.m. The USBA Day on the Hill will be January 30, 2026, from 9:00 a.m. to 2:00 p.m. She mentioned potential changes to USBA leadership, as well as that Lisa Dean is running for the legislature, so she will not be seeking reelection to the Jordan Board of Education.

MOTION: At 9:14 p.m., it was moved by Lisa Dean and seconded by Brian Barnett to adjourn the study session and go into a closed session. The motion passed with a unanimous vote.
